4. Presentation of 10th Annual Report for Season 1958-59.
5. Presentation of Audited Financial Statement.
6. Election of Officers.
7. Motions of which due notice has been given.
8. General Business.

GUS B. STAUNTON,
Hon. Secretary,
S.L.S.A. of A., Sydney Branch.

FOREWORD

The ensuing report will, I am sure, prove of great interest to all associated with the wonderful pastime of surfing. The healthy, recreational qualities of the sun and the surf, and the many lovely beaches with which we are blessed around Sydney, are universally recognised by inhabitants and visitors alike, and are being increasingly availed of and concurrently therewith the demands upon the Surf Life Saving Association of Australia have become greater.

All Members of our Association have realised their added responsibilities, and our efforts are continually directed to affording the public that sense of protection which they have come to accept, and to directing the qualified youth of the community into joining a movement which has as its motto "Vigilance and Service".

A. R. LOTON,

President,

S.L.S.A., Sydney Branch.

ANNUAL REPORT

To be presented to the 10th Annual General Meeting of the Sydney Branch, to be held in the Australian Historical Society Auditorium, No. 8 Young Street, Sydney, on Thursday, 1st October, 1959, commencing at 6.30 p.m.

Gentlemen,

It is with a great deal of pleasure that I present on behalf of the Branch Council Officers and Delegates this, the 10th Annual Report for the Season 1958-59.

The Branch has continued to function smoothly and has administered to its Clubs in all matters appertaining to Life Saving.

All Officers have performed their duties to a high degree of efficiency and devotion and their efforts have been reflected throughout the Association and its Clubs.

During the month of June, a meeting was called by the North Steyne S.L.S.C. of all Northern Clubs to discuss the proposal of forming a Northern Side of the Harbour Branch which would seek affiliation direct with the N.S.W. State Centre. Two meetings were held and on the second occasion eleven of the twenty Clubs in the area carried a motion that an application should be lodged to seek affiliation for the Manly-Warringah Districts.

The request for this affiliation was tabled at the August Council Meeting and the question of whether the application should be opposed or supported by this Branch was keenly debated. A motion was subsequently carried by a substantial majority that "The affiliation be forwarded to the N.S.W. State Centre in accordance with Constitution but that the Branch register the strongest possible disapproval."

A decisive feature of the voting on this matter was the strong opposition of the Northern Clubs, who dissented from the application at the North Steyne Meeting.

As this report goes to print a Committee has been formed by the Branch to prepare a case to place before State Centre, and, it is hoped, that in view of the official opposition of the Branch and particularly because of the number of Clubs in the area that are in dissent, that the application will be refused.

The functions and duties carried out by the Branch during the season have been many and varied and hereafter is set out for your perusal matters of importance.

BRANCH COUNCIL

The Council, which is the governing body of Association affairs in this Branch, continued to meet regularly on the first Tuesday of each and every month and an enormous amount of matters were dealt with.

Attendance of the Delegates and Officers of the Council have been of a comparatively high standard, and such attendance details are set out elsewhere in this Report for Clubs' perusal.

It is indeed unfortunate that many Clubs do not take a proper interest in Association affairs and tend to become parochial in their outlook. The position of Delegate to the Association should be one of great importance among Club Officers and it behoves all Clubs to ensure that they are well represented in this sphere.

Branch Bulletins have been circulated regularly each month, but in some cases Clubs awaited receipt of these Bulletins rather than being advised by their Delegates. This, to a degree, has prevented some Clubs from discussing matters prior to their finalisation at the Council.

The practice of calling for a Delegate's report at Club Committee Meetings is suggested, for the two-fold purpose of ensuring a familiarity with Association affairs and ensuring delegates' full representation.

BRANCH EXECUTIVE

The Branch Executive has met regularly each Monday during the lunch-hour and the volume of matters attended to can be borne out by the Minutes of these meetings.

It should be remembered by all that the functions of the Executive are primarily to deal with matters of pressing importance and of a routine nature pending their discussion at the Council, and to dispense with matters that would normally consume valuable time at Council meetings.

A report on the Executive's activities was submitted to each Council meeting and items of particular interest to Clubs could be again brought up for discussion.

My thanks go to those Officers and Delegates who have been so regular in their attendance and thus enabled the Executive to carry out its duties competently.

BOARD OF EXAMINERS

The Board of Examiners, under the capable leadership of its Executive, including Mr. E. J. Marsden — Branch Superintendent, Mr. H. McDonald — Deputy Superintendent, Mr. A. Moseley — Hon. Secretary, and Messrs. K. Flannery and R. Cosgrove, Southern and Northern Side Supervisors respectively, together with their District and Assistant Supervisors and rank and file members, have been responsible for carrying out an enormous number of Examinations, officiating at Carnivals, etc. The Board of Examiners are a very effective "Right Arm" of the Branch, and the schedule of awards as set out elsewhere in this Report will bear testimony to their diligence.

Board Committees executed their duties in an efficient manner and their reports, when necessary, have been compiled and forwarded to the N.S.W. State Centre and National Council.

Board of Examiners' Meetings have been well attended and were held regularly during the summer months, the Board being in recess during winter.

AFFILIATED CLUBS

All Member Clubs have functioned efficiently and have carried out their rostered patrols and life saving duties to a high standard.

Complaints were received regarding patrols on certain beaches and these matters have, of course, been investigated and attended to. The conditions for patrolling a beach as laid down by the Association are subject to dispensation and many Clubs have applied for exemption from certain aspects of these conditions.

A notice of motion was tabled during the season concerning the patrol year and was subsequently carried, the clause reading, "The Patrol Season shall be from at least the first day of October to the end of April in the next succeeding year." The condition is now mandatory upon all Clubs.

Set out below is a summary of Rescue Figures for the season compared with previous years and increases are noted in all spheres apart from "With other Gear." Surfing conditions throughout the season were consistently moderate and the increase in these rescue figures could be contributed in no small way to the undoubted gain in popularity of surfing on our beaches.

Comparison List of Rescues

	1955-56	1956-57	1957-58	1958-59
With Life Line	1,433	909	1,340	1,525
With Life Boat	100	33	44	94
Without Life Line	962	657	976	1,058
With other Gear	87	63	142	79
	<hr/> 2,582	<hr/> 1,662	<hr/> 2,502	<hr/> 2,756

COMMITTEES

Branch Committees were called together as the occasion arose and carried out their duties to a high degree of efficiency.

Committees of the Board of Examiners have been mentioned elsewhere in this report and other Committees met as instructed and submitted their reports to the Council.

The Gear Inspection Committee, in particular, was again instrumental in bringing Club Gear to a high standard early in the season, and the Inspection Trophy, as donated by the Deputy President, Mr. D. C. Lucas, was won by Manly S.L.S.C. with 9.94 points. North Steyne and Queenscliffe Clubs were second and third respectively.

A Boat Committee was formed during the latter part of the season to consider matters referred to it by the National Council and their findings have been forwarded to that body.

ASSOCIATION AWARDS

As will be borne out by the figures listed below, the number of Awards in all spheres rose considerably above last season. Bronze Medallions were almost a 100 greater as were Qualifying Certificates. Congratulations are to be extended to certain Clubs and their Chief Instructors for the high percentage of Association Awards gained, and in particular one should mention Collaroy with 29 Bronze Medallions, Cronulla with 38, Maroubra with 38, and North Cronulla with 50.

The procedure for requesting the examination of Club Squads was altered early in the season and appeared to function quite smoothly throughout the year. Certain modifications were made in an attempt to streamline the granting of awards, most noteworthy of which was the Branch invoicing Clubs for their awards rather than to accept a cheque at the time of the examination.

Comparison of Awards

	Bronze Medallions	Qualifying Certificates	Instructors' Certificates
1956-57	577	129	93
1957-58	489	121	72
1958-59	580	220	106

PROCEDURE FOR ASSOCIATION EXAMINATIONS

Following upon recommendations from the Board of Examiners tabled at the June Council Meeting, all Clubs were subsequently advised that "In order that squads for examinations may be brought to a maximum efficiency, Clubs are directed to ensure that all squads under the care of a Probationary Instructor be also under the supervision of a Qualified Instructor. Also that a Qualified Instructor should accompany the Squads for their examination."

An Examination Procedure Committee was formed during the latter part of the season and new forms have been compiled and forwarded to N.S.W. State Centre with a request that this Branch be allowed to use such forms for a trial period of twelve months. It is anticipated, if this request is granted, that the Branch will be in a position, by virtue of its experience with the forms, to suggest a number of simplified methods for future use.

Special thanks must be extended to Mr. J. Vaughan for his research in this regard.

CARNIVAL DATES AND VENUES FOR SEASON 1958-59

Twenty-one Carnivals were conducted in the Branch last season and are as set out below :—

 February 14th — Saturday:
 Dee Why. Branch Championship.
 February 28th — Saturday:
 Maroubra. Open.

In addition to these Carnivals the State Championships were held at Wanda Beach as has been mentioned elsewhere in this Report.

The large number of Carnivals undoubtedly placed a great burden upon Board of Examiner Members, who officiated without failure, and on Competitors alike. However, outstanding success of Members of this Branch at State, Australian and Interstate Carnivals is no doubt due, to a large degree, to this competition at open Carnivals. Again, no restrictions were placed upon Country Branches' visits, and it is pleasing to note that Clubs from these Branches were again extended every hospitality by our Clubs.

By the co-operation of Mr. R. Bunt, Advertising Manager of Jantzen, the Carnival Venue Card was printed at the commencement of the season, and the inclusion of Carnival Dates for the Far North, Mid-North, Newcastle, Central Coast, and Illawarra Branches, made the card a highly successful feature.

"RASTUS" EVANS MEMORIAL TROPHY

As mentioned in the previous Annual Report a Trophy has been made available for competition between Junior Boat Crews by the brother of the late "Rastus" Evans. Points were allocated for junior Boat Races at all Branch Open Carnivals and to the winners, the North Bondi S.L.S.C., go the Branch's congratulations on their victory for the second year in succession.

It is the intention that the Trophy should be presented to the members of the winning crew at the Annual General Meeting.

Place Getters were as follows :—

1st — North Bondi, 27 Points.

2nd — Warriewood, 25 Points.

3rd — Wanda, 21 Points.

ASTOR BOAT COMPETITION

Through the kind efforts of Mr. C. C. Zahara, the General Manager of Astor Radio Corporation, the Branch was again presented with a fully equipped surf boat and in continuation of their similar presentation for last season, this boat was very aptly named Miss Astor II. The Competition was taken over all Open Carnivals conducted in the Branch, with the exception of Garie, and a handicapped system again ensured all Clubs an equal opportunity.

Results of the Astor Boat in points scored are as under :—

1st, Cronulla — 221 Points (Ineligible).

2nd, Freshwater — 207 Points.

3rd, Clovelly — 184 Points.

4th, Wanda — 176 Points.

Since the conditions of the BP Boat Competition stipulated that a Club was ineligible to win two boats in the same season, the Cronulla Club were unable to accept this craft, and the boat was awarded to the Freshwater Club. Congratulations are extended again to the Freshwater Club on its success in this competition. To Mr. Zahara and the Astor Radio Corporation we can only repeat our grateful thanks for their recognition of this Association in such a tangible manner.

BP BOAT COMPETITION

The Branch was indeed fortunate to have two fully equipped boats available for competition this season, and we are greatly indebted to the Directors of BP Limited for their wonderful donation.

Conditions for this Boat were altered from those of the Astor Competition and were allocated on a straight point score basis.

Congratulations are extended to the Cronulla Club, which top-scored in both Boat Competitions, but as has been mentioned elsewhere, were unable to accept the Astor Boat.

Following upon this donation to the Branch, the National Council were advised during the latter part of the season that the BP Company was donating 27 Boats and 54 Reels for competition throughout Australia, in the next three years.

This most generous donation, valued at approximately £18,000, will be of tremendous assistance to our Clubs, and in conditions recently completed, the Sydney Branch has been allocated a fully equipped Boat and two Surf Reels.

Place-getters for the BP Boat this season were as follows :—

- 1st, Cronulla — 176 Points.
- 2nd, North Bondi — 152 Points.
- 3rd, Freshwater — 139 Points.
- 4th, Maroubra — 127 Points.

JANTZEN AND RADIO 2SM TROPHIES

We were fortunate in having donated at the commencement of the season trophies by the above companies, and the Jantzen Trophy which comprised a pair of terylene tricot trunks was given to the winners of the Novice Surf Race at each of the Open Carnivals.

The 2SM Trophy, which was to the value of £5/5/0, was allocated for various events over the season of Open Carnivals.

To Mr. R. Bunt, of Jantzen International, and Mr. W. (Bill) Stevenson, Manager of 2SM, we extend our sincere thanks for the interest they have shown in our movement over a number of years, and we assure them that enthusiasm for their trophies was at its highest.

BEACH FOOTBALL — DICK'S SHOES TROPHY

The Competition referred to in the 1957-58 Annual Report was won by the Maroubra S.L.S.C., and as this was their third victory in four years, the inaugural Dick's Shoes Trophy has now been retained by the Club permanently.

Our sincere appreciation is extended to Mr. R. (Dick) McPhillips for his wonderful generosity in making a further trophy available for this competition, which is fast occupying a most important position in our winter activities.

Clubs competing in the present competition include North Bondi, Bronte, Maroubra, South Curl Curl, Coogee, Bondi, and Clovelly. As the report is prepared for printing, the semi-finals have been reached with joint leaders North Bondi and Bronte, with Maroubra and Bondi occupying second place.

To our Chief Referee, Mr. John Manjioni, and his assistants, we extend our thanks for a difficult task well done, and to all Members who assisted and took part in the Competition, we are indeed grateful.

METROPOLITAN CHAMPIONSHIPS

The Metropolitan Championships were this season conducted under most trying surfing conditions at the Dee Why Beach on the 14th February, 1959. To the Carnival Organisers, Mr. B. Pitt and Mr. L. Beard, and indeed to all Officers and Members of the Dee Why Club, goes our appreciation of a most difficult task well done. The Branch Superintendent, Mr. E. J. Marsden, and members of his Board were in attendance at the Beach at an early hour and ensured that the events were conducted as smoothly as possible. It was, however, impossible to finalise the programme, and certain events had to be postponed, to be held at Manly on the following day, where it is worthy of note that conditions were still of such a nature that the events had to be further transferred to Freshwater Beach. The congratulations of the Branch are very sincerely extended to the Board of Examiners for their extremely capable handling of the Carnival under these conditions.

At the conclusion of the day, near disaster was only averted by the selfless devotion to duty of members of a Boat Crew, comprising Messrs. B. Bryant (Sweep), T. Wise, Nelson Chad, Ken Small and T. Tibbles, who put to sea with the knowledge that if they should flounder, no help was available to them, and yet they proceeded to carry out a rescue of a boat crew that had been stranded in the lee of the "Pebble," mid-way between Dee Why and North Curl Curl Beaches. The bravery of this Boat Crew was such that their actions were forwarded to the Meritorious Awards Committee, and they have been issued with letters of commendation on behalf of the Branch.

Trophies were distributed on the day and members of the Official party and representatives of local bodies were entertained in the Dee Why Club House by the Ladies of the Auxiliary. Below will be found the results of the Championships and the Branch again congratulates Clubs and Members who competed so successfully.

N.S.W. STATE CHAMPIONSHIPS

WANDA BEACH, MARCH 7th, 1959.

The venue for this season's State Titles was awarded to the Wanda S.L.S.C., of our own Branch. It was indeed gratifying to see Wanda awarded such a Carnival, and was in no small way a recognition of this Club's remarkable growth since its inception in 1946. To the President of the Wanda Club, Mr. R. Pratt, and the Honorary Organisers, Mr. P. Ainsworth and Mr. O. Coulter, and other members of the Club, the Branch has already extended its congratulations on a highly successful Carnival.

The State Superintendent, Mr. W. Foerster, had matters in hand at an early hour, and events were completed without incident.

Congratulations are extended to successful members of the Branch, and results are set out as follows:—

RESULTS OF WANDA BEACH STATE TITLES

Senior R. & R.: 1st, Freshwater, 5.79 pts.; 2nd, Manly, 6.70 pts.

Australian Championships for 1961 have been allocated to South Australia and in 1962 to Tasmania.

LIFE MEMBERS

Throughout the years, certain members have distinguished themselves by their outstanding services to the Association and their devotion to its ideals. The Association honours such men by bestowing upon them the coveted office of Life Members.

Unfortunately time takes its toll of all such stalwarts and it was with the deepest regret that we witnessed the passing of Greg Dellitt and George Webb during the past year.

Both these members were well-known in Association spheres and their counsel will be sorely missed in the years to come.

Congratulations are extended to Gordon Wilson for his elevation to Life Membership of the Branch at the last Annual General Meeting.

STATE CENTRE

It is with a great deal of pleasure that I report that the Branch's relationship with the N.S.W. State Centre has at all times been of the utmost harmony. Congratulations are to be extended to the President, Mr. T. Meagher, and his Officers, for the completion of a highly successful season.

Special thanks are to be extended to the Hon. Secretary, Mr. B. Brewin, and the Assistant Secretary/Registrar, Mr. J. O'Reilly, for their unfailing assistance and co-operation at all times.

The Branch's relationships with Country areas has been on a high level and it is pleasing to note the number of Country Clubs who have received gifts of surf equipment from Metropolitan Clubs.

Regular Bulletins have been exchanged with other Branches and these have assisted in keeping us abreast of development in country areas.

The Branch takes this opportunity to extend to the N.S.W. State Centre and its affiliated Branches every best wish for the 1959-60 Season.

NATIONAL COUNCIL

The National Council has continued to function in a most efficient manner and congratulations are to be extended to the President, His Honour Judge A. H. Curlewis, the Hon. Secretary/Treasurer, Mr. K. Watson, the Hon. Registrar, Mr. J. O'Reilly, and the Chief Superintendent, Mr. R. Brydon, on the completion of a successful season that marked yet another mile-stone in our history.

The Association generally has been kept abreast of developments on a National level by the issue of regular Bulletins and, as this Report goes to print, alterations are in hand to redraft sections of the National Constitution.

A conference of all State Hon. Secretaries has been called for early in the season and it is to be hoped that from this meeting will come even a greater degree of efficiency and uniformity in our administration spheres.

LIFE SAVERS' WEEK

Shortly after the commencement of the season this Association took part in a Life Savers' Week which was originally organised by N.S.W. State Centre and intended to be on a State-wide basis. A most enthusiastic Committee, under the Chairmanship of Deputy President Don Lucas, were responsible for the Branch's activities during this week, and were highly successful in organising a procession through the streets of Sydney on Saturday, 13th December, 1958, and also other functions, which included the distribution of printed matter with the slogan "Surf Safely This Summer," to sea-side schools, etc. The procession was highly successful and was given an enthusiastic coverage by both Radio and Press, and in particular, thanks are to be extended to Radio Station 2SM for its full coverage, to the Second Division Provost Corps for their assistance in marshalling, to the Members of the N.S.W. Police Force for their co-operation throughout the arrangements for the procession and also to the Officers of the City of Sydney Council for their permission in

allowing the procession to be conducted. A large number of Clubs were represented by Marching Units and floats were entered by a number of supporting Business Houses.

It is the intention that another Life Savers' Week Procession will be conducted on Saturday, the 28th of November, 1959, and it is anticipated that even larger Marching Units and Club Representations will take part.

Mr. AND MISS AUSTRALIAN SURF QUEST

During the season a Quest was conducted in co-operation with the Association by the joint sponsors of Westinghouse, Speedo, Slazengers, Cole of California, Revlon Make-up, and J. Kitchener & Sons, to find a Mr. and Miss Australian Surf.

The Association's activities were of course concerned more with the Mr. Surf Title and to the ultimate winner, Mr. Colin McFarlane, of the Manly S.L.S.C., go our congratulations on his skill and ability in all aspects of our work.

The title of Miss Australian Surf was won by Miss Jan Carmody, who was representing the Coogee S.L.S.C. and to this young lady also go our congratulations on her beauty and poise.

Prizes for the quest included a world tour with Qantas and a fully equipped surf boat to each of the Winners' Clubs.

Our thanks are extended to the Companies listed above for the interest shown in our Association during the Quest.

CEC. MACK PRESENTATION DINNER

12th March, 1959

Following upon his retirement as President of the Sydney Branch, a dinner was held for Cec Mack as a small mark of appreciation on his outstanding work for the Association over many years.

The Dinner, which was held at White City Ballroom, was largely attended by Association Officers and Club Members, and was presided over by Mr. A. R. Loton.

The toast to Cec was proposed by the Chairman and unanimously supported by all Members present.

The presentation of a suitably inscribed Association statuette and bound autographed menu, together with a small cheque, was made to Cec Mack, who suitably responded.

OFFICE STAFF

The Branch is indeed fortunate in having the services of Mrs. P. Flint as an Office Secretary, and we are indebted to this young lady for carrying out her duties in a pleasant and highly efficient manner.

To Miss T. Cowan, Office Secretary to the N.S.W. State Centre, we extend out appreciation for her assistance and courtesy on innumerable occasions.

The Association Office has been of assistance to member Clubs on a number of occasions and the Staff are in attendance between the hours of 9 a.m. and 5 p.m.

SYMPATHIES

Sincere condolences are extended to relatives and friends of Association members who suffered bereavements during the season.

Special mention must be made of the untimely passing of Association member E. ("Eddie") Taafe. Eddie had been an Association delegate for the Freshwater S.L.S.C. and an enthusiastic Board of Examiner member, and his efforts in all spheres of our work is well known throughout the Association.

Mention has been made elsewhere of the unfortunate deaths of Life Members G. Webb and G. Dellitt.

THANKS AND APPRECIATION

Are extended to . . .

Alderman H. F. Jensen, Lord Mayor of Sydney, our Patron, for his co-operation with the Life Savers' Week procession and his continued interest in our affairs.

The Governments of the Commonwealth of Australia and the State of New South Wales for their financial assistance.

Local Government bodies for their support of our Clubs and the Branch.

The Government Insurance Office for their efficient handling of our claims.

The Hon. insurance officers of our N.S.W. State Centre and Sydney Branch, Messrs. C. Rudd and E. Lawler respectively, for their extremely capable handling of our insurance matters.

Our Auditor, Mr. G. M. Vincent, for his precise and able audit of our books.

Messrs. W. Foerster and L. McDonald, the State Superintendent and Deputy State Superintendent respectively, for their unflagging interest in Branch affairs.

Mr. R. Bunt, Advertising Manager of Jantzen (Australia) Pty. Limited, for his ready assistance on many occasions.

Mr. J. O'Reilly, Hon. Registrar and Assistant Secretary of N.S.W. State Centre, for his co-operation on many matters at all times.

Messrs. H. Brown and B. Crisp, Branch Registrar and Assistant Registrar, for their efforts in ensuring that the Branch records are kept in accurate order.

All companies and citizens who donated so generously towards the activities of the Association and our Clubs.

All persons and bodies mentioned elsewhere in this report.

In conclusion, my personal thanks are extended to our President,

Mr. A. R. Loton; our Deputy President, Mr. D. C. Lucas; and the Hon. Treasurer, Mr. B. Pitt; the Assistant Secretary, Mr. I. Rylands. Also to all Association officers, club delegates and members, who by their ready co-operation have rendered my task so much lighter.

G. B. STAUNTON,

Hon. Secretary, S.L.S.A. of A.,

Sydney Branch.

AUDITOR'S REPORT

I report that I have examined the Books of Account and Vouchers of the SURF LIFE SAVING ASSOCIATION OF AUSTRALIA, SYDNEY BRANCH, for the year ended 30th June, 1959, and that I have obtained all the information and explanations required by me. In my opinion the above Balance Sheet and attached Income and Expenditure Account are properly drawn up so as to exhibit a true and fair view of the state of affairs of the Sydney Branch as at 30th June, 1959, according to the best of my information and the explanations given to me and as shown by the Books of the Branch.

ADDENDUM

After perusing the foregoing report I must express my appreciation to all Officers, Members, and Clubs who have played their part in ensuring such a successful season. We have not been without problems, administrative, practical, and financial, but these have been dealt with to the best of our ability.

Great work has been performed by the Executive and the Board of Examiners, the diligence of whose officials and members is to be commended for work done on your behalf. Particularly must I congratulate Mr. Staunton on a splendidly compiled report and his progressive efforts during the year, and our new Treasurer, Mr. Pitt, for his success in looking after our financial affairs.

A. R. LOTON,

President, Sydney Branch.
