SYDNEY BRANCH BOARD OF EXAMINERS

26th ANNUAL REPORT

SEASON 1974-75

Gentlemen,

I am pleased, on behalf of the Branch Superintendent and Officers of the Board to present this 26th Annual Report covering the activities of the Board Members during the past season.

This season, as in customary, ~~has~~ been an active one for Members of the Board. Major activity was in the sphere of resuscitation where work was concentrated in instructing Members of the Board together with club members for the Advanced Resuscitation Certificate. This is reflected in the large increase in the number of awards. This increase in the number of awards has also been influenced by the increase in Resuscitation Certificates and the inclusion of Power Boat Bronze Medallions.

On the carnival side of the work the usual restricted number of open carnivals were held together with the traditional inter - and intra - club and district competitions for which the Board provided officials.

During the season training and examinations for the Advanced Resuscitation Certificate have been carried out at Wanda, Cronulla and finally at the Community Centre, Caringbah.

The season started well with John Dewey being re-elected Honorary Superintendent whilst former Examination Supervisor John May became his Deputy.

These two men have worked extremely hard during the season and have spent many hours in conjunction with our Hon. Medical Officers in analysing and improving the Advanced Resuscitation Certificate examination technique.

Long Service Member Perc Ainsworth was elected as Examination Supervisor and has carried out the work in this exacting position with zeal.

#### MEMBERSHIP

During the season the following new members were welcomed to the Board as Probationary members:-

Warwick Everingham	(Coogee)
Keith Grima	(Maroubra)
Rod Miller	(Coogee)
Roy Norman	(Wanda)
Bob Pepper	(Burning Palms)
Bob Peterson	(North Bondi)
Brian Thompson	(Elouera)
Glenn Thomson	(Burning Palms)

In addition a former member of the Board, Ernie Wallbank (Cronulla) was accepted as an active member.

Also during the season the following members became eligible for their Examiner's Certificates. Our congratulations are extended to them and we give them welcome as active members:-

Roy Norman	(Wanda)
Peter Quartly	(Bondi)

During the year four members resigned from the Board. They were:-

Bob West (North Cronulla), Len Harris (Bondi), Geoff Vincent (Tamarama), and Wal Halpin (Cronulla).

They are thanked for their past services. Garry McCormick (South Maroubra) was granted Country Membership whilst Mick Berger (Elouera) transferred from Country Membership to active Membership upon his return from overseas.

Jon Donohoe (Clovelly) and Rex Sargeant (Wanda) were granted Long Service Membership.

The Board's Membership now stands in the following categories:

	<u>1971-72</u>	<u>1972-73</u>	<u>1973-74</u>	<u>1974-75</u>

VALE

During the season we lost three of our esteemed Members in the persons of:-

ARTHUR W. CASTLEMAN M.B.E. B.Sc.

Arthur joined the Board in Queensland in 1937 and transferred to the then Head Centre (N.S.W.) in 1939. He was a Life Member of the Association, a Life Member of Fingal Rovers Club, a Member of the Dee Why Club and a long standing Life Member of Sydney Branch.

He was the first Hon. Secretary of the Sydney Branch Board of Examiners when it was formed 26 years ago. When the Manly-Warringah Branch formed Arthur carried out his later Board duties with that Branch.

To his wife Gwenyth and family the Board extends its sincere sympathy.

GEORGE H. JOHNSON

Our records do not show when George joined the Board, however, he was the longest serving member when he passed away having given more than 50 years' service. He was a Life Member of Coogee and Burning Palms Clubs and a Life Member of the Association in addition to having the same honour in Sydney Branch.

George will always be remembered as a regular member of the "Boat Department" where he officiated at many carnivals though he was quite a force in the "R & R" section in his earlier days and also a District Supervisor for a number of years.

The Association has lost one of its more colourful identities and the Board extends its sincere sympathy to his wife ~~Madge~~ and his family.

E. JACK MARSDEN

Jack had been a Member of the Board since 1944. He was a Member of the Maroubra Club and was elected a life member of Sydney Branch in 1962.

After a number of years as Southern Side Supervisor he became Hon. Superintendent of Sydney Branch for five seasons from 1954 to 1959.

The sincere sympathy of the Board is extended to his wife Belle.

EXAMINATIONS AND AWARDS

Requests submitted from Branch Clubs resulted in 56 examination days being held and due to several examinations being held on different beaches on the one day there were 80 examination locations. At these examinations 142 squads were presented. This is exclusive of Advanced Resuscitation Certificate examinations. In that area 175 awards were made before Christmas 1974 as a result of examinations at Wanda. During the same period 15 Advanced Resuscitation Certificates were gained at Cronulla whilst the remaining 52 were gained at the Community Centre, Caringbah.

The following table indicates the number of examinations conducted and their location.

Burning Palms	1
Era	3
Garie	2
Cronulla	6
North Cronulla	9
Elouera	5
Wanda	16
South Maroubra	6
Maroubra	5
Clovelly	3
Coogee	11
Bronte	-
Tamarama	-
Bondi	4
North Bondi	9

TOTAL:

=====

=====

(8)

Awards gained during the year are shown below with three previous years' records for comparison.

	<u>1971-72</u>	<u>1972-73</u>	<u>1973-74</u>	<u>1974-75</u>
Examiners Certificates	7	12	11	5
Instruction Certificates	74	68	50	47
Bronze Medallion	472	356	281	240
Qualifying Certificates	206	154	129	164
Resuscitation Certificates	50	20	64	300
Advanced Resuscitation Certificates	-	-	11	242
Power Boat Bronze Meddallion	-	-	-	26
TOTALS:	<u>809</u> =====	<u>610</u> =====	<u>546</u> =====	<u>1024</u> =====

In addition our Board Members examined candidates for the Advanced Resuscitation Certificate from other Branches which results in a grand total of 252 Advanced Resuscitation Certificates.

With the influx of Resuscitation Certificates, due mainly to North Cronulla's "Pool Safety" course and Advanced Resuscitation Certificates the grand total of awards is somewhat inflated.

What should be noted, however, is the drop in the basic life saving award, the Bronze Meddallion, from 281 to 240. This does not auger well for beach patrols. One saving grace is the increase in the number of Qualifying Certificates.

The award of Power Boat Bronze Medallion was introduced last season and it is pleasing to note that 26 medallions of this new award were gained.

The appointment of Examiners was capably handled by the new Examination Supervisor Perc Ainsowrth.

As a result of the general diligence of the District Supervisors the failure rate was kept low and they should be congratulated on their efforts.

### CARNIVALS

Again the Branch Superintendent, John Dewey, was in charge of the appointment of Carnival Officials. As in the previous season his efforts were again hampered by the lack of Board Members applying for carnival positions.

In accordance with the Branch's continuing policy six carnivals including the Branch Championships at Elouera and the Inter-Cities championships at Bondi were conducted in the Branch together with the Inter-District Carnival run by Cronulla and Elouera.

One special Carnival was approved by the Branch this being the Channel 10 Colour T.V. Carnival held at Bondi.

Board members again assisted at Manly-Warringah Branch Carnivals.

Sydney Branch Board, in addition, provided members to assist in the running of the Metropolitan Championships at Newport, the State Championships at Redhead/Swansea Belmont and the Australian Championships at Dee Why.

As Surf carnivals are a vital link in the fitness chain of Club members the thanks of the Board is extended to the Clubs in the Branch which undertook the difficult task of organising carnivals. Furthermore, the Board appreciates the post carnival hospitality which the Clubs extend to its members.

Whilst on the subject of carnivals the many restricted competitions held in districts and in addition intra-club events must be mentioned. These events require the services of Board Members which are given freely.

### MEETINGS AND CONFERENCES

During the season meetings were held as follows:-

General	11
Executive	Nil
Gear Inspection Committee	1
Resuscitation Committee	Nil
Manual Revision Committee	Nil
Meritorious Awards Committee	Nil

(10)

There were no matters brought forward for consideration by the Meritorious Awards Committee.

Though the official Resuscitation Committee did not meet, considerable work was done in this sphere in association with our Honorary Medical Officers as a result of experience in the course for the Advanced Resuscitation Certificate.

Once again the Board's thanks are extended to the Maroubra Surf Life Saving Club for making their facilities available to the Board for its meetings.

Apart from meetings the Board organised the following conferences:-

Two Chief Instructors' Conferences at Wanda,  
Gear Stewards' and Gear Inspectors'  
Conference at Tamarama.  
Regular classes of instruction and examination in  
Advanced Resuscitation.

The Annual Gear Inspection and D.C. Lucas Trophy Competition were conducted by the Gear Inspection Committee on the 19th and 20th October 1974.

The competition was won by Burning Palms with 100% (20 Items Examined), whilst Garie was second with 99.719% (35 Items Examined) and South Maroubra was third with 99.643% (24 Items Examined).

The Board extends its congratulations to Burning Palms for its second win in three seasons on each occasion with 100%.

The hospitality extended by the various Clubs to the Gear Inspection Committee is greatly appreciated.

#### MEMBERS EXTRA ACTIVITIES.

It is interesting to note that apart from normal Board activities a number of members are active in other avenues of the Association's administration.

(11)

Harry Brown is National Secretary  
George Challis is Branch Boat Inspector and before his retirement was National Boat Adviser.  
John Vaughan is Deputy President of State Centre.  
Albert Moseley is State Superintendent and Secretary of the Branch Power Boat Panel.  
Nick Dixon is a Vice President of the Branch and Secretary of State Centre.  
Ian Toll is Deputy President of the Branch and Public Relations Officer to National Council and N.S.W. State Centre  
Frank Osborne is a Vice President of the Branch.  
Ken English is Branch Registrar,  
Ron Pears is Branch Treasurer.  
John Solomon is Branch Radio Officer.  
Roy Norman is Branch Liaison Officer to the Juvenile Association.  
Dick Sheldon is Branch Assistant Secretary.  
Jim Switzer is Branch Assistant Treasurer.  
Glenn Thomson is Branch Assistant Radio Officer.

Also in our ranks we have six Club Presidents and they are:-

Charles Smith - Bondi S.B.L.S.C.  
John Wardall - Tamarama L.L.S.C.  
Joe Seddon - Coogee S.L.S.C.  
Ernie Stephens - Wanda S.L.S.C.  
Bob Leix - Cronulla S.L.S.C.  
John Vaughan - Burning Palms S.L.S.C.

#### THE YEAR'S WORK

The Board's aim is to further the ideals of the Association by providing members to conduct examinations and officiate at Carnivals in an efficient manner.

In addition Board members were asked to take part in manning the Sydney Command Radio Centre.

To illustrate the varied activities a summary follows:-

- ..... 56 Examination Days at 80 locations involving 142 squads.
- ..... Weekly instruction and examination for the Advanced Resuscitation Certificate.
- ..... Instructing and Examining Candidates for the Advanced Resuscitation Certificate in other Branches.

- ..... Metropolitan Championships.
- ..... Sydney Inter-District Carnival.
- ..... N.S.W. Championships.
- ..... Australian Championships.
- ..... Board and Branch monthly meetings.
- ..... Board and Branch Sub-Committee meetings.
- ..... Annual Gear Stewards' and Gear Inspectors' Conference.
- ..... Gear Inspection at all Branch Clubs.
- ..... Two Chief Instructors' Conferences.
- ..... Conduct of restricted, interclub and intra-Club Events.
- ..... Demonstrations and lectures to outside organisations.
- ..... Helicopter Service.
- ..... Power Rescue Boat Service.
- ..... Manning Sydney Command Radio Centre.

#### CONCLUSION

John Dewey has now settled into the position of Hon. Superintendent of the Branch which position he has held with distinction. He has applied himself to the furtherance of the Advanced Resuscitation Certificate campaign, the results of which are recorded earlier in this report.

Due to John's untiring efforts Sydney Branch still leads the field in this activity.

John May has completed his first year as Deputy Superintendent after moving from the position of Hon. Examination Supervisor. He put in many hours' work producing the Boards R & R result board. John was a tower of assistance to John Dewey in his activities during the season.

Percy Ainsworth as Examination supervisor has been most active in his position and has fulfilled the most important roll of appointing examiners and dealing with the Associated paper-work for examinations in a very efficient manner.

The District Supervisors have done their job in an efficient manner and have attended to the many chores associated with their position.

(13)

To the members of the Power Surf Boat Panel and the crews which manned the Branch and District Power Surf Boat at Carnivals the Board again expresses its appreciation.

On behalf of the Board I would like to thank Branch Officers and the secretarial staff at Illawarra Road, Marrickville together with Gus Staunton for their assistance and support during the season.

Finally to the Officers and Members of the Board who have helped with activities of the Board, I would offer my thanks for their efforts.

For and on behalf of the

SYDNEY BRANCH BOARD OF EXAMINERS.

J. R. SWITZER

HONORARY SECRETARY.

SUPERINTENDENT'S ADDENDUM

The 1974-75 Season is now over, and with it many improvements have been added to our system. The Advanced Resuscitation Certificate classes have now settled down, as most of the experimentation with the course has been finalised and all who sit for this certificate now find it much more simpler. Following on from the winter period of last year, in which much research was conducted the format of the course was changed to what it is today. Originally all courses were held at the Wanda S.L.S.C. but now with the blessing of the N.S.W. Health Commission the classes are held at the Caringbah Community Clinic, classes are also held at Coogee and North Bondi Club-houses. The Advanced Resuscitation Committee under the guidance of Dr. Ian Mackie are to be congratulated for their time and efforts over the year. Board members Frank Osborne I.C. Dave Medlin, Solly Stephens, Trevor Elliott, Keith Messenger, Mick De Luca and Peter Quartley are the guiding panel of this committee and with their medical Associates Drs. Warick Renton Peter Malouf, Colin Friendship and Eddie Loong as well as Ian Mackie at the helm continue to maintain a very high standard on resuscitation.

Carnivals were again conducted at a very high standard, by the few Board Officials who turn up week after week. Unfortunately the running of Carnivals is always left to the few, I was always under the impression, that Carnivals were a Board Members duty!

Examinations were held practically every weekend, and on many week nights for the Resuscitation Certificate groups, the appointments of Examiners and the compilation of awards was expertly handled by Percy Ainsworth our Examination Supervisor.

Introducing our newer members was the province on Deputy Superintendent John May, he has handled this and the regular inspection of Clubs in a first class manner.

Jim Switzer was again our Secretary, and as usual has maintained his very high standard. The compilation of this report is testament to Jim's thoroughness.

The District Supervisors and Assistant District Supervisors have completed more than satisfactorily all the duties that were allocated to them. The standard of Patrol Resuscitation has improved, no doubt due to the constant inspection of the Clubs by these men.

Finally to the remaining members of the Board of Examiners my sincere thanks for a very worthy effort throughout the whole year. Last and not least the Officers of the Sydney Branch and all Club Officials and members I extend my appreciation for their assistance and co-operation.

Looking toward the future, I hope we are able to improve even further. Recently we have had several applications for Membership from competitors and younger members of the Association this is encouraging, but the need is still there for more members.

At the time of going to print the Board is having a weekend Seminar to discuss all facets of Life Saving. From this gathering can only emerge better suggestions for the future.

Once again my thanks and appreciation to my fellow Board members and all who have assisted over the year.
