Forty-Sixth Annual Report
1994-1995 Season

Branch Sponsors

Sydney Branch is proud to acknowledge our sponsors contribution, both financial and materially to our objects.

Without sponsorship, corporate, governmental and individuals, our task of providing a viable life saving service to the community of Sydney would be very difficult.

It is appropriate that here in our Annual Report, the major public document of the Branch we recognise and thank our individual sponsors for their support. Support that was given without restriction or interference with our objectives and achievements.

PRESIDENT'S REPORT

I have reviewed the 1994/95 Annual Report. The report has been accurately prepared by the Branch Secretary John De Cean and gives a true account of the activities of our Branch and Clubs.

I feel that the motto of Surf Life Saving of 'Vigilance and Service' has been maintained by our Clubs and I extend to all Patrolling Lifesavers the appreciation of Branch Executive for the time and service you have given to the surfing public.

In these days of extended shopping hours during the weekends it is difficult for Clubs with small memberships to maintain adequate patrols. Clubs are going to have to rethink patrol rosters to find ways of making them flexible, to suit the work hours of our Club Members.

On behalf of all our Clubs, sincere thanks should go to the Members of our Board of Control for the time, effort and advice they have given to the Branch Clubs. In gaining Life Saving Awards and officiating at Carnivals and other displays.

To our Branch and Club Sponsors the State and National Bodies of Surf Life Saving Federal, State and Local Government Bodies our thanks for supporting Surf Life Saving.

In closing I pass on my personal thanks to my fellow Executive Officers for the many hours they have given to the Branch in particular our Secretary John De Cean who over the last three seasons has done a super job for our Branch.

To all Clubs best wishes for the coming season keep up the ideals of Surf Life Saving.

Maurice (Bill) Singleton

President

Ladies and Gentlemen,

It is with great pleasure, I submit for your consideration, the 46th Annual Report of Surf Life Saving Sydney Branch Inc, covering the activities of the Branch for the 1994-95 season.

Carnivals

This Season we held six open carnivals which were held at Cronulla, North Cronulla, Elouera, Wanda, Coogee and North Bondi.

The Branch Championships were held at South Maroubra Beach and hosted by the South Maroubra Club.

It was disappointing that we could not conduct the Champion Life Saver and the Patrol Championships due to a lack of interest from the Clubs.

The 'Fine Print' trophy for the Overall Pointscore was won by the Cronulla Club.

Cronulla President Ken English receives Fine Print Trophy from the Mayor of Randwick, Chris Bastic at the Branch Presentation Night

Sydney Branch Pointscore

In conjunction with open carnivals held within the Branch a pointscore for the competing clubs is calculated. The winner of the Open Pointscore was Cronulla and the winner of the Handicap Pointscore was Coogee.

Results of the pointscore were:—

Club	Handicap	Open
Bondi	45.5	69
Bronte	57	67
Burning Palms	30	51
Clovelly	42	65
Coogee	99	83
Cronulla	111	71
Elouera	88	69
Era	21.5	58
Garie	0	0
Maroubra	71	78
North Bondi	89	73
North Cronulla	108	80
South Maroubra	65	68
Tamarama	18	47.5
Wanda	98	62

John Vaughan Yarra Bay Boat Classic

The event has been named after Branch Life Member John Vaughan OAM who has dedicated many years in the boat area at many carnivals. The event was sponsored by the Yarra Bay 16' Sailing Club, Club Keno, Tyrells Wines and Calton United Breweries and we thank them for their support.

The event was changed to allow boat crews an opportunity to have a row in between the State and Australian Championships.

Special thanks to Roy Ferguson, President of the Yarra Bay 16' Sailing Club and Secretary/Manager Bob Jack for their support and assistance for the event.

Sydney Branch Life Saver of the Year

The Sydney Branch Life Saver of the Year was highly contested with six nominations being received, they were:

Suzanne Young (North Bondi), Dianne Lovell (North Cronulla), Peter Cleary (North Bondi), Craig Farrugia (Maroubra), Kirk Bellotti (North Bondi), Brock Douglas (Wanda).

National President Alan Whelpton congratulates the Sydney Branch Life Saver of the Year, Craig Farrugia

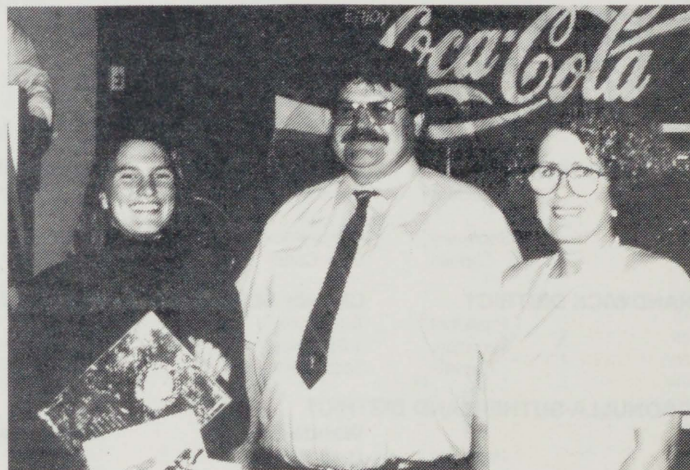

A change from tradition saw the announcement of the winner made at our Presentation Night at the Yarra Bay 16' Sailing Club.

The winner received a bottle of Bollinger Champagne donated by Bollinger Wines, two tickets to the first State of Origin, donated by the Australian Rugby League, dinner for two on Bounty Cruises and a gift basket of chocolates from Darrell Lea.

The announcement was made by Alan Whelpton, President of Surf Life Saving Australia Limited on the night and we extend our congratulations to **Craig Farrugia** from the Maroubra SLSC who was announced as the Sydney Branch Life Saver of the Year.

Junior Life Saver of the Year

The Junior Activities also selected their Life Saver of the Year from all nominations received and it was pleasing to have Sharnielle Goode from the Cronulla Club in attendance at the Branch Presentation Night to be introduced to the Clubs and guests as the Junior Life Saver of the Year.

Junior Life Saver of the Year Sharnielle Goode with BJA Chairman John De Cean and Secretary Robyn Knox

Branch Office

What can one say about the staff employed at our office, except a big thank you.

This season Yvette Roser was promoted to the role of Office Manager and as such is in charge of the day to day running of the Branch, which involves, liaising with Branch Sponsors, doing award paperwork and all the mail, minutes and circular typing and other jobs which seem to end up on her desk.

We have recently employed Natalie McKenna to assist Yvette with all her work as well as doing the bookkeeping in the computer of our accounts and the carnival entry processing.

Robyn Knox who has been doing our Carnival Entries input for the last 3 years, should also be thanked for her assistance.

Joe Barranco was employed by the Branch until February 1995, when his services were terminated. Joe was responsible for obtaining many of our sponsors.

Superintendent's Report

As Board Members you have participated in another very busy and successful season in Sydney Branch with the usual large workload of Lifesaving, Examinations and Competition.

During the winter months the Board Management embarked on the first phases of a new season, "the planning" and produced the inaugural season program and ongoing operational plan that detailed each officers responsibilities for each month of the season.

The plan was used as an important tool during the year and it is hoped that as a Board we will endeavour to continue this path and improve our ability to implement set goals in an effort to achieve our management responsibilities.

A number of other large projects were taken on by the Board during the season that required a tremendous effort by a large number of people.

Of the projects, Seminar 94, was well received by Club Captains, Presidents, Secretaries, Chief Instructors and Examiners that involved all participants at a weekend live-in-camp at Narrabeen Sports Academy during the months of August.

The camps programme included activities that saw participants meet in specialised areas and combine as one for major topics.

The Board has taken on the current Branch project of updating its section of the constitution by recommending changes for next season to the structure of the Board of Control, in the main this will see the deletion of the role of Superintendent and to rest this responsibility with each of the three (3) Directors of Lifesaving, Examination and Competition.

It will be necessary for the Branch to recognise the three (3) Directors at Executive and Branch level as representing their sections and being directly answerable to the Branch in their area of expertise and will fall in line with structure on a State and National level.

As the first inaugural Branch Presentation night has been held may I take the opportunity to congratulate, on your behalf, the following members who received the three (3) major categories of service to the Board.

Anne Ainsworth — Competition Official of the Year

Alf Smith — Examiner of the Year

Arthur White — Board Member of the Year

As you would notice these three (3) members have worked tireless throughout the season and are a great credit and asset to the Sydney Branch Board of Control.

Well done!

A number of members from your Board served as Honorary Officers of the Association including:—

Greg Allum — National Lifesaving Competition Director, John Fraser — NSW President, Peter Davis — NSW Competition Adviser and the many officials who were appointed to Championship Carnivals and supported the Association at their own expense.

May I announce thanks to the following areas:

Peter Quartly the Board Secretary for his efforts during the year.

To the Officers of the Board for their continual concentration on the work load of the Branch and unrepenting efforts.

The Executive of the Branch for their continual support to the Board and advice to myself when sought.

To the 15 clubs in the Branch and their Officers for continuing to show that we are truly a great aquatic rescue organisation in all areas of endeavour.

Once again I would like to thank all the Members of the Board who gave up their time unselfishly each weekend to participate in Exams and Carnivals.

Brad Taylor who is one of the most reliable and consistent Members of the Board when it comes to meetings and workgroups, and whom I have a great deal of respect for as he is not only able to speak his mind, but will speak it at the right time and for the right reason.

Yvette Roser, the Office Manager from heaven who has put in a super human effort from day one in the office to keep us all on track and organised and Natalie for putting up with our various writing styles of the English language. Both your efforts are very much appreciated.

The Competition area was well looked after throughout the year by your Competition Supervisor, Colin Fitzgerald, a thank you for your efforts you have given to this area of the Board and advice you have given to me during the season.

To John Restuccia, whom I probably see three to four times a week at respective meetings and speak to most mornings in an effort to stay on top of the activities of the Board. Thank you for your time and patience during the year.

A note scribbled on a seminar comment form — "If in doubt, if in trouble, not enough time or personnel, always approach your Board of Control who as one group of Surf Life Saving Members will find a solution".

I have enjoyed the last four years in the position of your Superintendent and at the age of 25 can honestly say I have learnt more than can be possibly imagined not only about Surf Life Saving but about people, a teaching and reward that has been worth every drop of hard work. I look forward to continue learning as we face the challengers of the 1995/96 season.

Peter Agnew

Branch Superintendent congratulates Arthur White, Board of Control Member of the Year

Surf Life Saving Supervisor

They say the first year in office is the hardest, and whoever said that is 100% correct. This year in Life Saving, I implemented some minor changes which should have run smoothly however I encountered some minor hurdles at the 75 meter mark which will hopefully be overcome next season.

This year saw a vibrant bunch of District Supervisors who have done a great job with Part A Exams and Patrol Inspections. My thanks go to Barry Dundas, Peter Cleary and Kirk Bellotti in the Number 4 District, Paul Scullion and Errol Goldberg in Number 3 District, Luke MacDougal, Roanna Harris and David Leckie in Number 2 District and Peter Sullivan and Craig Williams in the RNP District, your support has been huge.

This year most Clubs in the Branch were advised of Late Sign On or Early Sign Offs by myself in writing, I feel this is a major area that the Club Captains should look at next Season. Major infringements were only issued to two Clubs this year, the first Club has learnt from their mistakes and improved 100%, all the way through the rest of the season. The second Club, Tamarama, I feel do have some problems but with help they should pull through.

This year saw six experienced Life Savers nominated for the Sydney Branch Life Saver of the Year. Unfortunately there can only be one winner, and I would like to congratulate Craig Farrugia from the Maroubra SLSC on winning this award.

The Gear Inspection this year saw the gear from all Clubs at a very high standard. All Gear Stewards should have been really proud of their efforts, keep up the good work. To the panel whose efforts were A1, thank you.

The ORB Groups once again stood out, with their professional approach to Life Saving and call outs. As Life Saving Supervisor I feel proud to have these two groups in our Branch.

To all the Radio Operators who put their time into the room, thanks. I know it has been a hard Season. To Brad Taylor who also kept the room open all Season, you have been a great help in that area of Life Saving.

Patrol uniforms this year were a great improvement with all Clubs now in patrol shirts and patrol caps; which stood out and it was clearly easy for the public to recognise a patrol person. As all Clubs have agreed we should head in the direction of shorts as well, to bring us in line with the rest of the Association.

To the rest of the Board, Michelle Phillips "IRB Supervisor", John Cox "ORB Supervisor", Peter Quartly "Board Secretary" and Brad Taylor "Emergency Services Co-ordinator", thanks to you for your efforts, as all areas ran with out much trouble.

In conclusion, I would like to thank all Clubs for their effort this year. To Peter Agnew who is standing down as the last Superintendent in Sydney Branch, thanks for your advice its been great working with you.

Good Luck.

Instruction and Examination Report

The Examination and Instruction portfolio has contained a large amount of change during the year as we continually strive to learn and try to improve the area of our exams and instruction within the Branch.

The season started off with Seminar 94 that involved Club Executives, Delegate Officers and Board Examiners spending a weekend at Narrabeen Sports Academy to look at a variety of topics. One of the major topics that was presented was by Dr Dianne Kendel the NSW Examination Adviser who presented a new format for the Examination of the Surf Life Saving Certificate and Bronze Medallions.

The format had been trialed in other areas of NSW, and was in response to Clubs concern that new patrol members lacked knowledge in basic patrol duties and co-ordinated rescue skills.

The participants at Seminar 94 adopted enthusiastically two examination changes, being the introduction of a written paper and a patrol based scenario. Following several detailed Examiner and Chief Instructor meetings to detail the major workings of the new exam format, it was put into operation on January 1st 1995.

Proficiency tests once again formed part of a busy start to the season with two to three examiners being appointed to each venue. The amount examined in the proficiency tests still is of concern to the Board and with another addition this season being examined it seems that most of these annual tests now concentrate on quantity of items examined rather than quality. I believe that the true objectives of proficiency testing needs to be clearly defined and a totally new approach taken to meeting these objectives than the current method used.

Several "Train the Trainer" courses were held within the Branch for all new training officers and instructors. The main aim of "Train the Trainer" is to teach instructors how to better teach and understand the principles of teaching. A total of 43 candidates attended. The largest number in NSW.

A New Examiners Evening was held during the year to brief potential examiners on their roles and responsibilities. A number of new examiners joined the Board this year and we take the opportunity to welcome you to the ranks.

New Examination Members

Peter Cleary North Bondi; Kirk Bellotti North Bondi; Michael Roye Cronulla; Errol Goldberg South Maroubra; Darren Thorne North Cronulla; Barney Johansen North Cronulla; Reginald Francis North Cronulla; David Leckie North Cronulla; Suzanne Young North Bondi; Michael Mecham Elouera; Peter Seeto Clovelly; Brian Booth North Cronulla; Jason Madsen North Bondi; Wendy Smith Cronulla.

An end of season Examiners and Instructors Conference was held to allow feed back from Clubs and Examiners on the activities of the 1994/95 season and to provide recommendations and direction for 1995/96.

As the position of Examination Supervisor was not filled during the second half of the season I would like to thank those people who assisted in filling this most important position, in particular John Restuccia who took up a large amount of the work load, Keith Grima who assisted with advice on a large number of projects, Alf Smith, Solly Stevens, Suzanne Young, Peter Cleary and Kirk Bellotti, thank you for your assistance during the year. To the four District Supervisors and Assistants thank you for taking the brunt of change head on with Part A Exams and your continual hard work in looking after this section.

To Yvette Roser thank you for taking up a large amount of the administration and organisation of exams over and above what should be part of your job, to help keep exams under control.

Carnival and Competition Supervisor's Report

Season 1994/95 has been a major learning curve for me, in terms of adjusting to and establishing exactly what is required from the Carnival and Competition Supervisor.

At the commencement of the year, a very clear set of objectives were determined by Management as the major issues to be addressed and achieved in the area of Competition, Carnivals and Official. These objectives all formed part of the Sydney Branch Board — Operation Plan.

In reporting to you I can say that whilst we moved forward considerably in our endeavours to improve overall performance, we did not fully realise the objectives set, a situation that must be rectified in 1995/96. There are still many areas requiring improved focus in the Carnival Competition area, but I now believe we once again have a credible base, and a solid foundation from which to springboard into next season.

Sydney Branch conducted six Senior Carnivals through the season, a Twilight IRB series, plus special events and Junior Carnivals. To ensure the Branch continues to provide the best officials' support available, a succession plan for officials is in the process of being introduced. The talent within our ranks needs to be fully utilised, with experienced senior officials assisting with the development and training of up and coming members.

The depth of talent available in the Branch is highlighted in the Senior Carnival appointments, where the skills of a broad number of officials were called upon to fill senior roles.

Carnivals — 6	
Appointments	No. of Different Officials Used
Referees	7
Deputy Referees	6
Sectional Referees (Boat 4, Craft 5, Beach 3, Water 4)	16

(Excludes First Aid and Board Riding, which were not held at all six Carnivals)

During the course of the season, many other officials were given the opportunity to gain exposure in other competition roles which, I'm sure, will stand them in good stead for the future seasons.

I would personally like to thank Graham Rees and his board riding fraternity for their efforts in ensuring that the Board Riding Section remained a viable part of competition in the Branch. Graham stepped up and took on the Supervisor role after my early season SOS and brought with him an entourage of "keen and interested assistants". Between them they efficiently ran the area with little or no outside assistance. Thanks guys, a job well done, sometimes under trying conditions.

Singly the most important issue to address in 1995/96 is the total integration of the Senior and Junior Competition Boards, with increased emphasis placed on the appointment of officials and timing of all carnivals. The benefits of dovetailing a competition requirements and having our strong and united Board are endless! This year's experiment of combining Junior and Senior events at the Wanda Carnivals has been extremely well received, with positive feedback coming from clubs, parents and officials alike.

Thirty new officials primarily from the Juniors, participated in the three Level 1 Accreditation Courses conducted during the season. Thanks to Peter Agnew, John Restuccia and Peter Davis who assisted me in conducting these courses.

Congratulations to all those officials who qualified at the various accreditation levels during the season.

Michelle Phillips and her "crew" again conducted the Twilight IRB series very efficiently and successfully. My thanks to all concerned! The Branch still has not solved the problem of recruiting, training and retaining Duty Crews for normal carnivals. The topic has been thoroughly discussed and a plan is to be investigated to fix this shortfall in our operation in 1995/96.

Thank you to all clubs and officials for your efforts and support in 1994/95 in ensuring Carnivals and Competition offered in Sydney Branch remain the best on offer!

Congratulations

IRB Supervisor's Report

It has been a mixed year in the position as Sydney Branch IRB Supervisor.

I am proud to say that I am associated with the IRB Teams within the Sydney Branch, who, as a group, have continued to prosper as a Lifesaving and Competition group, they have performed admirably and put Sydney Branch back on the map within IRB circles.

Highlights of the season included the 2nd Sydney Twilight series. Thanks to the sponsorship of Electronic Degulating Equipment Pty Ltd and Yamaha Motors Australia. Congratulations to the Wanda Club on winning both the Open and Handicapped Pointscore.

Also, with the expertise of Harry Brown, Graeme Bruce, Bob Cane and Peter Burst, the first ever Buoy Laying Day was held in Yarra Bay. It was a learning experience by all involved, and I am sure it will be the basis of a continued training scheme of people for carnival work.

Thanks must go to all IRB Examiners who helped in conducting awards and proficiencies this season and to the many officials who assisted in making the Twilight Series a success.

This season will see Sydney Branch conduct the Inaugural Metropolitan IRB Championships. This will be run on the same weekend as the well established "Country Championships", Sydney Branch will be in the limelight and I have no hesitation in saying that with the continued support of my fellow officials, the Metropolitan IRB Championships will be on the IRB calendar for years to come.

Next season I hope to set up a format structure of area responsibility within districts — which will rely on increased activity of IRB Examiners. The other objective for the 95/96 season will be specialist IRB Carnival Accreditation for both IRB Competition and a judge in boats for Branch Carnivals.

My activities were curbed and enthusiasm dampened this season by management problems within the Branch. It is my hope that these will be resolved in the next Committee.

Finally, congratulations to Jason Vella and Mathew Reily on gaining their Examiners Certificate and thanks once again to all those who have helped in IRB activities this season.

Radio Supervisor's Report

Sydney Surf has had many ups and downs this season, but thanks to a hand full of devoted people the room managed to stay open all season. The radio room handled 33 incidents that were called through from Clubs. This figure is way down on last season, 60% in fact, but this seemed to be the trend right across the board. I might add John De Cean tried his hardest to get this figure up, it seemed every time he was on patrol, there was a rescue.

The equipment on a whole performed well, but towards the end of the season one radio started to play up. There is an application in next years budget to upgrade some of the equipment in the room, so this will not be a problem in the coming year.

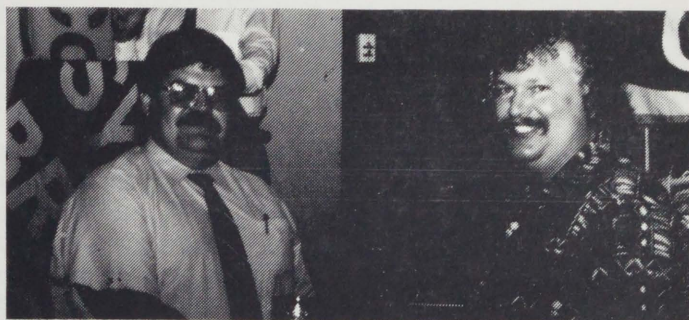

The big problem faced by the Branch radio room is the lack of operators. There have been a number of requests made throughout the season for clubs to provide more members. Unfortunately this has met with an extremely poor response. I urge all clubs to try to find operators before the next season starts, so they can be trained and put on patrol as soon as possible.

Listed below are the operators and their hours for the season. The highlighted names are those who obtained their 100%. This is worked out on patrolling 20 hours before 31.12.94 and 20 hours after 31.12.94. Both Brad McDonogh and Michael Shea did more than 40 hours but, unfortunately only did half the season.

BJA Chairman's Report

As the 1994/95 season draws to a close it is time to look back on the achievements of the Branch.

At the last Annual General Meeting, presentations were made to Ian Goode and David Bergan who stood down from Executive Office, after many years involvement with the Juniors. Graham Giles was elected as the Honorary Treasurer along with the other members of the Executive who were re-elected.

The competition area of the Branch was again a very busy area with 2 selection trials, The Waverley Shield which was won by North Bondi, Randwick Shield won by Coogee, 4 Way Carnival won by Cronulla, the Cronulla Open Carnival and Sydney Branch Championships. I believe that they were all a great success and congratulations go to all the organising committees and the competitors.

The Branch Championships were sponsored by Coca Cola (Amital) Pty Ltd and we thank them for their support, along with the organising committee of the Wanda Club who put on a great day for all in attendance. We were able to take two hours off the Carnival by appointing officials from all Clubs to assist in running the Carnival.

Congratulations are extended to the Cronulla Club who won the Overall Pointscore.

The Development Camp was again another great success and special thanks go to David Mullinger, Reg Francis, Bernie Johansen, Kathy Booth and Patricia Garlick, who like being involved in this activity especially the sleeping with the children at the club house. I would like to thank the North Cronulla Junior Activities for the use of their facilities during the camp and also to the club resident member John (Jelly) Fahey.

The Interbranch Championships were held at Wollongong City Beach and the Sydney Branch team attended and in what could only be recorded as a very poor result, we finished 5th in the Overall Pointscore and had no members selected for the New South Wales Team for the National Development Teams Championships.

I would like to extend my thanks to Team Manager Ray Wilkinson, Beach Coach Greg Hitchenson, Assistant Beach Coach Jacqui Robinson, R & R Coach Kathy Booth and Chaperone Melissa Gorman for a great job with the team, hopefully a better result can be achieved next season.

I would like to express my thanks to Robyn Knox our Branch Secretary for all the work and time she puts into the role within the Branch even though she gives us a laugh at our meetings, Patricia Garlick Registrar also goes my thanks for the many hours of work you put into your position of registrar. Superintendent David Mullinger and his Deputy Reg Francis for the excellent way in which you conduct the Life Saving and Competition side of the Branch, Treasurer Graham Giles thank you also.

To all the Club Delegates and Committees goes my thanks for your continued support towards myself and the Branch and let us keep leading the way in Junior Activities in the Association.

Honorary Chairman

Registrar's Report

Where does the time go? Here we are at the end of another season for Sydney Branch, thanks to the hard work put in fellow members of the Executive, in particular John and Robyn, their capacity to handle the workload never ceased to amaze me.

Registered membership remained about the same as last year with 863 U/6 and U/7 year olds and 2479 U/8 to U/14 year olds a total of 3342. Unfortunately the number of children that have completed their awards this year has dropped by about 350, although my figures on Surf Life Saving Certificates are incomplete due to lack of response by some Clubs. I apologise for not having these figures in time for this report to go to press but it is beyond my control.

Looking back on the season we were very fortunate to hold all our major carnivals in fine weather and perfect water conditions, for the children to compete in. No carnival had to be postponed due to bad weather or water

conditions. I know I enjoyed all the carnivals this season and it was pleasing to see the happy smiling faces of children competing with the true spirit of friendly competition.

The highlight of the season for me was the Development Camp held at North Cronulla Surf Club, it was a great weekend and everyone involved had a wonderful time. To Clubs that did not send children this year, you don't know what you missed, I would recommend that you send kids along next year.

May I finish this report by saying thank you to the Executive for another good season, I look forward to doing it all again next season. To my husband Peter, thank you for your assistance this year and although their is no longer an official position of Assistant Registrar next season I will be relying on you to carry the workload.

Superintendents Report

The 1994/95 season saw several ideas tried for the first time. One:— the taking of a single age group (under 13's) to the Branch Development Camp proved to be a successful insomuch as it stopped the problem of "pecking order" that has caused minor headaches for the camp instructors in previous years.

Also the fact that this program was geared more towards life saving skills boosted the confidence of many of the kids. It is always rewarding to see the improvement in sometimes unsure children by the end of the weekend.

The other innovation was the running of a Junior "teams" Carnival as a curtain raiser to the Senior Carnival at North Cronulla. This idea was put forward by Colin Fitzgerald and it was judged to be a success, with just one or two minor problems, it is hoped that this format will be nurtured and the number of carnivals will be increased in season 95-96.

Our competition season started with the Branch selection trials in which we had the same problems that have dogged us for several years, that is the lack in numbers of competitors attending.

We have tried to fit in with other sporting groups and allow for the competitor that has Saturday morning

commitments, but to no avail, or is it that the Clubs are not making people aware that the selection trials are on? Perhaps we have to give ourselves a good shake up.

The end result being a disappointing fourth place at the Inter-Branch Championships.

Carnivals came thick and fast through the month of November, with Coogee hosting the Randwick Shield, which was well organised by Warick Wheeler and his team. (What a great bunch for the next Branch Titles ... just thinking aloud ...).

This was followed by the Waverley Shield run by North Bondi who always seem lucky enough to have a surf that suits the Juniors, which ensures a quick well run carnival.

We then moved on the Bate Bat 4-Way Carnival, this year hosted by Paul Lyon and his team at Cronulla, again another well run carnival that finished on time, just before a tremendous thunderstorm that could have created havoc. Paul showed his organisational skills by co-ordinating the Cronulla Open Junior Carnival just two weeks later.

The final carnival before the State Titles was the Branch Championships organised by Ian Lindfield and his Carnival Team at Wanda, this event was a little slow at the start but

we made up time as the day progressed and managed to come off the beach earlier than in previous years.

A major reason for this improvement was due to the efforts put in by our very capable team of officials headed by Deputy Carnival and Water Referee, Reg Francis and Beach Referee Norm "Buzz" Piddington who kept things moving for the whole day.

Whilst on officials I would ask that all Clubs take a hard look at the number of available officials and then try to involve new blood as we can very quickly find ourselves unable to run carnivals because of a shortage of qualified people.

In conclusion, I would like to thank John De Cean for his help and guidance, Robyn Knox for the quick and efficient distribution of information to Clubs and last but not least Reg Francis who was partner, not a deputy in the role of Superintendent.

Auditor's Report

I have examined the accounts of the Sydney Branch Board of Junior Activities of The Surf Life Saving Association of Australia for the year ended 30 April 1995.

My examination included such tests, checks and explanations relating to the accounting records that were considered necessary to conduct the audit.

I am of the opinion that the income and expenditure statement gives a true and fair view of the affairs of the Sydney Branch Board of Junior Activities for the year ended 30 April 1995.

Finance Committee Report

The main functions of the Committee during the year were:

1. To prepare the Annual Budget
2. To consider Investment Proposals and Capital Expenditure evaluations.
3. To assist in approaching the Corporate Market for sponsorship for the Branch.

The first two objectives were successfully completed, but the third, unfortunately, was not due to the termination of Joe Barranco. The loss of the Branch sponsorship address listing and the sponsorship package precluded making a planned, concerted approach to potential corporate sponsors. I believe that sponsorship approaches should be coordinated and undertaken by the Branch Executive in future years, in conjunction with the Finance Committee.

With the impending change in the Branch Management Structure and the proposed changes in the Constitution, it is imperative that the functions and duties of the Finance Committee be clearly defined. It would also be appropriate that the Chairman of the Finance Committee be a voting member of the Branch Council, so that he could voice the Committee's opinions at Branch Council meetings. Under the proposed reorganisation, the Chairman of the Finance Committee would need to be a Branch Officer or Club Delegate in order to be able to properly fulfil his /her function. These matters will need to be considered at the forthcoming Annual General Meeting.

I would like to extend my thanks to my fellow Committee Members for their input during the year, and I would also like to thank the Board of the Maroubra Seals Sports and Community Club for allowing the Committee to hold its meetings in the Club's Board Room.

Warren Bos
Chairman

Era Surf Life Saving Club

Era has completed another successful season with "no lives lost" on the beach during or outside patrol hours. This year we had a number of awards gained, including 6 Surf Life Saving Certificates, 7 Bronze Medallions, 2 Training Officer Certificates, 1 Radio Officer and 1 Radio Instructor.

Era had only one crew rowing this season, as we have a shortage of rowers and sweeps. This Colt Crew with their young sweep, Shane Howe, were doing well at the beginning of the season, but misfortune overtook them when one crew member caught Hepatitis A. This meant his rowing was over for the season and substitutes had to be found for the NSW and Australian Championships.

The Junior Activities which were initiated last season have proved very popular and regular competition has been held each month. Presentations were held at Easter for the most improved as well as the Point Score Champions, and the children are keen to participate next year.

We thank Sydney Branch for their assistance through the year and anticipate another successful season in 1995/96.

Diana Garder
Honorary Secretary

Garie Surf Life Saving Club

The season of 94/95 has seen Garie SLSC achieve a revitalised membership from the last few seasons. We have maintained our proud record of no lives lost whilst the beach was patrolled.

However like most small clubs, we still need more active members. Lack of transport, work and/or study commitments make it difficult for the younger members to maintain the almost weekly patrol duties. Garie has plans to recruit new members for the coming season and hopefully this will slow down the amount of lost memberships.

We have gained some new sponsors which has allowed us to update most of our rescue equipment and we should be well placed for the start of next season.

Garie was the grateful recipient of the Kent boat sponsorship. However we requested to have a new IRB instead. Our old IRB was costing more to keep it in the water than it was worth and so we will now be able to pension it off.

Garie SLSC is very grateful to Cronulla SLSC and South Maroubra SLSC for their valuable assistance with donations of equipment and repairs. This has given a great boost to the morale of the younger members.

The recent addition of the Coca Cola machine to dispense cold drinks is proving a great success and lessens the workload of those who battled to provide a canteen service. Thank you Coca Cola.

The junior movement has become one of our most valuable resources. These youngsters draw attention from the public who are then more aware that there is a life saving club looking after their safety.

The juniors are becoming keen competitors and have held their first "meet" with neighbouring club Era SLSC. We look forward to a new generation of lifesavers in the coming years from among these young members.

Rita Taylor
Honorary Secretary

Tamarama Surf Life Saving Club

Tamarama SLSC Inc. has completed its 89th season with 'no lives lost'. Early in the season our Club President Jack Mayes resigned and we thank Jack for his efforts for our Club over his period of time as President. Our Deputy President Guy Waddell stepped into the presiding role and kept a firm hand on the helm.

This year 30 members obtained awards, congratulations and welcome to the Club. To our Chief Instructor and Club Captain, Paul Cooper and our Assistant Instructor, Dave Radford a big thank for all the time and effort put into helping these members gain awards. Also to Dave Radford, a special thank you from Surf Life Saving Australia on your remarkable achievement of 25 consecutive years of 100% Patrol Attendance, congratulations Dave from all club members. A proud record.

This year another five members achieved 100% patrol attendance — Richard Sheldon, Dave Radford, John Lackey, Warwick Clout and Robert Brander, congratulations gentlemen.

Competitively our results slumped from last year inasmuch as we only managed to achieve a Bronze in the Branch

Championships in the Junior Beach Relay and Beach Flags. Congratulations to Regan Brown, Curtis Smith, Daniel Altshuler and Rod Jamieson.

Our thanks again to the JAB Committee and Parents for the enjoyable season had, the highlight being the narrow victory over Clovelly Nippers at their Annual Inter-Club Meet.

This year we appointed a new caretaker/resident member, Rob Brancher. Rob is studying for his PhD in Marine Science, studying rip currents!! Rob you couldn't have picked a better beach.

Thanks to all sponsors and to Waverley Council for their continuing support and assistance. To everyone at Sydney Branch, many thanks and best wishes for the coming season.

Phil Hogan

Honorary Secretary

Coogee Surf Life Saving Club

The 1994/95 season was again a successful one for the Coogee Club with no lives lost with patrols fulfilling their duties.

During the year we held several events which included our Annual Surf Carnival which was well supported and we thank Bill Gray as our Referee and the Board Members who helped make this competition successful.

We worked with the Randwick Rugby Runners Club to host the annual winter Health Insurance Charity Half Marathon while in February we ran the Holiday Inn Coogee Beach Biathlon. Both events were successful and we thank all involved.

Competitively our Club had another great season particularly at the State Titles where we took home 15 medals evenly split between gold, silver and bronze along with many individual competitors and teams making finals and finishing in the top six. This brought us home in 5th place in the overall State Point Score.

We also had a strong Australian Championships with our team contesting many finals winning 5 medals and begin placed 9th in the Outright Carnival Point Score.

Coogee sent a team to compete at the World Lifesaving Championships in Wales and held second place up to the last day of competition where we lost momentum and slipped to a respectable 8th place. The team did come home with 4 World Champions.

Our awards were down on previous years and although we started strongly the administration of our instruction area dropped away as the season went on. The Club believes the change to the Bronze Exam could discourage recruitment and question if the old system worked why change it.

Our juniors, the Coogee Minnows, grew in numbers again this season and had a good year in retaining the Randwick Shield and taking our first State gold medal in 5 Person R & R. We ran the Junior Iron Person Challenge sponsored by Nestle's Milo which in only its second year is growing into a major event.

The 8 Clubs in the Randwick and Waverley Districts benefited from the Life Saving Art Union with the prize of a Toyota RAV4 4 Wheel Drive sports vehicle. We thank Sydney City Toyota for their donation and support in what was a major fundraiser for the 8 Clubs involved.

We thank our major sponsors, The Holiday Inn Coogee Beach and Bondi Carousel Shopping Centre for their

continued support. Also our appreciation goes to all Branch sponsors and in particular Coca Cola who donated much needed equipment to each of the Sydney Branch Clubs.

To our Mayor Chris Bastic and the Councillors of Randwick City Council we sincerely appreciate your support. We thank RCC General Manager and his Officers for their co-operation throughout the year.

Again the Board of Control did a marvellous job and to Peter Agnew, John Restuccia, Colin Fitzgerald and all hard working Board Members, congratulations on a job well done. We would also like to thank Bill Singleton and his Management Team for the many hours they have contributed in keeping Sydney Branch a strong and respected voice in the Association.

David Park

President

Bronte Surf Life Saving Club

The season 1994/95 was relatively successful overall but especially in terms of the reason for all Surf Life Saving, that is the protection of the surf bathing public from the vagaries of the surf. Once again Bronte SLSC is proud to report that no lives were lost whilst patrols were on duty. This result has been proudly boasted by Bronte SLSC members for over thirty years and is a direct result of the dedication that the Club's active members have displayed as well as those Club Officials responsible for overseeing this function.

In the 1994/95 Season, over 550 rescues and preventative actions were undertaken and a mammoth estimated 900 first aid cases attended. The large number of first aid cases were the direct result of the unusual blue bottle infestations that appeared at Bronte during the year, apart from stingers, there were only minor cuts and bruises to attend to, all first aid cases were generally attended to by Bronte Members with assistance from the Waverley Municipal Beach Inspectors to whom the Club is grateful. The Club worked well with these Beach Inspectors and the close liaison between these professionals and Club Officials and Members contributes to this.

The past season saw an increase in the number of Life Saving Awards gained and the Club must extend its thanks not only to its own Chief Instructor (who unfortunately was posted overseas with his employer), but to the Instructors at Bronte who took squads through and the Branch Officials who examined these squads to ensure they met the rigid standards now enforced. A pleasing aspect for the Club and possibly the Branch was the number of new instructors and their potential to take on Branch Examiners positions at a Branch level. However, with the low numbers of active members available to Bronte SLSC to man the patrols, it is "often and overkill" to ask these people to back up and perform extra duties. However, some of the new instructors have indicated that they would be willing to assist, if only in a small way.

Competitively the Club was not overly successful in regard to championship medals although State and National medals were won. However, it was pleasing to see a resurgence in the number of competitors regularly taking part in carnivals during the year. It is to be hoped that this can continue.

For the coming season many of the officials have stated that they will be standing again and while their services are greatly appreciated by all members it is hoped that we can

see some new blood coming through to take on these important administrative and management tasks.

Bronte is a small Surf Life Saving Club and often has difficulties in attending many of the official functions at a Branch, State and National level. However, it is hoped that this situation will change for the better over the coming seasons. The Bronte Management and Committee would like to express its thanks to the Branch for its support during the year and takes this opportunity of thanking all organisations that sponsored and supported the Branch and Bronte over the past season.

A. Coates

Honorary Secretary

South Maroubra Surf Life Saving Club

It is with pleasure to report that South Maroubra Surf Life Saving Club Inc, in its 36th year, has had another successful season in lifesaving and competition.

Our Club was most competently lead by Club Captain, Bernie Kelly. Bernie did an excellent job in ensuring our Club patrolled the southern end of Maroubra Beach, performing 86 rescues and assisting in 54 First Aid cases, along with 688 preventative actions to once again boast that "no lives were lost while South Maroubra patrolled its beach".

Thanks and well done to the 72 Senior Active and 37 Reserve Active Members who gained 100% Patrol Attendance this season. A credit to our Life Saving Committee and their new patrol roster system that was implemented this year.

Congratulations to the members who were recipients of a total of 102 Surf Life Saving Awards gained by our Club. This figure was an excellent achievement which was duly recognised with an award presented to our Club by Surf Life Saving Sydney Branch for "Most Life Saving Awards gained by a Club in the Randwick District".

On the competition side, "young giant", William Rowley, was again our Club's most outstanding competitor who had a fine season, culminating in winning 5 medals at the State and Australian Titles, a truly fantastic performance. William also represented South Maroubra in the U/18 Interdistrict Team. The Club was well represented this season at most sanctioned Surf Life Saving Events and special mention to our Ironmen and Women competitors, Nathan Steiner, Jacqui Robinson, Jane and Natalie Saville. To all our other Club competitors, "well done", and it is great to see the South Maroubra Colours proudly worn.

South Maroubra Surf Club was also fortunate to be the host of this seasons Sydney Branch Championships. Congratulations to Greg Morris in his first year as Carnival Organiser, Jacqui Robinson and William Rowley, who received **gold** medals and to all club workers on the day. Thanks to Colin Fitzgerald, Branch Carnival Supervisor for his advise and efforts throughout the day.

The Board of Junior Activities had another successful season and congratulations to John Campanaro and his Committee. Our Junior movement are a well organised outfit who have some outstanding junior competitors and more importantly the kids enjoy themselves and have "loads" of fun each Sunday morning on the beach.

Many thanks to Mr Chris Bastic, Mayor of Randwick City Council and Mr Ron Heonig, Mayor of Botany Municipal Council for their continued support to our organisation with

much appreciated and needed funds. To the Maroubra Seals Sports and Community Club Ltd, our major corporate sponsor, Cut Price Deli and Matraville RSL Club Ltd and all of our Club Sponsors, your ongoing financial assistance and support is very much appreciated.

The Clubs Board of Management has functioned well this season and have strived to maintain and improve the Club's equipment and facilities. This season Surf Life Saving Sydney Branch gained a new sponsor who provided the Sydney Clubs with a Coca Cola Patrol Tent, Rescue Board and Rescue Tube. This equipment was much needed by our Club and we take this opportunity to thank Coca Cola.

The 1995/96 season is shaping up to be another great year for South Maroubra. We will be holding the Club's Clear Water Classic Event in November 1995, are once again hosting the Sydney Branch Championships in February 1996 and will be contesting all the major carnivals.

Finally the South Maroubra Club would like to acknowledge the efforts of the Sydney Branch Officers for the tremendous work and dedication they input into the running of Surf Life Saving Sydney. In particular our Randwick District Supervisors, Paul Scullion and his South Maroubra Assistant, Errol Goldberg. Many thanks for the numerous hours spent on Instruction and Examination of our members.

North Bondi Surf Life Saving Club

North Bondi Surf Life Saving Club now in their 88th year thank Sydney Branch Officers and Board of Control Members for a great year for us.

"No lives lost", top awards gained in the Sydney Branch which made us Champion Club for 1994/95 which we are proud to be. Thanks must go to our super Instructor Suzanne Young and her helpers who work very hard with the candidates to ensure they pass. To our Club Captain Mark Cotter for his close watch over patrols.

Our Competitors did well at Branch Championships, N.S.W, Australian Championships, Masters and World Masters, picking up Gold, Silver and Bronze, we are looking forward to an even better 95/96 Season.

Honorary Secretary

North Cronulla Surf Life Saving Club

North Cronulla started the season in fine fashion by winning the World Life Saving Championships held in Wales in September 1994. This proved to be an omen as the Club continued to move forward during the year.

On the Life Saving and Instruction front the Club finished the season with "no lives lost" and with a record number of young and not so young members being instructed in various life saving awards. Dianne Lovell our Instruction Co-ordinator represented the Branch in the NSW Life Saver of the Year competition and came second, a great effort from a young lady whose sole aim in our Club is to continually improve the quality of training we provide.

North Cronulla were successful in winning the Overall NSW Carnival Pointscore for this season and this is a further indication of the depth and experience within the Club.

With a second in the Australian Titles, a first in the World's it has been a successful year in competition as well as Life Saving for North Cronulla.

Our Club's "breeding ground", the Nippers continued their dominance by winning the State Title for the 5th year in a row. With the quality and high standard of youngsters being fostered in the junior ranks the future of North Cronulla looks bright.

This year sees the retirement of our President, Martin Dillon and Club Captain, Frank Schreuder, they will be missed by all. Their guidance, commitment and camaraderie will not only be missed by all Club members but by the Association at all levels, will Branch meetings ever be the same!

The Club would like to thank the Branch Executive for their support during the season, sometimes we haven't agreed on every issue but all problems have been resolved without lasting conflict. The good relationship at Branch and Club level can only benefit all members of the Association.

We now look forward to the next season and trust we have as successful a season as the last one with no lives lost.

Honorary Secretary

Bondi Surf Bathers' Life Saving Club

Bondi, can report 'No lives lost' again this season with 1,012 rescues, 8,000 preventative actions alone, one can only applaud the young men and women who patrol diligently to ensure the safety of many. Community Service, is in this day and age to a degree an attitude that seems to be belonging to past eras, however those who do can only earn the praise of others. Whilst 8,000 preventive actions is a high record, one has to take into account the continual changing surf conditions on a beach that has been plagued by consistent rips all season.

The Committee, again for the season has consisted of a majority of young senior members who have worked hard and diligently to ensure for a smooth season. Yes, they made mistakes but definitely learnt in the process.

Again the Club has retained a healthy profit, not an easy task in terms of low corporate sponsorship. Peter Murphy, Club President and Barry Doosey, Social Secretary, have been the catalysts to ensure that a profit was retained along with good housekeeping on accounts still being upheld. Our thanks to the Branch and Clubs within the Branch for their assistance when needed.

Bondi hosted the Intercities Carnival in typical Bondi weather, the carnival was post-poned but not the VIP Luncheon to which the Ladies Auxillary once again produced a gourmet feast for all to enjoy.

April 29, the Club held a Veterans Carnival in conjunction with Bondi Junction/Waverley RSL Club in commemoration and remembrance of fallen and returned Club members from both World Wars. The Carnival was between North Bondi, Bondi and the Ice Bergs. Once again, the Ladies Auxillary (Peter Murphy's 5th Column) provided luncheon for Club guests and veterans.

Competitors attended carnivals both local, state and nationals, this season thanks to Les Hawkins and Grant Baldock many younger competitors tried the waters for the first time and from all reports will be back into the carnival arena next season. Without the encouragement of Les and

Grant the younger competitors would not have attended these events.

The Club this season purchased Fred Smith's computer resources which he has developed over the years for the Club, this resource has alleviated a lot of the manual tasks being done by Clubs, and this season Jean Van Dam has taken over Fred's duties in this area and can only be applauded for her diligence.

Bondi received the prestigious Herald Community Service Award for the year — that in itself is an achievement for all members who are involved in the Club — even in the smallest way to assist.

To the Branch Officials — Bill Singleton, Bill Gray, John De Cean, Peter Agnew and Yvette Roser, my sincere thanks for your assistance and support not only for this season but previous seasons it has been greatly appreciated.

On behalf of Bondi Surf Bathers' Life Saving Club I wish the Branch, Sponsors and all Branch Clubs the very best for the forthcoming season, let's hope that it is one that all can report "no lives lost".

Beverley Smith

Honorary Secretary

Conclusion

I believe that we have again maintained our excellence in Surf Life Saving, in patrols, competition and administration.

We started the season off with Seminar 94, Life Saving to the Future, which I believe was a great success and should be held every two years to assist all Clubs and the Branch with future planning. The feedback that we got was excellent and I thank the Committee for their time and input into this project.

The major project that was undertaken this season was to formulate a restructure of the Branch and to update the Constitution to a much more workable document.

We were fortunate to obtain sponsorship from Coca Cola (Amital) and Daihatsu through the efforts of Joe Barranco who was Branch Administrator until February this year. Joe was also responsible for obtaining vouchers from different companies for the Rewarder Scheme.

The Office Manager, Yvette Roser has been a tower of strength this season, with her added responsibility of taking on the day to day operation of the Branch, preparing minutes from meetings and any other job that was passed onto her, she is ably assisted by Natalie McKenna who has recently joined us and is responsible for the typing and collating of this report, to both of you go my sincere thanks and appreciation for your time and patients.

It was a great bonus having a Treasurer who was prepared to carry out his duties this season, with the assistance of the office staff. To our Treasurer, David Bergin, I extend my sincere thanks for a job well done.

I would like to thank the rest of the Executive for their support and assistance during the 1994/95 season, I speak of, President Bill Singleton, Deputy President Bill Gray, Superintendent Peter Agnew and Life Saving Supervisor John Restuccia.
