

Surf Life Saving Sydney Branch Incorporated

Forty-Seventh Annual Report

1995-1996 Season

Branch Sponsors

Surf Life Saving Sydney Branch Inc is proud to acknowledge our sponsors' contribution, both financially and materially, to our objects.

Without sponsorship, corporate, governmental and individual, our task of providing a viable Life Saving service to the community of Sydney would be difficult.

It is appropriate, that here in our Annual Report, the major public document of the Branch, we recognise and thank our individual sponsors for their support. Support that is given without restriction or interference with our objectives and achievements.

MAJOR SPONSORS

Coca-Cola (Amatil) Pty Ltd
Daihatsu

Tyrell Wines
Yarra Bay 16' Sailing Club

THE BILL MARSHALL OAM FOUNDATION

The Bill Marshall OAM foundation was formed in 2009 following Bill's death on the 30th December 2008.

It was Bill's wish that these documents were to be bound and preserved so as to be a vibrant record of the history of Surf Life Saving.

Soon after Bill's death an appeal was launched to raise funds to ensure that his wishes were fulfilled. The fund was very well supported and a substantial amount of finance was received. Thanks to the success of the appeal the Foundation was established, and the binding and preservation of these documents was possible.

Funds were gratefully received from various organisations and individuals. The Foundation wishes to acknowledge the generous donations from the following organisations:-

Cronulla Surf Life Saving Club, North Cronulla Surf Life Saving Club, Wanda Surf Life Saving Club, Elouera Surf Life Saving Club, Surf Life Saving Sydney, Surf Life Saving New South Wales and Surf Life Saving Australia.

The Foundation is most grateful for the generous offer of Sutherland Shire Council to store and to care for these valuable documents in their Central Library at Sutherland, NSW.

The Bill Marshall OAM foundation is administered and managed by Cronulla Surf Life Saving Club, PO Box 8 Cronulla, NSW, 2230.

SURF LIFE SAVING SYDNEY BRANCH INC

Notice is given that the 47th Annual General Meeting of Surf Life Saving Sydney Branch Inc, will be held at the Maroubra Seals Club, Marine Parade, Maroubra Beach, on Tuesday 13th August, 1996, commencing at 7:30pm.

10. Matters of which due notice has been given.
11. General Business.
12. Refreshments.

John De Cean

DIRECTOR OF ADMINISTRATION

PRESIDENT'S REPORT

Following is the 1995/96 Annual Report and Financial Statement which has been prepared by our Administration Director, John De Cean. Considerable time has been spent preparing this record of activities of our Clubs and Branch. John, congratulations for producing another accurate and interesting report.

Our Lifesaving activities were exceptional, Clubs and Groups performed 1,793 rescues, well done and congratulations to all. Awards were slightly down with Bronze Medallions static and Life Saving Certificates up. Total awards were 993, down 98 on the previous year.

Competition continues to be strong, with Elouera taking out the overall pointscore in the Branch Championships, which were held at Bondi. The Elouera Club won the State Championships and then were crowned the World Club Champions at the World Lifesaving Titles in Durban, South Africa. Sydney featured prominently with five of the top ten positions held by Sydney Clubs. After many difficult meetings, Sydney Branch provided the venue for the State Championships. Our commiserations go to Wanda who were unsuccessful in finalising arrangements to an acceptable level with State Centre allowing South Maroubra to accept the challenge which they did and conducted a most successful championships. Carnival dates continue to be a problem which will need to be addressed by Clubs, Branch and State to resolve the issue.

On administration, we reduced staff to an acceptable level to compensate for the shortfall in Sponsorship. Our funding has been tight due to the loss of WD & HO Wills although we have worked hard and long to seek another major sponsor. We currently have negotiations with three large organisations and trust that shortly we can have a positive result.

On behalf of the Branch, we sincerely thank Members of the Board of Control, for their continued effort, time and advice at Examinations, Training sessions, Carnivals and Displays. Again well done and congratulations on another successful season.

To our sponsors, thank you for your contribution whether large or small; they all assist in funding our organisation. This is becoming extremely difficult as we continue to have increased costs. To the Federal, State and Local Governments, we express our appreciation for your strong financial support towards Surf Life Saving.

To the Branch Clubs and Members, my personal thanks for your continued support. I am proud to represent you knowing that Sydney is one of the leading Branches in New South Wales through your efforts.

To my fellow Executive Officers, thank you for the tremendous sacrifice; you each give up many hours of your own time to the Branch. I trust this year it has been beneficial to you personally. To retiring Directors Peter Agnew, John Restuccia and Colin Fitzgerald thank you for your contribution over the years. I am disappointed that you are not seeking re-election and wish you all every success in your new endeavours. To Ken English, Deputy President, and John De Cean, Administration Director, your continued support is appreciated. My thanks also to our past Treasurer, David Bergin and his replacement, Brent Jackson, who has now been transferred to Victoria. I also thank Yvette Roser, our Office Manager, for her dedicated services.

I have enjoyed my first year as your President. To put it together with my personal and work commitments has been exciting and challenging and I look forward to an even prosperous season ahead.

Peter M. Pearce

Ladies and Gentlemen,

It is with great pleasure, I submit for your consideration, the 47th Annual Report of Surf Life Saving Sydney Branch Inc, covering the activities of the Branch for the 1995/96 Season.

Carnivals

This season we again conducted seven open carnivals, which were held at Cronulla, Garie, North Cronulla, Elouera, Wanda, Coogee and North Bondi.

The Branch Championships were hosted by the Bondi SBLSC who came to the assistance after South Maroubra withdrew, due to them taking on the State Championships.

The Fine Print trophy for the overall pointscore at the Branch Championships was won by the Elouera Club and congratulations go to President, John Brown and his team of dedicated competitors.

Craft Referee, Bill Gray at the Branch Championships laying down the rules.

The Sydney Water NSW State Championships were held at South Maroubra, and the Club got all their members together to conduct a very successful Championships. Congratulations to President, Jack Shaw and his dedicated members who made the Championships a success. I would like to congratulate the Elouera Club on winning the overall pointscore by two points from Cronulla.

John Vaughan Yarra Bay Boat Classic

This was once again another very successful event which was contested by 30 crews from 12 Clubs. We thank all clubs who attended the event along with the members of the Board of Control who conducted the event. Winners were:-

- Open Boat won by South Maroubra
- Reserve Boat won by Cronulla
- U/21 Boat race won by Cronulla
- U/18 Boat race won by Nth Cronulla
- Women's Boat race won by Gerringong
- O/40's Boat race won by Sth Maroubra

We would like to thank Mr Roy Ferguson, President of the Yarra Bay 16' Sailing Club and Secretary Manager, Mr Bob Jack who made the event possible. We would also like to thank sponsors of the day, Club Keno, Tyrrell Wines, Carlton United and the Yarra Bay 16' Sailing Club.

President, Peter Pearce making a presentation after the John Vaughan Bay Classic

Branch President, Peter Pearce, congratulation Suzanne Young - 1996 Life Saver of the Year

Sydney Branch Pointscore

In conjunction with open carnivals held within the Branch a pointscore for the competing clubs is calculated. The winner of the open pointscore was Wanda and the winner of the Handicap pointscore was Elouera.

<u>Branch Point Score</u>	1st	Wanda	112.00
	2nd	Elouera	110.00
	3rd	Cronulla	98.00
	4th	Nth Cronulla	92.00
	4th	Coogee	92.00

	15th	Garie	14.00
<u>Interdistrict /Competition</u>	1st	Cronulla/Sutherland District	

Sydney Branch Life Saver of the Year

The Sydney Branch Life Saver of the Year was again hotly contested with six nominations being received. They were Peter Cleary (North Bondi), Suzanne Young, (North Bondi), Robert Modein (Wanda), Dianne Lovell (North Cronulla), Greg Smart (Coogee) and Tim Murray (Maroubra). All nomination are a credit to Surf Life Saving and their club.

We would like to thank Darrell Lea Chocolates, Sydney Kings & Bounty Cruises for their donation of products to the Life Saver of the year.

Congratulations go to Suzanne Young who was the winner of the Sydney Branch Life Saver of the Year, New South Wales Life Saver of the Year and the Australian Life Saver of the Year. What a great effort by Suzanne.

Junior Life Saver of the Year

The Junior Activities also has a very hard job of selecting their Life Saver of the Year after receiving some very high standard of nominations from the Clubs that took part in the award.

The winner was Ryan Hartup from the Cronulla Club who was presented to all members on the day of the Junior Branch Championships and will also be present at the Sydney Branch Presentation Night.

Secretary Robyn Knox, Ryan Hartup and Chairman John De Cean

Sir Adrian Curlewis Scholarship

We were again fortunate to be selected for this Scholarship and congratulations go to Peter Cleary from the North Bondi Club, who was awarded with this scholarship.

Coca Cola (Amatil) Pty Ltd

We are again fortunate to have retained the sponsorship of Coca Cola for this season. Coca Cola have provided for each club again this season a new rescue board and rescue tube as well as cash for the Branch to operate on. Throughout the year they also provided products for certain events and we sincerely extend our thanks to Mike Beesley and Adam Wrublewski of Coca Cola for their continued interest and support.

Branch Meetings

Presentation Night

Daihatsu Australia

We are very fortunate to have this great sponsor who provides a four wheel drive Feroza, with the Branch Logo for the Office Manager to use during the week and also at Carnivals during the season. I would like to thank Tracy Amos for her support for this season and hope that this sponsorship will continue for many years to come. Daihatsu also provided products for some of our Carnivals which we great appreciate.

Excelsior Publishing Pty Ltd

This great company again printed the Club Captains booklet, Branch Directory and the Programme for the Branch Championships. We would like to thank Barry Dixon for his continued support to the Branch.

Maroubra Seals Club

We would like to extend our thanks to President Alan Langford and the Board of Directors of the Seals Club for making their facilities available for our monthly Council meetings, various board meetings and the Board room available for our Executive meetings.

Presentation Night

The Presentation Night this season was held on Saturday 8th June 1996 at the Maroubra Seals Club. Ian Toll was again MC on the night and once again did an excellent job and made the night a great success.

Many of the Branch Clubs were in attendance as well as the Junior section of the Branch who got together a table for the night.

We were honoured to have Steve Strange Surf Life Saving NSW Executive Adviser, Jeff Andrew President Sydney Northern Beaches, David Poppewell Director Maroubra Seals Club, Roy Ferguson President Yarra Bay 16' Sailing Club.

Awards were presented to the following winners:-

Waverley District Club who gained most Life Saving Awards - **Nth Bondi Surf Life Saving Club**

Randwick District Club who gained most Life Saving Awards - **Maroubra Surf Life Saving Club**

Cronulla/Sutherland District Club who gained most Life Saving Awards - **Wanda**

Royal National Parks District Club who gained most Life Saving Awards - **Burning Palms**

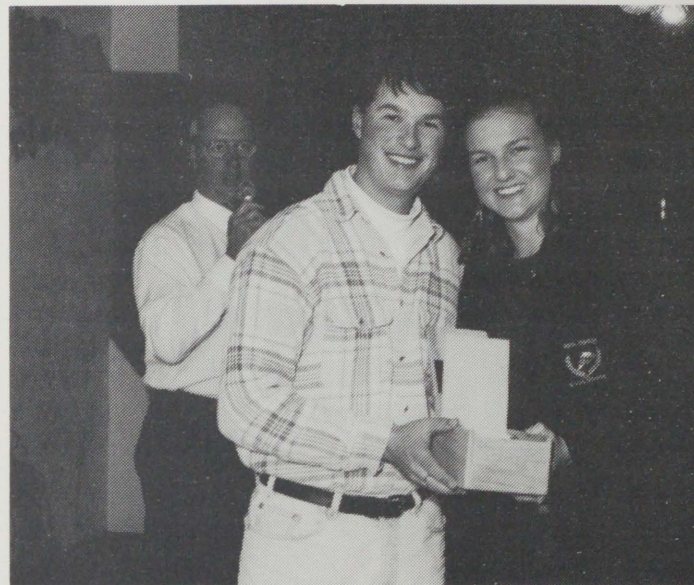

M.C Ian Toll and Peter Pearce Branch President at Presentation Night

Examination Member of the Year - **Peter Seeto**

Competition Member of the Year - **Rosemary Ridley & Del Workman**

Board Member of the Year - **Dianne Lovell**

Radio Operator of the Year - **Brad McDonough**

John Restuccia congratulates Board member of the Year - Dianne Lovell

Sydney Branch Champion Club

As part of the on going planning of the Branch, it was decided that we should present an award to the Champion Club, which would be decided on a Life Saving basis and the criteria would be:

- Number of Life Saving Awards
- Patrol Infringements
- Board of Control Participation
- Branch Radio Room participation
- Gear Inspection

At the Branch Presentation Night the Branch President Peter Pearce had the honour of announcing the winner of this award to the **North Bondi Surf Life Saving Club**.

Peter Pearce congratulates Branch Person of the year - Peter Agnew

Brad Taylor congratulates Radio Operator of the Year - Brad McDonogh

Peter Pearce presents plaque for 'Champion Club' to David Einfield, President, Nth Bondi SLSC

Branch Office

I would like to pay tribute to my Office Manager, Yvette Roser, who by the time this report comes out would have resigned pending the arrival of her third child. She has again be a tower of strength to me and the Branch as well as all Officers, even though some do not appreciate the amount of pressure that can be generated through all the work we expect her to do.

Yvette was ably assisted by Natalie McKenna who was employed until February 1996, when the Executive had to bite the bullet and cut some of our expenses and unfortunately Natalie was part of our cost cutting and we had to terminate her services. During the time she was there she was always happy to assist anyone who needed things done. We again need to create some forward thinking to allow the Office to operate at its full capacity, which can only be done by reducing the amount of urgent work which we all seem to generate.

Once again thanks Yvette for your assistance and understanding.

Director of Life Saving Report

Now the 1995/96 season has wound up, it was on reflection quite a busy year, with Gear Inspection, Captains' Meetings, rescues, spinals and the list goes on.

This year patrol notices were unfortunately up by about 40% on last year, which means clubs either signed on late or left early. Most were signing on late which must be an issue for all club captains.

This is a first for Sydney Branch as we now have the State and Australian Life Saver of the year. Congratulations Suzanne Young. Also a first, the "Heroes of the Surf" was also taken out by the ORB3 crew of, Richard Lissadden, Andrew Lissadden, Marcus O'Donoghue & Ursula Say, after doing a rescue off Yellow Rock, which resulted in the saving of the crew of a stranded boat, which was heading towards the rocks. "Well done Crew".

To the six finalists in the Sydney Branch Life Saver of the year competition, well done and good luck on the Branch Presentation night.

This season was the worst ever in the Branch's history with respect to spinal's, with eleven. Four (4) were taken by helicopter with one being in a critical condition. The only good thing out of all this, is all feedback from the Ambulance and Helicopter Services reported that patrol personnel handled the spinals proficiently, which is a credit to our training on spinal injuries.

Once again Christmas Day was a big day for the Bondi Beach Clubs, as around 150 people were rescued including a mass rescue of 60 people. It's good to see Local Government will finally be looking at Bondi on Christmas day, as it's a major concern to all.

Life guards at the National Park was a major project which I tackled. To the members of Garie I'm confident you will soon see a life guard there. A recent meeting with Premier Bob Carr was a major step forward in bring this matter to finality. A meeting with Royal National Park and Wildlife authorities will finally give some Government body power to make a decision, so safety can be maintained down there at Garie.

To all the members of the Branch Radio Room, thanks for your ongoing support this year. As it was a very busy and trying season, your professionalism helped our Life Savers on the beach maintain safety. "Good work Team"

To the two ORB Groups thanks as well. Your presence on our beaches is greatly appreciated. Your quick response to rescues is second to none, that's why the NSW Police Force are continuing to call out our rescue service.

In closing I would really like to thank the following people who made my last year a success. Brad Taylor and his team of Duty Officers on the 24 hour call out. Thanks for giving up your time to a good cause.

To our front line personnel the District Supervisors, Margaret Pearce, Errol Goldberg, Luke MacDougall and their assistants, your standards were high which improved the overall lifesaving in Sydney. Michelle Phillips and the IRB section, your ongoing effects are appreciated.

John Restuccia

DIRECTOR OF LIFE SAVING

Branch Golf Day

(L. to R - Noel Huxely, Michele Ledden, Yvette Roser, Bill Gray and Bill Singleton)

Director of Examination & Instruction Report

So its time to write up another year as a member of the Sydney Branch Board of Control and to reflect as to what did actually happen in the last twelve months in the area of Examination & Instruction.

Following the clamour of trying to pull dates and venues together during the winter the season opened to the mellow tunes of the "Start of the Season E & I Conference", which saw fifty three examiners and chief Instructors attend a one day meet at the Prince Henry Hospital conference rooms to discuss the direction of the season.

The day was mainly used to launch the SLS NSW Education Panel's guidelines for the conduct of Bronze Medallion and various other projects. All present agreed to move towards the new format, leaving behind the pre-lim/final exam system and moving towards a knowledge, skills and scenario format; thus embarking on one of the largest changes, to the way we examine and instruct within the Branch, in recent times.

Following the E & I Conference on the Saturday, the Sunday was taken up by the first Examiner Course. Conducted by Dr. Dianna Kendall and David Armstrong the course moved from the normal content of the BM to the actual skills an examiner requires to examine.

The examiner's course will now form the base for examiner's education and will also be the initial port of call for new examiners.

At the end of season post mortem of our Examination methods, a number of successes and failures could be reported on:-

- * Examiners and Instructors generally agreed that this season is superior to previous seasons.
- * The teaching of rescue scenarios should become part of an instructors training methods throughout a squad's duration and that preliminary checks of candidates should be completed by a senior instructor prior to presentation of a squad or examination.

- * As a Board of Examiners, we must have a better understanding as to the assessment criteria for the patrol rescue scenario and continue to investigate improved human resource methods for examining the Part A and B formats.

Train the Trainer courses were held on eight occasions throughout the Branch during the season with candidates becoming accredited prior to gaining their Training Officers Certificate. This course will become invaluable with the introduction of a Bronze Lesson Plan book with forty, one hour lesson plans under the current format of the TTT.

The Board Education Panel had a large influence in the area of Examination and Instruction at the start of the season, comprising of Suzanne Young, Dianne Lovell, Craig Farrugia, Paul Tardent and Peter Murphy. The panel was responsible for the formulation of plans and procedures for the season and put in a large work load during the normal quite time of winter. My thanks to all.

Dianne Lovell has put in a large contribution to the TTT program and has been invaluable during the year, with trips with me to other Branches, to conducting all the programs in the Cronulla-Sutherland area.

I attended three State Education Panel weekend meetings during the season and found the workings of the panel to be of pure inspiration with a number of projects being conceived, developed and implemented. I believe these projects will have a stream of positive effects to Examination & Instruction in the coming seasons. Sincere congratulations must clearly go to Dianne Kendall the NSW Education Adviser and NSW NDO David Armstrong for their full and utmost commitment to this area of Surf Life Saving.

The District Supervisors and Assistants wore a large burden of the new exam system during the year and to their credit did a fantastic job, may I take this opportunity to thank them on your behalf, well done!

Thanks, Andrew Chubb the E & I Director of Sydney Northern Beaches who like Dianna has given me the time in both meetings and over the phone that has helped Sydney Branch immensely on a large number of occasions during the year.

To the Branch Executive, the Board Officers and to Natalie and Yvette, thank you once again for your advice, assistance and support.

The Board would not be able to function without the Active Examiners that are committed to Surf Life Saving in Sydney and who give up their weekends, to have feet in the sand, examining Bronze Medallion Squads or in the training rooms examining ARC Awards, in our IRB's and ORB's and at the coal face for Proficiencies. My thank you, seems hardly enough.

So what did happen during the year?

- * The conduct of over 126 separate Examinations with a total of 993 candidates.
- * 2600 members being examined in 63 separate proficiency tests.

- * One day E & I workshop seminar.
- * A two night resuscitation workshop conducted by Keith Grima.
- * The introduction of a new SLS Training Manual.
- * Eight Train the Trainer courses ran with the attendance of 71 TO's and Instructors accredited.
- * Four Examiner Accreditation Courses ran.
- * Three Examination and Instruction meetings held.
- * Introduction of SLS NSW BM guidelines.
- * Proficiency exemption scheme.

Peter Agnew

DIRECTOR OF EXAMINATION & INSTRUCTION

Director of Competition Report

In reporting to you on the 1995/96 season, I can say that there was continued commitment by the Branch, clubs and officials alike, to provide a quality of competition befitting Sydney Branch. Eight (8) senior carnivals (including the Branch Championships) were conducted during the season, as well as a Twilight IRB Series, other special events and Junior Carnivals.

In an endeavour to meet SLSA guidelines on Member Retention, this season has been one of trial and innovation! Several new initiatives were undertaken with contrasting measures of success!

The concept of conducting a Life Saving Events only carnival, comprising Surf Rescue Challenge, Patrol Competition, First Aid and Champion Lifesaver was well accepted and attended by clubs. A definite winner! The original concept of holding several carnivals in a season on non conflicting dates to regular competition is definitely the way to proceed next year. A review of event timetabling needs to be undertaken, as there is a particularly high instance of competitors participating in several events during the day.

Two (2) fully integrated Senior/Junior carnivals were conducted this season, with a much broader range of event options being made available to U/12 and U/14 competitors. (Originally we trialed "Team Events" only last season). There is a significant opportunity to further develop the potential of these carnivals with both competitors and officials alike. The greatest disappointment during my two (2) year tenure in this role has been my inability to successfully integrate Senior and Junior competition officials to become one united body. This issue is one the Branch must make a priority in 1996/7!

A broad base of age categories and a comprehensive number of event options were offered for the first time to Masters Competitors. Events were trialed at two (2) carnivals and the Branch Championships with only moderate success. There is a definite need for Masters events, but, once again, a full review of how the Branch manages this requirement going forward needs to be undertaken. One option may be to include a limited number of events in fewer age categories at every open carnival, so that competitors have competition consistency.

Each of the three (3) initiatives undertaken this season will play an integral part in building a broader and stronger competition base as well as contributing significantly to the goal of membership retention. The season again highlighted the depth and quality of persons officiating in Sydney Branch. During the course of the season, many officials were given the opportunity to expand their skill base by gaining exposure to other roles, which will ensure the standards are maintained for the future.

Michelle Phillips and the IRB contingent again conducted the Twilight series very efficiently and successful. Many thanks to all concerned.

I would like to personally thank Graham Rees and his board riding fraternity for their efforts in ensuring that the Board Riding section continued to be a viable part of competition in the Branch. The Branch must take "ownership" of this area of competition to ensure its successful future. Boogie Boarding is a must for future seasons.

Congratulations

Congratulations to South Maroubra on conducting a most efficient and enjoyable NSW State Championship.

Congratulations to Wanda and Cronulla Sutherland District on winning the Branch Pointscore and Inter District Competitions respectively. The closeness of the Pointscore for both is reinforcement of the competitive strength of this Branch!

Thank you to all clubs and officials for your efforts and support in 1995/6 in ensuring carnivals and competition offered in Sydney Branch remain the best on offer!

Colin Fitzgerald

DIRECTOR OF COMPETITION

I.R.B. Supervisors Report

Yet another season has passed and another goal for Sydney Branch IRB has been achieved. We are now being taken seriously in top level IRB competition with the Bondi team placing equal third at the National IRB championships and two Sydney female teams placing in the top four in the inaugural women's display event at the same titles. Due to ever increasing work commitments, the amount of time and effort I could put into Branch IRB activities had to be curtailed and pointed in their direction. It was suggested and trialed that IRB exams be set dates in the calendar like Bronze Exams - it did not seem to work - however exams did continue.

Competition grew in the twilight series, with additional female events introduced to bring them in line with State Events. We also had two firsts, with the Clovelly club running an IRB carnival and the first IRB carnival being stopped due to large seas. It was also voted by the other metropolitan areas to continue with the metropolitan IRB carnival which Sydney hosted last year. This voting happened in April this year, so it was with great disappointment that earlier in the season the Branch

decided to elect venues and ownership of the future of this carnival. The inception of this carnival was based on the country IRB championships, which is run by the Branches involved, officials supplied by them and the venue moved amongst them.

Ducks continue to play a vital role in lifesaving in this branch, and the IRB personnel are still some of the hardest workers in the clubs, I hope that the increased competition has continued to encourage new members to this section and provided an area of release and enjoyment to them.

By increasing the level of competitiveness of the teams, the length in which some would go to win, and the unwillingness to assist to help things run, increased dramatically over my years as supervisor.

I am very proud of Sydney Branch IRB sections in the improvement (in the vast majority) of the gear presented for gear inspection. The improved level of competence in candidates sitting for awards, the increased awareness and numbers doing their proficiency's and most of all, the Examiners and Officials who came out continually in support of the IRB community.

Special thanks must go to Arthur White, Bill and Marie Gray and Anne Ainsworth for their undying support. Peter Burst for continuing to house and maintain the Branch IRB and Motor.

To everybody, who are too numerous to mention, who I have worked with over the past years as IRB Supervisor - it has truly been a pleasure. And to all those in Sydney Branch IRB - Go forth and prosper!!

Michelle Phillip
IRB SUPERVISOR

Emergency Services Co-Ordinator Report

During the past season the emergency services section of the Branch was called to attend eighty five (85) incidents. Sixty one (61) of these cases were reported by surf clubs through Sydney Surf. I am happy to report that none of these incidents resulted in loss of life.

The remaining 24 cases came through our 24 hour call out system. These cases involved searches on both land and in water and included various medical emergencies. The calls originated from:

Police	29.2 %
Lifesaver 1	20.8 %
Water Police	16.7 %
Ambulance	16.6 %
Public	8.3 %
Careflight	4.2 %
Lifeguards	4.2 %

As can be seen from the figures below the days of the lifesaver just rescuing and resuscitating swimmers have gone. Today's lifesaver is now being asked to recognise and treat a more complex and diverse range of situations.

The breakdown of the 85 incidents is as follows:-

Spinals	11
---------	----

Fractures	9
Boats in trouble	7
Dislocations	7
Immersion	5
Searches	5
Heart Attacks	4
Heat exhaustion	4
Diabetic related	3
Lacerations	3
Unconscious patients	3
Divers in trouble	2
Miscellaneous	17

While the number of spinal cases appears to be high, I feel this is due mainly to our heightened awareness and training in recognition and treatment of spinal injuries. Many patients in the past would not have been diagnosed as a spinal injury and just treated for their more obvious symptoms.

Once again I would like to thank all the duty officers and the two offshore groups for their dedication and willingness to be on call 24 hours a day seven days a week.

As the duties of the Radio Supervisor and the Emergency Services Co-Ordinator overlapped in a number of areas, it was decided to combine the two positions.

Throughout the season the existing radio equipment did not meet our expectations and consequently a new console and radios are being prepared in readiness for next season.

The introduction of the new channel proved to be extremely successful. It allowed Sydney Branch to have its own working channel without having to compete for air space with other Branches.

The Branch radio room had problems with numbers for the first part of this season. Fortunately we were able to recruit eight new members as the season progressed and this relieved the burden of excess hours for all concerned.

There were eight members who gained their 100% this season. To gain this you must complete 20 hours before the first of January and 20 hours after or a total of 50 hours all up. Congratulations to the following people on their achievement. Brad McDonogh, Gaelyn Watson, Sue Morris, Cheryl Hormann, Brian Harris, Peter Agnew, John De Cean and Peter Cleary.

Below is a list of hours for each operator. The average hours were 38.29 and a special note of thanks should go to Brad McDonogh for his outstanding effort of 104.38 hours.

Brad McDonogh	Garie	104.38
Gaelyn Watson	Bondi	76.42
Sue Morris	Nth Bondi	72.64
Cheryl Hormann	Elouera	72.09
Brian Harris	B/Palms	60.64
Peter Agnew	Nth Bondi	56.73
John De Cean	Nth Bondi	55.17
Peter Cleary	Nth Bondi	43.80
Peter Fuller	Nth Bondi	41.00
Jason O'Brian	Maroubra	40.75

Natalie McKenna	B/ Palms	36.22
Chris Anson	Maroubra	35.25
Brad Taylor	Garie	34.67
Peter Sullivan	Garie	29.24
Luke MacDougall	Elouera	27.00
Matt Scott	Wanda	24.47
Ursula Say	Nth Bondi	23.50
Bill Singleton	Elouera	16.00
Lucy Rizzo	No club	15.92
George Shales	Maroubra	15.92
John Restuccia	Maroubra	14.50
Marcus O'Donoghue	Nth Bondi	11.33
Andrew Tod	B/ Palms	6.17
Alison North	Elouera	5.25

There is one person I have not mentioned in this report and that is the radio operator of the year. I'm not going to either, you will have to wait until the Branch Presentation Night. I must say however that it was not an easy task to choose one person over all the people that gave me so much help this season.

Brad Taylor

EMERGENCY SERVICES CO-ORDINATOR

B.J.A Chairman's Report

It is pleasing to sit back and report that the Sydney Branch Junior Activities have again had a very successful season and this can be targeted to all the club participation in very good debate at our Monthly meetings and working together as a team to ensure that we as a Branch are represented at all levels of Surf Life Saving.

The season got underway with the selection trials being held to select a Branch team to represent us at the Interbranch Championships, these were hosted by South Maroubra and North Cronulla, with competition very fierce in all areas and making the selectors job a very difficult one again.

The team was announced after the second selection trial and measured for their uniform and advised of the requirements of training with the team.

The team performed well at the Interbranch Championships held at Warilla Barrick Point, we were placed fifth in the overall pointscore, which was one better than last season and with a bit of training we will soon be back as number one in the State. My thanks go to Team Manager Ray Wilkinson who created miracles to ensure that the team was outfitted and had good meals and accommodation when they were away. The coaching staff of Jacqui Robinson, Nathan Cotter, Richard Garnsey, Rob Barnes, Jay Morrison and R & R Coach John Douglas was fantastic to see the competitors responding to the coaches was fantastic and they should be congratulated. It was very moving to listen to the motivation speech of the Beach Captain, Ryan Pask on the Saturday night. Thanks also to Gail Tito who filled in at the last minute as Chaperone of the team.

To our faithful stalwarts and back stops Patricia Garlick, Robyn Knox, Reg Francis and David Mullinger, many

thanks for your contribution to the team as well.

The Randwick Shield was hosted by the South Maroubra Club in what could only be described as a very cold and windy day. The highlight of the day was the Gordon Wilson Memorial Event which is conducted over the robo relay event, which was greatly contested by the four clubs and was eventually won by the Maroubra Club. I would like to thank the Maroubra Seals Club for their support of this event.

The 4 way carnival was hosted by the North Cronulla Club who turned on a great event and day for the Competitors and spectators on the day. It was pleasing to see the four largest clubs contesting all events and celebrating together as one after the carnival.

The Waverley Shield was to be hosted by the Bondi Club but after trying to conduct the event on two separate weekends it was decided by the four clubs to cancel the event for the season.

The main function that the Juniors undertake each season is the Development camp which was again held at the North Cronulla Surf Life Saving Club and I would like to thank all members of the Club for allowing us the opportunity to utilise their wonderful facilities. Thanks also to the Junior section of the club for all their support and assistance over the week end.

To the Club resident member, Mr John Fahey, I would like to again personally thank you for your contribution towards our development camp.

All members who attended the camp have been prepared for their introduction into the senior ranks and were instructed on the important roles of surf life saving. To make the camp work we need to have many keen workers and I would like to thank Don Hudson, David Mullinger, Kathy Booth, Patricia Garlick, Graham Giles and James Sears who gave up the comfort of their beds to join myself sleeping on the floor with the children and putting up with the taking till 2 am in the morning.

Thanks go to Offshore 2 who took the children for rides in their boat and explained the operation of the group. We can only hope that next season, we may be able to get members of the Board of Control behind the camp and support us with the instruction of these future life savers. The last time we received support was when Linda Mulhall was looking after this section of the Board.

Thanks also goes to Reg Francis, Barney Johansen, Margaret Sears, Robyn Knox (who refuses to stay at the camp) and all the other people who assisted us with this very worthwhile project. The other enjoyable part of the camp is taking 100 children to the Movies. What an experience that is! If anyone would like to assist with the camp next season please let us know as many hands make light work and you do have an enjoyable time.

The Cronulla Club again conducted their Open Carnival which was again well supported by the Clubs in the Branch as well as a few outside of the Branch. Congratulations to the Cronulla Club for the staging of another successful event.

I was also fortunate enough to attend the Australia Day North Cronulla Ironperson Classic which was well supported by the Sydney Clubs, as well as other clubs throughout the State. This I have been told will be an annual event held the same time each season.

The Branch Championships were held at Coogee Beach under what could only be described as excellent conditions, with all events conducted on the day. The overall pointscore was won by the North Cronulla Club. The junior Life Saver of the Year was Ryan Hartup from the Cronulla Club.

We were fortunate to have Branch President, Peter Pearce and his wife Margaret in attendance who enjoyed the day and learnt a lot about the role of the Junior Activities in the Clubs, we also had Ken Sweeny, State Superintendent and his wife June, Bill Singleton, Bill & Narelle Franks were present to present the Ben Franks Memorial Trophy to the winner of the Under 14 Ironman.

The last competition event was the Junior State Championships held at Swansea Belmont in what could only be described as extreme conditions with most of the beach missing and the water conditions not favourable for all competitors. However all the Sydney Clubs performed well and I was proud to be associated with them all. Congratulations go to North Cronulla who again won the overall pointscore.

I would like to pay tribute to our Registrar Patricia Garlick who advised early this season that she was not seeking re election for this position next season. I know that Patricia has put many long hours into ensuring that our records on capitation's and National Junior Awards were always kept up to date and in total order and was always willing to assist all the clubs if they required it.

It is hard to put into words the amount of work our Secretary, Robyn Knox puts into the Branch and we do like to hear all the stories about the dogs and everything else you want to tell us Robyn and we know that you are not standing again as you have told us for the last 6 years but we know that you don't mean it Robyn. But thank you for everything. To our Treasurer, Graham Giles and Superintendent, David Mullinger, thank you both for your support and assistance during the season.

May I conclude by thanking my Deputy Chairman, Barney Johansen, Vice Chairman, Peter Garlick and Reg Francis for your support and advise during the season and to all Club Officers, Delegates and Chairman, thank you for your contribution towards this wonderful Branch of ours and lets all strive to continue to make this the number one Branch in New South Wales.

John C. De Cean
HON. CHAIRMAN

Like past seasons, this one seemed to move along at a rapid pace. From the Development Camp, though to the State Carnival at Swansea Belmont. I feel that it is extremely important that we retain the format of the Development Camp and do not blow to outside pressure to change it. The children and Officials, all enjoy the easy going style of camp. Kids have years ahead of them to become serious and I think our style of camp goes along way towards retaining these children in a relaxed, easy going atmosphere.

Now to more serious things. Membership remained fairly steady this year with 3271 children registered with Sydney Branch Clubs. There were 874 U/6 and U/7 year olds and 2397 U/8 to U/14 year olds. Compared to last years total membership of 3342.

Once again I was disappointed with the number of children doing their National Junior Awards, 1580 children passed their awards, a drip of almost 200 on last year and 500 on the previous season. Hopefully with the introduction of the new Surf Kit next season we can generate more enthusiasm. I was very pleased to see the Clovelly Club put their children through their awards for the first time in about 4 years and I must congratulate the Bate Bay Clubs, especially the Wanda Club on your retention rate of U/14's, you must be working well with your senior club in that area. A more detailed report on membership and awards follows this report.

To the present members of the Executive, thanks for all your help and guidance over the past year, in particular John De Cean and Robyn Knox. Robyn Knox for the many lifts to Branch meetings and carnivals, even though you did leave me stranded at Cronulla one day. John De Cean, who's dedication to Surf Life Saving is unparalleled, especially with your outstanding contribution to Junior Activities over numerous years in Sydney Branch. To Peter my husband, thanks for your assistance. Without your help on many occasions the job would not have been done.

Pat Garlick
SYDNEY BRANCH REGISTRAR

Auditors Report

I have examined the accounts of the Sydney Branch Board of Junior Activities of The Surf Life Saving Association of Australia for the year ended 30 April 1996.

My examination included such tests, checks and explanations relating to the accounting records that were considered necessary to conduct the audit.

I am of the opinion that the income and expenditure statement gives a true and fair view of the affairs of the Sydney Branch Board of Junior Activities for the year ended 30 April 1996.

P. Bultitude
HON. AUDITOR

FINANCE COMMITTEE REPORT

Garie Surf Life Saving Club

Garie SLSC Inc has completed another season of successfully maintaining the record of 'no lives lost' whilst the beach is patrolled.

Although membership is low in numbers, Garie SLSC is proud to claim several of its members as active participants in Branch positions. This season a Garie member achieved "Most Patrolling Hours" in the Branch radio room and has earned recognition as the "Radio Operator of the Year".

Garie also achieved a high distinction on their gear inspection this last season and we are certainly aiming to maintain this record and even better it in the coming season.

Our awards were down on previous years however it is hoped that with a new intake of members and recently awarded trainers, that this situation should soon be rectified.

Rescue numbers were also down, reflecting the low attendance of the surfing public last year due to poor weather conditions at the commencement of the season. However, several rescues were carried out in very dangerous, dumping surf conditions and a few potentially tragic outcomes were averted thanks to the vigilance and training of our patrolling members.

First Aid cases were varied and some serious, although this only normal for a beach in an isolated, bush area.

Competitively, Garie competed in its own carnival, held after a lapse of many years and also fared well in the District Carnival. Members area gain participating in the club's internal competitions with much more enthusiasm thanks to a more concerted effort from our new Race Secretary and Team Manager.

In the Juniors, the Garie Guppies membership more than doubled and although plagued with wet windy days, still participated keenly and held an 'away' event at a neighbouring beach where the waves were more their size. This event generated a lot of interest from parents of local youngsters who we hope will join up for the coming season.

Rita Taylor

HONORARY SECRETARY

Bronte Surf Life Saving Club

For the Bronte Surf Life Saving Club, the 1995/96 season was successful in terms of the reason for all surf life saving; that is the care and where necessary the rescue of the surf bathing public from dangerous surf conditions. Once again Bronte SLSC is proud to report that no lives were lost whilst patrols were on duty. This result has been proudly boasted by Bronte SLSC members for over thirty years and is a direct result of the dedication that the Club's active members have displayed as well as those Club Officials responsible for overseeing this function.

In the 1995/96 season, over 500 rescues and preventative actions were undertaken and a large number of first aid

cases attended. First Aid is becoming more and more important and together with improvements in spinal care as a result of surfing accidents the movement in general can claim credit for the prevention of some serious long term injuries.

All first aid cases were generally attended to by Bronte members with assistance from the Waverley Municipal beach inspectors to whom the club is grateful. The Club worked well with these beach inspectors and the close liaison between these professional and Club Officials and members contributed to this.

The past season saw a large increase in the number of lifesaving awards gained and the club must extend its thanks not only to its own Chief Instructor but to those members who took squads through and the Branch Officials who provided examinations. Of particular importance to a small club like Bronte is the junior member program introduced to ensure an increased flow of Junior Activity members into the senior club ranks. With the dedication and co-operation of our Junior Activity Officials Bronte will see the rewards of this program over the coming seasons through the increase in active members and consequently patrol strength.

Competitively the Club was not overly successful in regard to medals although State and National medals were won. We did suffer at the beginning of the season where Bronte lost a number of competitors to stronger Clubs; however next season it appears Bronte may be able to field a stronger team of competitors across a wider range of events.

For the coming season many of the officials have stated that they will be standing again and while their services are greatly appreciated by all members it is to be hoped that we can see some new blood coming through to take on these important administrative and management tasks.

Bronte is a small surf life saving club and often has difficulties in attending many of the official functions at a Branch, State and National level. However it is hoped that this situation will change for the better over the coming seasons. The Bronte management and committee would like to express its thanks to the Branch for its support during the year and takes this opportunity of thanking all organisations that sponsored the Branch and Bronte over the past season.

Tony Coates

HONORARY SECRETARY

Tamarama Surf Life Saving Club

The season 1995/96 was the 90th anniversary of the founding of our Club. Once again we are proud to report NO LIVES LOST. This season saw the return of Richard Sheldon as President and Dave Radford as Chief Instructor. Dave assisted sixteen new members to obtain their Bronze Medallion, seven Members their Surf Life Saving Certificate and two Advance Resuscitation Certificates. Also Dave's Assistant Instructor, Michael Magriplis obtained his Surf Life Saving Instructor

Certificate.

This past season saw twenty members achieve 100% Patrol Attendance. Nine members also performed patrol hours in excess of 100 hours.

Competitively the season was one of mixed achievements. To all members who wore the club colours, well done. The Junior Activities were also active each Sunday morning, thank you to all the parents who helped make this part of the Clubs year so enjoyable.

At the Annual Dinner held in early June, the prestigious E.E. "Pop" Weir Award for Clubman of the Year was presented to Melissa Perry - the clubs first female Club member of the Year. Melissa is an excellent Club member who is prepared to help out in all aspects of the Club's activities. Congratulations Melissa.

In conclusion I would like to express the Clubs thanks to all our sponsors, to Waverley Council and the Waverley Lifeguards for their continued support and assistance, and all at Sydney Branch. Best wishes for the coming season.

Phil Hogan

HON. SECRETARY

Era Surf Life Saving Club

Era has completed another successful season with "no lives lost" on the beach during or outside of patrol hours. This year we only had a small number of awards gained; these were 2 Bronze Medallions and 2 IRB Drivers. We hope this will improve next season.

Era has two crews rowing this season and they acquitted themselves very well. The Reserve crew gained a number of first's through the season and the Reserve and Colt crews also came third at the Branch Carnival. The Reserve Crew also came third at the State Titles. Unfortunately the seas at the Australian Championships at Kurrawa proved too much for both crews.

The Junior Activities are continuing to be popular and regular competition has been held each month. Presentations were held at Easter for the most improved as well as the point score champions, and the children are keen to participate again next year.

I am please to report that there were 27 people who achieved 100% patrol attendance which is a great effort for such a small club.

We thank Sydney Branch for their assistance through the year and anticipate another successful season in 1996/97.

Diana Garder

HON. SECRETARY

South Maroubra Surf Life Saving Club

It is with pleasure to report that Sth Maroubra Surf Life Saving Club Inc, in it's 37th year, has had another successful lifesaving season. Our club patrolled the Southern end of Maroubra Beach diligently with no lives being lost whilst we were on patrol. Sth Maroubra's

Lifesavers performed over 713 preventative actions and numerous rescues during the season showing the vital need for alert, proficient and dedicated lifesavers. Congratulations is extended to the eighty eight club patrol members who gained their 100% Patrol attendance; a great achievement and credit to our Life saving Committee which was competently lead by Greg Goodsell and Greg Morris our Club's Captain and Vice Captain.

Congratulations to the Sth Maroubra members who were the recipients of a total of 63 Surf Life Saving Association awards during the season. Our award numbers were a little down on previous years due to the ever increasing demands of society being placed on our club instructors, however a greater effort next season should see this improve.

Our clubs Board of Management has functioned well this season striving to maintain and improve the clubs equipment and financial balance. These objectives were helped with our Committee accepting the honour to run the 1995/96 NSW State Titles. From all reports the State Titles were a great success and thanks is extended to all our members and supporters who combined to form the '300' pair of hands needed to efficiently run such an event. Many thanks to Sydney Water for being the State Titles major corporate sponsor and for everyone's co-operation and assistance.

On the competition scene, congratulations to all members who wore the Sth Maroubra colours during the season. Places and medals were gained at most carnivals throughout the year including fine performances at the 95/96 State Titles from Junior William Rowley, our Masters 40-45 years boat crew, the U/16 beach relay team and Max Murphy in the 50-55 year flag's event. Congratulations also to the 40-45yr Masters boat crew who picked up a medal at the Australian Championships as well. Well done to new member, Richard Garnsey, who picked up 4 medals at the recent World Titles Championships held in South Africa.

Many thanks to our major sponsors, The Maroubra Seals Club, Sydney Water, ICI Botany, Randwick City Council and Botany Municipal Council for there invaluable financial assistance throughout the year.

Finally, the South Maroubra Club would like to acknowledge the efforts of the Sydney Branch Officers for the tremendous work they put into running the Branch. In particular, thanks to all the Examiners who examined and assisted our Instructors and candidates. Special mention to the Randwick District Supervisor, our own club member, Errol Goldberg for his watchful eye and assistance throughout the year.

Yvette Rutherford

HONORARY SECRETARY

Clovelly Surf Life Saving Club

At the conclusion of the 95/96 season, Clovelly has reached a milestone of 90 years of service. I would like this opportunity to congratulate the past and present

members of Clovelly, they should be proud of this achievement.

Clovelly has had a exciting year with active and social commitments at the club doing fine. For those active members that unselfishly gave up their time each week to carry out the patrols, to your credit no lives were lost.

I would take this opportunity to thank Jack Shaw and Karl Solomonson for their assistance at district level, their experience was a great help to our club during the year.

Thanks to the Branch for their contribution and knowledge, they must be extremely proud of the results at the World International Championships with 5 of the first 10 clubs from our Branch: 1st Elouera, 4th Cronulla, 5th Nth Cronulla, 8th Wanda and 9th Coogee. What a great effort. We at Clovelly offer our congratulations on a super result.

Clovelly Surf Club has enjoyed the season and we look forward to next year.

Yours in Sport,

Terry Buck

PRESIDENT

Bondi Surf Life Saving Club

Bondi Surf Club celebrated its 90th Birthday on the 6th February 1996 - this historic event was viewed by thousands on television and spoken about on radio. Our 90th Anniversary Ball was held at the AJC Randwick with some 350 in attendance - a great evening was had by all.

The season was again a busy one at Bondi with 645 rescues which included 37 first aid cases, 5 of which were serious ranging from cardiac arrest to spinal injury. We can proudly report 'no lives lost during patrol hours'. A large proportion of these rescues were performed on Christmas Day with an estimated 20 000 people on the beach. No fewer than 50 of our lifesavers gave up their Christmas Day to patrol the beach. Our lifesavers, together with the Council Lifeguards, performed a mass rescue with 64 people being pulled from the surf in the space of 5 minutes. For the remainder of the day until 8:30 pm patrol members had to form a human barricade to prevent swimmers going further than waist deep in the dangerous conditions. Congratulations must go to the 'Bondi Lifesavers'.

The season saw an increase in the number of lifesaving awards gained and we must extend thanks to our Chief Instructor, Bob Bailey, President, Peter Murphy and Peter Thorne for their time and effort, put into training these members.

Bondi hosted the Sydney Branch Championships in almost perfect conditions. Congratulations to our medal winners, 4 Gold, 3 Silver and 5 Bronze. A big thank you to all the helpers who guaranteed a successful carnival.

Competitively our Club had a successful season bring home 1 Gold (U16 Ladies R & R - Bondi's first ever ladies medal) and 2 Bronze plus 4 Gold and 1 Silver and 1 Bronze for our Masters at the State Titles. At the Australian Masters Cyril Baldock gained a Bronze Medal.

A team of seven competed in the Masters World Championships in Durban Sth Africa. Congratulations to Greg Smith; 3 Gold, 1 Silver, Cyril Baldock; 1 Gold, 2 Bronze, Craig Carney; 1 Gold and Fred Smith 2 Bronze.

Our I.R.B section achieved their best results ever for Bondi - Australian Titles equal third on overall pointscore - 1 Silver and 1 Bronze. State Titles equal third on overall pointscore - 3 Silver. Metropolitan Titles first on overall pointscore - 4 Gold, 2 Silver and 1 Bronze and Sydney Branch Championships first overall pointscore - 8 Gold and 3 Silver.

Bondi Surf Club wish Sydney Branch, Sponsors and all Sydney Branch clubs the very best for the 1996/97 season.

Jean van Dam

HON. SECRETARY

Cronulla Surf Life Saving Club

The 1995/96 season for Cronulla Surf Life Saving Club has been another one of consolidation with concentration on the training of our older Nippers and Cadet members. This programme has paid off with a record number of 75 members in the under sixteen age category.

Patrols for the season have been satisfactory and through a concerted effort of our Lifesaving Committee all members are wearing their full patrol uniforms while on duty.

Our new patrol room has assisted with the management of our Patrols and all day patrols for part of the season appears to be working well. With a few modifications this programme will continue in the coming season.

Competitively the club has performed creditably throughout the season. All though not winning any point score competitions all carnivals were well attended and some excellent results achieved. It is disappointing to see the Branch is ignoring the Carnival Point Score results by not presenting the Fine Print Carnival Point Score Trophy at the Presentation Night. It is to be hoped that a re think will take place and this part of Branch Activities will be recognised in the same vein as the Life Saving activities are.

With the introduction of the new examination and training syllabus a number of problems were encountered with some squads taking up to 15 weeks to gain their awards. As a voluntary organisation endeavouring to encourage people to join surf clubs for patrol duty it is our opinion that the training and examination structure should be simplified not made more difficult.

Cronulla Surf Life Saving Club would like to acknowledge the tremendous work carried out by the Sydney Branch Officers and all Board members who have assisted with examinations and carnivals throughout the season.

Finally may I express my appreciation to the Office Manager, Yvette Roser, for her efficient and co-operative manner in dealing with all Branch matters.

W.H. Eady

SECRETARY

North Cronulla Surf Life Saving Club

During the 1995-96 season North Cronulla again had a successful year. We finished the season by achieving our main objective of protecting the beach going public by recording NO LIVES LOST!

This could quite easily have not been the case except for the outstanding efforts by our patrol members and this was highlighted to all of us on the Australia Day weekend. The regular patrol having completed patrol on the Saturday of the Australia Day weekend were packing away the patrol gear, when they were alerted to a group of swimmers trapped in a rip off the wall between North Cronulla and Elouera. Without any hesitation they quickly assessed the situation and rescued all of those in difficulty with only one patient requiring further medical and hospital treatment. A fine effort by a fine group of young Surf Life Savers.

On the competition side North Cronulla continued to be a most competitive outfit with top 10 finishes in State, Australian and World Titles, consistent performances from a top competitive team. The North Cronulla Nippers again showed their talents by winning their 6th State Title. One of the things that is most satisfying is the continuing source of talent that comes through the ranks of the North Cronulla Club from Nippers through to Seniors, all achieved without the incentive of financial reward but achieved by a committed group of coaches and competitors who see their future role as the development of our Juniors and our Club and not in their own personal gain or reward, that to me personally is something which will always make us "simply the best".

On behalf of North Cronulla I would like to thank all of the Officers of Sydney Branch for their support during the season and wish all clubs a successful 1996-97 season with no lives lost.

Jeff Weston

HON. SECRETARY

Elouera Surf Life Saving Club

Elouera has had an outstanding season in 1995/96. In the competition arena we have taken all events apart from the Australian Titles when, if it had not been so tragically stopped and so many events cancelled, we would have been a good show to win. We did win the local four way club derby at Cronulla, the Branch Championships, the State Titles and the World Rescue 96 Life Saving Championships in Durban South Africa.

On the beach we can report once again that no lives were lost at Elouera. We carried out over 120 rescues, four (4) requiring ambulance assistance and the helicopter was called in on another two (2). One rescue will be remembered for a long time not for its danger or difficulty but for the gratitude of the person saved who called back at the club the following week. This makes it all worth while.

Club membership is at its highest for 9 years and all sections are working well. We trained 110 new members

during the season with the club gaining 81 new Surf Life Saving Association awards.

John Brown

PRESIDENT

Coogee Surf Life Saving Club

Coogee Surf Life Saving Club enjoyed what could only be described as a successful 1995/96 season. The Club Management Committee and all Club Officers met early in the season to draw up a set of goals and objectives in all areas of the Club (Lifesaving, competition and administration) which were to set the agenda for the season. Happily, we can report that virtually all goals were achieved.

The major goals which were achieved during the season included

- No lives lost; winning the Branch Gear Inspection; incurring no patrol infringements; improving and consolidating our competitive strengths (Target was to finish in the top 5 at the State Titles - finished Fourth, target was to finish in the top 10 at the Aussies - finished Third); computerisation of all club records; send a competitive team to the World Titles.

All of the above goals were achieved due to a tremendous amount of work from all members across all categories of the club. One area we do need to concentrate on and improve in is the amount of Lifesaving awards gained plus increased focus on our recruiting.

The season also saw the complete refurbishment and upgrade of the Ocean Room which has given us a much improved facility to offer our members a chance to train in their own club with facilities equal to any Club on the coast. To our two new Australian Champions - Shannon Habler and Belinda Gladstone, congratulations. Congratulations to Leigh Habler on being picked in the Australian Team which was successful at the World Titles at South Africa.

To our club sponsors many thanks. The Holiday Inn Coogee Beach was again our major sponsor and we thank them for their continued support. We welcomed a new sponsor in East's Leagues, who also sponsored our Sportsman's lunch which was a great success, and thank them for their support this year. Many thanks to the Coogee R.S.L and Randwick Rugby Club for their continued support. To David Park our thanks to you and your family's support and assistance. We would also wish to acknowledge the continued support of Randwick Council and thank them for their support of lifesaving not only at Coogee but throughout the No 3. District.

Rod Colman

PRESIDENT

Burning Palms Surf Life Saving Club Inc

The Club had a very good season on the beach and with fund raising activities. The presence on the beach was maintained and the club participated in the Garie Carnival

and ran the River Run, maintaining a strong level of funds. The 57th Annual Report and Financial Statement covering the clubs activities for 1995-96 season is a statement of the clubs success.

The Club has for the past number of years run an intensive training week for Bronze Medallion candidates with a school. This year the week was run with Moorebank High School and sixteen pupils obtained their Bronze Medallion. The Club trained a total of twenty three persons for the Bronze Medallion this season. Burning Palms has found that this training week has helped maintain active membership as it is difficult to attract members to our remote location.

The club had a good year in competition, with the boat crew competing in the Uncle Tobies Series, finishing mid way in the series and making the second round in the Australian Titles. The March Past were second at the Branch Championships and tenth overall at the Australian Titles.

The activities of the club have only been possible by the generous assistance from sponsors. Mortdale Hotel has supported the Palms with direct sponsorship of the River Run and permitting raffles to be run on two nights each week, this is our major source of income. Whirlpool sponsored the purchase of our current surf boat and they were rewarded with the representation on National Television in the Australian Titles.

The St. George Masonic Club has for a number of years sponsored the purchase of rescue equipment including assistance with two IRB's. The club has had assistance with the dollar for dollar grants and through sport and recreation for the provision of generator and water tanks.

National Parks & Wildlife have provided assistance with all materials for landcare projects and removal of rubbish collected during the clean-up Australia Day. The club has enjoyed a good working relationship with the Park which has been of mutual benefit to both parties.

It is pleasing to note that no trace of the 1994 bushfires are evident at Burning Palms and the new growth area is very strong. Burning Palms is a very old growth area and the vegetation is very fragile, the fire if it had progressed into the palms would have caused considerable loss of unique species.

Don Jacobs

HON. SECRETARY

North Bondi Surf Life Saving Club Inc

The 1995/96 season has again been a very busy and rewarding one for the North Bondi Club, we are able to record that NO LIVES WERE LOST DURING PATROLS.

Our instructional team has been very busy putting members through their appropriate awards, which is reflected in the overall awards for the Branch. This season the instructional team was broken into separate areas, with members looking after these areas, which relieved

some pressure from our Chief Instructor, Suzanne Young.

Our active membership has risen slightly from last season, with in excess of 200 members doing patrols on our beach.

The club again hosted a very successful carnival, which was followed up the following week by the Cole Classic, which has become very popular with over 5000 swimmers this year. The event was won by club member Kurt Eldridge who lead the race from start to finish.

The club also celebrated the selection of Jim Walker and Rebecca Joyce as part of the Australian Team to compete at the Olympics at Atlanta and we wish them both well.

Peter Meyer and Jo-Anne Spiteri have also been selected as part of the Life Savers taking part in the closing ceremony at the Atlanta Games.

We have enjoyed a very successful year in competition with the North Bondi Colours seen at all Sydney Branch Major carnivals.

The highlight of the year for the club was when member Suzanne Young was awarded Life Saver of the Year from the Branch, State and Australian Life Saving Associations and we all extend our congratulations to Suzanne on a magnificent effort.

It was just as pleasing to be announced as the Champion Life Saving Club in the Branch for the second year in a row.

I would like to extend our Clubs thanks to Office Manager Yvette Rutherford for all her assistance and the Branch Executive for their support.

John De Cean

HON. SECRETARY

Maroubra Surf Life Saving Club

Maroubra Surf Life Saving Club had an outstanding year this year with rescues performed totalling 124 and no lives lost. Furthermore, numerous awards were gained throughout the season and over forty people gained their 100% patrol efficiency. Congratulations to those members and thank you to the Branch examiners and Erol Goldberg for your support and assistance.

Our major and minor sponsors

Maroubra SLSC can not overemphasise the intense level of commitment and support received by Maroubra Seals Sports & Community Club Ltd. The financial assistance, administrative support and long term relationship nurtured by the Board of Directors, professional staff and members of the Seals can not be overstated. Our level of thanks is enormous in every way, shape and form. We are very grateful to the Seals for their ongoing support and publicly acknowledge such support. We would also encourage readers of this report support the Seals whenever they can.

South Sydney Juniors continue to provide financial assistance to the Surf Club in many ways and for this we are indeed grateful. The Juniors are heavily involved with

our major fundraising event for the year, the Sportsmen's day, and this day continues to attract top sportsmen and supporters. Thank you to the Board.

Randwick City Council and Caltex also continue to provide financial assistance to the Club in various ways. Their support allows us to purchase rescue equipment and maintain the Club throughout the season. To Mayor Bastic and fellow councillors, we extend our sincere thanks.

Competition

Maroubra performed very well this year competitively with several members representing their country at Atlanta (Malcolm Allen and Anna Windsor). Furthermore, our Club gained gold at the Australian Titles in the taplin relay and several gold, silver and bronze medals at the State and Branch championships. Congratulations to all our competitors and coaches and we trust you will have a big season in 96/97. Thank you very much also to the Sydney Branch officials for a job well done.

Maroubra will host its 90th reunion this season and it promises to be a huge celebration.

Roger Habib

HON. SECRETARY

CONCLUSION

I again believe that we have had a very successful season and this has been brought about by the Executive putting in many hours and working together to achieve the best results for the Branch.

The Executive took on many projects this season such as trying to obtain a new sponsor. Looking at the Development Programme, revising the restructure of the Branch and Board, which will be put before you at the Annual General Meeting.

We have again maintained our very close relationship with the Junior Activities Section of the Branch. We need to encourage a lot of their parents to come forward and assist the Board of Control as Competition Members and Examination Members, as this is now becoming a great concern for the Branch who need to recruit new members onto the Board of Control.

I would like to extend my thanks to Peter Agnew, Director of Examination, Colin Fitzgerald, Director of Competition and John Restuccia Director of Life Saving who all stood down at the Board Annual General Meeting for their input and assistance during the 1995/96 season.

Our Director of Finance, David Bergin resigned during the year due to ill health. During David's time as Treasurer he ably assisted the Office Staff to commence with a computerised accounting system which is now proving its weight in gold. The Branch accounting records are now fully computerised and much easier to analyse and read at the Branch Council meetings. We thank David for his contribution during his time as Director of Finance of the Branch.

To our President, Peter Pearce and Deputy President Ken

English I extend my thanks for the amount of time and dedication that you have both contributed to the Branch during the 1995/96 season.

To all club Secretaries and Officers many thanks for your assistance this season and I hope you will continue to offer your assistance next season.

1. Wanda 'B' (101 pts)
2. Wanda (74 pts)
3. Wanda 'C' (27.5 pts)

AMP Surf Rescue Challenge

1. Cronulla (12pts)
2. Wanda 'A' (10 pts)
3. Wanda 'B' (7 pts)

Open Beach Relay

1. Nth Bondi 'A'
2. Elouera
3. Coogee

Over 55 Mens Beach Sprint

1. B. O'Sullivan (Elouera)
2. L. Hardy (Elouera)
3. K. Howell (North Cronulla)

Open Beach Sprint

1. Z. Campbell (Wanda)
2. D. Roberts (Elouera)
3. M. Schnabel (Elouera)

Open Womens Beach Sprint

1. A. Lintmeiser (Elouera)
2. S. Fisher (Wanda)
3. F. McPherson (Nth Cronulla)

U/18 Womens Beach Sprint

1. K. Smith (Nth Cronulla)
2. S. Cole (Coogee)
3. R. Galloway (Elouera)

Open Womens Flags

1. D. Strauss (Elouera)
2. S. Liberato (Elouera)
3. S. Fisher (Wanda)

35-44 Masters Flags

1. R. Finn (Elouera)
2. J. Berkely (Cronulla)

U/18 Beach Flags

1. T. Bondin (Nth Bondi)
2. B. Robbins (Wanda)
3. N. Garlick (Bondi)

Open First

1. Wanda 'C' (175 pts)
2. Cronulla (168 pts)
3. Wanda 'B' (167 pts)

Under 16 Womens Flags

1. A. Thomas (Nth Cronulla)
2. C. Sampaia (Coogee)
3. K. Broderick (Bondi)

1996 AUSTRALIAN SURF LIFESAVING CHAMPIONSHIPS SYDNEY BRANCH PLACEGETTERS KURRAWA BEACH - 29 to 31st MARCH

Curlewis 6 Man R & R

3rd Coogee 6.78

Open 5 Man R & R

2nd Coogee 1.00

Under 18 5 Man R & R

2nd Wanda 7.48

Under 16 5 Man R & R

2nd Cronulla 6.00

Open Surf Belt

2nd Daniel McClellan (Cronulla)

Under 18 Surf Belt

1st Paul McLachlan (Cronulla)

3rd Sean Eaton (Nth Cronulla)

Open Mens Surf Race

3rd Larn Darragh (Coogee)

Open Surf Teams Race

1st Cronulla 42

3rd Coogee 60

Under 18 Surf Teams Race

3rd Wanda 39

Open Womens Surf Race

1st B. Gladstone (Coogee)

3rd Karen Hardy (Elouera)

Under 18 Mens Surf Race

3rd D. Gladstone (Coogee)

Under 18 Womens Surf Race

1st S. Habler (Coogee)

2nd B. Gladstone

3rd N. Smith (Wanda)

Under 16 Womens Surf Race

1st B. Gladstone (Coogee)

2nd S. Habler (Coogee)

Under 18 Surf Boat Race

3rd North Cronulla 'Blue'

Open Double Ski Race

1st Buchan/Hopkins (Cronulla)

Taplin Relay Race

1st Maroubra

2nd Cronulla 'A'

3rd Elouera 'A'

Reserve Grade Surf Boat Race

3rd Bronte 'D'

Under 16 Surf Board Riding

3rd Mark Matthew (Maroubra)

Open March Past

2nd North Cronulla 1.00

Open Womens Beach Sprint

2nd A. Lintmeyer (Elouera)

Open Womens Surf Board Race

2nd K. Hardy (Elouera)

Open Mens Flags

2nd D. Bullian (Nth Cronulla)

Under 18 Womens Beach Flags

2nd R. Galloway (Elouera)

Under 16 Mens Beach Flags

1st K. Kerr (Wanda)

Under 18 Womens Beach Sprint

2nd D. Strauss (Elouera)

Under 16 Womens Beach Sprint

3rd K. Smith (Nth Cronulla)

Open Womens Beach Relay

1st Elouera

Under 16 Womens Beach Flags

2nd S. Warren (Nth Cronulla)

3rd A. Thomas (Nth Cronulla)
