President's Report

It is my pleasure to present to you the Annual Report of Surf Life Saving Sydney Inc. This season has certainly been a very busy and challenging season but also a very successful one in many areas. This was my first season as President of the greatest Branch in New South Wales and I must say that I found it very rewarding and this was brought about by the assistance of the 15 clubs that make up Surf life Saving Sydney.

The past season we have witnessed an increase in membership with the Board of Junior development having a membership of 6395 and the senior section of our clubs having 8929 which is a rise in both section this season and gave us a total membership of 15324 for the 2009/10 season. We should be now be looking to retain as many of these members as we can and encouraging others to come and join us.

Our education activities this season saw a decrease in the number of awards on the senior side with 2550 awards gained this season compared to 2808 last season which is a decrease of 256 awards and we are looking into the reason for the decline and want to work with the clubs next season to increase our number of awards gained for the 2010/11 season. The Board of Junior Activities had an increase in the number of awards gained from 4812 last season to 5806 this season, which is an increase of 994 more awards this season, which is great to see that the education program for these younger age groups are working well.

I would like to extend my thanks to all the active members of the clubs and our support operation group who give up their time and patrol our beaches and waters during the season on Saturday, Sunday and public holidays. This season our active members has performed the following:

Rescues	1,629
Preventative actions	25,038
First aids	4,179

The Lifesaving section of the Branch has been kept very busy this season in all aspects of Lifesaving at Club and Branch Level, we do however need to raise our Lifesaving standards next season. We need to be using our resources and working together to make our beaches and services the best in the state and we as a team will be working on that next season. We also need to work with several of our clubs to boost their numbers up so that they become self sufficient.

This season we had decided to focus on Development of our members and We have achieved a lot in this area and special congratulations must go to our Board of Junior Development who conducted very successful under 11 and Under 13 Development camps at Deer Park, with nearly 200 children attending these camps, and as usual the feed back has been very positive from the children and minders that attended these camps, special thanks must go to Lee Howell who stepped in at the last minutes to run the Under 13 camp when Doug had injured himself.

We also witnessed the introduction of the Under 15 to Under 17 Development Camp that was focused towards the Future leaders of the Club, and I must say after attending the weekend the Clubs and Surf Life Saving are in good hands after this weekend the people that attended were very focused and are also very committed to Lifesaving and being leaders of the Future. Special thanks to Doug Hawkins and George Fatseas for all the amount of work that was put into making the camp a great success and I

know we will have more people wanting to attend next season.

Once again our Surf Sports area held their Development camp on the Hawkesbury River and the people that attended also walked away with a great sense of pride and direction on what they want to do with their life in surf sports and also learned how to work to gether as a team.

The Lifesaving Premiership was again hosted at Garie and it was great to see record numbers attend and take part in the Champion Lifesaver competition and first aid on the day and it is hoped that we can get the Patrol Championship part of the competition up and running next season. I would like to thank our Director of Lifesaving Michael Hodsdon for all the work he and Michael Bretherton have put into getting this event up and running again after several years of no competition.

I would like to also pass on my thanks to all the Assessors and competition officials for your time and dedication to the many exams and Carnivals you all attend, with out your offer to be part of these important role it would be hard for the Branch to function.

I congratulate all the Clubs that hosted Carnivals this season and I know that the competitors did appreciate the hospitality of the clubs during the events and enjoyed the activities as well.

The Junior activities section continued to grow in numbers with most clubs having an increase in membership. This group again conducted a very successful age manager's course and thanks must go to Director Doug Hawkins and his committee for another successful season. I had the opportunity to attend several of their meetings and it was great to see the clubs working together to make sure that Development Camps, Carnivals and surf ed awards continue to improve.

I would like to extend our thanks to our important sponsors who assisted us this season and with out their support life would be a lot harder and programs would cost a lot more to put on thanks go to :- Sydney Airport Corporation, DHL,

Telstra, Westpac, B
My thanks also to Yvett
and Linda Perrin our pr

My thanks also to Yvette Rutherford and Linda Perrin our professional staff employed at the office for all their assistance to myself, all officers and the clubs and I know we do not say it enough but I would like to thank both of you for your continued support and assistance to all officers and the clubs during the season. I would like to also thank all members of the Management Committee for all your support and assistance this season, I know we have had a hard and sometimes stressing season, with many hard decisions having to be made and you have all performed your duties with great commitment.

I would also like to record my thanks to Michael Hodsdon who is standing

down from the position of Director of Lifesaving after 3 years in the position and 12 years as an officer as well as Peter Carney as Director of Finance your commitment and support over the years is greatly appreciated and to my Deputy President Grahame Evans I also extend my thanks for your assistance, support and friendship especially during the last 12 months.

The 2010/11 season will see many challenges placed before with a total rewrite of the Constitution and by-laws to bring us in line with the rest of the Association, we will also see the introduction of a business plan to set our goals for the future. We are working hard to rebuild the sponsorship of the Branch to what it was several years ago,

the continuation of our Development programs, which we would like to explode into Life Saving, Education and also an under 18 to 25 Leadership camp.

Finally to the Club Presidents and members of all clubs I thank you for your commitment, support and dedication to your roles as Lifesavers and leaders and looking forward to working with everyone again in the 2010/11 season

John C. De Cean
President

MEETING ATTENDANCE

Surf Life Saving Sydney Inc. held monthly Executive meetings and bi-monthly Council meetings from August 2009 to April 2010. Council meeting attendance is indicated below:

◀ Sydney Branch Life Membership 2009

Life Membership of Surf Life Saving Sydney Branch was awarded to Ian Goode of the Cronulla SLSC at the Branches AGM in 2009. Ian was presented with the Sydney Branch Life Membership badge at the recent Sydney Branch Open Championships Carnival held on Sat 13th February. Congratulations to Ian on this magnificent achievement.

Sydney Branch Presidents Medal 2009 ▶

Congratulations to **Ray Hitchenson** who was presented with the Sydney Branch PRESIDENTS MEDAL for his outstanding service to Sydney Branch over many years. Ray also accepted this prestigious award at the recent Sydney Branch Championships carnival held at Elouera on Sat 13th February 2010.

Board of Lifesaving

Another season has passed and it would be remiss of me to not pause and thank all those who through their hard work volunteer at a Club, Support Service and Branch level, where Surf Lifesaving Sydney has continued its proud tradition.

A summary of highlights for the season include :

- 130,497 voluntary patrol hours were performed by members of Clubs and Groups by just over 3,904 lifesavers. This equates to an average of 35 hours of patrols for each lifesaver performing voluntary patrols.
- 1,636 rescues were performed this season down approximately 300 from the previous year.
- 4,179 first aid cases treated and 25,085 Preventative actions
- BOA numbers are healthy with there being 91 endorsed Assessors and 17 Facilitators. These assessors and facilitators assisted the clubs and groups in gaining 2555.
- 5,806 Junior Surf Education awards were also attained which is an increase of over 1,000 for junior education on the previous season. These statistics do not include the more than 5,000 proficiency tests that were supervised by the Board of Assessors. The important point is here is that our volunteers are becoming even more highly skilled with awards that are industry recognised.

All of these statistics are leading to the most important goal, of preventing all preventable drownings with a reduction from last years 14 incidents to 4 incidents this season. This is something that all our volunteer members can be proud of.

BOL SECRETARY

The season started with so much promise and unfortunately due to a number of factors which resulted in a most demoralised conclusion. This has occurred before and after our recent Election of Officers meeting, I am quietly confident that we will bounce back in the coming season.

The Gear Inspection weekend was very successful and was again run over a full weekend. The Club's presented well and this put us on a good footing for the start the season. A special thanks to Cronulla and Clovelly who supplied the lunches; for a time to regroup and sit down and have a good natter with their Officers and Members. Each Club subsequent to the Inspection was present with a laminated copy of the four tests for the Airbag, for display near where the unit(s) are housed. This part of the inspection has been a bugbear for some Club's.

Michael Hodsdon had placed succession planning into practice for his pending retirement which he indicated would occur at the end of the last season. I am sure he wished he had retired instead. Michael as have all Directors, carries a heavy burden, in that he is responsible for enacting Board policy, following SLSNSW directions and at the same time being the Branch spokesman on Lifesaving activities, both enforcing minimum standards and regulations and at the same time assisting and encouraging Club's.

David Jenkins our Deputy Director throughout acted in the best interest of the Board and Branch and his leadership in the coming season I am confident will get us back on track.

Our Education Manager Marissa did a really good job, and her work ethic truly

got her through a mountain of paperwork and ongoing changes that never seem to end, which was great.

George Shales who is also the Branch Director of Administration continued to run the Support Operations with his usual aplomb.

Bob Leys continued to do a really great job with the ducks and it is a shame that he announced his retirement at the end of the season. Peter Pearce said it best "...disappointing to see you move on it has been enjoyable working with you especially the drive and enthusiasm you have put into the Branch as IRB Adviser, this and your IRB knowledge will be hard to replace...." All in all Officers in the main did a fantastic job which was well received by Club's.

Mick Bretherton SLSNSW Director of Education was again on Committee as was John Restuccia SLSNSW Director of Lifesaving, two most experienced Lifesavers whose input was most appreciated.

Mike Batty organised a very well received Ian Mackie Lecture at the Tradies. Guest of Honour was Bernie Hanrahan from Care Flight and Life Member Ian Badham. We are looking for suggestions for this seasons Guest. Mike also resolved the correct "Craft Access Warning Sign" that is now used throughout the Branch.

The Office continues to provide a fantastic level of very professional service. We tend to take Linda and Yvette for granted, which we should not. From all of us a big thank you, as we would be hard pressed without your expertise and enthusiasm.

SurfCom provided an excellent service under the direction of Gary Pracy. They continue to have a very small group who put in a huge number of hours. They certainly could do with additional assistance.

Michael Bretherton organised the "Lifesaver Championships", with Peter George being Carnival Referee and it was the best carnival in recent memory. We are confident that our core activities in the competitive arena continue to receive increasing support from the Club's.

We held District Lifesaving... were well received by... membership that set out... requirements with respect...

The Research & Development... met under Marissa and... input for the "Advanced... Techniques" manual. To... done and I know Marissa... knowledge and time ago... season.

The Branch is reviewing... (constitution) and we have... number of submissions... dealt with by the Constitu... when it is convened.

The following table outlines

Club	
BM/Cert II	
ARC	
SMIRBD	
IRBC	

We held District Lifesaving Seminars that were well received by the grassroots membership that set out the lifesaving requirements with respect to patrolling.

The Research & Development Committee met under Marissa and provided valuable input for the "Advanced Resuscitation Techniques" manual. To the team well done and I know Marissa will use your knowledge and time again this coming season.

The Branch is reviewing the Rules (constitution) and we have made a number of submissions, which will be dealt with by the Constitution Committee when it is convened.

The Defibrillator became compulsory this season and SLSA has introduced the Suction Pistol which is required for certain awards, although not compulsory for patrols at this stage. Marissa organised a unit for each District for training purposes and we recommended each Club be supplied with one through the Branch.

Our overriding concern will always be that patrols are on the beach and of the required standard. We will continue to assist any Club, who feels our expertise will benefit them.

We may have taken two steps forward and one back this season, but I am confident our standards were maintained

and the service provided by our members continues to be the envy of Branches throughout Australia and it will continue to be so. To all those who put in the effort and the hours; thank you.

Peter Quartly
BOL Secretary

EDUCATION

This season saw changes which tried even the most confident of Members within the Education team throughout the Branch and campaigned what was truly the Pride in Education from all our Members.

I am pleased to say that we managed to process the differences created by the introduction of new training resources such as the 33rd Edition training manual – Public Safety and Aquatic Rescue training manual, and again succeed in our goals in education.

Our success would not have been able to have been achieved without the dedication and support from our Chief Training Officers, District Education Supervisors and their Assistants, ARC, IRB, ORB and RWC Coordinators, Club's Chief Training Officers and Training Officers and Assessors for their many hours of commitment in training and assessments for the Bronze Medallion Award and Surf Rescue Certificate, Advanced Resuscitation Certificate, Inflatable Rescue Boat Crew and Driver Certificates, the Offshore Rescue Boat Crew and Driver Certificates and Rescue Water Craft Operator Certificates, throughout the season.

Our ongoing success in furthering the professional development of our Members is from the dissemination of knowledge and skill from Peter Agnew, Higher Awards Coordinator and his team of Facilitators who have dedicated their time and knowledge to ensure that all Members can continue to grow within surf lifesaving and apply their improved skills on the beach and in their everyday life.

The Awards List can be referenced at page 21.

Congratulation to all Members of the Education team, we have managed to achieve a 100% Branch Audit proficiency for high priority matters as a member of a Registered Training Organisations (RTO).

Further recognition must be given to Steve Allan, Academy Support Officer for SLSNSW for his ongoing support to the Branch and Clubs. Steve has been

the key support to the Branch to meet its 100% audit proficiency and also to provide guidance on regulatory issues regarding our RTO requirements and general education and life saving issues that arise throughout the season including Recognition of Prior Learning applications.

A special mention must go to Michael Bretherton, Director of Education for SLSNSW for his support, guidance and encouragement in all Education matters concerning the Branch, and to Pamela Simon, Manager Education for SLSNSW and Ann Stevenson, Academy Quality Officer for SLSNSW for their advice and continual support on all matters involving Education.

Last but certainly not least, recognition must go to Linda Perrin who makes it all happen. Linda's "can do" attitude is outstanding and near to none. Linda is the backbone to the facilitation and processing of all education matters for the Branch and all Clubs.

Once again, congratulations and well done to everyone involved in education throughout Surf Life Saving Sydney, for another season in education.

Marissa Jank
Education Manager

SUPPORT OPERATIONS MANAGER

The past season was full of highlights and also a number of operational challenges. In respect to the challenges, I regretfully had no option other than to remain focused on ensuring the current standard of operational services remained in situ and was forced to endure an extreme amount of political interference which at times was more focused on achieving a financial gain, instead of ensuring our core operations within the support operations group (Life Saving Services) remained in operation. This was unfortunate, as it prevented me from focusing on the overall growth and the strategic direction of the services and left some of the newly elected advisors wondering what the focus/direction of the organisation was.

SurfCom

The ongoing challenges with limited number of operators continued to cause a major issue with most of the core operators chalking up some staggering hours in order to ensure the basic service was available – a service which all the 15 clubs within SLSS heavily rely on when assistance is required. The service and support the SurfCom team provides largely goes without notice. They are the first voice heard in the early hours and the last voice heard, sometimes long after the majority of patrols have left the beach. To this end, I would like to thank Gary Pracy for his continued dedication and support of the team that he managed throughout the season. I would also like to recognise the following individuals for the amount of time and effort they put in during the season - Joe White, Anthony (Tony) Beger and Gary Pracy. The number of hours put in by all operators is listed on the opposite page.

Rescue Water Craft (RWC) Advisor

This season saw the introduction of Kane Hughes into the position and as such Kane was met with a number of operational challenges, including the restricted access to the skis during patrol hours. This saw a number of operators lose faith in the direction of the organisation causing a direct impact of the number of operators willing to put up with supervised access to the shed where the skis were located.

While Kane managed to see the season through, it was certainly a challenging time for all involved. The total number of hours undertaken by the team showed the amount of dedication to the cause. I would like to take this opportunity to thank all the operators for their support during the past season.

ORB Advisor

The 2009/10 season was a difficult season for Offshore Rescue Boats but none the less they proved once again to be a valued asset within the branch. Both offshore boats and their members exemplify what Surf Lifesaving is with hard work, dedication and mateship at their core.

Offshore 2 had a difficult season with questions being asked of their suitability and viability as a service. I wish to thank them for their professionalism in the way they conducted themselves, in what was by far their most difficult season in their long history.

Offshore 3 once again had an increase in statistics across the board. In particular, Offshore 3 attended many after-hours callouts and also won a High Commendation for Rescue of the Year at the 2009/10 Branch Presentation Night.

Offshore Rescue Boats are a vital service within Surf Lifesaving. The ability to travel offshore, access rocks, carry multiple patients and deliver a service at night is vital to ensure the safety of the bathing public. I am confident that Offshore Rescue Boats have a strong future within this Branch!

Brent Armitage

ORB Advisor

SLSS Duty Officers

This season saw the number of requests for Duty Officers to attend the beach during patrol hours increase. This is an encouraging trend as it shows the level of interaction of the Support Services and patrolling members. The assistance and guidance provided to Patrol Captains is invaluable. I would like to take this opportunity to thank all the SLSS Duty Officers for their continued support and tireless hours they put in.

While the number of out-of-hours calls were down slightly on last season, this also equated to the decrease in the number of deaths within the SLSS area of operation, all of which occurred outside our patrolled areas and either involved boating incidents or rock fisherman. I am happy to say that no lives were lost between the flags.

In closing, I would like to thank all members of the Support Operations teams for their ongoing support and the tireless effort they put in during the season.

The season of 2010/2011 will bring some exciting challenges with the focus being on the groups overall strategic direction and operational efficiencies. Some new technologies are being looked at for the future to enable the SLSS Support Operations group will continue to seen as one of the leading growth areas within the Association.

The individual people I would like to say a special thanks to for the season are Brent Armitage, Gary Pracy, David Jenkins, Marissa Jank and Michael Hodsdon. It would also be remiss of me not to thank Linda and Yvette for the invaluable assistance they have provided my team.

George Shales

Support Operations Manager

LIFESAVING SUPERVISOR - CRONULLA /SUTHERLAND DISTRICT

The pointy end of surf lifesaving for the 2009/2010 Season commenced with the Annual Gear Inspection which again this year involved using the same inspection team for all Surf Life Saving Sydney – affiliated clubs. These arrangements had worked well last season and again contributed to a consistency of inspection standards and also allowed ongoing comments and comparisons while the Team was travelling to and from the various venues. The initiative in hiring the community bus from Sutherland Shire Council worked very well and was appreciated.

Having the Inspection Team travel together also ensured that there was sufficient manpower (and a lesser representation of woman power – thanks Marissa Jank) to transport Michael Vitnell between the Royal National Park Clubs when his obvious lack of fitness – compared to the real lifesavers – became apparent. It also caused all present to seriously review first-hand their collective knowledge of resuscitation techniques, oxy-viva and defibrillation.

There appeared to be a pleasing general improvement in the standard of the equipment in most clubs, although there was a wide discrepancy between those perceived to be of a superior standard and those less so. Re-inspections were satisfactory and prompt.

At least once each month my Deputy, Graham Hill and I undertook a formal inspection of the patrols from each Bate Bay Club and followed up the inspections with informal observations of the patrols at other times. All inspections were unannounced, although Branch uniform was worn on all occasions.

In addition, both Graham and I took the opportunity to speak on the contributions made by surf lifesaving clubs with general beach goers. Feedback was very positive.

Invariably patrols inspected scored very highly with only minor deficiencies identified, which were soon rectified.

No major faults were observed and patrol captains, IRB drivers and all active members were cooperative and courteous.

Relations with the Sutherland Shire Council Manager Beach Operations and his staff continued to be most cordial and professional and their ready assistance and advice was appreciated.

Each of the meetings of the Cronulla-Sutherland District Council Inc. was attended and formal reports were presented. Whenever requests were made of clubs they were promptly acted upon and reported to that effect.

Representatives of the four Bate Bay Clubs and Sutherland Council have had several meetings during the Season to develop a Bate Bay Beach Management Plan which is nearing completion.

It is pleasing to record that again there were “no lives lost during rostered patrol hours”. The continuing situation is testament to the skills, professionalism, cooperation and ongoing education of all involved in ensuring a safe aquatic environment in Bate Bay. It is recognised that there have been incidents with tragic consequences within Bate Bay outside normal hours of operation and remedial options will be identified and explored.

There were some challenging matters for resolution (Effective continuation of operations of Cronulla District Lifesaver Rescue, uncertainty of occupants of some critical District and Branch education and lifesaving positions included) which appear now to be approaching finalisation. However, longer-term effects for clubs, members and the public still are uncertain.

Graham Hill and I acknowledge with gratitude the assistance and courtesy extended to us in our respective roles by:

- Administration and active members of Cronulla, North Cronulla, Elouera and Wanda Surf Life Saving clubs.
- General and Beach Management and lifeguards of Sutherland Shire Council.
- Sponsors and supporters of the Branch operations.

Mike Batty

Lifesaving District Supervisor –
Cronulla/Sutherland District

Graham Hill

Assistant

LIFESAVING DISTRICT SUPERVISOR – RANDWICK

I would like to begin this report by thanking the four Randwick District Club Captains, Simon Torsellini (South Maroubra), Trent Thomas (Maroubra), Catie Anderson (Coogee), and Jim King (Clovelly). Patrolling Randwick's beaches is our clubs core business and without your co-operation and assistance this would not have been possible.

To all of the Patrol Captains and patrolling members, thank you all for giving up valuable time to help protect members of our community. You showed a great deal of professionalism in carrying out your duties.

Finally, I would like to acknowledge the help given to me by my assistant, Mark Percy. Thank you Mark. I look forward to working with you all next year.

John Campanaro

Lifesaving District Supervisor – Randwick

LIFESAVING DISTRICT SUPERVISOR – ROYAL NATIONAL PARK

We started the season with the Annual Gear Inspection in mid September with the panel doing the complete Branch. When they reached the Royal National Park, all seemed suitably impressed at what they saw. I offer my sincere thanks to the Inspection Panel. The Clubs all went well with only minimal equipment requiring re-inspection.

Next were the yearly proficiencies with the assistance of Margaret Pearce, we were there for most. There was some confusion at a couple of them on what was required but I plan next season to meet with the three Club Captains to fix the dates and explain what is required along with discussion on Patrol strengths and procedures.

Beach patrols were there when required over the season and I extend my appreciation to the beach patrols at Garie, Era and Burning Palms. Garie was supported by Coogee, Maroubra and Wanda and I would to thank these clubs for their assistance. Garie also had a Coogee / Garie IRB weekend which was very successful.

There were seven patrol inspections carried out over the season. All were good with a few exceptions of caps on patrol and not much rescue equipment being put on the beach in inclement weather. The standard overall was an improvement on last season and all were meeting the patrol service agreement.

Garie in late December till the end of January had a Lifeguard service Monday to Friday with them also being at Wattamolla on Australia Day. The funding for this is provided by the National Parks and Wildlife Service.

My appreciation is also extended to Michael Bretherton and Margaret Pearce, District Education Supervision, for their assistance during the season. I would also like to thank the three Clubs and their members for their assistance in keeping our beaches safe.

Peter M. Pearce

Lifesaving District Supervisor
– Royal National Park

INFLATABLE RESCUE BOAT ADVISOR

Another busy year has passed for the Duck section, as you will see by the report below. I'd like to take this opportunity to thank all IRB advisors Peter Pearce (Burning Palms), Dennis Parker (Bate Bay), Sigi Dobry and Dave Winkle (Randwick); all the drivers, crew, and those behind the scenes that support the IRB sections throughout the year.

As with every year, the IRB sections train furiously, both crew and drivers. Then, unlike other sections, we wait for the surf conditions to reach our minimum standard. Not everyone is cut out for the IRB section. Although numbers of crew trained on par with last year, our driver training is down. This may be due to the commitment that both trainers and drivers have to give as this section is a very much one-on-one training, and does not stop for winter. Our assessors this year have increased by 4 and we have another few young assessors in the wings just waiting for the right surf conditions to finish off.

Also this year IRB sections from a few clubs have gone south over the bridges to Garie to help them out. As many are now finding out, the surf on different beaches is not quite like their own. What a great experience.

I take this opportunity to thank Dennis Parker for his support throughout the years. Dennis is stepping down from his position as IRB Adviser for Bate Bay, has decided to practice his rollover procedure. I wish him well and I will miss his good humour and support.

This year I would like to highlight an area that gets overlooked. With the sad situation at the Aussies in Qld this year it is an area that should be highlighted. A value cannot be put on the role of the IRB section in water safety at all events.

Water Safety at Carnivals "first there and last to leave"

When competitors for the surf carnivals swim, paddle, row, and nippers participate and compete, the back ground work that is done by the administrators, officials, and the IRB sections is not really seen.

This is an opportunity to describe the dedication and support that the duck section provide in support of our clubs. Before any club can compete they must supply a Duck and crew to the local carnivals as per roster. Sydney Branch Club IRB teams have always supplied teams for these events. Long before the competitors, coaches and support personnel arrive, the IRB sections are there setting up the ducks, safety equipment and course cans and markers. The ducks are actively engaged in water safety for every event as well as being used for official duties around the event boundaries. At the end of the day when the competition teams are recovering and relaxing, the IRB sections are collecting the cans and markers and preparing the ducks for transportation home.

It is important to recognise and thank our IRB members for their time and dedication. With a cyclone off the coast of Qld this year the IRB sections were really pushed to the limit with many drivers refusing to drive in the 8 metre swells that were coming through. Our experienced IRB Drivers from Sydney Branch excelled in the overwhelming conditions at Aussies held at Kurrawa. Most of the IRB Drivers up there were driving for 7 plus hours at a time because of the shortage of drivers.

On one day there were 19 rollovers, 9 of these were before 09:00hrs. These roll-overs were not because of poor driving, but because of the conditions that these guys were asked to drive in so that the surf carnival could go ahead. When you're driving up an 8 metre wave and the motor won't take you any further, as happened to one driver I know, there is only one outcome and that is to end up in the water with a couple of ton of water coming down on you. Other drivers had the same problem coming to the surface and all you see is foam all around you. Not good when you should be sitting in the duck.

Sydney Branch was not the only Branch with IRB teams to be up at the Aussies and from what I hear, they all did a fantastic job, and really showed the high level of skills that IRB drivers have attained.

The drivers that I am
came from Sydney Branch

- Dave Winkle, Sigi Dobry, Jefferson (Coogee)
- Sam Freeman and M (North Cronulla)
- Bob Caine and Brant
- Daniel Wood (Cronulla)
- Gwyn Owen and Kiv

Also another member who goes unseen is Peter Blum. He, along with his team from Branches, lays the major for the carnivals from time and also for Aussies, and be acknowledge for the commitment that they put

We in the IRB section take skills and in the job we do immeasurable pleasure in the first light of day. It is that the community

Board of Lifesaving

NAME

The drivers that I am aware of driving that came from Sydney Branch are :

- Dave Winkle, Sigi Dobry, Paul Jefferson (Coogee)
- Sam Freeman and Martin Prichard (North Cronulla)
- Bob Caine and Brad Broom (Wanda)
- Daniel Wood (Cronulla)
- Gwyn Owen and Kowal (Bondi)

Also another member whose contribution goes unseen is Peter Burst (Bursty). He, along with his team from the other Branches, lays the majority of the cans for the carnivals from branch to state, and also for Aussies, and they too should be acknowledge for the hard work and commitment that they put in.

We in the IRB section take pride in our skills and in the job we do. There is also immeasurable pleasure in riding the waves in the first light of day. It is gratifying that the community recognise what

was achieved in exceptionally difficult circumstances in Qld, and remember the important part that IRB sections play in the overall scheme of things in surf safety.

Bob Leys

IRB Advisor

BOARD OF LIFESAVING CONCLUSION

I would like to thank all lifesavers who volunteered their time to the safe-guarding of life on our coastline as well as those who volunteered additional time in participating on the Board of Lifesaving, Board of Assessors, Support Operations and other areas of lifesaving at a Branch level.

I must give a big thanks to the office who have shown me support over the years and do an excellent job in making sure they keep the paperwork moving.

Thanks must also go to the members of the Board of Lifesaving who spend countless hours in the performance of their duties on behalf of the member clubs (which goes largely unnoticed and unrewarded).

I wish the incoming Board being led by David Jenkins all the best of luck with the challenges ahead for the upcoming season and am sure they will give their best efforts.

I would also like to wish all lifesavers, their families and Surf Lifesaving supporters every success for the next season and into the future.

Michael Hodsdon

Note these award figures are for awards processed from 13th May 2009 to 7th May 2010

Director of Youth Development

This has been by far the most successful season with Surf Life Saving Sydney Youth Development with the introduction of new initiatives as well as the continuation of established and successful programs. Membership continued to grow from last season with an increase of 6.4% in the active (15 to 18 yrs) group and a very impressive growth of 19.8% in the Cadets (13-15 yrs) group, bringing the total in the (13-18 yrs) group to 1139 members.

Congratulations to all Clubs for their efforts in youth development and retention, and in particular I would like to acknowledge the outstanding efforts of Clovelly SLSC with the most growth in the (15-18 yrs) group with an amazing increase of 253% and Coogee SLSC with the most growth in the (13-15 yrs) group with an astounding increase of 142%.

BJD Upcoming Members

The great success that we are having in our youth growth would not be possible without the tireless efforts of the Board of Junior Development. The Board led by Dough Hawkins had a very successful season with programs including the under 11's and under 13's Development camps. The area saw an increase of 11% to bring the total number of members to 6395. Recognition of the most growth goes to Bronte SLSC with an increase of 28%. I would like to thank Dough and the Board for their efforts and look forward to working with them again in the upcoming season with the implementation of new programs together with the Youth.

Board of Surf Sports

Congratulations to the Board of Surf Sports led by Mike Vitnell for another successful season. Surf sports is a vital part of youth recruitment and retention with programs, events and activities that foster and develop the competition aspect of Surf Life Saving. Surf Life Saving Sydney had outstanding achievements in all areas from Branch, State and Australian Championships from members.

SLSS Surfing competition

The Surf Life Saving Sydney Surfing competition was held this season on Sunday 20th December 2009. Youth from SLSS Clubs competed at Maroubra Beach for prizes as well as the prestigious shield. The competition gives youth the opportunity to compete in board riding, skills that are integral in conducting board rescues whilst on Patrol, as well as making new friends through common interests. This season saw Maroubra SLSC win the Shield. Congratulations to Maroubra SLSC for an outstanding effort.

Lifesaving

Youth on patrols is a core area of Surf Life Saving and this season was no exception. I met with several youth undertaking their duties on patrol and as usual I was very impressed with their skills and commitment. Several youth members achieved awards during the recent SLSS Awards of excellence that were open to all age categories. In particular, two youth members of Coogee SLSC Jackson and Lachlan Swiney won the prestigious rescue of the year award. Congratulations to Jackson and Lachlan who not only achieved recognition for their efforts but also became role models for other youth to follow their example. Congratulations to the Board of Lifesaving led by Michael Hodsdon and David Jenkins for their hard work in ensuring the success of youth on Patrols.

Shark Dive Award

In an effort to reward youth for obtaining Life Saving awards and also instructing other members to obtain awards, the

Shark Dive Award was implemented. Members achieved points for obtaining awards, instructing awards and also assisting in instructing awards. The winner of the Shark Dive Award for the 2009-2010 season is Shaun Hudson. Shaun is a member of North Bondi SLSC and achieved a total of 7 personal awards in the season. Shaun was also recognised as performing the SLSS 2009 Rescue of the year.

SLSS 14 - 17 yrs Development Camp

The SLSS (14-17 yrs) Development Camp was run this year as a joint venture between the Youth and Junior Development teams. Forty one members attended the Camp at Port Hacking from various Clubs in SLSS. The Focus of the Camp was for members to develop, personal and leadership skills through presentations by guest speakers and participation in various activities. The Camp was a great success with very positive feedback. We will keep in contact with members that attended this camp over the next year in a mentoring role and also arrange activities for the group to reform over the next few months. We will look forward to building on the success of this camp with it's return next season.

Conclusion

In conclusion, I would like to thank SLSS Executive and staff (Yvette and Linda) SLSNSW, SLISA for their continued assistance throughout the season. Club Presidents, delegates and youth representatives for their support of the various youth activities and initiatives and look forward to working with you all in the coming year for an even more successful 2010-2011 season

George Fatseas

Director of Youth Development

U15-17 Youth Ca

Excerpts from reports from

Excerpt 1

"This camp was the first of this particular age group, speak on behalf of everyone when I say that we all benefited from it. The weekend taught how to be a leader and the involved. It also included teamwork activities that brought us all closer together and friendships to be made.

The camp consisted of numerous speakers from all different lifesaving. These speakers Woods; former British man who led many men in battle in charge of the Westpac Sydney. His speech on leadership experiences he shared with inspirational. Other speakers Griel; from Maroubra SLSS SLSNSW surf lifesaver of Brown; from SLISA and former SLISA lifesaver of plays a big role in surf lifesaving.

These speeches provided inspiration and motivation charge and becoming a leader one else around you seem challenge. It is safe to say certainly that everyone these speakers walked out greater understanding of will put these newly learnt within their own.

I found this camp to be a opportunity for all the people. There was nothing that was and the way it was run was perfect. This leadership ca

U15-17 Youth Camp

Excerpts from reports from the attendees

Excerpt 1

"This camp was the first of its kind for this particular age group, and I'm sure I speak on behalf of everyone that attended when I say that we all benefited greatly from it. The weekend taught us all about how to be a leader and the qualities involved. It also included a whole heap of teamwork activities that definitely brought us all closer together and allowed new friendships to be made.

The camp consisted of numerous guest speakers from all different roles within surf lifesaving. These speakers included Tony Woods; former British marines and SAS who led many men in battle, and now is in charge of the Westpac helicopter for Sydney. His speech on leadership and his experiences he shared with us were truly inspirational. Other speakers included Tony Grivell; from Maroubra SLSC and this year's SLSNSW surf lifesaver of the year. Vanessa Brown; from SLSA and Susan Young; former SLSA lifesaver of the year, and now plays a big role in surf lifesaving.

These speeches provided great inspiration and motivation in taking charge and becoming a leader when no one else around you seems up to that challenge. It is safe to say with 100% certainty that everyone that listened to these speakers walked out with a much greater understanding of leadership, and will put these newly learnt skills to use within their own.

I found this camp to be a great opportunity for all the people involved. There was nothing that went wrong, and the way it was run was pretty much perfect. This leadership camp was a great

experience for not only me, but everyone that attended, and I strongly recommend to everyone that if this opportunity ever arises for you, then take it. It is truly a great experience and you will benefit from it greatly. You will make a whole lot of new friends, and become closer with those in your clubs."

Excerpt 2

As we are the future of Surf Life Saving such Development Camps enable us to build upon our strengths and to learn new skills to continue the worthwhile work that we do as an organisation.

I believe what made this camp so enjoyable was that it was not all about competing against each other, we didn't know who was the State Board Champion or who would win the Aussie's titles next year. It was entirely based around Surf Life Saving and we were all primarily focussed on saving lives and working as team to achieve our goals.

We all walked away with a Can Do attitude, rather than considering the Can't Do. We have learnt to be more positive and enthusiastic for our personal and Club futures.

It allowed us to fill the spot between Nippers and venturing into the Senior Club. With initiatives like these, it will encourage Nippers coming through the ranks to continue with Surf Life Saving, keeping them interested and involved. It enabled us to contribute our thoughts. We will hopefully be able to meet up with this same group of kids in the future and move through as a leadership team.

We thank all the organisers for this opportunity. It was a worthwhile weekend that allowed us to have fun with the jet skis and waterslides and develop new skills and ideas for our careers later in

life. I would recommend this camp to anyone committed to moving forward within the club as it was such a motivating experience and to be there with people that wanted to be there and were interested in the same things as you made all the difference. We all got along and I believe having a smaller group allowed us to bond and I can walk away with many new friends.

Excerpt 3

I have a daughter that attended your 15 - 17 dev camp last weekend, thought I would share with you some feedback from the camp.

My husband picked up our daughter from Elouera SLSC at 4pm on Sunday afternoon, she arrived home and I asked her, "how was it?" expecting the usual shrug of the shoulders and the usual, "Ok", I was totally unprepared for the complete rundown of events from the camp starting with getting off the bus on Fri night right up to getting off the bus at Elouera on Sunday. She was full of so much excitement (and still is) and has utterly enjoyed the opportunity. She chatted on for most of the evening and well into the night about all that she experienced over the weekend.

Board Of Junior Development

The season 2009 - 2010 proved another memorable one for the largest branch of Nipper's in Australia. Our aim at the BJD is to assist the Nipper clubs of Sydney in delivering lifesaving, competition, fun and development on the beaches of Sydney Branch.

Representing over 6,000 nippers from Nth Bondi to Burning Palms the SLS Sydney BJD had a very active and fruitful season. As we commenced our season resources were always a consideration, and with our very generous and committed sponsor Sydney Airport Corporation on board for another season we were hoping to achieve another strong outcome.

Our District briefing sessions were well attended with over 380+ Age Mgrs and team members joining us. Each session was a great opportunity to share with the clubs our aims for the season and the activities planned. It also gave us great encouragement to see the SLSA Age Mgrs Resource being well used on the beach, and also the uptake of the EAP program for this season.

Record numbers were once again recorded as the Nipper clubs commenced on the beach and with registrations up past 800 for some clubs, it was going to prove a big season for all.

The training of Age Mgrs and their assistants across the branch has increased dramatically and congratulations to the clubs for this ongoing work. Experienced, focussed and trained Age Mgrs make a huge difference on the beach each week and the results are being seen across all the clubs.

The EAP program delivered via SLS Sydney BOSS team was an outstanding success with a large increase in the numbers attending across the branch. This program, now in its third year has certainly increased the skills of many of our surf and beach competitors, and its value was shown in the victory at this years Interbranch titles by the Sydney branch team.

December saw our first Branch Development Camp for the Under 13's and our very big thanks to Lee Howell

from Nth Cronulla who took over the role as Director when the need arrived.

As always this camp served to help develop over ninety young Nippers into young lifesavers and was once again delivered with support from the Branch Support operations team and the clubs via the camp minders. Another wonderful weekend was enjoyed by all and the reports were very encouraging, especially regarding Lee Howell and his leadership and work with the kids at the camp. Thanks Lee.

Our District Carnivals brought the clubs together in November from across the branch and as always lots of kids had lots of fun. Thanks to this seasons host clubs for their effort and hospitality.

The Cronulla IMB and the Sth Maroubra Carnival kicked off the local carnival season for the Nippers and it was great to see an increase in numbers from last season. These carnivals continue to go

from strength to strength and thanks to the Cronulla and Sth Maroubra teams for their continued effort.

The Nth Cronulla Australia Day Iron Man event delivered another wonderful event for the kids from across the branch to compete in, and thanks to the team from Nth Cronulla for their continued effort. This is a great event and we encourage as many clubs to attend for next season.

Jan 2010 delivered our Under 11 Dev Camp with again nearly a hundred nippers on camp for the weekend and a whole bunch of very involved minders. With leadership and teamwork and lots of fun, Saturday delivered a solid days work. Sunday brought out the lifesaving skills and seeing these clubs perform their rescues and resus is always a wonderful sight - we are in good hands for the future.

Our two Junior Lifesavers of the Year were announced and worthy winners were Brianna Polson from Elouera and Callum Good from Sth Maroubra. Each of these nippers are a credit to their clubs and the Branch and represented us in high esteem at the LSOTY State selection.

This season the Branch Carnival was split across two weekends, and Elouera Nippers being the host club had a big job

(L - R) DOUG HAWKINS, BRIANNA POLSON, CALLUM GOOD AND KAREN HARRINGTON FROM SYDNEY AIRPORT CORPORATION

to deliver for one day. As we all know the weather beat us on our first date, and we needed to reconvene once more in a few weeks time. This was a big call on the day and one that was made in the best interest of all the competitors.

Our return bout proved to be a pretty good day to commence with, then the tide turned and the water got pretty tough. But as always the kids gave it their best supported by some great efforts by the water safety teams, the IRB and jet ski

A huge thank you to Steve Urquhart and the team from Elouera Nippers for an amazing effort over two big days in delivering a great event. To the Carnival Referee Mr Michael Roye and all of the carnival officials well done on a very long and testing day - we could not deliver these events without the huge effort and long standing support from the women and men who officiate at these events.

The State Age Championships were very well attended by the Sydney Branch Nipper Clubs with great results delivering seven Sydney Branch clubs in the Top 20, with Wanda 2nd, North Cronulla 3rd and Cronulla equal 4th.

In the latter part of the season the BJD worked with the Director of Youth for Sydney Branch to deliver the U14-U17 Development Camp. It is in the best interests of Sydney Branch Nippers to ensure that our ex-Nippers are happy and motivated and involved once they join the ranks for the senior clubs and this weekend went along way to assisting in this area.

This leadership development camp was sponsored by both the BJD and SLS Sydney and supported by a wide range of speakers from within the branch. This was truly a "branch effort" and this camp was the beginning of solid things to come for this age group across the branch.

We had a great 2009-2010 season and much of what was delivered was due to the generous and continued support from Sydney Airport Corporation as the BJD's major sponsor. This is a long term sponsorship and has assisted us in ensuring we can deliver strong programs

and support for all our clubs.

The BJD executive of Jackie Parker, Peter King and Mike Roye did a great job in assisting in the delivery of this seasons activities, and many thanks for your continued guidance, support and wisdom.

In my first year as Director of the BJD it was a bigger job than I anticipated, and I would like to thank all the Nipper clubs for their support throughout the season, especially for the the first half when I was out of action for a while.

The on-going support for the BJD from the Branch Executive is very encouraging, and I would like to thank each of the Executive team for their input and encouragement, especially those who

attended our development camps and carnivals.

Sydney Branch Nippers continue to shine every Sunday morning at the beaches across the Branch from National Park to Nth Bondi - it's a wonderful sight to see these kids from five to fourteen enjoying themselves, learning lifesaving and craft skills and being part of the red and yellow family.

To each of the fifteen Nipper clubs management teams, well done on a great season and we look forward to bigger and better in 2010-2011.

Doug Hawkins

Director of Board of Junior Development

Board of Surf Sports

Surf Sports in Surf Life Saving Sydney once again achieved growth and success over the past season. Sydney Branch surf sports managed a sustained level of competitor participation at carnivals; again we had the benefit of our hard working officials to run more events. My gratitude goes out to all BOSS members for providing your time and effort in making this season so successful.

Sydney Branch Board of Surf Sports is never stationary, we are moving with the times. Always considering changes and challenges to traditional ways, however respectful of experience and knowledge. Despite tightening financial limitations, SLSS managed to expand, improve and provide surf sport activities for our membership. This coming season will see a number of challenges, our calendar is congested at times while other matters such the need to travel to State and National titles is a hot issue. This will make sponsorship an even more important issue to clubs and the branch as budgets get dragged under the microscope of treasurers.

BOSS has continued with our platform of development. We have included in the August and September months coaching clinics, which has encouraged coaches to develop district and area profiles to enhance individual club activities. Our coaching clinics for competitors will continue in Ski, IRB, R&R with more coaches stepping up and more competitors joining in, gaining the benefit of excellent facilities across the Sydney area. I hope to see more clinics with plans for possible pool rescue, a multi discipline clinic and beach sprints clinic under consideration or in planning.

The Emerging Athlete's Program has continued to develop and is evolving into a robust series for all competitors, aspiring or elite or developing to join in and participate. It is and will always be open to any competitor from the U/12's up to open. Our last series saw a Pool Swim time challenge at San Souci Pool complex, an Ironman clinic day at Nth Bondi, A "Personal Best" day at green hills Nth Wanda, mini carnivals, team events and naturally... great fruit and BBQ's. Thanks go to all the crew who

helped with their time and effort. We saw fantastic growth from previous year of 110 to 185 participants. We managed to hold these days even with Mother Nature throwing some pretty foul weather at us. Next season we have plans to continue with our established program and will once again travel around the branch to various locations to expose our members to wonderful sites like Wanda sand dunes, Nth Bondi surf, and Nth Cronulla alley. I would like to encourage any branch members from U/12 up, who want to expand your ability, confidence, make new friends or catch up with old ones and share some fun mixed in with hard work.... to come along. Watch out for the dates and locations in the coming months. It's worth your time!! Some EAP's entrants this season made HP selection, one even made the branch representative team.

Surf Life Saving Sydney managed to hold an expanded range of events and carnivals this season, with more on the drawing boards for next year. The 4 branch carnivals: Nth Cronulla, Wanda

Intercities, Coogee classic and the Branch Championships all successfully completed. Due to rain and poor weather conditions, the master championship at Coogee was held over to the Open Branch. This seemed to give rise to more numbers. BOSS will look at how best to fit this in with Coogee and Branch champs, we may well see an additional new masters carnival, if it's supported by the members. In Sydney branch we saw Elouera host a round of the State IRB series. Branch hosted another round of district carnivals, another vital activity in the Junior development. We next season after review and feedback BOSS will implement changes in the operations of these carnivals and the appointments. We also saw the first ski and boat marathon hosted by Bondi SBSLSC in many years. I look forward to this event returning next season, Sydney branch will be working hard to add another marathon, perhaps coming out of the Bate Bay or involving Botany Bay. Stand by, be ready for it. Sydney Branch is a prime location for

BOARD OF SURF SPORTS (CONTINUED)

this activity and I intend to make full use of it, for and on behalf of our branch members first and foremost. Last year we also held 2 junior carnivals, Cronulla IMB and Sth Maroubra. These 2 carnivals are vital to the well being, to the health and to the nurturing of our youth in competition. Without these our members have to travel out of branch, leaving us without any "home grown" activities, no sponsorship opportunities and less official development activities. BOSS will again support these carnivals with emphasis as a branch team activity. We must continue to grow and provide opportunities for our aspiring youth and their support network as members in competition.

Sydney Branch held a series of mini carnivals and selectors were present at these and a number of surf carnivals to ensure our process is without equal in the state. This year the selectors were presented with more opportunity and a greater range of very passionate, motivated and competent competitors. It was no easy job to pick so few from so much talent. The branch team is selected for one event: Interbranch. This year the team was successful in winning the event. I believe we are capable of bringing the title back again next year, mainly based on the talent who competed, just as importantly the members who contested for selection made this the strongest group in form and ability for the past few years. The support team we have developed was without a lie Outstanding. It was decided to continue our development this season by taking youth mentors and coaches away to the competition. The benefits were immediate and will give rise to greater success in the years to come. The management team worked together like seasoned professional veterans. I can only say thank you to the competitors, coaches, bananas, managers, mentors, team captain Chris and the branch cougars. I know the next interbranch will be "catch us if you can".

This season our branch Officials provided a solid platform in which all competition was held. Your hours and hours of marshalling, starting, judging and administrating have created in my view,

the best active team of officials seconded to none. BOSS plans to provide our officials with another education and clinic day. We have now included at BOSS a new position of officials advisor. Who will focus on education and instruction. We will continue to develop firmly fix, the mentors role in surf sports. Last year saw a number of carnivals where senior branch officials worked through various areas, guiding and providing reference to our hard working officials. Many complemented the activities of our branch assessors looking after our new provisional officials. We are the only branch to have a positive growth in officials and still there is room for improvement. Congratulations to Graham Bruce and Graham Evens who were recently appointed National Officials mentors. We will no doubt benefit from their activity in this area.

Our Calender for 2010-2011 is already congested. We are slowly working a pattern into our calendar giving our members and clubs the best event at the appropriate time. Many activities have been annualized and placed into the development of a 3 year calendar. I thank many of the clubs for providing EOI's, requests and Special Event applications well in advance. This will help reduce clashes and provide continuity in our surf sports programs.

Sydney BOSS has worked hard at providing many levels and activities based on development. The Branch surf sports development camp was once again held with nearly 70 members attending. Jamberoo Day provides a time for the HP and Development squad members to once again come together after a short winter break. Our emerging athlete program has evolved into a robust well supported series with real purpose and a strong emphasis on participation alongside like members from all over the branch.

Surf Life Saving Sydney surf sports future, brings hope to improve our numbers in disciplines such as R&R and beach. We are developing our strengths, at the same time working hard to improve participation in areas such as U17 to Open womens. Sponsorship is another concern with out this our ability to delivery many planned activities will be serverly hampered. We will provide more education for our officials; more specialized boutique events and programs which will in the main support and sustain surf sports in Life saving all year round. BOSS will continue to grow and will also continue to keep our core focus, which is quality management of activities for our members.

Mike Vitnell

Director of Surf Sports

Gear Steward

The season started of in June 2009 when a few of us went over all the gear for the season one Saturday. During the season we had to replace a few items and some extra gear was brought to run extra area's as competition expanded.

I would specially like to thank Frank Ridley who continuously works behind the scenes and also to Ken Hudson for his work on the Gear Trailer during winter and summer months. After 5 years of having Stuart Cameron towing the Branch Gear Trailer around the Branch to various carnivals we had a new person in Noel Brown take over this role.

Thanks to Noel for a great job this season.

I would like to thank specially Joel Eaton, Daniel Woods, Dennis Parker who helped me at many of the carnivals to get the gear out to lay in the ocean. It's good to have a few extra cans layers in the Branch

We also have to thank the continuous support of the Caringbah Bowling Club

for the 2 spaces they provide on their property where we store the Gear Trailer and Gear container.

Peter Burst

Team Managers Report

GOLD GOLD GOLD

After many years of coming third and second we finally cracked the big one and were awarded Interbranch Champions for this season, it what can only be one of the closes point score that I can remember, we defeated Central coast by 2 points and Sydney Northern Beaches finished third.

What a great weekend which started on the Friday with the team assembling at Forster for the weekend of great competition. The team had a meeting on Friday night during dinner and all feelings in the camp was this was our year.

Saturday morning we all boarded the bus and headed for day one of competition and on arrival we put together our little empire of tents, massage tables and food area, while the team was with their coaches doing warm up's before the start of competition.

We saw some great performances on the Saturday by all members of the team in both beach, water and boats and by close of competition on Saturday night we left the beach leading the point score by 20points from Sydney Northern Beaches and Central Coast in third.

On our return back to camp the competitor had a nice relaxing BBQ and rest before dinner, after dinner the tradional team meeting and presentation took place, which has now become part of the weekend when we go away and yes all parents are barred from the presentation.

The team was address by Team Captain Christopher Allum, Team Manger Mike Roye and Branch President, who all congratulated the team on their efforts on day one and all believed that we could continue on our journey to win the pointscore.

Sunday morning we were all up early packed , feed and again boarded the bus for the final day of competition and what a day of competition it was with us retaining the lead all day but slowing dropping points and picking some up but one should not have doubted the team and its members.

Special mention should be made to Aaron Markey who had broken his little finger in the board rescues and was taken to the medical Centre of x-ray's of which the doctor confirmed it was broken and he would be out for 6 weeks with the injury, but Aaron being a great team member heard the call for the Under 17 taplin and performed the swim of his life under so much pain.

With 2 events to go we were leading by 4 points going into the Lifesaver Relay we thought we may have come second but through a strong performance we managed to win the point score by 2 points.

The highlight of the weekend was when the result was read out and to see the smiles on all the teams faces from young and old was certainly worth it and again I congratulate all members of the team for all your fantastic efforts to all the parents and supports thank you for your continued support each year at these Championships, nothing is of an effort when asked to assist.

We should also record our thanks to the Team Management who also work hard to ensure that everything is available before, during and after the event and I record my thanks to the following :-

Doug Iredale	Team Coach
Mark Simpson	Ast Water Coach
Dane Farrell	Ast Water Coach
Stephen Strawbridge	Beach Coach
Nathan Roye	Ast Beach Coach
Luke Starr	Ast Beach Coach
Mike Roye	Team Manger
Wayne Druery	Ast Manager

John De Cean	Ast Manager
Jacque Twitchings	Chaperone and Camp mum
Jacqui Parker	Chaperone
Sharon Vitnell	Chaperone
Emma Larrison	Chaperone
Carly Larrison	Physio
Mike Vitnell	Director of Surf Sports

This season we had also adopted a development policy where we took some our Senior competitors away to be part of the Management of the team and this truly worked by the results of the weekend and the team appreciated being able to talk to these senior competitors for advise.

I must conclude by saying that the highlight for me of the weekend was us winning GOLD

Bondi Surf Bathes LSC

It is with great pleasure that I can report that 'no lives were lost whilst our patrols were on duty'.

At a Special General Meeting last year the members adopted a new Constitution which changed the Management structure of the Club. This new structure consists of a Board of Management with a President, Deputy President and seven Directors. The new arrangement can only be described as a great success and enables the Club to operate in a professional and efficient manner. I would like to thank those involved who have spent an inordinate amount of time over the past several years preparing this Constitution: John Greaves, Melissa Asimus, Bob Leitch, Stephen McKenzie, Pennie Kelton and the previous Executive Committee.

Thanks to our Director of Lifesaving, Bill Measday. Our prime objective is to offer a safe surfing environment with trained personnel and equipment to perform rescues and resuscitation. Our patrols were fantastic this year with no lives lost whilst patrols were on duty. Well done to all the Patrol Captains and patrol members. An additional patrol group was established this season and named 'Baldock', my congratulations and thanks to the Baldock family.

Congratulations to Colin Panagakakis, our Director of Education. Colin and his Instructors achieved 696 awards for the season. A totally remarkable effort! He and his department are providing the Club with highly trained competent lifesavers, an essential resource. Thanks Colin.

A huge vote of thanks to our Director of Finance, Will Hardman, it is a relief to report that all the accounts are paid and that we have money in the bank. Our arrangement with Ravesi's as our functions manager is working well and is a very important source of revenue. Our business arrangement with Cooper Sports Apparel is also providing regular income which we hope will increase in the future.

To our Director of Surf Sports, Grant Veckranges, well done. We are all aware of the tragedy that occurred at the Australian Surf Life Saving Championships this year. Our sincere condolences go to

the family and friends of Saxton Bird. Due to the cancellation of the Aussies on the Friday, only the Masters competition was held. Congratulations to Cyril Baldock winning Gold in the 65-69 Rescue Tube and Silver in the 65-69 Surf Race, and Louise Santos who won Bronze in the 40-44 Rescue Tube. The 140 years Surf Boat Crew of Bob Tate (sweep), Titus Day, Matt Barker, Jason Vineburg and Kieran Milne won Bronze and the 240 years Surf Boat Crew of Harvey Barratt (sweep), Dave Lippmann, Ted Healy, Danny Ryan and Andy Winters also won Bronze. Ted Healy, who is Australia's oldest boat rower, fractured vertebrae in the horrendous surf conditions and was hospitalised for a week.

Congratulations to all the successful competitors who represented the Club at The World Masters Games in October 2009, in surf life saving, swimming and kayaking, with a total of 20 medals, 11 of them Gold.

After 19 years we had a great victory in the Stan McDonald Relay. It was truly a very exciting race with the lead regularly changing. Congratulations to all the swimmers and to the team organisers, Grant Baldock, Andrew Hoggett, Andrew Hill and John Greaves. We recently appointed Matt Colquhoun as the Club Coach. Matt is a highly qualified coach and is bringing experience and enthusiasm to the Club. Thanks to Ben Sutherland for his assistance with coaching duties. We anticipate seeing some exciting talent emerge from our ranks.

Two new annual events were added to our calendar this year. The first was the Bondi to Watsons Bay Ocean Race which proved to be very popular and was well supported with over 165 ski paddlers and 30 boat crews competing. Congratulations to race organisers Greg Byrnes and Rob Harvey and their team of helpers.

The Beach Road Hotel Bondi Blue Water Challenge ocean swim was another

new event. It incorporated a 1 km and a 2.4 km swim and was extremely well supported with entries, but unfortunately due to dangerous surf conditions it had to be cancelled shortly after the start of the 1 km event. Thank you to Margaret Miller and her team of helpers. We look forward to more favourable conditions next year.

Our Director of Sponsorship and Marketing, Richard McDougall, has organised numerous sponsorships this year including creating, with Andrew Hoggett, The Captain's Club. He has put together a remarkable tally of sponsorship dollars this year. Thank you to all our sponsors and a special thank you to Sally Betts, the Mayor of Waverley, and her fellow Councillors and Council Officers for their assistance throughout the year.

Halfway through the season Ian Cumming, our Director of Junior Activities, had to resign that position due to relocation of work. Michael Gencher has ably stepped into that role. Both Directors have worked very closely with all sections of the Club and my thanks to you both. Besides all the hard work, this section has fun and is performing extremely well.

To the Director of Administration, Leo Hyde, well done. The office is currently staffed by three job-share personnel, Amanda Head, Leanne Bartlett and Vivienne Veckranges and is open Monday to Friday 9.00 am to 3.00 pm and Sunday 9.00 am to 12 noon. The administration department embraces many aspects of the Club and other sections would find it difficult to function without the assistance of our administrative staff. Thank you also to our volunteer helpers Lea Hill and Larry Engdahl and a huge thank you to Bob Milne, who has been our Webmaster and Bondi Surfer Editor for many years. Bob is not able to continue his involvement with these tasks and we have very big shoes to fill.

To Di and Dave Hoggett, Bob Otway and Peter Stapleton, thank you for organising the Annual Bondi SBLSC Golf Day. It was a great day and raised a substantial amount of funds for the Club. To Allan Scott and his band of Bondi Regular Early Morning Swimmers who roster the Sunday morning BBQ, thank you and

Bondi JAC

congratulations Allan on your election to Life Membership at last year's AGM. The Annual Veterans Day Lunch is an eagerly anticipated and thoroughly enjoyable day for our Veteran members, thank you to Keiran Speed and Lea Hill.

Thanks to our Social Secretary, Melissa Leslie, for organising our activities throughout the year and to Ross Douglass for organising a most enjoyable R&R Reunion Dinner. A special thank you also to Tim Read, our honorary photographer. Tim attends all our major Club events and records our history with his camera.

We lost a number of older long service members this year namely George Hill, Charles Birch, Ken Francis, Tim Dingle, Murray Tate and Rocky Freer. I am pleased to advise that the George Hill Estate has established a Trust Fund and the 'George Hill Memorial Grant' will be awarded annually to a young member.

In conclusion I would like to thank all of our members for giving me the opportunity to serve as your President. It is a great honour and has been thoroughly enjoyable.

Andy Winters

President Bondi SBLSC

This has been another successful season for Bondi Nippers. Our numbers grew, our youngsters had fun and improved their skills, our competitors did extremely well, and we 'graduated' another great bunch of 14 year old Nippers with their SRC, who will now go on to join the patrol, competition and social ranks of our great Club.

The Nippers had fun on the beach – I stress this because it has always been the belief and the 'Bondi way' that unless our Nippers enjoy their time at the beach every Sunday, there is no motivation for them, or their parents, to come back week after week. From our attendance figures, we can see that they are returning each week and, by doing so, are lifting their skills and making themselves safer at the beach and in the surf.

Our 'graduating' Nippers gained their SRC and have already spent time on the beach as active patrolling members. We hope that for many, this will be the start of a lifetime of community service in Surf Lifesaving, with the friendships and rewards this brings. A special thank you to Tony Rich for his time and effort over many years keeping this particular group of Nippers together, enthused, committed and now qualified. Also to the instructors and assistant trainers – Terry Young and Tim Smith, who helped to take the U/14s through this final season as Nippers.

This season we applied a lot more focus on competition than we have in previous years. As a result, our competitor numbers grew, with some great results at local carnivals and at Branch and State Championships. Well done to all those Nippers who competed, and represented the Club; a special congratulations to all those who reached semifinals and finals and won medals. Thank you to all of our coaches and lifesaving assistants who have dedicated an enormous amount of their time, energy and considerable skills to coaching and organising the Nippers week in and week out. A big thank you to... Will Hardman, Adam and Nick Nezval, Helen Jenkinson, Thierry Lavirotte, Paul Blewett, Michael and Shaun Brooke, Kirby Smith, Dave Willis, Jean-Paul

Buhagiar, Chris Pike, Scott Ryan, Ben Sutherland, Simon Watkins, Cyril Baldock, Andrew Hill, Christie Bennett, Michael Jaeger, Phil Terry, Kieran Milne, Danny McKell, Solomon Gerber and Adriel Young. I would like to give a special thank you to Doug Kirk for his incredible commitment of time, patience and dedication to the children in the pursuit of not only their board skills, but their overall confidence and safety in the surf.

We will continue to coach, train and challenge those competitive and non-competitive Nippers next year as their skills, performance and confidence improves. Competition that is of so much value and fun for Nippers is only possible by our Club contributing Officials for carnivals and championships. Thank you to our Officials – Tim Smith, Mangla Munsami and Tom Riley, who have spent all that time on the beach helping and representing our Club and our Nippers. We will need more parents to assist next season so, please, step up and volunteer.

The weekly activity of Nippers is of course centred on the beach, water activities, skills training, surf awareness and safety. This is delivered through the efforts of our dedicated age managers and those age helper parents who assist. This season's age managers were: Kim Gencher, Linda Mead, Mick Darda, Tim Catley, Andrew Cooke, Alex Porebski, Tim McMullen, Naomi Miller, Stephen and Susan Burns, Steve Hackers, Margaret Douglas, Penny Cumming, Russell King, Vicki Weetman, Pat Vanderham, Grant Ashton, Margie and Matt Markham, Moray Vincent, Joe Hallit, Ramin Marzbani, Tom Riley, Wendy Stock and Tony Rich. To each and every one of these committed people, as well as the age group assistants, on behalf of the Board of Junior Activities, and all

BONDI JAC (CONTINUED)

the parents and Nippers, thank you! You make it happen for our children and your community.

This season we improved the standard of the training, the program, the curriculum and the running of the activities delivered and we plan to continue this improvement next season and beyond. The Board of Junior Activities, age managers and coaches will continue to review and refine our program through the off-season. A special thank you goes to Scott Ryan, who stepped up and took responsibility for organising the coaches, and ensuring that the program was consistently applied and delivered week in and week out.

Special thanks to our water safety team, who are always there to assist and look out for our Nippers – Anne, Tony and Olivia Templeman, Anthony Gallagher, Bill Measday, Brent Moore, Cameron Duncan, Charles Cotton, Chris Pike, Doug Kirk, Graeme Wong, Ian Cumming, Jane Cichero, Gwyn, Brynlee and Brodie Owen, John Mackey, Kirby Smith, Mango, Mark Garabedian, Mark Travers, Michael Morgan, Patrick Moore, Roy Swan, Jaye Moore, Jack Gencher, Scotty Hamilton, Terry Young, Steve Hackers, D'Arcy Pierce, Andrew Hoggett, Anthony Rich, Brent Jackson, Howard Porter, Kieran Milne, Ramin Marzbani, Rebecca Weeks and Sam Koslowski. Thank you one and all!

I would also like to congratulate those Nipper parents who achieved their Bronze Medallion this season, and will now be able to make the huge and necessary contribution to the Nipper program, the Club and the greater community. Thanks to the efforts of all those parents and children who help with the BBQ each Sunday! Special thanks to Jean-Paul and his team (especially Masako Saint-Claire, Caroline and Stephen Pierce, and Stephen Hain) who have for many years been the backbone of the BBQ brigade. The BBQ continues to be a substantial revenue stream for the JAC, and without Jean-Paul's titanic efforts, the BBQ would simply not be the resource that it is!

Thank you to Tom Riley, Michael Douglas and Shaun Jenkinson for working tirelessly in the background each week to set up

the beach, and pack up all the equipment on completion – definitely a thankless task!

We would very much like to thank our generous sponsors – DATS, Bonds, Sejuiced, Beachfoot, Pepsico/Smiths, Bondi Lion's and Swire, who have assisted with the resources we need to deliver the Nippers program: maintenance, clothing and equipment. A special thanks to these individuals and businesses that have been able to assist. We urge all parent and club members to in turn support our sponsors wherever possible. The Board of Junior Activities is always looking to attract new sponsors. Our equipment needs are a continually growing expense and I would encourage any parent who is in a position to influence the provision of a commercial sponsorship or donation, to please come and talk to me.

Each of the Junior Activities Executive and Committee members has contributed enormously to another successful season for Bondi Nippers. Our thanks to each and every one of them: Gwyn Owen (Assistant Chairman), Wendy Goldman (Secretary), Charles Cotton (Treasurer), Juli Owen (Registrar), Narelle Moore (Social Secretary), Terry Young (Education Officer), Doug Kirk (Surf Coach), Pat Moore (Water Manager), Tom Riley and Michael Douglas (Beach Organisers/Gear Stewards), Scott Ryan (Program Coordinator), Craig Swan (Delegate to Sydney Branch).

This is the first season I have had the opportunity, and very real privilege, of acting as the Director of Junior Activities, and I would like to thank all those who have worked with me on the Committee, in the water, and on the beach for their contribution, their commitment, their time and their friendship. As the spokesperson for the team, I will take this opportunity to thank them all for their outstanding contributions that have made it all happen. Thank you, you have been great to work with!

I do need to single out the efforts of Narelle Moore and Wendy Goldman for their tremendous contribution, commitment and dedication to Bondi

Nippers. Together, Narelle and Wendy have been the driving force behind the entire Nipper program, and without their hard work, guidance and perseverance, we simply would not have the successful Nipper program we enjoy. In taking over the role of Director of Junior Activities from my predecessor, Ian Cumming, Wendy and Narelle were invaluable sources of support in making the transition as easy and seamless as possible. Thank you, I am extremely grateful for all you have done.

Thank you to the parents who make it all possible. I trust you have enjoyed the season and your Nippers have learned a lot and enjoyed themselves. I wish you all well through the off-season, and I look forward to seeing you all back here on the beach next season.

Michael Gencher

Director of Junior Activities

Bronte SLSC

We are proud to report that in the 2009/10 season no lives were lost whilst patrols were on duty at Bronte Beach.

Our tradition of volunteer surf lifesaving at Bronte spans 107 years, an amazing commitment and tradition. Our core business is "between the flags", to ensure that the beach public are safe at Bronte Beach.

We undertook this activity with professionalism to the highest standard expected of surf life savers across the country. We had 261 patrolling members in 20 senior patrols and 6 cadet patrols as well as water safety for our junior activities.

Our professional delivery of surf lifesaving services at Bronte saw 206 rescues, 272 first aids and 1106 preventative actions, under the excellent management of new manager of Lifesaving Nigel Harvey, with the assistance of Jon Leong who undertook all the Patrol paperwork. There is no doubt that the GFC has affected the numbers of patrolling members who volunteered to patrol at Bronte, but somehow we managed to meet our Patrol commitments. We definitely need to focus on a recruitment drive to attract new active members to the Club. Jon Leong's efforts were recognized with the award of the Club Patrolman of the year.

Other major award winners were Clubman of the year Coleen O Neil, Patrol Captain of the year Ashleigh Bond and Patrol of the year Patrol 13 led by Craig Barlett. We had a very busy program with our Nippers and Junior Activities. New Manager of Youth Basil Scaffidi was outstanding leading our Junior Activities section and was able to develop a team of key supporters who assisted Basil implementing the program.

With over 650 nippers registered this season it was an amazing success and we thank Basil and his team for their dedication. Basil's efforts were recognized with the President's award for 2009/10.

In his second season as Education manager Pat Keating started to find his feet. With his team of trainers Pat delivered 56 new Bronze and 25 Surf Rescue awards as well as a number of higher awards Pat's role is very demanding and an extremely important component

of the Club to maintain its professionalism on the beach. We will continue to focus our attention on training and support next season. We have a number of members undertaking their training and assessors awards and will also be focusing on delivering more IRB crewman and Drivers in the winter months so that we can meet the requirements under our Patrol Service agreement with Surf Life Saving Sydney Branch. Our commitment to reduce our carbon footprint with the objective to eventually go off the grid is still progressing. We have been working with Waverley Council and will be lodging our Environmental Master Plan in the near future. We have a passionate group of members led by Tara Hunt, Stephen Bargwanna, Coleen O'Neil and Dave Fleeting we have achieved some amazing outcomes.

"Beyond the Flags" we had a very busy season, with a number of social events co ordinate by Basil Scaffidi and Coleen O Neil and we thank them for their efforts. Our social team headed by Aunty Pat and Jim Stewart were kept busy with the Melbourne Cup lunch, the Bondi to Bronte Cocktail Party and Sponsor night, Anzac Day and Veteran's Day. After 17 years our Bar and Function manager John Turner retired and we wish John well for the future, John has been fantastic and helped us develop our Function section which is a key business unit for the Club. The impact of the GFC meant there were less corporate functions at the Club but the social functions held up with numbers actually increasing. It is interesting to note that the club has appointed one of its previous youth members to replace John and we wish him well in this role.

Our Sunday sips which is legendary on the coast has seen a huge increase in numbers especially our Nipper mums & Dads and kids. The popularity of our Sunday Joggers has also grown, and we thank the efforts of Judy Green and her team who organized this.

Our 9th Bondi to Bronte Ocean Swim was another huge success with over 2000

swimmers in good surf and great sunshine. Thanks goes to our major sponsor Banana Boat who sponsor the event as well as being the club's major sponsor and to Stephen Ford who was the race director and organized the event. To celebrate our 10th B2B we will be having a big carnival in the park complete with a jazz band and other activities.

We also had a successful Junior Ocean Swim held at Bronte on the morning of the B2B before the big event, which was organized by Basil Scaffidi and his junior activity team. To the many club members who volunteered their time to ensure the success of these events a big thank you.

We had some great results in competition, with some of the standouts our Lifesaver Relay Team winning the Sydney Branch Championships narrowly missing gold at State and winning the semi final at Aussies against some of the country's best. Our A Boat Crew swept by Bob "Zipper" Conlon had a fantastic season and took a Bronze medal at State. It was also great to see the Club's R&R Teams back competing and we thank Col Mcdermid, Lynn Bourke and Pam Woodger for their efforts.

There were a number of outstanding individual results, but stand outs were Andrew Bowden's 2 Aussie Gold medals and Anthony Carroll winning an Aussie Gold on the Board In Surf Board riding Pheobe and Olivia Miley Dyer both won gold medals at State. In masters competition there were a swag of gold medals at Branch, State and at the World Masters Games with Greg Clifford a stand out. We look forward to another exciting season ahead.

We thank our Chief Operating Officer and Manager of Finance Roley Tyrrell and the management team and the many dedicated members who contributed in a positive way to make our 2009/10 season an outstanding success at Bronte.

Bronte Nippers

With a record 687 registered Nippers for the 2009/10 season, this was always going to be a big year. An increase in 30% in our numbers highlights the growth and popularity in surf lifesaving in recent times and the appeal of Bronte Surf Club.

It was a major goal this season to concentrate on initiating a program that focused on developing the children into future lifesavers. If we could successfully teach them at one of Australia's most difficult beaches, we would all have the comfort of knowing that our children could swim and save lives anywhere in the world.

We tried many new initiatives this year; some of them worked and some not as well as we had hoped. The signing desk for attendances proved a winner, as did providing ball sports on those bad Bronte days. We also encouraged groups to have more fun in the ocean, whether that was using the IRBs to practice mock rescues or paddling to Tamarama or swimming through the Men's Bogey Hole.

We also reintroduced back into the club board riding this year. This has been a welcome return and it was no surprise that 1 of our 2 gold medalists at the State Junior Nipper Championships was won for boardriding. It was fantastic to see so many Nippers joining the surfing competitions on those early Sunday mornings.

Communication was an important focus this year. For the first time we had an information booklet and our website was regularly updated. Another first was parents volunteering to help in the merchandise tent. I would also like to acknowledge Speedo who this year became our swimwear supplier. We also reintroduced the Junior Ocean Swim, which was held on the morning of the Bondi to Bronte Ocean Swim. In very big and difficult ocean conditions, 70 children completed the courses, including girls and boys aged 8 years old. To me, watching this achievement was one of the highlights of the season.

From an outsiders perspective, a Sunday morning at a club appears like 'organised

chaos'. What occurs over that 3 – 4 hour period is a great credit to not only the children, but all of the parents, water safety personnel and age managers. From the moment Roley Tirrell and Col McDermid help me set up the beach and BBQ at dawn, to when we close the program at 12pm, there are so many people that help make the experience for our children on a Sunday enjoyable and very importantly, safe.

Whilst having fun on a Sunday and lifesaving is the ultimate goal, competitions always play an important part and this year was no exception. Internally, we had our club championships held over 2 rounds; one prior to Christmas and the other in the New Year. The standard in which these championships are run and participated in are a credit to all involved. Our first external competition was the Waverley Shield held at Bondi. Whilst Tamarama Surf Club were the host, Bronte under the leadership of Col "The Legend" McDermid ended up successfully running most of the carnival. North Bondi just pipped us for the overall trophy but we performed very well.

The second major championship was to be the Branch Championships which

is traditionally held before the State Championships. This year the event was postponed to the end of the season and whilst we did not have a full complement of competitors, we still performed admirably.

The pinnacle of competitions is of course the State Championships which were held again at Swansea Belmont. A record amount of competitors from all clubs in the state competed. Bronte again excelled with 12 medals including 2 gold medals. One to Luke Faddy and the other being the blue ribbon sand event, the All Age Beach Relay.

I can think of no greater activity in sport but to be involved in surf lifesaving on a Sunday. No other sport or activity can give parents the opportunity to be so involved with their children. Everyone should be so proud of what the children achieve on a Sunday. What could be more Australian than to be on the beach on a Sunday with your friends with the ultimate reward of knowing that one day our children will save lives.

Next season will be BIGGER and BETTER. We will be introducing new fun activities on Sundays, a twilight Friday Nipper session, more training options and a few surprises to be announced. SO PLEASE GET INVOLVED. The more parents that participate, the greater the experience for you and your children.

I am proud of the season we have had and honoured to have fulfilled the role as Youth Director at this great club.

Burning Palms SLSC

This year at Burning Palms we had a good season and once again proud to say that no lives were lost while patrols were on duty. The committee remained much the same as the previous year, which once again produced results both on and off the beach. I would like to congratulate all members of Burning Palms for the season that we had.

MEMBERSHIP

Membership at the Palms remained steady compared with past seasons with 30 dedicated active members patrolling our beach and at times in unfavourable surf and weather conditions. It reassures the general public who walk through the Royal National Park that they can swim safely at such an isolated beach. We also had a bronze squad going through their paces and once achieving their qualification, were more than eager to don the red and yellow uniform and start patrolling. We have some new and different strategies in place to try and attract new members to our club next season, which we hope come to fruition, as gaining members is not an easy task.

LIFESAVING

In 2009 Burning Palms turned 70 and even though saving lives has been our number one priority, it has always been a difficult task coordinating our trainees and instructors to be down on the beach at the same time which is why our active intake has been down quite considerably compared to previous years. Thanks to Mark Doyle our chief training officer who did his best under the circumstances but has now resigned from this position and I wish him well for the future. Now that this position has become vacant, we are in the search for a new chief training officer, which in my opinion is probably the hardest job in our club. So who ever decides to take on this very challenging position along with our new recruiting ideas, we hope to keep them very busy next summer training new members to boost patrol numbers which by the end of last season was critically low.

COMPETITION

Last summer we had the mighty colours of the brown and green flying high on the beach. The march past team were kicking goals up and down the coast competing at carnivals as defending Australian champions after winning GOLD at last year's nationals. Unfortunately for them, they didn't reach the dizzy heights of the previous season but doing themselves and the club proud in competition with their best result being gold at the branch. Well done to all. We also had our under 19 boat crew step up a division to under 23's who had a very strong season in their new age group by just being pipped at the post to a silver at the branch and threatening their more experienced rivals wherever they competed. I am sure that this crew will be a force in the next few years and will leave other crews in their wake. We also had the girls competing in the boat for the first time and were turning heads in more ways than one. Our sweep, Cliff Gerathy (who sweeps both the boys and the girls) had them rowing like a well oiled machine by season's end which started to get their more fancied crews a little worried, and if the girls can stick together in the next few years, it won't be long before the bling is hanging around their necks. Good luck next year to all our competitors. Exiting times ahead for you all.

SPONSORSHIP AND GRANTS

With Burning Palms being such an isolated and unique club within the Sydney branch, attracting sponsorship can be difficult. But the ones we do have we are very grateful to have them on board. Thank you to the Mortdale Hotel, The St George Masonic Club who have both been our sponsors for quite a number of years. Bresnahans fine meat at Mortdale, the St George Sailing

Club, The Thomas Group of hotels, and of course DHL for their continuing support on the beach. I would also like to give a special mention to the small band of members who run the raffles at Mortdale hotel every Thursday, your tireless work doesn't go unnoticed and the whole club appreciates the effort you put in week after week. Again we thank our sponsors who have helped make Burning Palms a very solid club financially and we hope they continue to support us in the years to come for without their backing Burning Palms will struggle to survive.

2009/10 has been my fourth year as president and I have found it to be a very rewarding year to represent Burning Palms. I would like to thank the committee for their support throughout the season, especially secretary Peter Pearce for his professional handling of surf club issues. Club Captain Mark Doyle, his final year in this position, has done a superb job coordinating all the activity on the beach.

I would like to make a special mention to Scott Williams, who is into his 17th year as power boat captain. I'm sure all the I.R.B. drivers acknowledge what a big effort he does to keep the ducks maintained and running down on the beach, congratulations, and just think you only have another 16 years to go until your son Zach takes over. Finally, to all the members who help make Burning Palms so great, THE greatest surf club in Australia, thank you and good luck until next season. Can't wait.

I would also like to thank the Branch for its support during the season to President John D Cean and the Executive thank you. We also appreciate the strong support from the branch office and also thank Yvette Rutherford and Linda Perrin for their assistance to Burning Palms.

Wayne Vaughan

President Burning Palms S.L.S.C

Clovelly SLSC

With a record 687 registered Nippers for the 2009/10 season, this was always going to be a big year. An increase in 30% in our numbers highlights the growth and popularity in surf lifesaving in recent times and the appeal of Bronte Surf Club.

What a year! This Club can hold its head high with achievements gained for Surf Life Saving and the Community.

Clovelly SLSC was successful at the Sydney Branch "Awards of Excellence" night taking out the major award.

Congratulations to Tania Rouse "Surf Life Saver of the Year Sydney Branch" and "Clovelly SLSC Club Person of the Year" along with Glenn Lofts "Masters Athlete of the Year Sydney Branch" and "Clovelly SLSC Competitor of the Year".

I believe that this maybe a first for Clovelly for these Sydney titles. Tania and Glenn are deemed the best lifesaver and master's competitor against the 3,700 Sydney Branch Lifesavers. These candidates are now automatically in the running for "NSW State Awards of Excellence" to be held on the 24th July 2010. The Club and members wish you all the best. Sydney Branch also awarded Clovelly with three "High Commendations" being:

1. Community Event of the Year – Blue Ocean Day raising over \$20,000
2. Assessor of the Year – Mark Percy
3. Team of the Year – Clovelly Masters Beach Relay

NSW State Labour Government in conjunction with NSW Surf Life Saving awarded a grant of an appreciated \$200,000 to help improve facilities for lifesaving and members. Development of an underground storage facility as well as improved female amenities within the Club shall benefit all members and the community.

The Club is proud to say "No Lives Lost" Congratulations to all Life Savers who patrolled Clovelly and Gordon's Bay. Welcome to new members and Nippers who have moved to the Senior Club as

well as to the Members who have been here for many years. There were plenty of incidents to keep patrollers busy and sometimes it was a pleasure to patrol the area when no incidents occurred. To all patrollers who fulfilled their obligation to their patrols and obtained 100% along with those who chose to upskill themselves with other awards in the art of saving lives, the public and Club thanks you.

Credit is to be given to Club Captain Jim King and vice captains Mick Fiener, Sebastian Pearce and Paul Jennings as well as all Patrol Captains for managing the area with Council Lifeguards for the safety of thousands of people who attended throughout the year. Well done to you all!

Our Club competitors who donned the Red White and Sky Blue on weekends to represent the club, well done! John McNamee led the squad on Saturdays and Sundays. Competitors achieved many positive results bring home medals and stories from the challenging events. Many great results were achieved through teamwork.

Congratulations to Glenn Lofts for taking out Sydney's "Masters Athlete of the Year", a great personal achievement and recognition for Clovelly. Competition is all about having fun whether it is internal Club competition, local carnivals, State, Australian, World titles or Special Club Events, members should never forget that. All competitors have done the Club proud. A personal thanks to John McNamee as he is standing down his position this year.

The Clovelly Education Team – Congratulations to Tania Rouse and all her instructors. In total 163 awards were obtained by new members, nippers coming into the senior club and members wanting to upskill. The awards consist of

basic life saving through to instructors and assessors. Our awards are up 28% on last year.

Clovelly has a strong presence in the lifesaving side within Sydney Branch led by Mark Percy our District Education Supervisor and ARC Coordinator, A special thanks to Tony Beger (Radios), Al Pausey and Rob Johnson (training candidates on the boards), Jamo, Phil and Cam for the training of Reddam High School who obtained 42 Bronze Medallions Cert II awards through the initiative of Paul Jennings recruitment officer. IRB awards were tough to obtain... either the surf was too big or no surf at all. To those IRB team members thank you for your patience. Junior members from the Nippers ranks gained awards and participated in Development Camps enhancing knowledge and skills. Finally to the backbone of the Club the Instructors! Without your skills, knowledge and professionalism there would be no lifesavers to be on the beach. My thanks to all of you.

Russell Byrne our beloved Social Secretary and his team have done a magnificent job look after all Club social activities with gusto and eagerness.

Clovelly Nippers

Nothing was too hard. Sunday BBQ's were exceptional all the way up to the presentation night which was fantastic and well supported with over 130 members attending.

To our supporters, you help us survive in these hard times; you assist again with updating rescue equipment, education materials and member development. Clovelly SLSC thanks the support from the Mayor & Randwick Council, Randwick Labour Club, South's Juniors, Bendigo Bank Clovelly, Journey Masters, Australian Gourmet Meats, DHL, Clovelly Hotel, Easts Leagues Club, Joe Thomas and all others who support the club in donations and gifts. Thank you!

The Clovelly Nippers (junior club), Clovelly Swim Club (Saturday Junior swimmers) and Clovelly Eskimos (Winter Swim Club) were well supported. Nipper membership was well over 350 participants and welcome to new President Rod Fox and thanks for the hard work to outgoing President Susanne Young. Lyn Chapman past and present President of the Eskimos has done a great job looking after the winter swimmers.

Finally to Committee people who have planned and managed the administration, finances and operation, to the sub committees of lifesaving, education, competition, building works and others, thank you for your time, effort, commitment, knowledge, skills to make the Club we have today. Your passion for our Club will ensure that we will remain a strong community based Club providing a service of life saving and education around our area for all. We are financially stable at the moment, our membership base strong, lifesavers educated well. Well done and thank you.

In conclusion I will be standing down next year for a bit of a rest and a beer, so thank to every member of this Club for helping in anyway to make this club better, if I have missed anyone I apologise as there is always plenty happening. Once again thank you.

Glen Clarke
President

The season started early for the committee with our inaugural web survey last March which provided us with insights into how we could improve the nipper (and parent) experience. This resulted in our season calendar being posted on the website for easy reference and a decision to move the registration and pool proficiency to the warm waters of the Coogee Randwick RSL.

This meant children did not have to brave the chilly waters of the Clovelly in September and ensured we completed the pre-season pool swim/float requirements. We also closed registration for the under 6 and 7s after the initial registration days, with numbers topping 120 for those age groups alone. We were concerned we wouldn't have enough space to cater for all children on our little patch of sand and subsequently closed all registrations after the first weekend of the season proper, a practice common for other Eastern Suburbs clubs for similar reasons. That didn't stop the enquiries coming and I continued to receive interest right through until March and parents wishing to "waitlist" their children for the 2010/11 season (they were really getting in early!). In total we had 336 registered nippers - amazing. Our numbers did cause some logistical issues over the season, but we managed through with the good grace of parents and age managers.

We secured Bonds as our rashie sponsor for the 2009/10 season and they have committed to sponsor us again in 2010/11. This ensures all nippers who register on the September registration weekends receive a club rashie which ensures sun safety for our kids. Thank you to Bonds and Anna Elmslie (our contact at their sponsorship coordinator Maverick).

A big thanks to Pia Smeaton for her wonderful artwork (our logo) which looked sensational on the rashies and the Raine and Horne Clovelly/Coogee sponsored long sleeved T-shirts which Lara Laing (wife of Michael Laing - Raine and Horne - both Clovelly nipper parents) ensured were ready just-in-time for the Christmas holidays. Many thanks to Tony and Mary

Jane for their previous support, and to Michael and Lara for their increasing support of Clovelly Nippers. Lara also took on the role of Social Organiser and organised our first committee and helpers "thank you" function in late November. This was great chance for our Committee, Age Managers & Assistants, Water Safety, Ironman Coordinators and BBQ Coordinators to get to know each other - something they rarely have the chance to do in the hustle and bustle of Sunday mornings! We also secured Premier Painting Company as sponsor of the Ironman and competition days, with the sponsor Anthony Conway working with Gerry, our vice chairman and under 12 age manager, to create the spectacular and easy-to-use finishing flags. We are also very grateful for the continuing support of Australian Gourmet Meats (John and Michelle Cottle), Woolworths and Bendigo Bank, Clovelly. Their generous support allowed us to purchase additional nipper boards which allowed all age groups more board time this season.

A huge thank you to the Age Managers - Garry, Craig, Karon, Gerry, Julianna, Steve, Ainslie, Mick and Rod - and their many helpers. Their dedication to the task of educating and entertaining the nippers on a Sunday morning cannot be underestimated. Along with the Water Safety co-ordinators, Alan Kane and Scott Anderson and their band of young helpers, they bear a significant responsibility in ensuring the safety of your children on Sunday mornings. Thanks also to Gerry McGillion who with his assistants support set the beach up for the nippers every Sunday. Our newest members, the under 6's learnt a great deal about Surf Life Saving during this season. They

CLOVELLY NIPPERS (CONTINUED)

all were very good in trying lots of new activities, had lots of fun in the shallow water, and now hold the unofficial title of being the undefeated Clovelly Nippers tug of war champions! The children also learnt many important lessons including being sun smart, the environment, the fish in Clovelly, the roles of lifesavers and general water safety. Special thanks to parent helpers Mark, Jeff, Fiona and Bill. We look forward to seeing you again next season. The atmosphere on a sunny Sunday is wonderful experience, and even on those wet days the diehards bring a smile to our faces!

This year saw the reins of Ironman Co-ordination pass to Troy Graham and Andrew Dyster. With so many keen ironman competitors, we had to segregate the age groups for safety and to provide sufficient boards for the number of competitors in each event. By the second round, Troy and Andrew had the events running like a well-oiled machine. Well done. A huge thanks must go to our BBQ organisers, Ozzie and Susie Turner. This is their xx year of organising the BBQ and this is a significant part of our fund raising which supports your children. We greatly appreciate their generous support. They have advised that they are keen to have a break next season, so we are keen to find a new coordinator.

This season also saw a step up in terms of Clovelly Nippers competition with scheduled training and a more organised approach to competition under the guidance of Wendy Pepper. The results speak for themselves which great showing at the Randwick Shield, Branch and State Titles this season. Megan Jones who won gold in the very well contested under 9 flags at both the Sydney Branch and State Titles. She defeated more than 70 competitors at branch and 90 at state to win her medal. Sensational. We also hosted the Australia Day Challenge – our regular face off against Tamarama – and just managed to secure the honours this year. Well done. For the under 8's this was their first season as bona fide competitors and did they show their intentions early! Their first carnival was the Randwick Shield, with 17 kids competing, a number of them making the finals and

Charlotte Swinnen scoring 2nd in the beach flags final. At South Maroubra, the under 8's secured a silver medal in the boys relay represented by Paddy Gooley, Jamie Clatworth, Shaelem Lolesi & William Brockie. At Branch Sophia Fitzgerald made the semi finals in sprints and flags. Well done to our youngest competitors!

We continued to ensure we fulfil our role in developing life savers of the future with seven under 14 girls completing their Surf Rescue Certificate in March and they have now joined surf patrols. Congratulations to Arabella Croft, Bianca Manuel, Casey Pepper, Emily Hession, Grace Kane, Kiara Anderson, and Kelly Cremen. In addition, Twelve U13's Nippers successfully completed their Basic Resuscitation Certificate. A special vote of thanks to the U13's and U14's who competed with Senior Club in the Randwick district club competition, the Molloy Shield; they represented Clovelly very admirably. We were also well represented by our under 13s and under 11s at the Sydney Branch Development Camps – good job.

A big step forward in communication this season with our use of the Surf Life Saving Australia "surfguard" database. A big step forward as we could send out emails and sms communication without crashing our computers or having to break the communication into many parts in order to send. It came in handy, after a Saturday of torrential rain, to make the call early one Sunday morning that nippers would be cancelled and it would have also been useful the morning of the Tsunami warning, if I had believed it was serious. Instead many of our trusty nippers and parents turned up and we had to move to the safety of higher ground (the grass behind the surf club) for games. Next year the aim should be to have everyone's details in there – we had a few gaps this season.

It is very sad to see some of our stalwart committee members moving on at the end of this season. To Alan Kane, our Water Safety Co-ordinator, we appreciate your calmness and eagle eye. To Garry and Wendy Pepper, under 14 age co-manager and registrar/competition director respectively, a huge thanks. To

Craig and Susie Wheatley, Treasurer/under 14 age co-manager/competition official and secretary, shop co-ordinator, respectively, and many other roles too many to detail - huge thanks also. These families have been a backbone of the nippers for nearly a decade and as their children have grown, they have taken on bigger and bigger roles to ensure the Nippers functioned exceptionally well. We sincerely thank them for their dedication, season after season. Craig has agreed to continue to act as Treasurer and to train an assistant next season and Susie will continue with her shop coordinator role. We thank them for agreeing to continue to provide extra stability for the committee, despite having no children in nippers next year.

Finally, I would like to say thankyou to all of the parents who actively and quietly support the committee. It is not always an easy job and certainly we know we are not always going to please everyone. To those who complain, please remember we are volunteers and doing the best we can do in often changing conditions and between our other commitments. If you think you can do better – join the committee and lend a hand!

To the nippers and parents of my under 11's age group. Thank you for being so generous and supportive and special thanks to Ben Westall and Adrian van Dam for stepping up to fill in when I absent. I truly appreciate the support you gave me this season – couldn't have done any of it without you.

And to the nippers – it still fills my heart with joy to see the beach full of activity on a Sunday morning. Great to see your confidence growing, friendships formed and the development of our future lifesavers. Well done and keep up the good work!

Coogee SLSC

In our 104th Season, Coogee SLSC can again report "No Lives Lost" on our beach this season. And what a season it has been!

"Quo Vadis"

We commenced the season with "Quo Vadis" a workshop where passionate members came together to look at where we have been and where we want to be in the future. We examined our strengths and weaknesses and have put together a plan for our future. This plan is now being used as an underpinning document as we work with Surf NSW to develop a Strategic Plan that will ensure the Club can fulfil our "raison d'être" now and into the future.

Club Administration

When I assumed the Presidency last year I stated at the AGM that I believed one of the most important thing I could do as President was to provide prudent corporate governance of the Club, whilst upholding and maintaining the values and traditions of the Club. I believe that the Club Executive and its committees have achieved this fine balance during this season.

This season our Club functioned with a Club Council and a number of sub-committees regularly meeting, these included the Lifesaving, Competition, Education, Sponsorship, Minnows and Penguins committees. Additionally specialist teams were brought together to run special events such as the Coogee Surf Carnival and the Island Challenge. This structure gave the Executive Committee a span of control that was manageable and effect. Thank you to all that participated in the running of "Team Coogee"

The administration of the Club has changed dramatically over the last 20 years. Gone are the days where honorary positions and a monthly meeting are able to deal with the day to day running of such a large club. As a consequence of this the Club Council saw fit to approve the employment of a club office administrator, our first full time employee. As such we welcome Karen Beale, who has already proven to be indispensable.

Lifesaving

The standard of lifesaving on Coogee beach is truly the jewel in our crown! Club Captain Catie Anderson, Vice Captain Mark Doepel and Chief Instructor Rob Gibellini ran an operation that is second to none. The professionalism and enthusiasm found on Coogee Beach is the envy of many other clubs. Our Lifesaving team, with its "can do!" attitude ensure that the beach is well patrolled and that our lifesavers are trained to the highest standards. Our Club also provided lifesaving services at Wylies Baths, as well as at three south coast clubs that needed assistance. Additionally, Coogee won fourteen awards at Surf Lifesaving Sydney's Awards of Excellence.

Education

Our Chief Instructor again oversaw a huge season with 481 awards being gained for the club this season, the most awards in Sydney Branch. Even with his huge workload, our Chief Instructor, Rob Gibellini conducted two "Migration 2 Surf" courses, teaching migrants basic surf awareness. This course won the "Lifesaving Innovation of the Year" award. Congratulations Rob!

Surf Sports

This season has been a phenomenal one on the beach. Our competition committee led by Warwick Everingham, has worked hard to put in place a structure to build on all areas of competition, with particular emphasis placed on our Cadet and Junior members. Our Surf Sport competitors, dressed in a new team uniform this season, looked resplendent on the beach, and performed in a manner that you would expect of anyone wearing the two blue cap of Coogee. The Club sent away its largest team in many years to the State and Aussie titles and did us proud. Of note was Hugh Millar's Gold medal in the U15's Beach Sprint, Congratulations Hugh!

Minnows

Our Minnows had another huge season with enrolments of over 800 nippers this year. As usual the Minnows management team, led by Tass Karozis did a fantastic job running one of the largest junior movements in the association. The Minnows is a breeding ground for our future lifesavers and competitors. The transition of some 53 nippers into the cadet ranks of the senior club this season really is the benchmark for other clubs to aspire too. Our Cadets and Juniors have been branded as the "Coogee Blueys" this season to give them a unique identity within the club. Seven of these members having already been identified as future leaders within the Club and recently attended the Sydney Branch Youth Development Camp.

Building Works

The Club has been successful in gaining a number of grants this season that will enable the Club to commence Stage 3 of our Building Rectification Works. We thank Paul Pearce, our local State Member, and Randwick City Councillors for their ongoing support and assistance in gaining the funding.

COOGEE SLSC (CONTINUED)

Coogee Minnows

Sponsors

Financially, the Club has been resilient to the effects of the global financial crisis, partly due to the Management's prudent financial control and also because of the on-going support of our Sponsors. The employment of our office administrator and additional support from our Hon. Accountants, Howard Meagher and Wright has seen the Hon Treasurer, Paul Hinds put in place many new measures to ensure compliance at all levels of governance.

Three major events contributed to our financial position this season, including the Express Glass Island Challenge (our largest swim ever!), the Coogee Bay Hotel Surf Carnival (the longest running surf carnival in Australia) and our Sportsman's Lunch, which was again organised by Steve (Chimes) Gillis.

The Club is lucky to have so many great sponsors, large and small, which allows us to get on with the job of protecting the swimming community and we thank them all for their support, in particular we thank "Express Glass" and the Coogee Bay Hotel, as the Club's major sponsors.

Thank You to all at "Team Coogee" for another fantastic season, and thank you to Yvette and Linda at the Branch office for all of your help throughout the season.

Tony Waller

President

Another successful year on Coogee Beach with Coogee Minnows taking charge of most of the northern half of the beach nearly every Sunday morning.

The year was bound for a massive start with over 800 registrations in two days. With such a massive increase in kids the parents also managed to turn up in full force too. Over 250 age assistants completed their 3 hour course to be qualified to help out on the beach and our water safety team increased from almost 100 in the previous season to over 160. The quality of commitment at the beginning by everyone involved was incredible and true reflection of the incredible year that was about to unfold.

From day one, age managers, water safety, gear and apparel teams and of course the age assistants all became completely immersed into their rolls. The under 14s had incredible challenges to face, not only for the kids to achieve their SRC, but also for Simon, their age manager and his fantastic team to get a record number of candidates through. All the other age managers had their challenges to with Craig S (13's), Craig M (12's), Ben (11's), Geoff (10's), Cameron (9's), team Bronwyn & Marcia (8's), Nick (7's) and our bravest manager Deb (6's) all stepping up to take control of their groups.

All age groups had increased in size but as always the under 6's (120) and 7's (148) had significant growth.

Water safety is a particular challenge of any nipper club but at Coogee we are always high achievers and manage to get more than our minimum share. Remembering that our water safety teams are made up of parents, most of whom don't have lifesaving backgrounds, we again managed to successfully increase our numbers though Bronze Certificate courses run within our junior club. Congratulations to all the parents that took up the challenge and achieved something that at the beginning of the season did not seem possible, that is, to become a qualified Lifesaver. Once the season kicked off we all got about doing what it is we wanted to do, that is, develop confident kids that have an understanding of the beach and surf, and to foster sportsmanship and a degree of competitiveness.

The surf skills and beach safety which resulted in achievement awards for the nippers in each age group came naturally to all groups. The range of skills taught meant that kids took tours of their club house and of the lifesaving patrol areas, they learnt about the dangers of the beach and the surf, and they were taught how to rescue someone from the water and perform CPR.

Competition events saw Coogee compete locally, within the district, within the branch, at State level and even at the Nationals. Whilst Coogee has never been a strong competitive junior club every nipper proudly represented Minnows and the Coogee Surf Club.

Surf Camp, as always was a massive success again. The 115 kids that attended managed to be challenged beyond their regular Minnows experience. From surfing the point to paddling out to the island, perfect beach conditions and fantastic coaches drawn from all over the Coogee Surf Club meant that everyone learnt heaps and had lots of fun doing it. Well done and thanks to everyone that was involved in organising a great event.

Of course Minnows would not be the success it is without the generous support of our sponsors which includes our platinum sponsor, Ray White Randwick and South Coogee as well as our gold sponsors Medina Apartments and 7-Eleven.

As my second year as Minnows captain I found the tremendous support in all the teams, from management to age managers, gear teams, apparel, sponsorship and social just incredible. For a volunteer organisation to successfully run a group of over 800 kids and 300 parents is a true character to the heart and soul that is Coogee Minnows.

Again I sincerely thank everyone in supporting me in my role as Captain. I look back at a hugely successful year and I look forward to being a part of many more successful years to come.

Tass Karozis

Minnows Captain

Cronulla Cray's

The Cray's were once again most fortunate to enjoy the support of our generous sponsors.

IMB, Snap Printing Caringbah, Watkins Tapsell, Sean Egan Real Estate, Harvest Accounting Group, Bonds, Lions Club of Cronulla, Blue Tongue Pools, McDonalds, Cronulla Furniture, Mayhem Corporation, Ascendancy Recruitment Consulting and Ant Design. The contributions these organisations make enable the Cray's to maintain a solid financial base.

The executive committee of Wayne Druery, Scott Phillips, Sharon Vitnel, Leann Grant and the energetic Carlo Vilanti helped steer the direction and all made most valuable contributions, thank you. The age group leaders displayed wonderful leadership and role models for the children creating a caring nurturing environment. These efforts have enhanced the children's Cray's experience where friendships flourished.

To provide the safe learning environment each week for the children to learn compete and enjoy needs a large volunteer base which we are fortunate to have. Chris Barber has led a growing water safety team whose numbers are continuing to grow with another 15 nipper parents achieving the bronze medallion this season. Thank you to all those parents who have assisted your efforts ensure the children compete in a safe environment where the stress some children feel while learning is minimised and eliminated.

Team management and Carnival coordination are vital to competition and we have been blessed to have Wayne Druery, Brett Moore and Mark Smith guide us and assist the Age Group Leaders through the competitions, your guidance has certainly proved most valuable and much appreciated.

Our Carnival coordinator and social butterfly Cherie Swanson made the IMB Carnival an outstanding success, Cherie's boundless enthusiasm is infectious we are fortunate to have Cherie make the carnival and social functions such a success. The Halloween night was an outstanding success with some very scary nippers

dressing up to enjoy the occasion.

The 2009 2010 season saw the emergence of R & R to competition and a strong showing at the NSW Age Championships from the impressive march past team the coaching contributions here made the world of difference thank you Elysse and Peter as well as Ian Goode who championed the R & R program embracing the parents who came on to coach the teams.

Socially we saw the BBQ return to the Purcell Room Balcony this season with encouraging results and a very special mention Kenny who managed the menu and cooking turning the Sunday lunch time into a growing success. I look forward to next season seeing the growth and support continue.

Our two major fund raising functions the Big Sports Lunch and Melbourne Cup by the Sea were outstanding success's. With the Sports Lunch our MC John Lambie was wonderful with the key note Speaker Phil Kearns a sensation both John and Phil refused payment for the day which emphasises what outstanding individuals they are and their contributions to the day gave an added bonus.

The inaugural Melbourne Cup by the Sea was a fantastic day our MC Tony Greaves from Ascendancy Recruitment and the organising team of Kylie-Anne Mayer from Mayhem, Jodi Proudlock from Watkins Tapsell and Vanessa Greaves Bec Ford from harvest Accounting Group did a marvellous job of putting together a first class function I look forward to the Melbourne Cup by the Sea 2010 with much excitement. Thank you to all who organised and sponsored the event.

On the competition side our first carnival was the home IMB carnival sponsored by our major sponsor IMB and coordinated by Cherie Swanson and her team. We enjoyed some great results and the day ran like clock work testament to Cherie and her team.

The 4 Way carnival also saw the Cray's produce strong performances across all age groups. The Age group leaders, team managers and gear stewards preparation ensured the children were well prepared and comfortable so they were able to focus and enjoy the competition.

The NSW Age group championships at Swansea Belmont saw the Cray's loose the converted NSW title for the first time in 13 years congratulations to many who were deserved winners. Whilst not returning with the title there were many outstanding performances and as a club we should be proud of these efforts and achievements. Like any venture we learn from our mistakes so new season we will have a better preparation and hopefully enjoy superior results.

Our last competition was the Sydney Branch Carnival which had been postponed due to bad weather so it was actually held after the NSW Championships. We attended this carnival with reduced numbers but still enjoyed some success and the children by enlarge enjoyed themselves.

Thank you to all those parents who assisted throughout the season we need your contributions to continue to create the enjoyable environment for our future Lifesavers and champions.

Lastly a special thank you to the Cronulla SLSC Management committee for your support and guidance throughout the season was significant and appreciated.

John Clark
JAG chariman

Elouera SLSC

Elouera Surf Life Saving Clubs Inc. continued to provide Shire residents and visitors to our Beach with a high level of aquatic safety and has done so in close association with the other three Bate Bay clubs – Wanda, North Cronulla and Cronulla – during Season 2009~2010.

The willing cooperation displayed by the other Bate Bay Clubs in patrolling and education generally and in specific events such as the Branch Age and Open Surf Lifesaving Championships; the Bate Bay Interclub Carnival and in the various joint representations to the Council of Sutherland Shire and to the State and Commonwealth governments was appreciated.

Satisfactory lifesaving statistics were recorded by the Club during the Season and were indicative of the efforts of a small, but dedicated, team of trainers and assessors who competently trained willing award aspirants in all SLSS Awards, supported of course by the dedicated active patrolling members.

During Season 2009/ 2010. 128 rescues; 965 preventative actions; 126 first aid cases and MI miscellaneous incidents were recorded and a total of 1580 SLSS Awards in CC categories was gained by Club members.

Elouera members also distinguished themselves in competitions at all levels, with Elouera beginning to rebuild its name to the forefront of surf competition in Sydney Branch, both Junior and Senior sections.

The Elouera Female Boat Crew was selected in the Sydney Branch Team along with Dane Farrell (res.); Danielle Polson; Mikaela Allen; Ben Sargeant; Lachlan Galea (res.); Keegan Mason (res.) and Abigail Pugh. In addition, Dane Farrell; Tom O'Keeffe; Danielle Polson; Mikaela Allen; Ben Pugh; Lachlan Galea; Keegan Mason; and Abigail Pugh were selected for the High Performance Squad and Nathan Neale and Natasha Noore were included in the Branch Development Squad.

Previously Elouera has reported on its efforts to establish a reliable income stream through sub-lease of part of its premises to the Summer Salt restaurant. In an extension of that initiative, the Club has committed to extensive refurbishment of the Clubhouse, including opening up the Frank Leo Washington Lounge for broad community use, with the added advantage of more comfortable facilities for members and guests.

Members were pleased to note that Life Member and former Elouera President Graham Tangye - who now is prominent in Ocean Beach SLSC - was recognised for his efforts on 27 December 2009 when he successfully resuscitated a neighbour who had suffered a heart attack. Graham was nominated as **Surf Life Saving NSW Rescue of the Year** for December 2009 and freely acknowledges the early training provided to him by Elouera.

During the Season Elouera also continued its previous commitment to supporting all SLSS activities whether by attendance at meetings, nominations for positions/ awards, providing input to committees, reviews etc or competition.

Membership of the Club has steadily increased during 2009~2010 and currently comprises 606 JAC members and 465 members in the Senior section of the Club ~ a total membership of 1071.

Elouera again conducted its annual Surf Awareness Clinic – its 28th. This year the Clinic catered for in excess of 300 children aged from 7 to 12 years of age. The Clinic, conducted over 5 successive half-days between 11th. and 15th. January 2010, involved over 90 volunteer members who willingly gave up leisure and holiday times to ensure a professional Clinic which was safely conducted in challenging surf conditions.

The involvement and support of the Sutherland District Trade Union Club ("Tradies"); the local lifeguards and thirteen generous companies and organisations which donated products ensured the success and continuation of this important community event. Planning for the 29th Clinic is already underway.

However, it has not all been 'plain sailing' with many challenges being confronted by this Club and all others in Sydney Branch. These included the review of the operations of the Cronulla District Lifesaver Rescue (formerly ORB2) which dragged on without any resolution until very late in the Season. The issue has cost SLSS thousands of dollars and has polarised many valuable members of the Movement.

Uncertainties relating to the status of the occupants of the positions of Director of Lifesaving and Education District Supervisor and the legal entity, or otherwise, of the Branch districts have each highlighted alarming deficiencies in Branch administration which must be addressed and rectified. Other areas such as transparent processes and adherence to the Constitution also are in urgent need of review and have sounded a warning to all within Sydney Branch.

Of course Elouera, similar to the other fourteen clubs within SLSS, could not continue to operate to its current high standard without the generous support of sponsors. The contribution made by our major sponsor, Sutherland District Trade Union Club ("Tradies") and Linfox. Caltex and the many smaller sponsors and supporters who contributed in so many ways is gratefully acknowledged.

The support and guidance of SLSS officers and paid employees is recorded, particularly Yvette Rutherford; Linda Perrin, Peter Quartly and Marissa Jank.

Mike Batty

Honorary Secretary

Elouera Nippers

This 2009/2010 season was certainly a great year for Elouera Nippers. Registration from the previous year was up by about 100 to 607 kids.

This certainly presented some challenges, but I am pleased to say everything worked out just fine. With extra nippers and new families, the nipper program was delivered to a high standard - only because of the huge amount of help and support we had from many groups and persons.

We had a dedicated committee who met the challenge of increased numbers. The Junior Nipper committee was outstanding. This year again we delivering an all 'inclusive' nipper program was the goal from the start. Elouera is a family club and we wanted to ensure this theme was continued. The amount of work the committee put in to create a solid structure for every kid was to say the least exceptional.

The training program was fantastic, providing ample opportunities for nippers of all standards. There we record numbers at board training which started in early September and went through to state carnival. I would like to thank the Water safety crew on a Sunday headed by Peter Bailey who do a superb job all year.

On the Sydney Branch BJD would like to thank Doug Hawkins, Chair and Peter King, Deputy Chair, for your commitment to Elouera and nippers in general. The development camps for the 11s and 13s were fantastic, and a initiative that should be continued.

This season was the busiest on record for carnivals. We hosted the 4 way carnival and Sydney Branch carnival, after it got postponed once. Darrin Lane was the key project guy who has everything organised. The work party, officials, BBQ helpers all did superb jobs. The chairperson Doug Hawkins from Sydney BJD and Competition Referee, Mike Roye were fantastic and mentioned the Elouera team pulled together like no other club. I agree!! Peter Williams on the microphone was a hit. Many thanks to our friends at other Bate Bay clubs who assisted with all facets of the carnival.

Without a doubt the most popular Sunday of the year was the in augural 'Elouera Carnival' held in November. We only had

team events, mixed up the skill levels to have even nipper teams - and it was a hit! Kids that did not normally win a place or a ribbon got one. The committee and age managers who supported the concept. The massive encouragement from parents, seeing their kids on the podium for the first time was sensational.

Again we push the surf lifesaving theme throughout the season. Every kid from U9s up spent some time using the tubes, learning communication signals and learning CPR.

As well, every, or most kids from Under 11s to U13s received their CPR proficiency certificate or proficiency. A few lessons throughout the season, and an assessment at the end of the season, meant 120 kids have now got an accredited SLS certificate. Many thanks to Tim Jurd, Warren Smith, Glenn Cairncross and Peter Carney for their help in training or assessment. Combined with the Surf Ed certificates - our nippers are more than nippers, they are part lifesavers!

It was very pleasing to see R & R and March past go from strength to strength again. Julie Walmsley was the driving force behind Elouera Nippers having more 2 and 5 person competitors than ever. The results at State reflected the huge commitment put in by Julie. Hannah Warner and Paul Douglas lead and taught the march past nippers to great success coming third at state, Thank you to our friends at Wanda SC who helped with R and R Training.

Nippers cannot function with the support of our many sponsors. The Tradies and Linfox as main sponsors were fabulous - and contributed to much needed equipment for the nippers, such as; manikins, rescue tubes, boards and tents.

The Surf awareness clinic held in early January was again a great success. Congratulations again must be extended to Ron Pear's and Robert Chapman. It is one of the best events anyone could ever be involved with. Large numbers of persons from the junior club were involved

- and I was very proud of the manner in which they conducted themselves.

The senior club takes a huge interest in nippers. For this I thank the board of management for the support over the season. Peter Carney played a hands on role, and was often doing water safety on a Sunday, at carnivals and attending JDC meetings. Everyone on the BOM were very helpful to me throughout the season. The one club policy to my mind is alive and well and I look forward to working with them next year.

Leadership qualities are very important and Elouera nippers had 4 outstanding Captains over the year. Captains Brianna Polson and Oscar Aalders and Vice captains Lauren Chadwick and Jake Anderson lead nippers with skill and were only too willing to assist when required.

Special mention must go to Brianna Polson who was the winner of the branch Junior Surf lifesaver of the year - announced in February. The prestigious award could not have gone to a better candidate. You have done Elouera Nippers and Elouera surf club very proud!!

In my second year as the Nipper president I had help extended to me from every angle. Thank you for the advice, support and encouragement to me and the JDC committee from everyone in the club. I had a tremendous working relationship with VP Darrin Lane - thanks for your support and look forward to doing it again

Lastly, but most importantly, thank you for the fantastic support given to me by my wife Tracey. She is the best and I could not have done it without her. With her own hectic training schedule she still managed to be on the beach most Sundays helping nippers out in many areas and provided weekly support for the many meetings I had to attend.

Last but not least is the NIPPERS. You guys are awesome. I had some very special moments again this season. I learned that if you only think about the nippers, and what they need, you will always run a good program. Thanks for making my life so full!

Steve Urquhart
Chairman Elouera JDC

Era SLSC

The 2009/2010 season has again been a success for Era SLSC. I would like to congratulate the management committee and the active members who have continued to provide voluntary lifesaving work in Royal National Park. I would like to thank all of the clubs sponsors especially the MCS and DHL for their support.

The club has once again recorded a good financial result this year is due to the fundraising efforts of the Narelle, and Bomber. It is without doubt these monies are the lifeblood for Era SLSC.

I am pleased to report once again the efforts of the active members are to be commended with 33 out of the 62 patrolling members achieved 100% patrol Attendance.

My role as President has once again seen me representing Era SLSC on both the NPWS Royal National Park Cabins Consultative committee (CCG) and the NPWS Regional Advisory Committee. There has been ongoing discussion with the National Parks & Wildlife Service regarding the surf club cabins and I was informed in April these discussions would commence soon. The consultation and negotiation process is still frustrating but I now come to accept how slow the NPWS bureaucracy works. I still remain optimistic an agreement will be reached

to ensure the 72 years of volunteer surf lifesaving activities at the three National Parks beaches continues into the future.

The Club was active in the Boat Competition arena this season with the U21's and the girls crew but unfortunately injuries prevented them from all rowing consistently. Thanks are owed to Stapo, twig and Jerry for their time and effort.

Era had 6 competitors at the Sydney Branch year. Will Mison was a finalist in the ironman and Aiden Martin came 6th in the flags. Monique Wood was a semi finalist in both 11 year flags and sprint at the NSW State championships.

The nipper section has continued with success under the new leadership and enthusiasm of the Todd and Sue Mison with all of the young members having a great time on the junior activity days. The annual nipper carnival was held at Garie this year and was a great day for all who attended. I would like to thank Sue and Todd for their great work and effort.

To the members of the club who received the club's perpetual awards well done you were all worthy winners, these awards are a great way of recognising the members who have been the high achievers for the past season.

In closing I would like to thank the entire management committee for making the meetings so enjoyable. Special mention to Kelly, Stapo, Jerry, Petrina, Adam, Todd, Womble, Brandy, Shane Narelle and Bomber for the amount of time and work they have all contributed. I would also like to remind other members of the club to consider putting their hands up and standing for a position on the committee for the next season.

MarkWood

President Era SLSC

Garie SLSC

This past season of 09-10 has seen Garie SLSC beginning to gain more members both in the junior ranks and in the patrolling membership.

However our club is still falling short on a full compliment of active patrol personnel. In order to keep maintaining our record of 'no lives lost whilst the beach is patrolled', we have welcomed the assistance of Coogee SLSC, Maroubra SLSC and support from Wanda SLSC. The club sincerely wishes to express its gratitude to these clubs and believe that their visits to Garie were enjoyable and fulfilling.

This season, our hard working Chief Instructor and his team have put an enormous amount of effort into the training of new recruits and we should see the benefits when the new season starts. Overall, the awards gained were 49 for the season with more still in training during the off-season months. As well there were 87 nipper awards, bringing the total awards to 136.

Of the new recruits, several parents of the nippers have been enthusiastic volunteers and are wholeheartedly participating in the training and becoming fully qualified members. This enforces our belief that we are on the right track in encouraging the whole family to be involved in lifesaving. As a beach that does not have any public transport, members must be able to have their own means of attending patrols and that is where family members are invaluable.

Between October and April 09-10, Garie SLSC performed 3,855 man hours on patrol and this is a remarkable feat given the small number of active members. The season saw large seas regularly and the shore dump kept our patrols busy. There were 55 rescues performed and 237 preventative actions and 113 First Aid cases and a search and rescue at our neighbouring beach at Wattamolla. Because of our isolated bush surrounds, there are often injuries with bush-walkers, rock fishermen, picnickers and road

accidents and our patrols need to have expertise in all facets of lifesaving, not just surf related incidents.

On the competition front, Garie SLSC was again host to the Sydney Branch Surf Life Saving Championships and achieved a number of medals including Sydney's U19 Champion Lifesaver. This competition has inspired our newest, younger members to strive for those medals that for many years have eluded our club. It was very pleasing to see this renewed competitive spirit amongst our members as it generates pride in the club and its primary purpose.

The 2009 'Garie Dash', our premium event, surpassed all previous carnivals with a record 72 crews attending. As this event is held "away" from our home beach the logistics involved ensuring that all equipment is in the right place at the right time is a challenge. The continued growth of this event is testament to a small, determined workforce, and we are justifiably proud of our efforts. This could not have been achieved without the dedicated involvement of several boat competition stalwarts from the Sydney clubs who have guided our club throughout since the inaugural "Dash".

Garie's nippers were also very keen in the competitive arena. They had a small contingent attend the South Maroubra Junior Carnival in December and the NSW State Junior Carnival at Swansea in February. Another small team attended the Sydney Branch Junior Carnival at Elouera in March and acquitted themselves well despite challenging seas. The season also saw Garie host the Royal

National Park Junior Carnival in January. This participation amongst our young members and their families gives our club the encouragement to strive for greater achievements.

On the social scene, a few outstanding events ensured that our members were able to have 'fun' and cement friendships between the old and the new members and visiting clubs; an atmosphere that was not possible in the recent past because of inadequate facilities. The Fisho's competition was a great success with everyone clamoring for the next event and last year's Presentation Night was a very enjoyable evening. The new clubhouse was also the scene of many friendly gatherings after patrols as members lingered on to avoid the late afternoon traffic snarls.

Of course, our club would not have been able to function adequately at all without the support of the grants that enabled the purchase of new rescue equipment. As well, we are very grateful for the donation of rescue and competition boards from a couple of the Sydney Branch clubs. Without these friendships, small clubs could not survive and on a personal and club level, I wish to thank Surf Life Saving Sydney Branch, Surf Life Saving NSW and Surf Life Saving Australia and their associated sponsors for all the financial benefits extended to our club.

Rita Taylor

Hon. Club Secretary

Garie Nippers

2009/10 was a fantastic season for the Garie Nippers. Numbers increased yet again, making for quite a buzz on the beach and afterward in the clubhouse on Sunday mornings. We were blessed with lovely warm weather for most of the season, and the oft gnarly Garie surf kindly allowed us into the water on more Sundays than not.

Thankfully this rise was matched by a huge increase in the number of registered Age Managers and Helpers, which made things run ever so smoothly on the beach. Several parents took the opportunity to become qualified to provide water safety, with 6 attaining their Bronze Medallions in November.

Our club was well represented at several Surf Sports Carnivals where we experienced both the triumphs and the upsets of life saving competition.

A handful of Garie Nippers competed in the friendly **South Maroubra Junior Carnival** in early December, gaining valuable carnival experience, as well as a treasured silver medal, on a relaxed and happy day for all.

The weather gods blessed us again when Garie hosted the **Royal National Park District Junior Carnival** on January 16. Unfortunately we were put to shame by Burning Palms this year, in both point score and number of competitors, and

even for the average point score per competitor (we tried hard to make it a Garie win somehow!). Next year the challenge is on.....

Ten Garie nippers and their families set up camp early at the Swansea Gardens Caravan Park and spent the next three days fronting the events and putting in some serious socialising at the **NSW State Junior Carnival**.

The surf conditions were not ideal. But a gutsy effort was put in by the three Garie girls who took part in the swim events, all of whom were cheered on to the finish line. Garie proudly showed the club colours in the March Past. They looked great and received a couple of favourable mentions by the carnival announcer.

The Garie team displayed outstanding sportsmanship in the face of high seas and challenging rips at the **Sydney Branch Junior Carnival**. Also, still no medals, but one of our U10 girls made it to the finals for her swim, which she completed, and

we all know this alone was an impressive feat !

Four Garie nippers attended the U11 and U13 development camps held by SLS Sydney Branch, developing teamwork and leadership skills, as well as life saving skills, while having more fun than anyone could imagine.

From time to time life savers from other clubs help out with beach patrols at Garie, and they are always delighted by friendly atmosphere of Garie nippers. The Coogee life savers, in particular, were marvellous, taking kids individually by the hand to guide them through the tumultuous waves.

Other highlights included our Christmas party, complete with a visit from Santa on the quad bike, Twilight nippers in early January, and a tremendous turnout for presentation day.

Dimity has been a great asset to the Garie Nippers again this year, it is a big job getting the season started setting calendars, proficiency swims and registrations whilst trying to keep everyone happy, Dimity has done this and MORE with ease. Countless Emails reached our computers this year keeping us all up to date with carnivals and social events. "Job well done"

To cap off a successful season, three of the U13s gained their SRC (Surf Rescue Certificate) in March. They have already done some patrols on the beach, and will be ready to help with water safety next season.

Maroubra SLSC

It is my sincere pleasure to submit a summary for the 2009/10 season for your consideration.

Each year the Board of Management (BOM) is faced with many challenges. The challenge of supplying our members with the support and resources to effectively patrol Maroubra Beach to save life's is fundamental and I am proud to announce another year of "No Life's Lost"

Although Surf Life Saving has been apart of Australia's culture for over 100 years, the evolvement of the service is fluid and we must constantly modify our approach towards the delivery of surf life saving services in order to meet and reflect modern society trends and attitudes. We are fortunate at Maroubra to have a wonderful blend of experience and youth that sees Maroubra think outside that square and evolve with the times.

Our members continue to be our greatest resource and advocates of the dedication required to be a surf lifesaver. Our life saving team led by Trent Thomas has again proven they are supremely efficient in the delivery of the service. The current Board of Lifesaving as well as all our voluntary lifesavers is as dedicated, passionate and committed as we have ever had in our 104 years history. In this annual report are the results of Surf Life Saving Sydney's Award of Excellence for the 2009/10 season, our member's outstanding efforts seen them receive some of the branch's major awards. My congratulations goes to all nominee's and recipients of these awards.

Maroubra members were called upon for a second year to assist other surf clubs who are lacking members. The clubs to receive Maroubra's help were Garie, Scarborough Wombarra, Coalcliff and Fairy Meadow SLSC. These efforts enhance Maroubra's dedicated surf lifesaving reputation along with speaking highly of the individuals who give up their time to help other clubs in need who are not in our region.

As you are aware the Australia Surf Life Saving Titles were cut short this year by the tragic death of athlete Saxon Bird. This was the ending to a competitive

season that no one wants to see again. Through the efforts of the club coaches those members who competed throughout the year had success at local, branch and state titles. I congratulate all our competitors who take up the challenge of surf sports and put in many hours of training and competed to the best of their ability.

I would like to acknowledge the efforts of all the BOM and standing committee members. It's a simple philosophy that if we all work together and head in one direction the club will flourish, grow and be a successful community club providing many opportunities in people life's.

Our thriving nippers are integral to the clubs success. It's a well known phrase that the "nippers are our future" and this has been the case for many years now. Many of our young members have been graduates of the Junior Development system and the retention of these members is something Maroubra can boast about. It's also great to see so many parents become involved in the club and become patrolling lifesavers as well. Our patrolling system for the parents is innovative and has had a positive effect on the overall membership.

It was of great sadness that Maroubra lost one of its' great stalwarts through the year in Adrian Charles Molloy, known to all as Charlie. Charlie was Maroubra SLSC Patron at the time of his passing, a position that he was extremely proud to hold. He held many committee positions over his surf club career including being Captain and President. He was an honour blazer recipient, a life member and was Mayor of Randwick during his political career. We remember and honour Charlie each year when we get together with the other surf clubs from the Randwick City Council area. I am proud to announce that this season the Maroubra competitors were outstanding and we won the pointscore for the Molloy Shield. The shield has been in place for a numbers of years now and Charlie will be remembered

for many years to come.

Our lifesaving partners Maroubra Seals Sports and Community Club has again provided financial and moral support to the surf club. To Alan Langford and the Board, thank you for all your efforts that directly benefit the surf club. To Peter Redding and his management team and staff your assistance in administration, logistics, personal support and advice is always appreciated.

I also wish to thank the registered clubs that support us through their CDSE contributions South Sydney Juniors, Randwick Labor club, Matraville and Maroubra RSL, as well as Auspac Finance, Westpac Bank, Bay Wash Dry Cleaners, 2036 designs and Maroubra Locksmith. We look forward to long and harmonious relationships with all our sponsors.

The 2009/10 season has been another excellent year and we remain in an exceptional position to build on previous years of hard work. I conclude on congratulating all our members in making Maroubra Surf Life Saving Club a dominate force in surf life saving and look forward to working with all members to reinforce that position.

Tim Murray

President

Maroubra Nippers

The 2009-2010 season for our Maroubra Seal Pups was unfortunately a controversial season for us with the resignations in early 2010 of John McLoughlin as the Director of Junior Developments and Barbara Macintosh from club clothing co-ordinator.

Membership numbers for the season were slightly lower this year at 525, down from 550 for 2008-2009. Once again this season finished with the Maroubra Seal Pups in a very strong financial position. Yet again we contributed over \$5200 to the club's building maintenance fund. We also donated approximately \$2000 of clothing to our senior club Australian Titles Touring team and another \$2000 of clothing for the senior club Presentation Night. The decision to make these donations to the various sections of the senior club was considered, by the junior activities committee, as a sign of the strong ties that bind the junior and senior clubs together.

This season has also seen the upgrade of the majority of our foam and fiberglass boards with approximately ten new foam boards and ten fibreglass boards delivered throughout the season. At the end of April 2010 we also ordered five new Malibu racing boards for the U14s competitors in the next season, 2010-2011. These boards will be delivered in June 2010 ready for the long, cold, off-season training ahead.

Once again our Sunday morning BBQs were a great source of income and also popular with both the kids and adults. This season has seen another great season or parents obtaining their Bronze Medallions. The Seals Pups also provided five Junior Activities Patrols for the season.

Training:

Our training timetable was extensive and well attended. Three water training sessions were undertaken each week, offering surf/water skills and general fitness. A huge thank you to Anthony El-Chah. Again this year Brian Purdon coached the march past team to a very successful season. Nippers would like to extend a big thank you to Brian for all his time and effort.

Carnivals:

This season's State Titles were held for the final time at Swansea Belmont and a fun time was had by all, with Maroubra competitors competing over three days. Congratulations to all competitors who represented us throughout the season.

Our Helpers:

When a club has a membership of over 500 children, this requires serious hands-on help. We are very fortunate to have over 50 highly trained water safety personnel lead by Tony Grivell. A massive thank you to Jason Peterson and Anthony El-Chah for setting up the water areas, week in and week out. To our age managers and their assistants who work every Sunday, helping and teaching the kids – your work is invaluable and very much appreciated by both kids and parents.

Our workers on the BBQ are absolutely awesome and it's a service that we all enjoy but is very often taken for granted. To Alex and Steve, and Jo and Steve, this could not be done without you. A big thank you from me to all members of the senior club Board of Management for all your assistance and guidance this season. Thanks also to Paul Scullion for your guidance and friendship throughout the season.

To all the members of the junior activities committee – without you Nippers would not be the fun, enjoyable place we strive for it to be, week in and week out. Finally to John McLoughlin – your assistance to me since you resigned has been invaluable and will not be forgotten.

To our amazing sponsors – without you none of this would be possible. We enjoy a close relationship with the Maroubra Seals Sport and Community Club as our major sponsor. We appreciate the personal support that is shown to us by the club and the Board of Directors, management and staff.

Steven Hayes

Director of Junior Developments

North Bondi SLSC

The culmination of 3 years of hard work by our Design & Development Committee saw Waverley Council recently approve the development application for our new Clubhouse. This demolition of the existing structure and rebuilding will ensure that we have the best lifesaving facility in Australia.

With our final fundraising endeavours in full swing the target date to start the project is April 2011. This building will enable us to grow and further expand our community charter.

Lifesaving is our core activity and the past season saw tens of thousands of voluntary patrol hours performed. This is an incredible benefit to the beach goers who comprise our local community as well as a great many visitors and tourists. We have over 500 active volunteers ready to assist on one of the world's most famous & busy beach and North Bondi has saved almost 14,000 lives since inception in 1906. The professionalism and dedication of our patrollers is commended.

Education at North Bondi is a key focus of our operations. The Club embarked on a strategy to up skill our members with higher awards and was very successful with this initiative. A further focus was to encourage Nipper parents to obtain their bronze medallions and the Under 14 Nippers to obtain their SRC award which has been achieved. It is pleasing that the number of awards at North Bondi remain high thanks to the efforts of our Education Team.

Junior Activities see over 800 Nippers registered with the key focus to develop surf sense and safety skills, participate in healthy activities and to have fun and enjoy the experience. The Age Managers and parents who assist do a sterling job with this undertaking and ideals of SLSA and the Club are well looked after. A focus on further developing the surf sports area of Nippers was undertaken and the results at many carnivals and in particular the Branch & State titles were very pleasing.

Competition saw Club members participate in all Sydney Branch, State & Australian carnivals as well as many other

events. With the tragedy witnessed at the Australian Titles the season finished not as planned for most of our surf sports members. It was pleasing that our Under 17 March past team made it 4 titles in a row and the Open team grabbing a silver medal after a countback for gold. To be able to boast that we are the most successful March past Club in 2010 is no mean feat. Siobhan McCarthy bettered her 2009 achievement with a silver medal in the 2km beach run.

The Club continues to provide many community events including our 2 ocean swims, Roughwater Swim in January and North Bondi Classic in February. The Bondi Barefoot soft sand run was held for the 7th year in May and numbers continue to grow in this event. Australia Day sees the Havanias Thong Challenge which is a huge undertaking involving our members. These events all provide avenues for the community to participate safely in fitness or fun events as well as generating much needed income to run our voluntary operations. We thank Waverley Council for their continued support of these events.

North Bondi looks back on a very successful season and importantly looks forward to 2010/11. Our 3 key strategies for the coming season are:

1. Youth Development; increasing 14 year old to 19 year old age group member numbers; greater participation in education and surf sports areas; retention.
2. Clubhouse Rebuilding; the relocation, demolition and rebuilding of an icon.
3. Rewriting of Club Constitution and Rules

Grant McMahon
President

North Bondi Nippers

2009 – 2010 nipper season began with registrations of over 800 again. Our Under 6 and Under 7 age groups by far the most popular with over 350 in these alone.

The year began on a positive note with 36 new boards being purchased for use within the club. This was especially good for the younger age groups as brand new boards were being used to learn on.

All nippers were put through the paces with the current NSW Surf Life Saving Surf Awareness Program. This was implemented by the Age Managers extremely well with nippers becoming more familiar with their surroundings at both the beach and North Bondi Club House.

This year we had 31 Under 14 nippers complete their SRC. This will encourage them to continue on in North Bondi's senior club and remain active members. We had a strong push this year to encourage parents of nippers to complete their bronze medallion. We successfully had 13 nipper parents complete this course. Congratulations to them and we look forward to an active involvement from them all this coming season. The committee was also successful in gaining 5 more parents to complete their officials course. Both the Bronze and Official

holders are very important aspects if North Bondi Nippers is to become a more competitive club as we require these support mechanisms to ensure we can have as many competitors as possible competing at carnivals.

The Waverley shield was held at Bondi this year and North Bondi were successful in obtaining the shield back! Congratulations to all competitors and parents who made it such a successful day in all regards – let's hope we can retain it again next season.

This season saw the development of more training on both the beach and water. There is no doubt the training program implemented has been successful with North Bondi obtaining such great results at Branch, State and numerous other carnivals. We received in excess of 70 medals at the Branch Championships, 8 individual medals and 5 relay medals at the State Championships – by far our best result ever. This was a fantastic effort by all concerned. Again – congratulations to all competitors and trainers.

John Stevens stepped down this year as Junior Activities Manager with Jim Walker taking over the role. Debbie Holland stepped down from Junior Activities Co-ordinator with Melissa Suriano taking over for the season. They had huge support from an ever increasing committee and thanks must go to all concerned.

We are looking forward to an even bigger and better season this coming year. Good luck to all.

Jim Walker

JAC Manager

North Cronulla SLSC

With my first season as President almost over it is interesting to reflect on what was a year of great achievement in many areas, tempered by the tragedy at the Australian titles at Kurrawa.

Our major achievements this year reflect the community basis of North Cronulla Surf Life Saving Club and the organisation overall. Our members volunteered in excess of 12,000 hours of their time to keep beaches safe. Our training team put through over 670 new awards further adding to the pool of people trained to render assistance to the wider community. Our patrols rescued 142 people and we provided a safe and healthy environment for over 500 junior members.

It is gratifying to note that the statistics recorded this year show a decrease in rescues, with an increase in preventatives, indicative of the approach to lifesaving taken in the Club and a credit to our Lifesaving Director, Darren Thorne. We can justifiably look back on our eighty fifth year with pride.

The season got off to a flying start with a mass rescue of 4 students from India on their first outing to the beach in Australia. This occurred just a matter of weeks before the official start of the season and, fortunately for the students, just at the end of our club working bee. The rescues and subsequent resuscitations were conducted by club members from North Cronulla with assistance from members of other Bate Bay clubs who happened to be around at the time.

A major event this year was the ceremony recognising the posthumous award of the Silver Medal for Bravery to Major James Peryman. The event was well attended and brought home to us all the true nature of our organisation and the community focus that drives it. Here was a classic case of a man who put his community before himself, in this instance with tragic consequences. He was a man who will never be forgotten.

One of the highlights of the year was undoubtedly the visit from a group of young people from the Northcott Society.

This was a wonderful morning where our members hosted these disabled young adults. We took them out into the surf, dunked them in the pool and bounced them around in IRB's. The obvious delight the youngsters demonstrated was only matched by that shown by our members. We finished with a BBQ round the pool. This is an event we would like to make a regular occurrence.

Another highlight was the establishment of the Tom Payne Memorial Grant which was established in memory of the great club stalwart whose name it bears. The grant was established by the late Tom Payne's business partner, also a club member, Brian Salisbury. Brian came to us with an idea and then proceeded to knock on the doors of a number of major Australian insurance companies who, along with Tom and Brian's insurance broking company, contributed between \$5,000 and \$10,000 to establish the fund. Each year a sum of money from this fund will be awarded to a club member to assist them in achieving a goal they are working

towards. This year's recipient received assistance to purchasing equipment which enabled him to represent Australia in a junior kayaking event in Germany.

Our patrols continued to perform well, dropping only a handful of points overall in the patrol inspections and the high standard was obvious to all. North Cronulla is probably the club with the highest visibility in Bate Bay with the relatively easy parking and the constant stream of events held there ensuring that we are always under scrutiny from the general public. It is therefore incumbent upon us to ensure that we maintain a high, professional standard in the way we go about our business, and in our conduct. I am proud to say that our members do just this week in and week out and still manage to keep it fun so that our younger members want to keep coming back.

The tragic loss of a young lifesaver at Kurrawa impacted on us in many ways and probably more than most of us care to admit. It reinforced the need to respect the ocean and to be conscious of the need for vigilance when around it. It was a timely reminder that it is the people at the "pointy end", the people out there doing the business week in and week out who are the lifeblood of the Clubs and therefore the organisation. These people do have skills, they understand the ocean

NORTH CRONULLA SLSC (CONTINUED)

and particularly their local environment, and their knowledge is worthy of recognition. All knowledge is not vested in the few within the bureaucracy that seems to continually be seeking to impose its own from on high with no regard or respect for the volunteers they are there to serve. Our volunteers are the organisation; they deserve respect, to be looked after and to be listened to.

In any organisation there are difficult issues which come up from time to time. This season has been no different.

Many of the issues were a direct result of the lack of input into decisions made, from the clubs and members affected by those decisions. The continual attempts to ignore local, experienced lifesavers who know their beaches and understand what is necessary to properly do the job they are entrusted to do, has been an unpleasant and unfortunate feature of the Support Operations and Lifesaving Groups over a number of seasons. This season unfortunately set a new benchmark and looks like continuing.

North Cronulla, along with the other clubs in Bate Bay showed vision, leadership, innovation and courage, in the face of self interest and intimidation, in developing the Bate Bay Beach Management Plan in consultation with our local Council. In

doing so it was unfortunately necessary to point out a few home truths about some of the equipment being imposed on the District clubs. Whilst this was unpopular and attracted much biased and ill informed commentary, there is no doubt that recent events, together with Sutherland Shire Councils plans for the future, have shown the wisdom of the District position.

It is always preferable to work these issues through in a collaborative fashion,

however, when conflicts of interest fail to be recognised and dealt with appropriately, community interest and needs, not to mention facts, are frequently a victim.

With all of these negatives taking up so much time and energy, it is easy to overlook all of the positives that came out of the season, but it is imperative for the overall health of the Branch that we do focus on the positives.

Looking to the future, the mooted changes to the Constitution of the Branch will hopefully go some way towards redressing the balance so that the people who make up the organisation, the Clubs and their members, actually have a say in the future of the Branch and that those entrusted with Executive positions represent the wishes of the Branch, not those of themselves and other vested interests external to the constituent clubs and their members that are the organisation.

Within North Cronulla, we intend to continue to expand our community focus and look forward to another successful season next year.

North Cronulla Nippers

Our year started on a sombre note in May with the scattering of Barney Johansson's ashes: the great man's amazing contribution to youth development at North Cronulla will long be remembered.

Thereafter the nipper committee, led by Geoff Budd commenced its work. Winter board training each Sunday morning saw bigger numbers than ever.

Registration days in September/October gave clear warning as to what was to come: numbers were excellent and many of the proficiency swims were simply outstanding.

November commenced with our U14's trip away. After the better part of a year of fundraising: raffles, bingo nights, golf and snowcone refills, the squads jumped a flight to the Gold Coast. Reports back were that all involved had a brilliant time and were a credit to our club.

On the competition side, the year was simply outstanding: 3rd place in the State point score was a brilliant result and just reward for the efforts of our competitors, their trainers and squad leaders. In addition to the state titles at Swansea, our Nippers successfully competed in large numbers at the IMB Carney at Cronulla, the South Maroubra junior carnival, the Bate Bay 4-Way, our own Junior Iron Person Classic, the Branch championships at Elouera and a host of other events. It would be remiss not to send congratulations to our northern

neighbours: Wanda's 2nd place at State was a wonderful effort.

To all our U14's who have graduated from Nippers, youth development director, Lee Howell awaits. Very best wishes in your future lifesaving careers. Congratulations on obtaining your SRC's and on the patrols you have completed. I can guarantee you will be encouraged every step of the way.

Their might be time off during the winter months for most surf club members, but not so for the administrators. At junior branch level, we commenced our monthly meetings in July with a brand new executive, Doug Hawkins in the Chair and Jackie Parker, taking on the role of secretary. Sydney branch has 15 clubs and thousands of nippers. Setting up the communication lines and organising our branch activities doesn't happen by fluke: it is a monumental task. The simple fact is that without the contribution of people such as Doug and Jackie, with the assistance of the very helpful staff at branch office, our branch could not continue to function as well as it does. Northies congratulates the branch team for the work they put in this season.

Our own education officer, Don McGroder

and his partner "in crime" Ian Chandler, should also be congratulated. Both were tireless in "spreading the word." Getting around the many squads as often as they did and ensuring the many surf education targets were met was brilliant. Don is now off with his lovely wife touring the country with an Adventure before Dementia sign swinging off the back of his van. He surely deserves the break.

Thanks from Northies should also go to the Board of Surf Sports, headed up by Branch Director, Mike Vitnell. The task of scheduling carnivals, filling appointments and complying with SLSA surf sports policies is a difficult and often thankless one. This year particularly so, with weather conditions forcing postponement of the junior branch carnival. Special mention here has to go to Steve Urquhart and his team at Elouera. The work they did in organising the re-scheduled carnival was top quality and in no small way was responsible for what turned out to be an excellent carnival.

BOSS should also receive a pat on the back for the number of surf sports official courses run during the year. The result of that initiative was obvious: carnival after carnival saw large numbers of new faces in the form of probationary officials.

The emerging athletes and high performance programs bore serious fruit in December with a wonderful victory by our branch squad in the inter-branch carnival at Cape Hawke.

Once again the off season sees Northies nippers powering. Sunday morning board training has already commenced and again numbers are excellent. There can be no doubt the contributions by the coaches, water safety and squad leaders during the winter months have laid the foundation to the steady annual improvement of our nippers in surf sports. Our U13 parents/nippers are in full swing raising funds for their trip (again to the Gold Coast).

Looking forward to another successful season.

Michael Day

South Maroubra SLSC

Friends and fellow Lifesavers, it with great pleasure that I report on the 2009/10 season on behalf of all members here at South Maroubra SLSC.

Like most clubs in Sydney Branch we have experienced another exhaustive year with many activities and challenges. These challenges could not be met if not for the dedication and commitment by generous community members and lifesavers who are dedicated to providing lifesaving services throughout the community. Surf Lifesaving Clubs represent a beacon of hope for our communities at a time when we really need that hope. We provide opportunities for all generations, a safe and friendly environment, opportunities to learn, to give back to the community, to participate in good clean sport and most importantly we support the main activity that has made Australia the country it is today, that is volunteerism. Ocean and Beach activities have never been more popular and with this popularity come greater risks and frequent accidents therefore making Surf Lifesaving more relevant then ever in its history.

To all those members who Patrol our beaches, train our lifesavers please accept my personal thanks, I'm sure I speak on behalf of all Presidents within the Branch when I thank friends and members from each respective club who contribute to the day to day, year to year activities and operations. I specifically

would like to thank my fellow Board members here at South Maroubra who work to keep our services going. **They may not always receive awards or recognition but regardless of this their contributions are essential and vital for our operations.**

I take this opportunity to note in this brief report, and I direct this to any person, organisation that may read this report and **contribute financially or materially to any Surf Club** we thank you. Whilst in many cases you can't be part of the club in an operational lifesaving sense you become part of the club by supporting our respective activities and are vital to our operations.

Finally on the acknowledgement front we thank the professional Administration of Sydney Branch and staff that provide the support, advice and direction for clubs. As far as the 'Board' of Sydney Branch is concerned I guess it would be fair to say we experienced a mixed year with plenty of rigorous debate, differences and challenges. My advice to all those who sit on the Sydney Branch Board is simple, make the decisions that are right for the Branch and Organisation rather than individual clubs. On behalf of South Maroubra I thank Directors of the

Branch in particular outgoing Lifesaving Director Michael Hodson who has capably performed the role for a number of years.

In 2009/10 our 50th Lifesaving Season, we conducted our second **Junior Lifesaving Carnival** which is now a regular feature on the lifesaving carnival being held in **December** each year. This carnival brings with it real competition in quality conditions on a quality beach. I take this opportunity to thank the many members and officials who contribute to this quality lifesaving event. I would also like to take the opportunity to thank the many parents and fellow lifesavers for their positive comments about the carnival and invite all to be part of next seasons carnival which is guaranteed to be bigger and better. My thanks to our club carnival officials who made the event so successful and members who supported the event.

Still on the carnival front, it was great to return to the home of the Aussie Titles at Kurrawa Queensland. Whilst the location is great for accommodation and competition, the location and conditions can vary greatly and given the time of the year which is within the cyclone season the management of the event requires a clear and committed focus on safety. Sadly the issue of safety and the need to constantly focus on this issue was rammed home to everyone with the sad passing of Saxon Bird of the Queenscliff Club during an event at this year's Aussies. A champion person, champion athlete and champion Surf Lifesaver. On behalf of our club we again pass on our deepest sympathy to his family and fellow Club Members and friends at Queenscliff SLSC. RIP Saxon.

In this Branch report I take the opportunity to acknowledge our Boat section here at South Maroubra SLSC who took out the Aussiebum Boat Club of NSW. These guys and girls put in a great deal of effort throughout the season which also resulted in a first and fourth place at N.S.W. State titles. Well done and great things ahead for this section of our Club. I also acknowledge the great effort of our nippers who achieved some outstanding competition results throughout the year culminating in numerous State medals,

NSW ARL 'AUSSIE BUM' SURF BOAT CLUB OF THE YEAR

South Maroubra Nippers

our Masters at State and Aussies who achieved some magnificent results and finally our Open Competitors at Branch and State who also performed extremely well.

On the Club front like most clubs in Australia, our club is facing a range of challenges in the coming season. I look forward to working with the Branch and our team at South Maroubra in addressing those challenges head on thereby further building South Maroubra's standing in the lifesaving community. I make specific mention of two challenges specifically the complexity of Education and provision of Lifesaving Services that reflect the organisational requirements as two of our greatest challenges. I hope those at State and Australian level who continue to role out complex and demanding requirements for club understand the strain they place on our clubs. Having said that I would very much like to congratulate Cathy Hall our Education Coordinator along with our Club and branch Trainers and Assessors – 144 awards and 396 Nipper Surf education Awards.

On a positive note I welcome any new members interested in joining our great club, I thank President John DeCean and his team at Sydney Branch, **I thank our fantastic Council in Randwick City Council capably led by Mayor Procopiadis, General Manager Ray Brownlee, Councillors and their terrific staff.** I also take the opportunity to thank our major and long term sponsor in **the Maroubra Seals Sport and Community Club**, a terrific Club well led by President Allan Langford and General Manager Peter Reid, both terrific guys and with the Board of Management, all great supporters of Surf Lifesaving generally. I also thank our other major supporter in **The Juniors Club at Kingsford** who like the Seals have also been magnificent supporters of Surf Lifesaving in our District.

Well that about does it for us, I wish everyone an enjoyable off season, and look forward to another exciting season in the 2010/11.

Paul Fownes
Chairman

It is with pride that I report on the nipper season of 2009-2010 on behalf of my club South Maroubra.

On reflection the season seemed to fly by as we tried to fit in 16 Sunday weekly activities, 12 Nipper carnivals, Surf Education for every nipper, Parent Inductions, Nipper BBQ's, Twilight Nippers, Trivia Night & Raffles, Touring Teams, a comprehensive weekly coaching program and a weekly pointscore.

As always we kicked off the season with two registration days in September with a total of 394 nippers joining which is steady in comparison to previous years. After two solid weeks of member data entry into the Surf Life Saving membership data base system – surfguard, we were ready to commence activities in October and plough through the task of proficiency testing 240 nippers in open water under freezing conditions. Thank you to all club members involved in this compulsory and important start to the season with special congratulations to all of our nippers on their swimming efforts – 94% of eligible nippers passed the associations proficiency. Also at this time all nipper children that wished to compete throughout the year completed an additional 'longer' ocean swim proficiency – challenging not only the children but the vigilance of all age managers, water safety & patrol members however through this process it became evident that we had some great swimmers amongst us and we were very proud that 78% of our nipper membership were now eligible to compete for the club - thank you to you all that assisted.

Another mandatory obligation placed on our nipper committee early in the season was an induction process for all club members & parents that wished to assist with nipper activities. We held 2 parent induction courses with a remarkable attendance resulting in 128 nipper parents joining our club as 'fully inducted' general members, representing a 300% increase in this club membership category. I personally thank each nipper parent that assisted throughout the year and were part of the 'red shirt' brigade.

Surf Education for every nipper was the third obligatory activity that the nipper committee tackled in the first few months of nippers with each group having a minimum of 11 lessons to get through. The Nipper Surf Education is designed by SLS Australia and is a comprehensive age based 'lifesaving skills' program. My gratitude and appreciation is extended to each Age Manager for their delivery of this important program – with our club achieving 96.7% completion rate.

On the competition South Maroubra had a very dedicated group of nippers that once again competed with distinction at the Forster, Cronulla IMB, 4 x Sydney Water Series, Nth Cronulla Ironperson & Sth Maroubra Carnivals throughout the season. Our club introduced a Nipper March Past team at the beginning of the year and I thank all those involved in this process. A large number of our nippers showed up for the Randwick District Nipper Carnival and we presented a team of 70 at the Sydney Branch Age Championships. Results from the Branch show that our club medalled in 20 events with 39 children or 55% of our team receiving medals and many more making finals. In February 2010 we sent a team of 54 children to the NSW State Championships Carnivals where 15 South Maroubra nippers gained medals (27% of the team) and a further 21 nippers (66% of the team) made finals. South Maroubra placed 12th in the overall State Age point score out of 129 NSW clubs. A truly magnificent effort for a very small nipper club and one that we are very proud off.

On behalf of our club and the South Maroubra nippers I thank our wonderful club nipper coaches – Kim McJannett – surf; Grant 'Paddles' Rutherford, Mike Vitnell, Erich & Greg in the Board section; Max, Phil, Carl & John in the beach section & Linda Perrin in March Past. Your efforts, expertise and dedication each week genuinely rubbed off on the kids. To the Coaches, Officials, Water Safety, Managers, parents and children that make up the South Maroubra

SOUTH MAROUBRA NIPPERS (CONTINUED)

BRIANNA SEERS

Competition teams – I congratulate you all on a wonderfully successful & friendly year – the results speak for themselves and I am immensely proud to have been a part of the journey with you all this year.

This season our nipper program included a Saturday twilight nippers activity instead of a traditional Sunday AM. This new initiative for our club was extremely well received and enjoyable and will result in more twilight activities in the future.

The South Maroubra Jnr Carnival was again held on the first Saturday in December and in its second year was most successful with our club enjoying a 250% increase in entries. It was great to see so many Sydney clubs support our carnival and we thank Sydney Branch BOSS Officials and BJD for their support. It is extremely important for clubs within Sydney Branch to assist the branch in

hosting junior carnivals to allow Sydney Nipper competitors the opportunity to practise their skills within their own branch. It is equally important for our club that our carnival date remain consistent each year (being the 1st Saturday in December) to allow for annual patronage and carnival growth. It is pleasing to announce that at this year's carnival we will introduce R&R events into the program.

Our nipper section welcomed a few new sponsors/supporters to our ranks this year with special mention to Franklins Maroubra & Woolworths. To the clubs major sponsors, The Maroubra Seals Club, The Juniors, Randwick and Botany Bay Councils and to all the other contributors – the largest section of South Maroubra Surf club thanks you for your financial support.

Our nipper committee thank Sydney Branch for hosting the Lifesaving U11 & U13 and Board of Surf Sports Camps and to Mike Vitnell and crew for the great Emerging Athletes Program that is currently provided to all competitors. It was great to see that a number of South Maroubra club members made their way into the Sydney High Performance and Development Squads. Congratulations to our member Callum Good who collected the BJD Junior Lifesaver of the year award and to Brianna Seers who was awarded the Sydney Jnr Female Athlete of the Year trophy.

Yvette Rutherford

Director of Youth

Tamarama SLSC

I would like to congratulate everyone on yet another season finished with 'No Lives Lost'. I know for many this has been a particularly trying season with more issues off the beach than on the beach, but I thank you all for all your efforts. It is definitely worth the effort when we can finish yet another season keeping our record intact.

Also away from our efforts on patrol our Ocean Swim has yet again been an enormous success. The effort everyone put into it was fantastic and it was great to see us get so many swimmers in the water considering the conditions. It was a shame we did not get everyone into the water, but it was definitely the right decision to stop the swimmers when confirmed shark sightings had been made. I think we had close to 800 registered swimmers on the day, which is a fantastic turn out and has certainly put Tama on the Ocean Swim Calendar as one of the toughest swims out there.

The renovation project is continuing slowly, as most would know we had several issues over the year to overcome to get everyone one on board and we have finally got over the contract hurdle with our preferred architect. This process proved to be much trickier than I had anticipated and what with everyone's work commitments etc, we hope to gain momentum again going into next season. The MCA bash we had in November was a huge success and got us a great deal of publicity. I am hopeful we will have

the new designs to show the Club at the AGM. The designs for the boatshed and kiosk are still with council, currently at DA stage and I recently attended a meeting where more issues were discussed with objectors. All things being equal we have secured more storage space in the park and that building should start this November.

This gives more space to use up at the Club house and reduces OHS issues with having to drag gear up and down the steps. We are currently applying for grants and still in need of large amounts of cash. It seems that most of the Club is very busy with their day jobs, so please volunteer some time or expertise if you can when asked. The next big fundraiser will be at the start of the 2010-11 season, by which time I hope we have submitted our Club approved plans to DA. There will still be plenty of sausage sizzles, dinners and more events as next season goes ahead and as plans are approved.

With regards our status of non-compliance last season and State imposing sanctions on us for not signing what we deemed an unfair

and unreasonable Patrol or Lifesaving Service Agreement (PSA/LSA), we are still in Limbo. It was hard to explain to the members who had trained so hard to be at branch, including Nippers. We have the backing of Sydney Branch, but State will still demand 9am starts next season. We have jumped through all the hoops asked of us; proving errors with Surf Guard, beach goer counts verified by Branch President and so on, only have them ignored and so we can expect more of the same this coming season from State. Shay, Rex, Coops and Marty have all spent more than their fair share of time on fighting for the Club to exercise its rights as a Club. We are not saying we should not conform to SLSA's policies and directives, but we are asking for us to be allowed to use our resources as what best suits our beach and the safety of the beach goers. As an aside State has recently put forward a more punitive paper on discipline for volunteer lifesavers and their clubs not conforming to State's unilateral decisions. This will be rejected outright by the Clubs and it will be interesting to see what State's answer will be.

However I would like to wrap up on a happier note and welcome all those new babies to the Club. The water at Tama still seems to be some of the best around as yet another round of babies is upon us. Well done to all the mums and dads out there. I can't wait to see them in the Nippers.

Bill Shires

President

Wanda SLSC

Once again Wanda can proudly say that there were "NO LIVES" lost for the 09 - 10 season during our patrol hours as defined by our club patrol agreement. This result only comes about from the vigilance of our members; they were ably led by our Captain Graham Hill and Vice – Captain Tim Hodgson.

Lifesaving education continues to be strong with numerous awards gained throughout the season and our congratulations goes to those members. I wish to thank all our trainers for their many selfless hours and dedication in making sure that new and old members are kept up to date and proficient with their lifesaving awards.

My thanks must go to a dedicated Management Committee, who has made sure that Wanda continues to be a leading Surf Lifesaving Club. We continue to have a strong financial position, but this is only because of the hard work that goes into our club members running the "Sutherland to Surf". This has become an "iconic" event in the Sutherland Shire and is the life blood of our club. The numbers of competitors in this event continue to grow; we had 7000 entries last year.

On the competition side this season has been a very good one with the depth we have in competitors from the Opens, having 2 Taplin Teams through to U15's. There were many outstanding efforts

at Branch, State and Aussies. There were limited results at Aussies this year. Congratulations to all the medallists, to Tyler Harding the only individual gold medallist, the Open Male 5 person R&R on achieving gold. The U19 Swim Team claimed silver losing by one point to Terrigal better luck next time. At State there were many excellent results, Gold to Alex Clarke in U19 Male Swim, Jessica Lauricella, and U17 Female Rescue Tube Race and in the Teams Open Male 5 Person R&R (Douglas, Lee, McKirdy, McCrindle, Sandstrom and Smith), U19 Swim Team (Allum, Clarke, Fox and Woods) and U15 Female Board Rescue Team (Pierce and McMahon). This is an exceptional effort by these two girls who won Gold at Junior State Carnival in U14 Female Board Rescue to back up the next weekend and win the U15 event, good work girls.

Wanda had many members selected for representative honours over the season. Congratulation to Jay Furniss for being selected in the New South Wales

Team and Mitchell Rofe for representing Tasmania at the Inter State Carnival held in January. Many of our members help to contribute to Surf Life Saving Sydney winning the Inter State Carnival at Cape Hawke. These members are Dane Farrell, Kathleen Allum, Nicholas Fox, John Woods, Jessica Lauricella, Llani Hyer-Warton, Tyler Harding, Jay Furniss, Mitchell Rofe and Jake Smith.

Also our JAG had another exceptional season, coming second place for the last three years. Over the last four years we have been working hard to retain our junior members and to bring them through to the senior part of club. These initiatives by both the JAG and the Senior Club are now paying off.

To some times an unrecognised role of that of officials I wish to give my sincere thanks to our club members that fill this role. I would also like to acknowledge the support and help of Surf Lifesaving Sydney, the management, competition officials and the office staff for their constant help and assistance.

Wanda is looking forward to the start of our 65th year with enthusiasm and commitment. We are very grateful and wish to thank our sponsors for their generous support. The members of Wanda would like to extend their best wishes to all Clubs and in particular the Bate Bay Clubs we look forward to another year of close co-operation.

Anita Pryke
President

Wanda Nippers

The 2009-2010 Season seemed to be upon us before we knew it. However with a returning membership of around 400 Nippers and a full compliment on the JAG Committee, many of whom were returning from last season and previous seasons, we were well prepared and ready for action.

It was no secret that our goal this season was to win the NSW State Titles. Our State Team trained hard all season, their commitment was outstanding but unfortunately it wasn't to be. However, we are very proud of our Teams efforts, they performed to the best of their ability, they competed as true sportsmen and women and can hold their heads up high. Even though we didn't reach our goal it was our best result for many years being only 30 points behind the winning Club Manly. Most importantly though we elevated ourselves to the strongest Club in Sydney Branch for the first time in 12 years – Yes, we have every right to be proud! I would also like to take this opportunity to congratulate North Cronulla on their outstanding performance at State – a very well deserved 3rd place.

There are many things that contribute into making a club successful. At Wanda we have tried to cater for the needs of every nipper from the elite to the beginner. We have listened to our membership and tried to improve where necessary. We have worked as a team with our Age Managers and Coaches to build the best environment for our Nippers and have supported each other. Our Committee worked tirelessly through out the season to make sure everything was in place and organized for the season ahead. We have also been fortunate to have had the financial assistance from many sponsors and I would like to acknowledge in particular our major sponsors Purnell Motors and Jarvis as without this support it would be impossible to operate. Over the last few years we have watched our Club build from strength to strength and we need to ensure that we continue along this path and maintain the position that we have today.

The 2009-2010 Season was a busy season in particular for the U/13's and U/14's who were able to compete at

many of the Senior Carnivals as well as the Junior Carnivals. Unfortunately once again our Branch Carnival was plagued by bad weather, we also had a tsunami warning at State and a cyclone warning at Aussies, so surely next year has to be better!!

The EAP Program ran again this season and was even bigger and better than last year. Starting the season was the trip to Jamberoo, which was a real hit. There was a good variety of training days, carnivals and fun days through out and the Camp at Milson Island was a fantastic way to end the program. On behalf of Wanda JAG I would like to thank Sydney Branch for the time and effort they have put into developing this program as we appreciate how time consuming this has been. It was positive to see the program well supported and most importantly how much fun and enjoyment the Nippers got from the program.

Congratulations also to Sydney Branch this season on winning the Inter-branch Carnival in which Wanda was well

represented by Danielle McMahon, Aiden McColm, Larissa McColm and Lochie Davis from the Juniors. Great work to come home with a win! - Well done Sydney Branch.

Surf Lifesaving offers its members so many opportunities, in particular the role of educating our young members to ensure their safety and ultimately the safety of others at the beach. It also offers them a healthy life style, which provides our young member with a good work ethic and a respect not only for the elements but also for each other, a most valuable asset. It's an organization that the whole family can be involved in and is the building block for friendships that will last a life time.

So to all involved in Surf Lifesaving we thank you for giving our children this wonderful opportunity!

Carol Woods
Secretary

Director of Finance

The following Report is to be read in conjunction with the Financial Report for the year ended 31 May 2010.

The Branch achieved a profit of \$3,048 for the financial year to 31 May 2010 which was a decrease in profit compared to the amount of \$29,206 derived in the previous financial year. The result is after making a distribution to clubs of \$3,000. The reduction in profit reflects the decrease in Sponsorship and Donation income that the Branch derived during the year. Income from Sponsorships and Donations decreased from \$332,806 in 2009 to \$251,849 in 2010.

Sponsorship and Donations income has dropped over the last few years from \$547,369 in 2007 to \$332,806 in 2009 and to \$213,000 in 2010 a decrease of \$295,520 or 53.9%. Total Income for the year was \$409,199 which was down on the 2008/09 figure by \$81,956 mainly due to a reduction in Solicited Donations and Sponsorships. The surplus from rental operations increased from \$685 to \$3,665.

Although operational expenditure decreased from last year's amount by \$33,788, monies were spent in areas that should produce long term benefits for the Branch. Expenditure on Competition and Event Running increased by \$2878 and involved expenditure on additional development camps and the High Performance and Emerging Athletes programs. Finance and Property Expenses went from \$106,945 to \$128,521 and relates to a full year of expenditure. Most other expenditure was well contained during the year including employee benefits which decreased by \$29,463.

The Balance Sheet remains healthy. On the assets side the original building at

Alexandria has been occupied all year and no major expenditure was incurred except for the minor purchase of an air conditioner. The new property also derived income for a full year. The original building was not valued this year and therefore reflects the most recent valuation which was undertaken a few years back.

Cash assets, although down on the same period last year, are still quite healthy at \$671,533 down from \$724,791 at the end of last year. No other major movements have occurred on the Balance sheet. During the year the Branch employed two staff. Given the lack of sponsors it is highly unlikely that any additional staff will be engaged in the foreseeable future.

The Finance Committee met three times during the year and most members of the committee attended each meeting. I would like to thank, Peter Pearce, Trevor Elliott and Karl Solomonson for their significant contribution during the season. Matters discussed included the annual budgets, reviewing expenditure and assessing the performance of the Branch's properties and sponsorship. I would also like to convey my thanks to the Sutherland District Trade Union Club for

allowing us to use their board room for our meetings. With the lack of sponsorship to start the 2010 / 2011 season the onus will be on all office bearers to control expenditure. It is expected that the Finance Committee will meet more regularly to review the Branch's financial position including divisional budgets and actual expenditure.

My thanks to our tremendous sponsors who have enabled the Branch to operate efficiently throughout the season. To DHL, Westpac, Banana Boat, Telstra and Sydney Airport we thank you. Without your significant sponsorship the Branch would not be in a position to provide services to the clubs and the general public.

To Yvette and Linda in the office, I thank you for your professionalism and the manner in which you undertake your respective jobs.

Peter Carney

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MAY 2010

1 Statement of Significant Accounting Policies

The financial report is a general purpose financial report and it has been prepared in accordance with Accounting Standards other authoritative pronouncements of the Australian Accounting Standards Board and the requirements of the Charitable Fundraising Act 1991 and Associations Incorporation Act NSW.

The financial report is for an entity known as Surf Life Saving Sydney Incorporated as an individual entity. The Association was incorporated in NSW under the Associations Incorporation Act 1984.

The financial report complies with all Australian equivalents to International Financial Reporting Standards (AIFRS) in their entirety.

The following is a summary of the material accounting policies adopted by the Association in the preparation of the financial report. Unless otherwise stated, the accounting policies have been consistently applied.

Reporting Basis and Conventions

The financial report has been prepared on an accruals basis and is based on historical costs modified by the revaluation of financial assets, financial liabilities and selected non-current assets for which the fair value basis of accounting has been applied.

2 Accounting Policies

Property, Plant and Equipment

Each class of property, plant and equipment is carried at fair value or cost less any accumulated depreciation and impairment losses, where applicable.

Property

Freehold land and buildings are valued by an independent valuer every four years, with annual appraisals being made by the committee. They are measured on fair value, being the amount for which an asset could be exchanged in an arm's length transaction between informed participants.

The property is held for investment purposes and therefore the committee has adopted not to apply depreciation. Any fall in the value of the property will be adjusted in the Association's reserves.

Plant and Equipment

Plant and equipment are carried at either cost or at independent or Association's valuation, less any accumulated depreciation or amortisation applicable.

Depreciation

Plant and equipment is depreciated on a straight line basis at rates calculated to allocate the cost less the estimated residual value over the estimated useful life of each asset.

Depreciation rates used for each class of depreciable assets are:

Class of Fixed Asset Depreciation Rate

Plant & Equipment	15%
Office Furniture & Equipment	33%
Rental Plant & Equipment	10%
Competition & Life Saving Equipment	20%
Leasehold Improvements	10%

The assets carrying values are reviewed for impairment when events or changes in circumstances indicate the carrying value may not be recoverable. An asset's carrying account is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Profit and loss on disposal are determined by comparing proceeds with the carrying amount. These amounts are included in the Income Statement.

SURF LIFE SAVING SYDNEY INCORPORATED**A.B.N. 74 781 063 539****NOTES TO THE FINANCIAL STATEMENTS****FOR THE YEAR ENDED 31 MAY 2010****Trade And Other Receivables****Recognition**

The Association has elected to apply the option available under AASB1 of adopting AASB132 and AASB 139. Amounts owing are recognised and carried at original invoice amount less any allowance for uncollectable amounts.

An allowance for doubtful debts is made when there is objective evidence that the Association will not be able to collect the debts. Bad debts are written off when identified.

Trade And Other Payables**Recognition**

Amounts owing are carried at their invoiced cost and represent a liability for goods and services provided to the Association prior to the end of the financial year that are unpaid and arise when the Association becomes obliged to make future payments in respect of the purchase of these goods and services.

Income Tax

No Income Tax is payable by the Association as Section 50-5 of the Income Tax Assessment Act 1997 exempts Charitable Institutions from Income Tax.

Cash and Cash Equivalents

Cash and short-term deposits in the balance sheet comprise cash at bank and in hand and short-term deposits with an original maturity of three months or less.

Revenue

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Association and the revenue can be reliably measured. The following specification criteria must also be met before revenue is recognised:

Sale of Goods

Revenue is recognised when control has passed to the buyer.

Capitation Fees

Revenue is recognised when a member is entitled to the benefits of belonging to the Association

Sponsorship & Grants

Unconditional sponsorship & grants are recorded as income when received. Grants received for specific projects are recognised as revenue upon receipt regardless of whether the expenditure has been incurred as long as there is no contractual right to return the monies received to the grantor.

Rendering of Services

Revenue from the providing of a service is recognised when the member or customer receives the service.

Rents and Interest

Control of the right to receive the payment.

Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of goods and service tax, except:

- (i) where the amount of GST incurred is not recoverable from the Australian Tax Office. It is recognised as part of the cost of acquisition of an asset or as part of an item of the expense.
- (ii) receivables and payables are shown inclusive of GST.

Cash flows are presented in the cash flow statement on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MAY 2010

Critical Accounting Estimates and Judgments

In preparing this financial report, the committee was required to make estimates and assumptions. These estimates and assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis.

Comparative Figures

Where required by accounting standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

\$	\$

13 Financial Instruments**Financial Risk Management**

The Association's financial instruments consist primarily of deposits with banks, local money market instruments, accounts receivable and payable and loans from banks.

The Association does not have any derivative instruments at 31 May 2010.

(a) Treasury Risk Management

The committee meet on a regular basis and consider interest rate exposure and to evaluate cash flow to meet current and future obligations.

(b) Financial Risks

The main risks the Association is exposed to through its financial instruments are interest rate risk and liquidity risk.

Interest rate risk is managed by a fixed term interest rate (expiring September 2011) on \$800,000 of the debt and by the monitoring of short & long term interest rate fluctuations on the remainder.

The Association manages liquidity risk by monitoring cash flows on a regular basis and ensuring adequate funds are held in the bank at all times to meet present and future obligations. Repayment of borrowings is secured by a medium term rental agreements which are sufficient to meet the financial institutions debt.

14 Association Details

The principal place of business of the Association is: Surf Life Saving Sydney Incorporated 1414 Anzac Parade Little Bay NSW 2230

15 Segment Information

The Association operates predominantly in one business and geographical segment, being the provision of Surf Life Saving administration services to the member clubs from North Bondi to Burning Palms.

**16 Information And Declarations To Be Furnished
Under The Charitable Fundraising Act 1991**

The Gross Revenue from Non Member Fundraising, Solicited Donations and Sponsorship did not reach the minimum Gross Revenue total of \$100,000 whereby additional reporting is required under the Charitable Fundraising Act of 1991. Should this amount be exceeded in future years the Association will be required to report on the Gross amount received and the manner in which those funds were applied in meeting the objectives of the Association and Surf Life Saving.

SURF LIFE SAVING SYDNEY INCORPORATED

A.B.N. 74 781 063 639

STATEMENT BY THE COMMITTEE

In the opinion of the committee the financial report as set out on pages 1 to 12:

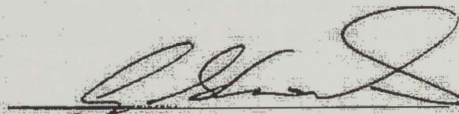

1. Presents fairly the financial position of Surf Life Saving Sydney Incorporated as at 31 May 2010 and its performance for the year ended on that date in accordance with Australian Accounting Standards, mandatory professional reporting requirements and other authoritative pronouncements of the Australian Accounting Standards Board.
2. At the date of this statement, there are reasonable grounds to believe that Surf Life Saving Sydney Incorporated will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Management Committee and is signed for and on behalf of the Management Committee by:

President:

Mr John De Cean

Director of
Administration

Mr George Shales

Dated this day 19TH of July 2010

PRESIDENT'S DECLARATION UNDER THE CHARITABLE FUNDRAISING ACT

Declaration to be furnished under the Charitable Fundraising Act 1991. This declaration is made in accordance with Authority Conditions 7(4) and 7(5) issued by the Minister under Section 19 of the Charitable Fundraising Act 1991.

I, John De Cean, President of Surf Life Saving Sydney Incorporated declare that in my opinion:

- (a) the financial statements give a true and fair view of all income and expenditure of Surf Life Saving Sydney Incorporated with respect to fundraising appeals; and
- (b) the Statement of Financial Position gives a true and fair view of the state of affairs with respect to fundraising appeals; and
- (c) the provisions of the Charitable Fundraising Act 1991, the Regulations under the Act and the conditions attached to the authority have been complied with; and
- (d) the internal controls exercised by Surf Life Saving Sydney Incorporated, are appropriate and effective in accounting for all income received and applied by Surf Life Saving Sydney Incorporated Inc from any of its fundraising appeals.

President:

Mr John De Cean

Dated this 19TH day of July 2010

INDEPENDENT AUDIT REPORT
TO THE MEMBERS OF SURF LIFE SAVING SYDNEY INCORPORATED
A.B.N. 74 781 063 539

Report on the Financial Report

I have audited the accompanying financial report of Surf Life Saving Sydney Incorporated (the Association) which comprises the balance sheet as at 31 May 2010, and the income statement and cash flow statement for the year ended on that date, a summary of significant accounting policies and other explanatory notes and the statement by members of the committee.

Committee's Responsibility for the Financial Report

The committee of the Association is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) the Associations Incorporations Act NSW 1984 and the Charitable Fundraising Act 1991. This responsibility includes establishing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

My responsibility is to express an opinion on the financial report based on my audit. I conducted my audit in accordance with Australian Auditing Standards. These Auditing Standards require that I comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Independence

In conducting my audit, I have complied with the independence requirements of Australian professional ethical pronouncements.

Auditor's Opinion

In my opinion:

The financial report of Surf Life Saving Sydney Incorporated in accordance with the Associations Incorporation Act NSW 1984 including:

- (i) giving a true and fair view of the Association's financial position as at 31 May 2010 and of their performance for the year ended on that date; and
- (ii) complying with the Australian Accounting Standards (including the Australian Accounting Interpretations) and the Associations Incorporations Act NSW 1984.

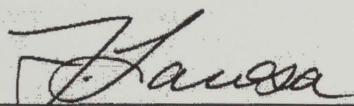

Audit Report of Frank Larosa continued over page

Audit Report of Frank Larosa continued

I also report that:

- (a) the financial statements show a true and fair view of the financial result of fundraising appeals conducted during the year;
- (b) the accounting and associated records have been properly kept during the year in accordance with the Charitable Fundraising Act 1991 and the Regulations;
- (c) money received as a result of fundraising appeals conducted during the year has been properly accounted for and applied in accordance with the Charitable Fundraising Act 1991 and the Regulations; and
- (d) at the date of this report, there are reasonable grounds to believe that the Association will be able to pay its debts as and when they fall due.

Signed Principal

The Final Word

The 2009/2010 season saw the continuation of the most important tradition within Surf Life Saving Sydney, that being "no lives lost" between the flags on patrolled beaches. This in itself is a tradition to be proud of without mentioning the amount of dedication and professionalism of the volunteers who spend countless hours dedicating their personal time providing a well known tradition which is unique to the Australian golden sands "volunteer lifesavers".

The number of countless hours put in by our voluntary members to ensure we continue the tradition and our core responsibilities of "saving lives" can often be lost during the heat of the moment when some would seem to be more focused on achieving a personal outcome without considering what impact it might have on our members or our core responsibilities.

To Mr John De Cean – first season as the President of Surf Life Saving Sydney - I am sure you will agree it was a challenging initiation into the position. I would like to take this opportunity to thank the management team of John De Cean President, Grahame Evans Deputy President, Mike Vitnell Director of Surf Sports, Doug Hawkins Director of Junior Development, Michael Hodsdon Director of Lifesaving and George Fatseas Director of Youth Development for their ongoing support during the season.

To the office staff I would like to sincerely thank you for your assistance on a professional and personal level which you provided to me and the management team in the past season. I would not have been able to fulfil the position of Director

of Administration without the continued support and dedication of both Yvette Rutherford and Linda Perrin.

With the 2010/2011 season just around the corner I would like to take this opportunity to wish all the Officers, Clubs and Volunteer Lifesavers well for the coming season. I would also hope

we are able to uphold our tradition of "no lives lost" and offer a commitment that we will remain focused on our core responsibilities of saving lives.

George Shales

Director of Administration
