President's Report

The 2012/13 season has again been a very busy season for all our active patrolling members who need to be congratulated on a fantastic effort in patrolling our beaches and it is with pride that I report NO LIVES LOST during the season which started at the end of September and through to end of April . I would like to express my thanks to all those members that did patrols this season on a fantastic effort.

It was disappointing that we could not fill a few positions on the Board of Lifesaving, which made the job harder for our Director of Lifesaving Glen Clarke who had to fill in part the way through the season as area supervisor in the Bate Bay area until a replacement could be found. The Annual Gear Inspection was again a fun day with the panel doing 15 clubs in 2 days and my thanks to John McNameee who looked after the inspection panel and a big congratulations to the clubs for the professional manner in the way the gear was presented to the panel and I must say the standard has improved each season since we started doing it on the one weekend.

The Support Operations Group has again be kept busy with our Duty Officers, Surf Rescue 30 and Jet Ski Operators called to many jobs throughout the season. All services presented themselves as a very professional outfit and I congratulate them all as well as our Support Operation Manager. SurfCom was operated by approx 7 operators this season, but we are looking to have a big recruitment drive to get more members on board for this vital operation. I would like to extend a big thank you to Joe White who did in

excess of 270 hours in the radio room as well as training new operators, Joe was awarded the Branch Member of the year for his efforts in the Radio Room.

This season we saw some changes introduced into all our carnivals, which saw the introduction of new water safety procedures and clubs being called upon to supply extra water safety during these events. My thanks go to all the clubs that assisted, I know it put added pressure onto all clubs and we are currently looking at ways of taking some of the burden away from the clubs. Special thanks also to Michal Byrne who took on the role as Water Safety Co-Coordinator, which meant that he was at the beach at 5.30am to do assessments before the Referee attended and was the last to leave after having all paperwork signed off. Michael was also presented with the Branch Member of the Year award at the Awards of Excellence night.

This season the Sydney Branch Interbranch team travelled to Forster for a great weekend and I can report that they finished 2nd in the overall pointscore. Congratulations to all team members and support team that travelled with the team.

I would like to acknowledge and thank our Major Sponsors STREETS ICE CREAM who continues to support our Lifesaving side of the Branch and supply shelter for our patrolling members and we are currently in negotiations with them to continue the sponsorship. Sydney Airport Corporation also continued their support with our nippers and we thank them for their continued support and I can report that they have just agreed to continue for the next 3 years.

Throughout the season we called on some of our registered clubs to hold

meeting and events and I thank Maroubra Seals Club, Randwick Labor Club, Sutherland Tradies Club, and Cronulla Leagues Club for allowing us to use their facilities free of charge to hold courses, meetings and functions. Also a big thank you to the surf clubs that also allowed us the use of their facilities as well.

I would also like to acknowledge the following supporters of Surf Life Saving on a National and State Bases: NSW Government, DHL, Telstra, Westpac and All Phones - their support to the clubs has allowed us to maintain our very high standard.

The Branch is only as strong as our many volunteers who I would like to acknowledge for their extra support to the Branch as an Assessor, Carnival Official or Support Operations. Many of these members are actively involved at a club level as an office bearer or still completing club patrols.

2

I would like to extend a big thank you to our staff that look after the day to day operations of the Branch and also able to assist the clubs as much as possible, so a big thank to Linda Perrin and Victoria Raymond for the great work ethics that you put out from the office and your patience and understanding when we run late getting things out to club.

This season we saw the retirement of Mike Vitnell from the position of Director of Surf Sports. Mike had brought some life back into the competition area with the introduction of rounds for board and ski events, which meant that the athletes had a least two paddles in these events, he was also the driving force behind the ski clinic and many other activities. Mike thank you for all your efforts throughout the years.

I would like to thank my fellow Board Members for all their support and assistance throughout the season. We have certainly been kept busy with extra meetings to attend this season. Thank you to Peter Agnew, Peter Carney, Doug Hawkins, Glen Clarke for all your hard work. Special thanks to our Director of Administration George Shales for all your support and advice this season, it is greatly appreciated

I would like to also say a big thank you to the 15 Club Presidents for all your support during the season, it is important to remember that the Clubs are the Branch.

MEETING ATTENDANCE

Surf Life Saving Sydney Inc. held monthly Executive meetings and bi-monthly Council meetings from August 2012 to April 2013. Council meeting attendance is indicated below:

Sydney Branch Life Membership 2012

Life Membership of Surf Life Saving Sydney Branch was awarded to George Shales, Maroubra SLSC and Peter Burst, Bondi SLSC at the Branch AGM in 2012. These gentlemen were presented with the Sydney Branch Life Membership badge at the Sydney Branch Open Championships held on Saturday 16th February. Congratulations to George and Peter on this magnificant achievement.

President Medal 2012

The Presidents Medal of Surf Life Saving Sydney Branch was awarded to Raymond Robinson SLSC at the Branch AGM In 2012. Raymond was presented with the Presidents Medal at the Sydney Branch Open Championships held on Saturday 16th February. Congratulations to Raymond on this achievement.

Surf Life Saving Sydney Awards of Excellence (continued)

Director of Lifesaving Report

Thank you to all 15 clubs for this season's lifesaving operations to keep our beaches safe. Our patrolling members performed with professionalism and diligence throughout the season and Sydney's lifesaving image and presence on the beach this season was outstanding and to be commended.

I'm pleased to advise that no lives were lost on our patrol beaches during patrol hours.

Though some of our community members undertake activities that involve risks as they swim outside of current patrol hours and partake of activities that involve an unmeasured risk to themselves and others resulting in some fatalities along our coastline.

Well done to all our lifesavers on the beach doing patrols! Patrollers are wearing the Red & Yellow with pride on the beach and water's edge. Public safety on the patrolled beaches was prominent with statistical information indicating that there were more preventative actions than rescues performed for this season, a great action by patrollers and Clubs.

Updated lifesaving information was published this season in the revised NSW Version 3 (Aug) 2012 Standard Operating Procedures and will guide Clubs in ensuring patrol standards are maintained.

Our Support Services were kept busy with our Duty Officers busy attending callouts from 13SURF number and Police tasking's

to action all reported incidents day and night 24/7. Surf Rescue 30 performed search and rescue tasks in Sydney Harbour, coastal callouts and even to assist as standby services for bush fires in the National Parks area at all hours. The Rescue Water Crafts (RWC) participation numbers continue to increase in both manning for patrols and an increase of rescues performed. These units are an essential tool in lifesaving for both inshore rescues and open water incidents. SurfCom operations were challenged this year due to lack of support from clubs in assisting with man hours. A huge thank you goes to all the SurfCom team members who performed phenomenal hours in operating the service for the Clubs. This service is essential for Sydney lifesaving operations but is being reviewed on its viability and future direction.

Members of the Board of Lifesaving (BoL) had a very tough year! Communications and feedback from position holders and Club Captains became challenging and left a lot of decision making to the BoL Executive. This process was not the best method of decision making for the Branch and forced the Executive to rethink its

values and processes in place. The Board of Lifesaving members who are made up of Assessors of the Branch need to be recognised for their contribution to positions held and continued assessing of candidates to keep the movement with patrolling lifesavers. I thank you all for your dedication and help.

The Board lost a number of important position holders at the start of the season due to personal reasons but my thanks to John McNamee (Deputy Director of Life Saving), Leona Stojak (Education Manager), Andrew McKellar (Bate Bay Lifesaving Supervisor) and Robin Bowley (Communication Officer) for their assistance. These positions were filled respectively by the following board members being Simon Torsellini (DDoL), Christopher "Toppa" Thompson(Education), Mike Batty (BBLS)

The following table was provided by SLSNSW to Branch

Board of Lifesaving

and Sean Cummins (Communication Officer) again thanks to you all.

Branch education figures were similar compared to last year. Recruitment for assessors is going to be a challenge for next season to help reduce burnout on current levels and to assist with building facilitator numbers for specialist awards.

The Gear Inspection Panel coordinated by John McNamee were impressed with the high quality of equipment put forward for inspection and enjoyed the hospitality supplied by Clubs. It was a large improvement on last year's inspection and congratulations to Wanda SLSC for winning this award. Thanks to Ken Hudson for again driving the bus to transport the team from club to club.

Sydney's Life Saving Competition is growing steadily with over 90 competitors partaking in this event at Coogee this season.

Congratulations to all our competitors who represented their Clubs and the Branch in the Championships. As this trend continues to grow our lifesaving competitors demonstrate the best of our lifesaving skills in this prestigious event and the Branch will review competition modifications to assist with further development.

In conclusion of this report I want to thank all Board Management for their support during this season. There were some challenges throughout this period but with continued communication and discussion all issues are addressed accordingly. To the ladies in the office, Linda and Victoria who have supported me at all times and information required expediently upon request.

To the lifesaving members and all assessors well done to you on the seasons challenges throughout this season and I look forward to 2013-2014.

Our responsibility to the community and water users should encourage clubs to achieve more than minimal standards required by NSW. Clubs should strive to provide a quality service above and beyond any other Branch in NSW and Australia. Sydney needs to continue to work together on becoming the No.1 Branch.

Glen Clarke

These

jely by the

Director of Life Saving

The 2012 Election Meeting was not great, but it was not an indicator of what I thought was almost a meltdown of the Board, with our Director Glen Clarke showing great strength in dealing with a myriad of problems through the season.

The Branch Council only hold meetings every other month and they are our supreme decision making forum, however, we were heavily criticised when we did the same thing, as non-Executive elected Officers in the main were not interested in meetings, individually did a great job that we should all be proud of.

John McNamee ran an excellent Gear Inspection weekend (full details have been provided by John); however, he then resigned as did Leona. Simon Torsellini, Craig Howie and Chris Thompson stepped into the voids. We also had Andrew McKellar (Sutherland Lifesaving Supervisor) & Robin Bowley (Communications Officer) resign & subsequently replaced by Mike Batty (an old hand with much experience and is becoming a Dame Nellie Melba) and Sean Cummins. All of which led to a much harder season than it should have been. This put a lot of pressure on the BoL Executive and I believe individually and collectively did an excellent job in coping with the various issues.

Wal Dobrow who as IRB Advisor has given great value, with a little controversy, to the Branch and the IRB fraternity over a number of years. He has never been shy in coming forward and I personally will miss his contribution in the coming season.

Glen moved at the start of the season to increase the profile of assessors and that they get the recognition they so richly deserve. This was highlighted through the Awards of Excellence, however, Board Officers need more support from the Club's which they faithfully serve. Glen also put on a Christmas function for BoL Officer's, which for those who attended was well received.

The Patrol Operations Manual that each Club was required to provide last season and update this season, saw only one Club not providing, however, most Clubs' did not update. This is a shame as the document is such a fantastic aid for patrols.

We still have manning problems with

SurfCom, which is such an outstanding tool for patrols, during an emergency & knowing patrol status. This has been a problem, from as I can remember and something that really needs to be resolved for the good of all. It was agreed as an education aid and having a contemporious record of events to install a recording device.

Late Proficiency's were again an issue and one wonders how so many Clubbies who do not have any excuse for not doing within the required time, find themselves in such predicament. We always agree to allow members who want to do patrols, to do it. This coming season the initial responsibility will be given to Club's with Board oversight.

Probably the most controversial aspect of the season was with Club's and the Patrol Tribunal. This led to a lot of misunderstanding as to their role, which is not punitive, but looking at problems and seeing how they can be fixed and that processes are put into place so that they do not recur. It sounds simple, however, it certainly is.

The Office continues to provide a fantastic level of very professional service. We tend to take Linda and Victoria for granted, which we should not. From all of us a big thank you, as we would be hard pressed without your expertise and enthusiasm, which on occasion must be hard to maintain.

We continue to offer and provide positive and effective assistance with respect to all facets of Lifesaving and Education to Club's and hope that our contribution is looked on positively.

Let us hope the coming season is a better one.

Peter Quartly

BOL Secretary

Gear Inspection

8TH & 9TH SEPTEMBER 2012

PANEL MEMBERS: Branch President John DeCean, Director of Lifesaving Glen Clarke, Support Operations Manager, George Shales, Board Secretary Peter Quartley, Jennifer McNamee, Peter Carney, Bob Leys, Ken Hudson, Peter Burst, Mike Batty, Wal Dobrow, Simon Torsellini, Greg Causer, Tania Rouse, Andrew McKellar, Peter Pearce.

PANEL CONVENOR: John McNamee

The annual Gear Inspection weekend is always a challenge but this year we started running into potential trouble from the word go with Waverley and Randwick Council elections clashing with it meaning that two of the local clubs, Bondi and Clovelly would be hosting Polling Booths.

However, by the time the weekend came around both clubs had solved their major logistical problems and managed to stage both the inspection and the election chaos with seamless organizational skills. So thanks to all members of both clubs for making that possible.

On the Saturday, the panel decided to start the inspections off at Bondi at an earlier hour before the voters started arriving so by the time we had finished at BSBLSC our early morning appetites were ready for the scrumptuous breakfast provided by North Bondi.

That set the tone of the day and the seasoned panel were ready for the rest of the inspections at Tamarama, Bronte, Clovelly and Coogee where Club Captain Dave Winkle stepped into the last minute breach and organized a superb light lunch.

We were all in a good mood as the Waverly and Randwick gear was of a good standard with the First Aid equipment, Oxy-Vivas and defibs etc being obviously maintained to a high level along with all the other patrol gear. Some clubs had problems reconciling their rescue boards with the gear list but these were later sorted out during the subsequent re-inspects.

There were some issues with the IRB flooring and ropes but they were quickly addressed.

The first day was completed with postlunch trips to Maroubra and South Maroubra where once again the quality of gear was satisfactory despite South Maroubra being hampered by its major renovations.

The re-programming of the TAIT radios was always going to be a major headache but thankfully, most of the club radio officers had arranged for them to be updated by the supplier in time for the inspection. Thanks also to George Shales for driving this to completion so that by the time the patrols hit the beach, all had sufficient radio coverage.

If we had problems with Council Elections on Day One, we were about to be

confronted with more drama down in the Bate Bay/Royal National Parks areas.... bushfires!

We also had a change of Bus Driver for the Sunday sojourn with Peter Burst taking over the wheel from Ken Hudson who was involved in a family wedding preparation.

President John DeCean and Board stalwart Peter Carney were on hand to assist as the panel began their inspections of Wanda and Elouera respectively where the presentation and standard of the gear impressed even the most hardened of the inspectors. The morning tea at Wanda was most welcome and set us up for the stroll down the Wall to North Cronulla and Cronulla where once again the presentations were superb.

Cronulla President Rob Short graciously welcomed the panel to his club and invited us to partake of yet another wonderful lunch organized by his dedicated members.

Thus fortified, Bursty gunned up the Toyota and we headed into the RNP where thick black smoke threatened across the horizon and it looked as if it would be an exciting hike for those intrepid panel members who were descending the steep bluff down to Burning Palms and Era.

Gary Daly once jokingly remarked that the Palms had more oxy-vivas than patrolling members but once again the equipment at all RNP clubs was in peak condition.

Some of us stayed on the bus and went straight to Garie for the last stanza where we were treated to a spectacular display of outboard motorcraft skills with the indomitable Wal Dobrow firing up his multi-horsepowered Thundercat and giving Bursty and Torso the ride of their lives through Garie's gnarly inshore break.

As usual, at Garie Mine Host was the legendary Mick "Bretho" Bretherton who masterminded the club's gear presentation and later a social gathering in the state-of-the-art bush clubhouse.

But of course it wasn't always about the food and drink, all panel members showed exemplary professionalism and dedication during what is really an arduous task.

The bus ride home was a hair-raising affair with raging bushfires and burn-offs flanking the highway and spreading a pall of black acrid smoke across the road as we headed back to the safety of the eastern suburbs. At one stage Mike Batty thought he might have had to get out the garden hose as we approached his home to see flames among the trees in nearby bushland. Thank goodness, all was well and Mike had a great yarn to tell about his Gear Inspection experience!

Overall, the main areas needing clarification in the wash-up of the weekend inspections were the use of yoke plugs in backpack oxy-vivas, suction tubing sizes, TAIT radio re-programming, general manikin cleanliness and deployment and registration in Surfguard of Kracka rescue boards. Some clubs also had problems reconciling their gear with the lists provided and some ambiguities had to be addressed in the later reinspects such as required composition of spinal sets.

This year, it is suggested that if possible the incoming Convenor updates the Gear Inspection lists to ensure that they are relevant to the current equipment requirements.

I would like to thank, firstly our two bus drivers, Ken Hudson and Peter Burst, Linda in Branch Office for sorting through the paperwork headaches and all members of the panel who gave up their time on the weekend and afterwards during subsequent weeks for the dreaded re-inspects to ensure the highest of safety standards on our Sydney Branch beaches.

Good luck to all Board members for the upcoming 2013-2014 season.

John McNamee

Education Manager Report

This season we have had a great result with the number of awards that have been granted, which would not have been possible without the dedication and support of our members involved in education.

Thanks to our Trainers, Assessors, Facilitators, Area Education Supervisors, Advanced Resuscitation Techniques Certificate (ARTC), Offshore Rescue Boat (ORB) and Rescue Water Craft (RWC) awards coordinators and all our Chief Training Officers (CTO), for their many hours of commitment in training and assessments for the Bronze Medallion Award and Surf Rescue Certificate, ARTC and new awards, Inflatable Rescue Boat Crew (IRBC) and Driver (SMIRBD) certificates, the ORB Crew and Driver Certificates and RWC driver certificates.

Our ongoing success in furthering the professional development of our members is from the dissemination of knowledge and skill from Peter Agnew, Advanced Awards Coordinator and his team of Facilitators who have dedicated their time and knowledge to ensure that all Members can continue to grow within surf lifesaving and apply their improved skills on the beach and in their everyday life. This season has also seen the branch finish the Certificate IV in Public Safety (Aquatic Search and Rescue Management) trial. Many thanks and congratulations must go to Peter Agnew and his fellow facilitators as well as the team at SLSNSW for their continued assistance with this.

The Branch Awards Summary can be referenced on page 24. There is much to be happy with in regards to this summary, but there is also work to be done in a few areas.

This season saw Sydney Branch match the exact same number of Surf Rescue Certificates (SRC) that we attained last season. 424 SRCs is a fantastic amount of juniors into our Surf Clubs. Thank you to all the trainers and assessors involved in the education of the future leaders of this organisation.

Unfortunately this season we weren't quite able to match our number of new Bronze Medallion members (we got close

though). Our numbers dropped from 761 in the 2011-2012 season to 759 in the 2012-2013 season which is a drop of 0.2%. Many thanks need to go to our Education supervisors for organising the assessing of these new members: Jim Kornmehl (Waverley), Craig Howie (Randwick), Kym Pennell (Bate Bay), Gary Daly (National Park).

There was also a significant drop in Silver Medallion Basic Beach Management (SMBBM) this season. The 96 new SMBBM holders is a 26% drop from last season. However there is quite a reasonable justification for this drop. This season saw the course change from a two night course, to a more in-depth three day course. This led to less courses being smaller and thus the drop in numbers.

Now to the positives of this report: The 2012-2013 season saw a 26% rise in ARTC as well as a 13% rise in Spinal Management. However I am most pleased about the in-roads we have made with IRBs. Surf Life Saving Sydney saw a 31% increase in IRB Crew and a 27% increase in IRB Drivers. This is a fantastic result which couldn't have been possible without the amazing work done by our IRB trainers and assessors. Keep up the great work!

Education Committees are not only about training new awards, but also about ensuring that our patrolling members are remaining proficient in a number of different awards. Although the number of patrols throughout Sydney Branch dropped from 187 to 185, our proficiency numbers are quite good:

Further recognition must be given to Steve Allan, Academy Support Officer for SLSNSW for his ongoing support to the Branch and Clubs. Steve has been the key support to the Branch to meet its 100% audit proficiency and also to provide guidance on regulatory issues regarding our RTO requirements and general education and lifesaving issues that arise throughout the season including Recognition of Prior Learning applications.

Congratulations to the following members who were recognised at the Branch Awards of Excellence:

- Mick Bretherton, Facilitator of the Year
- · Craig Howie, Assessor of the Year
- Bec Mister, Rookie Assessor of the Year
- Doron Milner, Training Officer of the Year
- Daniel Jewiss, Rookie Training Officer of the Year

A special mention must go to Dean Dudley, Director of Education for SLSNSW for his support, guidance and encouragement in all Education matters concerning the Branch. To Pamela Simon, Manager Education for SLSNSW and Amanda Weir, Compliance and Quality Coordinator for SLSNSW for their advice and continual support on all matters involving Education.

Last but certainly not least, continued recognition must go to Linda Perrin who makes it all happen. Linda's "can do" attitude is outstanding and near to none. Linda is the backbone to the facilitation and processing of all education matters for the Branch and our Clubs.

	2012-2013	2011-2012	Percentage
Proficient BM	3914	3762	4%
Proficient ARTC	833	737	13%
Proficient IRBC	643	657	-2%
Proficient IRBD	338	339	-0.03%
Basic Beach MGMT	756	751	0.7%
Apply First Aid	827	799	4%

Congratulations to all members of the Education team, we have managed to maintain a 100% compliant rating for the Branch Audit of high priority matters as a member of a Registered Training Organisations (RTO).

Once again, congratulations and well done to everyone involved in education throughout Surf Life Saving Sydney, for another season in education.

Christopher Thompson

Education Manager

Support Operations Manager

The 2012/2013 season kicked off with the running of a Duty Officer training day which involved the NSW Police LAC, the NSW Ambulance Service, State Duty Officers from the South Coast, Surf Rescue 30 and members from the RWC group. This training provided the new and existing members with the skills required to ensure the service provided to the clubs and the public was of the highest quality.

This season saw the introduction of the Emergency Services Officer (ESO) at all SLSS carnivals to ensure minimum safety requirements were met for both competitors and spectators during these events. New technology (IPads) were also provided to the Rescue Coordinators and Duty Officers to be utilised when acting as the ESO and during major search and rescue incidents. We have also seen a major increase in the number of calls for assistance during patrol hours, particularly in relation to coordinating major incidents with patrol captains and also providing out-of-hours counselling services to club members.

Surf Rescue 30 - The Offshore Rescue Boat took delivery of their new 4WD at the commencement of the season. The vehicle has been set up as an emergency response vehicle with the appropriate decals aligning the group with other emergency services. This vehicle can also be used to respond to emergencies when the conditions are excessive. This enables the crew of the offshore rescue boat to provide backup to the beach patrols. The 4WD is also available as a support vehicle for the duty officers in the area.

The ORB group has also purchased a FLIR thermal imaging system which assists with

the search and recovery of patients in all conditions. The FLIR system is used to seek out thermal heat given off by the body and has already been used on many search and rescues during the past season.

Looking to the future, the ORB group has also had plans approved for the redevelopment of the current base, taking it from a double garage to a state-of-theart support operations centre. They will be focused on securing funding for the redevelopment while continuing to provide a valuable service to the community.

The RWC group has been running well this season with the craft and its operators responding to many search and rescue emergencies. The intake of new recruits for the manning of these crafts has increased allowing both crafts to be available to assist beach patrols.

SurfCom has continued to be an area of concern with the manning of the most crucial aspect of the Support Operations group continually being understaffed. However, without the support of a few key operators such as Joe White, Jackson Towns, Lachlan Towns, Sean Cummins and Callum Good, the SurfCom operations would have ground to a halt. The operation

> is currently being reviewed by the team to ensure we have the most appropriate service operating for the coming 2013/2014 season. I would like to make special mention of Sean Cummins for taking over the responsibility of the Communication

I must say if it was not for Joe White from South Maroubra we would have no team. Joe has been integral to the success of the SurfCom Sydney environment and I would like to offer my sincere thanks to Joe for his continued support and also congratulate him on being named SLSS Branch Member of the Year again for the second year running.

to work commitments during the season.

To the Duty Officers who provide countless hours of assistance during and out-ofhours, I would like to once again thank you for efforts in assisting with major events, whether it is providing support to the Patrol Captains or providing counselling services behind the scenes. The tireless effort put in, at often early hours of the morning, or late at night while most people are sound asleep, often goes unrewarded and unnoticed and I sincerely offer my humble appreciation to the level of commitment and service you provide.

In closing, I would like to thank all of the members of the team who actually make this group one of the most valuable and respected services within Surf Life Saving Sydney. I would also like to personally thank the respective managers who manage each group: Gary Pracy - ORB Advisor, Kym Pennell - RWC Advisor, and Robin Bowley / Sean Cummins -Communications Advisor. I would also like to thank the SLSS Board of Management for their continued support throughout this season. I also wish all members of the team a successful 2013/2014 season.

Rescue Water Craft (RWC)

Several drivers performed a large number of hours and many others made a contribution to RWC patrols and RWC training in addition to their other Surf commitments. Our drivers also performed Water Safety at various local, Branch, State and Australian carnivals, and attended various development camps.

I'd like to take this opportunity to thank Robert Magro for looking after ski3 and George Shales for his support and encouragement as well as various drivers and others whose efforts and assistance made my task that much easier.

Communication Officer Report

SurfCom experienced a successful 2012-13 patrol season having achieved 100% radio communications coverage during patrol hours throughout the season.

The 2012-13 season saw the resignation of Robyn Bowley from the Communications Officer and SurfCom Manager role. I'd like to take this opportunity to thank Robyn for all the time and effort he has put into SurfCom over the last three seasons.

SurfCom dealt with numerous incidents ranging from minor first aid to multi-agency search and rescue co-ordination, on top of general communications for Sydney Branch clubs.

SurfCom operated from its radio room at the Westpac Lifesaver Rescue Helicopter Base at Cape Banks, La Perouse for the majority of the season. This was interrupted only briefly in February when technical problems affecting the Lifesaver Base internet connection resulted in SurfCom being run from operator's homes. This was quickly rectified with an upgrade to a wireless internet system using the Telstra 3G network.

While coverage was satisfactory for season 2012-13, staffing and rostering was a constant concern. Although SurfCom has nearly two dozen operators on its roster, only several of these operators were available to perform SurfCom duties throughout the season on a routine basis.

Special mention must be given to veteran operator Joe White from South Maroubra SLSC who performed in excess of 250 hours of SurfCom operations in 2012 and 2013. I would like to personally thank Joe White on behalf of Sydney Branch for his dedicated and committed service to SurfCom. I would also like to congratulate him on being awarded the SurfCom Operator of the Year Award for the second year in a row and on receiving the Presidents Branch Award which is very well deserved.

Further special mention must also be given to the Branch President John De Cean and brothers Jackson and Lachlan

Towns from Wanda SLSC who contributed a large amount of hours each and saw the successful running of SurfCom on a regular basis. I would also like to thank Paul Stiff and Jamie Budd who performed many patrols throughout 2012-13. Finally I would like to thank Callum Good and Robyn Bowley for their support to SurfCom over the season. These individuals and others formed the core group of operators performing SurfCom duties during the season. These members also volunteered many more hours towards training days, meetings, promotion, beach patrols and assistance towards SurfCom which should not go un-noticed.

This season saw the launch of the Surf Life Saving Sydney Support Operations facebook page which is run by SurfCom members who endeavoured to provide live updates and news stories involving Support Operations resources. The page was quick to gain exposure and a following of fans. The page will be upgraded and updated into season 2013-14.

Area

Royal Na

well with all

by Coogee,

The future of SurfCom operations is currently under review by Sydney Branch. Pending the outcome of that review SurfCom could be in for some big changes for the 2013-14 season. Keep posted for updates in the near future.

Area Supervisors Reports

Royal National Park

Another great year in the Royal National Park. We commenced the season with the Captain/Representatives of each Club to discuss what the requirements would be for the season.

Gear Inspection in mid September went well with all clubs having only a few minimal equipment faults needing re-inspection.

My appreciation is extended to the Gear Inspection Panel for the great task they performed prior to the commencement of the season.

Patrol Inspections were carried out monthly by myself and the standard again was exceptional with all three clubs.

Beach patrols were met within the Patrol Service Agreement. Patrol strengths were good and Garie was again assisted by Coogee, Maroubra, North Bondi and Cronulla who supply a lot of patrol members to assist.

Garie had the only professional Lifeguard services in the District from late December till January, Monday to Friday. Again the funding was from the National Park and Wildlife Service. They also undertook the service on Australia Day at Wattamolla.

Overall the service provided by the three clubs was good and my thanks are extended to the Active members for their outstanding contribution. My appreciation is again extended to Michael Hodsdon, Gary Daly, Margaret Pearce, David Cross, Michael Bretherton, Kelly Hedderman and Mark Wood for their involvement and assistance

Peter M. Pearce

Lifesaving Supervisor RNP

Cronulla/Sutherland Area Education Supervisor

This season got off to a busy start with large numbers of SRC and Bronze candidates from the Bate Bay Clubs and this pace was maintained for most of the season.

I'd like to take this opportunity to thank the Clubs for providing access to their facilities, their Chief Training Officers for their support and assistance this season, the Branch Assessors for contributing their time and effort and Scott Marshall for his support and assistance this season.

Kym Pennell

Education Supervisor Cronulla/Sutherland

Waverley Area Lifesaving Supervisor

In my second season in this most rewarding role, my position was made so much easier, with Jenny McNamee taking up the position of Assistant. Jenny is a remarkable lifesaver; who made my life so much easier, through her willingly sharing the work load, for which I record my grateful appreciation.

Overall it was a good season and talks with patrols were usually very positive, irrespective of whether doing an inspection or not. Occasionally when something went wrong, it became a then and us situation, which is always very disappointing, as what we do is maintain standards that are passed down in the main by a higher authority, with our priority being to helping remedy the situation, quickly and painlessly.

Gear inspection was well handled by the Club's and only a small number of reinspections were required. I record my appreciation to Bob Leys for doing the IRB's.

It was good that the controversy over boards between the flags was resolved, when Waverley Council changed the rules and no craft with a fin can now be ridden between the flags. I believe this is a sensible change and certainly will improve water safety.

Areas which generated discussions were:

- Surveillance (its use and limits) where unless there is a danger to patrolling members, the patrol must still have a presence on the beach.
- Early sign offs of IRB's, which as an essential piece of patrol equipment, is required to stay on the beach to the end
- Streets' Tents, which hopefully will be a thing of the past, with new tents being introduced next season.
- Special event water safety.
- Patrol Inspections now are back to once a month, although a SLSNSW Patrol Inspection was introduced.

To all Patrolling members my appreciation of your efforts and Club Captains who are responsible for the Patrols for the assistance and courtesy's given to Jenny and myself.

Jenny and I will be back next season and look forward to our continuing partnership on the beach.

Peter Quartly

Lifesaving Supervisor Waverley

Rescues and other Patrol Statistics

Statistics used in this report are reported from Surfguard as at 22/05/2013.

Board of Junior Development

Season 2012-2013, over and done, and another year of achievements for Sydney Branch Nippers.

A busy year was had by all the clubs, and the BJD Executive, all leading to the graduation of nearly 400 new young lifesavers via their SRC's.

With over 7,300 Nippers across the Branch the amount of effort put in by the clubs over the whole year, and on a weekly basis over summer continues to rise. The good news is that it's also rising in effectiveness through education and surf skills training and efficiency through the increase in qualified Age Managers on the beaches every Sunday.

This season the Branch trained 155 Age Managers s from across the clubs in the SLSA Age Managers Course, and this was a great turnout at our two presentations. Thanks to South Maroubra for their hospitality and to Bruce Bevan for his assistance in the presentations. These sessions are incredibly worthwhile, and new people, and some more experienced people, get to hear what Nippers is really all about, how to best run it, and what we as a Branch are looking for as an outcome.

With this level of training and involvement across the Branch, and the level of professionalism growing every year, it's no wonder most clubs are seeing a yearly increase in numbers joining.

As the season kicked off we commenced our annual negotiations with our long term Sponsor Sydney Airport, regarding next years agreement. Good news all round

for both parties with Sydney Airport not only agreeing to continue with us as our Major Sponsor, but also signing for three seasons, which gives us longevity of support and a great opportunity for some mid - long term planning.

Parent Induction/Information sessions are now happening across all of the Sydney Nipper clubs and this has led to a greater involvement of informed parents on the beach, delivering a greater opportunity for them for long term involvement in their

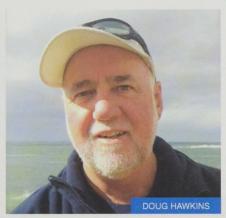

This has been a program led by the Branch Exec over the last few years and has been very encouraging to see the take up in all clubs.

Sydney Nipper clubs delivered over 6,000 Surf Awards this season and a huge credit to all. While there are very good statistics we do need however to now look at how this is happening on a program by program basis, and ensuring the focus of Surf Ed continues to take precedent at Nippers, thereby ensuring the high quality of SRC graduates.

Over the last 3 seasons our Board of Surf Sports Delegate Wayne Druery has worked with the clubs to increase the quality of our District and Club carnivals across the Branch, culminating in our Branch Age Carnival.

Across the Branch there are now nine Junior Carnivals attracting nearly 5,000 competitors across the season. These carnivals have increased in quality and delivery, even with the demands upon the clubs increasing.

This season we welcomed the Wanda Big Board Bounty to the carnival schedule

Sydney **Airport** The right future. Starting now.

and well done to the Wanda team for this event.

Our Branch Carnival saw 1,400 Nippers on Wanda beach, supported by over 140 Water Safety team members, IRB crews and 110 officials .The carnival this season had to be our best for many years with the conditions and strong support teams all working together to ensure we ran the full program.

Thanks to all the support teams and SLSS Board of Surf Sports for all the effort on the day, and a great team effort by the Wanda club on the beach from very early till very late.

Our focus on the overall development of our young Nippers continues every season with our two award winning Development Camps.

This season we had 195 young Nippers supported by 44 club minders attend the U11's and U13's Development Camps.

Once again the camp was well supported by the Branch, with IRB and Jet Ski on

> location much to the delight or all on the camp. With the arrival of Lifesaver 1 at both camps this year the kids had a great opportunity to hear and see what this team of lifesavers achieve on a daily basis, and the training needed to be on the Helicopter Rescue Team.

Our Rescue Champs at both camps were a step up this year, with a real focus on CPR and rescue techniques with all the cubs meeting the challenge on the weekend.

Board of Junior Development (continued)

It's a great sight seeing all these kids take on the role of a lifesaver in action in the pool, and focus the skills they have learnt at Nippers on a Sunday... it's what it's all about.

Congrats this season to South Maroubra and Elouera for the club winners of the Junior Lifesaver of the Year, and to Coogee for the two High Commendations.

Austin Wem from South Maroubra and Chelsi Williams from Elouera were worthy winners against very good competition from the other clubs. Austin and Chelsi attended the State Development Camp and did us proud... and from all reports impressed not only the SLSNSW Team and the Facilitators, but also the other Branch winners from across the State.

Both Austin and Chelsi showed great skills during the camp and were very active participants in not only the physical skills of the camp, but also the presentations, especially those focussed on the future of our Youth in Surf Life Saving.

Austin and Chelsi will now move forward and work with the Branch Youth Team next season.

Congratulations to the Branch Executive team, Donna Hargreaves Secretary, Bruce Bevan Deputy and Wayne Druery BoSS Delegate - they have had a great season, and together have put in another stellar effort as part of the BJD Executive.

Wayne has "graduated" to BoSS Director next season being replaced for next season with Mike Day, with Donna and Bruce on for another season... many thanks team.

Once again Sydney Nippers thanks our Major Sponsor Sydney Airport for the continued support, as well as the Sydney Branch Board of Management.

Season 2012-2013 done and dusted.. Roll on 2013-2014..looking good for Sydney Nippers.

Doug Hawkins

Director of Junior Development

Board of Youth Development

This season saw a new focus on the Youth in our Branch with the Branch White Paper - "Youth in our Clubs" released for discussion and response.

Without structures for Youth in our clubs, it's difficult for the Branch to deliver substantive and effective programs across the clubs.

Following on from the White Paper a number of Youth Directors met and from this have now developed solid and effective plans for season 2013-2014.

With nearly 25% of our patrolling members under the age of 18 across the Branch, we need as Clubs and as a Branch to ensure we are connecting with this age group, and delivering programs that assist in retention and growth, both in numbers, skills and responsibilities.

Sydney Branch Clubs now have access to a number of solid resources relating to engaging with their Youth, and options for structures within their own clubs. These are based on other successful models from other local clubs, and will hopefully increase the level of engagement both at Club level and Branch for Season 2013-2014.

From this Seasons discussions, resources and engagement from the branch to the clubs, we can now look at implementing options for the future.

Plans for Season 2013-2014 include the following:

- Branch Youth Forum consisting of approximately 12 -15 Youth Members from across the Branch - meeting three times per season.
- Involvement through the Youth Forum of our Sydney Branch Award Winners in the Youth Age Group.
- An increase in involvement for this age group across lifesaving and surf sports, including surfboard riding events and Lifesaving Championships.
- Leadership and Development sessions for our younger leaders presented at a Branch level.
- Greater representation on SLS
 Development Opportunities across
 both State and National level.
- Focus and assistance from the Branch on structures within Clubs that engage the Youth contingent and give them a voice within the club.

Board of Surf Sports

Surf Life Saving Sydney BOSS Report of 2013 season, What a full tilt stunner of a season!!

- New Water Safety focus. 2013 saw the implementation of the guidelines established by the SLSS water safety task force. This had an increase demand on resources. It also increased stress on existing club infrastructure. Some clubs simply don't have the resources. As part of the transition a further review should be undertaken. New and existing modelling on IRB roster should be carefully considered. We must continue with this focus.
- Introduction of Carnival Water safety Officer. Responsible for water safety evaluations, manage and collate water safety assessments. To assist the carnival referee / section referees and ESO in the carnival aquatic safety management. Michael Byrnes managed this role as the water safety BOSS advisor. His professional, incessant, practical approach worked to strengthened and underpinned the delivery and admin of water safety at our branch carnivals. Feedback from each carnival referee was extremely positive with this additional element in the structure of our carnivals. Michael also addressed a very important issue in our documentation and archiving our carnival safety records. Simply, Michael and the Ohana water safety process is a must to every branch carnival in the future.
- The SLSS BOSS carnival and event calendar 2012 -2013 was crammed packed. All bar one carnival was delivered. The Ohana Classic was cancelled due to heavy surf conditions twice.

- 2012 2013 BOSS official's renewal was online. A review does find some gaps which will be resolved by the office. Most members find it is easy to use. The admin side of this process must still allow interaction with our members.
- Carnival entry was extensively On-Line. More events were loaded and any entry irregularities were dealt with prior to the day of the carnival. We do need to improve the competitor registration at the carnival. This will be something to work next season.

- · 2 official level 1 courses and 1 official level 2 course were convened and Managed by Graham Bruce. 2 junior officials course were also held. Our official's membership is healthy: example in 2006 we had 150 active officials; in 2013 we have 224 with 80 junior officials. The balance of level 1-2 and 3 ratio, is now also healthy with a strong succession process. Mentoring and advising are key assets which have and continue to influence this. Thanks goes to Graham for the countless unseen hours of following up, mentoring and guiding our officials through the education and renewal process. The BOSS board also has a full panel of active advisors covering all areas of activities and disciplines... In this I believe we lead the country.
- Mentoring activities are fully implemented and are now recognized. We have mentors working at various levels and at various activities all contributing to an improved outcome with elevated retention. Mentors are appointed at every carnival now. We must continue to expand, share and utilize our wealth in mentors

• The SLSS Branch Team. This year we achieved 2nd at the Interbranch Championships, with very strong competition coming from most branches especially our friends from SNB. Sydney branch team demonstrated what can be done when you take 45 High performance individual athletes, throw in youth mentoring, great coaches, team building, hands on management, Along with a solid Team Program. The results speak for themselves - over the past 4 years 2 gold and 2 silver.

I remind everyone, that this team represents all of Sydney branch with members drawn from all clubs across Sydney. This team is the outcome of a program which includes 3 open selection trials, a panel of selectors, and hours of research, months and months of training at squad and club level. The branch team represents hundreds of competitors, parents, officials, coaches, managers... who participated. This Branch team provided an opportunity for EAP participants which also numbered in the hundreds. To say the least this representative team for Sydney Branch is an inspiration to all clubs and members.

• 2013 BOSS hosted the Emerging Athletes Program. 3 separate activities aimed at skill development, building confidence and also providing challenges in a fun and positive atmosphere. A number of these participants went to branch selection trials an example of this can be seen in Ali Najem. EAP again provided an opportunity to involve a mixture of clubs, officials, administrators, mentors and coaches in low key activities which for many formed long term friendships. It does foster comradeship across the branch.

season, also to act as a platform for

further development in our members.

· Branch Gear. Thanks to Bursty and his trustee helper Frank. All gear was prepared and kept in perfect condition. The gear trailers were serviced and reliable. Bursty and Frank spent countless hours cleaning, twining and fixing our gear so that it was ready for use each and every event. We do need to update the condition of the beach sprint finish gates; the beach section needs to shoulder this project. The gear trailers were delivered on time and hauled away without any issues. Thanks to Noel for your great service. Sydney Branch says a special thanks to Caringbah Bowling Club for their support in providing vital storage space.

- - Preseason Clinics. This season we hosted 2 coaching clinics early in the season. 1 IRB course and carnival orientation clinic convened by Bursty. 1 R&R coaching and technical clinic hosted by Ben Dillon. Both of these clinics go towards development. R&R has shown a great resilience, with these type of activities supporting real growth in our branch where many others branches are finding contraction. Our other planned clinics did not get off the ground due to lack of interest or demand. This is something BOSS will need to review for 2014 season. These clinics were formed to assist preparation coming into the
- SLSS hosted the Country Athlete Exchange Program. 8 competitors and 1 coach were hosted by some wonderful Bate Bay families. Feedback was extremely positive and SLSNSW have indicated a willingness to expand this activity. It was surprising to find out that 7 of the 8 participants had not been to Sydney to participate in a carnival the size of Manly Open, most were simply stumped at the size of our clubs and the number of members on patrol. I believe that the program did deliver incentive to continue in Surf, even with the adversity country life presents.
- State and Aussies Championships completed. Although the State Age championship was subject to extreme adverse weather conditions. A snap shot of our branch health- depth of talent and our activities support : Our members gained at the national level- 175 medals in total – 345 placed earning points – 13 individual gold - 8 individual silver - 12 individual bronze - 32 Team Gold - 62 Team Silver – 48 Team Bronze. These results support our effort in such activities as branch team, EAP, development clinics and Lifesaving.

• Branch Championships - This was the last year hosted by Wanda, big thanks to Wanda SLSC and President Pryke for all your help and hard work. The championships was held in perfect conditions and delivered a full program with a full page of officials appointed. We did experience some minor issues with IRB's and this will be a subject for review with the incoming BOSS.

deep gratitude a fellow members a have helped me a me along the wa

Mike Roye- Ex D

I want to take this opportunity to leave with the following thoughts.

Sydney Branch is the premier branch of Surf Life Saving NSW. The first branch to run junior officials course, the first branch to run EAP and continue this for over 7 years, the first branch to appoint at every carnival a water safety officer. The first branch to set up Surf Sports on face book and continue to grow with other 1300 members now. The first branch to run coaching clinics prior to season start up. The only branch to run Country Athlete Exchange program. The only branch which involves youth mentoring throughout it's team building process. Sydney Branch is the only branch which is growing in R&R with advisors, coaches, clinics and carnivals supporting this. Sydney Branch does truly have a junior carnival program which represents best practice and at the forefront of sport event management. This series is truly now ready for a major sponsor. Sydney Branch BOSS supports representation from all areas through its diverse advisor panel. Sydney Branch has grown from 9 events in 2005 to 23 events in 2013 with another 6 special events being hosted by our branch added to that. All of this means we have engaged and encouraged club structures to support this. We listen and relate to our members with plans to review and modernize some carnivals to encourage participation and patronage here within our own branch and also welcoming fellow members from around the country.

I would like to remember with deep gratitude a number of fellow members and friends who have helped me and mentored me along the way during my tenure as Director: David Mullinger- Ex BJD Chairman, Tim Murray Ex BJD Chairman, Mike Roye- Ex Deputy Director BOSS, Graham Evans- Ex Director of Surf Sports Sydney, Graham Bruce Ex- Deputy Director BOSS, Jodee Calo - Ex Secretary BOSS, John De Cean Ex-Secretary BOSS Yvette Rutherford Branch Office Admin, Numerous club presidents Like Graham

Ford, Greg Holland.and Peter Carney.

Lastly I must say thank you to so many friends because that is what they are now, for their hard work and selfless support of my and the branches endeavours. To my board of surf sports Michele Cole- Greg Peirce – Ian Goode – Wayne Druery and Peter Burst. The BOSS advisors Ben Dillon, Reg Francis, John McLoughlin, Graham Bruce, Greg Allum, Steve Strawbridge, Peter Burst, Phil Dutton and Michael Byrnes... The branch selectors, branch team mentors and branch team management, Branch Coach Scotty Thompson, Please accept my sincere and deepest thank you.

To my wonderful kittens in the office Linda and Victoria, without your constant help and work it would have been very difficult

no... nearly impossible. I want you all to know that you have made a significant contribution to the future of so many people; you ARE a formidable team for which I again want to thank you.

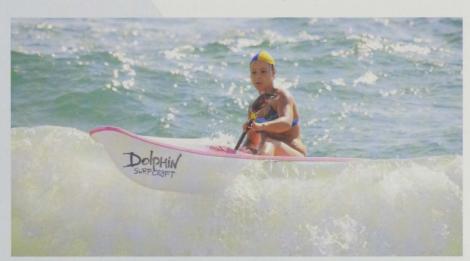

Finally I want to thank the Board of Management for embracing and supporting my endeavours throughout my tenure as Director of surf sports. Personally my gratitude for support and friendship given without condition by the Branch president John DeCean, Lastly, I want to thank Roxanne, Maddison, Lachlan, Diaan and my wife Sharon for allowing and supporting my time to serve as director.

Thank you

Mike Vitnell

IRB Advisor

During May, June and July 2012 we had 4 NSW IRB Premiership rounds and the State and Australian Championships.

Sydney Branch had 4 clubs which competed and 3 clubs who competed at all 4 rounds and State.

South Maroubra and North Cronulla_ finished in the top 5 in overall point score out of 24 clubs competing over 4 rounds of the premiership.

On 7th & 8th July 2012 which was held at Fingal Bay South Maroubra, North Cronulla and Coogee

competed at NSW IRB State Championships.

South Maroubra finished with 4 gold's 3 silvers 4 bronze

North Cronulla finished with 2 gold's 1 silver 1 bronze

Coogee finished with 1 bronze which is their first ever medal in State IRB Championships well done.

State Pointscore South Maroubra finished 2nd and North Cronulla finished 5th out of 22 clubs which competed.

At State 5 Sydney Branch members were selected into the NSW State IRB Team 2012 to contest the Interstate.

On 20th July the Interstate Championships were held at Ocean Beach and NSW once again finished 2nd to Queensland.

21st & 22nd July 2012 the Australian Championships were held at Ocean Beach with South Maroubra finishing 4th in the Rescue and Mass Rescue Events.

Late September the 6th Sydney Branch IRB competition can laying course was held at Cronulla which 6 people attended.

In November we had the World Championships in Adelaide on Glenelg Beach with 3 Sydney Branch Clubs attending – South Maroubra, North Cronulla and Coogee. World IRB Medals were won by South Maroubra finishing 3rd Open Mens Rescue Event, 1st Open Mens Rescue Tube and 3rd Opens Womens Tube.

North Cronulla finished 8th in the Open Male Mass Rescue Event and 8th in Open Female Teams Event.

At the time of compiling this report Sydney clubs have competed in the 2013 NSW State Championships with South Maroubra taking out 3rd place in the overall pointscore and collecting many medals. The 2013 Australian IRB Championships will be contested in Darwin NT mid July 2013.

This season there were 16 carnivals which included districts where IRB Water Safety was used under new SLSA criteria. I would like to thank all the IRB rostered clubs for their support of the roster during season 2012-2013.

There were a few issues with some clubs but it is important for competition clubs which are rostered to support our competitors and for clubs to roster dedicated IRB crews only for competition and to support them.

I wish to extend thanks to Joel Eaton and Kane Hughes for running and setting up the Garie Dash while I was on holidays and to Daniel Wood who was power craft co coordinator at 3 carnivals and did a fanatic job. Also thank you to the Wanda IRB crew who helped assist when we were short of rostered crews at some carnivals and thanks to all the people who supported me during the season in this role.

Peter Burst

IRB Advisor

Gear Steward

Last May 2012 I started on the maintenance of the branch gear over a few weeks. There was little repairs or replacement mainly repainting most of the gear. During the season we had some gear lost or damage which was quickly replaced or repaired prior to the next carnival. This season the gear trailer went to 11 carnivals in the Branch.

Once again I would like to thank Frank Ridley for many years for his continuous work behind the scenes during the season. Also like to thank Noel Brown in his 5 season for getting the branch gear trailer to all carnivals.

Many thanks again must go to the Caringbah Bowling club for their continuous support for many years for providing us space for Branch gear trailer and container and now Branch beach trailer on their premises.

Branch Team Report

2012 was again another outstanding year for the Sydney Branch team. This year we continued, as in previous years, to manage our team selections with a focus on the type of event we are to compete in with our support programs providing opportunities to our youth mentors. This season we again won silver, by again finishing a close second to Sydney Northern Beaches. The end result only involved a small number of points.

On Friday afternoon, after 5 hours on the road, we arrived at the Diamond Beach Resort and after settling into rooms the team then straight down to the beach for some last minute training.

This years Interbranch Championships were held at Black Head Beach on the mid north coast of NSW. Saturday saw us take the carnival head on with our water & beach sections performing very well under the guidance of our Branch Coaches who were led by our Head Coach - Scott Thompson. Our water section took to the challenging water conditions with skill and courage. Over the 2 days of competition all competitors, and spectators, were battered by extreme on shore winds. As always many races saw some very tight finishes. Sunday was a day dominated by team's events on both the beach and the water. Our Juniors held up under tough competition scoring loads of valuable points. The seniors were pushed the whole way by very competitive combinations from SNB, Central Coast and Hunter branches. Our branch team concluded the competition displaying great sportsmanship and never give in competitive spirit.

Under the leadership of our team captains Dane Farrell and Tara Coleman our competitors enjoyed a great camp with loads of good food, sports and outstanding accommodation. Overall the weekend was a great success on many fronts.

The Branch team continues to be our beacon to all aspiring members, who want to be part of an elevated competitive activity. The team not only comprises athletes of high calibre but the very best of support structures which provide avenues for development, inclusion and team bonding. Thank you to our team youth mentors, team coaches, team chaperones and assistants, our Tiger bus driver, the parents, competition officials, the host club and finally to a great bunch of athletes who formed our team.

Bondi Surf Bathers LSC

It is with great pleasure that I can report that no lives were lost whilst patrols were on duty.

Thanks to our Director of Life Saving, Charles Cotton. Our prime objective is to offer a safe surfing environment with well trained personnel and equipment to perform rescues and resuscitations. Our patrols were remarkable with no lives lost whilst patrols were on duty.

Congratulations to Louise Bryant, our Director of Education. Louise and her instructors once again achieved exceptional number awards. A fabulous effort. Louise and her section are providing the Club with highly trained competent lifesavers, an essential resource. This was Louise's first year as the Director of Education and has performed magnificently. The Club owes her a sincere thank you for all her effort and her professionalism.

To our Director of Finance, Kieran Milne, thanks. I am able to report that all the accounts are paid, we have money in the bank and we had a trading profit. Kieran has placed a number of expenditure procedures which are obvious are working. The new arrangement with Ravesi's is an important revenue for The Club.

Our Director of Sports, Simon Watkins, had a very busy season with a demanding portfolio of sections to oversee. Simon's enthusiasm has resulted in numerous and very good results at Branch, State and National Titles. It was another exciting Stan McDonald Relay. After three consecutive wins we were beaten by a few seconds. Congratulations to all the swimmers and to the team organisers Simon Watkins, Grant Baldock and Andrew Hoggett.

The Bondi to Watson Bay Ocean Series was again another success thanks to the race organisers Rob Harvey, Greg Byrnes and Cal Brodie.

The Bondi Blue Water Challenge ocean swim was held for the forth year. The date had to be changed twice but we had a beautiful day and small surf and the event was very successful. Thanks go to Race Organiser Darren Morrison.

The IRB section is a vital part of the Club and it embraces both lifesaving and competition. Congratulations to IRB Captain Ben Williams and his section for the endless amount of time they contribute to the Club. Thanks to Clovelly Community Bank for donating an IRB, motor, wet suits and rashies.

Mike Gencher is our Director of Junior Activities. Mike has been working very closely with all sections of the Club ensuring that we have a continuous flow of young Bondi lifesavers. Mike is standing down as Director of Junior Activities. Thanks Mike for your efforts and enthusiasm during your tenure.

To our Director of Administration, Leo Hyde, thank you. The office hours vary depending on the time of the year. Please refer to The Surfer for office hours .The office is staffed by Leanne Bartlett and Vivienne Veckranges .Leanne resigned to take up a full time position Surf Life Saving Australia. We wish her well in her new employment and thank her for her work with The Club. Thanks to Larry Engahl

for volunteering his time in the office. The administration department embraces many aspects of the club and other sections would find it difficult to function effectively without the assistance of our administration team. Thanks to Pat Moore our House Captain and Chairman of the Re-building Committee. The Clubhouse is looking a picture. The new Steam Room has been installed and has

proved very popular with the members.

A Development Application has been submitted to Waverley Council to build a training and junior room with the gym being relocated above the boatshed.

Our Director of Marketing and Sponsorship, Andrew Hoggett who has organised numerous sponsorships and has been promoting the very popular Captains Club. A special thanks to Sally Betts, the Mayor of Waverley, and her fellow Councillors and Council officers for their continual assistance throughout the year.

To Di and Dave Hoggett, Bob Ottway and Peter Stapleton, thank you for organising The Annual Bondi Golf Day. It was a great day and raised a substantial amount funds for the Club.

Thanks to the Inaugural Legends Lunch Committee Adam Nezval, Grant Baldock, Wil Hardman, Andrew Hoggett. It was truly a great event and fund raiser.

Thanks Jacob Waks, the Deputy President. Jacob whose portfolio embraces all sections of the Club and is always busy. Jacob organised another successful Ball. To Tim Read our honorary photographer thanks. Tim attends all major Club events and records our history with his camera. Tim received the prestigious President Award for his efforts to The Club. Thanks to John Blanch our Publicity Officer. John is always promoting the Club in the media.

In conclusion, I would like to thank all the members for giving me the opportunity to serve as your President. It is a great honour and has been thoroughly enjoyable.

Andy Winters

President

Bondi Nippers

The 2012/13 Season has been one of consolidation of the aims of Surf Life Saving Australia.

Wherein our very dedicated Age Managers, Coaches, Age Helpers & Water Safety teams have furthered the aims of SLSA. primarily the development of our future Surf Life Savers, through the implementation of the Nipper curriculum, developing a skills base for our Nippers throughout all age groups, with the eventual awarding of the Surf Rescue Certificate (SRC) to members of the U14 age group.

The emphasis of our Nipper programme at Bondi is that the kids have fun whilst learning water safety, surf awareness, lifesaving and competition skills. This ethos has been successfully merged with the requirement of SLSA that Nippers should follow an age specific curriculum. Our Age Managers and Coaches continue to adopt this curriculum and ensure that the Nippers meet the requirements which enable the club to issue attainment certificates to each child enrolled at the end of the season. This season our Nippers were awarded 383 Surf Education Awards.

It was another fantastic season for the Bondi Nippers, who hit the sand running with 436 nippers registered.

Again this season, I was amazed by the way our Junior Activities Committee, Age Managers, Age Helpers, Water Safety, Nipper IRB, Junior & Level 1 Officials, and those that really volunteered, attended to their jobs without any fuss or bother throughout the season. Thank you.

To the parents who every week, helped or who made themselves available when

asked for any task, it has been a pleasure to work with you for the benefit of our children.

To our sponsors, Sun-Greenaway Builders, Hurricanes Grill, Mr. Beaks, The Sydney Roosters, Apple & Bee, Porebski Architects, Body Express Swim School, Ord Minnett, Bonds, Barloworld Volkswagen, Sejuiced & The Bucket List. Thank you for all your support!

Our Nipper program has a core group of behind the scene people who keep the joint running. To our JAC Committee & Office Bearers, Narelle Moore, Wendy Goldman, Samantha Ryan, Helen Jenkinson, Tom Riley, Peter Cooper, Shaun Jenkinson, Scott Ryan, Steve McKenzie, Graham Wong & Michael Douglas, I have appreciated your dedication, advice, support, hard work, efforts & the tough decisions you helped make to keep Bondi Nippers successful.

To our Age Managers and Age Helpers, your ability to keep the kids (and parents) interested in the surf program week in, week out, was inspirational. To our Water Safety team led by Steve McKenzie, IRB drivers Graeme Wong & Gwyn Owen and Coaches, we couldn't operate without you. You make this club great.

Our main fundraisers are the traditional Sunday morning BBQ & Clothing area run by Narelle Moore. Thank you to Narelle for all the work you put into the BBQ, be it purchasing, sales, stock-take, preparation, cooking, scheduling, pleading

for volunteers and cleaning up. Thank you also to all those who assisted with the BBQ throughout the season with a special mention to "The Master" Jean-Paul. Our roster and SMS systems has helped with spreading the workload, but as always more help is always needed and in future please don't hesitate to let us know if you can be of assistance.

ensured another s

over the summer

To our proficient under 14's who obtained their Surf Rescue Certificates & became patrol members & surf protectors to our younger nippers, you guys are a credit to our club. I make mention of a special thank you to Grant Ashton & Margie Markham for showing this group the value of teamwork, camaraderie, community, enthusiasm and Bondi club spirit.

Your Nipper Committee worked tirelessly throughout the season along with the Age Managers, Age Helpers, Water Safety members, Coaches, volunteers and the club to provide a truly successful season for our most important Nipper members of Bondi SBLSC.

A very special thank you to a few people who have made incredible contributions to our program over many years. These volunteers and committee members have served our kids and our club in a way that has been nothing short of remarkable. Thank you Wendy Goldman (Secretary), Tom Riley (Deputy Director) & Peter Cooper (Treasurer). My appreciation for you, and what you have done for the club is immeasurable.

I would also like to thank the Board of Management, Vivienne Veckranges, the Patrol Captains and all the Patrolling members of Bondi SBLSC for their help, support and assistance throughout the season.

Finally, I would like to take this opportunity to thank everyone who has assisted in some way in making the smooth running of Nippers every Sunday the pleasure it has been.

Michael Gencher

Director of Junior Activities

Bronte SLSC

We are pleased to report that for the 2012-2013 season, no lives were lost on Bronte beach.

Our many, many wonderful volunteers have ensured another successful season. "Team Bronte" at its best. They have allowed us to protect the public by patrolling our beach over the summer months.

It is becoming more challenging to operate surf clubs. SLSA, due to an ever changing landscape are sending more directives to clubs to comply with their requirements. This has added obligations and workloads to all aspects of our Club. As a consequence, more volunteers are needed and more volunteer hours are required. Being involved in a Surf Club is a labour of love and on behalf of the Board of Management we thank everyone for their efforts this year.

As a Club we are trying to become more streamlined and make it easier to be involved. We continue our focus to create a club that is relevant to everyone and in particular to the community. Nothing highlighted this more this year than the community support for the Anzac Day memorial service.

shout the

There are so many people who have played integral roles this year. Firstly, I would like to thank the entire Board of Management for their great work and assistance. Dave Fleeting as our Vice President and "guardian angel of the water" continues to be a pillar of strength in our Club. Thank you to the continued support from our Finance Manager Roland Tyrrell.

Thank you to Warwick Hunt as our Administration Manager and the ever youthful Coleen O'Neill as our Media and Communications Manager. Holly Ries continues to do an amazing job as Sponsorship and Marketing Manager and has added so much to our club. Anthony Mossman undertook one of the most important roles as Cadet and Junior Coordinator. This is a major focus at the Club and 'Mos' has initiated some important new initiatives for the future.

Thank you to Nigel Harvey as Club Captain and his very hard working team. One of the great initiatives Nigel and Sam Wilson have put together is the Life Saving Committee and this has worked very well. It was another successful year for our education. 72 new BM/Cert II holders together with 33 SRC awards. Thanks to Sam Wilson as Director of Education and his team.

Our Nipper program continues to be a shining light and the foundation of our Club. David Finnimore as Youth Director and his committee of Amy Somes, Paul Manning and Anthony Ries are owed a huge debt of gratitude. I know how many hours are involved and they have lifted the bar again. We have an amazing group of Nippers and their success at the carnivals has been amazing. Very importantly, I think the Nipper program on a Sunday this year was the best one since my time at the Club and we are ensuring that today's Nippers may be tomorrow's life savers. Our future is in good hands.

Our IRB team have again excelled. Led by Andrew Ferguson, Jochen Valdeck, David Stone and Murray Inglis, they are building a great culture within the Club. They not only patrol one of the hardest beaches in NSW but are always doing extra tasks like going to carnivals and helping other clubs. They have added to their ranks 2 new drivers and 13 crew.

The Bondi to Bronte Ocean Swim was probably the most successful in recent

> times from an operational point of view. Whilst the conditions weren't kind, meticulous planning had been put into place and we handled the day superbly. To Stephen Ford our race director and Katie Hughes thank you for your work. We appreciate the continued association and support of our major sponsor Banana Boat. Whilst thanking all the many, many volunteers for stepping up this year, I do want to mention one other person.

Thank you to our important Sponsors (whom we separately acknowledge in this annual report). In particular to Banana Boat for their continued support and our other major sponsors in MPA and NAB. We also appreciate the support of our suppliers and people who have donated money or services to our Club.

Our Seniors Competitors had a good season, starting with our Rescue Tube team winning bronze at the World Championships and a bronze in the blue ribbon event the Taplin Relay. We have had a year of tremendous growth and success at Branch, State and the Aussies. We have more depth than ever and we're developing a wonderful culture. Well done boys!

Our R & R team competed well throughout the season, thanks to Col McDermid as coach for his endless passion and dedication. And what about our Boaties A crew with a 4th in the Opens at the Aussies.

Our social calendar, including our regular events like Reunion Day, ANZAC Day (biggest turnout we have seen). The Girls Night Out were well supported and we had the new highly successful Derby Day. We presented 25 year and 50 year badges at Reunion Day to honour and recognise the great contributions of so many volunteers to our Club. This initiative was well received.

To my wife Cathy and 3 daughters Hannah, Sarah and Sophie, thank you for understanding my great love of this Club. It is truly an honour to serve as its President.

Finally, on behalf of the Board of Management thank you to all members and volunteers for the great assistance and dedication throughout the year. It is fitting this year's theme of the Annual Report is "Team Bronte". It is what we are about and we should all be proud being a part of this great club.

Basil Scaffidi President

Bronte Nippers

This year we had 843 Bronte Nipper registrations, another strong year, with over half those in the Under 6s, 7s and U8s. For the first time we had to close the U6's due to such large numbers.

It was a season of two halves this year again for our Nippers program. The first half of the season we were blessed with perfect conditions, the sun was shining and the surf gods were kind to us. However, the surf and weather conditions at the beginning of 2013 were challenging which meant we spent a few Sundays out of the water which enabled us to concentrate on our Surf Education with the kids.

We had another successful SRC group, 31 girls and boys, who passed their SRC and we congratulate and look forward to seeing them patrol our beaches next year and participate in our new cadet program. Thanks to Karen Swinburn, Claude Varnier, Warren Whillier, Warwick Hunt and Carrie Follas for doing such a fine job.

The Nippers were ably led by our club captains Brooke Manning and Lucas Anderson and I thank them and all the under 14s for their leadership shown throughout the season.

Whilst Bronte Beach continued to offer up varying, and at times difficult conditions. we had another fun year on the beach. The continued improvement in the skills of our nippers in the water continues to amaze. It has taken many years and countless hours in the pool but the Bronte surf swimmers are amazing. This was evident in the Bronte Junior Ocean Swim which continues to grow in popularity, and next season will be open to all proficient Nippers in Sydney Branch as part of the Bondi to Bronte Ocean Swim. In tough conditions, our younger Nippers amazed us with their courage and skill. Keep up the swimming squads over Winter!

We have continued to encourage and develop our surf board riding crew early on a Sunday morning and this continues to grow in popularity, particularly with the girls. We hope to continue to develop this initiative in future years. Thanks to

Moz for continuing to offer this activity to our nippers and to all the other parents who helped out.

We sent representatives from our under 11s and under 13s Nippers to the Development Camps run by the Sydney Branch. As usual they came back with glowing reports of the experience and they all participated with great enthusiasm in all types of activities and learnt a lot of great things that will help as they move through SLS.

A highlight this year was the selection of 3 of our Nippers in the Sydney Branch Team for the Inter-Branch Championships at Black Head. Summer Walker, Zoe Welborn and Mackenzie Gavin all put in massive efforts and contributed a considerable amount of points to the Sydney Branch Team. Equally, Summer, Mackenzie and Tiger Walker all won the BJD Athlete of the Year in their age divisions recently. Well Done to Matty Eltham on his selection in the Open Branch Team as well.

Another highlight for the year was Bronte hosting the Waverley Shield at Bondi, the carnival was run very well and a big thanks must go to the over 100 volunteers we had who helped make it a such a great day, but special mention must go to Amy Somes, who did an amazing amount of work in the months before organizing the whole day. Bronte managed to retain the Waverley Shield again with a nice gap on our good rivals North Bondi. At the Branch Championships we continued our good form with a number of very strong results.

We took over 110 Nippers to the State carnival this year and managed 6th overall in the point score the same as the previous year. We narrowly missed 5th place by one point. For all those who attended the carnival it was indeed the most challenging carnival we have ever been to. The weather was extreme to say the least which meant events were cancelled and delayed. We are very proud of everyone's efforts at this carnival. Highlights were the continued strength of our U12 age group with very strong results across both the boys and girls and the U8 Girls Gold medal Wade relay team.

We continued our tremendous strength in the surf team event with a gold medal in the U10 girls, a silver medal in U9 girls and a bronze in the U13 girls. Unfortunately the U11 and U12's had their surf team events cancelled.

Next season we are making a greater investment in our older kids, and have recently formed a new Under 17 Age Group, that will offer all our former Nippers a great pathway into the Senior Club. Instead of being on Patrol once a month, these guys will be on the beach on Sundays putting time and effort back into Nippers through Water safety, helping Age managers with Surf Education, plus also getting to do their own events each Sunday, along with a new approach to training and competition for those who are interested. We really hope that both our younger Nippers, and our former Nippers both get a lot of these changes, and we smooth the path into the Senior Club for all our kids. Having all our recent SRC kids on the beach helping with Surf Education will also be a big help.

There are so many people to thank for the great year we had. Firstly to all the Age Managers and their Assistants who have again inspired our Nippers to turn up every Sunday and learn how to be safe at the Beach and develop the necessary skills to become life all you guys have he as the kids. To Mike Weale for a ordinating the Wate to all those parents weekend helped wi we can't do it witho

skills to become lifesavers. We hope all you guys have had as much fun as the kids.

To Mike Weale for again coordinating the Water Safety and to all those parents who every weekend helped with water safety, we can't do it without you. Likewise it is great to see some new parents going thru and getting their Bronze, there is no better way to spend a Sunday morning than in the water with your kid's. If your kid's see you out there having fun, then they will enjoy Nippers a lot more themselves. Additional thanks also must go to all our IRB guys, Fergo, Jochen, Nigel, and Dave Fleeting have been a massive help all year and we are very thankful for all your assistance.

To all the Waverley Lifeguards a massive thanks for their great support on Sunday mornings this season. It has been a great working relationship with Hoppo, Kerrbox, Azza and all the guy's, and no doubt the boy's are enjoying a more relaxed Sunday now we are finished!

Thanks to all the parents who helped officiate at the carnivals, and hopefully a few more of you will do the in-house Officials Course next season to assist the Club and spread the load.

Massive thanks goes to our great sponsors here in Nippers, their support has been fantastic. To MPA Projects (Ben, Ed and Sarah) it was great to have you on-board at Bronte, and the kids Pink rashies look fantastic. Envirobank (Max and Narelle) who continued to supply all the kids with their State uniform, and Ocean Swim Shirts. NAB who continue to keep our youngest Nippers on boards each season, and help support many of our activities. To Butcherman, who supply the BBQ meat each Sunday, a great fundraiser for Bronte.

Go BRONTE!

David Finnimore

Bronte Youth Director

Season 2012/2013 has been my first year at the helm of this great club, Burning Palms and I thank you for this opportunity.

Burning Palms Surf Life Saving Club has had no lives lost on the beach again this season and our patrolling members are behind this achievement. On behalf of all the committee we would like to thank the active members who give up their time to do the 2.5km trek down and then back up the hill to patrol at Burning Palms. Each patrol this year has met the required strength despite the extra effort it does take to patrol at our beach. Burning Palms always welcome new members and if you know of anyone wishing to gain their Bronze Medallion in Season 2013/2014 please tell them to contact the club.

The Burning Palms Nippers has continued to go from strength to strength and a congratulations must go out to Wayne "Hammer" Vaughan for this. Since Wayne has taken over the Nippers we have seen more Nippers than we ever had before. With increased numbers in Nippers there comes an increased number in parents. These parents have joined up as associate members and some parents have even gained their Bronze Medallion with the club and are now on a rostered patrol. We look forward to next season with hopefully more Nipper families joining The Palms. Since Burning Palms does not have road access our fortnightly Nipper days are held at Garie Beach. We would like to thank Garie Surf Life Saving Club for their continued support and for making their facilities available to us.

On the competition front Burning Palms had the March Past Team representing the club again this year. Under the supervision of Dave Falkiner the ladies and gentleman of the team have competed at the World Championships in Adelaide as well as doing the Club proud at Branch, State and Australian Titles. Congratulations must also go out to our active members who have competed with other Surf Clubs and have achieved fantastic results in Surf Boat Rowing.

Each Thursday at the Mortdale Hotel raffles are held to fundraise for Burning Palms. We would like to thank Dick Sheldon, Jack Ryan and Russell Dennis for running these raffles each week. This year the Committee members have also volunteered their time to

assist in the running of the raffles and I thank them for that also. ANZAC Day saw more members give up their time and on a public holiday to assist at Mortdale Hotel. Thank you must go out to Chris and Christine Fogwell, Dick Sheldon, John Boes, Gut, Ramsgate Dave and Russell Dennis. The raffles would not be possible without the support from Jason Smit the Publican, thank you Jason.

Our major event the Roosters River Run was again a success with over 45 crews from across the state coming to Georges River to row. We hope to see this event continue to grow this year with more crews being entered from more clubs.

Our club members have also been actively involved in Land Care and the Cabin Protection Group. Thank you for your time and efforts as these organisations are important for the community of Burning Palms.

This season saw a lot of support from outside groups. Dulux Paints has kindly supplied all the paint required to paint the Club House at Burning Palms. We also saw around twenty members of Lend Lease give up their time to come down the hill and use the paint that Dulux supplied to paint the Club House. Thank you to both Dulux and Lend Lease, everyone at Burning Palms appreciates your assistance.

A Club our size could not run without continued financial support and therefore a very special thank you must go to our major sponsors the St George Masonic Club (Maso's) and the Mortdale Hotel. Your continued support assists Burning Palms in running. Thank you also must go to the St George Masonic Club for allowing us to use their space to hold our monthly committee meetings.

Overall it has yet again been a great season at Burning Palms both on and off the beach. To everyone on the committee thank you for the time you put into helping run this club. To Peter Pearce, thank you for making my job easier. To all our members both associate and active I hope to see you all back again for Season 2013/2014.

All the best for the off season.

Chris Emery President

Burning Palms Nippers

Burning Palms nippers' numbers significantly increased this season from 24 to 46! That's right 46! Every age group is covered and before you know it they will be wearing the red and yellow of active members on patrols for the Palms!

Burning Palms nippers' numbers significantly increased this season from 24 to 46! That's right 46! Every age group is covered and before you know it they will be wearing the red and yellow of active members on patrols for the Palms!

Unfortunately weather and surf conditions this season were often not favourable on nipper training days. This resulted in only a few days of full attendance by all registered nippers. Hopefully we can encourage them to come again this summer. We strive very hard to retain nippers and encourage them to come regardless of the conditions as there is always something to learn and skills learnt on a windy day with huge surf may just save someone's life one day. The bad weather provided opportunities for resuscitation training inside the Garie clubhouse.

HUGE thanks must go again to Garie SLSC and their nipper coordinators Craig and Terri for welcoming the brown and green colours of Burning Palms to train

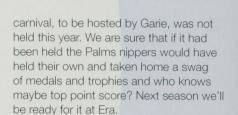

with their nippers at Garie. Some great friendships have been forged in the sand between nippers from both clubs.

This can only strengthen the numbers and pride in being part of the RNP surf club community. I need to add a special mention to Layla Francis for her generosity with a fellow nipper Rani Chafei. Rani is vision impaired and it is wonderful to see the two girls holding hands as they both run along the beach together with big smiles on their faces. Rani's fellow nippers and her age manager Paul Cootes (Garie) also rate a special mention for their acceptance and willingness to incorporate methods that enable Rani to participate in beach and water races. Paul shakes a noisy ball near the flags for Rani to dive for and for her to navigate beach races. Often it is Paul or an SRC member who holds Rani's hand for the wading races.

We would love to see more participation from parents in training- becoming an age manager or completing their bronze medallion (enabling them to be water safety officers). This is a great way to enjoy the nipper experience with your child.

More thanks for Andre Slade for providing his expert fun tuition in training the nippers for ocean swimming. Those that participated are still building on the "tricks" Andre taught them... "looking for the lull". Although most are already confident pool swimmers, due to the rough conditions at Garie, they are not as confident in the ocean. Andre did very well to allay fears (of both kids and parents) and give the kids the finer points in negotiating the surf and swimming techniques, skills they need to read the ocean and how to survive. Very valuable lessons indeed and we look forward to Andre sessions again.

Due to a series of unfortunate circumstances the District nipper's

The nipper's sleepovers have again proved very popular with our new members and it is a great way to introduce the parents to the club and its unique environment. Feedback from parents include this comment from parents that "We and the kids are getting much more than a nipper program, they are learning life skills and an appreciation for the natural environment in a very unique location that we can't see them getting anywhere else. Our kids are so loving being a part of nippers that they have a countdown on the calendar for the next nipper day!" some of the highlights include the Andre Slade sessions and the glow stick talent show performances.

For the first time we had three nippers attend the U11 Branch development camp at Deer Park and although the weather wasn't great Lilliana, Beni and Kody all had a ball learning team work, resuscitation skills, building rafts, rock climbing and archery. Thanks to Kim Waters for being their chaperone.

Thanks to Waterway Constructions who have again been our generous Nipper sponsor allowing us to provide uniforms, hats, nipper boards, safety vests and apparel for the water safety officers as well as the very important BBQ equipment. We look forward to an ongoing relationship with the company.

More thanks to all our other sponsors and supporters, without whom it would be more of a struggle to keep the Palms members on the beach. First on this list is the BP committee and patrol members

uch a successive beach in the

has been suppo

for their assista

92

Clovelly SLSC

for their encouragement, advice and participation on and off the beach. Our branch sponsor is Sydney Airport, who has been supporting us for 10years! Darling Street meats, Rozelle, for providing delicious meat for nipper BBQs and functions at a discounted rate. Finz for their assistance in providing the best and appropriate surf wear for our nippers program, including the shirts for identifying the associated adults, as required by Branch. (Garie think we look too good). Demon surfboards, for their expert advice when choosing the right boards for our nippers. Without the support from all these sponsors we would not be as strong a presence on the beach. We look forward to maintaining these great relationships in the future.

Sydney airport are currently running a new campaign featuring the junior program of surf clubs in the Sydney branch. Thanks to Christine Maniaty for responding to a call for talent- her son Aidan will be appearing in the advertisement, so keep a look out on billboards, buses or in-flight magazines for Aidan proudly wearing the palms colours.

Beni and

is Nipper de uniforms, ests and fficers as well puipment. We dationship Thanks also must go to Melissa, (aka "Sarge") for all her behind the scenes work, the administration, organisation and liaising with Garie co-ordinators, encouraging the nippers and parents and especially me. The parents that help us set up and pack down each session and those that cook the BBQ and our age managers and assistants are very important to the running of the nipper program and without them nippers couldn't happen. So thanks to Fiona Shearman, Melissa Vaughan, Mark Spencer who head up the team of parents on the beach; and Klaus Dieter-Liss who is always first with the water safety rashie on, ready and willing to keep an eye on the kids in the water.

Thanks most of all to the nippers themselves for making this last season such a successful one. See you all on the beach in the brown and green next summer.

Wayne (Hammer) Vaughan
Nipper Co-ordinator -

The club is proud to say "No lives lost" this season.

Clovelly SLSC has had an outstanding year we have had in Lifesaving, Education, Masters Competition, financially and socially. However, as this is my last Presidents Report, I would like to say a few words about the people who have worked to make the club so successful this year.

I have worked very closely with Paul Smith, Vice President and House Captain to ensure that there is continuity in many areas of the club. This has considerably increased Paul's workload and I would like to publicly acknowledge how much work he has put in.

Geoff James continues to publish Off The Square. For any members not able to get to the club often this is a great summary of what is going on in the club. Geoff has made a huge contribution over the years and has given me great advice and assistance. The quality and depth of information in the OTS is a testament to the time Geoff continues to put in. Geoff has done another full season of patrols in addition to all the other work he has put in.

Congratulations to Club Captain Derek Wong on his job as Captain this year. Derek has shown great skill in balancing the many demands of all stakeholders. Derek has been ably assisted by his Vice Captains. Sadly, Derek has decided to stand down this year and I thank him for his contribution. It has been great that he has been able to find a successor in Gerry McGillion who is well known for the huge amount of work he puts in to the club and is well liked by so many members.

The finances have been magnificently overseen by Craig Wheatley. Craig has a great background of excellent commercial knowledge and experience as a very successful and longstanding Nippers Treasurer. He has been a great support and has handled all the issues in a very commercial and pragmatic way. We are very lucky that someone of his quality is willing to give up the time to help in this demanding and unrewarding area.

On the Administration front congratulations must go to Margaret Murray and Tania Rouse for their efforts in streamlining the administration, preparing the annual report and organizing the annual general meeting.

Tania's contribution has again exceeded any normal standards. In addition to acting as Secretary and delegate, Branch Assessor and regular stand in IRB driver, Tania has trained eight IRB drivers and is mentoring one IRB instructor as well as countless IRB crew. She was even able to nurse an ageing President and future president through their IRB proficiency! This has completely changed the IRB roster and allowed us to confidently expect to be able to fulfil our duties in the coming season. Club members need to realize that the average IRB driver training is 60 hours over 16 weeks (and it all must be done before 8am!) when considering how big this achievement is.

Clovelly Education team has continued to live up to the high standards of recent years. Chris Thompson has continued to take squads as well as undertake the very big co-ordination role of Chief Training Officer. A large number of awards were achieved this year and particularly pleasing was the efforts to rebuild the capability of the IRB area of the Club.

With the increase in paperwork over the years the Chief Training Officer's role becomes bigger and bigger. The club has been lucky to have someone as capable as Chris to perform the role. As Chris is stepping down I would like to thank Chris for his efforts not just this year but over the last three years.

The Car park collections have continued to be a great contributor to the club this year and thanks must go to Bill and Barry Phillips. These guys work really hard at maximizing contributions to the club and are typical of the high quality people we have throughout the club.

Another two unsung heroes of our club are Andrew Radford and Al Weir. Andrew, as IRB captain, has got the IRB's and IRB area in the shed up to the highest standard. Nothing is a problem for him as we have purchased two new IRBs, engines and an ATV over the last two years. Club members do not realize how large his workload is because he handles it in such a quiet efficient way. The upturn in interest in becoming an IRB driver is in part a reflection on the excellent presentation of the IRB's. There is nothing more demoralizing than turning up to patrols as

Clovelly SLSC (continued)

a driver and the IRB is non-operational or there are issues that require attention. Al Weir has continued in the role of IT Officer. Al refuses to stand for elections and assures me each year he will not continue but cannot bare to refuse a request for help when we ask. He then does a very detailed and thorough job of whatever is required. As an example of his dedication I received an email from him at 9.30am on Christmas day about a problem with the clubs internet connection! On behalf of all the members I would like to say well done to Andrew and Al.

Congratulations to all who competed at the Masters State and National championships. We have not yet achieved the goals we have set ourselves to lift the Open competitor participation in the interclub competitions and Surf carnivals. However I would like to thank Wendy for her work in this difficult task.

As with the Open competitors we have some work to do with the junior members. We made some steps to get the juniors to set up and run their own sub club but these have largely failed as we have not had juniors with enough resources to carry this through. A new approach involving the group of juniors graduating from Nippers this season will hopefully have more success.

The club has again done well at the Branch Awards of Excellence with the following members winning Awards:

Tania Rouse -High Commendation Assessor of The Year

Molly Cocks- a crew member of the surf rescue 30 boat winning rescue of the year.

The club was also proud to win the patrol efficiency competition for not only the Randwick area but also for the whole branch. Congratulations to all patrolling members on those awards.

We experimented by combing the Club Marathon Championship, the Dave Murray Shield and Veterans Day onto a Super Sunday event. It was a great success and I hope this is repeated. We also received a lot of positive feedback from conducting the Tom Caddy Relay on a Friday night and enjoying a drink afterwards.

The Sports lunch has continued to be a great success as an event and a very important fundraiser. Thanks to Paul Smith and Russell Byrne for organizing this.

The presentation Night was held earlier this year in the downstairs hall at the club. Thanks to Social Secretary Russ Byrne for his help over the year with all the functions and particularly this event.

I have worked hard to bring the clubs as close together as possible. I have been assisted in this endeavor by three great Nippers Presidents in Rod Fox, Hugh McKid and now Lee Killigrew. All have understood the importance of the clubs working together and the benefit this provides for their members. I have also been greatly assisted by Lyn Chapman and Peter Sulman at the Eskimos.

Whilst this has meant some changes to the way we at the Surf club do things and this has caused some angst among the education committee and some of our longstanding members I hope that all members will see the benefits of all clubs being strong over the coming years as we attract new and active members and competitors.

Club Life Member Ken Ryan has donated his time to oversee the Swimming Competition for Juniors on Saturday mornings for the 31st consecutive season. This is an incredible effort of community service which should be acknowledged by all the community, not just the surf club.

As this is my last report as President I would like to thank all those members over the years who have provided me with support and assistance in the various roles I have undertaken – Competition Director, Gear Steward, Secretary, Vice President Captain and President. It has been the knowledge that there are those people around the club who are willing to help out that has enabled me to put my hand up for these roles. I hope I can provide this support to other people coming through and that they also will in turn be prepared to take on these roles.

Overall we have had another great year at Clovelly and I would like to extend my congratulations to all life savers who patrolled Clovelly and Gordon's Bay and all the other members of the club who supported them.

Jim King President

Clovelly Nippers

The 2012-13 season at Clovelly Nippers was hugely successfully due to the commitment of the age management teams from Under 6 through to the Under 14 squad, the officials, parents and the kids.

The aim of Nippers is to ensure that the children are confident in a beach environment and the Club does that by undertaking the following;

- Running a nipper program which is safe
- Conducting the official SLSA Surf Education programs that enable children to recognise and enjoy a safe water and beach environment
- Introducing children to the surf lifesaving movement and encouraging their continuance into the senior Club and thus contributing to the wider Clovelly community as they get older
- Developing within the children, surf lifesaving skills using activities such as beach sprints, flags, swimming and board in a fun atmosphere
- Providing a competitive framework for those children who wish to compete against other clubs and competitors
- Providing additional training and education sessions at the surf beaches in the Eastern Suburbs so our children can be confident and familiar with full surf conditions.

The age management teams lead the Club and are the day to day face of the Club to the children and their parents. Clovelly is indeed fortunate to have a very dedicated group of Age Managers, Assistant Age Managers and Age Registrars, most of whom will progress (with the kids!) through 9 years from Under 6 to Under 14.

Clovelly Nippers is particularly proud of those Under 14 members who obtained the Surf Rescue Certificate this season. Our thanks go to our Club Treasurer, Craig Wheatley and his daughter Jess for again taking another Under 14 group through their SRC training. This group is now in the process of integrating into the senior club and providing voluntary surf

The age management teams this year were;

Age Group	Number	Age Manager	Assistant Age Manager	Registrar
Under 6	54	Angus Fontaine	Richard Byrne	Adam Nathan
Under 7	60	Chris Murray	Michael O'Connor	
Under 8	57	Lara Laing	Simon Hadfield Nicole Hatton	Steve White
Under 9	46	Mark Hetherington	Glenn Evans	Russell Dunn
Under 10	36	Mick Fitzgerald	Danielle White	Katrina Boulton
Under 11	33	Matthew Beach	Ben Westall	Chris Parry-Okeden
Under 12	29	Steve Yeates	Katrina King	
Under 13	30	Julianna Radford	Andrew Radford	Kym Davoren
Under 14	20	Suzanne Young	Lee Killigrew	

lifesaving patrols. They also provided, in the back half of the season, much needed assistance to water safety for the nippers. Special recognition goes to those who joined Clovelly Nippers as under 6 nippers and to Suzanne Young and Lee Killigrew for seeing them through the 9 years as their age manager and assistant respectively.

The Management Committee oversaw a number of changes and advancements to the Club and its various programs. These were largely driven by the increasing obligations being placed upon the Club by Surf Life Saving Australia, particularly in regards to water safety, formal duty of care, accreditation, education, child welfare and development and insurance. The more significant changes were;

e surf

e senior Club

the wider

ey get older

- The Club introduced a cap on nipper numbers as a total and at an age group level simply because the rapidly increasing numbers threatened to overrun the Club's capacity to discharge its SLSA obligations
- 2. Changing the registration process and introducing a formal and compulsory parent induction into the Club and nippers
- The formalisation of competition, water safety, education and training by the appointment of directors in each of those functions
- 4. The separation of the age management roles from the club management roles thus allowing the age managers, assistants and registrars to focus on their age groups and their activities, education and competitions
- The appointment of individual age group registrars which allowed the club to carry out its education

- requirements, registration, proficiency and recording more efficiently
- 6. The setup of the Clovelly Nippers website; www.clovellynippers.com.au
- Increasing the level of support for training and competition which resulted in increased numbers of Clovelly nippers at the Branch carnival.

All the above helped improve the efficiency of the club and assisted the officials and as a result the Sunday morning activities for the kids ran very well. There are some key people who committed a great deal of time to the Club during the season. They were;

Craig and Susie Wheatley; Craig was Treasurer for 7 years, an Age Manager for many years, a Patrol Captain, Competition Official, SRC Trainer totalling 14 years service with the Nippers Club. Susie ran the clothing shop for many years.

Steph van Dam and Rebecca Cocks; our two registrars who oversaw a major change in the registration process and who were at the forefront of the difficult decisions regarding reduced numbers. Probably the two least heralded and most valuable people.

Jane Williams; Secretary and chief architect and organiser of the website and the Social Club.

Michael Laing; Water Safety Director, organised all the water safety every week and at competitions. Our thanks also to the increasing number of parents who did their Surf Life Saving Bronze Medallion and who now help out on water safety.

Tim Pembroke and Michael Walker; our two Beach Captains who organised the beach and ran the Sunday mornings, along with Gerry McGillion and Andrew Radford. Dave Hession; Training Director, Dave organised all the offsite training, Friday mornings and competition days – a very committed and enthusiastic club member along with Suze Williams, our Competition Director who ensured a very successful Branch carnival.

John Cottle; our BBQ Coordinator who turned up every weekend to run our BBQ from 8am to 1pm, and with a booming voice to cheer Fletcher on from the back of the BBQ!

The Club would also like to acknowledge and thank our Club sponsors who have been very generous with their financial assistance.

Ganellan; sponsor of our Hi Vis Safety Vests for all our children, probably the biggest advancement in water safety in junior Life Saving history and a very welcome contribution to the Club by Peter Maneas and his team at Ganellan.

Premier Painting; not only has Tony Conway and his family stepped up to contribute the age markers which have made such a difference to the Sunday morning running of the Club, but Tony also chose to do and complete his bronze medallion – a true family commitment to the Club.

Bonds; each season Bonds makes the commitment to supply the rash vests to the Club and they are greatly welcomed.

Lucas Meats and Clovelly Bakery; great supporters, friends and participants in the Club with their unfailing service and first class quality supplies to the Club and its BBQ.

To all the children, parents, age teams, officials and other volunteers, congratulations on, and thank you for, a very successful season. To Lee Killigrew and the Clovelly Nippers team for next season, my best wishes knowing that you have further work to do in lifting the Club higher. To all the parents, you must get involved as Surf Life Saving Australia is continually (and righty so) lifting the bar – your children's safety, education and wellbeing depend on it.

Hugh McKid

President Clovelly Nippers

Coogee SLSC

Another year has come and gone and once again I am proud to say no lives were lost during patrol hours this season.

This statement is testament to the fantastic job our lifesavers are doing on and off the beach not just at our Club but across the Branch.

Lifesaving

This area was once again led by the tireless Club Captain Dave Winkle with great assistance from Vice Captain Rebecca Partridge, this team oversaw one of the biggest years we have ever had on the beach and also placing us second overall in the Sydney Branch Club of the year competition.

- Over 2226 Preventative Actions
- 893 First Aids
- 135 Recues

The professionalism that comes from our lifesaving area while not only patrolling coogee or assisting our fellow Clubs Garie and Tamarama is something that all member of the club are very proud of.

As well as our patrol commitments our IRB area were flat out all year providing water safety at Carnivals, this takes the word volunteer to a new level.

Education

Our Education Team led by Craig Howie broke records for the second year in a row.

- 139 new bronze medalling holders trained
- 72 SRC awards
- 439 new awards for the season
- Over 900 Minnows awards

Congratulations to all who have given their time so freely in making this one of the most outstanding years we have had in our training area.

Youth Development

Doug Hawkins once again led from the front completing a fantastic year for our Youth area (Blueys) with an additional 72 SRC holders coming on board, our retention has never been better due to the great work being done by Doug and his Youth Committee.

Keep up the great work guys!

Competition

With Warwick Everingham at the helm our competition area produced some outstanding results bringing all areas together; Masters, Lifesaving and Open competitors for a top ten finish at the State Titles and top twenty at the Australian Titles. Our best result in years with four Masters Gold Medals, one Open Gold for Jessica Thornton and a swag of minor medals including a Bronze in the Open Patrol Comp which was a first for us.

With an influx of junior members coming through the ranks the coming years look great for the Club. I would like to thank Warwick for his outstanding efforts over the past years as he is stepping down at the end of the season.

Events

Two Coogee Island Challenge Swims were conducted this year with great success. These are major fundraising events for us and would not be so professionally run if not for the hard work of Lisa Bolton and her team as well of the support of the whole Club.

The longest continual running Surf Carnival was held at Coogee once again and even though the conditions were poor, everyone put their hand up and the event went on.

It's impossible to thank everyone in these reports but I would like to thank the Executive, Club Governors, Management, Lifesaving, Sponsorship and Competition Committees for their outstanding contribution to the running of the Club this year, without you guys nothing gets done.

Matt Scanlon

Coogee Minnows

Can I start by congratulating all our members for a fabulous season of junior life saving at Coogee Surf Life Saving Club.

Much of this report does require me to thank individuals for their contributions. It is important for me to make sure that it is the Minnows to whom we owe the greatest thanks. It is your enthusiasm, your perseverance and your achievements that make the whole exercise worthwhile. As Minnows, you are the next generation of life savers, surf sport enthusiasts and perhaps even members of club committees. You are part of a truly iconic institution in Australia. There is rarely a week during the season where someone has failed to impress the club, their parents or perhaps themselves. You are a remarkable group of young people and we look forward to seeing you next season. Take care during the cooler months and see you in spring for season 2013/14.

ank the

Management,

In my first season as Captain can I thank the Minnows Executive, the Minnows Committee and our Age Managers, Water Safety, IRB crew and Age Assistants for your unwavering support and contributions through the season. The success of Coogee Minnows is clearly a consequence of the substantial number of people who contribute on a totally voluntary basis. We are highly regarded as a club throughout Surf Life Saving Australia. To those people whose tour is reaching an end (John McDonald, Geoff Nixon, Rob Illidge, Bruce Fulton, Di Wallace, Margot Hilton) thank you indeed and very best wishes as you return to a normal life. To Ben Griffiths, congratulations on completing a 9-year commitment with the completion of this season's Surf Rescue Certificate (SRC) group - all 72 of them. We look forward to seeing you around the beach enjoying your Sunday mornings with the family. I am eternally grateful that our season has concluded without any significant incidents. The investment we make in training, education and compliance is substantial. This year we have trained a further 60 Bronze Medallion awardees. We ran five sessions for Age Managers and Age Assistants. We developed a transition program for Bronzies to help up-skill our Water Safety personnel for the very different world at Minnows. With

so many children the need for us to be vigilant and prepared at all times is simply too important.

On behalf of Minnows I thank the leadership and Management Committee of Coogee Surf Life Saving Club. Your support and encouragement to Minnows during the year has been invaluable and I look forward to ensuring the operations of Minnows are truly integrated within the club of which we are a proud component. A very clear example of this has been our involvement this season with the Inner Reef Club both in its execution and also in terms of being a recipient of funds that arise.

We began the season with a clear intention to increase participation in Surf sports. By the end of the season I am happy to report this outcome was achieved with over 100 Minnows attending both the Branch and State carnivals. We have extended the opportunities for training with support from Warwick Everingham, Dave Habler and Chris Gately. With the support of a dedicated Competition Director (John McDonald) and competition coordinators in each age group we have started to redevelop surf sports in Minnows and this focus will continue under the leadership of Steve Callaghan in the coming seasons. Congratulations to Ethan Smith (U8 Sprint), Samantha Gately and Elisa Toomey (U12 R and R) for their bronze medals at this year's State Age Championships. Congratulations to Olivia Karras, Eliza Cotis and Alice Morgan (U14 age group) for their silver medal as three quarters of an U15 sprint relay squad in the State Open Championships.

Coogee Minnows has enjoyed support from a number of sponsors during the season. Our long term Platinum Sponsor, MINT360property supplemented by MLC Advice Randwick and Audi Centre Sydney have provided generous donations without which we could not provide the scale or quality of operation. We are very grateful. We are also grateful to Coogee Village Butchery, Coogee Bakery and Royal Randwick Fruit and Veg, and Kellogg's who generously support our barbecues and surf camp.

We introduced some new initiatives this year designed to improve the efficiency of registration for not only Minnows but also a number of events during the season. These initiatives have gone well and we

will continue to refine these over future seasons – Rod Wallace is thanked for his leadership of these initiatives. Similarly, Rob Illidge is thanked for his important contributions to Minnows with written policies for Water Safety and Ben Ashton for leading a group that has developed policies for handling lost children.

Surf Camp was once again an outstanding success with over 150 Minnows spending two glorious days on the beach. Thanks to the many volunteers who made this all happen, providing help behind the scenes and on the beach.

It is important we understand the financial platform from which we operate. A careful assessment throughout the year has revealed that we are vulnerable to increasing costs that have not been corrected for over five years. Additionally, we must be cautious about our ability to continue with successful sponsorships. We will address a formal motion at the AGM to increase membership fees for the 2013/2014 season. By design these changes should address the increasing costs we incur every year as well as provide us with some independence from using valuable sponsorship funds for general operations.

Similarly, we have concluded after considerable discussion that our membership is in excess of what is safe and sustainable. Accordingly, we will begin a process of capping registrations to limit membership in 2013/14 to approximately 1000 Minnows.

Finally, season 2013/14 will be the 50th anniversary of Coogee Minnows. We have already started planning for a season of events, the centre-piece of which is a gala dinner at Paddington Town Hall on October 11th. We look forward to seeing you there to join us in celebrating this remarkable achievement.

We look forward to your continued participation and support. We will see you back on the beach in late September. Please have a safe, peaceful and enjoyable break. Keep up the swimming.

Sean Emery

Minnows Captain

Cronulla SLSC

Cronulla started the new season with the election of two new Life Members at its AGM and one of those may have created a bit of a record.

Sandra Neilson is not the first female Life Member in the Branch but has made her own bit of history. Sandra's father, the late Merv Costello was a Life Member and her husband, Kevin Neilson is a Life Member of Cronulla SLSC. Additionally her brother, husband and both sons are all Australian Gold Medalists. It may be worth checking the books to see if this has been achieved before.

The season start was impacted by Sutherland Shire Councils program to rebuild the sea wall along the Esplanade at Cronulla Beach. Patrols and nippers were challenged early as a large area of beach and most of Esplanade was fenced off for several weeks. This presented major difficulties getting patrol equipment onto the beach and Patrol Members worked very hard so as to not compromise the quality of operation. The good news is that we all got through it and now enjoy the benefits of the work. Our thanks go to SSC Lifeguards and Council Officers for their support during this time.

A good year is marked by good things. This year Cronulla was invited to participate in a nipper program to be run for children with special needs, mainly children with cerebral palsy. Following some supportive advice from Newport SLSC and SLSA, two Cronulla members, Cameron and Lauren Pyett launched and ran the program for the newest group of Cronulla members. The nippers chose their own name and own coloured caps to wear each week and are the "Black Hats". They brought their parents along with them each week and

the group reveled in the middle of several hundred other nippers on the beach.

Once a year the Clubs in our District come together for a community event sponsored by our local federal member, Scott Morrison. The Cook Community Classic is a carnival day held this year in the park at Cronulla. As well as typical carnival activities, there is an ocean swim and a mini surf carnival involving and run by the four local clubs. This year the focus was on junior age groups and team events and it was a very successful carnival.

Our patrols operated well this year. We had some challenging days, such as Australia Day when several thousand people gather at Cronulla Beach and all sorts of challenges confronted the patrol in a space of a few short hours. There were also a couple of days with IRB rescues in big seas off Shark Island - a couple of real heart in mouth days and some of our drivers and crew are looking with great interest at the assessment of life vests for use in the IRB.

Competition wise we had a very successful finish to the season - first at Branch Titles, second at State Titles and sixth at Aussies. Due to the delay between State and Aussies we rescheduled our annual carnival for a weekend in between the two and focused on a range of short course and team events. Teams came from far and wide and the carnival point score was ultimately won by Newport. We look forward to seeing them back next year.

Cronulla's major fundraiser is our annual Shark Island Swim. This year was our twenty-fifth swim and following the late finalization of the date for the Aussies we were at risk of not having a date for the event. The only solution was to hold the swim on 28th April, the last day of the season and last day of patrols. Well, we must have done something right and a sunny, wind free, calm day saw us hold the swim in as close to perfect conditions as you could get. There were a lot of happy swimmers. Further good news was that most major places were filled by Members of Cronulla or other local surf clubs. Financially, operationally and from a community perspective, this was a great way to end the season.

The goal now is to start next season off as well as we left this one.

Rob Short

President

Cronulla Crays

The Crays again had a very successful season with over 600 young nippers regularly enjoying the Sunday nipper program every week.

Again I would like to thank our sponsors with special thanks to Frank Doran Financial Services, Cronulla Lions Club, Tradies - Gymea and 7/11 Woolooware who supported the Crays financially this season.

Behind the scenes the Crays could not operate without the hard work of my Executive Committee and their assistants and I would like to thank Carlo Vilanti, Michelle Cole, Daryn Metti, Sue Buck, Liz Orfanos, Rachel and Damien Eaves for their continuing support - again thank you very much. The efforts of Damien Eaves require special mention for his hard work and innovation in establishing the electronic registration process for the 2012/13

To all the Age Managers and their assistants, who I regard as the back bone of the nipper organisation, your efforts every Sunday, and at carnivals, continues to amaze me. The leadership and management expertise that each of you display not only continues to mentor, and guide, our nippers but also provides a platform for a learning environment where all nippers learn the values of friendship, sportsmanship, life saving and competition skills. Your continual efforts are outstanding and I thank each of you very much.

I need to comment on the remarkable efforts of Marcus Kennedy and his Water Safety Team. The numbers of Water Safety we had keeping our nippers safe in the water activities this season was again outstanding. Without the valuable contribution of all water safety personnel at training, Sunday nipper activities and

In the same vair felow Surf Spo for their hard w throughout the

need to thank F

conditions. My

nippers and the and patience of eam Managen

support in man difficult circums threw up challe

carnivals our nippers could not enjoy the water activities that they all enjoy so much.

In the same vain I need to highlight the efforts of my fellow Surf Sports Officials for their hard work and efforts in filling our 'Officials quota' at the carnivals we participated in throughout the 2012/13 season. With special thanks to our new Level 1 Official – Simon O'Donnell and also the group of parents who undertook the Junior Officials Course this season. Special mention must also be made of the efforts of lan Goode and Neil Swane who continued to support the Crays by officiating at many junior carnivals throughout the season.

The Crays Apparel Committee lead by Denise Robinson again had a very successful season. The Crays apparel was again professionally managed by Denise culminating in another outstanding state uniform. To Denise and her committee thank you very much.

Moving onto carnivals - I need to thank Liz Orfanos and her team for organising the inaugural 'Frank Doran Financial Services Team Classic' in February. Our usual junior carnival, that is normally held in November, was disrupted due to the council works on the Esplanade and as a result the Teams Classic was born. This carnival was again a huge success with over 500 competitors from clubs all over Sydney attending and enjoying the teams format. Congratulations to North Cronulla for winning the point score and taking out the Frank Doran Cup. Many thanks to Frank Doran for his financial assistance in sponsoring the carnival. I also need to thank Peter Carney for refereeing the carnival.

The NSW State Age Surf Titles were held at Umina/Ocean Beach in what could be described as horrendous weather conditions. My congratulations go to all nippers and their parents for their efforts and patience over this weekend. Special thanks to Steve Pocklington and his fellow Team Managers for their patience and support in managing our state team in very difficult circumstances. The State Titles threw up challenging management hurdles with the weather conditions continually bringing about changes in the program with the carnival eventually being split between Umina/Ocean Beach and Terrigal over 2 days rather than the programmed 3. A big thankyou to Robert (Max) Walker for

To wrap up the carnival front the Crays enjoyed a high degree of success in all the carnivals we participated in this season including the Wanda Board Bounty, The Sydney Water Series, the Bate Bay 4 Way Junior Carnival, the South Maroubra Junior Carnival, The North Cronulla Ironman, our own Frank Doran Financial Services Teams Classic and finally the Branch and State Championships. To all our State and Branch Champions and medal winners I congratulate you and I also congratulate all competitors who competed and represented Cronulla so proudly. However my report would not be complete without mentioning the amazing efforts of Ngaire Hadfield who not only, again won the double by winning gold in both the Beach Sprint & Flags at the State Age Championships and also the NSW Interbranch Championships, but was also a member of the Under 15 Female Beach Relay Team who won the gold medal at the Australian Surf Lifesaving Titles.

On the representative front – congratulations to Ngaire Hadfield and Lachlan Vitnell for being selected in the 2012 Sydney Branch Team that finished 2nd to Sydney Northern Beaches at the NSW Interbranch Championships.

Of course the Cronulla Crays could not enjoy this success without the dedication of our coaches being lead by the Crays Coaching Coordinator – Robert (Max) Walker. Max lead a team of very professional and dedicated coaches including – the huge efforts of Mark and Dean Simpson and their board coaching team, Ray Masters and Mark Redrup on the beach and Dave Came and Richard Ford for providing our nippers with valuable surf swimming skills.

In the social area we all enjoyed 2 very successful social afternoons. The first being our annual Halloween themed afternoon that combines twilight nippers with a disco for our younger members and

a separate social function for parents and supporters. A special thanks to the Under 14 girls and boys, being lead by their Age Managers - Michelle Druery and Damien Carlton for organising the afternoon. Our second social afternoon for the season was a very successful afternoon in the Purcell (Nipper) Room where we all enjoyed the singing and entertainment talents of Luke O'Shea.

A very proud innovation of the Crays this season was to establish, for the first time, a specific nipper program for children with cerebral palsy. This program was established with the help of Jessica Graves of the Cerebral Palsy Alliance. The program involved approximately 12 children enjoying nipper activities each Sunday under Group Leaders Cameron Pyatt and Lauren Rennie. The group affectionately became known as the 'black caps' (due to their Sunday nipper cap colour) and it was an overwhelming success. Many thanks to Cameron & Lauren for their hard work and support and also thanks to Gymea Tradies for their financial assistance to establish the program.

Unfortunately as every season draws to a close we say goodbye to another under 14 age group. Congratulations and thankyou to Damien Carlton, Michelle Druery, Yevette Kennedy & Craig Jordan for their contribution and hard work as Age Managers over many seasons. To the Crays 2012/13 Club Captains – Cody Gaddes and Jamyka Blattman thankyou for a great season. To all our Under 14 nippers who enjoyed their last season as 'Cronulla Crays' I wish each and everyone of you success as you move onto any future endeavours you which to pursue.

Finally to all parents and supporters we could not all enjoy this great activity without your efforts and I thankyou for your continuing support and I wish you all the best for an even more successful 2013/14 Season.

Wayne Druery

Chairman Cronulla SLSC (JAG)

Elouera SLSC

The 2012/13 season has been an extremely successful one for Elouera SLSC in virtually every facet of our operational activities. It is again with great pleasure that I can report that "No Lives were Lost" whilst patrols were on duty.

It is a credit to all our patrolling members to have achieved this record once again. As testament to our patrolling strength and professionalism Elouera patrols were nominated twice and received two "Patrol of the Month" awards during the season.

One of the club's main objectives is to provide a safe aquatic environment for the public with highly trained life savers using well maintained equipment; and our members have provided this highly regarded community service in an exemplary manner. The club's patrols worked exceptionally well and according to statistics in Surfguard, patrolling members undertook 10,972 hours of active duty, made 57 rescues, conducted over 864 preventative actions and provided first aid to 107 people.

Our members also gave up their time to assist the Branch's Support Operations Group where we provided Surfcom and Jet Ski Operators throughout the season.

Once again, Elouera worked closely with each of the other three Bate Bay clubs in patrolling, education and carnivals. Clubs worked together in specific events such as the Branch Age and Open Surf Lifesaving Championships; the Bate Bay Interclub Carnival and in assessing new members for their awards. The clubs also participated in the fourth year of a combined life guard / surf club "working together" program. This program involves younger members from each of the four Bate Bay surf clubs undertaking training and work activities with council life guards.

Membership of the Club has steadily increased over the past four years and during 2012-2013 comprised 585 JAC members and 512 members in the Senior section of the Club - a total membership of 1,097.

Our instructional team had another great year under the guidance of Glenn Cairncross who undertook this position for his third season. The standard of training has been high and congratulations must be extended to Glenn and the entire team of instructors and assessors.

Numbers wise, Elouera members gained 178 senior awards and a further 411 nipper awards taking the club's grand total to 594 awards for the season. Although award numbers are slightly down the effort in achieving so many awards is mammoth. Thanks to all our club assessors for all your help.

Our nipper section had another outstanding season with 585 nipper members registering for the season. Our younger members are provided with a vast array of activities and skills training each Sunday morning and many of the older groups combine beach activities with additional education in surf knowledge and resuscitation techniques. The Elouera Surf Academy (ESA) program again provided a structured training program for nippers and catered for all abilities. As testament to the success of the ESA program, at the New South Wales State Age Championships the club finished a credible 4th overall - best in the Bate Bay area. This season's achievements are a credit to the nipper committee led by Darrin Lane together with Brett Richardson, his committee and all the trainers, managers and water safety

The club was once again fortunate to have two outstanding nippers who were nominated for the Branch Junior Life Saver of the Year award. Isaac Byrne made the finals and Chelsi Williams was named Branch Female Junior life Saver of the Year. She continued the Club's fine

tradition of producing Young Life Savers of the Year.

Our life saving side appears to be strong as does our training however our junior ranks were diminishing in the late 2000's and consequently the club developed a strong junior development program. A significant effort has been placed into the development of our juniors (14 – 19 year olds) which has started to bear fruit for the club. We will continue to build on this vital area and devote more resources to it over the next few years.

In terms of additional community involvement the club has also been involved in:

- (i) The 31st Tradies Surf Awareness Clinic. This year the Clinic catered for in excess of 260 children aged from 7 to 12 years of age. The Clinic, conducted over 5 successive half-days between 7th and 11th January 2013. involved over 90 volunteer members who willingly gave up leisure and holiday times to ensure a professional Clinic which was safely conducted in challenging surf conditions. The involvement and support of the Sutherland District Trade Union Club ("Tradies"); the local lifeguards and thirteen generous companies and organisations which donated products ensured the success and continuation of this important community event.
- (ii) The fifth annual Cook Classic event was held in November last year and involved all four Bate Bay clubs combining with many charities throughout the Shire to raise much needed funds and at the same time provide a community event and display for residents of the Shire;

been a major s

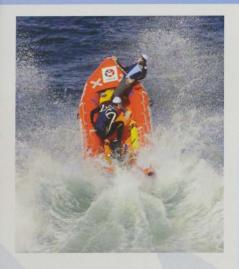

Westpac and S

officers and en

Peter Carne

The Tradies Surf Awareness clinic was recognised by the NSW State Government at a function hosted by the club on 24 April this year. I am proud to announce that the club was awarded the inaugural Water Safety Recognition Certificate. The award was presented to the Club by the Minister for Police and Emergency Services, Hon Mike Gallagher

100

MLC. The Certificate was made on the recommendation of the Water Safety Advisory Council and, more importantly, it was the first of its kind to be presented in New South Wales.

Elouera members also distinguished themselves in competition at all levels, with the club continuing to rebuild its name at both Junior and Senior levels. Congratulations are extended to our nippers who finished 4th in the state. At senior level the club finished 9th at the NSW State Titles and 16th at the Australian Titles, a vast improvement on past years. Special mention and thanks to all our carnival officials who make all this possible.

This year's Surf Life Saving Sydney Awards of Excellence night was held in late May. Elouera nominated a number of members for awards and congratulations are extended to all those members who attained awards and or gained high commendations.

Elouera could not continue to operate to its current high standard without the generous support of sponsors. The contribution made by our major sponsor, Sutherland District Trade Union Club ("Tradies") has been significant. They provide funds for the purchase of general life saving and competition equipment and also support the annual surf awareness clinic, youth development and have been a major sponsor for over 29 years. The club also recognises the significant contribution from the NSW State Government.

We also thank SLSA sponsors DHL and Westpac and SLSS sponsors Streets and Sydney Airport Corporation.

The support and guidance of SLSS officers and employees is recorded, particularly Linda Perrin and Victoria Raymond.

Peter Carney

President

nducted ins. The

if the Inion Club ards and

ented to

Elouera Nippers

I would like to extend my thanks to Doug Hawkins and John DeCean along with the rest of the executive board members for their active help and support for this past season.

This 2012/2013 season was certainly a great year for Elouera Nippers. Registration was at 565, down from the previous years. The nipper program was delivered to a high standard - only because of the huge amount of help and support we had from many groups and persons.

We had a dedicated committee who met the challenge of increased numbers. The Junior Nipper committee was outstanding. This year again we delivered an all 'inclusive' nipper program. Elouera is a family club and we wanted to ensure this theme was continued. The amount of work the committee put in to create a solid structure for every kid was to say the least exceptional.

The ESSA Training program, in its third year was fantastic, providing ample opportunities for nippers of all standards. The idea proposed by Surfs Sport head, Keith Hughes, has changed the way we provide training. Grant Wilkinson was appointed head coach and Scott Campbell was the dedicated sprint coach. There were more trainings sessions, for water and beach, for all levels of kids. The inclusion of Cadet Trainers gave the nippers someone to look up to and gave the cadets the opportunity to be guided by Wilko. The great thing about the ESSA program is that it is open to kids of all ages and all ability and skill level.

Over the season we had some great results in all carnivals. At state we maintained our position from last year of 4th – a huge result from Elouera Nippers. This is a reflection of the training program. We were the highest placed nipper club in the Bate bay area and the Sydney Branch.

Elouera were extremely disappointed that we could not hold in January this year – The Ohana Carnival. The carnival committee of Brett Richardson, Darren

Galea & Peter King put the structure into the event. Would like to thank Branch and BOSS for their active endorsement of the carnival and their support whilst we were trying to source alternative weekends and or locations to stage the event - in particular Wayne Druery. We had record number of entrants and loads and loads of cool prizes. After two massive rain events on two different weekends, we thought that we just could not deliver the fantastic carnival that everyone enjoys. So we had to make the heart wrenching decision to cancel the event for this season. Many thanks to our carnival sponsor Ohana, and other supporters for their understanding.

Again we push the surf lifesaving theme throughout the season. Every kid from the U6 up learnt basic first aid. Every kid from U9s up spent some time using the tubes, learning communication signals and learning CPR. Every nipper from Under 11s to U13s received their CPR proficiency certificate or proficiency. A few lessons throughout the season, and an assessment at the end of the season, meant 100 kids have now got an accredited SLS certificate.

It was very pleasing the see R & R and March past go from strength to strength again. We could not field a march past team for our 4way carnival in November, everyone worked hard during the season and managed to finished third at the state titles.

Nippers cannot function with the support of our sponsors. The Tradies, McGrath Mazda Sutherland, and Callahan's Collisions as main sponsors were fabulous – and contributed much needed equipment for the nippers, such as; manikins, rescue tubes, boards and tents.

Other important sponsors were Ohana Ocean Athletics, DP World, Riley Balsawood Surfboards, ANZ, NAB, and Manta Surfboards, Illawarra blinds, Stan the Coffee, Ohana, Banana Boat, – all provided important funds or equipment for nippers.

The Surf awareness clinic held in early January was again a great success. Congratulations again must be extended to Ron Pear's and Robert Chapman. It is one of the best events anyone could ever

Eloura SLSC (continued)

be involved with. Large numbers of persons from the junior club were involved – and I was very

proud of the manner in which they

conducted themselves.

The senior club takes a huge interest in nippers. For this I

interest in nippers. For this I thank the board of management for the support over the season. Peter Carney played a hands on role, and was often doing water safety on a Sunday, at carnivals officiating, and attending JDC meetings. Everyone on the BOM was very helpful to me throughout the season. The one club policy to my mind is alive and well!

Leadership qualities are very important and Elouera nippers had 4 outstanding Captains over the year. Captains Chelsi Williams and Josh Cassidy, and vice captains, Tara Stortenbecker and Jacob Byrne lead nippers with skill and were only too willing to assist when required.

Special mention must go to Chelsi Williams who was crowned the Branch Junior Surf lifesaver of the year. Congratulations Chelsi we are all extremely proud of you and you are a deserving winner of this award.

I had an absolute ball this season and can't wait for the next season.

Darrin Lane

Elouera Nippers

Era SLSC

The 2012/2013 season has been a big year for Era SLSC. I would like to congratulate the management committee and the active members who have continued to provide voluntary lifesaving work in Royal National Park.

The members of the club worked tirelessly over the last 12 months on the renovating the old clubhouse. In total we had over 125 members volunteer their time either carrying, lifting building, painting and even supervising. The total cost of the works was just over \$200k with the clubhouse now meeting OH&S and surfclub facility standards. The grand Opening occurred on Easter Sunday with the opening being attended by Tony Haven President SLSNSW and the State Member for Heathcote Mr Lee Evans

I am pleased to report once again the efforts of the active members are to be commended with 48 out of the 69 patrolling members achieved 100% patrol Attendance which means 70% of our patrol members achieved 100% not a bad effort for small club.

My role as President has once again seen me representing Era SLSC on the NPWS Royal National Park Cabins Consultative Committee (CCG) There has been little movement from the National Parks & Wildlife Service despite my regular requests for updates on the remaining licences for the surf club. Lets hope that in our upcoming 76th year an agreement will be reached to ensure the volunteer surf lifesaving activities at the three National Parks beaches continues into the future.

Era junior nippers competed at the Sydney Branch in a few of the age groups and special mention to Monique Wood who won a silver medal in the U15 Female Flags and who also competed in the U14's and made the finals of the sprint and flags also competed at the NSW State Championships where she made the semi finals in the flags and semi final of the sprint.

The nipper section has continued with success under the new leadership and enthusiasm of the Todd and Sue Mison with all of the young members having a great time on the junior activity days. The annual nipper carnival was to be held at Garie and unfortunately was a bit of a non event but the kids had some fun anyway.

The club also celebrated entering its 75th anniversary with nearly 300 people attending a black tie ball at Darling Harbour, What a night. To the members of the club who received the club's perpetual awards well done you were all worthy winners, these awards are a great way of recognising the members who have been the high achievers for the past season.

In closing I would like to thank the entire management committee for making the meetings so enjoyable. Special mention to Kelly, Elissa, Scotty, Petrina, Adam, Todd, Sharon, Shane for the amount of time and work they have all contributed. I would also like to remind other members of the club to consider putting their hands up and standing for a position on the committee for the next season.

This last season of 2012-2013 was much better weatherwise than the previous year. Most of the planned events were able to be carried out without too many delays or postponements.

Once again our club was well supported by visiting club members from the Sydney Branch clubs. Without the assistance of these members, Garie SLSC would not have been able to fully cover the patrol hour requirements. Our very limited number of active patrolling members makes it difficult to maintain a roster with a constant turn-around of members who are often called upon on a weekly basis. Even so, we were still able to maintain our record of no lives lost while the beach is patrolled.

To address this shortage, our club's Chief Instructor, Justin Hardman, worked extremely hard all season to put through a high number of Award recipients, 70 for the senior club and another 80 for the Junior Activities, thus making a grand total of 150. This great effort was rewarded by the club receiving the "Most SLSA Awards per Area" at the recent Sydney Branch Awards of Excellence Night.

Despite the club's small number of active members, we were still able to achieve recognition for the quality of these members by being awarded "Facilitator of the Year" for Michael Bretherton; High Commendation for "Rookie of the Year" for Lhyriel Smith; and "Administrator of the Year" for Anne Bretherton. Our club is fortunate that we have been able to attract such dedicated and hard-working members throughout the history of the club.

A couple of innovative ideas were carried out this past season to attract new members. One of the most successful of these was the Surf Life Saving's "Surf Club Open Day". The Surf Club Open Day was aimed to give clubs the opportunity to open their doors to the public and promote surf lifesaving within their community. The day enabled Garie SLSC to showcase the activities that take place within our local surf life saving club. The day was a huge success with nearly 20 club members offering their assistance before the event putting up posters and

handing out pamphlets and lending a hand on the day.

The day started off with a fly-by from the Westpac Helicopter; the kids present absolutely loved this. This was followed by Surf Ed presentations, first aid presentations, and some fun and games down on the beach. We had all of our patrol equipment out on display and an information centre set up in the club house with information on how to join. We ran a BBQ and raffled off some fantastic prizes and even managed to sign up a few new members. The visitors who came to see the club were most impressed. Our gratitude and congratulations must go to our new Assistant Secretary, Anne Bretherton who put in all the groundwork and organising for this event.

Another of Anne's ideas was a "Members Awareness Survey". At the end of the 2012-2013 season the club created and sent out a survey to the whole club membership. The aim of the survey was to find the areas of our surf club that needed improvement. Once the survey was completed the feedback was collated and it was decided that the club would create a 'Garie Member Working Group'. The group consists of 10 people from different facets of our club. The aim of the working group is to discuss the feedback from the member awareness survey and workshop ideas and ways to move our club forward. These group discussions have predominantly been held online via the facebook group page or email. The group met for a face to face meeting and came up with some fantastic ideas and an action plan that has been put into place for the off season.

One pressing matter was raised though, that of new rescue equipment. Of our two IRB's, only one is reliable. The oldest one is starting to cost more in repairs than

it is worth. The motors are also wearing out and a concerted effort is required to keeping them going. The team is putting in a lot of time during the off season to get more IRB drivers and crews trained and qualified before the new season begins. However a plan will have to be formulated to increase our fund-raising. Our beach is hindered by being in a non-urban area and we rely solely on a few very supportive sponsors and Surf Lifesaving's own sponsors to keep us going.

On the beach, the most urgent situations involved massive numbers of marine stingers, which created some very trying times as we tried valiantly to keep up a

Garie SLSC (continued)

steady supply of treatments. Perhaps it was these invasions of stingers that kept many people out of the water. However we still carried out 20 actual rescues; 254 first aid incidents, 221 of these were serious marine stings; 284 preventative actions and a couple of shark alarms.

Our competitive involvement though still revolves around the Nippers who show great enthusiasm and our major event is the 'Garie Dash' held each year at Bundeena for the last 15 years. Our gratitude is extended to Sydney Branch for their assistance and the involvement of their officials with this boat carnival since its inception.

Garie SLSC once again wishes to thank Surf Lifesaving Australia, Surf Lifesaving NSW and Surf Lifesaving Sydney Branch and their respective sponsors and supporters for the financial assistance rendered to our club throughout the year. We also wish to thank our faithful club supporters who have provided the assistance necessary to run a struggling surf club. Without this help we could not continue to exist. Best wishes to all in your endeavors for the coming season.

Rita Taylor

Hon. Club Secretary

Garie Nippers

The 2012-13 Season for Garie season was a relatively dry season between the massive swell or the beach being affected by bluebottles every second week. Our water safety team did a great job to get the nippers in the water.

Garie was fortunate enough to host what will hopefully be the first of many friendly training days between Garie, Burning Palms and Era. Nippers from all 3 RNP clubs demonstrated great sportsmanship and camaraderie typical of Surf Lifesaving and a great day was had by all.

The feedback from our nippers attending the Branch Development Camps at Deer Park was extremely positive and nearly all of our nippers who go on to do their SRC award have attended the Deer Park camp. Well done Garie Nippers.

Maroubra SLSC

As the sun sets for another summer on our famous beach, it gives me great pleasure to reflect on the 107th annual report for the 2012/2013 Surf Life Saving season. We are proud to report that again there were no lives lost, while patrols were on duty at Maroubra beach.

We have a terrific surf club, made up by many groups of individuals working together as a team and we should be very proud of the service that we undertake in patrolling one of the most difficult beaches in New South Wales. Our ultimate aim and core business is "Between the Flags" and we have yet again continued to ensure that the public are safe at our beach.

Following on from the success of the 2011-12 season, Maroubra SLSC has just been named as the Branch Surf Lifesaving Club of the Year. The award is testament to the calibre of members we have, who participate in the Club to make it the wonderful and vibrant club that it is. This season Maroubra SLSC and its members were recognised amongst fifteen clubs from the Sydney Branch, the awards included:

- Trent Thomas Volunteer of the Year
- Gilbert Olzomer Lifesaver of the Year
- Matt Harper Under 19 Lifesaver of the year
- Gary Pracy SOG Member of the Year
- Nick Kypreos RWC Member of the Year
- Sarah Goldrick Age Manager of the Year
- Maroubra Support Patrol Patrol of the Year

I am sure you will all agree that these awards are a huge achievement and a true indication of the depth and strength of Maroubra SLSC and its members.

Our patrolling members once again showed their consistent commitment over the season to keep our beach fatality free. Patrol members dealt with many situations throughout the season, from marine stings and surf rescues, to diving and fishing accidents. They responded to calls not only on the beach, but also in the surrounding environs of the club. Thank you to our patrol captains, who lead these patrols under the guidance of the club captain, Arthur Cotsios and his Deputy

Gilbert Olzomer.

These patrol members would not have been as effective without the training they receive from our dedicated group of trainers led by Chief training officer George Benhayon and his assistants. Thank you to all involved, you are all an integral part of our key business, lifesaving.

On the Surf Sports side, our Surf Sports Director, Reg Round, led our group of coaches Darren Schott, Peter "Cuz" Kirkwood and Lisa McGuiggan, who once again dedicated countless hours of their time to ensure that all our competitors were at the peak of their fitness to compete, not only at local carnivals, but also at the State and National titles. I am pleased to say that we were able to gain medals at the majority of these carnivals, with a special congratulations to Emma McGuigan for her second

placing at the National Titles, in the Under 15 Board Riding Display. This is an area of the club, which is going through a growth phase. It is encouraging to see our future champions being tutored and guided by our coaches and some of our master competitors.

We had in excess of 630 nippers again this season. This is a large number of children on the beach, however, they are always organised and well cared for by Danny Donohue and his dedicated team of age managers, water safety and BBQ staff. It was fantastic to see many existing parents, new parents and senior members going down to assist with coaching and water safety on Sunday mornings.

Life around the Maroubra Club has been a little disrupted due to the renovations of the club office, and the upstairs function and training rooms during the season. I would like to thank the fellow members of the Board, and especially the Director of Properties and Amenities, David Simpson for their tireless efforts to see these projects completed this season.

Alison Vuletic deserves special mention and thanks for her tireless work performed around the club as Secretary and also by assisting Mary Diakanastasis with the hire of the function areas. Your many hours of dedication do not go unnoticed.

Once again, on behalf of all the members of Maroubra SLSC, I would like to offer our sincere thanks to our partners Maroubra Seals Sports and Community Club and its Board of Directors for their ongoing support of our club. Everyone is aware of the devastating fire damage sustained by the club and in particular to the gymnasium and swimming pool areas. The fire damage and ongoing insurance repairs have had a marked effect on the Seals Club trading figures. The Board of management would

like to thanks the Seals Club for the continual support of our club, even whilst their own club was enduring such hardship. I would also like to offer my thanks to the Seals Club members and all the Intra Clubs for their support.

Sadly the 2012-2013 season saw the passing of two respected and dedicated Life Members of the club. The passing of Dennis Heussner has left a huge void around the club and many members have found it hard to come to terms with the "big fella" not being there for his support, friendship and guidance. David Popplewell, a Life Member of the Maroubra SLSC and Maroubra Seals Club will also be sadly missed by both clubs.

I wish to thank our entire Board of Management, at times, throughout the year there were sometimes difficult circumstances to contend with and it is comforting to know that working beside you is this dedicated and steadfast team. Without singling anyone in particular out, thank you for all the hours you have contributed to the club, which goes mostly unacknowledged.

In closing, on behalf of the Board of Management, we thank all the members of the Club for their dedication and assistance this year. It has been another truly successful season.

Wayne Clare

President

Maroubra Nippers

As another summer passes and the committee reflects on the season passed.

We as a committee can see the fruits of our labours begin to shine through: Retention rates of the U14's Boy's and Girl's to the senior club are at an all-time record high – the young men and woman are already fulfilling active patrol rosters on our beach, after completing the SRC award. They have honed their skills in the award winning "Rookie's" programme under the guidance of Tony Grivell and their age managers Chris Rich, Liz Donohoe and George Benhayon. They also enjoyed an activities day at Malabar beach and were given

"training" on the surf lifesaving powered rescue craft. The 'rubber ducky', Jet Ski and the large offshore rescue boat were all presented to the children for a firsthand experience. There were many smiles that day, which concluded with a BBQ on a fabulous summer morning.

The continued popularity of the Nippers programme is still increasingly evident each year.

This season over 635 children participated in our club events. Our belief in fostering lifesaving skills from an early age and having the kid's "catch the bug" that will see them as lifesaver's for the duration of their lives, to help our club, the SLSA organisation and the community protect swimmers at our beach.

Nipper's children gained 76 awards this season for Basic Emergency Care and CPR in addition to their age related education awards for Surf Play, Surf Aware, Surf Safe, Surf Smart and SRC. Maroubra nippers are the second highest award recipients of these awards in the Sydney Branch. This is a very positive result and highlights our age manager's ability to pass on their knowledge to the kids. Children are also embracing the competition side of the Nippers with many attending training three times a week with our Champion "skills" coaches, ultimately increasing their ability and achieving greater physical fitness. Our March Past

team, coached by Brian Purdon, gained a Bronze medal at Sydney Branch and a commendable 5th place in the NSW State titles. Unfortunately, the State Championships, held at Umina Beach this year, experienced the most atrocious weather conditions imaginable, pelting rain, wind

and dangerous surf conditions plagued the weekend. Sadly for the kids and all concerned it was a rather disappointing way to finish the season, as many events were simply cancelled due to the conditions. The Maroubra Team still made the most of the weekend with very entertaining team "get togethers" at our camp dinners. Huge thanks to our nine SLSA officials, who make it possible for our kids to compete at carnivals. It is the involvement of the nipper parents in our club that keeps nippers movement going.

Their dedication as age managers, water safety personnel, beach officials, junior coaches, BBQ coordinators is appreciated. It is the family atmosphere we encourage to all to be part of at Maroubra, for it is the mums and dads that hold the greatest influence over the kids. I'm pleased to say this season we saw Nipper parents take an ever increasing involvement in the club: 15 parents completed the Age Managers Course, 15 parents completed the Junior Sports Coaching Award and 11 Parents completed their Bronze Medals Award and will now patrol our beach. We had parents further their Life Saving

skills gaining awards in Silver beach management, IRB crew, IRB drivers and RWC Awards.

To all recipients Congratulations from the Maroubra Nippers family on a job well done!

The dedicated support in particular from Sarah Goldrick, Tracy Whittaker and Linda Hession have ensured all parents are extremely well informed with communications via our weekly nipper news, surf guard - emails and SMS and of course the informative and colourful website, which contains all relevant information, including some classic action photos of our children that are placed

each week by our more than capable resident photographer Glenn Duffus.

A special mention to our BBQ coordinators Alex Luxford and Jo Lewis and their constant helpers Steve Lewis, Alison and Vince.

I want to also thank Anthony El-Chah our Water Safety Coordinator, who more than capably assists with his guidance each Sunday and at weekly training groups. Thanks also to all JA water safety for providing a safe environment for our children. Special thanks also to Linda Hession, who coordinated the new Sunday "skills stations", which successfully saw our new junior coaches taking age groups through basic to advanced surf skills and ultimately kids spending quality time in the water.

Our financial position is again very sound at the end of the 2013 season. Unfortunately, for the Nipper community, Kylie Heussner will retire as Junior Development Treasurer at the end of this season. I want to offer our best wishes and deepest gratitude for the role Kylie has so aptly carried out over many years.

Presently our club has some very strong community sponsors, headed by Barloworld Volkswagen – Mr Russell Grundy, NG Farah Real Estate – Mr Glenn Farah, Mr Brad Parkes – Core Financial Planning. Thanks to all our sponsors for your continued support.

I would like to make special mention of Sarah Goldrick, who was awarded the 2012 –2013 Sydney Branch Award for Age Manager of the year.

To the Board of Management and the Junior Development Sub-Committees and all other Sub-Committees, thank you very much for your unwavering efforts, dedication and support. It has been a pleasure to be associated with such committed team of volunteers.

Thank you all for your help.

Danny Donohoe

North Bondi SLSC

North Bondi has completed a remarkable season operating out of 2 demountables and 4 rusty shipping containers. As one of the largest Surf Clubs in Australia it is testament to our members that the Club has not just survived but actually thrived during this Clubhouse rebuilding period.

The continued patching up and minor renovations of our beloved 1930's building could no longer continue or be justified. It was in complete disrepair and did not meet the needs or requirements of a large & modern Surf Club. We needed a state of the art lifesaving and training facility that represents its fabulous members and promotes our community charter. Rebuilding commenced with demolition work in June 2012 and we look forward to occupation in August 2013.

asic to

water.

This rebuilding project is the most significant undertaking the Club has ever embarked on in its 107 year history. With a total cost of \$6.7 million and government support at only \$1.2 million it is a building that should never have been built. Well at least not by a group of voluntary surf lifesavers. For the Club to have raised \$5.5 million to provide a piece of community infrastructure it is quite astounding when you think of it. Whilst the building will be unique and iconic and in keeping with the significant site it occupies, it will be a well thought out Clubhouse. With double the storage of our previous building and functional and planned areas it will provide for growth and continued success in the decades ahead.

There is no easy way to operate a Surf Club out of an area approximately 20% of its previous size. The innovative storage solutions in containers would righty be called cramped and packed to the rafters. For patrols in wet weather the sweet smell of petrol as they kept an eye on the beach from the IRB shed will be long remembered. Our gym operates out of the closed Bronte RSL premises, member facilities offer 2 showers and 2 toilets for

male and females and our education team spent more time at Rose Bay Secondary College than many of their students. Thanks are extended to lan Godby from the school for facilitating the use for education and the recent Nipper Presentation afternoon. The Club also thanks Bondi SBLSC for their clubhouse use for our proficiencies and Bronte SLSC for education assistance.

Our lifesaving services were at the usual high standard expected by the community. In spite of the shortcominas of no Clubhouse our surveillance, first aid, rescue work and response to major incidents was not impacted. Lifesaving Director Scott D'Amours and the patrol captains and IRB drivers and crew are thanked for their efforts in keeping a very busy beach safe. The successful staging of our 2 community ocean swims and annual Haviana's Thong Challenge on Australia Day

SLSS Club Reports

North Bondi SLSC (continued)

were overseen by the lifesaving group. Rosie Taliano received the Branch Under 21 Lifesaver of the Year award which was well deserved.

Education training was the most impacted of our operations during the rebuilding. With no training areas Debbie Midwinter as Education Director and her team have had a sensational year with the 2nd highest number of awards in the Branch. With winter training focussing on some of the higher awards it was pleasing to see our members travelling to other areas to complete silver medallions and the like. To have achieved 50 SRC and 91 bronze medallions, our core awards, and the lifeblood of our patrols is very pleasing. This coupled with the range of awards achieved across the board is a very significant contribution to the professionalism of the Club. Doron Milner was awarded Branch Training Officer of the Year and Dan Jewiss Rookie Training Officer of the Year capping off a stellar season for our education area.

A continuing priority of the Club is youth development. With half of the bronze candidates being former Nippers and the strong numbers of SRC awards the challenge is to keep the interest & enthusiasm of this key group. Glenn Annear as Youth Director has worked tirelessly with Scott Thomson (Coaching Manager) and Glen Clark (Under 19 Coordinator) to provide avenues and activities to bolster retention. It is a focus on lifesaving, education and competition with a fun and enjoyable bias. The new Clubhouse will have a youth room located on the ground floor overlooking the beach to reinforce the Club's commitment to our youth.

Nippers has again been successfully run over the past season by Jim Walker as Junior Activities Chairman and ably assisted by Justine Nolan as Nipper Manager. The strong organisational group behind the scenes has ensured the 1060 Nippers have participated in healthy activities with the older children also learning surf awareness ideals. It is a huge logistical undertaking to stage Nippers every Sunday morning and the support of Age Managers and helpers ensures the smooth running of this area.

North Bondi has continued to grow in the surf sports area. Director Peter Zieme oversees a diverse group of coaches covering most surf sports disciplines. It was pleasing to see Steve Waring get the Club's lifesaving competition up and running again with some great achievements. Results at State and Australian Titles were strong. All open medals at Aussies were achieved by competitors 17 years or younger. The continued increase in water safety requirements for major carnivals has now reached an unacceptable level and needs serious discussion. Scott Thomson was awarded Branch Masters Athlete and Coach of the Year which recognised the tremendous amount of work he does. Jessica Suriano received the Branch Under 17 Female Athlete of the Year award. Her dedication to training and her focus sees her achieve great results. Her assistance with Nippers and younger competitors is appreciated and Jessica is a great role model for North Bondi and surf life saving

The Club looks back over a season that has been extremely successful in all areas. It is a year that could have been very different if not for the dedication and determination of our members. This member ethos will be made a lot easier with the coming season and our new Clubhouse. The catalyst for continued success will be the new facility coupled with our members enthusiasm.

Grant McMah

President

North Cronulla SLSC

It is with great pleasure and on behalf of the members of North Cronulla Surf Life Saving Club, that in our 88th season, I can report "No Lives Lost" at North Cronulla beach during the 2012 to 2013 patrol season.

The season was full of challenges for our new Executive, Board of Directors and the overall club membership but they rose to the occasion and achieved pleasing results across all of the key functions within the surf club operations and areas of responsibility.

This season saw the development of a Club Management Plan (CMP) that will run for the next three seasons. The CMP is a dynamic and living plan based on 5 key functions of Surf Life Saving & Patrols, Training & Education, Competition (Surf Sports), Finance & Administration and Community that can be updated, modified, adjusted and continually developed based on the both internal and external factors, events and pressures applied on the day to day operational of our surf club and its governing bodies.

Surf Life Saving & Patrols

The members of North Cronulla Surf Life Saving Club recorded the following activities during patrol season:

- Performed approximately 13,000 Volunteer patrols hours across 14 rostered patrols
- Recorded 107 Rescues
- Involved in over 2000 Preventative Actions
- Attended to 188 First Aid cases
- Looked after 24 lost children.

The number of recorded rescues and preventative actions are trending below 3 year average and this was due to improved patrol and beach management skills and the increase in the number of days the beach was closed due to dangerous surf conditions.

This year we had an increase in members who gained their 100 % Patrol attendance and 12 of these members achieved over 100 hours of patrol duty and one club member achieved 187 hours of patrol duty on our beach. Overall this highlights the dedication of our members to their core duty which is surf life saving and performing patrols.

These efforts were recognised at the annual SLS Sydney Awards of Excellence with members of North Cronulla awarded the Under 15 Life Saver, two successful Branch nominations Rescue of the Month for November 2012 and January 2013 and won the Patrol Efficiency Competition for the Bate Bay area.

Training & Education

Under the leadership and guidance of Jason Gallon our Director of Training and Education, his team of trainers and our club members achieved the following:

- 54 Surf Rescue Certificates
- 63 Bronze Medallions
- 2 Gold Medallions
- 11 Silver Medallion Beach management
- 11 IRB Crew Certificate
- 32 Advanced Resuscitation Certificates
- Numerous Specialised awards
- 6 New qualified training officers for BM, ATRC, Spinal and IRB
- 2 new Bronze Medallion Assessors.

The target for the team this year was to deliver quality training and produce high calibre candidates rather than quantity.

The standard of our candidates were of the highest level and testament to the quality of our trainers and their training methods.

This gave us a total of 207 awards and that was the highest for the Bate Bay area surf clubs and placed us 5th in the overall Branch standings. The achievements of Jason were recognised at the SLS Sydney Awards of Excellence with a High Commendation for Assessor of the year.

Competition (Surf Sports)

On the Surf Sports area, our club members enjoyed a very good season and delivered great results at International, National, State, Branch and local carnivals.

Results at the major championship carnivals were:

- 9th Australian Open Championships
- 3rd New South Wales Open Championships
- 7th New South Wales Age Championships
- 2nd Surf Life Saving Sydney Branch Championships
- 1st Bate Bay Interclub (Bill Marshall Trophy)

Congratulations to our club members made the following Australian and NSW representative teams:

- Australian Under 21 Development Team – Japan: William Budd
- New South Wales Interstate Team: Lachlan Moyle
- New South Wales High Performance IRB Team: Joel Eaton (Captain) and Kane Hughes
- Surf Life Saving Sydney Branch Team: Will Budd, Lara Moses, Cameron Scott, Alex Budd, Lachlan Moyle, Lochie Davis and Kira Hood, Haley Blatchford, Alex Rapoldi, Connor Flanagan and Leo Nosatti from our Nipper Section.

SLSS Club Reports

North Cronulla SLSC (Continued)

During the season, our Club Captain Jamie Primmer and his team successfully held the North Cronulla Xmas Carnival which has been running for over 30 years, annual Bate Bay Interclub Carnival, Australia Day Nipper Iron Person Classic and co-hosted Nipper 4 way carnival.

We now have a strong IRB team who compete regularly during the winter season at all levels of IRB competition and this is leading to increase members in this section to perform patrols and development of good base of drivers and crew persons for future patrols.

To our carnival officials and water safety personal, thank you for your support and dedication to your respective duties and events throughout the season. You are a very vital and critical area of our surf club operations.

One area of concern was the lack of a dedicated Competition Director during the season but alternate strategies were implemented by our Club Captain and other Executive members to cover this issue and the above results prove these measures worked.

Finance and Administration

We embarked on a successful upgrade of our club IT environment including new email platform, office software and upgrades to club membership and accounting software packages. The existing front office layout was upgraded with new furniture kindly donated by one of our club sponsors and the office upgrade will continue through winter in preparation for the new season.

We are very fortunate to have several long term and key sponsors and supporters of North Cronulla SLSC and their support is critical to allow us to provide the high level of training services, equipment required for competition, life saving and patrol duties.

To our Finance Director, Ben Smollet, thank you for another year of managing the club financial affairs with the high level of dedication, attention to detail and responsible financial management. We are able to report a small trading profit, accounts are paid, increased our expenditure of life saving equipment to the standards and inventory required to provide our community service of patrolling our beach and we slightly increased our savings.

The new Club Secretary, Tracey Mckinniery, introduced several major administration changes this season including the administration office fit-out and upgrade, improved the level and detail of communication to our membership, created a new club calendar and introduced a new format for our Blue & Gold Gala Presentation night that that was very successful and enjoyed by all who attended.

Community

We support our local community and business owners at many different levels within the club. Our local council lifeguards use our heated pool and club facilities to provide surf awareness to local school children and provide learn to swim and water awareness programs to children with learning disabilities.

The Cook Community Classic was held in November 2012 and the local Bate Bay surf clubs and other local community organisations were involved and generated funds and increased public awareness of the capabilities and talents of our younger Nipper members.

In my first year as President, a special thank you is extended to Surf Life Saving administration staff, Linda Perrin and Victoria Raymond for their help and guidance and to President John De Cean and his management team.

To the Executive and club members of the Bate Bay clubs, thank you for your support and friendship during the season, congratulations on your competition results across all levels and providing a valuable life saving service to the local community. I extend congratulations to Wanda for their result of winning the Under 20 point score at Rescue 2012.

Finally, on behalf of all North Cronulla members I congratulate all surf life savings clubs in Sydney Branch for another successful year of competition, training and education and preforming our core duty and responsibility of patrolling our great beaches.

Thank you his assista Maroubra

South Maroubra SLSC

Fellow Lifesavers in *Sydney Branch* it is with great pleasure I present to you the South Maroubra SLSC Chairman's report for the 2012/13 season.

As stated in last year's annual report South Maroubra SLSC is 'back in business' and we are well underway in establishing ourselves as one of the leading clubs in Sydney. Our major club renovations have been completed although there is still much to do as we continue to improve the operational functionality of the club which is vital for our future successes.

ate Bay

Good things are coming in 2013/14 season to South Maroubra so COME JOIN US.

I am really pleased to announce that the Board of Management is finally in a position to proceed with the appointment of a Club Administrator. We have been able to move to this phase of our clubs development due to sheer hard work of the Board and impressive financial management of Yvette our Director of Finance. The Club Administrators position will be vital in moving the club forward taking on a range of significant jobs. We are now, or soon to be embarking on a recruitment campaign to find a suitably trained person with a range of existing skills and most importantly a really fun and bubbly personality to work with our volunteers. WE'RE IN THE **EMPLOYEMENT MARKET SO FEEL** FREE TO MAKE CONTACT IF YOU HAVE WHAT WE'RE LOOKING FOR.

So as you can see much is happening right now and great ideas and plans for the approaching season.

The show just went on in 2012/13 with club run events.

Our annual 'Octoberfest and Community Fun Run' event was conducted in October and in fantastic weather conditions all went really well thanks to the planning that Ralph put into it. I reckon last year was one of the best to date and this occurred because so many members put their hand up to help! If you're free next October why not come on down and have some serious fun.

Thank you to Jack Shaw L.M. for his assistance in running the 'South Maroubra Golf Classic' a fundraising event we hope will continue to grow. We encourage not only members and friends to embrace this fun day but also would appreciate some corporate support so please feel free to network in support of this event.

In December the annual
'South Maroubra SLSC
Junior Carnival' was again
held and what a magnificent
event it again turned out to
be. Conducted in terrific conditions and
attracting large numbers of talented and
young Sydney Branch athletes this unique
carnival has proven to be a real winner for
the Branch. I thank all of Sydney Branch
members and their families for the positive
feedback in regards to the quality of the
carnival and look forward to seeing you

all again in December 2013. For those

December.

you haven't yet experienced this carnival

please make the effort to come along next

Yes, at South Maroubra we have the mindset of lets keep the entertainment coming and so on top of Cocktail parties and Gold member nights in February the ran its inaugural 'Club Sportsmans Day' in support of the Competitors who compete at summer and winter Australian Titles around Australia.

So ladies and gents, you can see we really tried hard to bring fun to the club whilst supporting every section within the club.

Lifesaving Services

Our other priorities for the 2012/13 season were to support lifesaving efforts and to build this most vital section. We went about equipping our Lifesaving Section with the best equipment we were able to afford, one such piece of equipment purchased for the past season was the wonderful ATV that has proven to be most reliable and robust. We also set up a recruitment campaign promoting and advertising Lifesaving at South Maroubra which also resulted in a number of new members joining us.

To demonstrate how far we have come in the last few years I am very proud to announce that our club received recognition

from Sydney Branch regarding the most outstanding 'RESCUE OF THE YEAR 2013' which saw a patrol team of South Maroubra Lifesavers support and rescue a diver located at the south end rock platform. This was one of the many rescues carried out at South Maroubra beach in 2012/13 season and for that I thank our many diligent and competent members. Lifesaving is our core business and as such it is vital this section remains as strong as possible. Still on a positive note, I am pleased to announce the club achieved 3rd place/15 in Club of the Year 2013, moving up from 6th place last season. This again demonstrates we are on the right track with lifesaving leading the way!

South Maroubra is a challenging beach and as such we were involved in many surf rescues, many first aid cases so if you are looking for a real beach to put your skills to work then come on down. My thanks to Joe White who has been a stalwart of the Branch Radio room. Joe is one of those quiet achievers.

Youth Development

Friends, as one of the most outstanding Nipper Clubs in Sydney, this notoriety brings with it much interest and as such we topped the 600 nipper member mark which is remarkable. I have always had a strong view that if you have a desire to join Nippers with the intention of learning water safety and surf skills then you're better off joining a club that presents real surf challenges. Yes, flat beaches are fun but I would argue what's different between a pool and a flat beach. Here at South Maroubra not only do we have fun and educate but we have one of the most competitive group of kids in Sydney branch.

SLSS Club Reports

South Maroubra SLSC (Continued)

I must say it's always rewarding watching our young guys and girls learning new skills in a fun, clean, challenging and safe environment. Regrettably this year at Nipper State Titles, our kids and their families had to endure really difficult weather conditions up at the Central Coast but none the less did themselves and club very proud.

I would also like to acknowledge the Nippers that have come through the ranks and are now joining the senior club family to help with surf patrol duties, welcome on board for what we hope will be a long and beneficial journey.

Congratulations to Austin Wem on being selected as the Sydney Branch Junior Lifesaver of the Year, a fantastic honour and hopefully we see many years of Austin within the club as a leader

Thank you to all of our Nippers committee who have been fantastic in providing support to both our weekend warriors and athletes who train hard each and every week.

Competition

Along with Lifesaving our Competition results have been nothing short of impressive and whilst Summer Competition started off slowly with the demise of several boat crews we improved in areas that have not seen success for some years at the elite level.

Early in the season our very own elite athlete competitor Jarrod Cullen was selected in the Sydney Branch Representative Team, Jarrod is not just a great kid but has talent in abundance. Jarrod was selected in South Juniors League Representative Teams and also was offered a scholarship with Scotts College so regrettably was unable to hit the beach, competition wise for the club. We hope to see him back bigger and better next season along with his coaching skills.

SURF RESCUE
SURF RESCUE
PATRO
CAPTAIR

A proud moment for me as President this season was to see State and Australian Summer competition results with medals in the water and on the beach. I would like to mention the outstanding achievements of Lucy McJannett who with a great young swim team did the club proud. The U/17 swim team snatched an Australian Bronze medal consisting of Lucy, Emma, Kiani, Jaci, what a thrill and Lucy Australian Gold, Silver and Bronze, in a range of events, wow what a champ!!!

The Belt team led by Alex Engel was impressive and then over to the track where Tom Perrin and Brianna Seers performed super well on the track without luck at Aussies. Our 2km beach runners Ryan Yerbury & Jason Yerbury also did us proud. Along came the pocket rocket young Montana Walters who was spectacular and kicked some serious rivals backside particularly those from Queensland Clubs. What a personal thrill for me to witness the eliminations and finals of the flags where Montana took out Gold on behalf of South Maroubra, a very proud moment for all of us at the beach and back in Sydney.

Board and Ski is set to be relaunched next season with new equipment and coaching, we very much welcome current and new members keen to embark within this great sport. Our boat section whilst disappointing last season are already preparing for the new year ahead and we look like having a really strong boat section including a female crew. Again we welcome any further interest.

To our Masters Competitors who always do so well at State and Aussies well done, particularly Max Murphy who never ceases to pull out the big ones on behalf of the club.

Lastly to our world beating IRB team, the results are far too many to mention but all I can say is well done to the entire team who are well led, well managed, and continue to build as arguably one of the most talented teams in our history. The beauty with this growing success is their ability and skill to rescue members of the public in difficult conditions whilst on patrol. South Maroubra SLSC without doubt has the most talented and skilled IRB crews in Sydney and all looks good for the future. I am proud to announce the IRB team achieved 3rd place in New South Wales in the recently conducted 2013 State titles and is soon to embark on their Australian campaign in Darwin Northern Territory. We join together

to wish them well. Two years ago South Maroubra was placed FIRST in NSW and SECOND in Australia, so taking out third two years later shows how resilient and consistent this group of competitors are.

behind us, I'd

so well. Thank

selections all ti

I would very much like to thank the below list of sponsors who are some of the main sponsors we are associated with. Could I please refer you to the sponsor section of this annual report for the full list of current supporters.

Thank you

All Lifesaving Clubs need help. On that note I would like to thank the Maroubra Seals Sport and Community Club, Randwick City Council, The Juniors, Botany City Council, Cameron Airlie – Ray White Maroubra/ South Coogee, Look Design, Randwick Labor Club, Bisley Workwear, Sands Hotel South Maroubra, Walshs Village Pharmacy South Maroubra, PIA Security- Alex Pavlakis and Vince Chetcuti - Royal Touch Paper Products, Michael Daley MP.

Conclusion

Thank you to President John De Cean and the entire committee of Sydney Branch who work hard for all Sydney Clubs. Special thank you to Branch staff Linda Perrin and Victoria Raymond wonderful people and great representatives of the Branch.

I also thank Sydney Branch sponsors who greatly assist in the development of lifesaving within Sydney, without your assistance we would struggle to help our people take that next step whilst providing an excellent rescue service.

I remind friends and those contemplating coming over to South Maroubra SLSC to keep abreast of developing issues by monitoring www.southmaroubraslsc.com.au for latest news and information whilst adding comments and ideas on Facebook.

My respects to members who have lost loved ones in the past season, our thought are with you.

Paul Fownes
Club Chairman

South Maroubra Nippers

What a year we had in "Nippers" this season. With the new club house newly completed we could take advantage of our new facilities and begin the process of training our future lifesavers.

Before really getting started on the season behind us, I'd like to thank a few people who deserve to be singled out for their efforts in getting the season underway so well. Thank you Michelle Lo and Samantha O'Brien for your tireless efforts before the season started, for organising the Nipper Booklet and getting the paperwork, venue and helpers organised for the Nipper Registration day(s) as well as co-ordinating the administration behind the scenes throughout the season.

n, our though

With 620 Nippers this season (up again from last season), it is no small task to collate all of this data and then add it into the system, produce meaningful reports for the age managers to enable our nipper days to run so well. Just to be able to follow up those children that are not proficient is no easy task or to be able to provide the coaches with the point score results to enable our competition teams selections all takes a considerable amount of time and organisation. So without Michelle Lo working tirelessly behind the scenes Nippers would have been a shambles this season. So once again thankyou Michelle!

We revamped our Nipper calendar this year as we tried to cover more Nipper skills and education as well as provide for a stronger competition for those that want to compete. While ran with 3 internal competition point score days and made

a bigger effort to support more carnivals in and around Sydney. We continued with our 100% attendance award and with our Twilight nipper day and Disco, Nipper Surf Carnival in December and bbq activities. We certainly had great weather at the start of the season enabling us to complete our proficiencies faster than in the last few seasons. However, after the Christmas break the weather turned yet again and we were only able to complete one of 3 competition days and finally had to hold another one on the last day of nippers, which unfortunately didn't suit everyone.

Our Nipper Surf Education program is conducted during the first 3 months of the season with 468 (25 more than last season) nippers successfully gaining their age appropriate surf education certificates. We changed the structure of our Sunday's and made the lessons more formalised and included many parents, so they too are learning the finer points of Surf Lifesaving. We are hoping that this will encourage a greater number of them to want to gain their Bronze Medallions.

We know what we are doing is on the right track as this we had one of our Nippers awarded the Sydney Branch Junior Lifesaver of the Year – Congratulations to Austin Wem, who was also our Nipper Club boy of the Year and our Nipper Club Captain.

In the U8's this season we began further Wade training throughout the season which has really helped grow this age group into a Team and certainly has improved their water confidence ready to start and swim and board next season. A big thankyou needs to go to Kailah Elliott and Nathan Goldschmidt.

We also ran beginner board Coaching for the U9's throughout the season in both flat water and in the surf enabling this group of children the opportunity of growing their confidence on a board much faster than if they only attended the Sunday Nipper program. This was certainly a great success and thanks must go out to both Ray Robinson and Greg Bodkin for their continued support.

We had 19 U14's (Up from last year) who have graduated from Nippers to the ranks of Cadets, which is very promising to see and we are looking forward to seeing an even bigger group next year as well. Congratulations to all of you on obtaining your SRC's and on the patrols you have completed. We also wish you the best of luck in competing for South Maroubra in the future as I'm sure you will all find your place in a team at the club from Rowing with the Boaties to the IRB Team or a swimming, board or sprint team. I'm sure there is a team looking for you!

We had many Nippers compete at carnivals across the Sydney, Northern Beaches and Illawarra Branches, as well as the South Maroubra Carnival and Randwick Shield this season with a great deal of success. I'd like to thank the organisers of each of these carnivals as we certainly enjoyed ourselves at each and every one of them. We wish we could attend more carnivals – if only there were more weeks of Nippers!!!

I have no doubt that one of the reasons South Maroubra does so well at carnivals is that the Team spirit and coaching opportunities is second to none! Each and every one of our team members and our parents support and encourage each other all the time which for me is truly

SLSS Club Reports

South Maroubra Nippers (Continued)

something spectacular. Our competition team numbers continue to gro year on year which is also a sign of how our club is doing – so congratulations to our Nipper Committee and our Coaches, helpers and those parents who become the taxi drivers!!

To our board coaches, Laurie Last & Sam O'Brien who have done an exceptional job again this season in preparing our Nipper Board Paddlers. Even Ray "Robbo" Robinson and Greg Bodkin, pitched in this year to help coach our newest board paddlers and our SRC. To Kim McJannett and her band of surf competitors and the string of medals that you have won – you deserve every one of them. To Phil Dutton, Max Murphy and John Rooney for your continued efforts with our beach competitors. Also to Jarrod Cullen who only finished Nippers last season as a

state champion who returned to help coach and encourage our sand runners. I thank you for all of your time, knowledge and patience with our children. It is very rewarding to see so many children smiling with their medals or on a high from just being able to compete with the best and know they gave it their all. Our youngster's water and beach skills are improving each year, as is evident in our outstanding competition results throughout the year.

We would like to thank all of our Officials and Watersafety for their continued support of not only our carnival but also all of the carnivals around Sydney. So please pass on South Maroubra's thanks to all of your officials and Watersafety as well as you all do a great job and I certainly enjoyed chatting with many of you in the water at several carnivals.

This year our State Team travelled to Umina in March for what was one of the worst carnivals weatherwise I can remember. Even so, our team placed 15th out of a possible 129 clubs which is an outstanding achievement for such a small team considering many of the team events we could have medalled in were cancelled. Well done to all the team members with special congratulations to the medal winners and top 6 place getters. Thank you to all the Officials, water safety, touring team managers and parents for sticking out the torrential conditions. The kids and parents certainly enjoyed themselves yet again, once they were dry at least. I know all of you certainly enjoyed the Club dinner and the kids definitely enjoyed the dancing in the shed!!

Twilight Nippers was yet another season success. We had a beautiful afternoon on the beach with many many families and children staying back to enjoy the disco and a cold drink afterwards. Judging by the positive comments again this season we will be looking to make sure we continue with this tradition.

To the clubs major sponsors – Maroubra Seals Club, The Juniors, Randwick City Council, Botany City Council & the NSW Government – we thank you for your support.

To the local businesses that support our nipper program – namely Rams Home Loans, Bonds, All Phones, True Blue Collectables, Look Design and Demon Surf Boards and Mango Racing I thank you.

Tamarama SLSC

7amarama Surf Life Saving Club

Congratulations to Austin Wem - our Club Nipper Captain - on Winning the Surf Life Saving Sydney Branch Junior Lifesaver of the Year award. Well done Austin. I know he certainly enjoyed the opportunity to join the winners of the other 10 branches in NSW for a 3 day leadership camp in Collarov where he made some new friends and learnt about what other clubs and branches are doing to retain their Junior Lifesavers. Austin will be helping the Sydney Branch this year with its youth program. Hopefully we will have several more applicants for the Junior Lifesaver of the year in years to come.

Reflecting on this 2012 – 2013 Season I see so many faces who were willing and able to help with just a little encouragement which is why this club continues to grow. You the Nippers and your parents are the future of our club and our greatest asset. So to all of you that help in any way "Thank you" as without you this club would not be what it is today or what you want it to be tomorrow.

e we

In closing I thank all those fellow Club Directors who have assisted with Youth Development and those within Sydney Branch for the support that they showed our club, whether it was support of our Junior Carnival, at carnivals, with Jet Ski/ORB support or via administration in general. Thanks to the BJD and to the Sydney Branch BOSS for their commitment to the Branches EAP, Dev and HP squad activities.

I am looking forward to watching the new group of Nipper executives, age managers, coaches and parents next season continue to grow this club to its full potential.

I have really enjoyed being the Director of Youth because of the support of everyone in the club, making it an honour to be part of such a great institution that surf lifesaving is.

Andrew Wem
Director of Youth

It is with great pride I can announce that we have yet again kept our enviable record of 'No Lives Lost' intact over the last season. The 2012-2013 was not without challenges but with the great commitment of our members and hard work from the Management Committee we have had a very successful season.

I want to welcome all our new members to the Club and thank them for their participation this year and I look forward to seeing them again next year. Hopefully the weather next year will be much better than this season

We have a long history at the Club; we are a foundation member of Surf Life Saving Australia. Some claim Tamarama SLSC was the first to use the belt and reel, that we introduced nippers and so on. There is so much history about the Club but not much has ever been documented and verified. There has been a massive piece of work started to rectify this lead by Phillippa Ardelie, to document and save our rich history. It is not just old stories about planes crashing into the bay and causing a mass rescues, there are pictures, medals, old boards and other heritage_items that need to be documented, restored and saved for prosperity. Please refer to the heritage report; I am a huge fan of this.

Looking to the future we had another large in-take of SRC kids that came through Nippers and are now officially part of the senior Club. Welcome to all of you. It was a bitter sweet moment for me as most of the kids that went through their SRC this year, my daughter included, had been in my Nippers group from the age of 5. It is great to see them all do so well and sad to see them grow up so quickly. Also looking to the future the Club Building Upgrade went through several iterations with additional community consulting, but

it really did not get as far as we would have liked in this process. The DA was reinstated and leaving it to the DA process to sort out the last few sticking issues with the neighbours. Hopefully I will have an update at the AGM.

As part of the Club upgrade we hit a massive milestone with the rebuild of the boat shed and the kiosk. For many years we have been working with Council to get us a new boat shed. We had the many local residents doing their best to stop this development but it finally got through and the result will be a boon to us and the community. The old building leaked like a block of Swiss cheese and had more Health and Safety issues than I can list in my report and in short was generally just unfit for purpose. I am assured by our friends at Council that the new shed will be ready by October; in time for Sculptures by the Sea.

There will be many calls for help on the various activities to support many of these sub-projects, including our major fund raising weekends over SxS. Please don't be shy and please put your hand up to help out when requests go out. We are going through some interesting times and everyone has a good chance to shape the Club and its future. Thanks to all those who help out and create a great atmosphere. Please get involved.

Bill Shires

President

SLSS Club Reports

Wanda SLSC

The 2012-2013 Season celebrates Wanda's 67th Year of Patrolling our Beach.

The Members of Wanda feel very proud of their achievements both in lifesaving and competition; it has been a very successful twelve months.

Wanda can also proudly boast NO LIVES LOST during our patrol hours as defined by our Club Patrol Agreements. This season our first day on patrol was on the 22nd of September 2012 and we finished on the 28th of April 2013. Our active members carried out a total of 8,133.25 voluntary hours on the beach with 521 preventative actions, 45 rescues, 22 first aid cases and our beach was closed on 11 occasions. Our members can be very proud of their Vigilance and Service they provide for the beach going public.

Our Club Captain Ben Harris again has done a wonderful job steering our lifesaving in the right direction and improving our standards. Unfortunately the elected Director of Lifesaving Luke Ashford had to step down from this role part way through the season because of work commitments. In the second part of the season Ben was very ably helped by our new Director of Lifesaving, Matt Waugh. It is very pleasing to see some of our younger members taking up the important Director roles; it will ensure that our Club is in good hands for many years to come. It was excellent to see the return of the competition for the Best Patrol of the Season; this was an initiative of Matt's. This season's winner was Patrol 1 with Graham Hill as Captain.

My thanks also to Sam Axiotis, our IRB Captain, Steve Stavrou and Bob "Smokey" Cane who are Sam's right hand men. The IRB section is incredibly important, our Patrols cannot take place without them, and our competitors cannot compete without them. It is a massive job fulfilling these obligations, keeping the equipment operational as well and ensuring that we are continually training more drivers and crew people. The members of this section have done a remarkable job.

Brett Furniss continues to do a wonderful job as the Director of Education; this is one of the most important areas of our Club. His work means that our active members are proficient in their awards, new members are able to take their place on the beach in patrols and there are award pathways for our members to have the opportunity to undertake. Thank you to the Patrol Captains and Vice – Captains for your vigilance and service this season ensuring our beach is in safe hands.

With the Club house roof coming off in a major storm that hit Sydney on the 23rd of February 2013, the decision was made with the endorsement of our members at a Special General Meeting to proceed with the Stage 2 building works. The Building committee will be led by Mark Sargeant with the following members ably assisting, David Gittus, Trevor Elliot, Gary Bradshaw, Brett Furniss, Mitchell Pryke, Dean McMahon and Sean O'Donoghue. There is a lot of hard work to be done, but it is an exciting future for our members with these works to upgrade the Clubhouse and facilities.

I would to congratulate Life Members Greg Allum OAM for receiving his Award of Grand Knight from the International Lifesaving Federation, this the highest award that can be bestowed on a member, and Ernest "Solly" Stephens OAM for receiving the "Citation of Merit" from the International Lifesaving Federation. My gratitude also to the Director of Competition, Chris Fox and a very hard working committee and coaches. Again they have had an outstanding year of results, 7 members chosen for the Sydney Branch Team, 7 members chosen for the NSW High Performance Squad, 4 members chosen for the NSW Representative Team, 2 members chosen to Represent two other States and 3 members chosen for the Australian High Performance Team.

At the NSW Pool Championships held at Woy Woy, Wanda placed 2nd with 23 gold medals, 17 silver medals and 15 bronze medals. The Australian Pool Championships were held in Adelaide, Wanda placed 3rd with 8 gold medals, 10 silver medals and 14 bronze medals.

The major win for the season was Wanda's Under 20 year team that competed in Adelaide last November. This team won the Pool Rescue Competition, and then went on to win the Beach Competition, taking out the overall point score. Such a fantastic result with every member of the team coming home with a World medal! This team have been recognised by winning this year's Sydney Branch Awards of Excellence for Best Team and their part in helping the Club to win the Best Club in the Leader Sports Star of the Year, this award also included our win at the State Titles last year and winning the Australian Pool Rescue Championships last year.

ralian High

- U/ 19 Women's Taplin Team Elyssa Pierce, Taylar Puskaric and Danielle McMahon
- U/ 19 Women's Rescue Tube Rescue
 Taylar Puskaric, Jess Lauricella,
 Ebony Green and Emily Caterson
- Open Men's 6 Person RnR Kurt Melville, Stuart Smith, Brock Douglas, Grant Sandstrom, Ian Kerz, Blake McCrindle and Gordon McKirdy (coach)
- Wanda also won 7 Silver medals and 2 Bronze medals

The 41st Brooks, Caltex Sutherland Surf saw the return of Mick Brannock to the role of the Co-ordinator, which he does so well, along with Anne Caterson in her role of Traffic Management Organiser. Mick, Anne and the S2S Committee do an amazing job pulling an event together that has become iconic in the Sutherland Shire. The S2S is the second oldest fun run that is held, next to the City to Surf.

Thank you to Karen Hardie and her father, Keith for their running of the "Wanda Golf Day", numbers were slightly down on the previous year, but the running and the organisation of the day was certainly exceptional and all the players had a great day.

Also our appreciation to Chris and Rhonda Fox for running and organisation of the "Greenhills Beach Spring Beach Classic"

Some other fundraisers that have contributed to the benefit of our club and members this year were

- The Cook Community Classic
- The Green Hills Beach Intercities Carnival
- The hosting of the Branch Titles for Surf Lifesaving Sydney

Thank you to wonderful Wanda's Ladies Committee and Chairwomen Lyn Robbins for the many hours they give to making our carnivals and functions so successful. Our Ladies are renowned for their catering at the Carnivals we host and other Club functions I always receive so many lovely compliments about our Ladies catering. These hard working ladies have once again contributed \$2000 towards our Presentation Night, rewarding our 100% Patrol Attendance members.

Wanda's future looks bright; we have dedicated lifesavers on our beach, our competitors continue to bring home fantastic results and show exemplary sportsmanship in the competition arena, our financial situation remains strong thanks to our sponsors and hardworking committees from the S2S to our Ladies committee.

I would also like to acknowledge the support and help of Surf Lifesaving Sydney, the Management, Competition Officials and the Office Staff for their constant help and assistance.

Anita Pryke

President

This will definitely be the season remembered for all the atrocious weather conditions we had to endure.

The season kicked off with wild wind, pouring rain and trying surf with our Big Board Bounty Carnival. Then there were many weeks of nippers hampered by the cold and wet conditions and the closure of the beach. Wanda even made the National News for the roof being blown off the clubhouse. There was also the rescheduling and cancellations of carnivals. And it all culminated in three absolutely disgusting days of very trying conditions at Umina for the State Carnival.

On a much brighter note it was great to be part of the team to bring Dean's board carnival vision to life. We were up against a lot of factors, the least of which was that we were all novices in running a carnival! After many hours, meetings and organising it was so exciting to see over 300 competitors turn up in the wet and windy conditions all eager to give the Big Board Bounty a go. I'm sure with all the experience we now have, all the positive feedback received and how impressed everyone was next season's Bounty will be bigger and better again.

Other highlights have been;

- Lucy Furniss and Kurtis Smith being elected as Club Captains, and Brittney Pierce and Liam Callinan as Vice Captains
- Thanks to Telstra we were able to purchase our floating trampoline for the enjoyment of all our nippers.
- A visit from Channel 7's Sunrise including live crosses at every weather update with Bluey, our nippers and our IRB drivers
- Shannon Eckstein and his surf clinic hosted by Wanda
- Coach Dean's bus trip to watch the NutriGrain Ironmen and women competing at Newscastle,
- Karen's Nipper Training Camp in the January school holidays, and
- Our U11's and U13's attending the Sydney Branch Development Camps.

SLSS Club Reports

Wanda Nippers (Continued)

Some representative highlights were;

- Lauren McMahon being selected in the SLSNSW Talented Athletes Program
- Maddy Haywood, Lauren McMahon, Kurt Stavrou and Tyler Nott medalling at the Surf Life Saving NSW Pool Rescue Championships. Maddy also winning medals at the National Pool Championships held in Adelaide,
- Several U12-U14 nippers attending the Branch selection trials.
 Congratulations to Lauren McMahon and Tyler Nott for being selected as representatives in the Sydney Branch team,
- We also had several of our U13 and U14 nippers compete in Senior Branch, Senior State and the Australian Titles.

Well done to you all.

Again it has also been a busy season looking after the carnival entries. We have had nippers compete at Forster, Sydney Water, 4 Ways, Catherine Hill Bay Ironperson, Wamberal Ironperson, North Cronulla Ironman, Wave Warriors, Freshwater, Manly Nipper Carnival, Maroubra, Cronulla's Team Carnival, Branch and State. We achieved a lot

of great results. Our 6's and 7's also competed at the annual Wanda Cup Carnival, after a few reschedules!

We were very fortunate this year to send a team of 157 Wanda Nippers to Umina for the State carnival. Even with a lot of our prime events removed from the revised program, as a result of the terrible conditions, we were still able to place 5th overall in the point score. Well done everyone. You all put in a great effort in very trying times. Our Gold Medals being won by; Kiera (U11 Swim), Mia (U11 Board), Kiera, Mia and Rachel (U11 Board Relay) and Dane, Finn, Max and Riley (U10 Surf Team). Special thanks to Julieanne and Virginia for all their hard work in organising our wonderful uniforms. Also to Karen, and her social committee helpers, for all their fundraising efforts some of which go towards the State team dinner, transporting equipment and uniform costs as well as the many other activities and costs required to provide for our nippers throughout the season.

With every new group of U6's each year we unfortunately say goodbye to our U14's. For the fifth year running our U14's put in a huge effort fundraising every week so that they could join those before them and head off to Tallebudgera for their end

of season trip. It would be great to see these friendships continue to foster and everyone return next season to the senior club to compete or patrol our beach. Finan

Whilst these are some of the highlights it is just as important to mention the work put in each and every week by all the volunteers who ensure Wanda nippers is run every Sunday, as well as hosting the Branch Carnival. We are forever thankful to, all our Committee, Age Managers, Coaches, Water Safety and Officials that volunteer their time. You provide the foundation of our club and its future. It was great to see all the parents that sat the Junior Officials course this season.

As the season ends and the administrative phase begins; organising the presentation, annual report and AGM. In closing I couldn't end without highlighting that I cannot believe the number of absolutely glorious warm and sunny weekends we have had to relax on the beach now that the season is over!.

Tracey Green

Secretary Wanda JAG

Finance Report 2013

It is my pleasure to present the audited Financial Statements of Surf Life Saving Sydney for the year ended 31 May 2013. The following Report is to be read in conjunction with the Financial Report for the year.

Result

o the senior

The Branch achieved a surplus of \$25,733 for the financial year to 31 May 2013 which was well above the surplus of \$1,378 derived in the previous financial year. The result is after making a proposed distribution of \$7,000 to each Sydney Branch club – up from \$3,000 per club the previous year.

Total Income for the year was \$616,987 which was up on the 2011/12 figure by \$76,880 mainly due to an increase in in life saving grants, capitation fees, competition and event fees and a substantial improvement in net rental operations.

In line with the increase in overall income, expenses also increased by \$52,525. The few expense categories where expenses increased significantly were:

- (i) Consultants
 One off fee for the community education program;
- (ii) Salaries \$19,208 due to extended hour requirements in the office.
- (iii) Radios For carnivals.

In general, factors that affected the overall result during the year included:

- (i) Increased capitation fees for both seniors and juniors
- (ii) Higher carnival entry fees
- (iii) Higher carnival expenses eg radios and first aid
- (iv) Significantly lower Awards of Excellence night costs

- (v) Both properties were fully let for the entire financial year
- (vi) The completion of the Commercial Community Education Program review project.
- (vii) The surplus from Rental Operations improved markedly to a surplus of \$39,763, up substantially from the surplus of \$12,505 in FY 2012
- (viii) Losses on the sale of a jet ski.

Balance Sheet

The Balance Sheet remains healthy. Cash assets have increased to \$737,712 up by \$60,995 on the previous year. Both buildings at Alexandria have been occupied all year and no major expenditure was incurred on either building. None of the buildings were revalued during the year.

During the year one new jet skis was purchased and are shown in Plant and Equipment. One of the skis will probably be sold in the coming season.

In terms of liabilities no major reductions were made on the bank loans. The terms of the loans were renewed in August 2011. It is likely that the Branch will repay another lump sum in the coming twelve months.

During the year the Branch employed two staff. The Finance Committee met twice during the year to review and assess to 2013 budget. I would like to thank, Peter Pearce, Trevor Elliott and Karl Solomonson for their contribution during the season.

My thanks to our tremendous sponsors who have enabled the Branch to operate efficiently throughout the season. To Streets, DHL, Westpac and Sydney Airport Corporation we thank you. Without your significant sponsorship the Branch would not be in a position to provide services to the clubs and the general public.

To Victoria and Linda in the office, I thank you for your professionalism and the manner in which you undertake your respective jobs. Thanks also to Sharon Vitnell who maintained the accounts throughout the year.

EXECUTIVE COMMITTEE REPORT

The Executive Committee of Surf Life Saving Sydney Incorporated present the following report for the financial year ended 31 May 2013.

REVIEW OF OPERATIONS

The net operating surplus for the financial year ended 31 May 2013 was \$25,733, compared with a net operating surplus of \$1,378 during the 2012 financial year.

PRINCIPAL ACTIVITIES

The principal activity of the Club during the course of the financial year was the provision of administration services to the member clubs.

CHANGES IN STATE OF AFFAIRS

No significant changes in the state of affairs of the Association occurred during the financial year.

POST BALANCE DATE EVENTS

No matter or circumstance has arisen since the end of the financial year that has significantly affected or may significantly affect the operations of the Association, the results of those operations or the state of affairs of the Association, in future financial years.

EXECUTIVE COMMITTEE

The following Executives have been in office for the entire financial year unless otherwise stated:

Name of Executive	Title & Special Responsibilities
John De Cean	President
Peter Agnew	Deputy President
Peter Carney	Director of Finance
George Shales	Director of Administration
Glen Clarke	Director of Lifesaving
Doug Hawkins	Director of Youth Development
Doug Hawkins	Director of Junior Development
Mike Vitnell	Director of Surf Sports

Signed in accordance with a resolution of the Executive Committee.

On behalf of the Executives,

Mr John De Cean

Mr Peter Carney

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MAY 2013

NOTE 1: Statement of Significant Accounting Policies

Surf Life Saving Sydney Incorporated is not a reporting entity because in the Executive Committees' opinion, there is unlikely to exist users who are unable to command the preparation of reports tailored so as to satisfy specifically all of their information needs and these financial reports are therefore a "Special Purpose Financial Report" that has been prepared solely to meet the financial reporting requirements under the Association's constitution, the Charitable Fundraising Act 1991 and the Associations Incorporations Act NSW.

The financial report is a special purpose financial report that has been prepared in accordance with Australian Accounting Standards (including Australian Accounting Interpretations), and other authoritative pronouncements of the Australian Accounting Standards Board.

The financial report has been prepared on an accruals basis and is based on historical costs and does not take into account changing money values or, except where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets.

The financial report has been prepared in accordance with the requirements of the Corporations Act 2001, and the following applicable accounting standards.

AASB 101	Presentation of Financial Statements
AASB 107	Statement of Cash Flows
AASB 108	Accounting Policies, Changes in Accounting Estimates and Errors
AASB 118	Revenue
AASB 110	Events Occurring after the Reporting Period
AASB 1031	Materiality

The accounting policies used in the preparation of this report, as described below, are consistent with the financial reporting requirements of the Association's constitution, and with previous years.

The following is a summary of the material accounting policies adopted by the company in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

(a) Income Tax

No income tax is payable by Surf Life Saving Sydney Inc. as Section 50-5 of the Income Tax Assessment Act 1997 exempts Charitable Institutions from Income Tax.

NOTE 2:

(b) Revenue

- Sale of goods: Revenue from the sale of goods is recognised when control of the goods has passed to the buyer, the amount of revenue can be measured reliably and it is probable that it will be received by the Association.
- Rendering of services: When the outcome of the transaction involving the rendering of services can be estimated reliably, revenue associated with the transaction is recognised by reference to the percentage of the services performed.
- Interest revenue: Interest revenue is recognised as revenue when received.
- Members subscriptions: Member subscriptions are recognised as revenue when received.

(c) Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the taxation authority. In this case it is recognised as part of the cost of acquisition of the asset or as part of the expense.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MAY 2013

(d) Plant and Equipment

Property, plant and equipment are stated at historical cost less depreciation. Individual items costing less than \$300 are expensed immediately through the income statement rather than capitalised to the balance sheet. The depreciable amount of all fixed assets are charged over their life from the time the assets are purchased.

Property

is unlikely to

to meet the

values of

Freehold land & property is measured at fair value by an independent valuer in regular intervals.

The property is taken to be held for investment purposes and therefore the committee has adopted not to apply depreciation. Any adjustments in the value of the property will be made to the asset revaluation reserve. The current value of the property is \$2,092,631 with the last valuation being conducted on 18 July 2006.

Loans from the Building Society are secured by a registered first mortgage over the property.

Assets excluding leasehold buildings are depreciated over their lives utilising the following rates:

- Plant & Equipment	10% - 20%
- Office Furniture & Equipment	10% - 33%
- Rental Plant & Equipment	10%
- Competition & Lifesaving Equipment	33%
- Leasehold Improvements	10%

DECLARATION BY MEMBERS OF THE EXECUTIVE COMMITTEE

The Executive Committee of the Surf Life Saving Sydney Incorporated has determined that the Association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the Executive Committee:

- the financial report gives a true and fair view of all income and expenditure of the Surf Life Saving Sydney Incorporated with respect to fundraising appeals.
- (b) the income statement gives a true and fair view of the state of affairs with respect to fundraising appeals;
- the provisions of the Charitable Fundraising Act 1991 and the regulations under that Act and the conditions attached to the authority have been complied with;
- the internal controls exercised by Surf Life Saving Sydney Incorporated are appropriate and effective in accounting for all income received and applied by the organisation from any of its fundraising appeals;
- the financial report as set out presents fairly, with respect to fundraising appeals, the financial position of Surf Life
 Saving Sydney Incorporated as at 31 May 2013 and its performance for the year ended on that date in
 accordance with Australian Accounting Standards and other professional reporting requirements as described in
 Note 1; and
- at the date of this statement, there are reasonable grounds to believe that the Surf Life Saving Sydney Incorporated will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Executive Committee and is signed for and on behalf of the Committee by:

4.

INDEPENDENT AUDIT REPORT

TO THE MEMBERS OF SURF LIFE SAVING SYDNEY INCORPORATED A.B.N. 74 781 063 539

Scope

We have audited the accompanying financial report, being a special purpose financial report, of Surf Life Saving Sydney Incorporated, which comprises the statement of financial position as at 31 May 2013, the statement of financial performance and the statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information and the declaration by members of the Executive Committee.

Executive Committee's Responsibility for the Financial Report

The members of the Executive Committee of the Surf Life Saving Sydney Incorporated are responsible for the preparation and fair presentation of the financial report and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the Charitable Fundraising Act 1991 and the Associations Incorporation Act NSW and are appropriate to meet the needs of members.

The Executive Committees' responsibility also includes designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial report is free from material misstatement, or whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Executive Committee, as well as evaluating the overall presentation of the financial report.

The financial report has been prepared for distribution to members for the purpose of fulfilling the Executive Committees' financial reporting requirements under the Charitable Fundraising Act 1991 and the Associations Incorporation Act NSW. We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

Our audit did not involve an analysis of the prudence of business decisions made by members of the Executive Committee or management.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the Charitable Fundraising Act 1991 and the Associations Incorporation Act NSW which encompass the requirements of the Corporations Act 2001.

INDEPENDENT AUDIT REPORT

TO THE MEMBERS OF SURF LIFE SAVING SYDNEY INCORPORATED A.B.N. 74 781 063 539

Basis for Qualified Opinion

As is common for organisations of this type, it is not practical for the club to maintain an effective system of internal control over donations, subscriptions and other fund raising activities until their initial entry in the accounting records. Accordingly, to this extent our audit was limited to the amounts recorded and banked. We are therefore unable to express an opinion on the completeness of the funds raised.

Qualified Auditor's Opinion

and the

In our opinion, except for the effects on the financial report of the matter referred to in the qualification paragraph:

- the financial report of Surf Life Saving Sydney Incorporated is in accordance with the Charitable Fundraising Act 1991 and the Associations Incorporations Act NSW, including:
 - giving a true and fair view of the entity's financial position as at 31 May 2013 and of its performance for the year ended on that date; and
 - complying with Australian Accounting Standards to the extent described in Note 1, the Charitable Fundraising Act 1991 and the Associations Incorporation Act NSW.
- the financial report gives a true and fair view of the financial results of fundraising appeals conducted during the financial year;
- any money received as a result of fundraising appeals conducted during the year ended 31 May 2013 has been properly accounted for and applied in accordance with the Charitable Fundraising Act 1991 and the Regulations thereto:
- the financial statements and associated records have been properly kept during the financial year in accordance with provisions of the Charitable Fundraising Act 1991 and the Regulations thereto; and
- at the date of this report, there are reasonable grounds to believe that Surf Life Saving Sydney Incorporated will be able to pay its debts as and when they fall due.

Maroubra	Trent	Thomas	SMBBM, Spinal, SMAR, First Aid
Coogee	Amy	Teale	SMAR
Elouera	Matthew	Thompson	SMAR

The Final Word

The 2012/2013 was a hectic season with the Branch still wrestling with the review of the strategic plan while continuing to manage the day-to-day functions. The review was challenged by the change of a number of Club Presidents, which while delaying the process, also enabled a different perspective to be placed on the process. The Branch Council has confirmed that the overall recommendations from the review panel be adopted with some modification around the structure to be included by the review panel.

On the Lifesaving front, this season saw the introduction of the Emergency Service Officer (ESO) at all Carnival and events held within SLSS. This proved to be a major step forward in ensuring the safety of both the competitors and spectators, with no lives lost. This also saw the introduction of IPad technology to enable the recording of crucial information by the ESO's and the carnival officials.

This season is the final season of sponsorship from our major sponsor Streets which has been in place for the past 3 years and has been critical in the provision of funds for operational and crucial Lifesaving funds. Negotiations are currently taking place with Streets to secure their ongoing support, with initial discussions looking promising.

In closing, I would like to take this opportunity to sincerely thank both Linda and Victoria for their tireless support provided to me and the management team over the last twelve months, and of course, the valuable assistance they provide to all the clubs. I would also like to thank the other members of the Board of Management for the support they have provided me over the 2012/2013 season. Thank you also to Mike Vitnell for his service over a number of years as the Director of Surf Sports and I wish him well for the future.

George Shales

Director of Administration
