President's Report

As the 2013/14 season has come to a close, it is an honour to be able to report that NO LIVES WERE LOST during patrol hours on our 15 beaches. I would like to extend a big thank you and congratulations to all our members who have volunteered their time to ensure our beaches were protected, including our Support Operation Services who have been there to assist our members and clubs when needed.

JOHN C. DE CEAN

In the area of Surf Sports we welcomed Wayne Druery into the position of Director of Surf Sports after Mike Vitnell retired from the position, after many years. The Board of Surf Sports started the season off by reviewing the way we run competition within the Branch which was well received by all the competitors and clubs, especially the introduction of half day carnivals and splitting events over different carnivals.

This season we saw the Masters Championships moved to be part of the Coogee Carnival which was well attended and from all reports was another great success along with the Life Saving Championships being held in conjunction with the Open Carnival.

Special thanks to all the competitors from other Branches that supported our carnivals as well as all the Officials who gave up their time to come along to the carnivals to make sure they were well run and fun for all that attended.

A big thank you to all the Clubs that hosted events this season and the professional way you put on a carnival at your beach and the fantastic work force that are also part of these. A special thank you to the Ladies Committees that take the time to ensure that our officials are well looked after with meals and drinks, before during and after the carnivals.

This season our Interbranch team went off to the Central Coast to compete against all the other Branches and it is pleasing to advise that they returned back with the overall point score trophy. Congratulations to all 46 competitors, Team Management for a fantastic effort. I was impressed with our performance and behaviour during the weekend. The team spirit that was shown and how we were a Branch Team from day one and helped each other out

This season we welcomed the return of Surf Rescue 20 back to the Bate Bay beaches after many years of being off the water. I extend my congratulations to the members that have been working hard getting Surf Rescue 20 operational with rebuilding numbers and returning to the water.

The season started with the Annual Gear Inspection and the standard of the gear put up each season by the clubs has improved over the years. Clubs presentation of their lifesaving gear has been excellent and has allowed the panel to move about and inspect the gear freely on inspection day. This helped the panel to work with the clubs to fix any minor problems. Thank you to the panel members who give up their time for two days to ensure that the inspection is completed before the start of the season.

It was disappointing during the season that our Director of Lifesaving Glen Clarke, Cronulla Sutherland Lifesaving Supervisor Michael Batty and his assistant Graham Hill resigned from their positions due to non-support they received in regards to Patrol Inspections and I thank these 3 members for their support and assistance over the past seasons.

Lifesaving is an area that needs to be addressed before the start of the season

to ensure that we go back to being the leading Branch in this area, which I am sure that by working together we can achieve.

This season we also had to renegotiate Lifesaving Service Agreement for 3 year period between Clubs and SLSNSW, which took up a lot of time by our Director of Lifesaving who was happy with what was agreed to by him and the Clubs to have SLSNSW reject some which caused more work for all involved to come up with what SLSNSW required without discussion with the clubs.

We also saw the closing of SurfCom by SLSNSW without any discussions with the Branch and during the season this caused a few problems in the way the service was operated and the added work it put onto our Rescue Service Manager during the season.

It is pleasing to see that awards were stable in some areas and others decreased but the quality of our lifesavers on the beach have improved over the years. This is due to the great work accomplished by our Education Manager Christopher Thompson and all our Area Education Supervisors, their assistants and the many Assessors. They have given up their time to ensure that the assessments are conducted to a very professional standard. Thank you.

during the weekend was inspirational. Congratulations to our Team Captains Jay Furniss and Elly Graf who led and encouraged all team members during the weekend and your efforts showed at the end of the InterBranch Championships to be crowned winners.

The Board of Junior Development group just seems to amaze me with over 7000 nippers on our beaches each weekend. Clubs conducted Age Managers courses as well as delivered Surf Education during the season. Once again they conducted the Under 13 and Under 11 Development Camps that I had the pleasure to attend and address the members on the weekends. I need to extend my congratulations to all Nipper sections of the clubs on the fantastic effort that you do each week and after attending these camps the future of Lifesaving in our Clubs is great.

I would like to extend my thanks to our major sponsors Streets Ice Cream who have signed on for a further 3 years and supplied new Patrol tents for the Clubs for next season as well as Sydney Airport Corporation who renewed their sponsorship with our Board of Junior Development for 3 years. Also thanks to the clubs that allow us to conduct our meetings and courses. They include Cronulla Sutherland Leagues Club, Tradies, Maroubra Seals and Sports Club and the Randwick Club.

I would like to express my thanks to the members of the Board, Deputy President Peter Agnew, Director of Administration George Shales, Director of Finance Peter Carney, Director of Lifesaving Glen Clarke and Simon Torsellini, Director of Sports Wayne Druery, Director of Juniors and Youth Doug Hawkins, your support and commitment to your positions was fantastic and I really appreciate your help during the year.

We are very fortunate to have 2 wonderful ladies working in our office and I wish to extend a very special thank you to Linda Perrin and Victoria Raymond from all the Clubs and Officers that had the pleasure of working with you both this season and season before.

As I announced at the June Election meeting in 2013 this is my last report as President and I would like to thank everyone for their support during my 5 year term as President, all the members that were on the Board, the 15 Club Presidents, our past Presidents and Life Members for their advice at times and friendship.

I would like to conclude by wishing Sydney Branch Clubs all the best for the 2014/15 season.

John C. De Cean
President

Board of Lifesaving

Director of Lifesaving Report

Our season has come to an end for 2013-14 and we prepare for the upcoming season with renewed enthusiasm.

Simon Torsellini

No lives lost during our patrolled hours on the beaches. Thank you to all clubs and lifesavers for a great job done. Our statistics speak for themselves with reduced rescues and higher preventative actions recorded. Sydney Branch Lifesavers continue to protect patrolled beaches from Sydney Heads to National Parks as well as an extensive coastline with Support Skis and Offshore Rescue Boats operations.

There are a number of people who need to be recognised and thanked for their contribution to maintaining our lifesaving operations and standards, firstly to Linda Perrin and Victoria Raymond from Branch Office who organise and process lifesaving operations, without them the

Branch would be difficult to operate. Secondly the Board of Lifesaving and sub committees whose members assist Clubs in maintaining lifesaving standards, educational needs and lifesaving development throughout the branch.

There were preseason forums ranging from State Conferences for Lifesaving, Education and Junior Activities with ample of information being supplied, Branch end of season and pre-season meetings ensured feedback was received from clubs in lifesaving and education. The Gear Inspection panel crammed Club equipment inspections into a weekend with very high standards of presented equipment receiving the tick of approval.

The season has been full of highs and lows which need to be acknowledged and assist with planning for next season. Patrol agreements were finalised for another 3 seasons with the majority of Clubs requesting less patrol hours, agreements were reviewed with the majority being signed off before the start of the season. Patrols need to be on the beach, "rescue ready" at their rostered patrol time, not 15 minutes after sign on, new State SurfCom operations were challenging with many Clubs finding poor communications at their beaches. There were a number of Clubs that failed to comply with sign on and off requirements as well as sufficient patrol members and patrol equipment for patrol operations. State reviewed patrol "Standard Operating Procedures" and asked for feedback from all Clubs with minimal responses received. Clubs need to set their own goals to provide a high standard of service to the community with lifesaving patrols and community participation.

Highlights of the year were many with the Streets sponsorship being renewed and allowing for a patrol tent to go onto each patrolled beach displaying their logo supporting surf lifesaving. The Lifesaving Patrol Competition had record number of participants with the standard of competition reaching extremely high levels and to all participants well done. The Awards of Excellence showed our exceptional Life Savers from each Club via for the Best of the Best within Sydney, well done to all of winners and nominees.

There are a number of Board of Lifesaving members that require recognition for their assistance and commitment to lifesaving for this season. Firstly, Glen Clarke who started the season as the Director of Lifesaving for the third consecutive season, Glen's commitment to bettering lifesaving and education for the Branch was one of his goals as well as improving education in the Junior Activities area. Glen resigned in February 2014 due to a conflict of interest in lifesaving operations within the branch.

Michael Batty, Lifesaving Supervisor and Graham Hill Assistant Lifesaving Supervisor for Bate Bay who supported the lifesaving operations of the 4 clubs in their area achieved to build better working relationships with their Clubs and their patrols. To Peter Quartly (Waverley), John McNamee (Randwick) and Peter Pearce (National Parks) and their assistants, thank you for your efforts working with Clubs to ensure standards were being maintained and guided clubs to improve their lifesaving patrols.

Chris Thompson and his educational team of Facilitators, Assessors and Training Officers for all their hard work in keeping lifesaving education at such a professional level. Support Operations continued to thrive with increased numbers of Support Ski Operators and the return of Surf Rescue 20 to the waters off Bate Bay waterways, and Surf Rescue 30 performed outstandingly throughout the season.

To my fellow BOM team members, thank you for your support. I look forward to season 2014-2015 working with committees and clubs for Lifesaving in Sydney Branch.

Simon Torsellini

Director of Lifesaving

Board of Lifesaving

The election meeting saw a very poor turnout (thankfully attendance at assessments is positively great). This is an ongoing problem where Board members have an aversion to meetings and we have failed to counter it.

Director Glen Clarke continued his great work; unfortunately everything became unstuck, with a Patrol Tribunal recommendation that was endorsed by the Branch Management Committee. Subsequently the Branch Council rejected the recommendation and Glen felt morally bound to resign, as did Mike Batty. We were fortunate in that Simon Torsellini took up the challenge, took over the role and led the Board through some very troubled times. Unfortunately we were not able to entice any member to take on the Deputy Director of Lifesaving role. Graeme Hill took over Mike Batty's position and unfortunately his circumstances changed and he had to resign, leaving the Shire without Lifesaving overview, which resulted in Simon spending even more time in the area.

Education under Christopher "Toppa" Thompson did not have an easy time either, with a number of challenges with respect to assessments with one still being outstanding as I write, which is no good for anyone. George Shales looked after Emergency Services and did an admirable job, which involved a huge amount of time. On behalf of the Board we wish him well as he moves into his new role as Branch President for the forthcoming season, which we are confident he will handle as well as he has done in the past with every other position, he has held.

The Patrol Operations Manual that each Club was required to be provided and update at the start of the season, for the first time became a reality and I thank the Club Captain of each Club, for the effort put in, in providing the document within the required timeframe.

SurfCom Sydney was disbanded by SLSNSW and they in turn provided a service, which did not solve many of the continuing problems that have plagued our radio system. Measures are being reviewed over the winter months.

Late Proficiency's were again an issue and one wonders how so many Clubbies, who do not have any excuse for not doing it within the required time, find themselves in such a predicament. We continue to consider favourably for members wanting to continue patrols, to complete a late

proficiency, but these numbers are too high. We will be reviewing the procedures over the winter.

I think it is important to reiterate the function of the Patrol Tribunal. The role is to discuss with the Club their "patrol infringement" and how the incident is reviewed by them and what processes will be or have been put into place, so that it does not recur. In doing so we offer our assistance. We have only ever forwarded a matter on to the Branch where we consider the Club does not believe they have a problem, which has been exhibited over a period of time and our best efforts rebuffed.

New Patrol Tents sponsored by Streets were provided by Branch ready for next season. All Clubs also received a pair of binoculars, at the start of the season and also a quantity of Volley Red/Yellow Thongs for their members.

We continue to have a very professional and knowledgeable Gear Inspection Team, that function well, which was assisted by the continuing high quality of the gear presented by the Clubs for inspection. A big thank you is extended to the Team and the Club Gear Stewards who did such a great job.

The Gold Medallion which is the highest Lifesaving Award got a workout, which resulted in the various lifesaving skills being required to be at the required standard and not just processing a number of time trials.

Water Safety has continued to be given a workover in all areas and we were to the fore; pushing for uniform appropriate

standards within the Association requirements. This included pink vests, floatation jackets and training in the IRB.

The Awards of Excellence this year improved their profile as it should be. To those who put the effort in to nominate a member or members, our thanks and to all nominees, we really appreciate your efforts and commitment to Surf Life Saving.

The Development & Training Committee met and made a number of thought provoking points, including their recommendation that it was preferable that Patrol Captains not also be their Patrols IRB Driver or Crew, although they appreciate in smaller Club's this may not be practical.

To enhance communications with Club's we have held a number of meetings with Club officers, that has resulted in positive feedback and we are bedding down two meetings prior the season start.

The Office continues to provide a fantastic level of very professional service. We tend to take Linda and Victoria for granted, which we should not. From all of us a big thank you, as we would be hard pressed without your expertise and enthusiasm, which on occasion must be hard to maintain and it seems that although your hours are fixed, your time and involvement is not.

We will continue to follow our charter and provide positive and effective assistance with respect to all facets of Lifesaving and Education to Club's.

I look forward to another season, which will result in a better Branch for all.

Peter Quartly
BOL Secretary

Support Operations Manager

The 2013/2014 was a busy season as usual with clubs increasingly calling on all the services provided by the Support Operations Group in and out of patrolling hours.

Surf Rescue 20 commenced limited patrolling during the season which is testament to the dedication of the members of the group after being off the water for many years.

Surf Rescue 30 had a very successful season attending a number of difficult rescues. This saw the group obtain Rescue of the Year at the SLSS Awards of Excellence.

This season saw the management of SurfCom services, historically provided by SLSS, being moved into the State Operations Centre (SOC) managed by SLSNSW. While this was necessary it caused some ongoing issues throughout the season, putting an extra burden on the already stretched Duty Officer resources. SLSNSW will continue to work with SLSS during the offseason to reduce the impact to both clubs and the Support Operations Group for the 2014/2015 season.

The RWC group has been running well this season with the craft and its operators

responding to many search and rescue emergencies. The intake of new recruits for the manning of these crafts has enabled both crafts to be available to assist beach patrols. I would like to congratulate Nick Kypreos for being awarded the Support Ski Operator of the Year.

To the Duty Officers who provide countless hours of assistance during and out-of-hours, I would like to once again thank you for your efforts in assisting with major events, whether it is providing support to Patrol Captains or providing counselling services behind the scenes. The tireless effort put in, at often early hours of the morning, or late at night while most people are sound asleep, often goes unnoticed and unrewarded and I sincerely offer my humble appreciation to the level of commitment and service you all provide.

The utilisation of peer support services continues to increase with the number of calls being attended to by the Duty Officers. I must say I am still disappointed with the level of 2nd line support available

George Shales

via SLSNSW. This service is an increasing requirement and it is imperative that we ensure our members are managed through this difficult process as quickly and professionally as possible. I would like to make special mention of Gerry Stephenson who was awarded the Support Operations Member of the year.

In closing, I would like to thank all of the members of the team who actually make this group one of the most valuable and respected services within Surf Life Saving Sydney. I would also like to personally thank the respective managers who manage each group: Brent Armitage - ORB Advisor and Kym Pennell - RWC Advisor. I would also like to thank the SLSS Board of Lifesaving Management for their continued support throughout this season. I also wish all members of the team a successful 2014/2015 season.

George Shales

Support Operations Manager

Rescue Water Craft (RWC)

Several drivers performed a large number of hours and many others made a contribution to RWC patrols and RWC training in addition to their other Surf commitments. Our drivers also performed Water Safety at various local, Branch, State and Australian carnivals, and attended various development camps.

I'd like to take this opportunity to thank Nick Kypreos for looking after Ski 3 at Maroubra, George Shales for his support and encouragement, David Kowald and Andrew McKellar for their assistance with training, as well as various drivers and others whose efforts and assistance made my task that much easier.

Kym Pennell

RWC Advisor

Area Supervisors Reports

Waverley Area Lifesaving Supervisor

This was my third season and the role continues to invigorate me, with so much good work done by the four Clubs' and the easy camaraderie shown by patrolling members. My position was made so much easier, with the world's greatest assistant; Jenny McNamee. Jenny continued to keep me on my toes and was a great backstop. Her assistance was greatly appreciated by me and the Club's.

Patrols generally were very good, but there were continuing problems with the IRB's at Tamarama and North Bondi. Both having problems in having adequate drivers for rostering on patrol.

It was good to see that Bronte have overcome their Driver shortage and their lifesaving team are really on the ball, through the efforts of Iljko Miocevic

carrying on and building from the past efforts of Nigel Harvey.

Bondi under Mike Gencher operated extremely well. Sandra Fox, although run ragged on occasion was always available to assist, with Tamarama issues. Scott D'Amours at North's, although very busy was most helpful.

Gear Inspection was well handled by the Club's and only a small number of reinspections were required. I record my appreciation to Bob Leys for doing the IRB reinspects.

We had problems to varying degrees all season with the radio network and from my perspective the service provided was not as good as what we had come to expect from Sydney SurfCom.

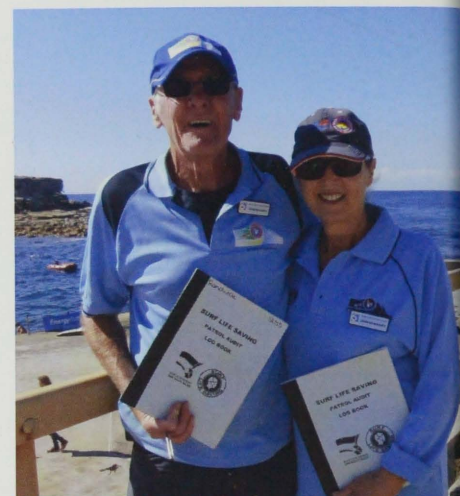

Patrol Inspections are now back to once a month, although a SLSNSW Patrol Audit form was introduced.

To all patrolling members my appreciation of your efforts and to the Club Captains who are responsible for the Patrols; for your assistance and the curtsies given to Jenny and myself.

I will be back next season and look forward to our continuing partnership on the beach. Unfortunately Jenny is not available to assist and she will be greatly missed.

Peter Quartly

Lifesaving Supervisor Waverley

John McNamee (Randwick Lifesaving Supervisor), Jenny McNamee (Waverley Assist Lifesaving Supervisor)

Randwick Area Lifesaving

Sometimes on a Saturday or Sunday morning on the day I would be doing my patrol audits, I'd arrive just before set-up time and sit at the back of the beach and watch the whole operation swing into gear.

It wasn't snooping. I wasn't trying to catch any of the Patrol Captains out or jump up and race down to the patrol area and shout: "Ah ha!!! No caps!"

Definitely not. I just wanted to observe yet again how a surf lifesaving patrol, made up of volunteers of all ages, would give up their free time on weekends and public holidays to spend several hours protecting the public.

It never ceased to fill me with awe. I knew that all around the Australian coastline the same process was taking place.

First you'd see the ATV crammed with equipment, boards, tubes, spinal gear, tents, come down the beach and swing around into the designated patrol area.

Then the red and yellow-clad patrollers would be scurrying around setting up, erecting the tent and checking all the equipment. You'd see the inevitable latecomers hurrying across the sand adjusting their caps (hopefully!) and uniforms and pitching in to help out.

Then the ATV would trundle up the beach again and reappear some minutes later with the IRB bouncing along behind on the trailer.

SurfCom Operators Hours 2013-2014

Member	Club	Total Hrs Performed SurfCom SLSNSW
Aaron Schriever	Era	23.25
Ann Schriever	Era	52.5
Gerald Stephenson	North Bondi	N/A
Grant Owen	Maroubra	74.25
Jackson Towns	Elouera	87.5
Kane Hughes	North Cronulla	21
Kerryn Briody	Bondi	5.5
Lachlan Towns	Elouera	41.75
Lhyriel Smith	Garie	82
Saskia Ugarte	Bronte	57
Steve Laffey	Bronte	14.75

At the appointed sign-on time, you'd see the Patrol Captain speaking into the radio giving the vital statistics to SurfCom.

Hey presto! You had a patrol and another day's surf lifesaving would begin.

Watching this process also had an ulterior motive for me. It put me in a better frame of mind to carry out an inspection in a fair and friendly fashion and not go out trying to wield the big stick.

During my very rewarding season as Area Supervisor Randwick, I'm pleased to say there were no major dramas requiring lengthy judicial action. We had a few late sign-on issues, partly due to radio communication problems, but these were soon sorted out.

I'm pleased to say all Club Captains from Clovelly, Coogee, Maroubra and South Maroubra cooperated fully with me and moved swiftly to correct any outstanding problems.

Once again I was impressed at the quality and standard of experience and dedication shown by all Patrol Captains I encountered. I never once had to "ping" a patrol for not having a vital item of lifesaving equipment ready on the beach at the right time. Sometimes, inevitably, the IRB would be a little late in reaching its operational status, but the technical issues would always be sorted out as quickly as possible and Surfcom duly informed.

Unfortunately, Maroubra lifeguards occasionally delayed the set-up down the South Maroubra end due to them not putting up the flags or closing that area of beach. Hopefully, negotiations between the Club Captain and the Lifeguards Executive can reach a better solution and allow the South Maroubra patrol to set up and get on with their job.

Anyway that's for another day, another season and another area supervisor!

Thank you to all the personnel from all four clubs for helping making the 2013-2014 patrol season a happy and safe one and hopefully the same for the next season. I know I'm going miss it. Maybe I'll go along to one of the beaches one Sunday morning, just to sit and watch the whole process start all over again.

John McNamee

Area Lifesaving Supervisor Randwick

Area Lifesaving Supervisor Royal National Park

Another great year in the Royal National Park. We commenced the season with Gear Inspection in mid-September which went well with all clubs having only a few minimal equipment faults needing re-inspection. My appreciation is extended to the Gear Inspection Panel for the great task they performed prior to the commencement of the season.

Patrol Inspections were carried out monthly by me and the standard again was exceptional with all 3 clubs. Patrol uniforms, mainly caps, continue as a problem.

Beach patrols were met with a new Patrol Service Agreement (3 year period). Patrol strengths were good and Garie was again assisted by some other Branch clubs who supply a lot of patrol members to assist.

Garie had the only professional Lifeguard service in the District from late December till January, Monday to Friday. Again the funding was from the National Park and Wildlife Service. They also undertook the service on Australia Day at Wattamolla.

Overall the service provided by the 3 clubs was good and my thanks are extended to the active members for their outstanding contribution. My appreciation is again extended to Michael Hodsdon, Gary Daly, Margaret Pearce, David Cross, Michael Bretherton, Kelly Hedderman and Mark Wood for their involvement and assistance.

Peter M. Pearce

Lifesaving Supervisor RNP

Cronulla/Sutherland Area Education Supervisor

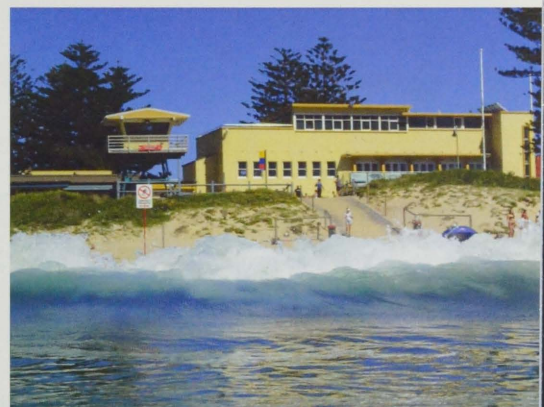

This season got off to a busy start with large numbers of SRC and Bronze candidates from the Bate Bay Clubs and this pace was maintained for most of the season.

This season saw two new CTOs Cameron Simpson (Elouera) and Kerrie Hammell (Cronulla) join the team and both experienced a steep learning curve. Jason Golan (Nth Cronulla), defacto Glenn Cairncross (Elouera) and Brett Furniss (Wanda) both returned and provided a good deal of support across all areas of Education in Bate Bay.

I'd like to take this opportunity to thank the Clubs for providing access to their facilities, their Chief Training Officers for their support and assistance this season, the Branch Assessors for contributing their time and effort and Scott Marshall for his support and assistance this season.

Kym Pennell

Education Supervisor Cronulla/Sutherland

Education Manager Report

The 2013-2014 season was huge for Education in Surf Life Saving Sydney. The season started with Trainers, Assessors and Facilitators having to upgrade to a new Unit of Competency prior to December 2014. After our Trainers, Assessors and Facilitators were upgraded they needed to re-endorse to remain current which is a Registered Training Organisation (RTO) requirement.

This season our Clubs have worked incredibly hard to achieve the number of awards which are displayed on the awards chart listed below. This could not have happened without the hard work of our Trainers, Assessors, Facilitators, Education Supervisors and Award Coordinators. I would like to especially thank the 15 Club Chief Training Officers (CTO), many of whom took this role on for the first time this season, **Ben McCormack (North Bondi)**, **Greg Charles (Bondi)**, **Troy Longworth (Tamarama)**, **Courtney Tallon (Bronte)**, **Jessica Wheatley (Clovelly)**, **Craig Howie (Coogee)**, **George Benhayon (Maroubra)**, **Cathie Hall (South Maroubra)**, **Brett Furniss (Wanda)**, **Cameron Simpson (Elouera)**, **Jason Gollan (North Cronulla)**, **Kerrie Hammell (Cronulla)**, **Justin Hardman**

(Garie), Karlen Holloway (Era), Warren Breese (Burning Palms).

Our ongoing success in furthering the professional development of our members is from the dissemination of knowledge and skill from Trent Thomas, Advance Awards Coordinator and his team of Facilitators who have dedicated their time and knowledge to ensure that members can continue to grow within surf lifesaving and apply their improved skills on the beach and in their everyday life.

The Branch Awards Summary can be referenced at page 28.

This season saw the number of Surf Rescue Certificates (SRC) drop slightly from last season. Although the 391 new SRCs is a 7.8% drop from last season, it is still a fantastic amount of juniors for our Surf Clubs. Thank you to all the trainers and assessors involved in the education of the future leaders of this organisation.

Unfortunately this season we weren't quite able to match our number of new Bronze Medallion members (we got close though). Our numbers dropped from 759 in the 2012-2013 season to 731 this season which is a drop of 3.7 %. Many thanks need to go to our Education supervisors and their assistants for organising the assessing of these new members: **Debbie Midwinter and Sam Wilson (Waverley)**, **George Benhayon and Cathie Hall (Randwick)**, **Kym Pennell and Scott Marshall (Bate**

CHRISTOPHER THOMPSON

Bay), Michael Hodsdon and Margaret Pearce (National Park).

There was a significant increase in Silver Medallion Basic Beach Management (SMBBM) awards this season. The 154 new SMBBM holders is a 60% increase from last season, this is a wonderful result with all 15 clubs being represented in this figure. I hope this trend of high numbers of new SMBBM holders continues into the coming seasons.

The other higher award numbers for the 2013-2014 season was a bit of a mixed bag compared to last season. There was a 16% drop in ARTC, a 31% rise in Spinal Management, a 8% drop in IRB Drivers and we exactly matched the number of IRB Crew. This is a fantastic result which couldn't have been possible without the amazing work done by all out trainers and assessors. Keep up the great work!

Education Committees are not only about training new awards, but also about ensuring that our patrolling members are remaining proficient in a number of different awards. Below is a table which shows the proficiency numbers for the 15 clubs for the past two seasons. In the 5 awards we have had a significant increase in the number of active members remaining proficient in the awards listed in the table below.

Further recognition must be given to Steve Allan, Academy Support Officer

	2013-2014 (All Membership Categories)	2013-2014 (Active Members only)	2012-2013 (Active Members only)	Percentage (Active Members)
Proficient Bronze Medallion	3459	2569	2423	6%
Proficient ARTC	772	572	464	29.7%
Proficient IRB Driver	377	273	225	21.3%
Proficient IRB Crew	625	495	456	8.6%
Proficient Spinal Management	435	319	256	24.6%

Education

for SLSNSW for his ongoing support to the Branch and Clubs. Steve has been a great support to the Branch to meet our RTO requirements and general education and lifesaving issues that arise throughout the season including Recognition of Prior Learning applications, Trainer, Assessor and Facilitator upgrades and re-endorsements.

Congratulations to the following members who were recognised at the Branch Awards of Excellence:

- Peter Agnew, Facilitator of the Year
- Tania Rouse, Assessor of the Year
- Jason Gollan, Rookie Assessor of the Year
- Steve Cardy, Training Officer of the Year
- Elissa Hughes, Rookie Training Officer of the Year

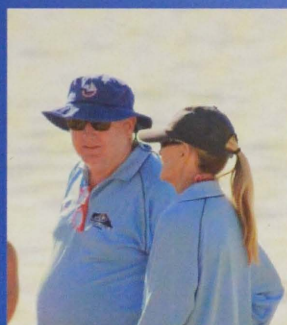

A special mention must go to Dean Dudley, Director of Education for SLSNSW for his support, guidance and encouragement in all Education matters concerning the Branch. I would also like to say a massive thank you to Pamela Simon, Academy Manager of SLSNSW for a number of years, however she stepped into a new role halfway through this season she was incredibly helpful for NSW and Sydney Branch. I look very forward to working with some of the new members of Surf Life Saving NSW, in particular Louise Fuller who has taken on Pamela's role of Academy Manager of SLSNSW and Stacy Pidgeon, Community Education Supervisor of SLSNSW.

Last but certainly not least, the brain's trust that is Linda Perrin. Linda has been integral in the successes in Sydney Branch Education. Her wealth of knowledge is priceless and I could not do this role without her. In summary, thank you Linda!

Once again, congratulations and well done to everyone involved in education throughout Surf Life Saving Sydney, for another season in education.

Christopher Thompson

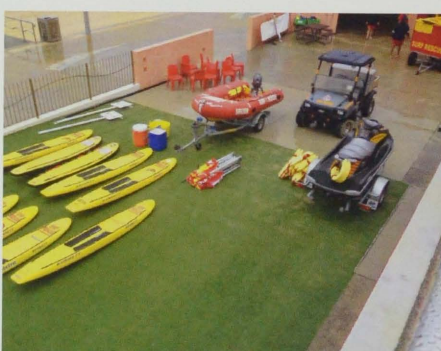

Education Manager

Gear Inspection 7th & 8th September 2013

Congratulations to Cronulla SLSC who were overall winners of the Annual Gear Inspection 2013/2014.

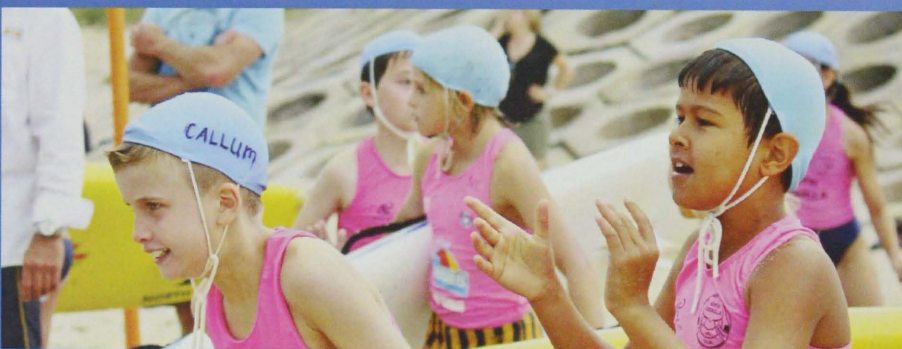

PANEL MEMBERS: Simon Torsellini (Convenor), Michael Batty, Peter Burst, Peter Carney, Greg Causer, Glen Clarke, Ken Hudson, Jennifer NcNamee, John McNamee, Peter Quartly, Tania Rouse, Chris Thompson, Joel Eaton, Graham Hill, George Shales, John De Cean, Sean Cummins

Board of Junior Development

Board of Junior Development

Director of Junior Development

With another big season ahead of us, the BJD wanted to ensure we set some new levels of achievement within Sydney Nippers. Our major focus point was ensuring our Nippers are all being trained as "Young Lifesavers in Training, and to this end their Surf Ed and Surf Skills were a priority.

It was also a priority to ensure each club continues to grow their membership base of engaged parents, and ensure some of these parents are aiming up to become Water Safety, Age Assistants and especially Age Managers.

Our Pre-Season meeting delivered to each club a major resource pack for the season, including all aspects of Surf Ed training, skills development, safety and parent engagement, and especially the presentation on Emergency Response at Nippers. Thanks to Coogee Nippers for the development of this resource that many clubs have now adapted and adopted.

Our thanks also to the Director of Lifesaving and Branch President for attending our Pre-Season Meeting.

With our season kicking off many clubs were focused on registration and getting over 7,500 Nippers on the beach in the first few weeks of the season. Awesome job by everyone on managing some big numbers on the beach and congrats to those who saw major increases in registration.

Our Branch SLS Age Manager Courses were very well attended with over 180 people coming along to the 2.5 hour session. Big congratulations to South Maroubra for sending along 95 parents to do the course this season.

Parent Engagement was once again priority, and this season the Sydney Nipper Clubs hit a major milestone of over 1,000 Parents engaging with their local surf club via the Club Induction Session or the SLS Age Managers Course. Many clubs had over 150 parents attend their in-house sessions, with Bronte Nippers deserving high praise for having 388 parents attend their two sessions.

The impact of these numbers via these sessions will be seen across many clubs over the years to come, through more Water Safety, more Age Managers, more SLS trainers, more IRB teams and more highly focused patrolling members. Well done to all the Clubs.

Congratulations to those Sydney Nippers who were part of the SLS Sydney Inter Branch team who brought home the State Trophy this season - outstanding effort by everyone..

As per previous years our Development Camps were very well attended, with many clubs requesting extra places if available. The focus on these camps is to get our young Nippers to see their role in the future as experienced patrolling members, working as part of the club.

Each of the camps being the U13's and the U11's focusses on surf skills in CPR and Tube Rescue and IRB with the culmination being the Development Camp Rescue Champs which are always a major highlight for all the Nippers.

Over the weekend these skills are supported by sessions on Team Work and Leadership, and it's amazing to see the understanding and focus these "young lifesavers in training" have in these areas.

As always in SLS it's a team effort, and to all the Minds who assisted a big thank you for your time on the weekend. It's always a BIG weekend helping to manage around 100 Nippers, and all a very worthwhile outcome as

Doug Hawkins

we see them focus the skills they have learnt on the Sunday.

This year via our Sponsorship with Sydney Airport we were able to discount the Development Camp costs for the clubs, and we hope to continue this for a few years to come.

Special thanks to those clubs who sent down trainers and IRB teams and also to Surf Rescue 20 for your attendance - welcome back.

By the end of Dec 2013 we saw many of the clubs graduating their U14's into the SRC - this season we had 392 x U14's gain their Surf Rescue Certificate - well done to all the training teams and the graduating lifesavers - Welcome to Patrol.

As per each season the BJD holds its Junior Lifesaver of the Year Event attracting some of the best young lifesavers in the Branch.

This year the interview panel was overwhelmed by the quality of our young U14's, their knowledge, their passion and their plans for themselves and SLS in the future.

This years finalists for the SLS Sydney Junior Lifesaver of the Year were:

- Daniel Hamilton: Bondi
- Abbey Smith: Garie
- Shea Garcia: Elouera,
- Declan Grohala: Garie
- Isabel Nixon: Coogee
- Ashley Grady: Elouera,
- Brianna Tier: Maroubra
- Daniel Andrews: Coogee

Board of Junior Development (continued)

After extensive interview sessions and long discussions across the Panel, this seasons SLS Sydney Junior Lifesaver of the Year were:

Shea Garcia: Elouera SLSC and Brianna Tier: Maroubra SLSC

Well done to each of these young lifesavers.

We also had two Highly Commended being : Isabel Nixon: Coogee & Daniel Andrews: Coogee.

Shea and Brianna both attended the NSW JLOTY Development Camp and certainly enjoyed and learnt a lot about SLS and themselves, via the Camp Facilitators and the other Branch winners from across the State.

Shea and Brianna are major assets to their clubs, and the Branch, and we look forward to seeing their achievements within SLS in the not too distant future.

This seasons **Sydney Airport Branch Age Championships** saw us back at Maroubra and well done to the Maroubra SLSC team for a big day out. This year we saw nearly 1,400 competitors on the beach, making this the second biggest Nipper Carnival in Australia.

With new Sydney Airport shirts for all our officials on the day, the Carnival was a great example of how a solid team can work together. Congratulations to the Board of Surf Sports team for the day.

The support team on the beach numbered over 120 Water Safety, 110 Officials and around 36 in the IRB team, and all worked very diligently throughout the entire day.

We also had our first "rescue rescue" call at the event, and even though it thankfully proved to be a false alarm, the effective response and management of the situation by Michael Brynes and the Water Safety team was first class and a credit to all.

Conditions were tough on the day with a number of the water areas for the younger age groups being closed due to safety reasons. Thanks to a great effort by the Water Safety teams in these areas to keep them going when they did.

As mentioned this carnival continues to get bigger and bigger, and this year it was very evident that the skill level of many of our younger competitors is

increasing. Also well done to a number of clubs who increased their competitor numbers, while keeping the skill level up.

The BJD would like to say a BIG thank you to all those who contributed to the success of this event, and ensuring the day was a good one for the competitors, the audience, and Surf Lifesaving

At the next level of competition this season, many of the SLS Sydney Nipper Clubs went extremely well at the State Championships, with the following clubs finishing in the top 10 against some very strong competition from up and down the coast.

NSW State Age Champs: SLS Sydney Clubs - Top 10 Results

- 3rd Wanda SLSC
- 4th Elouera SLSC
- 6th Bronte SLSC
- 7th North Cronulla SLSC
- 8th South Maroubra SLSC
- 9th Coogee SLSC

This season has seen us into the second year of our three year deal with our major Sponsors, **Sydney Airport Corporation**, and we want to acknowledge their long term support for our Sydney Nipper Clubs.

This sponsorship allows us to run the best Nipper Branch Program in the country, delivering major resources, training and events to the 15 Clubs and the 7,500 Nippers and the hundreds of Age Managers and club teams. It is a long term and very effective Sponsorship, and we look forward to working with Sydney Airport next season to deliver even more results for the clubs and our Sponsor. Thank you Sydney Airport.

The BJD would also like to thank the clubs for delivering such an outstanding year in all facets of our Nipper Program.

With 5,160 Surf Awards across the Nipper Clubs this season has shown a great focus on Surf Education for our "Young Lifesavers in Training". With our successful District and Junior Carnivals we are seeing an increase in competition attendance and therefore an increase in surf skills - all combining to deliver a solid and effective overall SLS experience for all our younger members.

To each of the Nipper Chairpersons the BJD would like to congratulate each of

you individually, for leading some great teams at club level, and be assured we are here to support you in all that you are hoping to achieve next season.

Season 2014-2015 will kick off with the presentation of the new SLS Junior Activity Management Course, which we hope will be able to assist all clubs in the long term and successful management of their Nipper Programs.

As with all groups in SLS the teamwork is where it all happens, and to an awesome BJD Executive Team thanks for all the effort and hard work that goes on behind the scenes.

With a Secretary like Donna Hargreaves things get done, and get done efficiently and effectively. Donna has been a great support once again, and her effort to ensure we are managed well translates into a results driven team.

Our Deputy Director Bruce Bevan is always there, putting his hand up whenever the need arises. From delivering the Age Managers Course to stepping up when needed, and being on the beach at many of our carnivals, and on the JLOTY Panel, Bruce's experience and professionalism delivers for us every time.

Our Board of Surf Sports delegate Mike Day brings such a focus and professional approach to the world of Surf Sports, and we are very lucky to have a man of his experience and calibre on our Executive. Working as part of the Board of Surf Sports team Mike and his fellow members have delivered an outstanding year of competition and have set a new level of delivery on the beach.

It has once again been a privilege to work with this team of people as part of the BJD and also to work with each of the SLS Sydney Nipper teams this season.

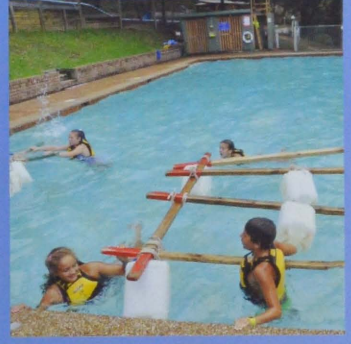

As a major part of the life and service of SLS Sydney, the BJD and the Nipper clubs are focused on ensuring that each of our 7,500 Nippers have an awesome time in SLS, enjoying and learning - while being supported throughout every event.

Thanks to all for another awesome season, and we look forward to seeing you on the beach in 2014-2015.

Doug Hawkins

Thank you to all our Water Safety

Board of Surf Sports

Director of Surf Sports

This season was my first year in the position of Director of Surf Sports and I came into this role with a clear primary focus in mind of providing competition that was safe and efficient with carnival programs aimed at the contemporary needs of our competitors.

To achieve this aim several plans, events and initiatives were put in place including a preseason competition forum, pre season officials briefing, revised programs and IRB roster, appointment of Carnival Referees and Deputy Referees prior to the beginning of the season, further refinement and enhancement of our Emergency & Safety Procedures and finally a focus on the Board of Surf Sports (BOSS) working in conjunction with club based organising committees, leading into all carnivals.

I will now highlight and expand further on key aspects of the season.

1. Pre Season Competition Forum

Planning for the 2013/14 Season commenced well before the first carnival in October. A key element of the planning process was facilitating a 'Competition Forum' that was held in the off season with the clear aim of ascertaining – 'What do our athletes want from their local open club based carnivals'. Attendance at this forum was made up of athletes, coaches, officials and key administrators. Approximately 25 members of Surf Life Saving Sydney attended this forum. A very simple message came out of this forum being – 'our club based carnivals should fit within a 4 to 5 hour time frame with programs that were efficiently run and provided good, solid and fair competition that also had a hint of fun'. It was from this clear recommendation that BOSS then set about programming and organising the 2013/14 Season.

2. Sydney Surf Sports Gala Day

The 2013/14 season commenced in September with an inaugural Sydney Surf Sports Gala Day. Many thanks go to Wanda SLSC for hosting the day. Activities held on the day included a 'Used Craft Sell, Swap & Buy' event, 3 separate surf sports clinics for ski, board and beach flags. An IRB scrutineering course and an Officials Pre-season Briefing. The day was a great success with the Board & flags clinics proving to be very popular

along with the used craft event and the Official's Pre-season Briefing. Many thanks to Steve Warren, Tracey Schriek, Jimmy Walker, Ken Hudson, Greg Allum OAM and Dick Bignold who provided their time and expertise to make this day such a success.

3. Interbranch Team

2013/14 season saw Surf Life Saving Sydney win back the NSW Interbranch Championships from Sydney Northern Beaches. This year the Championships were held at Soldiers Beach on the Central Coast of NSW. What a great result and a big thankyou goes to Mike Vitnell (Team Manager), John Decean & Jake Little (Assistant Team Managers), Scott Thompson, Tracey Schriek, Jess Lauricella & Steve Srawbridge (Coaches) and in the logistics and uniform roles – Jackie Parker, Sharon Vitnell and Brett Furniss. A special congratulations to all of the athletes who were successful in selection and represented the Branch so proudly under the leadership of Captains Jay Furniss (Wanda) and Elly Graf (Elouera).

4. Appointment of Referees & Officials

This season saw the introduction of a process whereby the Referees and Deputy Referees were appointed to our carnivals prior to the commencement of the season. This process allowed for a more thorough planning and preparation process, in conjunction with Club/District based organising committees, prior to each carnival. A big thank you to all of the Referees, and their Deputies, who volunteered and undertook these very important roles.

I would also like to thank all of the Officials who provide so much of their time and expertise to, not only make our carnivals such a success, but also the time and effort they dedicate to carnivals outside our Branch including State & Australian IRB Championships, State & Australian Pool Championships, the NSW State Championships and the Australian Championships. I am

Wayne Druery

firmly of the opinion Sydney Branch is blessed to have such a wonderful pool of talented and committed Officials to draw upon. A special congratulations to all Officials who were selected for senior roles at the various State and Australian Championships with special mention to Ian Goode who was awarded Life Membership of Surf Life Saving Australia. Congratulations Ian.

5. Club Carnivals

The Surf Life Saving Sydney calendar of carnivals was basically a repeat of previous seasons with most carnivals being held on their traditional weekends. As highlighted above a focus was placed on streamlining programs to allow them to be conducted within a 4 to 5 hour time frame. In the 'open carnivals' the programs were also condensed to remove both individual and team events for the u19 age

Director of Surf Sports (continued)

group. These were 2 of the key recommendations to emerge from the preseason forum and both proved to be very popular and successful. Congratulations to North Cronulla, Cronulla, Elouera, Wanda & Coogee for the cooperation and efforts they displayed in hosting our open carnivals.

Many thanks to the JAG based organising committees for presenting such a wonderful calendar of 'nipper carnivals' including the 4 District carnivals. The Wanda Board Bounty continues to be a very successful carnival with the introduction of an innovative program that is capable of attracting competitors from many parts of the State. Finally this season saw the return of the 'Ohana Carnival' after being called off not once, but twice, the previous season. Many thanks and congratulations to the Elouera JAG for their persistence and ability to host such a wonderful carnival.

I must also highlight and thank Sydney Airports Corporation for their continual sponsorship of our junior carnivals and also for becoming the naming rights sponsor on our Surf Sports Officials shirts.

6. Open & Age Branch Championships

The 2014 Branch Championships returned to the Eastern Suburbs with Maroubra SLSC hosting both the Open and Age Championships. I have no other word then 'outstanding' to describe the efforts of Dave Simpson and his crew from Maroubra for the efforts and hard work the Maroubra SLSC put into holding the championships.

The Open Championships were held in reasonable surf and weather conditions on the Saturday. However, it is

acknowledged the level of participation in this carnival appears to be declining – which is a concern. I am firmly of the view that further initiatives need to be explored to boost both participation and the efficiency of team events for this carnival.

The Age Championships, held on the Sunday, were held in challenging surf and weather conditions that resulted in major amendments to the program. A special thanks to all of the Officials, Emergency Services Officers, Age Managers, Coaches, competitors and supporters who braved the poor weather and challenging surf conditions. I also thank Doug Hawkins and the Board of Junior Development for their assistance.

7. Masters Championships

The 2013/14 Season saw the return of the Branch Masters Championships to the program of the Coogee Carnival. The return to the Coogee program was very well received by the masters athletes and it is an initiative I am very keen to refine further for the 2014/15 Season. A key issue of that refinement will be initiatives to attempt to attract further female competitors and also revision of the program to reflect fairer and equitable competition, based on competitor numbers and gender equity.

8. Interstate, State & Australian Championships

This season again saw Sydney Branch competitors and clubs perform extremely well at both the State & Australian Championships. Some of the individual

and team results by competitors were truly outstanding and too numerous to mention in this report. For the purpose of this report the strength and success of surf sports across the whole of the Branch is best emphasised and highlighted through examination of the some of the leading final carnival point scores for each of the following carnivals:

- **NSW State Age Championships:** Wanda 3rd, Elouera 4th, Bronte 6th, North Cronulla 7th, South Maroubra 8th, Coogee 9th and Cronulla just outside the top 10 by 1 point in 11th.
- **NSW Open Championships:** Wanda 3rd, North Cronulla 4th, Elouera 5th, Cronulla 6th, North Bondi 11th and Coogee 12th.
- **NSW Masters Championships:** Coogee 3rd, Bondi 4th, Maroubra 5th, Cronulla 12th and North Bondi 15th.
- **Australian Open Championship:** North Cronulla 9th and Wanda 12th
- **Australian Masters Championships:** Coogee 10th and North Bondi 13th.

Congratulations also to Jess Surinano (North Bondi), Taylor Puskaric (Wanda), Jay Furniss (Wanda), Elly Graf (Elouera), Dane Farrell (Elouera) and Andrew Bowden (Bronte) who were successful in gaining selection in the NSW Team to compete in the Interstate Championships.

9. IRB Roster

A revised IRB Roster was put in place this season with a key focus on the simplification of the process. Key initiatives of the new roster included a 'Duty Boat Roster', the introduction of a 'fee based replacement roster' and the self rostering for all 'nipper based club carnivals'. I am still of the opinion that further small refinements of the roster are still required for the 2014/15 season however my congratulations go to Peter Burst, the IRB crews and the clubs for a very successful and cooperative season.

10. Gear Steward & Trailer

Peter Burst & Frank Ridley need to be congratulated for the thankless task of maintaining the gear trailer and it's contents. Also a many thanks to Sam Axiotis who took over the role of towing the gear trailers to and from our carnivals this season.. I again thank the Caringbah

Bowling Club for their continued display of hospitality in allowing the storage of our trailers and container.

11. Officials Courses

Under the leadership of Graham Bruce, Surf Life Saving Sydney again conducted a series of very successful Level 1 Officials Courses. A key initiative this year was the introduction of the mid week course over 2 nights in lieu of the more traditional Saturday only course. This new format of course delivery was very well received by the participants and it is a format I am very keen to see further explored in coming seasons.

The 2013/14 Season was also very successful for 3 Sydney Branch Officials who gained their Level 2 Officials accreditation. Congratulations to Tony Hughes (North Cronulla), Ken Hudson (South Maroubra) and Col Fitzgerald (Coogee) on attaining this award.

12. Country Athlete Exchange Program

A special thanks to Mike Vitnell who again managed this program, with the assistance of many host families, on behalf of Sydney Branch. Mike's work in this program is outstanding and he rightfully received much praise from Surf NSW for his dedication and effort. This year saw 9 country based athletes and 1 coach enjoy the hospitality of several Sydney based families and also the rare opportunity to compete, and train with metropolitan athletes. Well done Mike and thank you very much.

13. Scrutineering

This season Sydney Branch was very active in the area of scrutineering surf craft with close to 500 pieces of surf craft being scrutineered. To achieve this result scrutineering was made available at all of our carnivals this season with additional scrutineering days also being held at clubs outside of carnivals. Congratulations to Tony Hughes and Richard Gluskie for their dedication and a job well done.

Overall I am extremely proud of what we, as a Branch, achieved in the 2013/14 season. The assistance and cooperation displayed from all of the clubs was outstanding. I truly believe we took a step forward this season in hosting and managing surf sports events that were very much appreciated and supported by our athletes. However, the upcoming season will again present us, as a Branch, with many challenges around athlete retention and the continual improvement required to provide innovative and contemporary surf sports events. These challenges can only be met by an innovative and hard working Board of Surf Sports in conjunction, and with the full support, of the clubs. I again look forward to taking on these challenges.

Finally, I would like to thank my fellow members of BOSS being Greg Pierce, Tracey Green, Ian Goode and Mike Day for their tireless efforts and support. I

would also like to thank the team of Advisors who have been an enormous assistance this season including Greg Allum OAM, Peter Burst, Phil Dutton, Grant Wilkinson, Steve Warren, Graham Bruce, Michael Byrne and Ben Dillon.

I also need to thank the Board Management for their support and in particular the President – John De Cean.. To Victoria Raymond and Linda Perin of the Branch Office what else can I say but a big thankyou for your advice, help and assistance – thank you very much.

Wayne Druery

Director of Surf Sports

Sydney Branch Members Selected to Represent SLSNSW

2014 NSW State Team – Sydney Members

Dane Farrell – Elouera, Elly Graf – Elouera, Jay Furniss – Wanda, Taylar Puskaric – Wanda, Jessica Suriano – Nth Bondi

2013 NSW High Performance Squad – Sydney Members

Jess Lauricella – Wanda, Jay Furniss – Wanda, Mitch Rofe – Cronulla, Lara Moses – Nth Cronulla, Taylar Puskaric – Wanda, Alex Budd – Nth Cronulla, Jessica Suriano – Nth Bondi

2014 NSW IRB Team – Sydney Members

Brad Ellison – Sth Maroubra, Christopher Maloney – Sth Maroubra, Damien Woods, Sth Maroubra, Marshall Lines – Sth Maroubra, Scott Hobday – Sth Maroubra, Danielle Herman – Nth Cronulla, Elissa Hughes – Nth Cronulla, Kate Jansann – Nth Cronulla

2014 NSW IRB Development Team

Jared Kuckler – Nth Cronulla, Joel Ryder – Nth Cronulla, Mitchell Cardy – Nth Cronulla

Board of Surf Sports

During May and June 2013 there were 3 N.S.W I.R.B Premiership rounds. 1 was cancelled due to surf conditions. Sydney Branch had 3 clubs which competed at all 3 rounds. Overall points results showed Nth Cronulla 4th, Sth Maroubra 7th and Coogee 16th out of 23 clubs which competed over the 3 premierships rounds.

Peter Burst

On the 8th & 9th June 2013 the N.S.W. state I.R.B championships were held at Fingal Bay which Sydney Branch had 3 clubs compete, Sth Maroubra, Nth Cronulla & Coogee.

- Sth Maroubra finished with 5 gold's 2 silvers 1 bronze medal
- Nth Cronulla finished with 2 bronze medals
- Coogee finished with 4th & 8th in the finals

Overall point score Sth Maroubra 3rd, Nth Cronulla 9th and Coogee 17th out of 22 clubs which competed. 9 Branch members were selected into the N.S.W STATE I.R.B team 2013 which was the most to represent the state, well done.

In late July 2013 Australian I.R.B. Championships were held in Darwin and once again N.S.W finished 2nd to Queensland in the interstate competition. This year we had only 2 clubs in our Branch Sth Maroubra and Nth Cronulla which competed in Darwin and did our Branch proud.

Sth Maroubra finished 2nd & Nth Cronulla 12th overall in the point score out of 29 clubs which competed.

Final Results:

Male Tube:

Sth Maroubra Marlins 3rd and Sth Maroubra Frogs 6th

Female Tube:

Nth Cronulla 5th

Male Mass:

Sth Maroubra 1st and Nth Cronulla 3rd

Male Teams:

Sth Maroubra 8th

Female Teams:

Nth Cronulla 7th

Male Rescue:

Sth Maroubra Toads 1st and Sth Maroubra Dirty d's 8th

Mix I.R.B Relay:

Sth Maroubra 6th.

Late September we held the 7th buoy laying course at Cronulla which 6 people attended a beautiful sunny day and all enjoyed themselves. I like to thank Daniel Wood & Sam Axiotis for their support on the day.

This season there were 16 carnivals which included districts where IRB water safety was needed. A revised I.R.B Roster was put in place this season to lessen the pressure on clubs.

Also a Duty boat roster & fee based replacement roster & self-rostering for minor carnivals was introduced this season and work out every well.

Once again I like to thank Daniel Wood who was power craft co coordinator at 2 carnivals and Sam Axiotis, Steve Stavrou and Graham Wright-who help at carnivals while I was on holidays in late November to middle of December.

To Joel Eaton and Kane Hughes thanks for your great help all season at carnivals and to all the IRB water safety crews in the branch well done at the carnivals.

Thanks to all the people who support me during the season.

Regards

Peter Burst

IRB Surf Competition Advisor

In May 2013 I started on the maintenance of the branch gear.

Over the next 3 months I replaced wire meshing inside the gear trailer, made some new R&R pegs, new 5

orange and white maker bubbles, lines & orange anchors as well as some painting of some gear. Throughout the season we lost 3 flags and 1 R&R peg, which was quickly replaced before next carnival.

Once again I would like to thank Frank Ridley for his continuous work behind the scenes for many years during the season & of season.

This season the gear trailer went to 12 carnivals within the branch. We had a new gear trailer driver Sam Axiotis who assisted me in towing the gear and beach trailer to all our carnivals in the branch. Thank you Sam.

Many thanks again must go to the Caringbah Bowling Club for their continuous support for many years for providing us space for branch gear trailer, container and beach trailer on their premises.

Peter Burst

Bondi Surf Bathers LSC

It is with great pleasure that I can report that no lives were lost whilst patrols were on duty.

Thanks to our Director of Life Saving, Michael Gencher. Our prime objective is to offer a safe surfing environment with well trained personnel and equipment to perform rescues and resuscitations. Our patrols were remarkable with no lives lost whilst patrols were on duty.

Congratulations to Greg Charles, our Director of Education. Greg and his instructors once again achieved exceptional number awards 366. A fabulous effort. Greg and his section are providing the Club with highly trained competent lifesavers, an essential resource. This was Greg's first year as the Director of Education and has performed magnificently. The Club owes him a sincere thank you for all his effort and his professionalism.

To our Director of Finance, Darren Morrison, thanks. I am able to report that all the accounts are paid, we have money in the bank and we had a trading profit. Darren has placed a number of expenditure procedures which are obvious are working. The Club's arrangement with Ravesis is terminating at 30/6/2014. This commercial arrangement has been a very financially successful venture for The Club but The Club and Ravesis are changing their objectives and have amicably terminated the lease. We would like to thank Ravesis proprietors for their support.

Our Director of Sports, Simon Watkins, had a very busy season with a demanding portfolio of sections to oversee. Simon's enthusiasm has resulted in numerous and very good results at Branch, State and National Titles. It was another exciting Stan McDonald Relay but with a long and flat surf North's proved too good for us this year. Thanks to all the swimmers and to the team organisers Simon Watkins, Grant Baldock and Andrew Hoggett.

The Bondi to Watson Bay Ocean Series was again another success thanks to the race organisers Rob Harvey, Greg Byrnes and Cal Brodie.

The Bondi Blue Water Challenge ocean swim was held for the fifth year. The Swim was a success with a record number of swimmers and profit. Thanks go to Race

Organiser Grant Vekrangers and his team of helpers.

The IRB section is a vital part of the Club and it embraces both lifesaving and competition. Congratulations to IRB Captain Ben Williams and his section for the endless amount of time they contribute to the Club.

Scott Ryan is our Director of Junior Activities. Scott has been working very closely with all sections of the Club ensuring that we have a continuous flow of young Bondi lifesavers. Thanks to Scott and team for your efforts and enthusiasm during the year.

To our Director of Administration, Leo Hyde, thank you. The office hours vary depending on the time of the year. Please refer to The Surfer for office hours. The office is staffed by Vivienne Veckranges, Louise Szantos and Angela Nezval. Thanks to Larry Engahl for volunteering his time in the office. The administration department embraces many aspects of the club and other sections would find it difficult to function effectively without the assistance of our administration team. Thanks to Pat Moore our House Captain. The Clubhouse is looking a picture. An extensive amount of work has occurred by the Re- Building Committee which will incorporate the redeveloping The Council Work Site and The Clubhouse. Thanks to the Re-Building Committee Paul Uri, Rod Harvey, Pat Moore and Andrew Hoggett.

Our Director of Marketing and Sponsorship, Chris Lorang who has organised numerous sponsorships and has been promoting the very popular Captains Club. A special thanks to Sally Betts, the Mayor of Waverley, and her fellow Councillors and Council officers for their continual assistance throughout the year.

Thanks to the Legends Lunch Committee Adam Nezval, Grant Baldock, Wil Hardman, Andrew Hoggett, Simon Watkins. This was the second time the event was held. It was truly a great event and fund raiser. The guests were entertained with some great insights from Trent Robertson the Premiership winning Rooster's Coach and The Waratahs coach Michael Cheker.

Thanks Stephen McKenzie, the Deputy President. Steve's portfolio embraces all sections of the Club and is always busy. Steve was able to offer The Board a very professional and detailed input on many issues. Unfortunately Steve is standing down as he is going to resume post graduate studies. His balanced input will be missed by The Board.

To Tim Read our honorary photographer thanks. Tim attends all major Club events and records our history with his camera.

Thanks to John Blanch our Publicity Officer. John is always promoting the Club in the media.

Congratulations to Donna Godwyn for being awarded the prestigious President's Award.

In conclusion, I would like to thank all the members for giving me the opportunity to serve as your President. It is a great honour and has been thoroughly enjoyable.

Andy Winters
President

Bondi Nippers

Governing from the feedback and supporting messages, I am pleased to say the 2013/14 Nippers season was an enjoyable and successful year. We enjoyed many classic "Bondi" days down at Nippers this year, with the sun beaming, the waves curling through on a warm sea and a gentle breeze trickling through on to our beautiful Bondi Bay. This provided the textbook environment for smiling faces, self-confidence through achieving personal improvement and, for our more determined competitors, the perfect stage for gritty determination for success.

Firstly, congratulations to all the Nippers in our program this year. I saw examples of kids at the beginning of the season who were apprehensive about entering the water, only to gain their confidence with the help of the Age Managers, Coaches, & Water Safety. By the end of the Summer these same Nippers had beaming, smiling faces and were excited at the prospect of running into the surf for more fun. Others were telling me they had improved their placings in club champo's from the previous season. Well done to all, getting in and having a go is what it is all about!

A new initiative this year was the introduction of paid professional board training classes, which proved to be successful and very popular. Evidenced by the vast improvement in skills of those who participated. We will be looking to expand and build on this program next year, so watch this space.

Well done and a big thank you to all of our Age Managers and Age Helpers. You guys are at the coalface every week guiding and mentoring our Nippers around the beach. At times you're a shoulder to cry on, at others you're an educator and mentor, and sometimes a driving force of encouragement, thank you for being all of these. We embarked on an ambitious program this year to try and promote all of our leaders through the Age Managers Course. We achieved the highest success rate of qualifications ever at Bondi, with all of our Age Managers successfully achieving their award - Well done.

The biggest thank you goes out to our dedicated Management Committee. The amount of voluntary work behind the scenes to run a surf club Nippers section of roughly 1000 people (kids and parents combined) is staggering. In highlighting their efforts I would like to list them below. Many thanks for your tireless work, without you our Nippers activities would simply not function. Well done this year,

we all love the work you contribute to our Nippers.

Deputy Director:	Shaun Jenkinson
Secretary:	Helen Jenkinson
Treasurer:	Narelle Moore
Registrar:	Samantha Ryan
Clothing Manager:	Iona Beattie & Kirsten Martensen-Arms
Social Manger:	Fiona Tschaut
Water Safety Manager:	Steve McKenzie
Equipment Setup:	Shaun Jenkinson & Michael Douglas

To our Sponsors; without your generous support we would not be able to purchase the equipment we need to run our activities, and put on our Presentation Day at the end of the season. Our warm thank you goes to: Barloworld, The Sydney Roosters, Porebski Architects, Richardson & Wrench Eastern Suburbs, Wolfen Membranes Australia, Finz, The Bucket List, Harris Farm Markets, Mutch & Moore, Sejuiced and Twisted Frozen Yoghurts.

The weekly fundraisers keeping us afloat are the BBQ and clothing sales. Thank you to our BBQ Managers Patrick Gallagher & Michael Brooke with the help of Narelle for guidance and supervision, and to the Clothing Managers Iona & Kirsten, together with the great parent volunteers from all our age groups. With the use of many hands on a rotating week-to-week shift, we manage to make light work of it all. We appreciate your help and hope you can assist us again next year. Many thanks also goes out to our Club Photographer Tim Read, we appreciate all the great work he does each year taking photos of our Age Groups.

To our team on the beach; Setup and Packup supervisors; Shaun Jenkinson and Michael Douglas, our IRB Driver; Michael Wong, Water Safety Manager; Steve McKenzie and his team of volunteers, and our Skills Coaches listed below, we all give you our heartfelt thanks. You are an essential part of our team making the Sunday mornings work seamlessly. Coaches: Fiona Tschaut, Simon Watkins, Chris Lorang, Nick Nezval, Dori Miller, Pat Moore, Andrew Hill, Calvin Brodie, Rob Harvey, Cam Mercer.

And finally, I come to our outgoing U14 Age Managers, Patrick & Carmel Vanderham. Thank you for your 9 years of guidance and management of your age group. You have watched your group grow from U6's through to U14's, educating them along the way to become our young Life Savers of the future. With the special mention of Michael Morgan as co-instructor for the SRC class. Well done, and we hope you can stay around for a few more years to pass on your wealth of knowledge to those coming through in your footsteps. Graduating with them are our Captains Daniel Hamilton & Brigitte Vanderham, and Vice Captains Thomas James & Lili Morgan. You are at the beginning of your lifesaving careers and we look forward to watching you develop through the Surf club, all the best of luck.

Scott Ryan

Director of Juniors

Bronte SLSC

As we farewell our special 110th year, it is with pleasure that we can report that no lives were lost on Bronte Beach this season.

We continued to encounter tricky conditions and the popularity of our beach means many beach goers to be supervised. This season we had 136 rescues, 152 first aids and nearly 2000 preventative actions. On behalf of the Board of Management, we salute our incredible volunteers who do us proud year after year. I would also like to acknowledge the work and dedication of the Waverley Lifeguards for their guidance and assistance.

The Club as you will see from this Annual Report is in good financial shape. Another record year for memberships. Another 10% growth upon last year's record year and we now have over 1,850 members in our Club. Membership has grown 50% in the last four years.

We were fortunate this year to celebrate our 110th year. It was an opportunity to look back on our past as the oldest surf club in the world and to acknowledge great memories (past and present) and remind ourselves of the wonderful values of Surf Life Saving. As was said on a number of occasions, Surf Live Saving is the spirit of the ANZACs. Taking care of others and looking after ones 'mates'.

It was an opportunity to reflect on our history. The fact that we are in our third clubhouse (1910, 1931 and 1974) and that we once had a tramline to Bronte beach that operated between 1910 and 1960. Not many realised we were named after a town in Sicily. (I kid you not!)

The 110 year celebrations for the Club had many highlights. A very memorable Life Members lunch. A wonderful decade book and the ultimate evening, our 110 year black tie dinner which is featured in the Annual Report. Without a doubt, one of the great nights in the Club's history.

Congratulations to Jason King, our Patroller of the Year and Michael Murphy, our Patrol Captain of the Year. Water safety continues to be very important for us on a Sunday and thanks to Mike Weale for overseeing

the program. Mike is stepping down and we greatly appreciate all you have done. Congratulations to Mike Weale, Sam Stone, Lizanne Wilmott, Nicolette Birkhold, Jason King, Anne de Groot, Dave Fleeting, Tim Ryan and Emma Finnerty who all recorded over 100 patrol hours. An incredible nine patrollers with over 100 hours!

From an education point of view, we had 65 new Bronze, 13 Silver, 1 Gold Medallion (Andrew Uarte) and 37 SRC graduates in addition to 5 new Assessors. A special mention to Tim Ryan for his incredible job in getting our SRC's through the course. Tim has built a great camaraderie between this group and it was fitting that he was awarded the Frank Norton Clubman of the Year. We acknowledge Sam Stone as our Training Officer of the year.

Another outstanding year from our whole Nipper movement. They continue to be the lifeblood of our Surf Club and with Dave Finnimore and Amy Somes overseeing the entire team they have done an incredible job. Competitively the Bronte Nipper team finished 6th at the State Championships, which is an outstanding achievement. What a sight this year on the beach each Sunday seeing all the yellow hats. This was part of a new initiative to have parents more involved. Take a bow team!

Our IRB team continues to swell and they have certainly come a long way over the last five years. This year we added 4 new drivers and 15 crew. I would like to acknowledge the great service of Andrew Ferguson who stepped down as captain. We are in the very capable hands of Jochen Valdeck as the new skipper. Congratulations to Paolo Cattaneo, this year's IRB person of the year.

As a Board of Management we continue to implement changes and procedures that enable our club to operate more efficiently. This year we updated our Governance policy and re introduced Member Club Badges.

The most important initiative has been the feasibility into a master plan for our building. We constituted a Planning committee comprising of Dave Fleeting, Phil Leamon, Rob Welborn, Dave Finnimore, Alastair and Jenny Baxter, Ben Larsson, Sandra Robinson, Peter Butcher, Roley Tyrrell, Kimberly Johns and myself. Thank you to that entire team for their hard work (it has only just started!) At the time of writing of this report, we have had preliminary meetings with Council which have been positive. I will be in a position to brief our members at our actual AGM.

We also undertook a review of our constitution. The purpose was to streamline our constitution in line with our affiliated bodies being Surf Lifesaving Australia and Surf Lifesaving NSW. At the time of writing of my report, the process was well and truly underway and I would like to thank all the various members for their input.

Thank you to our wonderful sponsors. Macquarie Bank are now our major sponsor with their involvement with not only the Bondi to Bronte but other aspects of our Club. We appreciate the continued great support of MPA (great to see Ben has now moved into the Bronte

Bronte SLSC (continued)

area) and Banana Boat. Thank you to the support also of Deb Herrigen, Mary Howell, Klein & Co, Cartwright Insurance and East Side Crew. We also appreciate the support of our many suppliers and people who donate money and services to our Club.

The Macquarie Bondi to Bronte ocean swim was one of the most successful of all time with 1,855 swimmers. In fact, it was the most participated 2km swim anywhere on the east coast of Australia. The Banana Boat Junior Ocean Swim is growing in momentum and this year we introduced the Bronte Bay Swim which attracted 140 swimmers. We had a total of over 2,000 swimmers across all categories. Stephen Ford and Kate Hughes did a wonderful job as did Kimberly Johns who managed the Club's involvement. It is an important day for the Club and on behalf of the Board of Management, I would like to thank everyone who participated in any way.

Our senior competitors had a wonderful season highlighted by a national gold medal for the team of Stephen Ford, Andrew Bowden, Wally Eggleton and Josh Higgins who won gold in the Open Male Rescue Tube. This is the club's first Open ocean medal since 1956. They also won gold in the Open Male Rescue at State, our first Open swimming medal in many years.

In the Masters, Harries won 3 National Gold Medals in Open and Masters Long Board Malibu and Masters Surf Board. An incredible performance, Harries now has won TBA gold medals at Aussies. Stephen Ford won silver in the Male Ironman (30-34 age group) and was bettered by mum Trish with 2 silvers on the sand!! At State, Teddy Clifford won 2 gold medals and Stephen Ford reached each final he participated in.

Thank you also for contributions from Robyn Higgins as Team Manager, the tireless work of Trish Ford, Lynne Burke and Pam Woodger.

The Boaties this year had a good year and you will read their details in their report. Will and Tom Jeffries have done an outstanding job and we now can boast four boat crews. It has to be said that when you have a field of 50 boats in the A Crew, making the final the last

two years has been superb. It has been 60 years since Bronte has won gold and the boys are getting closer. Tom and Will Jeffries have done a tremendous job this year consolidating the growth of the Boaties in our Club.

Our combined volunteer's day and awards day was another great success. The Awards are set out in the Annual Report and this year featured a number of new categories including the Rescue of the Year.

Our Social calendar didn't disappoint. In Holly's spare time, somehow she organised another great Derby Day. It is becoming the hottest ticket in the Eastern suburbs. We also had our regular events like Reunion Day and ANZAC Day (which despite the rain witnessed an amazing turnout).

Sunday Joggers continues to be popular and thank you to Judy and Martin Green for their organisation. Stan Vesper has had a challenging year with his heath but continues to give endless hours to our Club and SLSC as our historian. Another big thank you to Geoff Graham and Jimmy Stewart for their help in the Club's gymnasium.

A special acknowledgement to Coleen O'Neill, Nicolette Birkhold and Holly Ries for all their hard work compiling this year's Annual Report. What a fantastic job they have done.

To my wife Cath and my three daughters Hannah, Sarah and Sophie I would like to thank them for their understanding of my passion for this Club. It makes me equally proud that they are all involved in such an active way.

It has been a memorable season. One for the ages!

Basil Scaffidi
President

Bronte Nippers

Another wonderful season has come to a close for Bronte Nippers, with well over 800 kids registered, the beach was always a sea of colour every Sunday morning, and once again, we had to close registrations due to the number of young kids joining the Club in the Under 6 and 7 groups especially as Nippers continues to attract massive support as an alternate summer activity.

It was a season of contrasts, with swell, rain and wind seemingly on tap for the first half of the year, followed by light winds, mild swell and glorious sunshine for the second half. The clear exceptions being once again at the State Champs at Umina, which had 2 months of rainfall on the first day of competition and Branch Champs at Maroubra this year which also tested the resolve of both the kids and parents, with pouring rain and large swell really testing everyone. Unfortunately this years Waverly Shield was cancelled due to storms, robbing the kids of a great local Carnival, and one Bronte love winning...hopefully next year!

Our Under 14's had a fantastic season under the care and guidance of the one and only Tim Ryan. Tim's passion for training the kids, his energy and enthusiasm, saw all 36 Kids fly through their SRC and we sure look forward to seeing them back down on the beach each Sunday next Summer showing our young kids how to paddle and swim, assisting Age Managers with their Surf Education, as well as assisting us all in the water with Water Safety

Our Club Captains this year have really stepped up. All of us at the ANZAC Day service will long remember the passionate words of Tom Hodgson and Skye Cullen. They have been ably assisted by the Vice Captains Lachie Bell and Georgina Ryan. We look forward to these guys being the leaders of our Cadet program as we build it out.

We welcome Mackenzie Gavin and Francesca Roberts as our new Nipper Captains for 2014-15, and their Vice Captains Stuart Swinburn and Lucie Ashbridge.

We welcomed Gaby Naher to the Nipper Committee to oversee our Surf Education, with the highlight seeing our Under 12 and 13 kids all getting their Resuscitation Certificate. It was great seeing all the kids getting so involved in this most important skill, and we will be doing it all again next summer.

For our Nipper Parents, this season saw us run our Induction Nights, the prize being the mighty Yellow Hat! On the first night we had 280 parents turn up, followed by another 90 the following week. You guys are the future of the Club, we really need you guys to put your hand up and offer to help run Nippers, man the BBQ, set-up the beach and be Age Managers. It was great up at State seeing the Yellow Hat everywhere we looked.

At the end of the Season I announced our Bennett Board Buyback, and we had an order of 39 boards in the first week. Nothing will get your child's skill and confidence like their own board. I cannot wait to see the improvement in these kids over the coming season. This buyback also allows the kids to have new boards, and allows the club to restock their boards over the next few years, especially with the large number of kids coming through.

Another initiative was blending the boys and girls groups together in the U12,13 and 14's this season, and after the initial awkward giggles, the kids all had much more fun mixing it up together. We think this will assist in the retention of our Nippers through to the senior Club. To all our fantastic Age Managers, and their Assistants, our sincere thanks go to you all for the time, emotion and effort you have all put in once again, we are truly lucky to have such support.

We had a magic day for the Banana Boat Junior Ocean Swim, and it was great to see some of the kids get in and tackle the 400m and 800m Swims, it is a great event for all the kids to train for. We also had some of our kids do the Macquarie Bondi to Bronte Swim as well, well done on a great swim. Next year we are going to enter our crack Under 14s into a swim Team and see if they can show the oldies how it's done!

Special thanks go to our trainers in Nippers. Tommy Walker had our older competition kids in fine form as usual, helped by a great team of parents all season. These kids all love their training and the results have been great once again. Monday's sessions with Karen Swinburn also got great numbers, and contributed to some great medals at the State Champs, and big thanks to Jo Mermaid for helping out our newbie's on their boards as well. Additional thanks to our Sand team of Nathan McKay and Francee Ryan, ably assisted by Marc Braun who has taken over the All Age Relay team and were unlucky not to medal at State this year. Finally, we are blessed to have the one and only Col McDermid running our Wade training, which once again resulted in the mighty Under 8 Girls winning the State title!

To all our kids who love surfing, hopefully to see you out there over Winter and thanks to Mozz for running our Surfing comps early Sunday mornings for the kids.

The continued improvement in the skills of our Nippers continues to amaze us all. This doesn't happen overnight, or without a lot of help and training. Our surf swimming results are awesome, helped by the strong swimming squad culture in the Club. There is no doubt if your Nipper is doing 3+ swim sessions a week, they will be in with a chance of medals at many Carnivals this coming season. Late in the season we trialed some extra paddling sessions for the younger kids, and we will look to do the same through the whole season next summer.

Highlights in competition were once again coming 6th Outright as a Club at the NSW Champs. We took a team of 108 Nippers to State, and after a slow start the Bronte kids came home flying on the Final day with plenty of Gold, Silver and Bronze Medals, including the great win in the last event for the U8 Girls in the Wade Relay.

I have to mention the amazing success of Tiger Walker at the NSW Champs, winning the Under 11 Girls Swim and Iron woman, an unlucky 3rd in the Board, and then anchoring home the U11 Girls Swim Team to another Gold Medal! Tiger has been unbeaten all year in any Swim, Board or Iron woman event until the State Board Final!. A great paddle by Saskia Roberts in the U9 Girls also saw another Individual Gold Medal and State Title for Bronte.

The selection of Macka Gavin, Summer Walker and Jamie Gavin in the Sydney Branch Team, and Zoe Welborn as the team reserve, was a wonderful achievement for all the kids, and a reward for all their hard training with Tommy, and the many laps they all do in the pool.

Many a good Bronte Nipper has gone onto to be a professional Lifeguard, and my sincere thanks go to Hopppo, Azza, Kerrbox and all the guys for their continued support on Sundays. We really have a tough beach to work with some days, but the guys here are always so proactive in helping us make the most of it. Hope you guys are enjoying a slightly less intense Sunday mornings now... Likewise to Mike Weale and all the Water Safety team who give the kids such great service and encouragement.

To all the kids, we hope you have enjoyed Nippers as much as we have, and we look forward to seeing some of you in the ocean over Winter, and we cant wait to see you all back on the beach next season.

GO BRONTE !!

David Finnimore
Youth Director

Burning Palms SLSC

Season 2013-2014 has been yet another successful season for Burning Palms Surf Life Saving Club. This year was the 75th Anniversary of this little club and the club has achieved many things both on and off the beach.

Australian Gold Medalist March Past Team

To start with I would like to thank all our sponsors for their continued support as your contributions help to keep this club running. To the St George Masonic Club, we would like to thank you for your sponsorship, the use of your facilities for our monthly committee meetings and the function room for our annual general meeting each July. To the Thomas Hotels and The Mortdale Hotel, you have continued your support of the Rooster's River Run and provided the club with a venue for our Thursday Night Raffles, thank you. To the major sponsors of Surf Life Saving, DHL, Sydney Airport Corporation and Streets thank you for your contributions to all Clubs.

To all our active members who volunteer their time to patrol at Burning Palms, thank you and well done. We can proudly say that no lives were lost on our beach again this season. We have also been fortunate enough to see members of other Surf Life Saving Clubs volunteer their time to come

down to Burning Palms and help out. We hope you all enjoyed your time at 'The Palms' and we would like to see you back next season if you are interested. Members of Burning Palms travel from all around to patrol here and the extra effort of walking 2.5km with all your belongings means it takes that extra bit of effort and dedication. We hope to see all our current active members back next season and welcome any new members.

Nippers at Burning Palms has come so far over the past few seasons with numbers continuing to grow each year. We must thank Garie SLSC as they have contributed to this growth through allowing us to use their beach. Having a beach that is accessible by car makes it a lot easier for the parents to get their children to Nippers. We look forward to our current nippers gaining their surf rescue certificate and eventually their bronze medallion in the future.

Congratulations must go to all our competitive members. This year we had a female boat crew and a march past team representing the brown and green on the beach. The female boat crew under sweep Cliff Gerathy performed well at Ocean Thunder and they won gold at Branch. The March Past team won gold this year at the Australian Surf Life Saving Championships in Perth. Congratulations to Dave Falkiner and all the ladies and gentlemen of the team. This is Burning Palms second March Past gold at Perth in recent years. All members of the club are proud of the efforts all our competitors put into representing the club.

As I mentioned earlier in this report, each Thursday night at the Mortdale Hotel Burning Palms are fortunate enough to be able to run meat raffles. The funds raised on this night are a great income for the club and we are fortunate enough to have people who continually support these raffles. A thank you must go out to Dick Sheldon, Russell Dennis and Jack Ryan for giving up their time to run these raffles. The patrons of Mortdale Hotel who buy these raffles tickets each week, thank you also.

The committee of Burning Palms is made up of active, associate and life members of the club. These members volunteer one Monday a month to our committee meetings and many hours in between to make sure this club continues to run both on and off the beach. I would like to thank all of you for your continued support to this great club.

To celebrate Burning Palms turning 75 we had a harbour cruise on the Sydney Glass Island Boat in May. The weather was perfect for this event and it was an enjoyable night. Over 180 guests attended the boat cruise which started at King Street Wharf. It was a great opportunity for new members to meet past members who cannot get down the hill anymore and for members friends to meet people from The Palms. We were also fortunate enough to have members of Era, Garie, South Maroubra and Coogee attend the night, we hope you all enjoyed yourselves and thank you for coming. There was a silent auction held to support the event online that achieved fantastic results, congratulations to those who purchased items and thank you to Annabel Braithwaite-Young for organising this. Complete Fire Door Specialists, Turning Leaf Marketing and Stephen Strange were all sponsors of the 75th Anniversary and Burning Palms would like to thank these sponsors. A big congratulations and well done must go to the sub-committee who organised this event, Janine Emery, Julie Hodges and Wayne Vaughan. The time and effort you put into organising the boat, the table decorations, memorabilia and getting the guest list to over 180 was great.

As you can see the 75th year of Burning Palms has been a successful one. To all members thank you for being a part of it and I look forward to seeing you again next year.

All the best for the off season.

Chris Emery

President

Clovelly SLSC

I can proudly say it has been another good year at Clovelly SLSC and one for which we can happily say 'no lives lost'.

I must thank everyone in the management committee for all the work and help they have given me in this my first year as President. Craig Wheatley has again done a magnificent job as Treasurer leaving the clubs finances in a healthy surplus.

A massive thanks must go to our Irish Club Captain, Gerry McGillion, and his lifesaving committee consisting of his vice club captains and patrol captains. Thanks to all active patrol members for their tireless service to keep Clovelly and Gordon's Bay safe for the General Public including performing numerous first aids and rescues through the season.

Tania Rouse is regrettably stepping aside as Secretary this year after 4 years in the position. She has devoted considerable hours to the club in this role with the administration of the club in a healthy state.

Geoff James has continued his expertise in collating information and photographs in the 'Off The Square' monthly newsletter as well as providing invaluable support in his role as vice president.

The education team has been led this season by chief training officer Jessica Wheatley in her first year in the role. Thank you all for your selfless dedication to training all new SRC and bronze members as well as organizing all the clubs proficiencies. Many members have obtained advanced awards throughout the year including advanced resuscitation; apply first aid, IRB crew and IRB driver's awards.

Russell Byrne has stepped up into the role of vice president this season as well as continuing his tireless organization of all our social functions, in particular the Sportsman's Lunch, our main fundraising event.

Eric Graham was our competition director this season and again the club was well represented at local carnivals, branch, state and Aussies. Eric has also been trying to promote competition evenings for the junior members of the club encouraging them to get involved in the competitive side of surf life saving.

Congratulations to Wendy Pepper on winning a gold medal at the Aussie titles in Perth showing all her skills in the masters' flags event. Well done to all the members who competed in the master's events at the State and Aussie Titles as well as all members who participated in the regular club events such as the Tom Caddy swim and Dave Murray relay. The March Past team has once again graced the sands and hopefully we will see them continue next season. It would be good to see Clovelly represented in the Open Carnivals next season as we do have a lot of talent in the Club.

Once again Clovelly SLSC was well represented at the Surf Life Saving Sydney 2014 awards of excellence with the following nominations:

- Gerry McGillion
Life Saver of the Year
- Christopher Thompson
Volunteer of the Year
- Jessica Wheatley
Under 21 Life Saver of the Year
- Madeleine Wheatley
Under 19 Life Saver of the Year
- Richard Basckin
Under 17 Life Saver of the Year
- Tania Rouse
Assessor of the Year
- John McNamee
Training Officer of the Year
- Jenny McNamee
Training Officer of the Year
- Mikaela Dunn
Rookie Training Officer of the Year

Tania Rouse has excelled in gaining the Sydney Branch 'Assessor of the Year' award with Jessica Wheatley being awarded a 'High Commendation' in the

'Under 21 Lifesaver of the Year' category. Congratulations on those award winners and to all those who were nominated.

The Clovelly Nippers, ably led by Lee Killigrew, are getting stronger with their numbers remaining high as evidenced by 27 Surf Rescue Certificate awards being gained this season. The nipper education remains a focal point with 324 surf education awards achieved which is an increase from last year. The Nippers have also been well represented at carnivals including large numbers at the Randwick shield, Sydney branch and state carnivals. Hopefully this trend will continue once the Nippers complete their senior awards in the future and are able to compete in the open carnivals for the Club. Special thanks to Michael Walker, Dave Hession and John Stewart for running board paddling coaching sessions and to Sunia Collins for running beach events training.

Ken Ryan's Saturday morning swimming Club continues to gain momentum with a healthy following.

The Clovelly Eskimos continues to remain well supported and will celebrate their 60th Anniversary this season with an Anniversary Dinner at the A.J.C. Randwick.

Billy and Barry Phillips continue their tireless efforts in the car park collecting

Clovelly SLSC (continued)

Clovelly Nippers

donations every weekend and public holidays during the season. This is greatly appreciated by the club, with all the money collected used towards purchasing life saving equipment along with developing our junior members.

Clovelly Surf Club was well represented at the opening of The National Fallen Life Savers Memorial at Coogee on April 28th 2014. This memorial commemorates the life savers who lost their lives in conflict overseas.

Jenny Eliades and her team at Top Cat Catering have completed their lease of the Tom Caddy room and I thank her for all the past years of service to the Club. I am looking forwards the new caterers Mopstar Catering commencing their lease with a refurbishment of the Tom Caddy room currently taking place.

Thanks to Randwick City Council for their continued financial support and assistance. To all our sponsors thank you for all your support during the year.

Finally I would like to thank Margaret Murray, our Club Administration Officer for all the work she does and for the help she has given me this season.

There are too many people to name individually so thank you for all the work and assistance you have given to the Club and myself throughout the year.

Unfortunately we have lost members during the season and our deepest sympathy goes to their families, they included Ray Haverstein, Dave Boon and Lenny Bennett who have all sadly passed away with Lenny being a 60 year member of the Club.

Paul (Boof) Smith

President

A wonderful Nippers season starting with large registration numbers, capping off at 375.

The weather was very good to us from the start and we managed to complete our Education quickly and efficiently with the guidance of Jon Dyster and overseen by Jess Wheately.

Randwick Shield in November at Maroubra was a very average weather day with big rains coming yet Clovelly Nippers broke records with the numbers we took, over 140 of our Nippers really dug in and gave it their all in a very sporting way that was commented on to me from other clubs And the fact our tents looked the best.

Development camp for the U13s in Dec was a big hit, with Steve Yeates coming back with a glowing report. Our 13s even won the rescues test one evening, great weekend.

Santa made everyone happy in Dec and the Nippers loved it especially the 400 lollies we sorted out prior.

The Cloey/ Tama Challenge was a really good day.

Tama had a great time and Guy their President was very grateful for our hospitality and they loved John's Snags.

The Ironman was a day event this season and proved a big hit, we set up the tent on the beach to act as an Olympics type scenario, with the top 3 receiving their trophies on the day and receiving a big cheer...

Branch Carnival at Maroubra in Feb was again a really bad day for the weather yet once again our Nippers stood up well. We took over 100 again a record for Clovelly, one of the highlights of the day for me was seeing one of our U9s chip her tooth as she dived for the flag and her friend run 30m to check she was ok.. Great Clovelly spirit.

State Championships at Umina saw Clovelly take 12 competitors again a new record, reports from Sticks and Heshho were that the kids had the best weekend and were oblivious to the rain and storm...

Our presentation day was a big hit with everyone 3pm - 7pm, bar and food was for sale. I think the parents had as much fun as the Nippers, it all ran very smoothly and we were actually ahead of time with the presentations. The kids loved their Hoodies.

In summary the season has been a huge success, the wonderful feedback I received made it all worthwhile.

I think next year will be even better as we have some great ideas to implement.

We are very lucky at Clovelly to have such a fantastic team of people running our Nippers.

Bring on next season.

Lee Killigrew

Nippers President

Coogee SLSC

Lifesaving

108 years patrolling the beach and no lives lost, this is what the club is all about and I am very proud to be able to say it again this season. This doesn't happen without a great lifesaving and education team and I believe we have the best. Congratulations to Dave Winkle, Club Captain and the Lifesaving Team and Craig Howie Chief Instructor and the Education Team for the high benchmark they set not just for Coogee but for the whole Branch.

- 1777 Preventative Actions
- 215 First Aid
- 113 Rescues
- 67 SRC Gained
- 100 Bronze Medallion

Competition

Coogee has had another outstanding year in competition this season placing 10th overall at State Titles and 15th overall at the Aussies. Warwick continues to build a strong competitive team with youth at its core and with coaches such as Mick Cantarella, Mark Harrison, Andy Bargenda, Matt and Paul Leary, Brett Skinner and Jess and Chris Gately, we couldn't be in better shape for next season.

I would also like to mention our Masters and Lifesaving area which continues to gain strength every year. Congratulations to Warwick and to all that have helped out this season.

Sponsors and Fundraising

Once again the main fundraising event held was the Coogee Island Challenge ocean swim, the first swim went off without a hitch but the second was cancelled due to big seas and bad weather. Congrats go out to Lisa Bolton and the organising team for a great event.

The other major fundraising event is the Stephen Gilles run Sportsman's lunch, another great day was had by all. Thanks go out to Steve Gilles, Simon Figures, Kylie Mison and Karen Beale for their help on the day.

As we have seen this year it is getting harder and harder to gain new sponsors for the club, we are very lucky to have the generous sponsors we have. From all members thank you to our sponsors,

without all of you we would cease to be the great club we are.

Coogee Carnival

The annual Coogee Carnival was run in conjunction with the Branch Masters Carnival this year. I would like to thank Pete Kennedy and Ben Barry for organising the day as well as Pete Carney for his continued contribution to this event.

Minnows

The Coogee Minnows led by Sean Emery have had an outstanding year on the beach, both on the beach Sunday's and throughout the year competing at carnivals, culminating with a top 10 finish at the Junior State Titles - the best result that I can remember.

To Sean and his team, congratulations and keep up the great work.

Blueys

With 64 new SRC Candidates moving up from Minnows, Doug and the Blueys committee had their hands full at the start of the season mentoring them and getting them adjusted to the senior club.

Doug Hawkins and our Junior Captain Cameron Callaghan have given our junior members great opportunities this year such as the chance to help and co-ordinate the start-up of minnows at Wet'n'Wild in Sydney's western suburbs, this has been a great success congratulations to all involved. To Doug and the Blueys committee, thanks for another big season.

Thanks

I would like to finish by thanking the Lifesaving and Management committee members for a job well done this year.

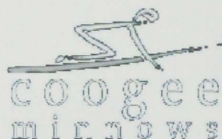

Thanks to Dave Park and Tony Waller the club Governors, Rob Yeldon for his sponsorship duties and of course Karen and Trace in the office.

To the Exec Pat Garcia, Rob Gibellini, Dave Winkle and Mark Doepel, I would like to personally thank you guys for the outstanding year you have given the club, it takes a lot of time to do what each of you do.

Matt Scanlon
President

Coogee Minnows

I will start by congratulating everyone involved with Coogee Minnows for a fabulous season. We set out some ambitious goals for the start of the season. In all departments those goals have been exceeded.

- No lives lost – in total there were 4 events that required referral through the beach patrol to ambulance and tertiary care. Three events were suspected spinal injuries without consequence after review at POWCH. A final event was a dislocated shoulder. **Acknowledge Andrew Tooher and Water Safety crew, thanks to all regular patrols and council Lifeguards.**
- We completed training of 65 SRC graduates. This year we introduced a program for the U14s to assist with their transition into Blueys and Senior Club as active members. This innovative program is being assessed on an ongoing basis. **Acknowledge Mark Andreatta and Geoff Leong for the educational support to Minnows, Geoff Nixon and Doug Hawkins for the transition program. Geoff Nixon due additional acclaim as the outgoing Age Manager for the U14s after a 9 year journey.**
- We completed training of 22 Bronze Medallion candidates through Dads Army XIV. Moving to a single cohort for the season has been well received. **Acknowledge Paul Haes, Wolfgang Freiheit and Cameron McAlpine for instructing.**
- A further 9 Minnow parents received Junior Official accreditation and now support the club at surf carnivals. **Alan Millar acknowledged for his leadership and support.**
- We successfully managed registration at Minnows this season to achieve around 1000 registered nippers. This achievement made with a change to an on-line registration system. We achieved a net increase in external sponsorship but managed through fee restructuring to reduce our reliance on this category of income for general operations (from approximately 60% to 47%). **Acknowledge Minnows Executive, Ian Davison/Kath Fagan have run a very efficient and transparent set of accounts and Henry Tajer has led our external relationships. Rod Wallace outstanding with registration systems and processes.**
- We introduced some structural changes at the beginning of our season to assist Age Groups with coordination of surf sports and carnivals. Steve Callaghan to be congratulated for coordinating these changes over the season as well as his oversight with the Age Group Competition Coordinators of our coaching activities on both sand and water. Our aim was to increase participation in surf sports and to coordinate training as far as possible with senior club resources and personnel. Sprint/flag training among Minnows on Tuesdays and Thursdays has been well attended by a large group through the season. **Michael Parsons and Warwick Everingham are thanked for their significant contributions.** Board training led on Tuesdays and Thursdays. **Dave Habler with Nino D'Agostino acknowledged.** We introduced an occasional surf swim training session with Matt Fernandez that we will develop further during season 2015. A small group of Minnows undertook regular training through the season in 2 and 5 person R&R. **Chris Gately thanked for his support.**
- Carnival participation increased across the season compared with last year. Coogee SLSC had over 200 participants at the Randwick Shield and South Maroubra carnival that were used to guide team selection for Branch and State Carnivals. A small number of U14 Minnows participated successfully at the Coogee Carnival. Coogee SLSC dominated the Branch Carnival particularly in sand events with an emerging pool of talent in water events. At State we returned with 10 medals and a large number of kids who reached finals among the team of just under 120 athletes. Coogee ended the carnival in 9th position. This is an outstanding achievement. **The work and dedication of Steve Callaghan, the Age Group Coordinators and coaches is acknowledged.**
- Coogee supported and often exceeded our obligations for support of IRBs, IRB crew, Water Safety and Officials at carnivals during the season.

- We held a number of successful social events during the season, a kids party just before Xmas and a parents cocktail evening on Valentine's Day. These were very well attended functions. We negotiated with Randwick City Council to display Minnows Banners on Arden St. **Heidi Roche to be thanked for managing this substantial additional workload so well.**

- We registered a further 227 adults as General club members.

Can I also take a moment to reflect on our outstanding children. On two occasions this year we asked them to stand-to to mark the passing of one of their peers (Gus Larkin) and a club Governor (Joe Seddon). All of our kids observed a minutes silence perfectly, it was both moving and respectful.

This concluded with a magnificent contribution from Minnows during the opening ceremony for the Fallen Lifesaver Memorial despite the inclement conditions. Throughout the season I have seen Minnows develop new talents and skills, form new friendships, overcome fears and mature. You are an outstanding group of young people.

As a personal reflection can I thank the leadership of the club and my colleagues on the Minnows Executive for making my role easier. Special thanks in this regard are due to Steve O'Donnell and Tass Karozis who as trusted VCs were always there when needed. Of note, this year will see Tass step down from an official role with Minnows – he will be missed. Can I also acknowledge the contributions of the Minnows Committee at large. I am delighted that the majority of people have indicated they will stay on for at least one more season. You are an extraordinary group of people who should feel very proud. Your contributions make a difference.

On behalf of the Minnows Committee and the junior division can I thank the club for its support during this season – our 50th year.

Sean Emery
Minnows Captain

Cronulla SLSC

I start this report by recognising Cronulla Club Member, Michael Banister who, in October was awarded a Surf Life Saving Australia Meritorious Award for courageous action in a rescue. Michael, single handed and outside patrol hours, rescued six swimmers who were at serious risk of drowning. A great lifesaver.

Frank Doran was elevated to Life Member of Cronulla Surf Life Saving Club at our 2013 AGM. Frank is widely known in our community and to many in Surf Life Saving as a great contributor and a fine person. SLSA Hall of Fame Member and Cronulla Life Member, John Holt was honoured with an OAM on Australia Day. Dick Bignold was awarded the SLSA President's Medal for services to surf sports and at the same time, Cronulla and Sydney Branch Life Member Ian Goode was recognised for a life time commitment in all areas of surf life saving with his elevation to Life Membership of SLSA. Our congratulations and respect is directed to these members.

The start of the season saw the completion of the Esplanade rejuvenation at Cronulla Beach. The significance of this to our Club is the excellent access, gathering and observation area now provided in front of the Clubhouse plus the improvement in local facilities.

Two Cronulla Members, Cameron and Lauren Pyett continued the great work of last season in running the program for children with special needs, mainly children with cerebral palsy. They did this with the support of a some fantastic

parents and a group of very enthusiastic young Members - Cronulla's Black Caps.

Our patrols operated well this year. It was a relatively quiet year along the coast with gentle ocean and weather conditions so the patrols were not as busy as last season. Still, you need to be there and do the job and we had good numbers on every patrol and good equipment thanks to our Club sponsors. Our Members were very successful in maintaining a good lifesaving record and providing first-aid and other support to the public on our beach. We were very happy with our lifesaving education program, especially achieving high numbers of IRB Crewperson and IRB Driver awards plus Silver Medallion Basic Beach Management awards.

Competition wise we had a quieter year than expected due to a high turnover of senior competitors. However, our younger Club Members in the U15, U17 and U19 age groups, led by a great team of coaches and some Open athletes, showed the traditional spirit and there were still some memorable performances at the State and Australian Championships.

Cronulla's major fundraiser, the annual Shark Island Swim was heralded by some gloomy weather and a windy sea only to see the clouds clear and wind swing offshore an hour before the event. It was a great day with a lot of very happy swimmers. You should all try it.

I congratulate Cronulla Club Member, Wayne Druery for being awarded the Branch Surf Sports Official of the Year award and then having his season crowned by being named Branch Member of the Year. This is a great honor and fitting recognition for a hard working Clubman and Branch office holder.

We look forward to next season but will enjoy the rest. See you all on the beach.

Rob Short

President

Cronulla Crays

Another season over, the 2013/14 season saw 580 nippers enjoying their Sunday mornings at one of the best place's in the world, Cronulla Beach.

This season we had, sun, wind, rain and challenging surf and I am only too happy to report that all the kids made it through with no major injuries.

I would like to recognise and thank all the age managers and their assistants particularly the "new" age managers that started in the 6's. We had Chiara, Cherish and Natasha all come back from their nipper days and take the role as age managers for the 6 girls and they did a fantastic job. Also for the boys, Bluey and Kristie, these boys are so lucky to have these two look after them. Also, thank you to all the age managers for giving up their mornings and help look after their groups.

We also have the Water Safety to thank, without them there are no water activities. The beach set up, John Mark needs to be congratulated on getting the sprint track up, and those new parents who helped. Melissa for controlling the purchase and sale of all the apparel for the season. New uniforms for state and for her "fire" sales, great job.

On the carnival side, we had the Frank Doran Carnival held at Cronulla, we had to compete with the Sydney Water Carnival and I am happy to say that the roll up from all was pleasing. Am also happy to say that we won back the Frank Doran Cup. We had the 4Way, this time held

a up at Wanda and Elouera, followed by the South Maroubra Carnival before Christmas. We began the new year with the North Cronulla Ironperson, the Elouera Carnival, then Branch at Maroubra and then State at Umina. Again, the Friday we were "blessed" with the same conditions as last year, rain, wind, then rain again, it seemed like ground hog day. Thankfully the Saturday and Sunday conditions improved for all. Thank you to all those that helped being officials and those that did the water safety at the carnivals. Without these people, we would not be able to participate and thank you to all the parents who give up their weekends to drag their kids out of bed early in the morning and bring them along, rain, hail or shine.

Thank you also goes to all those that helped with training. Robert "Max" Walker the coaching co ordinator, Dave Came the swim and Ray Masters and Mark Redrup the beach. Also to those that helped with water safety. We had the senior kids helping us, Daniel Cole, Kyle Druery, Jack de Haan and Jack Ford, great work guys!!! Also, a special mention to Kiara Metti for her work in the march past team.

The work from Cameron and Lauren regarding the "Black Caps" is just inspiring to all. To see these kids come down on Sunday mornings and have the best of fun is what it's all about. For me, this is the icing on the cake. When Cameron came to me 2 years ago and discussed the program I helped him 110% and regard this as the most important program I have ever been involved in.

I would like to thank the sponsors who have helped the Cray's during the 2013/14 season. Frank Doran Financial Services who has sponsored the Frank Doran Carnival. Tradies at Gynea for their financial assistance for the Black Caps. Lions Club Cronulla for equipment. Chanel 7 for the state uniforms, age

manager shirts and rash vests. Wing wetsuits for the PFD's for water safety, Point Graphics, Cronulla Ice Creamery and Neil Swane

This season see's the 14's leave us. This year all the 14's did their SRC as a nipper activity doing the theory on the Sunday, did the snow cones and then spent time at the end of nippers doing the water work often finishing after 1.00pm. They then backed up Thursday nights at 7.00pm till 8.30. To see this group do their SRC together was fantastic. Besides the Garie camp at the beginning of the season, the SRC as a group was a huge success. To our Club Captain's, Mary Orfanos and Issac Longmuir, well done the both of you!!!!

Finally, to the engine room: the executive and their assistants, I would like to thank you all for your help in making this a successful season. To Daryn Metti doing the registrar's job. Not easy collating results, attendance's, encouragement and 100% awards then having to chase up age managers for not putting the folder in on time. To Steve Street who came in when we needed him, the sponsorship side went well. For Robert "mad max" Walker, fantastic job in trying to organize the training and the lifesaving job making sure all the kids received their awards. And thank you to Paul King for coming in at the beginning of the surf season and taking over the role as secretary.

For those staying in the Cray's, I wish you all the success on any future endeavors. To the parents and supporters, thank you for your efforts and support. I have enjoyed my involvement in the Cray's for the last 14 years, it's being a fantastic ride on one of the best waves I have ever ridden but now is the time to say good bye thank you. I'm going surfing", see you out there.

Carlo Villanti
Chairman Cronulla Crays

Elouera SLSC

The 2013/14 season has been an important one for Elouera SSLC where we have aimed to continue our development in all areas of surf lifesaving.

Our membership has remained strong at 1110 members including just under 600 nippers. These members have committed themselves to all areas of a lifesaving club very aware of the role it plays within our community and I am very proud of all members for their efforts in the last season.

In our 'core business', we have had a highly successful though eventful patrolling season thanks to all the hundreds of volunteers who committed so much in so many different ways to ensure the safety of our beach and the immediate surrounds.

Our patrol strength has remained strong throughout the season. We always had good numbers and the skills and fitness that our patrols demonstrated was evidenced by some outstanding statistics and inspection results; a snapshot of which follows:

79 Rescues

66 Major First Aids

over 13,000 total patrolling hours.

This is a result of a wonderful team effort though the individual contribution by some members cannot go unrecognized with a number of members patrolling well in excess of 100 hours and over 60 members gaining 100% patrol attendance. We gained two 'Rescue of the Month Awards' and two of our members received lifesaving awards at Sydney Branch's Night of Excellence.

Leading out patrols were 12 totally committed patrol captains who organized their teams superbly and led by example. Their contribution cannot be overstated.

In addition, a number of our members also provided significant support to Branch Support Operations including Surfcom, Jet Ski and Off-Shore Rescue Services.

Elouera hosted a number of carnivals this year which always poses challenges for our patrols. I am very proud to report that at all carnivals we maintained a patrolled public area as well as providing support

to the carnivals. In doing so we worked smoothly with council lifeguards, as well as with the Branch's Director of Surf Sports, Wayne Druery and his team. The success of these carnivals is a testimony to all parties being able to work together for the benefit of all users of our beaches.

While on council I want to thank Brad Whittaker and his staff of lifeguards for their support throughout the year. We have a very professional relationship with the council lifeguards, that is for the benefit of both parties and I look forward to continuing this for many years.

Our training and education team had another busy year completing a total of 576 awards across both senior and junior sections. In addition we were very active in providing assessors and facilitators to the whole Branch throughout the season.

It is only fitting when talking about lifesaving and education to pay tribute to our District Supervisor this year, Mike Batty for his willingness to give freely the benefits of his significant expertise, experience and commitment to surf lifesaving.

We have worked hard on maintaining our membership as they leave nippers and have introduced a number of innovative programs, evidenced by 12 members gaining their Duke of Edinburgh awards this season.

Our nippers had another strong season as evidenced in the report that follows. Highlight for me was Elouera again being well represented in the Branch Junior Lifesaving of the Year award with Ashley Grady being highly commended in the female section and Shey Garcia winning the male award.

In competition it was another strong year where we continued our development from previous years. A fifth place at the State Titles was just reward for the hours of training endured by our competitors and coaches and nearly matched our nippers who were fourth the week before. A small team at Aussies punched well above their weight and gained some outstanding results including third in that 'test of club strength event' the Life Saver Relay.

A rare win in the hard fought annual Interclub earlier in the year was celebrated long and hard. Our men's open boat crew was selected as the NSW representatives in the ASRL series where they distinguished themselves as part of the winning NSW team.

A highlight for many of the club was Dane Farrell wearing the Elouera colours with pride in the high profile Nutri-Grain series. Dane's close third at Aussies topped off a great year for this young ironman.

Elouera SLSC has a proud record of community support in addition to our patrolling duties and this season participated in a number of community service projects. The iconic Surf Awareness Clinic completed its 32nd year; a remarkable achievement. We provided a structure training program to the cancer research organisation CanToo for a large group participating in an ocean swim. We again provided a large team to the annual Relay for Life event. We provided support for the Love-Your-Sister fundraising event for breast cancer. One of our young members, Llani Heyer-Warton, completed a 12 hour swim for

Elouera SLSC (continued)

Elouera Nippers

breast cancer, with the willing support of many of her fellow members.

I am very proud of this area of our club activities and believe it is something that defines Elouera SLSC.

The administration of the club continued to become more time-consuming and critical; a necessary development in these times of increasing professionalism of surf club activities, and I would like to thank our administration staff for their efforts.

Finally I would like to thank all those who have supported this club. To our many sponsors, too numerous to name here but a special mention:

- To the Sutherland District Trade Union club for their over 30 years of support.
- To all arms of government, local, state and federal whose representatives are strong and visible supporters of Elouera and advocates for our needs.
- To the sponsors of the various peak surf lifesaving bodies.
- To SLS Sydney; it's officers and employees for their every-ready assistance to Elouera and a special mention to retiring President John de Cean for his significant commitment to surf lifesaving in Sydney.
- To the patrolling members of the three other Bate Bay clubs. We worked well together, helping each other when needed in the true spirit of lifesaving
- And finally to all of the Elouera family for their efforts in keeping this great club moving forward.

Warren Smith
Executive Director

I would like to extend my thanks to Doug Hawkins and John De Cean along with the rest of the executive board members for their active help and support for this past season.

This 2013/2014 season was certainly a great year for Elouera Nippers. Registration was at 586, up from the previous years. The nipper program was delivered to a high standard - only because of the huge amount of help and support we had from many groups and persons.

We had a dedicated committee who met the challenge of increased numbers. The Junior Nipper committee was outstanding. This year again we delivered an all 'inclusive' nipper program. Elouera is a family club and we wanted to ensure this theme was continued. The amount of work the committee put in to create a solid structure for every kid was to say the least exceptional.

The ESSA Training program, in its fourth year was fantastic, providing ample opportunities for nippers of all standards. The idea proposed by Surfs Sport head, Billy Soulos, has changed the way we provide training. Grant Wilkinson was appointed head coach and Scott Campbell was the dedicated sprint coach. There were more trainings sessions, for water and beach, for all levels of kids. The inclusion of Cadet Trainers gave the nippers someone to look up to and gave the cadets the opportunity to be guided by Wilko. The great thing about the ESSA program is that it is open to kids of all ages and all ability and skill level.

Over the season we had some great results in all carnivals. At state we maintained our position from last year of 4th - a huge result from Elouera Nippers. This is a reflection of the training program.

We were blessed with blue skies and pristine water conditions to hold our Ohana Surf Classic carnival this season. The organizing committee spent close to 100 hrs. Organizing, prizes, programs, officials, logistics, water safety and Sydney branch requirements. We were very grateful to have the support of wonderful people from Kellogg NutriGrain Iron person series, Maxxum watches, Kracka Surf craft, Riley Surfboards, Games 2u and Elsewhere

Baber Company. The event was a huge success he gave out heaps of cool prizes to the 800 odd of competitors. Everyone had a ball including the officials and organisers who stayed behind and enjoyed some refreshments in the down under bar in the gear shed. The whole day was a great success due to all the Elouera people pulling together, working hard and delivering a memorable carnival that people are still talking about.

Again we pushed the surf lifesaving theme throughout the season. Every kid from the U6 up learnt basic first aid. Every kid from U9s up spent some time using the tubes, learning communication signals and learning CPR. Every nipper from Under 11s to U13s received their CPR proficiency certificate or proficiency. A few lessons throughout the season, and an assessment at the end of the season, meant 100 kids have now got an accredited SLS certificate.

Era SLSC

It was very pleasing to see R & R and March past go from strength to strength again. The march past team competed valiantly at both Junior and senior carnivals this season.

Nippers cannot function with the support of our sponsors. The Tradies, McGrath Mazda Sutherland, and Illawarra Blinds as main sponsors were fabulous – and contributed much needed equipment for the nippers, such as; manikins, rescue tubes, boards and tents.

Other important sponsors were Ohana Ocean Athletics, Riley Balsawood Surfboards, ANZ, Cronulla Lions Club, Kracka Surf craft, Manta Surfboards, Makani meats, Stan the Coffee, Ohana, Banana Boat; – all provided important funds or equipment for nippers.

The Surf Awareness Clinic held in early January was again a great success. Congratulations again must be extended to Ron Pears and his team of organisers. It is one of the best events anyone could ever be involved with. Large numbers of persons from the junior club were involved – and I was very proud of the manner in which they conducted themselves.

The senior club takes a huge interest in nippers. For this I thank the board of management for the support over the season. Warren Smith the club president played hands on role, and was often doing water safety on a Sunday, at carnivals officiating, and attending JDC meetings. Everyone on the BOM was very helpful to me throughout the season. The one club policy to my mind is alive and well!

Leadership qualities are very important and Elouera nippers had 4 outstanding Captains over the year. Captains Lili Morris and Shae Garcia, and vice captains, Ashley Grady and Jake Evans lead nippers with skill and were only too willing to assist when required.

Special mention must go to Shae Garcia who was crowned the Branch Junior Surf Lifesaver of the Year. Congratulations Shae we are all extremely proud of you and you are a deserving winner of this award.

I had an absolute ball this season and can't wait for the next season.

Darrin Lane
Elouera Nippers

The unwavering dedication from our Senior and Junior Members once again provided a safe and enjoyable environment to our community.

ERA had an exciting 2013/14 Season that produced an incredibly successful Junior District Carnival, new Age Managers, Surf Sports Officials, Award Members as well as ongoing renovations to our Surf Club.

Throughout the season, our Senior Members continued to maintain their strength in numbers on the beach. With many returning to the club or simply gaining additional awards to add to their skills and knowledge. We welcomed nine new Age Managers, four Level 1 Surf Sports Officials, four Bronze Medallions, two SRC's, six ARTC's, nine Radio Operators, two Silver Medallions, Trainers and an Assessor. These additional Awards always have such a positive impact on our small community. Our Senior Members also continued to guide our Junior Members throughout the season, building on their skills as future lifesavers and preparing them for the Carnivals that lay ahead.

I am pleased to report once again the efforts of the active members are to be commended with 38 out of the 71 patrolling members achieved 100% patrol attendance with an additional 10 members just missing out, not a bad effort for a small club.

Our Junior program is growing in leaps and bounds. To witness the sea of green and blue rashies on a Sunday morning Nippers meet is a sight to behold. The enthusiasm to join in and get involved shown by the juniors is never tiring. This was certainly evident when our Juniors competed in this years RNP District Carnival. A special mention to Samantha and Madison Dennis for representing Era at the Sydney Branch Age Championships.

It was Era's turn to host the Royal National Park Junior District Carnival. Nippers from Burning Palms and Garie converged on mass to Era to compete in what was to be the biggest event on the calendar in recent years. Congratulations to Scott Pracy, Junior Vice President and his Carnival Committee for staging a truly outstanding world class event, bearing in mind this was on a beach

with no access by cars. Thank you to the Officials, Age Managers, helpers & parents from Era, Burning Palms and Garie for the combined effort which made the carnival a true success. The competition was very close between all three clubs but it was Era who was victorious on the day by taking out the title of 2014 District Champions.

Whilst our new Club was officially opened last year, our members continued to work tirelessly on the ongoing renovations. Last year 125 members volunteered their time carrying supplies down the 2.5km track as well as building, painting and supervising. These numbers remain unchanged due to our wonderful community spirit. There is still a lot of work to be done but our members are always up for the tasks that lay ahead.

As President my role again sees me representing Era SLSC on the NPWS Royal National Park Cabins Consultative committee (CCG). We are still in discussion with the National Parks & Wildlife Service regarding updates on the remaining licences for the surf club. We hope that an agreement will be reached soon to ensure the volunteer surf lifesaving activities at the three National Parks beaches continues into the future.

Huge congratulations to all of the management committee and the members of the club who continue to provide their time.

Mark Wood
President

Era Nippers

It was another great year for the nippers at Era Beach which saw a large consistent attendance over the majority of Age groups.

I congratulate the inclusion of 9 new Age Managers and even more Age Assistants to the beach this year. This additional support helped create a fun and challenging environment for the kids as they were run through their activities. Our nippers improved in both the water and beach events, while continuing to gain valuable surf lifesaving experience. This was even more evident with some of our senior nippers undertaking various rescues throughout the season and always keeping an eye on the younger nippers.

Era SLSC also held the annual Royal National Park Junior District Carnival for 2014. It was a hotly contested event with a great turn out from all the three National Park clubs. However it was the consistency of the Era nippers across all the events which saw them take out the 2014 title of District Champions. Thanks also to Sydney Branch for their assistance and support for the carnival and the major sponsors Sydney Airports.

This year Era had 7 people attend the Level 1 Officials Course, with 4 having already completed the required carnivals and obtaining their Officials badge. This enabled the District Carnival to be run only utilising Officials from the Royal National Park District, and not having to rely on Officials from other districts.

On behalf of the Era Nippers, we would like to show our sincere thanks to our nipper sponsors, who again have given great support this season. Thanks to the Missingham family, Elite Physio, Club Engadine, and Vodaphone for their kind sponsorship of our nippers.

I would like to congratulate all our nippers on a fantastic year which was full of fun and great competition. To have such a consistent turn out at our beach each week is a credit to the kids and their parents. Thanks to all those parents who assisted throughout the year and I look forward to another great year next season.

Scott Pracy

Junior Vice President

Garie SLSC

I would like to thank every one of our members for your contributions to the club in the past year. It gives me great pleasure to be able to state that during our 75th year, no loss of life was recorded whilst our beach was patrolled. All members of Garie past and present can be proud of the fact that this record has stood since the club's inception in 1938.

As a small club, we are well represented within Sydney Branch. Despite the weather, we had a great representation at the unveiling of The Fallen Lifesaver Memorial at Coogee this year. As this memorial is being unveiled in a two-stage process, I would highly recommend getting along to the second part of the unveiling next year which coincides with the 100 year anniversary of the landing at Gallipoli and subsequently the birth of the "ANZAC spirit". We were also well represented at the Branch Awards of Excellence. Our members were successfully nominated for Lifesaver of The Year (Annie Bretherton), Under 15 Lifesaver of The Year (Declan Grohala), BJD Innovation of The Year, Area Patrol Efficiency Competition, and Most SLSA Awards Per Area. We also had Mark Forland receive High Commendation for Rookie Lifesaver of the Year.

I would like to thank our Branch and Club sponsors for their continuing support and for their assistance in keeping our club functioning.

I would like to thank each of the supporting clubs for bolstering our patrols. Our "guest club patrols" do a great deal to take the pressure from our patrolling members and I hope that they enjoy to the fullest the unique location and surrounds that our club offers. Thank you to Anthony Farquhar for organising and accommodating our support clubs. Indeed Farkers, you wear many more hats than you get credit for!

During the year we had a few social and sporting events.

The Garie Dash was incepted 18 years ago and has continued to be a staple part of the Garie calendar which continues to draw competitors from all over Sydney Branch and beyond. Well done to Pat Dillon and the team for another successful "Dash".

Our nippers are a part of our club that continue to be well represented. This year our nippers continued the tradition of many of them going on to receive their Surf Rescue Certificate and become patrolling members of our club. Tracy Farquhar and David Birchall have worked tirelessly throughout the year and have done our nippers proud. It has been David's second year of involvement with the club and he's a great example of the difference that you can make to your club. Thank you also to all of the Age Managers who completed their training and looked after our nippers.

I have been fortunate to be part of a very keen management team with a lot of enthusiasm and passion for the club. There are various working groups and committees that any of our members would be encouraged to be a part of.

We have had a very successful Youth Committee this year that have represented Garie well in the community including a very successful Bunnings barbeque, school fetes and open days. I also must mention the excellent job that the youth did in filling a lifesaving patrol at Wet 'N' wild in Western Sydney. Once again our club was well represented.

Once again, thank you to all of our members, Surf Life Saving Sydney members and to the office staff for their assistance during the year.

Craig Lacey
President

Maroubra SLSC

I am proud that in our 108th year of patrolling Maroubra Beach, to once again say no lives were lost during patrol hours.

Maroubra Education Training Team

Our members under the leadership of firstly John Restuccia (retired for family reasons) and later Gilbert Olzomer and their Patrol Captains who clocked up a massive 9,998 hours as volunteers on Maroubra Beach from Sept through to the end April. During which they performed in excess of 115 rescues, highlighted by them performing the largest number of rescues in the state over the Easter break. Many of these rescues were extremely difficult with one of these rescues in particular being recognised by our governing bodies as extraordinary and nominated for an award.

During the season our Patrols were subject to numerous external inspections and in all cases we scored over 90% with a number of Patrols gaining a perfect 100%. These results are not easy to achieve on such a consistent basis and this truly shows the level of commitment, dedication, and professionalism that our members display.

We achieved close to 270 awards in lifesaving highlighted by 58 Bronze Medallions and 38 SRC's thereby adding many new members to bolster the strengths of patrols. To our Chief Instructor, George Benhayon and his

trainers, who enabled us to gain so many awards through your many hours of commitment above your normal patrols obligations, as a club we say thank you.

This season, as part of Maroubra Surf Life Saving Club wanting to add to its relevance as not just a Surf Life Saving Club, but a club that contributes to the community in other ways, we introduced a "life Skills" session hosted by well known and respected presenter Michael Jeh. This was made available for all our teenage Bronze participants to hopefully assist them to make better life choices when confronted by the pressures of adolescence. This session was well attended by close to 30 kids with the parent session also well attended.

Maroubra hosted the Sydney Branch Surf Lifesaving Titles for both Opens and Nippers. It was very pleasing to see all areas of the club helping out and working together over the weekend to make the carnival a success in many ways, I would like to take this opportunity to once again thank all those involved for their terrific efforts.

In competition Maroubra again performed strongly, despite the disappointing late departure of a number of our more senior competitors. With the assistance of our many coaches led by Peter (Cuz) Kirkwood, our small, but competitive squad performed exceptionally well, gaining 12 medals at the Australian Championships with 3 gold, 1 silver and 3 bronze in the open carnival, 30 medals at the NSW Championships which also saw us gain 4th place overall in the masters and 20 medals at the Sydney Branch Titles (Masters not included in this count).

The pleasing aspect with many of these results and the team is that a number of these results went to our younger competitors, who hopefully, will be the

building blocks to bolster our senior competitors over the next few seasons.

Life Member Tim Murray once again put his hand up to run our nipper program this season. He had in excess of 550 kids, but with the assistance of his dedicated team of age managers, water safety and BBQ staff they were always well organised and the days ran smoothly. It was great to see the number of existing parents, new parents and senior members all assisting with coaching, water safety and other tasks on these Sunday mornings.

We are progressing with our plans to create disabled access to the top floor of our club and to build a Patrol Surveillance/ Training room on the southern deck area. This is something we have been working on for the past year or so, but with limited funds available it has been difficult to start. That club was successful in gaining a State Government Grant for a large portion of the cost of the disabled access. Work will commence on the project during the off season.

This season, despite the disruption to their trading due to the devastating fire, our partner and major sponsor, Maroubra Seals Sports and Community Club generously continued their support of Maroubra Surf Life Saving Club. Our sincerest thanks go to the Maroubra Seals Club for their continued support. I would also like to take this opportunity to encourage all members to support Maroubra Seals Sports and Community Club, because without your support of them, their continued support may not always be there.

On a sad note, this season saw the passing of our oldest Life Member and Chief Patron, Tom MacDougall along with a number of 50 year members, Albert "Bert" Sparrow, Col Morris, Clem Arkins, Bob Gillroy, and long term associate member Harry Malone. Let's we forget

On behalf of the Board of Management, I would like to thank the Branch for their dedicated work and congratulate the other clubs in Sydney Branch on another successful season.

David Simpson
President

Maroubra Nippers

On behalf of the Junior Development Committee, it is a great honour to submit the 2013/14 report for review.

This year saw 540 children enjoy junior development at Maroubra. A pleasing aspect of these numbers is members are being retained to the older age groups and transitioning to volunteer surf lifesavers. This season there were 21 children who gained their Surf Rescue Certificate (SRC) and graduated to patrols.

The long standing ethos of Maroubra Seals Pups has been for the kids to have fun whilst learning water safety, surf awareness, lifesaving and competition skills. I believe we have delivered on this promise and provided a quality program. There is no doubt Sunday mornings at Maroubra Beach provides a fantastic atmosphere and ambience for all the members (young and old) and families who attend.

Maroubra was exceptional in delivering lifesaving awards to the junior development ranks. Maroubra's had a strong awards program for a number of years where the under 11's complete their resuscitation certificate and the under 13's complete the Basic Emergency Care Certificate. In total 41 children successfully completed the Resuscitation Certificate and 29 children completing their Basic Emergency Care Certificate. We are currently working with SLS NSW to deliver the Basic First Aid Certificate to the under 9's in the upcoming season, as well as the surf survival certificate for the U12's.

Maroubra continued its long support for the SLSS junior development camps. The camps target the U/11's and U/13's and delivers an insight to the many benefits that a lifesaving lifestyle can provide. Doug Hawkins, who is the camps coordinator does a wonderful job and has an infectious attitude which transforms nippers into junior surf lifesavers.

As the recent SLSS Awards of Excellence Dave Love was awarded joint winner in the Age Manger of the Year category for his contributions and involvement in age managing, surf sports coaching, lifesaving instruction, partaking in R&R forums, newsletter production and committee work. Well done Dave, fantastic effort and a deserved winner.

The highlight for Maroubra at the Branch Titles was Brianna Tier being named Junior Surf Life Saver of the Year. Brianna is a wonderful example of the up and coming young members that graduate from the junior development program into the patrolling ranks. She is an enthusiastic young lady and is a credit to herself and family.

In closing I would like to thank our sponsors whose contributions allow Maroubra SLSC to nurture and develop the youth in our community. I would like to thanks Russel Grundy from Barloworld Volkswagen, Brad Parkes from Core Mortgage Brokers and Peter Goulding from NG Farah. Their

ongoing support sees Maroubra Seal Pups good position and well placed to maintain the equipment and resources that we need to deliver the training to all of our Nippers.

Tim Murray

Director Junior Development

North Bondi SLSC

With the completion of our \$7 million Clubhouse building project North Bondi has had a fantastic season just completed.

The foresight of the Club and its members to undertake the largest Surf Club rebuilding project in Australia has paid dividends. This structure will provide us with state of the art facilities for many, many decades ahead.

To commemorate the completion of the building the Club held 3 days of celebration. On Friday 21st September we had the Site Handover from Taylor Construction Group at 8am. SLS NSW hosted the official Raising of the Flags ceremony at 9:30am and we had an Open House for members of the public and Club members from 3pm. On Saturday 22nd we had the Official Opening at 4pm. This was performed by North Bondi stalwart Charlie Christensen aged 92 and Ben Walker & Ally McGill our most outstanding Nippers. Over 300 members then attended our Welcome Home Cocktail Party and put the place through its paces. Sunday then saw our Annual General Meeting which was understandably a quieter affair than the previous 2 days festivities.

Whilst the building is unique and iconic and in keeping with the significant site it occupies, it is a well thought out Clubhouse. With double the storage of the previous building coupled with functional and planned multi-purpose areas it will provide for growth and continued success well into the future. The Club raised \$5.5 million of the total project cost and our sincere thanks go to our benefactors, donors and members for their unbelievable support. The encouragement and belief of these people, in addition to their financial commitment, was a large factor in getting this project to the finish line. The tight knit building committee of 7 are also thanked for their huge time commitment to see the successful completion of almost 10 years of planning.

Our lifesaving services were at the usual high standard expected and required by the community. Head of Lifesaving Scott D'Amours and the patrol captains and IRB drivers and crew are thanked for their efforts in keeping a very busy beach safe. With 2 Branch rescue of the Month accolades - 1 being a mass rescue of almost 50 people - it was a busy season. The successful staging of our 2 community ocean swims and annual Haviana's Thong Challenge on Australia Day was overseen by the lifesaving group. Outreach patrols were coordinated by Mat Myers with assistance to Garie, Sussex Inlet and other smaller Clubs during the season. North Bondi featured prominently at the recent Branch Awards of Excellence in recognition of the outstanding efforts of our members across a range of activities.

Ben McCormack in his 1st year as Head of Education has performed brilliantly. To have achieved 62 SRC and 113 bronze medallions, our core awards, and the lifeblood of our patrols is very pleasing. This coupled with the range of awards achieved across the board is a very significant contribution to the professionalism of the Club. The annual proficiency requirements are also a huge burden on the education team and as always performed efficiently. The "Ros Packer Education Room" is a purpose built area to enhance the vital and important work our Education team undertakes. It was very well utilised this year.

A continuing priority of the Club is youth development. With many of the bronze candidates being former Nippers and the strong numbers of SRC awards the challenge is to keep the interest & enthusiasm of this key group. Glenn Annear as Head of Youth has worked tirelessly with Scott Thomson (Coaching Manager) and Glen Clark (Under 19 Coordinator) to provide avenues and activities to bolster retention. It is a focus on lifesaving, education and competition with a fun and enjoyable bias. The new Clubhouse has a youth room located on the ground floor overlooking the beach to reinforce the Club's commitment to our youth.

Nippers has again been successfully run over the past season by Jim Walker as Junior Activities Chairman and ably assisted by Melissa Suriano as Nipper Manager. The strong organisational group behind the scenes has ensured the 1000 Nippers have

participated in healthy activities with the older children also learning surf awareness ideals. It is a huge logistical undertaking to stage Nippers every Sunday morning and the support of Age Managers and helpers ensures the smooth running of this area. As mentioned the flow on from Nippers to patrolling members and their parents being actively involved in the Club is a key area for us and is growing.

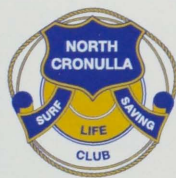

North Bondi has continued to grow in the surf sports area. Head of Surf Sports Sarah Davis oversees a diverse group of coaches covering most surf sports disciplines. Results at all surf sports events were very strong. From masters to juniors and from lifesaving competition to ski paddling the chocolate, red and white colours were prominent at all surf sports events. At the Australian Championships our masters competitors achieved 4 Gold, 4 silver and 4 bronze medals from a small team in Perth. Open competition saw a fantastic result of 2 gold, 4 silver and 3 bronze medals. Many of these were achieved in team events and all were achieved by under 17 or under 15 competitors. Jessica Suriano was the standout athlete with 1 gold, 1 silver and 2 bronze medals. The continued focus is to grow this area of the Club and promising signs are seen from this past season.

The Club looks forward to another season of growth and success with the full potential of our new building now being realised.

Grant McMahon
President

North Cronulla SLSC

It is with great pleasure and on behalf of the Board of Directors and members of North Cronulla Surf Life Saving Club, that in our 89th season, I can report **"No Lives Lost"** at North Cronulla beach during the 2013 to 2014 patrol season.

Thank you to every club member who performed their rostered patrols from our Patrol and Vice Patrol Captains, IRB drivers and crew to all of our patrol members who volunteered their time to keep the surfing public safe at North Cronulla beach this season.

We are now in the second year of our Club Management Plan (CMP) and we continue to develop and expand our capabilities across the 5 key functions of Surf Life Saving & Patrols, Training & Education, Surf Sports (Competition), Administration & Finance and Community. Another important activity stated this season was a review of the club constitution and by-laws and we plan to introduce an updated and modern constitution to reflect the changes in day to day operations of the club, changed requirements of our governing bodies, government and regulatory agencies and improve overall governance of the club.

Surf Life Saving and Patrols

The members of North Cronulla Surf Life Saving Club recorded the following activities during patrol season:

- Performed over 13,000 Volunteer patrols hours across 12 rostered patrols
- Recorded 54 Rescues
- Involved in over 2900 Preventative Actions,
- Attended to 108 First Aid cases including 7 ambulance call outs.

The number of recorded rescues is trending below 3 year average and this was due to improved patrol and beach management skills and increased number of preventative actions.

This season we had 13 members who performed more than 100 hours of volunteer patrol duties and two outstanding club members who achieved

over 150 hours of patrol on our beach. Overall this highlights the dedication of our members to their core duty which is surf life saving and performing patrols.

One highlight of the season was the successful nomination of our Patrols and members for Rescue of the Month for October 2013 and April 2014.

We have a new Lifesaving team under the guidance of our Lifesaving Director Mr Gavan Duffy and they have some progressive ideas on patrol and lifesaving at North Cronulla and look forward to the implementation of these ideas next season.

Training & Education

Under the leadership of Jason Gallon our Training & Education Director, his team of trainers and our club members achieved the following:

- 42 Surf Rescue Certificates
- 60 Bronze Medallions
- 1 Gold Medallion
- 5 Silver Medallion Beach Management
- 4 IRB Drivers Silver Medallion
- 16 Advanced Resuscitation Certificates
- Numerous Specialised awards
- New qualified training officers for BM, ATRC, Spinal, IRB and IRB and ARTC Assessors qualifications

The Training & Education team continued the great work of the previous season with quality training for club members and mentoring of new instructors and have great plans for the winter period and into next season.

The season's effort was rewarded at the annual Surf Life Saving Sydney Branch Awards of Excellence, with North Cronulla winning:

- Most awards per area (Bate Bay)
- Training Officer of the year – Steve Cardy
- Rookie Training officer of the year – Elissa Hughes
- Rookie Assessor of the year – Jason Gollan

Surf Sports (Competition)

Our club members enjoyed a very successful season competing for North Cronulla across many different sports avenues of IRB, Pool and Surf Life Saving carnivals at local, state and Australian championships. Our new Competition Director Peter Moyle had a very successful season and has great ideas and plans for the section next season.

Results at the major championship carnivals were:

- 8th Australian Open Championships
- 4th New South Wales Open Championships
- 7th New South Wales State Age Championships
- 1st Surf Life Saving Sydney Branch Championships
- 2nd Bate Bay Interclub (Bill Marshall Trophy)

On the representative front, we had 5 club members represent NSW on the NSW IRB Team, 10 members were chosen to represent the successful Sydney Branch at NSW Interbranch carnival and 4 members who made the NSW Development squad.

At the Australian IRB Championships our crews won a Bronze medal and 2 Bronze medals at the Australian Pool Rescue Championships and this highlights our growing strength across all avenues of competition available to our members. One area of focus for next season will be the start competing at the Patrol and

North Cronulla SLSC (Continued)

Lifesaving events at NSW State and Australian Championships.

At the Surf Life Saving Sydney Awards of Excellence our club members won:

- BJD Male (13-14) Athlete of the year – Leo Nosatti
- BJD Female (13-14) Athlete of the year – Kirra Hood
- Under 15 Male Athlete of the year – Ethan Garland
- Under 17 Male Athlete of the year – Oliver Hoare
- Under 19 Female Athlete of the year – High Commendation Jazmyn Turner
- Team of the year – Under 17 Male Surf teams – Jack Harrison, Lachlan Moyle, Jimmy Southwell and Oliver Hoare

The above results are an indication of our youth development programs, engagement and retention models are working to provide high quality life savers and competitors and Lee Howell Youth Development Director and his team are to be congratulated and encouraged to keep our younger members engaged and developing skills and gaining awards.

This season we once again hosted the North Cronulla Christmas Carnival now in its 34th year under the leadership of Club Captain Jamie Primmer and Carnival organiser Barry Schretrumpf and another successful North Cronulla SLSC Iron Person Classic held on Australia Day lead by Michelle Sheldon our Nipper Director and her committee. On the Australia Day weekend our beach also hosted the Australian Boardriders Battle surfing competition which involved some of the world's top surfers competing for their local board riding clubs.

To our Junior and Senior carnival officials and water safety personal, thank you for your support and dedication to your respective duties and events throughout the season. You are a very vital and critical area of our surf club operations and we need to develop and increase our number of officials for season 2014 to 2015.

Administration and Finance

A highlight of the season was the successful application for funding via Surf Life Saving NSW grant programs. With funding provided by NSW Government, Department of Sport and Recreation under the Surf Club Facility Grant Program we have started refurbishment of the Harry Brown OAM Room on level one of the club. On behalf of our members, we extend our gratitude and thanks to SLS NSW and NSW Government for this grant

and our members are looking forward to new and updated facilities to be provided under this grant.

Every surf club requires sponsorship to successfully survive each season and help fund the supply services and equipment required for competition, training and education, life saving and patrol duties. North Cronulla SLSC is very fortunate to have several long term and key sponsors and supporters and their support is critical to allow us to provide funding of these services.

Our Finance Director, Ben Smollet, who also competes in one of our A Boat Crews, thank you for another year of managing the club financial affairs with the high level of dedication, attention to detail and responsible financial management. This season we are able to report an increased small trading profit, independent audit has been completed and season financial statements are ready to be reported in our annual report.

Under leadership and drive of Club Secretary, Tracey McKinnieri, communication and engagement of our membership has increased with several mediums of electronic communication used to promote the club, activities, social events and weekly newsletters and feedback and engagement especially from our younger members has been fantastic. Tracey produced another very high quality Annual Report and the monthly Board of Directors meeting packages and contents have moved to another high level of professionalism. The 2014 Blue & Gold Gala Presentation Night was a great night covering all aspects of the club and celebrates the achievements of our club members and is another example of engaging and celebrating with our members, family and friends.

We are continually refining and improving our back of house process and procedures but are facing an ever increasing administration, reporting and compliance burden from the various levels of the Surf Life Saving associations we report to. This is an area of concern for the movement in general and unless addressed it will lead to high turnover of volunteer staff at surf clubs and will impact our smaller surf clubs to a higher degree and needs to be reviewed by the association.

Community

Our core responsibility is Life Saving and patrols and we supported the local community with over 13000 hours of volunteer patrols duty during the season. Countless hours of training and

education was provided to members of the community who in turn become surf life savers at North Cronulla beach. It is a win-win situation for all.

Thank you to Sutherland Shire Council and Ward A Councillors for their continued support during the season and additional support at our carnivals and maintenance of the surf club building and facilities. Our club was built in the 1960s's and is showing her age in across several levels of the building and the quick repairs performed by the council is greatly appreciated by our members and the community.

We support our local council lifeguards who use our heated 25 meter swimming pool and club facilities to provide surf awareness programs to local school children and provide learn to swim and water awareness programs to children with learning disabilities.

Once again the Cook Community Classic was held in November 2014 in very poor weather conditions and the local Bate Bay surf clubs and other local community organisations were involved and generated funds and increased public awareness of the capabilities and talents of our younger Nipper members and surf life savers.

A special thank you is extended to Surf Life Saving administration staff, Linda Perrin and Victoria Raymond for their help and guidance and to President John De Cean in his final year as President and his Board of Directors for their support and delivery of services across their functional areas of responsibility.

To Geoff Budd, Deputy President and SLS Delegate thank you for your support during the season and congratulations on your award of BJD Age Manager of the year. I see Geoff in action each Sunday morning with our Under 6 Nipper Age group and it is richly deserved.

To the Executive and club members of the Bate Bay clubs, thank you for your support and friendship during the season, congratulations on your competition results across all levels and providing a valuable life saving service to the local community.

Finally, on behalf of all North Cronulla members I congratulate all surf life saving clubs in Sydney Branch for another successful year of competition, training and education and performing our core duty and responsibility of life saving and patrolling our great beaches.

Craig McKinnieri
President

North Cronulla Nippers

Yes another fun and action packed season was had at our great Club.

Membership numbers at North Cronulla dropped for the first time in a number of years. A trend that affected most clubs in Bate Bay. Was it the ever decreasing parking? Not sure, but the numbers were very healthy and manageable.

Director Michelle Sheldon, Secretary Donna Hargreaves and Deputy Director Brook Fleming and their committee put in countless hours to assist with the running of the nipper section. This is an almighty task and they should be proud of their efforts. It's a yearly event now as the season starts in May with winter board training and finishes with the presentation night the following May.

Our club captains elected by their peers were Jess Woolbank and Will Fleming who with 42 of their under 14 teammates gained their Surf Rescue Certificates after extensive training by instructor Jason Gollan and his team. It was great to see so many of these young lifesavers enjoying doing patrols with their mates this season.

After fundraising as under 13's last year our under 14's flew to the Gold Coast at the beginning of the season and had a memorable time. This fantastic trip really bonds the kids; they meet young lifesavers from other clubs and are definitely a highlight of their time at nippers.

The Sydney Branch Junior development committee saw Doug Hawkins once again as Director. Doug's enthusiasm, knowledge, direction and ideals are second to none. Doug was assisted by Bruce Bevan as Deputy Director and our very own Donna Hargreaves as Secretary and Mike Day joining this team as Junior Competition Director. Great to see two North Cronulla members on the team. Branch's commitment to providing

better education and skills to our youth is evident and with approximately 7,000 nippers it's a big job. The Under 11 and Under 13 development camps have been a fantastic success over the years and have been organised and developed by Doug for many years. He has decided to call it a day and will hand over the ropes to a committee to handle these important yearly events. Sydney Airport, long time sponsors of the Surf Life Saving Sydney Nippers movement again renewed their assistance which helped the running of the development camps and the Branch carnival entries.

Branch Surf Sports Director Wayne Druery, Deputy Greg Pearce, BJD competition co-ordinator Mike Day and their highly experienced and committed team spent countless hours organising the running of our carnivals. The Communication from Branch to club has been comprehensive and has ensured we at club level can organise ourselves better than ever. With the assistance of clubs they organised some terrific Surf carnivals with the nipper Branch Carnival possibly the best run in Australia. Our Branch officials should also be congratulated on their professionalism and care of our young competitors.

Current Director Michelle Sheldon has decided to step down at the end of the season. Thanks Michelle for your hard work over the last two years. Donna Hargreaves is taking over as nipper director and we wish her and her new committee for the 2014/2015 season all the best.

Kevin Macnamara
Branch Delegate

South Maroubra SLSC

Congratulations to everyone at South Maroubra SLSC on another successful season with 'No Lives Lost' and many lives saved through the diligent efforts of our lifesavers on Maroubra beach. We should all feel very proud of the many achievements our members have attained throughout the year.

Congratulations to all of our lifesaving volunteers who I'm sure will confront these new challenges head on as they have, and continue to do each season in service to the NSW community.

Still on lifesaving and one of our significant challenges is the retention of our well trained lifesavers. Retaining skilled members will ease the pressure on recruitment and training which on average takes 3 months for each class and a great deal of instructor time. I have been particularly thrilled to see 'out of club' social activities led by some of our experienced members who are leading the way on the retention front. Every member has a role to play in retaining fellow members!

Finally on lifesaving I would like to acknowledge the ever vigilant and capable Cathy Hall, our Education Coordinator who continues her efforts along with her fellow Trainers in developing lifesavers and their skills set. Education in lifesaving is an important aspect of our club and extremely rewarding for those who undertake the role of educator.

"CONGRATULATIONS TO ALL OF OUR LIFESAVERS FOR A JOB WELL DONE."

COMPETITION during the 2013/14 season remains an important part of developing lifesaver skills and is an area we are still working hard to improve. I would like to acknowledge some outstanding swimmers who were really impressive during the season including Lucy McJannett and super coach and mother Kim along with Rhys Jones both of whom are rising stars on the swimming front within surf lifesaving. I would very much like to capitalise on these two mighty **swimmers** by attracting a team of swimmers, so feel free to enquire with our club.

Boaties are currently going through a restructure and with the effervescent Phil Stivano well in control I am extremely confident we will see our boat section back where they should always be as the leading boat club in Sydney. I am pleased

to report we currently have 6 crews in training for next season and again welcome any interest from experienced lifesavers from any club.

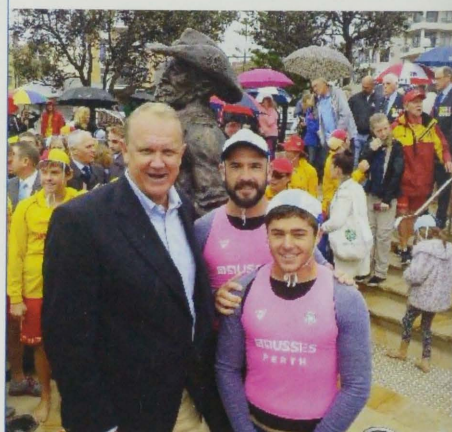

Rescue Boat racing (IRBs). A massive congratulations must go out to this very large competition group within our club. As I write this report I would like to advise you that a section of the IRB competition team is in full training for World Championships to be conducted in France and remaining members in training for Australian titles later this off-season. We join together in wishing our touring members a safe trip and will watch with great interest on progress whilst undertaking competition within and out of Australia. All developments locally and in France will be reported on the South Maroubra Facebook site so please stay tuned.

It is with great pride that I can announce the South Maroubra IRB racing team is rated as a **Top 3 team in Australia as well as being** one of the largest teams in Australia. We welcome continued growth which can only happen with strong external financial support and the support of club stalwarts. IRB competition is vital to our club as these IRB crews carry out the bulk of beach rescues normally in hazardous conditions, so the more skilled they become the greater their ability to perform rescues helping those in need.

Well done to our **Masters Competitors** who continue to excel in competition

I am delighted to report that South Maroubra has once again improved in all areas of operation especially with our **LIFE SAVING** service under the direction of Damien Woods & Ronny Krite. Damien and his Lifesaving team including Patrol Captains have committed a great deal of time and effort in planning, supporting, improving and expanding the capability of our respected lifesaving service. The past season has seen particularly dangerous and challenging surf conditions with many chilling and challenging rescues of bathers that have, and continue to put themselves in danger. On top of managing bathers with limited swimming ability comes the risk associated with other nearby and increasingly popular activities including rock fishing and scuba diving, activities which are growing along the southern headland and platforms south of Maroubra beach.

and are basically a great group of mature members who enjoy the company of each other whilst flying the club colours in the masters' competition. A number of our Masters led by Phil Dutton and Max Murphy are in training for next season, some of these members along with their IRB mates will also be attending World Masters in France.

NIPPERS SECTION, what can I say about this mighty group of members, parents, coaches and supporters. They continue to blow us away, on and off the beach with their enthusiasm, friendship organisational skills and in the 2013/14 season, membership numbers heading towards 700 and growing. Of course with any group to thrive as is the case with our nippers you need a united leadership and support team and I am thrilled to announce that we have such a team.

Thank you and well done to all of the many members that lead, drive and director Nipper operations as it is truly a team effort to manage such a vibrant and large group of junior members.

Congratulations to South Maroubra nipper competitors on a marvellous competition year placed **8th out of 150 competing clubs** in New South Wales and **number '1' in Randwick District** (Maroubra, Coogee and Clovelly).

A big thank you to everyone that plays a weekly role in our Nippers there are far too many wonderful people to mention. Finally I make special mention of Natasha Lo and Aaron Yerbury on being awarded **2013 Club Girl and Boy** respectively. Really great young lifesavers and we look forward to seeing you actively involved in the senior club.

Sponsorship

Times have certainly been tough on the sponsorship front so to those Clubs and companies that continue to support this wonderful cause thank you on behalf of all lifesavers in Sydney

These organisations represent the very best of our business community, they greatly understand and appreciate the contribution of volunteerism in particular the efforts of all volunteers at South Maroubra.

Conclusion

South Maroubra Surf Lifesaving Club continues to represent the very best

attributes a community organisation can commit to including but not limited to volunteerism, mateship and self sacrifice. These are the strong values our nation was once built on and in 2014 are under great pressure due to the hustle and bustle of today's society.

At our club I continue to be amazed at how much can be achieved by so few.

I conclude this report by thanking some friends and members who have been instrumental in the ongoing good management and growth of South Maroubra SLSC, some of whom have been a part of this journey for many years.

May I firstly take this opportunity to thank my fellow Board of Management members in particular Life Members Linda Perrin (the quiet achiever) my Deputy President, veteran and the most motivated person in South Maroubra Yvette Rutherford Director of Finance for her responsible financial management of club accounts and support of all sections, Ray Robinson Director of Competition who assists in so many areas of the operation. To first year Directors Damien Woods Director of Lifesaving, Marcelo Garay Director of Youth and Victoria Raymond you have all done an absolutely wonderful job in often difficult circumstances.

Looking at the above, I am amazed at how the 'united' membership of South Maroubra comes together to successfully host annual events on top of their lifesaving and nipper commitments. This very healthy working culture has been passed down year to year person to person for my entire 30 years as a member. I congratulate everyone that gives up their time to assist in so many different ways to help sustain our club and the community offering a hand up rather than their hand OUT.

Thank you to member for Maroubra Michael Daley MP who continues to not only remain a loyal friend but strong political leader. Mattie Thistlethwaite who recently came on board as our local Federal Member replacing Peter Garrett welcome Matty and we certainly look forward to the years ahead.

We have been blessed with a magnificent Local Council led by Mayor Scott Nash, Deputy Mayor Anthony Andrews. Seriously, have you ever seen our Local Government Area of Randwick looking any better or run more efficiently? Just

beautiful facilities all around the place and lets keep it that way by supporting a **'stand alone' Council!**

I would like to thank Branch President John De Cean on his leadership of Sydney Branch over many years and his friendly and welcoming attitude towards Clubs. On behalf of South Maroubra we also welcome incoming Branch President George Shales who I am confident will do a fantastic job in securing our core business of Lifesaving throughout the Branch.

Well done to all office bearers at Sydney Branch and a special thank you to Linda Perrin and Victoria Raymond in the Branch office who are always available to clubs for advice and guidance.

Well that's about a rap for another year from me. South Maroubra SLSC is back in business and in a big way with 2014 promising to be an exciting year full of action, major achievements and most importantly continued quality service to the community and mateship.

Thank you and look forward to seeing you next season.

Paul Fownes
Club Chairman

South Maroubra Nippers

What a magnificent 2013/2014 season we had, important milestones were made.

Our numbers keep on increasing. This season, we welcomed 644 young future lifesavers; the increase in numbers is a true reflection of the success of our nipper program. It is important to thank the parents and carers for their dedication and support, and to our nippers, thank you for your commitment.

We all know that every year, the organisation of the program for the incoming season commences almost immediately as the current season is almost over, there is a lot of organising to be done in the background, which normally goes unnoticed.

Thank you to Michelle Lo and Samantha Grossemey for your contribution, for all the work done for and during registration days, the venues, paperwork, etc., as well as, organising the nipper booklet, calendar, training programs, newsletter and managing the weekly administration tasks during the season.

My nipper register, Michelle Lo works non-stop in the background to ensure we have the program running as smooth as possible, it is a massive administration task to maintain the documentation and data up to date in the system, produce relevant reports for Age Managers, assist parents and carers with their queries, ensure our nipper proficiency data is current and much more. Thank you Michelle!

The nipper season started off with a similar calendar as per the previous season. This year the weather was more favourable to us, which meant more water activities.

We maintained our 100% attendance award, continued with our Twilight nipper day, Nipper Disco, our Nipper Surf Carnival in December and BBQ activities through the season (most of them cooked by Jim Waddell, Thanks Jim).

This year, we also had the big task of organising and managing The Randwick Shield Carnival. An event where the clubs from the eastern suburbs get together and compete. Big thank you to Vicki Thorn and my Carnival committee that ensured the Carnival was run efficiently.

In regards to skills and education, we focused on furthering lifesaving skills, whilst providing a well structured and thorough training program to all of our nippers, thus providing ample support

to all nippers, whether they wanted to become more proficient or improve their skills further for competition. Our nipper's proficiencies and results speak for themselves, thanks to the Coaches, Water Safety and education team.

To Greg Shaw and his patrol team, as well, as Michael Fernandez and his IRB team that supported all nipper activities, I thank you.

Some major changes were introduced this year, both being on the sand and also in the water.

For water, this year the Water Safety ratio introduced (1:5) meant we had to introduce a larger team of Water Safety personnel every Sunday; the challenge was well managed by my Water Safety coordinator Paul McJannett and his deputy Matt Hill.

Congratulations to all parents/carers that achieved either their Bronze Medallions or SRC that helped with Water Safety, your support through the season is appreciated. I look forward to seeing at the beach for many more years to come.

As for the sand, the ratio introduced (1:20); our challenge was to have certified volunteers to comply with such requirement. Congratulations to the parents/carers that achieved their Age Managers Award, some of you becoming Age Managers and the rest becoming part of our famous Beach Crew Team.

To my Nipper Committee Executive, Age Managers, the newly formed Beach Crew Team, Coaches, Water Safety Team and volunteers, you all deserve to be recognised and thanked for your ongoing support and commitment to the nipper section of our club – the effort and contribution you made this year are greatly appreciated.

Our young U6s and U7s groups keep on increasing every year, it is a massive task to organise such big groups. To the Age Managers and Crew team that put their hands up to tackle such a big

task, particularly my U6s Age Managers, Brendan McDonald and Thelma Vickers and your Beach Crew Team. I thank you; you all did a fantastic job.

The U8s with the large number of nippers from last season, plus a large number of new recruits were led by a fantastic group of Age Managers. The boys had Carl Lee, supported closely by Karen Messenger, and the girls were led by Paul Ryan, supported by Duncan McCartney, all of you did a great job.

It was a big step for the group, as new water activities and training was introduced. We saw some shocked faces at the beginning of the season, though, at the end most of them (if not all) had disappeared. Wade training was a huge success, Nathan had his hands full every Sunday after nippers with the large number of U8s wanting to train and practice these skills. Big thank you to Nathan for your encouragement, support and most importantly, your patience.

Phil, Max and Jarred also experienced a big influx in attendance from our U8s attending their sand training. Thank you coaches!

To the U8s that competed during the season, you made us proud, you showed great sportsmanship, participated and competed in a fair and friendly manner and delivered some magnificent results. Sometimes the weather wasn't kind to us, we had to endure rain, wind, the cold, and I think it all paid off. Thank you to the parents and carers for your support and commitment.

To my Age Managers from U9s to U13s, you did an amazing job leading your groups, the feedback I received from parents was always extremely positive. I thank you for your commitment and support.

A big farewell to our U14s group that have graduated from Nippers to the ranks of Cadets, thanks to Colin de Costa for doing such an exceptional job in managing such talented group,

congratulations in achieving your SRCs and on the patrols you have completed. I wish you all the very best in your lifesaving careers in the senior ranks of our club and best of luck in representing South Maroubra at all events you'll be participating in the future. There are numerous areas within the club where you can flourish, whether it is within the IRB team, boaties, swim team or others, the potential are there.

I also invite you to come back and work with us to develop our young lifesavers, I'm sure you will enjoy such a rewarding experience. Looking forward to seeing you back on Sundays.

A big thank you to the cadets that came back this year to support and work with our nippers, it is a great experience to see you at the beach sharing and teaching what you have learned through your years as a nipper.

This season's nipper training program was developed and delivered in a more flexible approach, allowing working parents/carers to take advantage of the program for their children.

Water training attendance was huge; we had a large number of children attending Surf swimming as well as Board training, the great skills shown by our nippers during our normal nipper days as well as competitions are a true reflection of the success of this program.

To our swim coaches and support team, Kim, Lucy and Tom McJannett, thank you for the guidance, support and encouragement, I have seen how our nippers have improved these skills immensely.

To our board coaches, Samantha Grossemy, Lawrence Last and Ray Robinson, thank you for your dedication, support and guidance, our paddlers are getting better and better, all thanks to you!

To our sand coaches, Phil Dutton, Max Murphy and Jarred & Brian Cullen, once again, I thank you for your guidance, patience and time.

We competed at many carnivals across Sydney, Northern Beaches, Catherine Bay, the Illawarra Branch, as well as our South Maroubra Carnival and Randwick Shield, always ensuring we portrayed a great image for our club. Our nippers represented our club with pride, always showing sportsmanship, fairness and camaraderie.

The Branch event was held at Maroubra Beach, it was unfortunate the weather wasn't kind to the competitors, South Maroubra managed to secure some great results during the event. Well done to all nippers that attended, either being your first time or your last.

I believe, our culture is one of the main reasons why our nipper section is so successful, the team spirit, encouragement, commitment and support are one of the main reasons we deliver successful results.

This year, the State Championships were held at Umina again. I don't believe we had forgotten the terrible weather we experienced the year before, lots of worried faces on Friday when the rain and cold welcomed our nippers to the beach, we all thought it was going to be another disappointing event. I must commend the perseverance and commitment shown by our nipper contingency, it all paid off, we proudly placed our club 8th in the State breaking all club records.

Congratulations to the whole team that participated. Well done.

This year was the inaugural presentation of the Bruce Rutherford Trophy for the most outstanding nipper of the season. The trophy was awarded to Madeline Hardy, a well deserved recipient, Congratulations Madeline!

To the nippers' sponsors – RAMs Sydney South East, thank you.

To the club's major sponsors – Maroubra Seals Club, The Juniors, Randwick City Council, Botany City Council & the NSW Government. To the local businesses that support our nipper program – namely Anaconda, A&S Meats, I thank you.

Thank you to our officials that have supported our section over the years, I congratulate the parents/carers that achieved their Official awards and officiated during the season. As our numbers grow, the support team will need to grow. I encourage parents to be more involved and volunteer your time to be part of our support team.

To all the parents/carers that provide me with your support and encouragement during the season, thank you! You, our nippers and your parents are the key to the success of our program; you are our club's future and our greatest asset. I encourage you to continue your lifesaving career.

I thank you for your commitment, support and all the help you have provided to the program.

In closing, I would like to thank my fellow Club Directors for your support and guidance with the Youth Development; I extend my thanks to those within Sydney Branch for their ongoing support shown to our club, being supporting our Junior Carnival, at carnivals, jet ski/IRB support or via administration in general. Thanks to the BJD and to the Sydney Branch BOSS for their commitment and support to the Branches EAP, Dev and HP squad activities. Special recognition to Wayne Drury and Reg Francis for the support and guidance provided during the organisation of the Randwick Shield Carnival.

I am excited and looking forward to the new season to build even further from our successes, to working with my team and you to grow our club to its full potential.

I have thoroughly enjoyed being the Director of Youth, the role and its challenges; your support has been overwhelming. It is an honour to be part of this great club and contribute to the success of surf lifesaving.

Marcelo Garay
Director of Youth Development

Tamarama SLSC

Tamarama
Surf Life Saving Club

It is with great pride I can announce once again that Tamarama has yet again kept its enviable record of 'No Lives Lost' in tact over this season.

The 2013-14 season has been one of consolidation and growth for the Club. The excitement of last year's AGM has died down and the Club is building on its current success. We are progressing with the fundraising for our much needed renovation. Our DA is now approved and we are in need of all the help we can get to raise the necessary funds. Also of note, we were finally handed our keys to the new IRB shed. There is still some work to be done, but hopefully it will be fully fitted out soon.

I would like to thank all the members on this year's out-going committee for their continued support and effort. It is not always easy to give up so much time, but it is rewarding to do so, especially when things work out as intended. I say this to encourage new and fresh blood to stand up and pitch in. We have a great working team with a single goal of making Tamarama the best Club it can be. In addition to the day to day running of the Club, there have been three sub-committees of note this year; the heritage committee, the rules committee and the building committee and all have put in a great deal of effort to help make a difference. I am hoping others are inspired to help more to get our new Club House.

As mentioned above we have a long history at the Club; we are a foundation member of Surf Life Saving Australia, some claim Tamarama SLSC was the first to use the belt and reel and that Tamarama introduced nippers to surf life saving and there are even that go so far as to say Tamarama was the first Surf Life Saving Club in Australia. There is so much history about the Club but until recently not much had ever been documented and verified. Phillippa Ardelie has almost completed her documentation and conservation work. It has been a long and difficult task and Phillippa deserves recognition and thanks for all this work. Phillippa has successfully saved much of our rich history. The culmination of this work is the Film night at the Randwick Ritz theatre, where much of our oral history was put together and displayed on the Silver Screen for all to enjoy. This showpiece is also a huge step in getting our fund-raising to the next level.

Grants and others: as you all know we are in need of approximately \$3.5mio for the renovation. A large amount this covers consultant fees; acoustic, hydrolic, structural and the list goes on. We will launch the fundraising at the start of next season, hopefully with a spectacular event, but we are short of volunteers. We will also start seeking out potential

donors and building our case for their generosity. We also need people to trawl their networks to see what monies, grants etc. are available for our type of project and help apply for the same.

Our Nipper program was again a success with Guy and his team doing fantastic job this year and it looks like we will have even more nippers next season. I am pleased to report that the Club has put through many of these nippers to SRC and now many of the next bunch of Bronzies due in September 2014 will have come right through the ranks of Nippers. In a small Club like ours this an outstanding achievement and something we need to build on. Hopefully in the new Club house we can mark many more milestones in their lives.

Our trainers should also be congratulated for their continued hard work. Again we had another large number of new Bronzies join the Club and a record number of Clubbies passing their Silver Medallion Award.

I will sign off by re-iterating my thanks to all of you in the Club for making a difference and keeping our beach safe.

Bill Shires
President

Tamarama Nippers

Season 2013-14 has been a development year for the Tamarama Nippers group as we continued to align our program with the national Nipper program. The season saw a number of significant milestones achieved which we will continue to build on in forthcoming seasons.

The program kicked off in September with two registration and proficiency days, held between Coogee Diggers and the University of NSW. By the time registrations were concluded in October, we had some 80 nippers registered for the season.

2013-14 saw the Tamarama Nipper group train and qualify six Age Managers each of whom received their official accreditation with Surf Life Saving Australia. I'd like to thank the Age Managers and Assistants for their relentless efforts during the season, turning up, every weekend, rain, hail or shine to work with the children. The Age Manager Group this year was:

- Suzie Forrell U13/14 (ably assisted by Jane Eskin)
- John Veals U12
- Danielle Forrest & Bill Shires U11
- Guy Waddell U9/10
- Gary Hunt U8 (ably assisted by Ken Powell)
- Samantha McGivern U6/7 (ably assisted by Paul McGivern)

Thanks to the efforts of the Age Managers, 29 of our Nipper group achieved their Nipper Age Awards in 2013-14. Well done to all award winners.

It was great to see the Nippers progress in confidence and skills as the year unfolded, in no small part due to the active participation and encouragement of the senior club, notably Sandra Fox, Sunday morning Patrol Captains / patrolling members and importantly the SRC group who were on hand each week to provide all important water safety, but also skills development for key water activities.

On the competition front, Tamarama Nippers was active, with the annual Australia Day challenge being held at Clovelly and three of our Nippers representing the Club at the Sydney Branch Championship Carnival. Well done to Frankie Shires, Ben Shires and Oliver Hunt for waving the flag for Tamarama at Branch.

The season concluded on 23 March with our presentation day. This year we varied the presentation program with the major awards being conducted as a group and age awards being presented in the smaller age groups so that they could be presented in a more meaningful and heartfelt way by the Age Managers.

Major award winners for 2013-14 were:

- **William Lenard U11 - Nipper of the Year** - in recognition of his non stop enthusiastic, cheerful, polite, 'can do' approach and participation in every aspect of the Nipper program this year.
- **Manu Brugman U14 - Best and Fairest** - in recognition of his positive attitude, sportsmanship and consistent effort throughout the season.

Well done boys!

Another first for this year was the creation of our own Tamarama Nipper logo - an idea inspired by Jo Miller and Neil McFarlane. Jo took the initiative to embody the theme of Nippers "future life savers in training" into a creative design and together with Neil arranged for production of a range of quality shirts incorporating the customised design. Well done to Jo and Neil for driving this initiative.

A final thanks to all parents who donated their time, effort and resources throughout the season to make the program work as well as it did and to ensure that all our social functions were well run and provisioned.

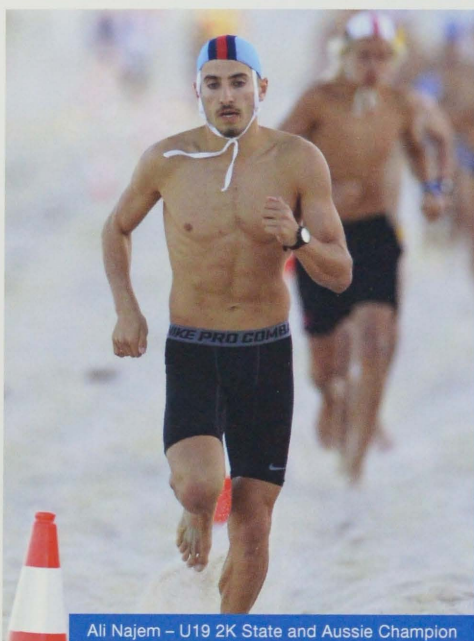

I hope in 2014-15 to retain the enthusiasm and participation of our Age Managers while at the same time growing parent involvement to strengthen the Tamarama Nipper group and continue to develop the skills and confidence of our youngest members and future life savers.

Guy Waddell
Junior Activities Representative

Wanda SLSC

68 Proud Years of Lifesaving Service. It is my sincere pleasure to submit a summary for the 2013-2014 seasons for your consideration, my seventh year as President.

Ali Najem – U19 2K State and Aussie Champion

Our Lifesaving duties started on the 21st of September and concluded on the 27th of April. Wanda has continued to provide a high level of aquatic safety to our beach going visitors. Once again we can proudly say "NO LIVES LOST". This Season saw our active members provide 7450 patrolling hours plus 573.75 hours for water safety, carnivals, and community events, 117 rescues, 1055 preventative actions, 23 first aid cases, 2 incidents requiring ambulances and 25 beach closures due to surf conditions.

The above statistics can only come about from the diligence and enthusiasm of our active members, while we did have a few problems with our patrols this season it was heart-warming to see the Club members rally to rectify those problems which is something a great Club like ours I am sure will always do. I ask you all to make sure that you read Ben Harris 's Club Captains report and please take on board his guidance on our problems from this season.

I would personally like to thank our Club Captain Ben Harris, this has been his third year in this role and he has gone above and beyond what would normally be expected of a Club Captain.

Our Director of Lifesaving, Matt Waugh also has done a truly exceptional job. As a Director he is excused from doing patrolling hours while he holds this role. Matt has logged 107 hours of patrolling not only did he cover his own rostered patrol but he stepped up to cover other patrols that needed IRB drivers. He also obtained his Silver medallions in IRB and Basic Beach Management and his ARTC certificate this season. Also as recognition for this outstanding commitment to his role he was also awarded with the Open Lifesaver of the Year for Wanda. Matt was also recognised for his commitment to lifesaving with a High Commendation at the Sydney Branch Awards of Excellence.

Thank you to the Patrol Captains and Vice Captains for all your hard work in ensuring our Patrols run smoothly.

I would like to express my sincere appreciation to all the Directors, this has been an extremely busy and stressful year, and you have all put in countless hours into your areas and I truly value the support you have given the Club and myself in dealing with these issues.

Jay Furniss – U19 State and Aussie Surf Race Champion

My thanks to the driving force behind the IRB section, Sam Axitios, Steve Stavrou, Graham Wright and Bob Caine. This is a critically important section, our patrols and competition cannot take place without them.

The C.V. Forshaw Trophy, which is presented to the "Most Consistent Member", is voted by secret ballot over the last twelve months by the Management Committee at the monthly meetings. This year's award goes to Brett Furniss. Brett is our Director of Education an extremely important role in our Club. As well as teaching our squads of, Bronze Medallion, ARTC and as an Assessor he is also responsible for running all the proficiencies for these awards to enable our Lifesavers to be on the beach each season. A truly deserving recipient of this sort after Club award. Brett was also recognised for his contribution to Education with receiving a High Commendation for Training Officer of the Year at the Sydney Branch Awards of Excellence.

Sunday the 1st of June 2014 we held a very important Special General Meeting to discuss the Club proceeding with the Stage 2 development. It was a very well attended meeting of our members. After some discussion, questions and answers the vote to proceed with this work and the borrowing of funds to finance these works was put to the members, the vote was unanimous to proceed. This work to our Club House will ensure that our members for many years to come will have the modern facilities and a platform to ensure that we continue to give to the beach going public the best lifesaving service, that we remain one of the best competitive Clubs in Australia. I wish to give my sincere thanks to Mark Sargeant, Director of Facilities and convenor of the Building Committee, Gary Bradshaw and Mitchell Pryke for working so diligently with the Architects to get us to this result also to Trevor Elliot for his work with the finances.

Wanda Lifesavers

The Competition section again this season produced some fantastic results, thanks to Chris Fox Director of Competition and all your very hard working group of captains, coaches and supporters. Some of the highlights were :

- 2nd Sydney Branch Titles held at Maroubra
- 3rd at the NSW titles held at Umina 6 Gold medals, 9 Silver medals, 12 Bronze medals.
- 13th at the Australian titles held at Scarborough Beach WA, 4 Gold medals, 1 Silver and 3 Bronze

At this years' Sydney Branch Awards of Excellence held at The Randwick Club, Wanda's members did exceptionally well: 7 category awards, 5 category High Commendations and the Club placing 6th in the "Club of the Year".

The JAG placed 3rd at the State Titles at Umina, a fantastic result. Congratulations to our younger members, also to a hard working JAG Committee and JAG Chairman, Steve Southwell. Our future continues to look bright, with some great competitors and future lifesavers progressing through the ranks. Both the Senior and Junior sections of the Club continue to work together to keep these young members in surf lifesaving. The JAG again ran a very successful "Big Board Bounty" Carnival. The training camp once more proved to be very popular with our younger members

with instruction coming from our senior competitors, some of which are State and National Champions. The Wanda JAG was also well represented with 2 member's part of the Sydney Interbranch team.

Once again our so very important fund raising event the "Brooks, Caltex Sutherland to Surf" was run under the expertise of Mick Brannock as the S2S Co-ordinator and Anne Caterson as the Traffic Management Organiser plus the very capable S2S Committee. Our 42nd running of this event saw a record number of entries, with the help of all Club members this event will grow. The S2S is our major fundraiser of the year with all monies going back into the running of our Club and providing our Lifesavers with the equipment that they need such as the ATV that was purchased through the BRP Grant.

U19 Female Rescue Tube Rescue Team

In closing, I am very excited for the future of our great Club, it certainly looks very bright. We have so many members working hard to ensure we are a strong lifesaving Club, that our competitors will continue to get the facilities they need to produce their fantastic results, that our financial position goes from strength to strength and very importantly that we have the membership retention and growth that we need to do all the above.

I would also like to acknowledge the support of Surf Lifesaving Sydney, the Management, Competition Officials and the Office Staff for their constant help and assistance.

Anita Pryke
President

Wanda State Team 2014

Wanda Nippers

It is with pleasure that I write the Chairman's report for 2013/14 as this season has been a very successful one for Wanda Nippers. But what is the measure of this success? Our success can and should be measured across many areas.

Culture

Culture is what underpins a great club and we have a culture that has a perfect mix of fun, competitiveness and team work. Everyone in the club contributes to this culture so thank you to all.

Sponsors

Wanda JAG is lucky to have long standing sponsors that help fund a range of activities. To our major sponsors, Purnell Motors, AJ Grant, Tempus Wealth thank you for your continued support. Also to our new Age Manager sponsor The Fresh Produce Group, welcome and thank you. And to all other sponsors and supporters, we very much appreciate your financial assistance.

Commitment of the Committee

Without doubt, the Wanda JAG Committee always strives to improve the way this club operates. Be that financially, structurally or operationally. This has been achieved by agreeing on a plan and working together to achieve these goals.

A special mention to Anne Marie Berry who after 3 years in the role as Treasurer will retire from the committee. Anne Marie has brought professional rigour to the way our finances are managed and reported and for that we are truly thankful.

Volunteerism

To our IRB team lead by Steve Stavrou, John Brown and the water safety team, the Social Committee, Big Board Bounty Committee and all the parents that helped with clothing sales, BBQ, Beach set up or performed official duties at carnivals a big thank you.

Competition

Under the guidance of our coaching team lead by Dean McMahon, we have improved on last year to finished 3rd at the NSW State Championships and with that we also reclaimed the top placed club in the Bate Bay. The recruitment of our elite senior club competitors guided by Dean and Ian

U13 Girls State Bronze

Ross has been an excellent initiative to help improve on the skills of our kids. Also, thanks to Kenny and Kurtis for taking care of our U8 Wade training.

Our Nippers

From our new U6s to our U14's, your conduct has been fantastic. Yes, you have performed well in competition but that comes second to the way you have behaved week in, week out.

To our Club Captains, Kurt Stavrou and Shelby Wilde thank you for your leadership. To all the U14s we hope you enjoyed your years at Wanda Nippers and best of luck in the seniors next year. Also a big thanks to Brett Taper, Louise Southwell, Darren Gosling and Mark Smith for guiding this kids through their time at JAG.

The Future

While Wanda JAG is performing well we can always do better. To that end a workshop was held at the end of the season to review where we are going well and where we could improve. This combined with the Wanda survey results culminated in a Wanda JAG, 3 year strategic plan that will be implemented in 2014/15.

As we move into our 50th year I would like to take this moment to thank everyone who has supported me in the role of Wanda JAG Chairman. Being part of the team has been a fantastic experience. I have also enjoyed the feedback from parents on the beach.

For me personally, to see the return of the March Past, R&R and a surf board riding program and I'd like to thank Donna Brown, Virginia McMahon (March Past), Pauline Brown and Julie Adams (R&R) and Tony Rohr (Surfing) for giving some kids an opportunity to be involved in something they are passionate about.

That's what makes us truly great and truly successful – providing everything that this wonderful movement of surf lifesaving has to offer and being inclusive.

EXECUTIVE COMMITTEE REPORT

The Executive Committee of Surf Life Saving Sydney Incorporated present the following report for the financial year ended 31 May 2014.

REVIEW OF OPERATIONS

The net operating surplus for the financial year ended 31 May 2014 was \$185,155, compared with a net operating surplus of \$25,733 during the 2013 financial year.

PRINCIPAL ACTIVITIES

The principal activity of the Club during the course of the financial year was the provision of administration services to the member clubs.

CHANGES IN STATE OF AFFAIRS

No significant changes in the state of affairs of the Association occurred during the financial year.

POST BALANCE DATE EVENTS

No matter or circumstance has arisen since the end of the financial year that has significantly affected or may significantly affect the operations of the Association, the results of those operations or the state of affairs of the Association, in future financial years.

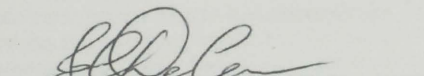

EXECUTIVE COMMITTEE

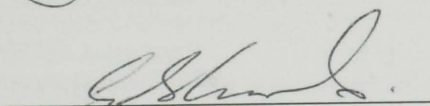

The following Executives have been in office for the entire financial year unless otherwise stated:

Name of Executive	Title & Special Responsibilities
John De Cean	President
Peter Agnew	Deputy President
Peter Carney	Director of Finance
George Shales	Director of Administration
Glen Clarke	Director of Lifesaving (Resigned 4/2/14)
Simon Torsellini	Director of Lifesaving (Appointed 4/2/14)
Doug Hawkins	Director of Youth Development
Doug Hawkins	Director of Junior Development
Wayne Druery	Director of Surf Sports

Signed in accordance with a resolution of the Executive Committee.

On behalf of the Executives,

Mr John De Cean

Mr George Shales

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MAY 2014

NOTE 1: Statement of Significant Accounting Policies

Surf Life Saving Sydney Incorporated is not a reporting entity because in the Executive Committees' opinion, there is unlikely to exist users who are unable to command the preparation of reports tailored so as to satisfy specifically all of their information needs and these financial reports are therefore a "Special Purpose Financial Report" that has been prepared solely to meet the financial reporting requirements under the Association's constitution, the Charitable Fundraising Act 1991 and the Associations Incorporations Act NSW.

The financial report is a special purpose financial report that has been prepared in accordance with Australian Accounting Standards (including Australian Accounting Interpretations), and other authoritative pronouncements of the Australian Accounting Standards Board.

The financial report has been prepared on an accruals basis and is based on historical costs and does not take into account changing money values or, except where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets.

The financial report has been prepared in accordance with the requirements of the Corporations Act 2001, and the following applicable accounting standards.

AASB 101	Presentation of Financial Statements
AASB 107	Statement of Cash Flows
AASB 108	Accounting Policies, Changes in Accounting Estimates and Errors
AASB 118	Revenue
AASB 110	Events Occurring after the Reporting Period
AASB 1031	Materiality

The accounting policies used in the preparation of this report, as described below, are consistent with the financial reporting requirements of the Association's constitution, and with previous years.

The following is a summary of the material accounting policies adopted by the company in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

(a) Income Tax

No income tax is payable by Surf Life Saving Sydney Inc. as Section 50-5 of the Income Tax Assessment Act 1997 exempts Charitable Institutions from Income Tax.

(b) Revenue

- Sale of goods: Revenue from the sale of goods is recognised when control of the goods has passed to the buyer, the amount of revenue can be measured reliably and it is probable that it will be received by the Association.
- Rendering of services: When the outcome of the transaction involving the rendering of services can be estimated reliably, revenue associated with the transaction is recognised by reference to the percentage of the services performed.
- Interest revenue: Interest revenue is recognised as revenue when received.
- Members subscriptions: Member subscriptions are recognised as revenue when received.

(c) Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the taxation authority. In this case it is recognised as part of the cost of acquisition of the asset or as part of the expense.

SURF LIFE SAVING SYDNEY INCORPORATED
A.B.N. 74 781 063 539

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MAY 2014

(d) Plant and Equipment

Property, plant and equipment are stated at historical cost less depreciation. Individual items costing less than \$1,000 are expensed immediately through the income statement rather than capitalised to the balance sheet. The depreciable amount of all fixed assets are charged over their life from the time the assets are purchased.

Property

Freehold land & property is measured at fair value by an independent valuer in regular intervals.

The property is taken to be held for investment purposes and therefore the committee has adopted not to apply depreciation. Any adjustments in the value of the property will be made to the asset revaluation reserve. The current value of the property is \$2,006,592 with the last valuation being conducted on 31 May 2014.

Loans from the Building Society are secured by a registered first mortgage over the property.

Assets excluding leasehold buildings are depreciated over their lives utilising the following rates:

- Plant & Equipment	10% - 20%
- Office Furniture & Equipment	10% - 33%
- Rental Plant & Equipment	10%
- Competition & Lifesaving Equipment	33%
- Leasehold Improvements	10%

DECLARATION BY MEMBERS OF THE EXECUTIVE COMMITTEE

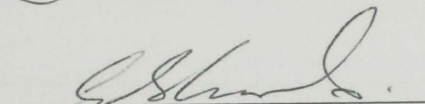

The Executive Committee of the Surf Life Saving Sydney Incorporated has determined that the Association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the Executive Committee:

- (a) the financial report gives a true and fair view of all income and expenditure of the Surf Life Saving Sydney Incorporated with respect to fundraising appeals.
- (b) the income statement gives a true and fair view of the state of affairs with respect to fundraising appeals;
- (c) the provisions of the Charitable Fundraising Act 1991 and the regulations under that Act and the conditions attached to the authority have been complied with;
- (d) the internal controls exercised by Surf Life Saving Sydney Incorporated are appropriate and effective in accounting for all income received and applied by the organisation from any of its fundraising appeals;
- (e) the financial report as set out presents fairly, with respect to fundraising appeals, the financial position of Surf Life Saving Sydney Incorporated as at 31 May 2014 and its performance for the year ended on that date in accordance with Australian Accounting Standards and other professional reporting requirements as described in Note 1; and
- (f) at the date of this statement, there are reasonable grounds to believe that the Surf Life Saving Sydney Incorporated will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Executive Committee and is signed for and on behalf of the Committee by:

Mr John De Cean

Mr George Shales

Dated this 11th day of July 2014

INDEPENDENT AUDIT REPORT
TO THE MEMBERS OF
SURF LIFE SAVING SYDNEY INCORPORATED
A.B.N. 74 781 063 539

Scope

We have audited the accompanying financial report, being a special purpose financial report, of Surf Life Saving Sydney Incorporated, which comprises the statement of financial position as at 31 May 2014, the statement of financial performance and the statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information and the declaration by members of the Executive Committee.

Executive Committee's Responsibility for the Financial Report

The members of the Executive Committee of the Surf Life Saving Sydney Incorporated are responsible for the preparation and fair presentation of the financial report and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the Charitable Fundraising Act 1991 and the Associations Incorporation Act NSW and are appropriate to meet the needs of members.

The Executive Committees' responsibility also includes designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial report is free from material misstatement, or whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Executive Committee, as well as evaluating the overall presentation of the financial report.

The financial report has been prepared for distribution to members for the purpose of fulfilling the Executive Committees' financial reporting requirements under the Charitable Fundraising Act 1991 and the Associations Incorporation Act NSW. We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

Our audit did not involve an analysis of the prudence of business decisions made by members of the Executive Committee or management.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the Charitable Fundraising Act 1991 and the Associations Incorporation Act NSW which encompass the requirements of the Corporations Act 2001.

INDEPENDENT AUDIT REPORT

TO THE MEMBERS OF SURF LIFE SAVING SYDNEY INCORPORATED A.B.N. 74 781 063 539

Basis for Qualified Opinion

As is common for organisations of this type, it is not practical for the club to maintain an effective system of internal control over donations, subscriptions and other fund raising activities until their initial entry in the accounting records. Accordingly, to this extent our audit was limited to the amounts recorded and banked. We are therefore unable to express an opinion on the completeness of the funds raised.

Qualified Auditor's Opinion

In our opinion, except for the effects on the financial report of the matter referred to in the qualification paragraph:

- (a) the financial report of Surf Life Saving Sydney Incorporated is in accordance with the Charitable Fundraising Act 1991 and the Associations Incorporations Act NSW, including:
 - (i) giving a true and fair view of the entity's financial position as at 31 May 2014 and of its performance for the year ended on that date; and
 - (ii) complying with Australian Accounting Standards to the extent described in Note 1, the Charitable Fundraising Act 1991 and the Associations Incorporation Act NSW.
- (b) the financial report gives a true and fair view of the financial results of fundraising appeals conducted during the financial year;
- (c) any money received as a result of fundraising appeals conducted during the year ended 31 May 2014 has been properly accounted for and applied in accordance with the Charitable Fundraising Act 1991 and the Regulations thereto;
- (d) the financial statements and associated records have been properly kept during the financial year in accordance with provisions of the Charitable Fundraising Act 1991 and the Regulations thereto; and
- (e) at the date of this report, there are reasonable grounds to believe that Surf Life Saving Sydney Incorporated will be able to pay its debts as and when they fall due.

Name of Firm: BELL PARTNERS
Chartered Accountants

Donald F. Bell
Registered company auditor

Address: 40 Lime Street, King Street Wharf SYDNEY

Dated this 11th day of July 2014

The Final Word

The 2013/2014 was a relatively calm year in comparison to the previous season with a trial agreement being reached on a proposed Branch structure. The proposed trial for a twelve month period will enable us to focus on a number of strategic activities now that progress has been made.

George Shales

This season saw the renewal of our major sponsor Streets which has been in place for the past 3 years and has been critical in the provision of funds for operational and crucial Lifesaving resources. Streets have re-signed for a further 3 years and again providing additional funding for new tents to be purchased.

The official opening of the Fallen Lifesavers National Memorial

took place on Sunday 27 April 2014 at Goldstein Reserve, Coogee Beach. The Fallen Lifesavers Memorial is situated along the southern end of the promenade in Coogee, New South Wales, and features a bronze sculpture of a lifesaver and a soldier, a terraced seating area and landscaping works. Future works will include a remembrance wall listing the names of the fallen lifesavers. The Memorial serves to recognize the contributions of surf lifesavers in war as a distinct group who rose from protecting beachgoers at home, to fighting for our freedoms in wars far away from our shores.

On June 19 2014, members of the Board and Staff attended the 2014 Australasian Reporting Awards (ARA) function where Sydney Branch was presented with a Bronze Award for Distinguished Achievement in Reporting for our 2012-2013 Annual Report. This was a first for Sydney Branch and we acknowledge Life Member Gus Staunton for recommending that the Branch consider the criteria involved in the ARA. Bronze Medal achieved, thank you Gus.

On the Lifesaving front, we were met with a number of challenges during the season with the resignation of the Director of Lifesaving which is a key position within the Branch. This saw Simon Torsellini take the reins which was quite a challenge during a difficult period. This season we continued with the heavy focus across the Branch on ensuring that "No Lives Lost" between the flags on patrolled beaches remained in statue.

This season saw the continuation of the Emergency Service Officer (ESO) at all Carnival and events held within SLSS. This has proven to be a key requirement and necessary activity and was put to the test during the Junior Branch Championships held at Maroubra. I am pleased to say while we were presented with a real heart-stopping scenario; it reinforced the need to ensure we keep this service operating within Sydney Branch. I would like to thank Wayne Druery and Mike Day for the professionalism they displayed during the challenges we faced at the Branch Championships and also thanks to Maroubra for the hosting and event management.

In closing, I would like to take this opportunity to sincerely thank both Linda and Victoria for their tireless support provided to me and the management team over the last twelve months, and of course, the valuable assistance they provide to all the clubs. I would also like to thank the other members of the Board of Management for the support they have provided me over the 2013/2014 season. Thank you also to John De Cean as the President for his service over the last 5 years. It should not go without noting that John has been a member of the Branch in key positions over the last 23 years and will continue to be involved for many years to come.

George Shales
