# PRESIDENT

The 2016/2017 season has been extremely busy for Surf Life Saving Sydney. In my third year as President, I have been very fortunate to have the same board supporting me this season. The main focus this season has been to ensure we were relevant to the 15 clubs in the branch. This meant we were continually striving to deliver value and provide leadership and guidance to all clubs.

The year in review, with our continued focus on innovation and suitability for the future, enabling us to continue to deliver against the strategic priorities as outlined in our strategic plan.

The key areas of focus this past season have been on strategy and innovation while continuing to improve the operational aspects of the organisation. Under the guidance of Peter Agnew we have been in a position to ensure we have a strategic focus while delivering against our core operational requirements. During this process we continued to engage with all the clubs ensuring we were focused in the appropriate areas. Peter also continued to ensure we are leading across the Drone Technology front. This enabled us to utilise the technology in an unfortunate drowning incident which occurred in February this year on Maroubra beach. Having the ability to put the technology to use in a major incident while unfortunate allowed us to fully appreciate the value of using technology and continue to ensure the organisation at all levels remains engaged.

On a lifesaving and education front Simon Torsellini and his team continued to deliver some great results across the portfolio. The ever-increasing requirement for the support operations teams across the branch with some testing incidents occurring that required many hours of interactions from all the teams. The

incidents we have been involved in this season have highlighted the ongoing requirement for the services and in fact has necessitated the appointment of additional rescue coordinators and an increase of other support services.

I have been very encouraged by the number of clubs who have taken up the SLSNSW quality clubs program. We currently have 11 of the 15 clubs who have obtained the quality club status as recognised by SLSNSW 9 Bronze level, 1 Silver level and 1 Gold level. This program is designed to ensure that all clubs have the appropriate plans in place to remain sustainable for the future.

The financial health and compliance of the organisation has been led by John De Cean. The decision was made to engage an external book keeper to manage the accounts which has enabled us to have a clear separation from operational activities accounts. While we undertook this process we were exposed for a short period of time while the new book keeper Sharon Porter came on board. I would like to say thank you to the club presidents and board members for their patience during this period.

The Surf Sports team lead by Wayne Druery has also provided some great opportunities supported by the clubs. The main focus was to continually challenge the way we do things today. The team have continued to deliver on the objectives set by hoisting a second series of Nutri-Grain in Sydney Branch which was successfully run at North Cronulla.

This season also saw a successful Branch Championships and Junior Championships held at Maroubra with a full schedule being completed on both days, which is the first time in many years. I would like to thank David Simpson (Maroubra President) for the management of the two days and for continuing to support the event. The team at Maroubra ensure the event is run without any issues and continues to deliver.

Sydney Branch also took a team to the SLSNSW inter branch championships held at The Lakes on the central coast in the Entrance and came away with the winners trophy. I would like to take this opportunity to thank the team Manager John De Cean and the competitors for achieving a great result. I would also like to take this opportunity to recognise Jackie Parker who has been involved as the team chaperone for the past 12 years. Jackie has been instrumental in ensuring the behind the scenes logistics runs like clockwork. It is with a heavy heart that I advise that Jackie has advised due to personal commitments that she will be unavailable for future inter-branch championship events. Jackie, I know personally that this is a tough decision you have made and I sincerely wish you all the best in the future, you will be sadly missed.

The Member Services team have also been working on a strategy to engage more youth and females into key positions within the organisation while ensuring we have a succession plan in place to support the future direction of the organisation. This year we

launched a number of conferences dedicated to the youth within SLSS, this has been met with a high level of enthusiasm of which will continue into the future

The Junior Development team lead by Doug Hawkins continued to manage juniors and deliver the development camps. These camps ensure the juniors of our organisation are provided with the necessary skills to be future leaders of the organisation. Doug and his team also continued to roll out the junior scenario training across the Branch.

The 2016/2017 Surf Life Saving AOE was a great success and a tribute to the work the BOM and office staff put into the evening. The evening saw recognition of the best lifesavers and competitors in our Branch. Congratulations to Lifesaver of the Year – Jedd Goggin, Volunteer of the Year – Wayne Druery, Branch Member of the Year – Trent Thomas, Official of the Year – Greg Pierce, Open Athlete of the Year - Lizzie Welborn, Young Athlete of the Year (U/19) - Ethan Garland, Coach of the Year - Jock Campbell, Assessor of the Year - Stephen Urquhart, Trainer of the Year - Nicole Cooney, Community Education Program of the Year - Tradies Surf Awareness Clinic, Masters Athlete of the Year - Dori Miller, Services Team of the Year - Maroubra Beach SAR – members of South Maroubra, Maroubra, Coogee SLSCs, Surf Rescue 30, RWC, Duty Officers, Little Ripper, Facilitator of the Year - Peter Carney, Initiative of the Year - Rock Fishing APP, Administrator of the Year – Keith Grima, Junior Lifesaver of the Year Male - Asher Wilson, Junior Lifesaver of the Year Female Bridget Crick, We wish all the winners well at the up and coming SLSNSW AOE.

Surf Life Saving Sydney was extremely well represented at the SLSNSW 2015/2016 Awards of Excellence (AOE) with a nomination in 99% of the categories and winning a number of awards such as Trainer of the Year - Kerrie Hammell (Cronulla SLSC), Surf Sports Official of the Year - Wayne Druery (Cronulla SLSC), Stramit Club of the Year - North Bondi SLSC, Surf Lifesaver of the Year - Kane Hughes (North Cronulla SLSC).

Surf Life Saving Sydney was also well represented at the SLSSA 2015/2016 Awards of Excellence (AOE) Lifesaver of the Year Kane Hughes, North Cronulla SLSC, NSW, and Official of the Year Wayne Druery, Cronulla SLSC, NSW and Group Certificate of Merit with Bronze Insert North Bondi SLSC.

In summary the key achievements delivered by Surf Life Saving Sydney are listed below:

- Continuing to drive the drone technology for use in Surf Life Saving at all levels of the organisation
- Delivering new competitive events in Sydney Branch
- Clubs Gear Inspection Application released and used successfully across the 15 clubs
- Quality Club Program with 11 of the 15 clubs engaged

- Rock Fishing Application released in February into a live production environment

I would like to take this opportunity to reconfirm that NO LIVES WERE LOST between the flags in Sydney Branch and sincerely thank the club presidents for the continued support provided to me and the Board of Management during the season.

To the Board of Management - Peter Agnew Deputy President, Keith Grima Director of Administration, John De Cean Director of Finance, Simon Torsellini Director of Life Saving and Education, Wayne Druery Director of Surf Sports, Trent Thomas Director of Member Services and Doug Hawkins Director of Junior Development - I wish to extend my sincere thanks for your support and dedication to our Branch. To the backbone of the organisation - Linda Perrin, Victoria Raymond and a welcome note Toni Murphy thank you for the unrelenting support you provide to all the clubs and BOM.

I would also like to acknowledge John De Cean for his sustained service. John has advised he will not be seeking re-election for the coming season. John has held a position on the board of Surf Life Saving Sydney for the past 30 years, we wish him well in the future and look forward to seeing him on the beach.

Three of our members were recognised with high honours this season. Peter Agnew ESM and John De Cean were elevated to Life Membership of SLSNSW and Peter Pearce was awarded an OAM for service to Surf Life Saving.

**George Shales  
President**

# CONGRATULATIONS

Surf Life Saving Sydney members were recognised for Excellence at the State and National level this season. Congratulations to the following members who were recognised for their excellence in Surf Life Saving.

# SPONSORS

Surf Life Saving Sydney is proud to acknowledge our sponsors’ contribution, both financially and materially. Without sponsorship - corporate, government and individual – our task of providing viable Life Saving Services to the community of Sydney would be difficult. It is appreciated, that here in our Annual Report, the major public document of Surf Life Saving Sydney; we recognise and thank our individual sponsors for their support – support that is given without restriction or interference with our objectives and achievements.

## MAJOR SPONSORS

Streets  
Sydney Airport Corporation

## BRANCH PARTNERS

Maroubra Seals Sports & Community Club  
New South Wales Government  
New South Wales Department of Sport & Recreation

## NATIONAL MAJOR PARTNERS

Telstra  
DHL  
BRP

# UNMANNED AERIAL VEHICLES

The call goes out for a missing swimmer on a busy summers day on one of Sydney’s popular swimming beaches as lifesavers are alerted that someone was seen moments earlier disappearing under the water. Assistance is launched from the beach and speedily races to the last known location where a search pattern is quickly commenced, time is of the essence. A lifesaver sees an exhausted hand clutching the air to stay afloat and aims their rescue equipment towards the struggling victim – they let go of a rescue tube that lands in front of the grief-stricken victim and they clutch onto it for life. The lifesaver on this occasion is sitting in front of a large screen in the clubhouse and the rescue equipment is an inflatable tube dropped from an Unmanned Aerial Vehicle (UAV), or better known as a Drone. The patient is soon attended to by the Inflatable Rescue Boat and is quickly transport to shore.

Surf Life Saving Sydney has been a lifesaving pioneer since the inception of the movement on our beaches in the early 1900’s and continues to be today. Whether it be with the development of the Oxy-Viva Resuscitator, helicopter surf rescue, Inflatable Rescue Boats or Drone Technology Surf Life Sydney enjoys being part of what makes the organisation special – a continual effort to ensure we get better and smarter in the provision of life on our beaches.

Over the past three years Surf Life Saving Sydney has played an integral part of the organisations drive to find ways to experiment with, and trial this aerial technology. We have had some fantastic outcomes with our member trials in locating submerged objects and scenario based searches says Deputy President, Peter Agnew who has co-ordinated the project team. “It is quite exciting to see the number of developments in camera technology, search automation and shark spotting algorithms that one day in the not too distant future will take for granted as part of our standard patrol equipment.

Surf Life Saving Sydney conducted the first drone think tank within the organisation with CASA, Central Coast Branch, SLSNSW and SLSA three years ago and may stakeholders have since seen the potential for the use of Drones.

On 28 February 2016, Westpac formally announced their sponsorship of the trial of autonomous, Little Ripper Lifesaver for search and rescue. The sponsorship complemented Westpac’s existing 42-year sponsorship of the Westpac Life Saver Rescue Helicopter Services (WLRHS) and further strengthened their commitment to supporting local communities and making Australia safer.

Kane Hughes and Andrew Ugarte are the Branches first qualified drone operators and will move into further trials and operations linked to Little Ripper and Surf Lifesaving in the coming season. Meanwhile the organisation is fast developing its standard operating procedures, specification and award requirements for the equipment.

While drones won’t replace the iconic Australian Lifesaver any time soon, it is envisioned that they have the potential to be a close companion in our search and rescue tool kit. Potential uses for the drone are:

- Missing swimmer searches
- Shark searching
- Investigation of submerged object offshore
- Flotation aid deployment to distressed swimmer
- Hover over missing object as a reference point
- Transport of defib or first aid equipment or radio to distant or remote area
- Training and development footage
- Event safety observation
- Night operations (Flur or heat seeking cameras etc)

# MEMBER SERVICES

Surf Life Saving Sydney has continued to develop and prosper across our ranks due to the strength and commitment of our members, clubs and sub-committees. Without these dedicated members within the organisation we would be unable to deliver the high standard and breadth of services across the branch. The Member Services portfolio is indebted to these members who make our work achievable in guiding the organisation to develop future leaders, sustainable practices and strong member based policies and programs.

This year the Member Services Committee and Youth Advisory Group embarked on providing positive change and value added services in a challenging environment. These two groups worked hard with members across the branch to help deliver a range of programs from a club, branch and state level.

A key highlight of the year was the development and deployment of the 18+ Youth Enrichment Program. This entry level leadership development course run by Surf Life Saving Sydney provided an opportunity for our future leaders to network, develop skills and widen perspective of Surf Life Saving. While there will be future development of the program in future years, it was a huge success with a strong cross-section of members from across the branch in attendance. We look forward to seeing these future leaders develop and grow within the organisation. A huge thanks must go to the Youth Advisory Group and the Facilitators of the program, without them the program would not have been the success it was.

The Awards of Excellence saw a number of changes this year in relation to award categories, presentation and delivery on the night. The changes proved to be a success with a different feel from previous years. It was a pleasure to see two of our younger leaders in the organisation taking over as MC’s, Danielle Herman & Jedd Goggin.

Surf Life Saving Sydney focussed heavily this season on Member Protection. With the launch of a new Member Protection Policy across the organisation allowed for the base to launch a number of programs and presentations to target this area. The presentations were completed through branch presidents, grievances officers and out to the general membership. As part of the presentations we also held an information workshop with Ian Fulluger to speak and answer questions around the legal issues around member protection, grievances and disciplinary matters. To cap off the work in this area Surf Life Saving Sydney organised and provided Member Protection Information Officer Training (MPIO) over two nights to our clubs. This is a key step in ensuring we provide consistent support mechanisms to our members for their protection and for consistency of approach. We are now the leading branch in this area and have set the standard for the rest of the state with MPIO’s in each club.

While there have been many other programs of work undertaken over the year within the Member Services portfolio I can unfortunately not list them all. I would like to thank all members and clubs for the support provided to the Member Services team over the course of the season and look forward to continued development of our clubs and members in the future.

# OUR STRATEGIC FOCUS

This is the third year that the Strategic Development Plan has driven the work of the Surf Life Saving Sydney Board of Management and associated committees. The plan is aligned to the SLSNSW and SLSA Strategic Direction documents. Both the NSW and the SLSA plans are currently being reviewed and we will explore alignment with these plans during the 2017/18 season.

The plan has four areas of strategic intent and nine areas of strategic direction.

1. Saving Lives 24/7

2. Healthy Clubs

3. Government Recognition

4. Financial Security

5. Effective Branch Movement
6. Involving all Australian

7. Learning for Life

8. Active for Life

9. Innovating SLS

The focus of our Surf Life Saving Strategy has been on innovative ways to develop public safety programs for the branch and to engage our Surf Life Saving Clubs while aligning our activities and actions with the broader organisational strategy to reduce the rate of drowning within the Sydney region. We have achieved several key priorities within the plan. The Branch has driven several new programs and initiatives in the 2016/17 season. Our core priorities in the 2016/17 Season has been to:

| Strategic Priority           | Key Season 2016/17 Focus   | 2016/17 Activity   |
|------------------------------|--|--|
| 1. Saving Lives 24/7         | • Data Dashboard   | • Mid and final year data presentations provided to Branch Council                                 |
|                              | • Prepare service agreements   | • Several blackspot projects undertaken including Rock Fishing Program                             |
|                              | • Blackspot drowning prevention  | • Ongoing meeting with EM groups   |
| 2. Healthy Clubs             | • Conduct at least one SAREX program and link with EM groups                   |  |
|                              | • Develop membership data dashboard  | • Data workshop conducted at Council Meeting   |
|                              | • Undertake recognition review and develop mature framework                    | • New AOE structure developed  |
| 3. Government Recognition    | • Implementation of Club Quality Program                                       | • New member services section developed and managed  |
|                              |  | • Leadership programs conducted  |
|                              | • Monitor implication of local government mergers                              | • Ongoing monitoring of local government mergers   |
| 4. Financial Security        | • Political strategy   | • Ongoing liaison with each level of government  |
|                              | • Ongoing investment strategy  | • Several meetings of the Finance and Audit Committee conducted                                    |
|                              | • Financial governance to be monitored   |  |
| 5. Effective Branch Movement | • Communications plan and social media plan to be developed                    | • Succession plan developed  |
|                              | • Undertake By-law review  | • New By-Laws and Constitution adopted   |
|                              | • Manage strategic focus and practice best practice governance                 | • Communications plan and social media plan developed  |
| 6. Involving all Australian  | • Clarity on state and national strategy and support resources                 | • Alignment of Branch Programs with SLSNSW and SLSA programs                                       |
| 7. Learning for Life         | • Training needs analysis – define our key target programs for 2016/17         | • Monitoring of key award statistical data provided  |
| 8. Active for Life           | • Developing Participation Strategies – define participation numbers and rates | • Preparation for participation in Surf Sports technology agenda                                   |
|                              | • Link community to SLS events   | • Further enhancement of carnival program  |
|                              | • Meet benchmarks for publication of results                                   | • Facilitated several major events within Sydney Branch  |
| 9. Innovating SLS            | • Sharing and problem solving strategy   | • Involvement at a State and National level to assist with Drone technology – operators accredited |
|                              | • Undertake two innovative projects (Drone and Rock Fishing)                   | • Rock Fishing App launched  |
|                              | • Promote sharing of resources   |  |

Some of our key priorities developed for 2017/18 include:

- Talent Management and succession planning
- Administration and technology review
- Investment and sponsor strategy
- Support operations and community education development

Peter Agnew ESM  
Deputy President

# LIFESAVER AND VOLUNTEER OF THE YEAR

## Surf Life Saving Sydney Lifesaver of the Year

**Nominees:** Nicole Krite – South Maroubra, Jackson Towns – Elouera, Caroline Smith – Clovelly, Toby Iemma – Bondi, Brittaney Banks – North Bondi, Jedd Goggin – Maroubra, Matthew Spooner - Coogee

**Winner :** Jedd Goggin, Maroubra SLSC

Jedd’s commitment to surf lifesaving throughout the areas of lifesaving, education and members services is second to none. Since gaining his SRC award on his birthday in 2006, Jedd has completed 11 years of active patrolling with a total of 1,406.5 hours of patrol to date.

During season 16-17 Jedd has multi tasked as a member of Maroubra SLSC, Surf Rescue 30, RWC Operator as well as spreading himself to his dual Mid North Coast Branch club Wauchope Bonny Hills where is was also very active in lifesaving and education.

Highlights of Jedd’s season with Maroubra SLSC and Sydney Branch include – Patrol Captain, 100% patrol attendance, BM and SRC Trainer, Club emergency response member, ORB Skippers Award, SLSS Support Operations Group member, ORB Trainer and Assessor. Upon completing and gaining his ORB Skippers award, Jedd took on training many of the new recruits to Surf Rescue 30.

Jedd was a very successful facilitator for Sydney Branch 18-25 yrs Development Program proving to be an integral member of this program for our Branch.

Jedd is a positive role model in Maroubra SLSC and is an excellent ambassador throughout our Branch and the wider community. Jedd’s outstanding contribution as a Surf Life Saver was very worthy of the honour of Sydney Branch Lifesaver of the Year 2016-2017.

## Surf Life Saving Sydney Volunteer of the Year

**Nominees:** Andrew McKellar – Elouera, Rebecca Cocks – Clovelly, Marcelo Garay – South Maroubra, Wayne Druery – Cronulla, Jim Walker – North Bondi, Andi Illidge - Coogee

**Winner :** Wayne Druery, Cronulla SLSC

Wayne is an active surf lifesaver with Cronulla SLSC who is committed to the movement at many levels – lifesaving, administration and surf sports. He is a forward thinker and constantly looks at ways to improve what we do while respecting our origins and culture.

Wayne holds numerous significant positions across all levels of the organisation including the following : Director Surf Sports SLSA, Senior Vice President Cronulla SLSC, Convenor Constitution Committee Cronulla SLSC, Member of Club Management Team, Surf Sports Technical Committee SLSA, Head and Sectional Referee at State and Australian Championships, Referee Summer of Surf Series, Referee Kellogg’s Nutri-Grain Series.

The voluntary hours Wayne has given to surf lifesaving this season is priceless but it would be fair to say that Wayne this season has provided more than 200 hours on the frontline of running, coordinating, officiating and refereeing at carnivals across all levels of the organisation.

Wayne has shown his commitment on a continuous and growing level of Surf Life Saving. He not only continues to commit to significant work across all his official appointments but continues to work with many stakeholders to effect change and introduce new initiatives.

Wayne is a very humble gentleman who certainly does not volunteer alongside his fellow members for recognition. He is an outstanding role model and forward thinker providing positive reinforcement and support to all members and a very worthy recipient of the honour of Sydney Branch Volunteer of the Year 2016-2017.

# LIFESAVING AND EDUCATION

# LIFESAVING AND EDUCATION

Once again, our season has come to an end, and I can proudly say that there were ‘no lives lost’ between the red and yellow flags.

Sydney Branch Lifesavers continue to protect patrolled beaches from Sydney Heads to National Parks as well as an extensive coastline with Support Skis and Offshore Rescue Boats operations.

Thank you to all clubs and lifesavers for a great job done this season.

In the 2016-17 season our statistics showed that the number people coming to our beaches had only slightly increased from the previous season, but surf Conditions varied significantly each weekend keeping our lifesavers on their toes throughout the season, especially over the Christmas holiday period, January and February. This saw the number of preventative actions preformed in the branch increase from 31,000 to 32,000.

It was great to see that even though our Patrols were extremely busy on the beach this season, we still continued to maintain our high level of lifesaving standards. This was echoed by our lifesaving supervisors throughout the season, with many clubs achieving 100% patrol efficiency results in the majority of inspections.

Our rescues were down by 588 across the Branch, but I can proudly say that there are 1,801 individuals out there who returned home to their families from a day out at beach because of the dedicated and highly skilled lifesavers in this Branch. When you consider that we had almost the same number of people on the beach and in the water as last season, varied and challenging conditions resulting in a

1000 more preventative actions being performed across the branch, and yet we were able to reduce the number of rescues across the branch by 588, amazing effort. Traditional rescue methods (Board and Tube) remained high, while IRB dropped again this season. First aids followed the same pattern, with the number marine stings and cuts and abrasions dropping by 50 % to 4,856.

Sadly our drowning fatalities outside of patrolling areas and hours rose from 8 to 12 this season, including the number resuscitations performed by our lifesavers (3).

Once again, the Support Operation were extremely busy through the season, with the number of call outs slightly dropping to 112. The RWC team preformed 126 rescues, while our duty officers did over 250 hours attending incidents throughout the branch. Many of the incidents the team attended to this season were extremely difficult and distressing, and I would like to thank member services for their support.

This season saw the Branch and State use Drone technology for the first time in a SAR operation at Maroubra. Working alongside our Rescue Coordinators, Duty Officers, Rescue 30, RWC , call out teams from Maroubra ,South Maroubra and Coogee, allowed us to continue the search for a number of days in difficult conditions.

On the Education front, the overall award numbers increased from the previous season, and as like last season the number of members completing their proficiency in core awards increased. This is a great reflection on our clubs and education teams, that we have not only increased the number of members and awards on patrol, but we have retained our members from the previous season. With Many Clubs and branches in the state, and country struggling to retain members, it is great to see Sydney Branch in such a strong position.

The number of new bronze awards increased by 14% and SRC 6%, while their respective proficiencies were both up 6 % across the branch. In an area where many clubs have struggled in the past, off the back of our hard work the last 3 seasons we saw steady awards numbers again in the branch, as with proficiencies increasing by 21% for IRBD, and 13% for IRBC. A fantastic effort by our IRB Trainers and Assessors.

The Sydney Branch Lifesaving, Education and Support Operations teams have again worked extremely hard this season maintaining the highest level of communication and engagement with the clubs. This season we introduced 2 new applications in the branch, an internal Gear Inspection App, and a Rock Fishing Safety App.

The Gear Inspection App was designed to assist the Branch Gear Inspection Team to review all Lifesaving equipment in

the branch. In the past this had been a very paper heavy task, which slowed down the process on the day. The new app allowed the team to provide instant feedback to clubs regarding any of the piece of equipment being tested, with clubs being able to access a detailed report on any outstanding items.

The second App we released was centred around Rock Fishing Safety. The allows individuals rock fishing the ability log their start time and return time. If they fail to check out or make an emergency call their emergency contact will be sent a text message containing their last known position, which can be relayed to emergency services. The App was launched at the Water safety community education and engagement day Coogee Beach 25th February 2017, organised by the NSW Department of Primary Industries (Fisheries NSW). The App was very well received amongst the Rock Fishing community, along with Randwick Council, NSW Police and other emergency service organisations. The App is designed to work only between South Head in Sydney harbour to Burning Palms in the Royal National Park, but we plan on expanding its reach in 2018.

There are a number of people who need to be recognised and thanked for their contribution to maintaining our lifesaving operations and standards, firstly to Linda Perrin and Victoria Raymond from Branch Office who organise and process lifesaving operations, without them the Branch would be difficult to operate. At the time of writing this report Victoria has left SLSS, to pursue other interests and challenges, from everyone in the Lifesaving and Education team, we wish you all the best.

Special thanks to Joel Wiseman and his team of Rescue Coordinators, Duty Officers, SurfCom operators, RWC operators and Off Shore Rescue Boat members. The team has worked tirelessly throughout the season, often in the background, to provide support and guidance to our patrol teams, including responding to hundreds of incidents within the branch outside of normal patrol hours.

Congratulations to our Lifesaver of the Year - Jedd Goggin, Volunteer of the Year - Wayne Druery, Sydney Branch Award of Excellence winners , along with our Rescue of the Month Winners.

Marissa Saunders and her educational team of facilitators, assessors and training officers for all their hard work in keeping lifesaving education at such a professional level. Also the great work the Operational Area Education Coordinators did in the areas throughout the season, Paul Hotton (Waverley), Beck Mister (Randwick), Steve Urquhart (Cronulla/Sutherland) and Peter Pearce (RNP).

To our Operational Area Coordinators Lifesaving led by the

Deputy Director of Lifesaving Matt Evans, Peter Quartly (Waverley), Matthew Spooner (Randwick), Graham Hill (Cronulla/Sutherland) and Mark Wood (RNP) and their assistants, thank you for your efforts working with Clubs to ensure standards were being maintained and guided clubs through positive engagement to improve their lifesaving patrols. Mid way through the season Michael Byrne who was the elected Lifesaving Operational Area Coordinator for Cronulla/Sutherland stood down from the position and we were fortunate to have this position filled by Graham Hill.

I look forward to working with the Clubs and Support Operations Services in 2017-2018 and wish everyone all the best during the off season.

**Simon Torsellini**  
**Director of Lifesaving and Education**

# SUPPORT OPERATIONS

The 2016 / 2017 season was an extremely busy season for all of the Support Operations Groups with many different scenarios to deal with and who once again did an outstanding job.

I would like to take this opportunity to thank each and every one of our support operations members for your ongoing commitment, dedication and professionalism for the way in which you conduct your duties. This was my first season as Support Operations Manager and with it came with many challenges, but I am proud of what has been delivered by the Support Operations team this season.

Unfortunately, the drowning toll for the year was 12, which is the highest in many years and significantly up on the previous year (8).

Sydney’s Duty Officer & Rescue Coordinator team continued to deliver a first class service to our patrolling teams and I was excited to induct three new Duty Officers to the team, being Matthew Gentle (Elouera SLSC), Jackson Towns (Elouera SLSC) and Ryan Rosenbaum (Maroubra SLSC). Our Duty Officers and Rescue Coordinators continued to provide an invaluable service in the 24-hour surf emergency response callout system and worked closely alongside our volunteer surf lifesavers, council lifeguard services, Westpac Lifesaver Rescue Helicopter Service and other statutory emergency service authorities. This team allows the branch to provide a 24/7 response capability and are often called upon at all hours of the day/night. Our Duty Officers also acted as Safety & Emergency Management Officers (SEMC’s) at SLSS carnivals to ensure minimum safety requirements were met.

I was excited to extend our Sydney RWC capabilities this season, having three RWCs service the branch and support our clubs. This season saw our RWC patrolling hours increase to 1053 hours significantly up on the previous year (by 335 hours), this is a testament to the dedicated operators who not only conduct normal beach patrols but go above and beyond to provide support to our clubs and roster themselves on for additional RWC patrols. I would like to congratulate the efforts of Jackson Towns who commenced the first half of the season as the RWC Coordinator and Andrew McKellar for continuing on in the roll for the second half of the season.

Surf Rescue 30 had another successful season attending a number of difficult rescues and maintaining a 24/7 response capability within the Branch. This season Surf Rescue 30 was tasked to 24 emergency responses and the skills displayed in patient access and treatment is a testament to the ongoing training and professionalism of the team. The group have also commenced redevelopment of the current base, which is an exiting time for the group and we look forward to seeing the base refurbished over the coming years, I would like to congratulate Matthew Harper who acted as the Group Captain and was a vital part to the groups improvement and success during the season.

The utilisation of our peer support services this season continued to increase due to the number of complex and difficult situations our members responded too. SLSNSW have changed the level of support offered to members and I must say it is a vast improvement on previous seasons. This service is available 24/7 to our members and it is imperative that we ensure our members are assisted through difficult processes as quickly and professionally as possible.

This season saw the introduction of Unmanned Aerial Vehicles (UAV’s) or Drones utilised in our Search & Rescue capabilities, this is the first time they have been utilised for a Surf Life Saving search operation within Australia and goes to show the innovation of Sydney Branch. Having access to these resources gave our lifesavers extra eyes in the sky delivering live vision back to the beach. Three of our members, Kane Hughes, Andrew Ugarte and Joel Wiseman were all trained in operating drones for Surf Life Saving Operations and we hope to see them utilised more in the future at once SLSNSW have finalised the Standard Operating Procedures in relation to the use of UAV’s.

The following members were acknowledged at the recent Sydney Branch Awards of Excellence night.

|                             |                          |
|-----------------------------|--------------------------|
| Support Operations          | Matthew Gentle (Elouera) |
| Member of the Year          |                          |
| Services Team of the Year   | Duty Officers (Maroubra) |
| Offshore Member of the Year | Jedd Goggin (Maroubra)   |
| RWC Member of the Year      | Adam King (Coogee)       |

This season John Restuccia retired as the SLSNSW Director of Lifesaving, a position he has held for 12 years and has played a vital role in the implementation and improvement of Support Operations. John is also a State Duty Officer and is taking on the role of Rescue Coordinator for Sydney for next season.

Trent Thomas – Trent has been heavily involved in Support Operations for a number of years, involved as a Duty Officer, RWC Operator and Offshore 30 member. He has made a significant contribution to the improvements of Sydney Branch not only as an active lifesaver but also as the Sydney Branch Director of Member Services. Trent has recently been appointed as the SLSNSW Director of Member Services.

In closing, I would like to thank all of the members of the team who make this group one of the most respected services, I would like to thank the Board of Management and Lifesaving & Education Committee for their continued support through the season.

Joel Wiseman  
Manager Support Operations

# EDUCATION

Education had another successful year. Clubs have worked incredibly hard to achieve the number of awards which are displayed in the awards chart and we can see that our overall awards have increased from last season. This could not have happened without the hard work of our Trainers, Assessors, Facilitators, Area Education Supervisors and Award Coordinators.

This season also has seen our TAFs including probationary TAFs undertake the compulsory professional development sessions. Thank you to everyone who attended as it had made this process enjoyable.

In collaboration with Surf Life Saving New South Wales, assessment standards were monitored and sharing assessors across other NSW branches and areas within our Branch was also undertaken, giving Assessors the opportunity to broaden their vision outside of their particular areas.

I would like to thank our Operational Area Education Coordinators for this season and also welcome them back for next season. Our Area Education Coordinators have contributed an enormous amount of personal time and effort in ensuring each Club and candidate received the necessary support for education activities.

The Operational Area Education Coordinators this season were:

- Waverley Paul Hotton
- Randwick Beck Mister
- Cronulla/Sutherland Stephen Urquhart and
- Royal National Park Peter Pearce OAM

Congratulations to the following members who were recognised at the Branch Awards of Excellence:

- Stephen Urquhart of Elouera SLSC Assessor of the Year
- Nicole Cooney of South Maroubra, Training Officer of the Year
- Peter Carney of Elouera SLSC, Facilitator of the Year

Many thanks and recognition must be given to Linda Perrin as without Linda's assistance and positive attitude towards her work, education would not be what is today. Administration of paperwork and award processing was once again met and maintained. Next season, the Branch office will be issuing regular reminders to all clubs to ensure that paperwork is submitted to Branch within 7 days of assessment completion as per SOPS.

Further recognition must be given to Steve Allan, Academy Support Officer for SLSNSW for his ongoing support to the Branch and Clubs. Steve has been a great support to the Branch to meet our RTO requirements and general education and lifesaving issues that arise throughout the season including Recognition of Prior Learning applications, Trainer, Assessor and Facilitator upgrades and re-endorsements. Steve also assisted in keeping the Branch well informed of any changes which are required to be rolled out.

Once again, congratulations and well done to everyone involved in education throughout Surf Life Saving Sydney, for another season.

**Marissa Saunders**

Sydney Nippers once again took to the beach for another wonderful season with nearly 7,000 Nippers across Sydney Branch.

This season we were also very pleased to hear that South Maroubra Nippers will be featured in a new TV Program on the ABC, covering their team for the season - should be an awesome program.

Once again we commenced our season with Sydney Airport as our Major Sponsor assisting us to deliver the best Nipper program in the country - thanks once again to Sydney Airport for their continued support.

It's always great to start a Season with an awesome team, and once again we had Marcelo Garay - Deputy, Donna Hargreaves - Secretary, Michael Day - Surf Sports and George Benhayon - Lifesaving and Education - a great JAC Committee with some solid experience.

Our Age Manager Courses were once again very well attended across our two sessions. Thanks to the clubs for encouraging so many people to attend, this season over 160 people gained their Age Managers Award. These sessions are a great opportunity to share the role of Nippers within the surf clubs and what we can achieve when we work together.

This season I had the pleasure of working with SLSA to update and revamp the Age Managers Course. This will enhance training next season

Our home-grown District Carnivals got onto the beach for three of our districts in November, and well done to all those clubs who hosted the Carnivals. These carnivals continue to

get bigger, and are a great launch pad for the Nippers to test their skills against others, and look to join the ranks of their competition teams.

Our U13 Dev Camp was fully booked with 96 very eager Nippers attending, supported by 25 very enthusiastic and keen parents. We had the pleasure of welcoming Kane Hughes from North Cronulla as the SLSA Lifesaver of the Year. Kane's message to the Nippers was welcomed by all, and his call for them to stay involved and get involved across all areas of the club was very well received.

It was also great to see the support of previous Development Camp members, Emily Maythers and Natasha Hargreaves, join us to teach the U13's the CPR component for the weekend.

Thanks to Cronulla and South Maroubra for their IRB teams on the weekend - they were awesome.

Our Development Camps could not happen without the support of Sydney Airport and their continued Sponsorship, and the Nippers and parents certainly enjoyed and benefited from the camp.

December each year shows us the outcome of nine seasons at Nippers, with many clubs completing their SRC Training. This season we had 404 U14's complete their SRC Certificate, delivering these young men and women to their clubs as qualified Surf Lifesavers.

These young Lifesavers make a huge difference to their clubs and bring skills and enthusiasm to their patrols.

Many of the clubs had also been completing their Nipper Emergency Drill once again, ensuring their Nipper teams are ready to respond if required.

January 2017 saw the Royal National Park run their District Carnival and well done to the National Park teams for another great event.

The last weekend of January saw a capacity U11's Camp. The camp was a very busy one, with lots of very interested and keen young "lifesavers in training". The practical sessions were very well supported by our leadership and teamwork sessions, and this particular group showed how smart and informed these young men and women are - well done to the clubs in preparing our lifesavers for the future.

This season we had nine Junior Lifesaver of the Year finalists from across the clubs, and as we have seen these last few years these are impressive young surf lifesavers. It's always a pleasure to interview the young men and women who made the Finals, and making a decision on who should be the Junior Lifesaver Of The Year (JOLTY) is always a difficult and close result - no more so than this season.

This season our JLOTY Finalists were:

Michaela Whitmee: Cronulla - Kiara Lee Summers: Elouera - Kyle Mtakovic: Maroubra -

Tara Georges: Maroubra - Briget Crick: Sth Maroubra - Cooper Stokes: Sth Maroubra -

Asher Wilson: Coogee - Bronte Howarth: Coogee and Emma Schreck: Nth Cronulla.

Our Winners for this season were:

Kiara Lee Summers: Elouera - Highly Commended

Junior Lifesavers of the Year for 2016-2017

Asher Wilson, Coogee and Bridget Crick - South Maroubra

A very difficult choice to make as always, with our JLOTY Winners shining through in areas of leadership and their understanding of Surf Life Saving and its role within the wider community

These are two very impressive young surf lifesavers, and they did our Branch and their Clubs proud at the State Development Camp in April.

As February rolled around all clubs were preparing for our Branch Carnival, once again held at Maroubra. With perfect sunny conditions and a huge base of Water Safety personnel, Officials and IRB teams from the clubs, it was a spectacular day, with our Nippers showing all their skills in all the events. There were many outstanding achievements, and a lot of very impressive results coming from many of the clubs.

To the Maroubra SLSC Work Party, Wayne Druery and all our team on the day, a very big thank you to all. This event just gets better and better, and this season was one of the best - great conditions, great teams and a true showcase of what Surf Life Saving can deliver.

This season saw some major changes in the education being delivered across the Branch with over 500 Nippers achieving their Resus Certificate, 124 achieving their Basic Emergency Care and 87 with their Radio Certificate. This is a great way forward from those clubs delivering these SLS Awards, and we encourage more clubs to get these awards into their programs for next season.

Across the Branch the clubs delivered over 5,000 Surf Ed Awards from their U6's to U13's, showing how much effort goes into delivering an effective Nipper season.

As with any activity involving young people certain situations can occur, and sometimes can be distressing to them. It was very encouraging and wonderful to see this season the care and compassion showed by Age Managers when these situations occur, a great effort by these teams in difficult

circumstances.

We see thousands of Nippers head to the beach on a Sunday morning rain or shine, and all supported by some incredible teams of parents putting together amazing programs. Nippers as a program effects not just the Nippers themselves, but also their parents, their siblings and the wider community. Seeing this across our fifteen clubs each week and having such a positive outcome for some many people is certainly inspiring.

As Sydney Nippers we represent people from many backgrounds from across our whole city, and we should be very proud of our inclusion, our enthusiasm and our encouragement, and the very positive outcomes we deliver for the Nippers their families and the wider community.

Thanks again to the Junior Development Executive Team and the fifteen Nipper clubs for an amazing season, and a great effort by everyone - well done to all

See you on the beach in 2017/2018

**Doug Hawkins**  
Director of Junior Development

# SURF SPORTS

## Director of Surf Sports Report

This season was my fourth year in the position of Director of Surf Sports and I, along with the Surf Sports Committee, continued with our clear primary focus of providing competition that was safe and efficient with carnival programs aimed at the contemporary needs of our competitors. The Coogee Carnival reintroduced surf boats this season while Wanda conducted a very successful carnival in January based around an ‘all club’ theme which included nipper and open age categories. . The remainder of the program of events basically remained unchanged with the season culminating (at a Branch Level) with the Branch Championships again being conducted at Maroubra.

**I will now highlight and expand further on other key aspects of the season.**

### Interbranch Team

2016/17 season saw Surf Life Saving Sydney return to the winners circle by convincingly winning the NSW Interbranch Championships over our main rivals Sydney Northern Beaches. This year the Championships were held at The Lakes SLC on the Central Coast with the program of events again being focused, for the second year, on a new teams based program with the water events conducted over a short course format. A big thankyou to John De Cean (Team Manager), Tracey Schriek, Max Walker Steve Strawbridge and Ray Masters (Coaches) and in the logistics and uniform roles – Jackie Parker, and Brett Furniss. Special congratulations to all of the athletes who were successful in selection and represented the Branch so proudly under the leadership of Captains Elysa Pierce (Wanda) and Jake Moses ( North Cronulla).

## Appointment of Referees & Officials

Referees and Deputy Referees were appointed to our carnivals prior to the commencement of the season. This process allowed for a more thorough planning and preparation process, in conjunction with Club/District based organising committees, prior to each carnival. A big thank you to all of the Referees, and their Deputies, who volunteered and undertook these very important roles.

I would also like to thank all of the Officials and IRB Drivers/ Crews who provide so much of their time and expertise to, not only make our carnivals such a success, but also the time and effort they dedicate to carnivals outside of our Branch including State & Australian IRB Championships, State & Australian Pool Championships, the NSW State Championships and the Australian Championships. I am firmly of the opinion Sydney Branch is blessed to have such a wonderful pool of talented and committed people to draw upon. A special congratulations to all Officials who were selected for senior roles at the various State and Australian Championships.

It is much sadness this season saw the passing of two fabulous Sydney Branch Officials - Tony Hughes and Richard Gluskie. To honour Tony’s memory a decision was made to name the annual Sydney Branch Official of the Year Award in his honour and it was very exciting to see Peter Carney ( Elouera) take out the inaugural award.

## Club Carnivals

The Surf Life Saving Sydney calendar of carnivals was basically a repeat of previous seasons with the majority of carnivals being held on their traditional weekends. The focus continued on streamlining programs to allow them to be conducted within a 4 to 5 hour time frame with a clear focus on innovative and exciting programs.

Many thanks to the Junior Development based organising committees for continuing a wonderful calendar of junior carnivals including the 4 District carnivals. This year we saw successful junior carnivals at Cronulla, Elouera (Ohana Carnival) with the Australia Day North Cronulla Ironman continuing to be a very popular event. Again thanks to Sydney Airports Corporation for their continual sponsorship of our junior carnivals.

## Branch Championships

The 2017 Open and Age Branch Championships were again hosted by Maroubra SLSC. A big thank you to Dave Simpson (Maroubra SLSC) and his team for such a wonderful job in hosting the Championships. The Masters Championships & Life Saving Championships were again held in conjunction with the Coogee Open Carnival.

## State & Australian Championships

This season again saw Sydney Branch competitors and Clubs perform extremely well at both the State & Australian Championships with Wanda again taking out 2nd place in the State Age Championships and 3rd at the Open Championships. Again congratulations to North Cronulla and South Maroubra for exceptional results in the IRB Premiership Series and the IRB State Championships. Finally special congratulations to the North Cronulla Surf Boat section who achieved amazing results across all divisions this season.

## Gear Steward & Trailer

Peter Burst & Frank Ridley again need to be congratulated for the thankless task of maintaining the gear trailer and its contents. I would also like to thank the Caringbah Bowling Club for their continued display of hospitality in allowing the storage of our trailers and container.

## Sally Fitzgibbon International

A new event this season was the Sally Fitzgibbon International that was held across the Bate bay in November. The event included a range of events including a fun run, ocean swims and an Invitational Ironwoman event. The Ironwoman event was held in conjunction with a WSL Board Riding event with Ironwomen invited from all over the country to compete with the eventual winner being Bonnie Hancock from Queensland.

## Kellogg’s Nutri-Grain Ironperson Series

The Nutri Grain Ironperson Finals Series returned to North Cronulla for a 3 day event from Friday 24 to Sunday 26 February. The highlight this year was the live television coverage on the Saturday and Sunday which was matched by the enormous crowds and electric atmosphere on the beach. A Junior Ironperson event was also held for U15 and U17 competitors with increased competitor numbers from the previous year. Congratulations to Lizzie Welborn (North Bondi) and Hayden Allum (Wanda) for qualifying to compete in the final series and to Geoff Budd (President North Cronulla) and his crew for hosting such a wonderful event.

Finally, I would like to thank my fellow members of the Surf Sports Committee being Greg Pierce, Tracey Green, Carlo Villanti and Mike Day for their tireless efforts and support. I would also like to thank the team of Advisors who have been an enormous assistance this season including Greg Allum OAM, Peter Burst, Ian Goode OAM, Max Gonzales, Amy Somes, Craig Hawkings, Steve Warren, Graham Bruce, Michael Byrne and Grant McMahon OAM.

I also need to thank the Board Management for their support and in particular the President – George Shales. To Victoria Raymond and Linda Perrin of the Branch Office your advice, help and assistance – continues to be much appreciated.

**Wayne Druery**  
**Director of Surf Sports**

## OUR CLUBS

# BONDI SBLSC

Another season with no lives lost on our watch at Bondi Beach. Thank you to our lifesaving team led by James Rogers and his Captain of Lifesaving Charles Cotton. The two of them worked hard with their sub-committee through the season to ensure our patrols had the equipment required and could request assistance where required. As the role becomes more onerous with compliance and numbers, we look to add more people to the team to ensure we can stay on top of our obligations on Australia's busiest beach.

In last year's report I mentioned we were going to start purchasing more new equipment as much was outdated. Our Director of Finance Jon Fyfe has managed the club's finances closely to ensure we can replace equipment and ensure we can put some money aside as security in future years. At the time of this report the specific figure wasn't confirmed however we will be posting a healthy net surplus of approx. \$180k.

Our surf sports team this year exceeded expectations. David Auckett, Nick Nezval and a strong sub-committee worked tirelessly to plan for every event this year. In a year where the two major carnivals were affected by weather, we were able to still post some fantastic performances. Our female boat crew won a state gold medal, we won an R&R gold and our masters team won the point score at National titles for the first time. The strong results come from a team culture within surf sports that ensures everyone is supporting each other, I have no doubt there will be continued success next season.

Our Club's deputy president Pep Font involves himself in a number of areas of the club including bringing home one of our Australian championship gold medals and also still a patrol captain on the beach. In the last season Pep started what will be an annual survey of our members, this will allow the opportunity for our wider membership to have a voice. Last season also saw the introduction of community talks, they consisted of a range of topics from nutrition, open water swimming, digital tech and drug awareness.

Lia Trebilcock and her deputy Kristy McIntyre led the Education section over the last season. The education section is our newer members' first taste of the club and it's great to see trainers continuing to hold a strong standard for our new lifesavers. We had just over 70 new candidates achieve their bronze medallion this season with 3 members achieving their gold medallion.

Our Director of Nippers Scott Ryan and his team look after our youngest members. The section over the last year performed strongly and ensured our numbers continue to stay high. We continue to work on bridging the transition between nippers and patrols, in the next season we will look at trialling a few different methods to ensure we retain more of our nippers.

Our sponsorship/marketing team led by Fiona Tschaut exceeded previous targets to heavily contribute to our healthy surplus. In the last year we started working with large brands and working out how we can actively promote them, this has produced some great interactions such as our Seafolly and IBM activation.

Siobhan as deputy worked hard on the digital side and ensuring our social and web presence grows from strength to strength. Thank you to Leo in his role as director of administration section

for another year and he was assisted this season by Garret O'Conner As the club grows in size this role becomes more complex as we look to grow our revenue streams. Within Leo's portfolio is our paid administrators - Vivienne Veckranges, Louise Santos and Helen Jenkinson; thank you to the hours you put into the club and each of you contributed to the results achieved in the last season there is no doubt that we wouldn't be where we are without each of your efforts the last season.

Our last season was successful in a number of ways however it was also one of the hardest years emotionally for many at our club. Fifteen of our members passed away in the last season including our patron and three active members. Our patron Les Hawkins passed away in late 2016, patrolling (long service member) Lee Bowman passed in early January, IRB Driver David Spierin in early January and Michael Glazer in mid April. Thank you to all members for supporting each other and being there for the loved ones of our members that passed away.

The club has a number of other sub-committees comprised of members putting in countless hours every week, some of these are in the spotlight whereas others work hard behind the scenes. Some of these run events such as the Legends Lunch, the Bluewater swim and Bondi-Watsons Bay paddle; other groups have organised the website, looked at a rules revision and countless other projects. Thank you to all of you.

Looking forward to the season ahead and seeing to each section thrive. We will be looking for more people to assist with small roles in different sub-committees to make the job easier. We have a rich history at Bondi and we look to add to it with success in the years to come.

Jacob Waks  
President

# BONDI NIPPERS

Once again Bondi Nippers enjoyed a fun and successful year.

This summer was our 51st year, where we had 409 Nippers enrolled in our program. From our U14's age group we had 26 Nippers complete their SRC award. These young lifesavers who started their first patrols at the end of this summer. A big thankyou goes out to the trainers of the SRC class, that being Jeremy Davis with Doug Hawkins from Sydney Branch mentoring.

A new initiative this year was to increase the level of lifesaving education to our younger age groups. Thus we started an award class of Resuscitation to our U13's and U12's age groups. Thankyou again to Jeremy, and also Sue Kelly for leading these courses. Once again these will be continued next season.

Our midweek and Sunday morning board training programs continued to grow this year. In listening to the feedback from last year, we extended the beginners squads thus allowing more of our younger kids to train and practise their skills under qualified coaching sessions.

Another new initiative was a Train-the-Trainer course for our Age Managers. This was taken by Andre Slade, where he gave our group leaders some helpful tips on learning activities to run with the kids, as well some higher level surf and lifesaving education.

This season Bondi hosted the Waverley Shield carnival, the Development Camps for our U11 & U13 age groups, Bondi Bluewater Ocean Swim, and the City to Surf BBQ. The Bondi Bluewater event had to be postponed from its original date due to bad weather, however the rescheduled event was enjoyed by the small group of Nippers who attended.

Unfortunately our competition section was not as well supported this year as previous years. We had less competitors at the Waverley Shield, Sydney Branch, & NSW State Titles than we have had over the past three years. We genuinely hope that our Nippers and parents can support these three carnivals next year. Our Competition Manager Steve Oates has done a fantastic job over the past three years to bring this section up to where it is today, we thank you for all your efforts over this time Steve.

Age managers and helpers are integral to the smooth running of the Nipper program. Well done to you all, we couldn't run our Nippers program without you. Big thankyou also to all of our coaches, your leadership and coaching sessions are invaluable to the development of our young surf lifesavers and competitors.

Our weekly fundraisers which keep us afloat, are the BBQ and Clothing Store. Thank you to our BBQ Manager Justin Biggs with the help of Narelle Moore for guidance and supervision, and a special mention to our Clothing Manager Sally Oates, together with the great parent volunteers from all our age groups. With the use of many hands on a rotating week to week shift, it makes light work of it all. We appreciate your help and hope you can assist us again next year.

The biggest thankyou goes out to our dedicated Management Committee. The amount of voluntary work behind the scenes to run a Surf club Nippers Section of roughly 1000 people (kids and parents combined), is staggering. Our finances are strong which is allowing us to run our programs, we are continuously updating our equipment, and our leaders and helpers are receiving training where required, all to the benefit of our Bondi Nippers.

Our newest addition to the management group is Member Protection Information Officers, namely Helen Jenkinson & Steve Norton. These members have completed the Surf Lifesaving Member Protection course, and are a welcome addition to our management group in care for our Nippers and parents.

And finally, I come to our outgoing U14 Age Managers, Shane McKendry and Brett Pattinson. Thank you for your years of guidance and management of your age group.

I look forward to next year with enthusiasm and pleasure in knowing that all the hard work is making a difference to the education and surf skills of our young Nippers.

Scott Ryan.  
Director of Junior Activities

# BRONTE SLSC

As we farewell the hottest summer on record and incredible crowds at our beaches, it is with pleasure we report no lives were lost on Bronte Beach this season.

We commenced the season as the Club selected to host the SLS NSW Raising of the Flags ceremony for the state. A wonderful honour.

It was another season where the beach was closed on many occasions but it did not stop thousands of beach goers entering the water. Our rescues this year were just over 250, we had nearly 3,000 preventative actions and 300 first aids. This summer's challenge was typified by Christmas Day where 66 rescues were performed. A phenomenal statistic. The difficulty with the statistics is we believe we don't capture all of our rescues and other actions and they are very likely an underestimation.

On behalf of the Board of Management, we salute our incredible volunteers who are a credit to the Club year after year. I would also like to thank the great work of the Waverley Lifeguards and we are very proud of the close working relationship we have with them. Testament to the great work of our volunteer lifesavers is longtime lifeguard legend Rod Kerr (Kerrbox) writing a letter of endorsement to the Club which included the following

"I've been wanting to drop the Bronte Surf Club a short note to thank all your patrollers and water safety personnel for the wonderful support they have given us over the years, especially this past season when numerous rescues required the assistance of the Club's lifesavers... this year in particular, the Bronte Surf Club volunteer surf lifesavers have done a tremendous job and helped us patrol what has been at times very challenging conditions..."

Our administration staff continues to work diligently and with the support of wonderful sponsors and members, we have established a strong base for our future.

Each year my report gives me an opportunity to thank so many people who have all contributed to the Club's success. Firstly to the entire Board of Management, Roley Tyrrell (Finance), Anthony Mossman (Cadets), Iljko Miocevic (Club Captain), Richard Norgard (Sponsorship), Craig Betts (Nippers), Andrew Ugarte ( Education) and Chris Kilmurray (Director of Surf Sports).

The Clubs owes a great deal of gratitude to our administration staff lead by General Manager Peter Butcher, Kimberly Johns (lifesaving administrator and B2B guru), Holly Ries our Functions Manager and Nippers Administrator Fiona Ellison.

We salute James McLennan, our Clubman of the Year. Congratulations to Jamie Whatling as our Patroller of the Year and Tim Ryan as Patrol Captain of the Year. We appreciate the efforts of Anthony Mossman and Warren Whillier in overseeing our water safety program. Congratulations to our patrollers who recorded over 100 patrol hours. We logged well in excess of 13,000 hours in seven months which is amazing.

From an Education standpoint, we had 47 new bronze, 9 silver, one gold medallion and 35 SRC graduates. We acknowledge Ryan Tindall as our Training Officer of the Year.

Another outstanding Nipper year under the guidance of Craig Betts in his first year as Youth Director and his hard working committee.

Our IRB team were again brilliantly led by Jochen Valdeck and we congratulate his daughter Sophie Valdeck, this year's IRB Person

of the Year.

We thank our wonderful major sponsors lead by Macquarie Bank, MPA, Phillips Pantzer Donnelly and Banana Boat. This years Macquarie Bondi to Bronte saw us include an 800m warm up swim and the Junior Ocean Swim held at Bondi. The conditions were almost perfect with 2300 swimmers in total completing the various events.

In our Senior Competition year, unfortunately Branch, State and Aussies were all disrupted by mother nature. The teams still did well and we acknowledge Jarrod Poort as our Competitor of the Year. Special mention to Max Gonzalez and the job he has done in the great success of our patrol competition teams. As to our Boaties, two outstanding Masters crews this year with our 220's winning the state title and our 160's won bronze at both the state championships and the Aussies.

Our social calendar was highlighted again by Derby Day and the end of summer party. This was complimented by our Reunion Day and the ever popular ANZAC Day, which this year saw the biggest crowd attend outside of the 100 year commemorative service. This year's Presentation and Volunteers Day was consider by most that attended as the best we have had in many years. A great way to finish the season.

Sunday Sip crowds were amazing this year and the Club provides a great opportunity for family and friends to enjoy a drink on a Sunday afternoon. Sunday Joggers hit dizzy heights with so many people joining in.

At the time of writing this report the Surf Club and many members have tabled their submissions to Council with respect to the proposed new Bronte Plan Of Management. The Club had a call to arms only two days prior to submissions being due and the response from our members and ex-members was overwhelming. It demonstrated the great regard people have for the Club and what we do.

**Basil Scaffidi**  
**President**

# BRONTE NIPPERS

"If you can swim at Bronte, you can swim anywhere"

On behalf on the Nippers Committee I would like to thank everyone involved in our nippers program for helping make this another successful season.

We had 750 nippers register with 95 new nippers in the U6 boys and girls and we saw a large group of 35 SRC graduates finish their nipper career in U14's as qualified Life Savers. I look forward to seeing them on patrol next season. It is great to see Col, Marty and Kirsty continue to manage the U6's and help them to let go of their parents hand and enter the water. There is usually a mix of laughter and tears, but nothing a bacon and egg roll can't fix.

To successful run nippers we rely on parents to be involved, our age managers and assistants do a great job within the limited 1 hour time slot they have each Sunday. We try to make Sunday a fun experience and will always encourage kids to enter the water to increase confidence and develop their skills. Our emphasis is on participation on Sundays. We do of course run 2 rounds of club championships and we managed to run round 2 on a single Sunday in February which was a great outcome. The surf conditions have not always been safe for us to enter the water and our alternative pool and Bogey Hole have been well used this season.

Many kids have participated in our training and competition program. Firstly, a massive 'thank you' to our coaches: Jason Gavin did a fantastic job running the advanced board squad, while Scott Doble kept the development group moving forward. Jo Mermaid continued to run our beginner group on Tuesday afternoons at Bondi. On sand, Mandi O'Sullivan-Jones continued to develop our land based athletes over 3 sessions each week. This year we successful ran some day camps in the school holidays with the support of club swimming champions Wally Eggleton and Jarrod Poort. Of course the early morning sessions and carnivals would not work without the dedicated support of parents driving their kids around.

Our results in competition across the season have been fantastic and a credit to the coaches and determination of the competitors. Lily Finati was selected in the Sydney Branch team and had a fantastic State Titles winning 4 gold and a bronze medal, helped by her swim team mates and Sophie Ferenczi in board rescue. We had 95 competitors attend the State champs this year, there is such a competitive field across every event, just making finals is an achievement. A special mention to Alex Field who won the first ever gold medal in the new event of 1 km soft sand run.

This year we moved the Junior Ocean Swim to Bondi, it was a great success in solid but good conditions. Thanks to JM paddle boards for donating the nipper board we gave away to a very excited Ed Baxter. The swim is a great way to introduce the nippers to the longer format of ocean swimming with many of our U14 and former nippers all taking on the longer Bondi to Bronte swim.

It has been a pleasure to manage Bronte Nippers in my first year as Director and I would like to thank the committee for volunteering their time and for their hard work: thanks to Jessica Stewart, Amber Brown, Mark Braun, Jason Gavin and Nick Lefebvre. I would also like to thank Basil Scaffidi for his support as President of Bronte Surf Club.

Finally a massive thank you to all of our nippers who make Sunday mornings at Bronte Beach the best place to be. The smiles and laughter make it all worth-while and I am proud to see the nippers build friendships, display sportsmanship and develop into young life savers willing to serve our community. I look forward to seeing everyone back at Bronte in October.

**Craig Betts**  
**Nippers Director**

# BURNING PALMS SLSC

Another season has come and gone with no lives lost during patrol hours. We, as a small club in the Royal National Park, are under more pressure than in previous seasons due to the Figure Eight Pools becoming a major tourist attraction. It is not unusual to have six hundred to one thousand people young or old coming down the track to view them on most weekends.

As you can imagine, it has stretched our resources to the limit, particularly in preventative actions and in patching people up with cuts and abrasions, not to mention sprained ankles, broken bones etc. No matter what we say to people about it being too dangerous, a lot do not listen and still attempt to go around.

Financially the Club is sound and is capably run by a good Committee. Our patrol strength is the same as it has been in previous seasons, we could do with more active members and we are looking into ways to improve our position in this area.

I would like to take this opportunity to thank the Branch for their assistance and help during the past season. The season culminated with Burning Palms being Sydney Branch Champion Club.

David Falkiner  
President

# BURNING PALMS NIPPERS

What a season we had for our nippers! We developed and ran a successful innovative structure for our nippers this season. After nine years of nippers with the Garie nippers at Garie beach, we said farewell and decided we run nippers at the Palms. A very hard decision to make considering the success that we had in recruiting, training, and competition whilst at Garie and we appreciate their help to make our nippers become future junior surf life savers. Thank you for your commitment and support in making us feel welcome and we look forward to seeing you on the beach for the friendly rivalry to continue.

Then for another shake up; while still following the learning curriculum, we decided to mix things up a bit and it went something like this-, we divided the nippers up into teams with family grouping, four groups of children with different ages with the SRC's as team leaders. In between the usual races (depending on surf conditions) the teams would then go to certain activity stations i.e. first aid, resuscitation, beach safety and surf awareness, rescues and patrol activities as well as an obstacle course relevant to surf lifesaving, and learning about what it takes to be a junior life saver followed by a barbecue and refreshments for nippers and their parents. The feedback we got was positive from the kids and especially the parents who kept on making the big journey to The Palms. Thanks for your commitment and support to The Palms – our numbers have remained steady throughout the season, and we saw some new nippers joining us as the season continued. Many thanks to our older members and parents who ran the activity stations and water safety. We also held a still water session at Kurnell in conjunction with Era where kids completed the competition proficiency as well as being involved in board technique and beach flag workshops. Thanks to Era and Sydney Branch who organised some board and beach flag coaches on the day and ran some drills for the kids who gained some invaluable experience.

This season the district carnival was held at Era in trying conditions. Some water events were held but unfortunately the board races had to be cancelled, but that didn't stop the red-hot competition in other areas of the beach with some great local support coming from the sidelines wearing the brown and green. Congratulations to Era who won the point score on the day with The Palms not too far away in second place. Next season the carnival will be held at BP and we look forward to hosting the biggest day in our district with some exciting and different races that will give both Era and Garie a run for their money. Can't wait!

At the branch carnival, we had two of our gun nippers competing at Maroubra. Emelia Danne and Isaac Chafei competed in the under 10 and under 14 sprints and flags with great success. Millie won bronze in the sprint and "Squishy" also won a bronze medal in the flags. Well done to you both! So, with the bronze in their pockets it was time to take on the best NSW had to offer at the state champs held at Swansea-Belmont. Unfortunately, no placings to be had, Millie finished top 15 in the sprint and "Squishy" also top 15 in the flags. You should be very proud of your achievements.

We had four nippers gain their SRC and graduate to the senior level of the club and taking on the associated responsibilities with ease. Congratulations to Laetitia Cooper, Huon Whittingham, Isaac Chafei and Riley Vaughan who have been rostered on patrols and completing active service at the Palms. Farewell from the teams that you captained this season. Well done to all and over the next few years we will see many more nippers progress into the senior ranks.

A big thankyou again to our sponsors. The branch sponsor, Sydney Airports. Waterway constructions, who have been on board for many years and with their continued support, our nippers look fantastic on the beach in all their water and sun safe clothing. We also purchased some new nipper boards which were long overdue and with the money left over went on the BBQ. Thank you again to Mal Hiley at Waterways and we hope your sponsorship continues well into the future.

Thanks also must go to Melissa Murray, (aka Sarge) for all the behind the scenes work. The administration, organising, liaising, and encouraging the nippers, parents and especially me. To the parents that help set up and pack down the beach and cook the BBQ, a big thankyou as without your support, nippers at the Palms could not be possible. Thanks also to the water safety run by Paul "super" Cooper and his band of helpers. Many thanks to the BP committee and active members. Without your support and encouragement, nippers could not possibly be run.

Finally, to all our nippers. The future life savers at Burning Palms, thanks for making last season a huge success and we look forward to seeing you on the beach again soon.

Wayne Vaughan

# CLOVELLY SLSC

Being my first season as President, it has been a steep learning curve and a very rewarding and satisfying experience. Many thanks are due to all Board members and Office bears of the club for their support, diligence and hard work during the season, as well as many of our Long Service and Life members who provided support and wise counsel. I would especially like to thank all our active patrolling members for their vigilance and commitment – without our volunteers we would not be able to provide the essential life saving services to the community which is our core business. And thanks also to all those members who put in the extra hours assisting with water safety, education, training, social events, club maintenance and all those little things that magically happen around the club.

It was a huge year in terms of lifesaving for our club. Our patrol teams were faced with several major incidents and their skills and commitment were tested. Our club was awarded with Branch Rescue of the Month on two occasions, culminating in winning Rescue of the Year at the Branch Awards of Excellence. Congratulations to all involved, and to all patrolling members, lead by Director of Life Saving, Gordon Manuel and Assistants, Ros Manuel and Jo Copper. It is also testament to our great Education team, lead by Molly Cocks and supported by Chris Thompson, who deliver and maintain our member's lifesaving skills. Molly and her team knocked it out of the park this year, achieving over 400 education awards!

Working together as 'one club', the senior and junior teams seamlessly integrated for the betterment of the whole club. With Bryce Wilde at the helm, our Clovelly Nippers have had some phenomenal successes this season in education, training and competition. Our club had a successful year in competition in Juniors, Open, and Masters, with the number of competitors increasing across the board.

I would like to acknowledge our Board members who are taking a break after this season, including Director of Finance, Craig Wheatley; Director of Competition, Ken Ryan; and Director of Administration, Rebecca Cocks. Craig was inducted as a Life Member of Nippers this season in acknowledgement of his long years of dedicated service to Nippers. Rebecca Cocks was awarded the pinnacle club award of Club Person of the Year, in acknowledgement of her tireless efforts across all aspects of the club as well as being Trainer and now an Assessor.

Thank you to our sponsors whose financial support and generosity keeps the club afloat and allows us to provide essential services to the community. Special thanks to Randwick City Council and our local MPs, Matt Thistlethwaite and Bruce Notley-Smith.

I would like to congratulate the Branch Executive and their team for their support and efforts this season to understand and respond to the needs of the clubs.

**Karon Lekeu**  
President

# CLOVELLY NIPPERS

Before the season commenced, a three year Business Plan was developed. At the heart of that business plan was delivering on the new vision:

To create an outstanding Nippers experience that turns today's kids into tomorrow's surf lifesavers.

This season we had 427 Nippers, the highest number we have ever registered.

In 2016/17 we achieved:

### Education

- A record 399 nippers completed their educational requirements.
- 58 Nippers gained their Basic Emergency Care and 56 their Resuscitation Certificate
- 100% of our U14s successfully completed their SRC and 100% of U13 and U6s also completed their education.

### Training

- Weekly board and surf race training sessions at both Bondi and Clovelly averaging 26.
- The Bondi training sessions are run collaboratively with Bondi SBSC. We also collaborated with South Maroubra for pre-season training.

### Beach and water management

- Senior club has started patrols earlier to enable us to stagger start times on Sundays to better manage our record numbers on the beach and in the water
- Agreed to introduce in a staggered manner SRC qualifications for Age Managers
- Senior club trained nipper parents in a turbo Water Safety SRC course

### Surf Sports

- Forged a positive team culture of competitors
- At branch carnival we made 20 finals, the best in recent memory
- A record number of state competitors (26)
- 3 nipper parents become Officials
- Bought new boards and tents thanks to our generous sponsors Ganellan and McGrath Real Estate
- Equipped development squads and competition squads with new gear

### Engagement

- Introduced new awards to recognise the nippers who demonstrate the greatest commitment to lifesaving values
- Re-introduced nipper club captains
- Introduced an electronic fully paperless registration system
- Held a great social night and a twilight nippers
- Improved our communications through the Team App

- Tidied up our member protection to be fully compliant
- Developed a Nippers Handbook and a Calendar and published on the Team app
- Welcomed sponsors and corporate friends to the beach to run fun activities
- Participated in the surf lifesaving nippers exhibition at Randwick Racecourse

A massive thanks to our major sponsors Ganellan and Mark McPherson of McGrath Real Estate. Also thanks to all our other sponsors, including Premier Paints and our new sponsor the Eastern Suburbs RLFC. We have also just secured another major sponsorship with Channel 9 News for the 2017/18 season. Also, we couldn't provide nippers each Sunday without the ongoing tremendous support of Randwick City Council.

Special mention goes to our new Life Member Inductee – Craig Wheatley.

I'd also like to thank Sydney Branch and other Directors of Junior Development across the Branch for their collaboration and sharing of ideas with a new Director. Finally, I'd like to thank all members of the Clovelly Nippers committee and the senior club Board for their ongoing enthusiasm and support.

**Bryce Wilde**  
Director Junior Activities

# COOGEE SLSC

Season 2016/2017 was a roller coaster ride for the Two Blues, aka Coogee Surf Life Saving Club. We started the lifesaving year with a crisis and ended on an extraordinary high, having one of our highest recent achievements. There is no doubt that we will long remember the club's 110th season!

We expected some 'down time' over the course of the winter off season, but any such plans were the quickly brushed aside with the impact of the severe storms which hit the east coast of Sydney in early June 2016. The Coogee club house suffered significant damage and an enormous effort was required to clear away the debris and make good the structural damage. We would like to acknowledge all of the support we received from Surf Life Saving Sydney and all clubs across the branch in relation to the matter. The offers of support were generous and very much welcomed. We must also acknowledge the incredible efforts made by the Randwick City Council in helping us get back on our feet and in rebuilding the club. A special shout out too to all of the emergency services who gave their support and assistance over this period.

Despite the significant impact of the storms, we were able to start our life saving patrols on time and had a very busy patrolling season indeed. Summer saw record numbers at the beach and the Christmas period was extremely challenging. Patrol numbers also grew over the season, and we were blessed with strong leadership from our Lifesaving Committee and patrol captains and vice captains and our IRB teams. We were also proud to continue to provide patrolling assistance for another season to Garie Surf Club. It was also heartening to see many of our members assist in District and Branch roles – and also SurfCom. We would like to thank the Randwick Municipal life guards for all their support over the course of the season and also acknowledge the incredible work done by the off shore services in the ORB and jet-ski and support operations area. We are proud to maintain our 110 year record of "no lives lost" between the flags at Coogee.

Our education area excelled across the whole of the season, putting through a huge number of awards, both in the bronze and special awards area. We also continued to train a noticeable number of squads for the demanding gold medallion award. We also delivered a number of innovative community projects, especially the Coogee Dippers programme which provided surf awareness training to young autistic children and gave on going assistance to the Randwick Diggers Club and its annual community day.

The club once again ran two major ocean swims this season, the Coogee island Challenge; the first in November 2016 and the second in April 2017. These events have become a key fixture on the Sydney ocean swims calendar and were very well attended on both occasions. Perfect conditions on both days saw record numbers sign up on the morning and on both occasions we were able to have the main swim go round the back of Wedding Cake Island.

Our annual carnival is held on the first Saturday of every February and is one of the longest – if not the longest, running surf carnivals in Australia. This season's carnival was extremely memorable as it saw the return of surf boast to Coogee after a short period away. There was good attendance at the Carnival, a wonderful march past with the Scots College Bag Pipes and Drums and much camaraderie in the air. A great day – and thanks to all of the officials who helped out.

Our showing in the competition areas of the club was strong and we performed well at Sydney carnivals and at the State competition. The national titles showed a strong performance by our ever growing masters area and we achieved gold medals in the flags and the girls R&R. Any hopes of further medals however were thwarted with the arrival of the tail end of Cyclone Debbie and there was disappointment when the water areas were called off. Fingers crossed for Perth!

We remain incredibly proud of our nippers area: the Coogee Minnows continues to go from strength to strength and the sheer professionalism of our Minnows Executive never ceases to amaze us. Coogee Minnows is one of the largest nipper squads in Australia and makes us very proud – and confident in the future of the Club. Please take a moment to read the Minnows report in this Branch report.

Finally, of particular pride to the club was the three Anzac Day ceremonies in which the club was involved. It was wonderful to see strong numbers from all areas of the Club provide support at the Coogee Diggers event and many club members made the early morning trip down to the beach for the local Dawn Service. Of particular note, however, was the service run by the club at the National Fallen Life Saver memorial. Thank you to all of the local clubs who also attended. This event will only continue to grow in numbers and significance.

And after such a year of lows and highs, to end with the award of Surf Life Saving Sydney Club of the Year – just made it all worthwhile for the whole of our members. Vigilance and service.

**Mark Doepel**  
President

# COOGEE MINNOWS

Another terrific season was had by all of the Coogee Minnows again. We had some tough weather conditions, more success at carnivals, lots of laughs, some tears as well as a new group join us from Autism Swim Australia.

There are not many sporting groups that have 1000 members and 300 parent volunteers that put in the hours, efforts and program that nippers does for the small cost involved. To see U6's boys and girls turn from apprehensive and nervous beach goers into U14 SRC lifesavers is a huge 9-season journey but is truly worth every bit. None of this could happen though without all of the volunteers involved.

I want to thank our Platinum sponsor Craig Sewell and Mint 360 for their ongoing sponsorship. Also to Secret Gardens and Mint 360 Finance for their very special support and we hope that you will continue to stick with us for seasons to come.

I want to thank the Senior Club Executive and Committee for their tremendous support of Minnows. I also want to thank the girls on the office at the senior club for all of your work behind the scenes.

Thank you to all of the members of the Minnows Management Committee and Executive. Being a part of this group is a 12 month commitment not only weekly but for the whole season. To our Age Managers, Apparel Team, Officials, competition coordinators, Age Assistants and Water Safety I say thank you as you are really the people who have the greatest influence in training these young people to become lifesavers. To all of our coaches and trainers I also want to say thank you as you have turned our young people into these great lifesavers. I also want to make special mention of the Patrol Captains, Randwick City Lifeguards and the Randwick City Council for their ongoing support of Coogee Minnows.

Our boy and girl captains this year: Bronte Howarth and Asher Wilson are a great credit to themselves, their families and Coogee Minnows. With Asher winning Junior Lifesaver of the Year for Sydney Branch was a reflection of this whole SRC group.

In early May last year the season preparations got underway. We rapidly moved through to registrations and proficiency days. Soon enough we were running smoothly with each age group developing their surf education, lifesaving skills, communication techniques as well as internal competitions. We also quickly gained lots of new parent volunteers who were qualified either with the Age Manager Award or stepped up to the Mum and Dad's Army to do their Bronze Medallion and become an important part of our essential Water Safety team. Our SRC group grew in confidence and leading up to the end of 2016 we had almost 60 new qualified patrolling members. We also had a number of our stronger competitors attend some other carnivals we had not attended before and the indications were that we were looking fairly strong but still had some work to do. The January Surf Camp was another roaring success and was well supported by Minnows and parents. John Mudge Day and then lifesaving skills dominated the start of 2017.

Not only was the State result one of the highlights coming 7th place but also the humbling work of our volunteers with the pilot Coogee Dippers Program for kids with Autism. A huge thank you to Erika Gleeson and her teams for allowing us to be a part of this and we will be looking to expand this next season. A huge thank you to all of the volunteers also involved from all ages and experiences. Those smiles on the kids and parents faces made it all worth it!

We are losing some committee member unfortunately and I want to make special mention of some of these people. Nick Osler as U14's Age Heidi Roche has been our secretary for over 4 seasons and Mark Andrews as our competition coordinator. Mark Andrews has driven the ongoing success of Coogee Minnows and the impressive results over the past couple of seasons have very much reflected his hard work. All of these people will be very missed and we wish you all the best for the future!

- For next season there are a number of challenges facing us:
- We need each age group to have more officials and water safety for carnivals
  - Continuing to develop our competitors, especially in the water events
  - Looking at succession plans for future committee members
  - Tightening of our Competition Policy
  - Off-season training programs for sand and water
  - Further developing the Coogee Dippers Program

Whilst some of these challenges will need some work I am confident that the dedication, tenacity and ingenuity of so many at Coogee will prevail as it always does.

**Steve O'Donnell**  
Minnows Captain

# CRONULLA SLSC

It has been interesting season for Cronulla Surf Life Saving Club across our lifesaving, nipper, surf sports and community activities.

Our Club lifesaving activities were of a high standard this past season. We had approximately two hundred and seventy active patrol members who saw a fifty percent increase in rescues and preventions and doubling of first aids.

Club Vice Captain, Darryl Easton organised our patrols with good numbers regularly in attendance. Cronulla were recognised formally when at the SLSS Awards of Excellence where we were awarded the Patrol Efficiency Award for our area.

The beach remained in good condition for most of the season making it a very pleasant and safe place to be. However, toward the end of the season, sand erosion and rock exposure presented several challenges for patrols and our daily activities.

We had a good season in lifesaving education, with very good numbers in basic awards meaning new and trained lifesavers on our beach. We also had high IRB award numbers, achieving the most IRB awards in the Branch. Our last IRB squad of the season included the other area Clubs with both candidates and trainers and this was a great co-operative success.

Our Junior Activity Group, the Cronulla Crays ran a very good program this season. We saw a continued growth in Crays numbers meaning a full beach of activities each week. The very successful Learn to Swim and Assessment Program, sponsored by Tradies, was run again for our younger groups. The Black Caps nipper group for young members with special needs continues to operate very successfully thanks to the good work of Cameron and Lauren Pyett plus Sherie and Emma Lisser.

The Club Coaching and Competition section continues the re-establishment and development process's of the last couple of seasons. Our results at Aussies were good in a cyclone interrupted carnival and it was unfortunate that our Cadet to Open water competitors including boaties were largely unable to compete. We came away with eight gold medals from the three separate carnivals which combine to make Aussies and in the truncated open division carnival we came tenth over all. Congratulations to all of our competitors who trained hard all season and in particular to our Aussies Gold Medal winners, Paul Larssen, Jacinta Davidson-Bunch, Ngaire Hadfield, Chloe Mannix-Power, Isabellah Walker, Phoebe Lacoste, Kate Hawkings, Bridget Cole, Chris Breen and Nathan Breen.

Some of our athletes were recognised at high levels this past season. Isabellah Walker was named as the Branch U15 Athlete of the Year at the SLSS Awards of Excellence. Carla Papac and Ngaire Hadfield were selected in the Australian Youth Team to compete in the Sanyo-Busson Cup in Japan at the end of last season and Ngaire capped her year off by being selected in the Australian squad now in training for Rescue 2018. Congratulations.

Thank you and congratulations to the Section Heads, Coaches and team management group who committed heavily in time and effort to make sure everything worked well and the competitors were well supported.

A large number of Cronulla Members also serve as officials at carnivals to all levels within the association. Thankyou to all of you.

Our Club relies heavily on our Office staff for the administrative and other support that they provide. Our Administrative Coordinator, Jenny Pinker and her fellow workers, Robyn, Emma and Kathy all regularly stepped well beyond what was expected or required and they ensured that we continued to operate very well. I thank them for their dedication, hard work and achievements and the continued excellent way that they conduct our daily operations.

Cronulla's planned building refurbishment and development process has been long and arduous at times. However, major progress was made with approval of a Development Application in November 2016 meaning that the Club good effectively seek public funding. The announcement of a Federal grant in April 2017 meant that the funding gap had been bridged and the project was now truly within financial reach. Recently, a Special General Meeting held after season end on June 4th 2017 approved the plans and funding plan. Our clubhouse will soon be back in a state fitting such an iconic building in our community.

Cronulla Life Member, Vice-Patron and Past President, John Bentley chaired our District Council again this season. John continues to lead a good team of people from all four local clubs who look after joint local surf club interests.

On behalf of our Club I formally thank our local representatives for their ongoing support. The Sutherland Shire Mayor, Carmello Pesce and Councilors have been highly supportive in all of our activities. We are also thankful to be represented by two fabulously active members of Parliament with the Hon. Scott Morrison at Federal level and Hon. Mark Speakman SC at State level.

**Rob Short**  
President

# CRONULLA CRAYS

Cronulla Crays have had a fantastic and particularly active season. Registration numbers increased to six hundred and fourteen [614], ten percent [10%] higher than last season.

Thanks to our age managers who are all very dedicated and better organized this season.

Some of our young cadet age managers are greatly admired by our young nippers. These cadet age managers enjoy giving back to our nippers, knowing whatever experience they can hand over to their group is helping.

The black cap group are nippers with disabilities run by Cam and Lauren Pyett, supported by Sherie and Emma Lisser. They do a marvellous job with this group and I know the parents of this group appreciate their efforts. The black caps continue to be an important inclusion to our nipper programme and look forward to seeing them back next season.

The parents of the U/6 & U/7 nippers who attended our unique learn-to-swim programme would agree it was successful. This programme would not have been possible without the support of "tradies Gynea"- proud sponsors for a second consecutive year.

The "jag" provided a very structured, controlled and safe environment, developing and adapting throughout the season to accommodate a variety of abilities, improving skills, especially in the ocean, beach, march past and multi discipline events.

The competitive section of Cronulla crays results were better than expected. "Why"? Because we invested in "jag" coaching and competitive section this season.

Proudly, many of our nippers competed in our fifteen [15] carnivals across all levels.

We achieved top six [6] placings at all major competition events across most age groups at NSW age and Australian youth championships.

The results from our investment speaks for itself- we placed 8th at NSW age championships and double the number of water points from the previous season, we placed 12th on 67 points.

## Comparison

### 2015/16

Eleven [11] – NSW ocean finals

Six [6] top 7 placings

Five [5] Australian youth finals – beach only

### 2016/17

Twenty-Eight [28] NSW ocean finals –[ 1 individual made eight finals]

Fifteen [15] top 7 placings

Four [4] Australian youth finals – ocean

Two [2] x beach 1x team and 1x individual

Thirty five U/14s completed the SRC and radio courses this season. One group rostered on their first patrol did a rescue which saved a persons' life. Absolutely, moving experience for all involved, well done girls.

Our U14s hard work fund – raising for not only their end of season trip but donated a signed fibreglass mal. Fine effort from

a very dedicated and diligent group. We will miss this group as they move into the senior club for empowerment as they are now part of the future of Cronulla SLSC.

This year Cronulla crays nippers celebrated Fifty [50] years. In the morning, a group organised by Bob Saga taken to replicate the one taken some 50 years ago, with fun by a free sausage sizzle. The afternoon occasion was more formal with the cutting of a cake, speeches recalling past 50 years. To help us celebrate and make the day even more memorable was the attendance of past and present Jag committee member, nippers and CSLSC special members.

We held several social events including twilight Hawaiian theme, nippers disco and parents enjoying each others company. The volunteers thank you night was a huge success and well attended this season.

One of the many highlights this season, was the NSW age dinner organised by Danielle Devereux. Held at Swansea Belmont RSL. Approximately 200 nippers, parents, water safety officials and committee members attended. Everyone had an amazing time even at this low-key venue with one day of competition left the team was on a high from some already pleasing results.

Paul King, Bob Saga, Joanne Parker, Richard Hedley and Alanna Street have all worked tirelessly over the years, you should all be extremely proud to know you were part of the committee that started to "steer" the ship back in the right directions.

Clearly none of this would have been possible without the support of all our sponsors.

Crays are looking forwards to contributing financially to new club house, works due to commence in April 2018.

Thank you to everyone and for the support given to me last season by all those involved at all levels.

**Michele Cole**  
Chairperson Cronulla JAG

# ELOUERA SLSC

Our core activity is that of lifesaving and the protection of the community who choose to use this magnificent beach and it is with pleasure that again we can report “No Lives Lost”.

On the administrative front a number of concurrent tasks were undertaken throughout the season in order to assist the club maximise the revenue opportunities available to it from commercial operators. These include: seeking expressions of interest for the operator of the café to be constructed as part of building works currently underway; obtaining council approval for the works; obtaining member approval and a guarantee from the Sutherland Shire Council (council) to borrow the funds necessary for the works; negotiating the loan; designing the scope and appointing a builder; and negotiating with existing restaurant to extend their lease to 2022..

Earlier in the season we had finished construction works that increased storage space available for craft; these works were funded by the club and through grants secured with the assistance of our local federal and state members. The Club extends its thanks to our Federal Member Mr Scott Morrison, Treasurer, and his State colleague Mr Mark Speakman, Attorney-General for their continued support of the Club and in particular their assistance with funding for our construction projects. The Sutherland Shire Council continues its generous support to the four Bate Bay clubs and the close relationship between the clubs and the lifeguards deserves special mention.

Thanks to our major sponsor, The Sutherland District Trade Union Club for its valued support. This sponsorship has been going for over three decades and is greatly appreciated by all members. The club also has many other sponsors, without their support it would be difficult to provide education and training of members who ultimately provide protection to the community.

In October the IRB section conducted ceremony a to mark the launch of the Glenn Cairncross, in honour of Glenn’s significant contribution to the club across many areas.

In late October the club unfortunately suffered damage at the hands of a member of the public. The events of the day were disturbing for those involved and Patrol Captain Keith Hughes, with the support of Duty Officers Matt Gentle and Kane Hughes, are to be congratulated on the way they assisted Keith’s young patrol members after the incident.

In November the boaties welcomed Elouera’s popular boat sponsor Tom Breen who christened his 9th family boat – the Charlotte Breen IX. The Breen Family began their sponsorship in 1967 with the Charlotte Breen I.

The Training and Education team continued with the great work of prior seasons. Pleasingly the number of awards gained this season improved on last year. Our education program is also looking beyond lifesaving in order to continue to provide development opportunities for our youth, with the participation of Lauren Brown in the 2017 National Leadership College being one example.

Elouera were successful in the following awards at the Surf Life Saving Sydney Awards of Excellence: Team of the Year – U14 Beach Relay; Assessor of the Year – Stephen Urquhart; Facilitator of the Year – Peter Carney; Community Education Program – Tradies Surf Awareness Clinic; Official of the Year (Tony Hughes Award) – Peter

Carney; and Support Operations Member of the Year – Matt Gentle. Matt Gentle is also a member of the SLS Services Team of the Year for his role as a duty officer

Elouera members contributed 305 hours or 33% of the total 914 hours performed by the branch Support Skis, and 247 hours or 31% of the total 798 hours performed by the branch Surfcom operators. Jackson Towns and Andrew McKellar shared the role of branch RWC co ordinator for the season and trained new drivers during the winter.

This year Ronald Ernest Pears OAM long service to the Lifesaving movement was recognised with the awarding of his 50 Years’ certificate and pin at our AGM.

Aside from club activities, Elouera engaged with the broader community through participation in the following events: Tradies Elouera Surf Awareness Clinic; Cook Community Classic; Chou City relationship; International Beach Festival – Shire Ocean Swim; Take 3 for the Sea Project; Sutherland Shire Relay For Life; Bi-annual Bate Bay Surf Club Ball; Carols by Cruiser; and the Bate Bay Blood Drive.

Our competitors continued to achieve good results at all levels of competition. It was pleasing to see many of our younger members doing so well at the national championship; notably the Under 15 Women Beach relay and Under 17 Men’s Board and Taplin teams. But equally pleasing has been the broadening of club participation via Pool Rescue, Masters, Worlds and next season we look to reinvigorate the March Past and R&R participation.

Finally, thanks the Cronulla Sutherland District Council of Surf Life Saving capably led by John Bentley and to George Shales and his team at Surf Life Saving Sydney for their never ending support.

**Peter Carney**  
**President**

# ELOUERA NIPPERS

The Elouera nipper program has evolved over many years to be one of the best nipper programs in the country. Taking on the role as Nipper Chairman this year was a very daunting prospect as my predecessors have done a fantastic job in building a nipper program with strong club support, a sound financial position, a training structure catering for all nippers and a great balance of education and competition.

Our season kicked off with our usual rego days, which were made easy with the support of my team. Rego numbers were slightly down this season, but the slight loss in numbers didn’t translate to any loss in fun, performance or achievement throughout the season.

The Sussex pre-season board camp was another great success with great conditions, great people and a great turnout of volunteer coaches and assessors. This team was headed up by Michael Byrne and supported by David Kowald, Jack Bryce, Lachie Stacker-Galea, Tom Whittle, Harrison Williams, Nathan Neale, Abby Gentle and Bailey Gentle.

Under the guidance of Matt Elliott and Reid Hannington, the Elouera Surf Sports Academy, hit the season hard from the get go with the appointment of three head coaches, Jack Bryce (Water), Davina Strauss (Beach) and Jordan Anderson (Conditioning). With assistant coaches Dean Morris, Paul O’Sullivan, Michelle Soper, Renae Geronimo, John Boes, Stuart Taylor and Brent Pritchard, the ESSA saw a substantial increase in attendance at training and carnivals which culminated in 3rd place finish in the NSW Surf Lifesaving Age Championships; equalling our best result from 2012.

Many times throughout the season, I have paid tribute to the work our Age Managers and Instructors take on. You guys are on the frontline in delivering our nipper program, which is a commitment spanning almost six months of the year. Well done guys on another job well done. Our Age Managers were supported with cadet helpers; Piper Robinson, Gabbie Bradley, Jamison Hughes, Bailey Thompson, Ella Randazzo, Jaime Greig and Maggie Scott.

Our Club Captains this season were Max Fathulla and Brigitte Salib, who were supported by Vice Captains Jarvis Lane and Kiara Summers. Well done to all four of you for making Elouera proud whenever you were called upon. Special mention to Kiara, who was recognised with a “special commendation” when selected as a finalist in the Sydney Branch Junior Lifesaver of the Year awards. Well done to all of our graduating U14s who obtained their Surf Rescue Certificate. I hope to see you all remain active in the club, be it in competition or as cadet helpers or patrol.

Unfortunately, the Ohana Surf Classic was once again cancelled due to hazardous surf conditions. I can assure you it will be back bigger and better next year and I would like to thank Brett and Kim of Ohana Ocean Athletics for their continued support of all things Elouera.

Thanks also to our major sponsors, Sutherland Mazda, Westfields Miranda, Illawarra Blinds and Awnings, Ohana Ocean Athletics and of course our long-time club sponsor The Tradies. Thanks also to Yellow Brick Road, Riley Surfboards, SP Screens, Sea Level Restaurant and Makani Meats. Your support ensures that our nippers are provided with the best equipment and training.

Our JDC worked tirelessly behind the scenes to also ensure that all aspects of our nipper program run effectively. I won’t thank

everyone individually but would like to make mention of those members who have served their last year on the JDC. On behalf of all nipper families past and present, thank you to Darrin Lane, Tracey Lane, Brett Richardson, Rupert Agnew and Di Mackay. I also would like to thank the following people who joined the JDC this year for the first time: Mark Summers, Reid Hannington, Kylie McKinnon and Nat Chandler.

Glen Stortenbeker most certainly deserves a special mention, for once again co-ordinating the Elouera Mega Raffle, which was another great success in raising over \$32,000 for our nippers. Without this fundraising effort, our rego fees would need to increase by almost 60% per nipper. So nipper parents, please understand the importance of getting your nipper out there to sell their raffle tickets.

Julie Walmsley was once again responsible for many difficult jobs throughout the season, from the first rego day in September all the way through to presentation day in May. Thanks once again Julie for all your help.

Thanks also to our team of Water Safety and Officials. They, and the IRB drivers and crew, are there in numbers every Sunday, well organised by Di McKay. They then back up for local, branch, and state carnivals. Thanks to all Elouera Members who have helped in this capacity and congratulations on a job well done.

Finally and on behalf of the JDC, thank you to our nippers and their families for choosing Elouera Surf Club. It really has been a great season with a lot of great memories, we are already working towards an even better season in 2017/2018 and look forward to seeing you on the beach again soon.

**Michael Randazzo**  
**Director of Junior Development**

# ERA SLSC

Season after season, Era continues to prove to be an exciting, healthy, growing and aspirational club with opportunities and inclusiveness for all members. The success of our Club and our member retention is a reflection of our Members’ commitment, passion and hard work. Following another successful and exciting season we have the pleasure of reporting no lives were lost.

The boat section kicked off the season in style by launching a new craft funded by our members and local businesses. A new boat saw three committed crews take to the water, representing our Club at local, Branch, State and National carnivals. Unfortunately due to inclement weather, much of the competition was cancelled for the safety of the competitors.

Our Junior Development completed another successful season on and off the beach. We hosted the Annual RNP District Junior Carnival. There was fierce competition between all three clubs however Scott Pracy and his Junior Crew retained the RNP District Junior Trophy for another year. Joe Mison brought home a gold medal in the Under 13’s Wave Riding, whilst Jacob Watson grabbed the silver medal in the Under 8’s Sprint, both at the Branch Carnival. Special thank you to Doug Hawkins, Branch Director of Junior Development for organising a coaching day for Era & Burning Palms at Kurnell with the experienced Warwick Everingham and Peter Kirkwood. Training initiatives like these are invaluable to our Junior Development. To celebrate the conclusion of another successful season our Nippers and Parents were treated to a fun day out at Jamberoo Recreation Park.

Education was a focus with our Assessors & Trainers from the three Royal National Park Clubs refreshing, training and assessing existing & new members. We have found that a growing trend of active members who had previously left the club to start families are now returning which has further boosted our patrol numbers. We have further strengthened our life saving by adding six new Silver Medallions, five Bronze Medallions, two Surf Rescue Certificates and eighteen Advanced Resuscitation Techniques. In the junior section we added eleven Resuscitation and three Junior Activities Age Managers.

Congratulations to all our Perpetual Awards Winners, all are most deserved recipients. No matter the age or experience, these members worked hard all season to reinforce the high level of values, commitment and determination that Era has been accustomed to.

Thank you to our National, State, Branch and Club Sponsors & Partners, NSW Department of Family & Community Services, DHL, Westpac, Stramit, ClubsNSW, Engine, Sydney Airport, Streets, Peabody, Club Engadine, RMYC Port Hacking, Peter & Eva Missingham, ELITE Physio and Commando Tough for their ongoing annual support and donations. Your generosity goes a long way to the development and sustainability of our Junior and Senior members.

Late last year we fare welled our dear Life Member John ‘Googs’ Evans. Googs was an active member of the Era Community, he held various positions on our committee over the years and represented Era in the boat section at many carnivals. He was one of our true characters who brought fun, laughter & professionalism to all activities he engaged in. Googs is missed by all who grew up to know and love him at Era and the broader life saving community.

I would like to acknowledge and thank our Management Committee and Members for the commitment and ongoing pursuit of making our club greater each day, season after season. This commitment, passion and contribution is well beyond what’s reasonably required.

In this 79th year, congratulations to everybody who have made Era what it is today.

**Elissa Hancock**  
**President**

# ERA NIPPERS

It was another great season for the Era Nippers and their parents. Our season started early with a great roll up of kids during the October holidays where we saw the kids undertake their proficiencies and competition evaluations. Following on from that, this year Sydney Branch Junior Development Committee was able to provide our kids two experienced coaches to undertake a training session at our new base in Kurnell. Thanks to Doug Hawkins, Director of Junior Development, Both Burning Palms and Era Nippers were coached in the beach flags and the board by Warwick Everingham and Peter Kirkwood.

The December and January months were very busy for our nippers and their parents. The weather enabled us to get lots of healthy competition and training in and this really showed during the District Carnival held at on our own beach at Era. The day saw some great friendly competition among the three Royal National Park Clubs. It gave me and all the parents’ great pleasure to once again take out the title of District Champions and retain the trophy. A great effort to all the parents who helped out on the day as Age Managers, Assistants, recorders and Officials and I thank you all for your support.

The Sydney Branch Junior Titles was held this year at Maroubra and again we saw a great roll up of Era competitors. Again well done to all involved and some highlights of the day was to see our own Joe Mison take out the gold in the U15 Surfboard on the Saturday and Jacob Watson bring home a silver in the U8 Sprint.

A special thank you must go out to Ian Brand and his assistants (Lily, Rose, Daisy, Layla, Cath Brand, Mison’s and Cam and Kate) who organised another resuscitation training day for the older nippers and their parents. This was very much appreciated by all involved and gave valuable lifesaving skills for our kids to help them further develop into future surf life savers.

To our sponsors who always help support our growing Nippers, thank you on behalf of the committee and members for your kind sponsorship. With the support from Peabody Coal, Club Engadine, Peter and Eva Missingham, Elite Physio (Kate and Cam), your generosity this season saw the kids fully decked out in new Summer hoodies (supplied by Ohana), in addition to a whole new set of foam boards and other great gear for the kids to utilise. Thanks must also go to Bonds who supplied all new rashies to the kids this season.

Thanks as always to the management committee for their continuing support to myself and of our nippers. Thanks to Liss for again helping out with the design of the nipper clothes. This year our kids were decked out in their summer hoodies, which were a fashion statement at all the beaches.

This season we welcomed Sarah Josland to the committee as the Junior Activities Assistant. Her efforts were greatly appreciated and made the season more successful and stress free.

To my right hand man Geoff Snellgrove, who helps me run the kids around on the nipper meets, thank you once again for another great season. To all our patrol members and parents who have no hesitation

in assisting with the nipper meets, your help is greatly appreciated. And of course to Jodi and our girls, Livy and Annie, for helping out with the nipper stuff throughout the season.

Looking forward to another great season of Era Nippers in the forthcoming season.

**Scott Pracy**  
**Junior Vice President**

# GARIE SLSC

I am pleased to report to you that “no lives were lost” at Garie beach in the 16/17 season. This is a justifiably proud record that the club has held since its foundation in 1938.

This outstanding record has been maintained by a small but dedicated group of patrolling members who have been assisted in no small way by some of our fellow clubs, who have raised their hands to assist and become guest patrols at our beach.

Thus, on behalf of Garie SLSC, my sincerest gratitude must be extended to the following SLS Sydney Branch clubs, North Bondi, Bondi, Coogee, Maroubra, South Maroubra, Elouera and Cronulla. We also saw a SLS Sydney Branch executive that were happy to get back to the basics, and see active duty on our beach as a guest patrol.

It is very gratifying to be supported by these wonderful people, who have extended the hand of friendship in the truest sense of the movement. Which is to help others when they need assistance. Thankyou

This season saw us fortunate to be chosen as a host venue for ALBERT (Aust. Lifesaving Boat Emergency Rescue Training) This initiative consisted of 2 days of scenario response drills. On 11th and 12th December Garie SLSC hosted representatives from Cudgen, Cabarita, Brunswick, Evans Head, and Yamba SLSC’s who came to join the program along- side of participating SLS Sydney Branch clubs.

I would hope that this initiative returns to Garie again next season, and our clubs participation in the training increases, as it was a great weekend on our scenic beach, where many new friendships were formed.

I look forward to the incoming season, with a keen management team, who have a great enthusiasm for the guidance of our club into the future.

**Michael Bretherton**  
**President**

# GARIE NIPPERS

Well what a season! It was a bit of a rough and rocky start, but with hard work and perseverance, myself, Sandra and Tony managed to pull off a pretty good season.

We had 84 nippers registered for the season, and we ran two swim proficiencies at Engadine Pool.

We were fortunate enough to make a wonderful alliance with our now sister club North Cronulla. Thank you to Donna Hargreaves who was instrumental in helping us through this season with no experience from any of us with the running of nippers, her guidance and assistance was invaluable. We established a relationship with North Cronulla in the hopes of retaining our nippers for the future to then go on to patrolling for us. They get all the benefits of partnering with a bigger cub, but still representing Garie SLSC.

Our partnership with North Cronulla enabled:

- Attendance at a North Cronulla nipper day
- Participation in nipper photos
- Completion of nipper competition proficiencies
- Training for any nippers that wanted to improve their skills

We set up a Saturday training session for all nippers who were interested on the Saturday before nippers at Hordens Beach at Bundeena. This was a very successful and popular program. Tony and Paul were teaching board skills on the nipper boards, and John was teaching amazing techniques for the flags and sprinting races. We hope to be able to offer this again next season, as it really gives our kids a chance to get out on the boards.

We ran our Twilight Nippers again this year, which was a big hit with all the kids and families. Santa visited, and we had fun activities for the nippers. Sandra did an amazing job with catering and all the families really appreciated the effort and it was the introduction of Sandra’s now famous Brownie slice.

We attended the 3 Way carnival at Era and it was a very successful day from all accounts. A big thanks to Sandra for being our official volunteer for the day. She reported that given how many of our kids attended we performed very well. We plan to try and recruit more nippers for the carnival next year.

Our season consisted of 11 nipper days at Garie. All age groups completed all their learning modules by the 31st December cut off, enabling each and every child to be recognised for their efforts, attendance and participation at Nippers. They each qualified for and received their respective Junior Surf Life Saving Awards.

We held an information night at Engadine Bowling Club where nipper parents could come along and ask about any positions they were thinking of volunteering for.

Our season culminated in our Presentation Day. Each Age Manager received a certificate of Appreciation. Certificates of appreciation were also given to Tony Graham - Head of Beach Activities, John lackey - Head of Water Safety and Sandra Leon - Secretary. Following on from this, each child was acknowledged and presented with their SLS Award.

Then the Age Champions for 1st, 2nd and 3rd, were presented with their trophies and medallions, and had their photos taken.

This was followed by the 100% Attendance and 5 Years Nippers Service acknowledgements.

The big finale was presentation of the girl and boy Nipper of the Year. Our winners were Annabelle Lackey and Lucas Cootes.

To keep our nippers engaged through the off season we have planned some social events. The first of these was a Nipper Sleepover at the clubhouse. We had an amazing time. I think this event is one that we all would agree needs to be done again. The kids and families all had a brilliant time, so much fun and laughter.

**Belinda Eshman**  
**Junior Activities Chairperson**

# MAROUBRA SLSC

This season saw Maroubra Surf Lifesavers complete 110 seasons of Vigilance & Service to our community.

In our 110th year our members volunteered close to 10,000 hours as lifesavers on Maroubra Beach. during which they performed 134 rescues, 2337 preventative actions, treated 3 people for suspected spinal injuries and conducted 825 first aid treatments.

I would like to thank our Club Captain, Gilbert Olzomer, for his contribution to our life saving teams. Gilbert and his team have committed a great deal of time and effort in planning, supporting, improving and expanding the capability of our respected lifesaving service.

The efforts of our call out team deserves special recognition this year in particular for their work on the 28th of December searching for a teenage boy who went missing at the southern end of the beach. Our team searched tirelessly for the entire day in testing surf conditions, without complaint and in a very professional manner, providing 3 IRBs, an ATV and close to 30 members.

Education was led by Paul O'Donohue and his team helped our members achieve 50 Surf Rescue Certificates, 45 Bronze Medallions, & numerous other awards. They trained a total of 231 Awards placing us fifth in the overall Branch standings.

Our competition team is continuing to grow largely due to the efforts of our Surf Sports Director Mark Glekis, and our Head Coach Lisa McGuigan. The future of Surf Sports is looking bright with the growth in our Under 15 competitors, many of whom were finalist at State and Aussies. Cliff Gerathy's remarkable enthusiasm has been responsible for the resurgence of our Boat section. His under 19 boat crew, was one of success stories this season, winning the Sydney Branch Carnival, and making the finals of the State Carnival where they were unlucky not to place.

Maroubra again hosted the Sydney Branch Surf Lifesaving Titles. Despite heatwave condition, which caused many sporting events to be cancelled, we had another hugely successful weekend.

Our partner and major sponsor, Maroubra Seals Sports and Community Club, generously continue their support of Maroubra Surf Life Saving Club.

There are also a significant number of other sponsors and contributors that help us run the club and I would like to acknowledge their support, in particularly Core Mortgage Brokers, and L J Hooker Maroubra who have committed significant financial support to our club for a 3 year term. Channel 9 came on board last season and have not only continued their support but increased it this season. Sydney City Volkswagon have again generously contributed as well as M & M Fisher Plumbing, Outdoor Retreats, Souths Juniors, Maroubra Bay Hotel, The Randwick Club, Matraville RSL, Maroubra Locksmiths, Franklin Smash repairs, Coogee Bay Hotel, and

many smaller sponsors and members who continue to assist year after year.

This season saw Paul Scullion made life member. This is the highest honour that can be bestowed on a member of Maroubra SLSC.

On a sad note, this season has seen the passing of a number of 50 year members including my father John Simpson, Keith Rowswell, John Costello, John Mahoney, Bryan Maloney, and John McCormack.

Finally, and not least, my sincere gratitude to our Board of Management, Gil Olzomer, Mitch Donohue, Craig Farrugia, Alison Vuletic, Matt Harper, Marc Glekis, David Love, and Brett Christenson for their remarkable commitment and contributions that have made this season the success it was. THANK YOU!!

**David Simpson**  
**President**

# MAROUBRA NIPPERS

I would like to thank our Club and Branch Junior Development Committees, Age Managers, and all those fellow members and parents who helped with everything that it takes to run Nippers. Without you all, we wouldn't have Nippers at all.

We had 404 Nippers enrolled at Maroubra this season and I would like to thank the Maroubra SLSC Board of Management for their ongoing support for Junior Development. This support has paid off again this season with a record number of 39 Rookies graduating to become qualified patrolling members at Maroubra. An excellent result in no small part attributable to their expert Age Managers and Trainers

Many thanks must also go to our Chief Instructor, Paul O'Donohue and his team of expert, enthusiastic and patient trainers. Our strong tradition of quality surf lifesaving education was maintained this season with another half a dozen nipper parents being "bronzed up" to supplement our watersafety and patrol ranks for the future.

We had 27 mostly under 12's children gain their BEC (basic emergency care) award and another record number of 53 mostly under 11's attained their CPR (cardio pulmonary resuscitation) award under the superb tutelage our Junior Development Education Coordinator, Megan Still. This is an outstanding result all round for which special thanks must go to Megan, along with her accompanying trainers and assessors.

We also continued on our delivery of the by now familiar basic DRSABCD and CPR instruction to Nippers as young as under 6's. We are rightly proud to offer this sort of training and the associated proper SLSA accredited awards to Nippers. We have clearly demonstrated that an early start to lifesaving training familiarises children with lifesaving techniques at an early age, and makes it so much easier for them to grasp the finer points when they come to attain the more comprehensive awards later.

Maroubra U11's and U13's also enthusiastically filled our allocation of attendees at their respective Sydney Branch Junior Development Camps, where they had an absolute ball. These development camps are invaluable for the educational, motivational and leadership experiences that they offer Junior Lifesavers in training, and we are very lucky to have them. On behalf of all those Nippers who had such a great time, our heartfelt thanks go to camp director, Doug Hawkins and the respective minders and IRB crew for conducting the camps.

Maroubra Nippers and Surf Sports Officials were, as usual, present at every Surf Carnival in our Branch; as well as a few carnivals in the neighbouring Northern Beaches and Illawarra Branches, and at the State and Australian Championships.

Congratulations to Maroubra's Tara Georgas and Kyle Matkovic, for making it to the final judging for the Sydney Branch Junior Lifesaver of the year award. Thank you to all the fellow members and parents and who lent a hand that weekend; especially our barbeque coordinator, Irene Ross and her hardworking assistants. Their tireless commitment for the whole season has built on the previous success of our Nippers Barbeque.

Our State Championship team continued to excel in both numbers and performance, culminating in a highly proficient championship group of 68 Maroubra Nippers, bringing home an individual gold, a team silver, and two team bronze medals. Years of training paid off for a couple of our Junior R&R (rescue and resuscitation) teams in the under 11 Two Person event, breaking a decades long drought for Maroubra in R&R championship placings, finishing in a three-way tie for 1st in howling wind and driving rain. The medals had to be decided by a countback, with the teams taking the silver and bronze; a great result that we certainly intend to build on next season.

There were several other commendable performances in State finals, too many to mention here, along with several medallists and sterling performances at the Sydney Branch Championships. This included another milestone of having boys compete for Maroubra at championship level for the first time in decades. Congratulations to them all, and special thanks to our expert team of watersafety, managers, coaches and officials. A job well done helping to build a stronger spirit of competition at Maroubra.

We look forward to seeing all our compatriots on the beaches next season.

**David Love.**  
**Director of Junior Development**

# NORTH BONDI SLSC

Our Life Savers can once again hold their heads high with NO LIVES LOST this season.

Like all clubs, it is with the hard work and dedication of all members, that we succeed. After winning the SLSS Club of the Year last season, we were fortunate to go on and win SLSNSW Club of the Year and whilst we missed out on the National award.

Our core role is of course Lifesaving. Thierry Forest, our Head of Lifesaving and Club Vice Captains, Eloise Starr and Doron Milner along with the Patrol Captains, Vice Captains and IRB Drivers and Crew have once again worked to ensure our end of Bondi Beach was safe. We are in very good shape when it comes to life saving. Brittany Banks Winning U21 Branch Life Saver of the Year award was a highlight of the season and with a further 13 nominations across all aspects of club life, including Volunteer and Patrol of the Year award, we are in a strong position with engaged and enthusiastic members. As in past seasons we also conducted some outreach patrols and assisted other clubs with some gear donations. Rescues this season decreased on last season to 132 while Preventative Actions increased to over 4600, as testament to the fact our patrollers are saving lives by ensuring swimmers don't get into trouble in the first place. We also performed 386 various First Aid incidents and reunited 40 'lost parents' with their children.

Our community events were again successful. Both the North Bondi Rival Rough Water Swim and the North Bondi Classic Ocean Swim were held in near perfect conditions and with the Bondi BareFoot run moved to September from May we hope to grow this community event.

Paul Hotton has built tremendously on his first year as Head of Education. Paul was awarded the Club's Member of the Year last season (2014/15) for the outstanding job he did behind the scenes but taking on the Head of Education role was a big step which he has excelled in. He followed this up by winning the Clubs Official of the Year. With some strategic changes in direction this season and a focus on further and higher awards, we achieved a total of 979 awards including Surf Ed awards. 170 being further awards, with the introduction of 81 new Bronze Medallions and 40 SCR Awards.

The Youth Section is headed by Jim Walker. Jim is known for always leading from the front and passing on three decades of lessons demonstrated to our young members is only the start of his contribution. With assistance from others, the youth are leading the way in many areas - Life Saving, Education and also Competition, their results all season were outstanding.

The Surf Sports is headed up by Andrew Christopher and is a credit to him, Head Coach, Scott Thomson, all other coaches and supporters who are there not only to coach, but also mentor all of our competitors. The Masters had an outstanding season, finishing 1st at the NSW Championships. With the wash out at Aussies it was easy to come away disappointed season but with

two gold medals and some other fantastic results we walk away with the satisfaction our team are moving in the right direction.

Nippers continues to grow and improve, with nearly 1000 nippers this season. With large numbers competing throughout the season this area is a key to the success of the youth in the club.

With planned growth in competition and exciting developments in Lifesaving and Education we are looking forward to next season.

**Mark Cotter**  
**President**

# NORTH BONDI NIPPERS

It was a privilege to take over the role of Nipper Manager from Melissa Hamilton this season.

We were at our quota capacity with over 900 registered Nippers. The Age Managers did an amazing job, particularly in the younger age groups where they managed activities for and educated groups of up to 100 Nippers.

From a competition perspective, the 2016/17 season saw our Nippers reap the rewards of prior years of time and dedication invested by our coaches and Age Managers. We had success on sand, in the water and March Past at all major carnivals including a 3rd consecutive win in Waverley Shield. The pinnacle of the competition season is State Age Championships in March, where we finished 7th, up 2 places from last year, taking home 14 top 3 positions and countless top 6 positions.

But for me, most important is not the number of medals we win but the sense of kinship and community that we share. I strongly believe this sense of community is what will take our Nippers to become Senior Lifesavers who patrol our iconic beach in future years.

The end of this season also saw the retirement of Jim Walker as Nipper President. Jim has held the position for 8 years and has been the community face of North Bondi Nippers during that time. Jim has been a daily presence with the nippers, whether it is driving the buggy across the beach with a dozen nippers in tow, spending endless hours coaching the competition nippers, having fun with the Under 6s in a tug o war, or having a quiet whisper in a nervous child's ear before a race. We thank Jim for his incredible contribution in making North Bondi Nippers the success it is today.

We are excited for the next chapter and wish Matt Hamilton luck in his new role as Nipper President.

I look forward being a part of the 2017/18 season.

**Natasha Fry**  
**North Bondi Nippers**

# NORTH CRONULLA SLSC

I wish to thank all the Club Members of North Cronulla for the contribution they have made to this season. To all those who have been so superb on patrol, helped keep the public and our own safe and given me the privilege at my first AGM as President to say “NO LIVES LOST” is a true honour. I am indebted to them all.

I would also like to thank Surf Life Saving Sydney BOM for your assistance and support this season. I found the information nights informative and of great value to me for the running of a Surf Club and the issues that arise.

I would like to thank the SLSS office staff of Victoria & Linda for their assistance during some difficult times within our club.

I would also like to thank my fellow Presidents, from the other Bate Bay Surf Clubs, Rob Short (Cronulla SLSC), Peter Carney (Elouera SLSC) and Mark Sargent (Wanda SLSC) for your support, advice and guidance over the last season, as the new kid on the block it was greatly appreciated.

Our Patrol Captains and their team members, you have done our club proud through some difficult conditions and busy periods on the beach. Some of the highlights were

- Being on the beach for the first day of patrol of the new season. It was a hive of activity...IRB training, SRC and Bronze assessments plus our patrol working together to maintain as safe environment for the community.
- How Patrol 1 handled a difficult situation with a Drug Influenced person.
- How Patrol 12 reacted after a sand bank gave way and during the mass rescue that followed

Our Education and Training team lead by Mark Anders have done a wonderful job this season, with excellent support from the various Branch officers, they put many members through a large range of courses. This is an important pillar within our Surf Club and one that we must continually work at to maintain the quality of patrols we currently have and pride ourselves on.

- An increase of 30% in the amount of awards achieved by our members.
- 56 new Bronze Medallion holders
- 17 new Advance Resuscitation Techniques (ARTC) holders
- 16 new IRB crew and 3 new IRB drivers
- 3 new assessors and 1 new trainer
- Winning most Education Awards for Bate Bay

There were many things that occurred this year that made me very proud to be part of North Cronulla, especially when our home grown achieved some outstanding achievements, some listed below

- Our young ladies (Lucy Green, Felicity Hassett and Elissa Hughes) winning an Australian GOLD in the IRB
- Ethan Garland representing Australia at the World Youth Games in Netherlands.
- Kane Hughes being honoured with both NSW and Australian “Life Saver of the Year”...An excellent recognition for many years of hard work and commitment.
- The success of the Boat Section. 4 crews selected in State Teams, 1 Crew selected in the Australian Team. Clean sweeps at many carnivals, 2 Teams in the Australian Boat Relay final

- Matt Day and William Budd in NSW team
- The many members selected in the successful Sydney Branch Team, Captained by Jake Moses and coached by Tracey Schriek.
- Watching the Beach Flags at Aussies when Alex Rampoldi won both Under 17 and Open's... A special moment
- Being there when our Under 17 Boy's won the Board Relay at the Australian titles (Ben Highfield, Leo Nosatti and Jake Young)
- 6th Place at the Australian Titles...Points across every section
- 4th Place State Titles
- Members winning SLSS Awards – Ethan Garland (U19 Best Athlete), Alex Rampoldi (U17 Best Athlete) and our U23 Purdies Boat Crew (Team of the Year)
- 4 members achieving the honour of selection in the Australian Training Squad for the upcoming World Titles – Ethan Garland, Ben Highfield, Kirra Hood and Alex Rampoldi – our club is very proud of them

The beach at North Cronulla is always busy, with many events taking place. Some of the events relate to competition, launches, memorial &/or celebrations. This year was no different, we had

- The scattering of the ashes of our past members
- 2 boats launched on the same day, an achievement for any Surf Club that they would be proud of. But made even better when they were named in honour of two stalwarts (Warren Rennie & Steve Warren)
- North Cronulla Christmas Carnival, was again a very successful day.
- Australia Day Nipper Iron person, 200 plus competitors in solid conditions, visitors from as far afield as South Australia.
- NUTRI GRAIN – 3 days of racing
- IRB launch – Named after a stalwart of our club Robert “Bobby” Lovell, donated by the HOLT Group.

- North Cronulla Surf Life Saving Club not only educate and train our members to patrol the beach for the benefit of the community's safety, we are also strong supporters of the community as a whole. A few of the following are areas we have been involved this season.
- The annual Bate Bay Blood Drive, not only did the surf clubs save lives through the blood donations, we also donated some much needed funds to the Children's Ward at Sutherland Hospital
- Relay for Life, well attended and supported by our Nippers and families.
- Supported the Cook Community Classic.
- Various Schools, Sporting Clubs & Charities granted use of our Club Facilities
- Donations of Surfing equipment to Papua New Guinea, so that children and youth get an opportunity to enjoy the water.

Our Project Phoenix (Planned Club development) has reached DA stage. A great milestone for our club, we hope to turn dirt in about 12 months time. Once completed it will give our members much improved facilities to do our core business of Saving Lives and will set the club up with a solid financial future. The support we have received from the Sutherland Shire Council, Mayor, General Manager and staff has been instrumental in getting the project to this stage. We have also had financial support for various levels of Government.

Competition at North Cronulla has always been one of the big drivers and I am so proud of each section within our club. Even with the disrupted Australian Titles, our sections had great results throughout the season and at the various carnivals they attended. The main highlight for me was our placing 6th at the Australian Titles....Points across all sections of our club...A great team effort.

Nippers is where the journey for me started within our surf club, I see it as an instrumental component of our club. We have had great leadership within our Nipper section lead by Donna Hargreaves, Brook Fleming and David Waugh.

This season they instigated some new ideas into the running of Nippers which I saw as very successful. There was a change to the format of running Nippers on Sunday which created a great atmosphere. Skills and education took centre stage with Age Managers supported with people experienced in various areas.

Was also great to see past Nippers, now Cadets, coming back to provide support with squads. The younger members of the club look up to these young leaders.

The Water Safety at North Cronulla was again strong, with a few extra parents now having the IRB Crew & Drivers awards.

The Nipper section achieved some excellent results and had some very successful days this season

- 334 Surf Education Awards
- 32 Surf Rescue Certificates (New patrolling members)
- 13 Resuscitation Certificates
- Under 14 QLD Tour attended by 30 junior members
- Nutri Grain weekend – Nippers able to use the course at the conclusion of the racing and mix with the athletes.

- Day at Kurnell for U8 – U14, were all were able to get in the water and practice their skills
- Australia Day Carnival – 200 competitors
- Great results at the State Titles – Highlighted by 4 GOLD medals
  - Under 14 – 5 Person R&R
  - Luke Jenkins U9 Beach Flags
  - Lucy Flanagan – U13 Beach Flags
  - U10 Male Beach Relay Team

Retaining of our Nippers into the Youth (Cadets) section has been the result of Monika Di Maio and her inspirational ideas. They certainly enjoy the days at Wet N Wild. From this section is where our future leaders will come, they are certainly under the right guidance and influence with Monika.

The Club Executive and BOM at North Cronulla was stable this year, with many already intending to return in their roles next season. I wish to thank them for their continued support and hard work during this busy season.

**Geoff Budd**  
**President**

# SOUTH MAROUBRA SLSC

I once again start my report by extending my appreciation to the Office Bearers of South Maroubra SLSC who have provided leadership and governance throughout what was another very busy year.

Those that manage Surf Lifesaving Clubs know that the season is a full 12 months with no real off season so whilst patrols have concluded, IRB competition is underway along with planning for Presentation nights, AGM's followed by debriefing of the past year and planning for next season.

Reviewing Lifesaving/Education over the 2016/17 at South Maroubra I am able to report our members were directly involved in rescuing 128 swimmers, 6182 preventative actions completed, 860 first aid cases were attended to by Club Members so a very busy year.

Regrettably whilst I am pleased to report No Lives Lost during patrol hours sadly the same cannot be said 'after hours' when a 14-year-old boy and his cousin from Western Sydney entered the notorious south end rip @ Maroubra beach around 8pm late December where he was immediately pulled out to sea and soon after drowned, his young cousin was rescued by a passer-by. It is appropriate I mention the efforts of South Maroubra members on the night throwing their hands up to help with the search and also the following days with the search for the victim and later the development of an after hours rescue device being managed by our DOL Damien Woods.

It is also appropriate I separately mention the effort of Hamish Manks who whilst on holidays was called upon to resuscitate a boy who had drowned at a beach. Thanks to his extensive efforts the victim was successfully brought back to life and whilst the long-term prognosis is unknown, the victim was given a fighting chance of survival by Hamish!

Within the Ed Services space our club continues to improve on the quality, quantity and variety of courses being offered with the increasing number of valued trainers. In total 151 awards were completed within the senior club and an additional 403 Surf Ed awards. Congratulations to all of the trainers and special mention to Nicole Cooney who recently received recognition of Sydney Branch Trainer of the Year at Branch Awards of Excellence. We wish Nicole all the best as she now goes forward to NSW State Awards of Excellence in August 2017.

Well done to our lifesaving and Nipper members!

Competition wise throughout the 2016/17 season our members did the club proud in and out of the water with IRB competition underway at the time of writing. I am really proud to report a number of our members entered into and completed the Coolangatta Gold which is a first in recent years. Plans are underway for next season and a range of strategies being put in place for competition training and development with an emphasis on transition from Nippers to the Senior Club.

Nippers which will be reported on separately following this report, but they had another fantastic year and again has key people playing important roles. Well done to Marcelo Garay on his efforts in coordinating this dynamic group and well done to Age Managers, Assistant Age Managers, Coaches, Water Safety and the Nipper Committee who have done really well all year. I was again very pleased to see our Nippers once again feature in the Top 10 at State Titles so testament to the skills of the leadership group and most importantly the future lifesavers.

Club wise, we have an extremely busy season with the return of the South Maroubra Ocean Swim in February 2017 which was

an outstanding success and certainly something we want to continue to build. We conducted many other community events, continued our efforts to improve South Maroubra Clubhouse in particular protecting it from the very damaging east coast low weather events and for that I once again thank our local State Member Michael Daley who has stumped up the funds to carry out these extensive works.

In conclusion, I thank all of our most valued members far too many to mention in the brief space I have been provided, thank you to President George Shales, Branch staff for their support during the past season as well as Randwick District Clubs. I also extend our clubs thanks to State MP Michael Daley who continues to provide great assistance to our club and Federal MP Matt Thistlethwaite and all of our sponsors in particular The Souths Juniors Clubs and Maroubra Seals Sport and Community Club.

I look forward to seeing you next season.

**Paul Fownes**  
**President**

# SOUTH MAROUBRA NIPPERS

Our young lifesavers at training were part of another successful season at South Maroubra SLSC.

In the 2016/2017 season we focused on member engagement, member participation and enhancing our customers' experience. Some of our main goals were to deliver the program in an all-inclusive manner in a friendly, fun and family focus environment. We also wanted to increase Education Services, as we believe the development of our members is essential to deliver future lifesavers to the community. We achieved what we planned to deliver. The professionalism, commitment and knowledge of our Age Managers and their support team (our Beach Crew) were the key for the delivery of a successful program.

## EDUCATION SERVICES

Education and development of our young members and family is a key to the success of our program. During the past season, we delivered a number of training/development courses. A number of our future young leaders from the U11s and U13s represented our club at the Sydney Branch Nipper Development camps. They learnt valuable leadership skills whilst furthering their lifesaving skills, all delivered in a well organised program.

Summary:

- 403 achieved their age appropriate Surf-Education awards
- 54 Junior Members achieved their Resuscitation Certificate (AID)
- 23 U13s/U14's achieved their SRCs and are actively patrolling our beach
- 30 Parents achieved their Age Managers award
- A large number of parents achieved their BMs, all doing active patrols and water safety
- Several parents achieved their Level 1 Official award
- Several parents also achieved their IRB certificates (Crewman/Driver)

## COMPETITION SECTION

The engagement of our junior members increased immensely this season; this was supported by a thorough training program managed by a team of dedicated coaches. The touring team consisted of 100 members, they proudly represented our club at several local junior carnivals, as well as some other State Junior Carnivals, culminating the competition side of the program with our attendance to Branch at Maroubra beach and the State Championships at Swansea-Belmont where we placed amongst the top 10 clubs in NSW for a consecutive 4th year.

## FILMING

Our club was selected to represent SLSA in a TV series which will be televised in ABC 3; the series will showcase the movement nationally and to some extent worldwide. During the season our nippers were interviewed and filmed participating in different scenarios. The end product is amazing, I am very proud of our junior members and what was produced. I am certain that it will be a great vehicle to further increase awareness of the movement and its importance to our community.

## ACKNOWLEDGEMENTS

To our young lifesavers at training, their parents and carers, thank you! Without you, the program wouldn't exist, your enthusiasm, engagement and support ought to be commended.

To our club volunteers that have supported us during this season, my Nipper Committee, Coaching Team, Water Safety, Officials and my fellow Club Directors, thanks for your dedication and support. Thanks to our nipper partners Sydney City Volkswagen and RAMS Sydney East Sydney.

Thanks to the club's major partners Maroubra Seals Club, The Juniors, Randwick City Council, Botany City Council & the NSW Government. To the local businesses that supported us – namely Look Design, CSJ Seafood's, Mick Fisher and the many businesses that supported us during the past season.

I'd like to acknowledge those within Sydney Branch for their ongoing support to our club, being supporting our Junior Carnival, at carnivals, jet ski/IRB support or via administration in general. Thanks to the Branch Junior Development Committee and Surf Sports Committee for their commitment and support to the Branches EAP, Dev and HP squad activities.

It is an honour to be part of such a great club as South Maroubra SLSC and be able to contribute to the success of surf lifesaving and the nipper program.

**Marcelo Garay**  
**Director of Youth Development**

# TAMARAMA SLSC

As always I am proud to say we have continued our tradition of 'No Lives Lost'. I would like to thank all the members of the Club that have made this season a successful one. This can only be attributed to the hard work and dedication of all our members. This comes at a time where NSW and Australia in general suffered far too many needless drownings over the Summer. I can't remember such a dire year. I want to thank all those who made their patrols on time come rain or shine, and we have had a lot of both this year, to keep our beach safe. I want to thank all the Patrol Captains and the members of the IRB team that make the extra effort and give up many more weekends than most of us and moreover I want to thank the members of the Management Committee that make the extra commitment each year to help run the Club. We have a long and envied tradition that we can continue only with the effort everyone puts in.

We had a strong year on the training front, ably led by Ellie and the training team, with new and existing members gaining awards across SRC, Bronze, ARTC, Silver Medallion Beach Management, First Air, IRB and Junior Surf Education classifications. We look forward to welcoming our existing club members back next season and welcoming new members. It is great to see new faces around the Club getting involved.

Our statistics for the season show that we had a busy year once again, with our members working closely with the team from Waverley Lifeguards to keep our beach safe.

On the community front several of our members were very active, taking the Club beyond the vital weekend life saving activities. I was very pleased to see a pilot for the Holly Days programme run towards the end of the season. Holly Days was named after Holly Robinson, a young Club member, sadly no longer with us. The programme is a great initiative that welcomes kids from outside our community and provides opportunities that they would not otherwise be afforded – a chance to enjoy and learn about the surf. A huge thanks to Jo Miller and Mieka White for working on this important initiative. Tamarama continued the tradition of having our own Rob Brander (aka Dr Rip) back for a Science of the Surf morning, delivering his fascinating surf safety education program to members and the public alike. Post end of season, Tamarama hosted, with the assistance of NSW State Surf Life Saving and other agencies, a Migrant Beach Safety Day to provide an opportunity to explain essential surf and rock fishing safety to new Australians. These are all great initiatives and I comment our members for getting involved and stepping up.

Our major project – fundraising for a major renovation of our clubhouse - continues to make headway. This is a critical project that will set the club up for the next 100 years and while a lot of work has gone in thus far, there is still much to be done and I am interested to speak to anyone who would like to know more or who can help in any way.

I'd like to extend a thanks to George Shales and the whole

team at Sydney Branch for their help, with a special call out to Keith Grima for his calm and sage support and advice, during the 2016-17 season.

With the successes of the season, unfortunately, there was also sadness. In early June, we learnt that one of our past members, Kirsty Boden, tragically lost her life while rendering assistance to others during the London Bridge terrorist attack. Our thoughts are with Kirsty's family, friends and our club members at what must be a terrible time for them.

**Bill Shires**  
**President**

# TAMARAMA NIPPERS

The 2016-17 season was another action packed season, focusing on continued development of our youngest future lifesavers and having fun in the process. The season was marginally better conditions wise compared to last season - out of a total of 19 Sundays of activities, Tamarama beach was open on five occasions, compared to one Sunday in 2015-16.

The program kicked off in September with registration and proficiencies held at the University of NSW. By the time registrations were concluded, similar to prior seasons, we had close to 80 Nippers registered for the season.

The SLSA Surf Education program continues as the foundation of our program, around which all other activities orbit. Sixty of our Nippers achieved their Surf Education certificates in 2016-17 compared to 50 in 2015-16.

In addition to the Surf Education awards, 4 of our U14 Nippers went on to achieve their Surf Rescue Certificate this season – congratulations to Oscar McGivern, William Lenard, William Forrest and Felix Morrison. I'd like to thank Paul McGivern and Danielle Forrest for assisting with training and riding shotgun throughout the program which stretched from October to December.

I'd like to offer special recognition and a vote of thanks to Danielle Forrest as she completes her final year as Age Manager at Tamarama. Danielle has been an Age Manager for many years, with her two children now having completed their SRC and in the case of Molly, achieved her Bronze Medallion. Thanks Danielle – please keep in touch.

The team from Little Heroes, Kirrah and Roman, mentored by Barney Quinlan joined us again this season to work on basic surf awareness and skills at the water's edge with our U7 and U6 Age Groups.

In 2016-17 we trained a further three Age Managers – Gillian, Tim Gow and Tim Murray. I'd like to thank the Age Managers and assistants for their relentless efforts during the season, turning up, every weekend, rain, hail or shine to work with the Nippers. The Age Manager Group this year was:

- Danielle Forest U14
- Jon Veals & Guy Waddell U12/13
- Gary Hunt & Ken Powell U11
- Jo Miller U10
- Neil McFarlane U9
- Kim & Tony Kench U8
- Jon Hancock & Shay Deguara U7
- Gillian Sharratt, Tim Murray & Tim Gow U6

Again the senior club supported skills development and water safety throughout. Thanks to our club captain Danny Adams for his support, Sunday morning Patrol Captains (Matt, Michael and James) / patrolling members and importantly the SRC group who were on hand each week.

On the competition front, Tamarama Nippers was active, with the annual Australia Day Challenge being held at Tamarama this year – a huge thanks to Bryce and the crew from Clovelly for making the trip north to compete at Tamarama. Their efforts were rewarded by the beach being open. Tamarama secured the coveted Tamarama-Clovelly shield this year, which was presented to the winning club by our special guests on the day, Sally Betts, Mayor of Waverley and Noel D'Souza, Mayor

of Randwick. Jon "Shotgun" Veals once again attended the Waverley Shield at Bondi as our team manager – thanks Jon and congratulations to all competitors for representing Tamarama.

Tamarama Nippers sent teams to the U11 and U13 Sydney Branch Junior Development Camp and were well represented by our Nippers. Derek Bagatourian and Jon Veals led our representatives who included Honor V, Jack W, Lachlan W, Oliver H in the U13s and Will C, Lucy L, Jonathan L and Luci H in the U11s. The camp focuses on teamwork, leadership and skills development within and beyond the Surf Life Saving framework.

Friday afternoon board training was again held this year in the first half of the season. We travelled to Coogee so we could guarantee being able to get in the water and get some miles under our collective belts. Thanks to Derek for once again digging deep and assisting with this activity.

Major award winners for 2016-17 were:

- Eleanor Labi - Nipper of the Year
- Honor Veals & Justin Volpatti - Best and Fairest

Well done to Eleanor, Honor and Justin.

Thanks to all parents who donated their time, effort and resources throughout the season to make the program work as well as it did and to ensure that all our social functions were well run and provisioned.

I hope in 2017-18 to retain the enthusiasm and participation of our Age Managers, parents and Nippers while at the same time growing parent involvement to strengthen the Tamarama Nipper group and continue to develop the skills and confidence of our youngest members and future Life Savers.

On a final note, I'd like to extend a huge thanks to Doug Hawkins and the team from Sydney Branch Junior Development who keep us all informed, motivated and inspired to work with our Nippers in a safe, inclusive, and informed way.

**Guy Waddell**  
**Junior Activities Representative**

# WANDA SLSC

At Wanda, keeping our beach and its surrounds protected and safe for the public, our visitors and our club members is our main priority. It was a year that swimmer numbers increased north of our patrolled area. The numbers will only increase as the new housing developments grow. We as a club are concerned for the safety of these beach goers and we have expressed our concerns to the council and at District Surf Life Saving level. Whilst this is a concern, we at Wanda must concentrate on “our patch” and continue to patrol and protect this.

Once again our patrols were diligent and effective, I believe our standard of patrols again rose partly due to the hard work, by our Club Captain Ken Smith & Lifesaving Director John De Cean. I also deliberately spent time wherever possible with every patrol during this season, just sitting and watching and the vibe in the tent or on our new patrol trailer was great. We were regularly inspected throughout the year and we encountered no major problems.

Thank you to all patrol members for the job you do. I fully realise what an amazing job you all do. Everyone is time poor in a very busy world. The work force is now not 5-6 days but truly seven days a week so it’s hard to volunteer so much time to protect our beach, thank you for your commitment to the public, our community, our beach and our surf club is outstanding

A special thank you to the Patrol captains and Vice Captains, a job not to be taken lightly and you all do it so well. I have been really impressed by several of our younger members taking up this responsibility, also the captains who are actively teaching the younger ones. Being on patrol is not about sitting in the tent, it’s about getting out there and being proactive on the beach. Make it interesting and exciting to be on patrol, remember if you go for a surf you are still on patrol, enjoy patrol, have fun with your mates!!

Congratulations to our Board of Directors, each and every one of you have put in so much time and hard work. It is often a thankless task, but through your efforts you are really shaping the future of our club. We all realise that we not only need to oversee the day to day operations of the club and its members and all its associated businesses, leases and sponsorships but we have to think ahead to secure the future of our club.

I will simply say thank you so much for all your efforts, it’s a Board that is all working together for the betterment of the club. We sometimes disagree, but it is always positive!!

I would like to thank Sutherland Shire Council, in particular Brett Richardson, Carl Vanzino and Bede Elphick and all the lifeguards for their support and their professionalism. Working together certainly makes our job easier.

It was a spectacular season in the Competition section largely through the tireless efforts of our Surf Sports Director and Head Coach, Greg Pierce.

Over the past few years we have seen our competition section nearly double. Negative people say this is not good. I disagree this is a great thing, each new competitor is a new patrol member. Our retention rate from Nippers to the seniors has also greatly improved.

Wanda was the only club in NSW to be placed in the top 5 place getters in Nippers, Seniors and Masters at the State

Championships, a fact we are proud of.

This year we instigated our first “One Club” carnival. The idea was to have all the club competing together from Nippers to Masters at the same time. This was a resounding success with over 30 clubs, nearly 1,000 competitors entered. This was the biggest carnival in Sydney Branch in years. Unfortunately the surf didn’t help but it was a real success, in very difficult conditions.

Another big occasion was our 70th Reunion. Lots of time and effort went into it and it was a great success. It was fantastic to see so many people young and old turn up. Some of the stories of the old times were excellent. Some went a bit over time telling stories, but they were great memories. Thank you so much to the organising committee.

Thanks also to the members of the many sub committees which includes the Ladies Committee, Strategic Committee, Life Members, 70th Reunion, Founders Room, Carnival, S2S, Finance, Sponsorship etc and all people who helped out this year. It was great to see all positions filled on the management committee.

I also wish to thank our Patron Solly Stephens, he is always there to offer help, advice, support and friendship to not only me but to all members. The fact that he continues to go to the gym and swim every morning and lead by example amazes me. There is a lesson for all of us there.

The PAYCE Sutherland to Surf Is on again in July 2017. This is our major fundraiser. Thank you to our many sponsors and the organising committee again headed by Mick Brannock.

I wish to thank the other Bate Bay clubs, especially their Presidents, also the District and Branch Committees for supporting Wanda and myself through this very busy year.

**Mark Sargeant**  
**President**

# WANDA NIPPERS

What a season it has been.

Our achievements have been absolutely fantastic across many areas, including competition, lifesaving, fundraising and community events. This also includes all the voluntary hours that our committee and volunteers put in, from our week to week organisation, coaching, communication, admin, water safety and IRB’s, age managers, uniforms, registrations, finance, carnivals, entries, officials, BBQs and fundraising. Thank you to them for their investment of time and efforts; we wouldn’t have the solid foundation for our 420 Nippers to achieve what they do otherwise.

This was the third year of our three year plan. I’m pleased to say we achieved what we set out to do across lifesaving, our Sunday program and competition. Lifesaving and education has been a major focus, with us now engaging a sponsor in this area. We again achieved 100% success rate with our U14s gaining their SRC. (The Assessor commenting on their level of knowledge). Lifesaving education is a permanent element in our weekly program across all age groups from our U6s to our U14s. Our U11s and U13s now also attend the development camps well prepared in this area. We are already discussing opportunities to further enhance this focus next season.

Our Surf Confidence program continues to be a crucial part of the Wanda experience. Our Sunday program has undergone a renovation with a move away from the standard swim, board, sprints and flags. This season we have seen Age group programs and plans distributed weekly, as well as the inclusion of team days, mixed gender racing, lifesaving days, handicap races as well as visits to Kurnell. These are all activities that we will be continuing as we ensue we engage all Nippers each week.

Building on our sporting foundations has certainly seen countless achievements this season.

We have competed across many disciplines including pool rescue, surfboard riding, R&R, 1 and 2 km runs as well as beach, flags, swim and board. We were well represented in selective events including Henri’s inclusion in the Junior Development Camp, six of our Nippers selected in the winning Sydney Interbranch team, as well as a full contingent of U11s and 13s attending the Branch Camps at Deer Park.

Across the Carnival season we have certainly excelled be it at the Cook Classic, 4 Ways, Branch, State Or Aussies Youth Championships just to name a few. In true surf club tradition these were contested in the extremes of a heat wave at Branch and a cyclone at Aussies. A definite highlight was our results at State. We were all very mindful that our strong competitive girls would not be there having graduated into the U15s this year. These 3 days of competition were a rollercoaster of emotions, wins and PBs, that ended in a succession of golds in the final hours, including the All Age Board Relay. This seen us not only achieve 2nd place, for the third year in a row, but we accumulated 201 points. Our plan set us a target of 200 points three years ago!

There were also achievements off the beach: for successfully implementing paperless registration, everyone got behind raising funds in our Shave a Coach for Frank, we won the inaugural ‘Relay for Life’ Nipper Challenge and took out all three Junior Athlete of the Year categories at the Sydney Branch Awards.

We now turn our focus to the next season. The nippers of today are the future of surf lifesaving tomorrow.

**Tracey Green**

| Independent Audit Report                          | 119 |

It gives me pleasure to present to you the audited financial report for the 2016/ 17 seasons. This season we again showed a profit of \$167,083, which is down from last season, but still a good result for the Branch.

This season we saw some changes in the charges to clubs to make it simpler and not having to many different charges, the expenditure has again been controlled during the season with funds being very limited after losing part of the Streets Sponsorship and I would like to thank all the Directors for their due diligence regarding this.

During the season we had again reviewed our chart of accounts and have again reduced the number of accounts to be a much simpler operation for every one, we also we able to produce reports for each section to allow for the officers to manage their budgets and able to understand how they were tracking with their budgets.

This season we welcomed Sydney Airport Corporation on board with the sponsorship of the Patrol enclosures, which will be seen on our Beaches next season. Sydney Airport has been a sponsor of our Junior Activities for many years and we look forward to a long partnership.

I would like to also record our thanks to Streets Ice Cream for the sponsorship over many years as well as DHL, NSW Government, Surf Life Saving limited, Surf life Saving New South Wales limited and the many local governments for your continued support.

This season the board decided to out source the bookkeeping of our accounts and I would like to record my thanks to Sharon Porter for the work she has done to bring our accounts up to date

and working with us to make the changes required.

Special thanks to Victoria Raymond and Linda Perrin for all your assistance to me over the years and also to my fellow Directors.

I have decided to stand down this season after 30years on the Board of Management of the Branch and would like to thank all those people that I have had the opportunity to work with over the Years.

The accompanying notes form part of these financial statements.

Notes to the Financial Statements  
For the Year Ended 31 May 2017

1 Summary of Significant Accounting Policies

(a) Basis of Preparation

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the *Associations Incorporation Act (NSW) 2009* and *Associations Incorporation Regulation (NSW) 2010* and the *Charitable Fundraising Act 1991*. The committee has determined that the not-for-profit entity is not a reporting entity as there is unlikely to exist users who are unable to command the preparation of reports tailored so as to satisfy specifically all of their information needs.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets. Cost is based on their fair values of the consideration given in exchange for assets.

The special purpose financial report has been prepared in accordance with Australian Accounting Standards (including Australian Accounting Interpretations), and other authoritative pronouncements of the Australian Accounting Standards Board.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this special purpose financial report:

AASB 101 Presentation of Financial Statements  
AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors  
AASB 107 Statement of Cash Flows  
AASB 118 Revenue  
AASB 110 Events Occurring after the Reporting Period  
AASB 1031 Materiality  
AASB 1048 Interpretations of Standards

(b) Property Plant & Equipment

Property Plant and Equipment are carried at historical cost less, where applicable, any accumulated depreciation. Individual items costing less than \$300 are expensed immediately through the income statement rather than capitalised on the balance sheet

The depreciable amount of all property, plant and equipment is depreciated over the useful lives of the assets to the entities commencing from the time the asset is held and ready for use

Assets excluding leasehold buildings are depreciated over their lives utilising the following rates:

|                     |            |
|---------------------|------------|
| - Buildings         | 2.5% - 10% |
| - Plant & Equipment | 7.5% - 40% |

Building Improvements are amortised over the estimated useful lives.

(c) Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short term highly liquid investments with original maturities of three months or less.

Notes to the Financial Statements  
For the Year Ended 31 May 2017

(d) Income Tax

The Association is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

(e) Revenue and Other Income

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the entity and specific criteria relating to the type of revenue as noted below, has been satisfied.

Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

- Donations are recognised at the fair value of the donations received or receivable. Donations in the form of services are measure by referring to either the fair value of the services received of the fair value of the asset or the asset enhancement resulting from the services.
- Sale of Goods: Revenue from the sale of goods is recognised when control of the goods has passed to the buyer, the amount of revenue can be measured reliably and it is probable that it will be received by the association.
- Rendering of services: When the outcome of the transaction involving the rendering of services can be estimated reliably, revenue associated with the transaction is recognised by reference to the percentage of the services performed.
- Interest Revenue: Interest revenue is recognised as revenue when received.
- Member Subscriptions: Member subscriptions are recognised as revenue when received.

All Revenue is stated net of the amount of Goods and Services Tax (GST).

(f) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

(g) Employee benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave, long service leave and termination benefits when it is probable that settlement will be required and they are capable of being measured reliably.

Notes to the Financial Statements  
For the Year Ended 31 May 2017

|--|----------------|----------------|
| Cash at bank - Board of Junior Development | 114,868        | 136,544        |
| Cash on hand-office                        | 500            | 1,000          |
| Cash investment accounts                   | 316,441        | 310,125        |
| Cash At Bank - General Accounts            | 538,066        | 383,528        |
| <b>Total cash and cash equivalents</b>     | <b>969,875</b> | <b>831,197</b> |

6 Trade and other receivables

|  |               |               |
|--|---------------|---------------|
| <b>CURRENT</b>                                   |               |               |
| Trade receivables                                | 20,245        | 33,762        |
| Undeposited Funds                                | (982)         | (921)         |
| Accrued income                                   | 3,901         | 1,673         |
| <b>Total current trade and other receivables</b> | <b>23,164</b> | <b>34,514</b> |

The carrying value of trade receivables is considered a reasonable approximation of fair value due to the short-term nature of the balances.

The maximum exposure to credit risk at the reporting date is the fair value of each class of receivable in the financial statements.

Asset realisation reserve

The asset realisation reserve records realised gains on sale of non-current assets.

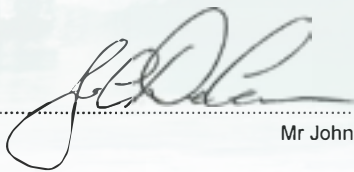

**Declaration by Members of the Executive Committee  
For the Year Ended 31 May 2017**

The Executive Committee of the Surf Life Saving Sydney Incorporated has determined that the Association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies described in Note 1 to the financial statements.

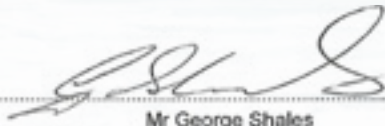

In the opinion of the Executive Committee:

- (a) the financial report gives a true and fair view of all income and expenditure of the Surf Life Saving Sydney Incorporated with respect to fundraising appeals;
- (b) the income statement gives a true and fair view of the state of affairs with respect to fundraising appeals;
- (c) the provisions of the Charitable Fundraising Act 1991 and the regulations under that Act and the conditions attached to the authority have been complied with;
- (d) the internal controls exercised by Surf Life Saving Sydney Incorporated are appropriate and effective in accounting for all income received and applied by the organisation from any of its fundraising appeals;
- (e) the financial report as set out present fairly, with respect to fundraising appeals, the financial position of Surf Life Saving Sydney Incorporated as at 31 May 2017 and its performance for the year ended on that date in accordance with Australian Accounting Standards and other professional reporting requirements as described in Note 1; and
- (f) at the date of this statement, there are reasonable grounds to believe that the Surf Life Saving Sydney Incorporated will be able to pay its debts when they fall due.

This statement is made in accordance with a resolution of the Executive Committee and is signed for and on behalf of the Committee by:

Mr John De Cean

Mr George Shales

**Independent Audit Report  
For the Year Ended 31 May 2017**

*Report on the Financial Report*

We were engaged to audit the special purpose financial report of Sydney Surf Life Saving Incorporated, which comprises the statement of financial position as at 31 May 2017, the statement of comprehensive income and statement of changes in equity for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information.

*Executive Committee's Responsibility for the Financial Report*

The members of the Executive Committee are responsible for the preparation and fair presentation of the financial report and have determined that the basis of preparation described in Note 1 is appropriate to meet the requirements of the *Charitable Fundraising Act 1991, Associations Incorporation Act 2009 No. 7 and the Associations Incorporation Regulation 2010* and the needs of the members. The members of the Executive Committee's responsibility also includes such internal controls as members of the Executive Committee determine are necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

*Auditor's responsibility*

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Association's preparation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Members of the Executive Committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

*Independence*

In conducting our audit, we have complied with the independence requirements of the Australian professional accounting bodies.

Surf Life Saving Sydney Incorporated  
A.B.N 74 781 063 539

**Independent Audit Report**  
**For the Year Ended 31 May 2017**

*Basis for Qualified Opinion*

Receipts from cash donations and other cash fundraising activities are a significant source of revenue for the Sydney Surf Life Saving Incorporated. The Sydney Surf Life Saving Incorporated has determined that it is impracticable to establish control over the collection of donations and other fundraising activity revenue prior to entry in its financial records. Accordingly, as the evidence available to us about revenue from these sources was limited, our audit procedures for donations and other fundraising activity revenue had to be restricted to the amounts recorded in the financial records. We therefore are unable to express an opinion on whether cash donations and other cash fundraising activity revenue obtained by the Sydney Surf Life Saving Incorporated are complete.

*Qualified opinion*

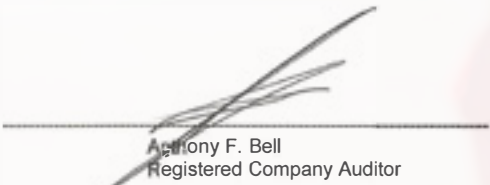

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph:

- (a) the financial report of Sydney Surf Life Saving Incorporated is in accordance with the and the *Charitable Fundraising Act 1991, the Associations Incorporation Act (NSW) 2009 and Associations Incorporation Regulation (NSW) 2010*, including:
  - (i) giving a true and fair view of the entities' financial position as at 31 May 2017 and of its performance for the year then ended; and
  - (ii) complying with Australian Accounting Standards as described in Note 1,
- (b) the financial report gives a true and fair value of the financial results of fundraising appeals conducted during the financial year; and
- (e) at the date of this report, there are reasonable grounds to believe that Sydney Surf Life Saving Incorporated will be able to pay its debts as and when they fall due.

*Emphasis of matter*

We draw attention to Note 1 to the financial report which describes which describes the basis of accounting. The financial report is prepared to meet the requirements of the *Charitable Fundraising Act 1991, Associations Incorporation Act (NSW) 2009 and Associations Incorporation Regulation (NSW) 2010*. As a result, the special purpose financial report may not be suitable for another purpose.

# ADMINISTRATION

This has been a remarkable season for the fifteen Surf Life Saving Clubs and our amazing Support Services teams. There have been many highlights during the year and they have been comprehensively reported by our Clubs and Directors in this report.

The Board of Management have continued to deliver on the reforms of previous seasons, driven by our Strategic Plan, through the expertise and dedication of the Directors and with the assistance of the clubs, the standing committees and key individuals, throughout the season.

During the season, several workshops were conducted in accordance with the Strategic Plan:

- Audit and Finance
- Member Protection Information Officer training
- Management of grievances and judicial actions
- Club Officer induction
- IT systems training

Sydney is the Innovation Branch –

The donation of Public Accessible Defibrillators (PAD) by The Sydney Airport Corporation resulted in the deployment of 18 PADs, one on every Surf Life Saving Club in Sydney as well as units deployed on the Little Bay Facility, the Randwick Off-Shore Rescue Boat shed and the Cronulla Sutherland RWC shed. I believe that we are the only branch in Australia to have a PAD on every club. Thank you, The Sydney Airport Corporation, and the clubs for supporting the initiative.

Our RockFishSafe App was launched in February. The App launch coincided with the introduction of compulsory life

jacket legislation in the Randwick LGA. Thanks to the Director of Lifesaving, Simon Torsellini, for his work in getting this App across the line.

The drone initiative has been making steady progress in its development and Sydney Branch members are taking a lead role. Thanks to our Deputy President, Peter Agnew, for his efforts in ensuring that our Branch is well represented in the project.

Innovation in Surf Sports is also the subject of focus led by Wayne Druery and we will see several innovations trialled in the coming season.

The Gear Inspection App and the Member Recognition App were developed by Simon Torsellini this season and were both very successful. These Apps will be further developed during the season, reducing paperwork, providing useful data and delivering efficiency.

The office staff are a key component in our ability to deliver on our Strategic Plan. I would like to express my thanks and gratitude to Linda and Victoria for their work, which was often ‘above and beyond’. Victoria left us late in the season after five years of service. I would like to thank Victoria for her dedication to serving our clubs (nothing was ever too much trouble). I would like to welcome our new member of staff, Toni Murphy.

After 30 years as a member of the Board John De Cean has retired, this is a monumental effort and his retirement is well earned. Along with Peter Agnew, John was elevated to Life Membership of SLSNSW this year.

Peter Pearce was also recognised for his outstanding contribution to Surf Life Saving with an OAM.

The Director of Member Services, Trent Thomas, has been elected a Director of Member Services at SLSNSW. Accordingly, Trent will be standing aside as a Director with Surf Life Saving Sydney. Trent is a great loss to the Board and I would like to thank him for the value he has added to the Board and the high quality of his work.

The Board of Management works as a team, the combined skills and experience enable us to achieve good results. Leadership, is a key component to success and to this end, I would like thank President George Shales for his leadership and drive.

In the coming season the Board of Management will continue to review the Strategic Plan and deliver against it.

**Keith Grima OAM**
