PRESIDENT

The 2018/2019 season has been extremely busy for Surf Life Saving Sydney. In my last year as President, I have been very fortunate to have the same board supporting me this season with the exception Geoff Staples - The Director of Finance and Amy Somes - Director of Surf Sports who joined the team this year and has been a great asset to the executive team and the broader BOM. The main focus this season has been to ensure we provide continued relevant value to the 15 clubs in Sydney Branch delivering on our ongoing commitment to deliver leadership and guidance.

This year saw the induction of two additional life members being Warren Rennie AM North Cronulla SLSC and Michael Hodsdon from Garie SLSC into the distinguished list existing Life Members, congratulations to Warren and Michael for obtaining this recognition for the effort and service they have provided to Surf Life Saving Sydney.

The year in review, with our continued focus on innovation and sustainability for the future, enabling us to continue to deliver against the strategic priorities as outlined in our strategic plan while managing a heavily operational organisation.

The key areas of focus this past season have been on strategy and innovation while continuing to improve the operational aspects of the organisation. Under the continued guidance of Peter Agnew we have been in a position to ensure we have a strategic focus while delivering against our core operational requirements. During this process we continued to engage with all the clubs ensuring we were focused in the appropriate areas. Peter Agnew worked closely with Garie SLSC and SLSNSW in assisting the club with strategy and engagement with the local

entities enabling the club to rebuild. This would not have been possible without the support of Matthew Spooner - Manager of Lifesaving and the clubs that provided patrols during the season.

On a lifesaving and education front Simon Torsellini and his team continued to deliver some great results across the portfolio. Matthew Spooner Manager of Lifesaving has been a great asset to the team and has provided leadership and direction to the lifesaving coordinators across the branch. The ever-increasing requirement for the support operations led by Matthew Evans Support Operations Manager across the branch with some testing incidents occurring that required many hours of interactions from all the teams. This season saw the team and our clubs faced with some tragedies putting the clubs and services under significant pressure. I have also been encouraged by the amount of engagement and focus David Kowald the Education Manager has provided on the education and I would like to thank the team for their continued effort provided by the army of trainers, assessors and facilitators across the branch.

The financial health and compliance of the organisation has been led by Geoff Staples Director of Finance and Compliance however unfortunately Geoff decided not to stand again for the coming season due to distance from home in the south. During the season Geoff has instigated a number of initiatives from a finance and compliance perspective which ensured we remained compliant. Our book keeper Sharon Porter continues to work well with the team ensuring our accounts are managed in a very professional manner. In terms of major initiatives undertaken from a branch perspective was paying out the last of the investment properties reducing cash on hand which also saw the consolidation of the accounts with St George from ANZ.

The Surf Sports team lead by Amy Somes has also provided some great opportunities supported by the clubs. The main focus was to continually challenge the way we do things today. The team have continued to deliver on their objectives.

This season also saw a successful Branch Championships and Junior Championships held at Maroubra with a full schedule being completed on both days. I would like to thank Danny Donohoe (Maroubra President) and his team for the management of the two days and for continuing to support the event.

Sydney Branch also took a team to the SLSNSW Inter Branch Championships and came away with second place. I would like to take this opportunity to thank the Team Manager Amy Somes and the competitors for achieving a great result.

The Member Services team have also been working on a strategy to engage more youth and females into key positions within the organisation while ensuring we have a succession plan in place to support the future direction of the organisation. This year we launched a number of conferences dedicated to the youth within SLSS, this has been met with a high level of enthusiasm of which will continue into the future being led by Charlie Pavlou

The Junior Development team led by Doug Hawkins continued to manage juniors and deliver the development camps. These camps ensure the juniors of our organisation are provided with the necessary skills to be future leaders of the organisation.

Doug and his team also continued to roll out the junior scenario training across the Branch.

The 2018/2019 Surf Life Saving Sydney AOE saw a total shift into the elite status which will be hard to beat with an enhanced look and feel and location was a great success and a tribute to the work the BOM and office staff put into the evening. I would like to personally thank Elissa Hancock – Director of Administration who managed all of the planning for the event and delivered a great result. The evening saw recognition of the best lifesavers and competitors in our Branch.

Congratulations to Lifesaver of the Year – Mathew Harper, Volunteer of the Year – Doug Hawkins Branch Member of the Year – Matt Spooner, Surf Sports Athlete of the Year – Ali Najem, Surf Sports Youth Athlete of the Year – Michael Hanna, Surf Sports Coach of the Year – Chris Davis, Assessor of the Year – Michael Fernandez, Trainer of the Year – Nicole Krite, Community Education Program of the Year – Maroubra Marlins Maroubra, Official of the Year – Carlo Villanti, Masters Athlete of the Year – Dori Miller, Services Team of the Year - Bondi Education Team, Facilitator of the Year - Glen Clarke, Innovation of the Year -Mental Health Initiative Bondi Chaplain Martin Nezval, Administrator of the Year – Patricia Dillon, U15 Lifesaver of the Year - Tom Hetherington, Young Lifesaver of the Year – Jasmine Georgas, Young Volunteer of the Year - Thomas Small, and Junior Lifesavers of the Year - Sarah Teitler and Thomas McFarland.

We wish all the winners well at the up and coming SLSNSW AOE.

In summary the key achievements delivered by Surf Life Saving Sydney are listed below:

- Continuing to drive the drone technology for use in Surf Life Saving at all levels of the organisation
- Delivering new competitive events in Sydney Branch at all levels of the organisation

- Additional Duty Officer Response vehicles enabling our duty officers and rescue coordinators to respond to emergencies supporting our clubs across the branch.
- Engaged with the physiologists to up-skill our Duty Officer in Mental Health First Aid training to assist with supporting our lifesavers during and post traumatic events.

I would like to take this opportunity to sincerely thank the lifesavers on the beach and Club Presidents for the continued support provided to me and the Board of Management during the season.

To the Board of Management - Peter Agnew Deputy President, Elissa Hancock Director of Administration, Geoff Staples Director of Finance and Compliance, Simon Torsellini Director of Life Saving and Education, Amy Somes Director of Surf Sports, Charlie Pavlou Director of Member Services and Doug Hawkins Director of Junior Development - I wish to extend my sincere thanks for your support and dedication to our Branch. To the backbone of the organisation - Linda Perrin and Sarah Webster thank you for the unrelenting support you provide to all the clubs and BOM.

I would also like to acknowledge the Board of Management and the 15 clubs for the continued support they have provided me during the 5 years I have held the position of Branch President. I wish you continued success in the future under the leadership of the newly elected Sydney Branch President Mr Peter Agnew.

**George Shales
President**

OUR PARTNERS

Surf Life Saving Sydney Inc. is proud to acknowledge our sponsors' contribution, both financially and materially. Without sponsorship - corporate, government and individual - our task of providing viable Life Saving Services to the community of Sydney would be difficult. It is appreciated, that here in our Annual

Report, the major public document of Surf Life Saving Sydney; we recognise and thank our individual sponsors for their support - support that is given without restriction or interference with our objectives and achievements.

OUR MAJOR BRANCH PARTNER

STATE PARTNERS

NATIONAL MAJOR PARTNERS

OUR STRATEGIC FOCUS

The Board of Management (BOM) has both an operational and strategic focus. At the start of each year the BOM sets key strategic items aligned with the NSW and SLSA plans. Both levels of the organisation are currently developing their updated plans. SLS has again kept a strategic focus across several key strategies

The Surf Life Saving (SLS) Sydney plan has nine areas of strategic direction:

1. Saving Lives 24/7

2. Healthy Clubs

3. Government Recognition

4. Financial Security

5. Effective Branch Movement
6. Involving all Australian

7. Learning for Life

8. Active for Life

9. Innovating SLS

This year our SLS action plan has targeted four areas from the overall strategy document. These have been to prevent drowning, leverage technology, develop and recognise talent while driving strategic governance. We have achieved several key priorities within the plan. The Branch has driven several new programs and initiatives in the 2018/19 season.

STRATEGIC PRIORITY	KEY SEASON 2018/19 FOCUS	2018/19 ACTIVITY
1. Prevent Drowning	<div><div>Ongoing review of support operations</div><div>Develop frontline leaders</div><div>Maintain safety and wellbeing of operational personnel</div><div>Reduce drowning blackspots</div></div>	<div><div>Additional support operation ski provided</div><div>Mid and final year data presentations provided to Branch Council</div><div>Expansion of Drone Patrol Technology and Operator group</div><div>Safety and wellbeing initiatives developed</div></div>
2. Leverage Technology	<div><div>Better use of PDF administration forms</div><div>Communications and social media plan</div><div>Development of online meetings</div><div>Website meeting user needs</div></div>	<div><div>Updated social media templates developed</div><div>Move to PDF forms</div><div>Online meetings systems in place</div><div>Ongoing update and review of website</div><div>Refit of technology within Branch Office</div></div>
3. Develop and Recognise Talent	<div><div>Talent identification map</div><div>Talent management systems</div><div>Talent academies</div><div>Informal recognition strategy</div></div>	<div><div>Enhanced AOE night provided</div><div>Succession plan developed</div><div>Talent identification system underway</div><div>Awards and honours committee very active</div></div>
4. Drive Strategic Governance	<div><div>Develop a governance policy</div><div>Initiate investment strategy</div><div>Mature our sponsorship and fundraising</div><div>Review professional staffing</div></div>	<div><div>Governance policy in place</div><div>Repayment of outstanding loans finalised</div><div>Expanded Sydney Airport Sponsorship provided</div><div>Professional staffing options being explored with consultant submission</div></div>

2018-2019 MALE/FEMALE MEMBERSHIP COMPARISON

MEMBER SERVICES

I would like to thank the clubs for supporting their younger members in attending the program and encourage them to do so again when the memo comes out for the next season. To the participants – the Leadership, maturity and passion you showed inspired everyone who visited and I have no doubt you will do great things within and outside the SLS community.

The branch continued the 18-25s Development program at the Novotel, North Wollongong. This weekend saw participants have direct involvement with the strategy and direction of member engagement in the branch while expanding their knowledge of the different pathways in the movement.

To the clubs, participants and facilitators of all the development programmes across the branch I thank you for your time, commitment and enthusiasm towards the betterment of our branch.

The combined state conference set the tone and importance on Member Protection in the organisation and especially the Member Protection and Information Officer Training. Morgan Lander facilitated two more ‘Play By The Rules’ MPIO courses, bringing the branch total up to 105 MPIO trained members. I commend the clubs for their involvement with the training and for their commitment to creating a movement that provides a safe environment to it’s members.

Despite all our hard work on the frontline, tragedy can and will occur. The welfare of our members post incident has become a top priority for member services and the branch. I would like to take this opportunity to thank SLSNSW who have provided an extremely responsive service to our members in need. As a proactive measure, a core group of SLSS Duty Officers have been receiving Mental Health First Aid (MHFA) training to better assist them with critical incident debrief processes. Member welfare will continue as a top priority for the branch.

With many major recognition awards being completed this past season I must thank the work of the Life Members and Honours Committee who have driven and promoted the sustained and outstanding achievements of our members.

The past season has been an extremely busy one and I thank all 15 clubs and the Surf Life Saving Sydney BOM for their support and commitment to the development of member services within our branch.

Charlie Pavlou
Director of Member Services

The development front of member services reached new highs this season. In early December 2018 the Branch held it’s first 15-17’s Young Leaders Program. This program was a huge success and saw over 30 of our Young Leaders spend a weekend in Stanwell Tops. In their time together the group shared ideas, forged friendships and left their stamp on the future of the movement. The group heard from guest speakers George Shales (SLSNSW President), Callum Good (Lifesaver helicopter Rescue), Steven Pearce AFSM (SLSNSW CEO) and Maddison Lee (Reach Foundation).

Surf Life Saving Sydney Lifesaver of the Year

NOMINEES /FINALISTS:

Fiona Phelps – Coogee
Mathew Harper – Maroubra
Brittaney Banks – Nth Bondi
Belinda Hartmann - Bondi

WINNER :

Mathew Harper, Maroubra SLSC

Mat currently standing in his second term as club captain of Maroubra SLSC. Under his leadership, Maroubra SLSC's lifesaving team has excelled, with membership growing 10%, record number of new bronze members, one of the highest numbers of IRB awards, record 100% proficiency awards, and huge retention rates where patrols are now beginning to have greater numbers of young members. Mat has fostered a caring, safe and helpful environment for his 250 + volunteers on the beach and has thus created Maroubra SLSC's strongest patrol teams. This season saw Mat achieve 10 years of 100% patrol efficiency, which is a huge achievement for a lifesaver. He also secured various funding grants for lifesaving, community sponsors and liaises with other community organizations such as Curtin University surrounding shark attitudes at Maroubra beaches, rock fisherman safety awareness and community education initiatives with UNSW and USYD at Maroubra Beach. Mat also helped organise the relaunch of Maroubra Marlins disabled Nippers program, which was a highly successful program encourage disadvantages children to participate in surf sports.

Mat also undertook his third season as the captain of Surf Rescue 30, leading a team of 30- 40 lifesavers in a high risk but rewarding environment. This season, under his leadership, saw the group excel with record number of new awards, a membership increases of 20% and the delivery of a lifesaving service which has not been seen for many years. The comradery and teamwork within the team is stronger than it has ever been before. He participated in many out of hours callouts as part of the SLS Sydney SOG group and conducted night operations with his SR30 team

Mat is pre-eminent within Sydney Branch SOG and Maroubra SLSC in recruiting and mentoring new and inexperienced members to ensure the future viability and success of support operations.

This season saw Mat achieve his SMAR and the upgrade of his CERT IV- Training and assessment. This was achieved so that Mat could continue to facilitate SLS Sydney awards. He began as a probationary facilitator for the SMBM award and eventually hopes to facilitate the SMAR award for SLSS. He is also an active Bronze and ARTC trainer for the club, and a Bronze assessor for SLS Sydney. Mat also achieved his State recognised coastal navigation course (pre-rec to ORB Skipper).

Mat was also privileged enough to represent the club and state at SLSA National Leadership college where he shared his experiences with other lifesavers from around the country. Mat facilitated the SLS Sydney 18-25 development camp where he had 10 young adults and ran seminars which explored what is was like to be a leader within SLS, pathways, challenges and leadership styles. He actively encouraged young members to explore the many leadership opportunities available within the organization.

Mat presents a tremendous positive image for Surf Lifesaving and is very deserving of the honour of being awarded SLS Sydney Surf Lifesaver of the Year. Congratulations Mat.

Surf Life Saving Sydney Volunteer of the Year

NOMINEES:

Peter Pearce OAM – Burning Palms
Peter Burst – Bondi
Rebecca Cocks – Clovelly
Doug Hawkins – Coogee
David Love – Maroubra
Phillip Carter – Maroubra

Donna Hargreaves – Nth Cronulla
Denny Rowlands – Wanda Stephen
Trembath – Wanda

FINALISTS:

Phillip Carter – Maroubra
Mark Cotter – Nth Bondi
Doug Hawkins – Coogee
Denny Rowlands - Wanda

WINNER :

Doug Hawkins, Coogee SLSC

Season 18-19 was a big season for Doug with many hours each week delivered for SLS some of the major achievements were the following :

As our drownings up and down the coast have continued and increase, it has become obvious that Community Education is a priority for our Clubs. This season Doug delivered eight major sessions working with Coogee SLSC and also the SLSNSW Community Education Team.

Doug's role within these sessions was to present the day, and organise all the fellow lifesavers and liaison with the community team. This season saw over 300 people go through the doors of the club, and enjoy not just a solid theory session but also very engaging beach sessions, where all the candidates went in the water supported by the lifesavers and learnt new skills.

As Lead Trainer for the Coogee SRC's for 18-19 the Club had 84 candidates which was a record number and most probably for SLS – the challenge here was to ensure we had very good engagement with the SRC's and their parents, and also had quality time with them for their training, both Theory and Practical.

This large number required a defined strategy and plan to ensure the Club could handle these numbers. With a number of meetings, and parents presentations we ensured that the training would be of the highest calibre, as these young men and women were becoming qualified lifesavers. We also needed to ensure the schedule worked for them in all aspects of their very busy lives Creating two defined groups – appointing the SRC's to act as PC's within their Patrols within the groups and ensuring our Youth Training team were all involved all added to delivering a very efficient and effective course.

With this number of Candidates it could have been a very different outcome for the Club, but with good management, high engagement and effective club and member support, this course had some great outcomes with the Assessors giving some great compliments at their Part A and B. Patrol Captains have already given some solid feedback that this seasons SRC's are very engaged on patrol and wanting to get involved using their new found skills.

Doug has numerous achievements this season – too many to list, but in summary his commitment to SLS covers all facets of the organisation for the U6's to the over 80's and everyone in between. Doug's efforts this season across many aspects of SLS has seen him engage with over 1300 members in the Club, Branch and across the state. Congratulations Doug Hawkins Coogee SLSC – a very worthy recipient of the prestigious award of Sydney Branch Volunteer of the Year.

LIFESAVING AND EDUCATION

LIFESAVING AND EDUCATION

Once again, our season has come to an end.

Sydney Branch Lifesavers continued to protect patrolled beaches from Sydney Heads to National Parks as well as an extensive coastline with Support Skis and Offshore Rescue Boats operations.

Thank you to all clubs and lifesavers for a great job done this season.

In the 2018-19 season our statistics showed that the number of people coming to our beaches had only slightly increased from the previous season, but surf Conditions varied significantly each weekend keeping our lifesavers on their toes throughout the season, especially over the Christmas holiday period, January and February. This saw the number of preventative actions preformed in the Branch increase from 39,000 to 73,979.

It was great to see that even though our Patrols were extremely busy on the beach this season, we still continued to maintain our high level of lifesaving standards. This was echoed by our lifesaving Coordinator's throughout the season, with many clubs achieving 100% patrol efficiency results in the majority of inspections.

Our rescues were down by 39 across the Branch, but I can proudly say that there are 1,508 individuals out there who returned home to their families from a day out at beach because of the dedicated and highly skilled lifesavers in this Branch. When you consider that we had a slight increase in the number of people on the beach and in the water as last season, varied

and challenging conditions resulting in nearly 35,000 more preventative actions being performed across the branch, and yet we were able to reduce the number of rescues across the branch by 39, amazing effort. Traditional rescue methods (Board and Tube) remained high, while IRB only made up 14% of all rescues this season. First aids dropped , with the number Marine stings and cuts and abrasions dropping by 45 % to 1,915.

Our drowning fatalities rose from 9 to 11 this season, with the only 1 resuscitations performed by our lifesavers , down from the previous season (7 previous year).

Once again, Support Operations were extremely busy through the season, with the number of call outs slightly increasing. The RWC team preformed 128 rescues outside the flags, while our Duty Officers did over 350 hours attending incidents throughout the branch. Many of the incidents the team attended to this season were extremely difficult and distressing, and I would like to thank member services for their support.

We also saw the second season of patrols for Support Ski 4, based out of North Bondi. Congratulations to all the members that patrolled, which saw an overall increase in patrols. The Ski further strengthens our support operation capabilities in branch outside the flags, plus allowing us to continue to provide support to clubs while an incident is in progress. This season the RWC team performed 128 rescues.

On the Education front, the overall award numbers increased from the previous season, and as like last season the number of members completing their proficiency in core awards increased. This is a great reflection on our clubs and education teams, not only have we increased the number of members and awards on patrol, but we have retained our members from the previous season. With many Clubs and Branches in the state and country struggling to retain members, its great to see Sydney Branch in such a strong position.

The number of new bronze awards and SRC awards increased while their respective proficiencies were strong across the Branch. In an area where many clubs have struggled in the past, off the back of our hard work the last 6 seasons we saw steady awards numbers again in IRBD, IRBC, BBM and first aid. Congratulations Andrew McKellar and Jake McDonald, this season we saw our RWC awards increase again . A fantastic effort by our 2 Trainers.

Our Gear Inspection App was used by Sydney Northern Beaches again this season, and we have received interest from other branches in the state. Sydney Northern Breaches halved the gear inspection time across their branch, while Sydney branch completed all Waverley, Randwick and Batebay clubs in a single day with the same inspectors. We will be making further changes in the off season to the process, and hopefully making a better experience for Assessors and Clubs.

There are a number of people who need to be recognised and thanked for their contribution to maintaining our lifesaving operations and standards, firstly to Linda Perrin and Sara Webster from Branch Office who organise and process lifesaving

operations, without them the Branch would be difficult to operate.

Special thanks to Matt Evans and his team of Rescue Coordinators, Duty Officers, RWC operators, Drone Operators and Off Shore Rescue Boat members. The team has worked tirelessly throughout the season, often in the background, to provide support and guidance to our patrol teams, including responding to hundreds of incidents within the branch outside of normal patrol hours. This season Matt Evans steps down as Support Operations Manager, I would like thank Matt for his contribution not only in Support Operations matters, but lifesaving and education in the Branch as an LSE Committee executive. Matt will continue to work in the branch as Rescue coordinator.

Congratulations to our Lifesaver of the Year – Matthew Harper Towns, Volunteer of the Year - Doug Hawkins, Sydney Branch Award of Excellence winners , along with our Rescue of the month Winners, including overall winner North Cronulla.

David Kowald and his educational team of facilitators, assessors and training officers for all their hard work in keeping lifesaving education at such a professional level. Also the great work the area co ordinators did in the areas throughout the season, Brent Jackson (Waverley), Bec Mister (Randwick), Steve Urquhart (Cronulla/Sutherland)) and Peter Pearce (RNP). Special thanks to Bec Mister, who will be stepping down this year as area Co Ordinator Randwick. Bec has done a fantastic Job over many years, and we wish her all the best

To our lifesaving co ordinators led by Lifesaving Manager Matthew Spooner, Brittany Banks (Waverley), Stu Fillman and Craig Howie(Randwick), James Caterson (Cronulla/Sutherland) and Mark Wood (Royal National Park), thank you for your efforts working with Clubs to ensure standards were being maintained and guided clubs through positive engagement to improve their lifesaving patrols. James , Mark, and Brittany will be stepping down this season, and I look forward to working with the new team.

Simon Torsellini
Director of Lifesaving and Education

VISITING CLUBS PROGRAM GARIE SLSC

In Season 2018/2019, our Clubs answered the call to assist one of their own, Garie SLSC by providing relief patrols at Garie Beach on Saturdays and Public Holidays.

In the previous season, Garie Members had worked tirelessly to keep the beach safe and maintain the proud tradition of “no lives lost” on Garie Beach. While they were successful in achieving this, it became apparent that providing this service to the community was coming at significant cost these members, with Garie Members patrolling an average of 91 hours each on Garie Beach in Season 17/18.

This incredible strain was unsustainable for these hard-working members, and while a large majority voted in favour of keeping Garie SLSC open at their AGM, it was recognised that they could not do so without help.

Several initiatives were established to provide Garie SLSC the support it needed to continue into the future, from governance, to maintenance – Surf Life Saving Sydney delivered a wide ranging and sustained support package.

Garie is located in the Royal National Park, and as Sydney’s population grows and with the continued rise of social media – word of this beautiful place continues to get around and beach patronage continues to grow. Therefore, it is critical that a Lifesaving Service is provided at Garie Beach.

Sydney Clubs were allocated a number of patrols, based on the number of active members each club had – with the bigger metro clubs receiving up to 7 rostered days, and the smaller clubs chipping in with a day each. Regardless of the number of

patrols each club had – each club took to their allocation with enthusiasm and a can-do attitude – which embodies the spirit of Surf Life Saving generally – we dig in and help.

In total, our clubs patrolled a total of 70 full days at Garie Beach this season, providing over 500 hours of coverage. Our visiting clubs performed 10 rescues, 19 first aid actions, & 134 preventative actions, which is an incredible effort, especially considering the work performed at their own beaches in addition to this commitment.

I can very honestly say that as a Lifesaver – I have never been prouder of our organisation. To work on this program with our clubs this season has been a privilege & my honour. I’d particularly like to thank Gilbert Olzomer – Maroubra SLSC who was appointed as Garie Patrol Coordinator for Season 18/19. Gilbert was responsible for the development and implementation of the program and took to this task with professionalism & dedication. Jessika Hay – Club Captain Garie SLSC, who took on a very difficult task as Club Captain and delivered above and beyond what was expected of her. I’d also like to thank Andy Gardiner – Captain Coogee SLSC & Belinda Hartmann – Captain Bondi SBSLSC for always answering the call to provide support at Garie, above and beyond their Club’s commitments – and to all of the Clubs, Club Captains, and Lifesavers who were a part of the program this year – a sincere and heartfelt thank you to you, for your efforts in maintaining “No Lives Lost”.

Matt Spooner
Lifesaving Manager

EDUCATION

The Education team was busy, as always, this year. Although awards overall fell some 6 per cent over 2018/19 the key club awards – SRC, Bronze, ART, and IRB awards were higher than the previous year. In the branch facilitated awards there were big increases in training officers and beach management. This could not have happened without the hard work of our Trainers, Assessors, Facilitators, Area Education Supervisors and Award Coordinators; thank you to you all. Thanks also to members for the enthusiasm you bring to the education courses.

In the latter half of the year I was able to free up time to do justice to the role, which was rewarding. Although the stats aren't reflecting in this year's numbers there is a pool of more assessors working their way through the post-course work, and there are two SMAR courses currently underway. These should set the branch up nicely for 2019/20.

I would like to thank our Operational Area Education Coordinators for this season. Three had continued on from 2017-18 and it is good to work with a stable team that knows what they are doing. It is a low profile job that requires an enormous amount of personal time and effort in ensuring each Club and candidate received the necessary support for education activities.

The Operational Area Education Coordinators this season were:

- Waverley Brent Jackson
- Randwick Beck Mister
- Cronulla/Sutherland Stephen Urquhart and
- Royal National Park Peter Pearce OAM

Stephen Urquhart and Beck Mister have both indicated they need a break from the role this coming season, which is entirely understandable and I thank them both for their contributions.

Congratulations to the following members who were recognised at the Branch Awards of Excellence:

- Michael Fernandez of South Maroubra, Assessor of the Year
- Nixy Krite of South Maroubra, Training Officer of the Year
- Glenn Clarke of Clovelly, Facilitator of the Year

And a huge thank you to Linda Perrin for just getting it done and being very patient with me.

Steve Allan from SLSNSW has moved onto other roles but remains willing to assist as required, with Judy Spicer covering much of Steve's old role and manager Andrew Chan always willing to help find the right answer.

Congratulations and well done to everyone involved in education throughout Surf Life Saving Sydney.

David Kowald
Education Manager

JUNIOR DEVELOPMENT

The Surf Life Saving Sydney Junior Development Committee has had another outstanding season, supported by our major Partner Sydney Airport. It's great to have the Sydney Airport team now on board for seventeen (17) seasons, and it's certainly made a difference to thousands of Juniors over that time.

Surf Life Saving Sydney Juniors are an amazing team of Clubs, and one of the most proactive Committees in our Branch, with 15 very effective and lifesaving focused Nipper Clubs. It's great to see their passion and commitment every season and also during the very busy off season.

Our season is based on giving the Clubs and all the Nippers an opportunity to develop, to enjoy their journey and to create a great environment and experience for everyone, from the hundreds of U6's to our amazing U14's, and all the support teams that the Parents, Lifesavers and Clubs provide.

Once again lots delivered...

Hundreds of new Lifesavers - hundreds of Nippers at our long running Development Camps - thousands of skilled competitors - thousands of Age Managers and Age Assistants and Water Safety - and amazing Junior Lifesavers from the Clubs... What a season...!!

Enjoy our Season in Review below - certainly was a BIG one!

A healthy, strong and active Junior Development Program for SLS Sydney JDC Season 2018-2019

- 6,200 Nippers across 15 SLS Sydney Clubs
- 5,477 Surf Awards

- SRC's - 414 New Surf lifesavers via the U14's
- 75 Nipper Mgt Personnel trained in Nipper Mgt Pre Season
- 300 Age Mgrs & Age Assistants trained across 3 Sessions
- Parents Induction delivered at Bondi and Nth Cronulla
- 100 Nippers at the RNP Skills Training day
- Royal National Park Club Grants
- Leadership Session delivered at Bondi Nippers for U13's and U14's
- Increased Parent Engagement across all the Branch
- 189 Age Mgr Awards
- 100 x U11's and 100 x U13's @ SLS Sydney Development Camps
- All supported by 50 parents and 5 x IRB teams
- JLOTY as Facilitators at our Development Camps
- 12 x Junior Lifesaver of the Year (JLOTY) Finalists
- 1,440 Nippers at the Branch Age Champs @ Maroubra
- 130 Water Safety Personnel - 110 Officials & 38 in the IRB team
- SLSNSW Age Championships - 6 out the TOP 10 Clubs were SLS Sydney Clubs, - Coogee 3rd
- Increased Nipper numbers across a majority of Nipper Clubs - many Clubs full.
- Retention increase
- Surveys delivered

Junior Lifesavers of the Year 2018 - 2019

- Sarah Teitler: South Maroubra
- Thomas McFarland: Bondi SBLSC

Great effort by the JDC Committee and thanks for your continued and amazing support

- Donna Hargreaves, Secretary
- Marcelo Garay, Deputy Director - thanks Marcelo for all your effort over these past seasons as Deputy..much appreciated
- Mike Day, BoSS Juniors Representative

We look forward to Season 2019 - 2020 being even bigger still and continuing to deliver new and effective programs, training sessions for all engaging and well organised carnivals and future opportunities for all our "Young Lifesavers in Training" across Sydney Branch

See you on the beach...

Doug Hawkins
Director Junior Development

SURF SPORTS

SURF SPORTS

This was my first year as the Director of Surf Sports and I am pleased to report that the season went well. The Surf Sports Committee (SSC) continued its focus of facilitating competition that was safe, inclusive and catering to the needs of our competitors, officials and volunteers.

The carnival program remained largely unchanged over the season. The branch carnivals are still very well attended and are especially strong at the nipper level, for example we had record numbers at the Elouera Ohana carnival. This season the branch offered two carnivals that catered for special needs competitors, Cronulla short course and Wanda, we hope to expand and continue this in coming seasons. We made some changes to the Branch carnival this year with the inclusion of both the masters and lifesaving events with the feedback being positive on this move. The Coogee Open carnival was moved to March and filled a spot between State and Aussies for the athletes to get further race practice in.

We held a Surf Sports briefing at the beginning of the season which was followed by 'welcoming' season drinks for the officials. Thank you to North Cronulla for providing their space for both events.

A new initiative was the creation of the "SLSS Surf Sports" facebook group which has been a great tool for competitors, officials and parents by providing updated information on carnivals, events, teams and anything that is relevant to surf sports. It currently has over 250 members.

The SSC would also like to congratulate and acknowledge the many talented athletes within Sydney Branch that have competed and represented NSW and Australia at the top levels of competition. There are too many to list here but they are recognized on page 52 of the Annual Report.

Wanda hosted the final round of the Ocean6 series this year, it was a spectacular event despite the terrible weather and was well supported by Sydney branch athletes. Congratulations to Wanda for hosting such a wonderful event.

Interbranch Teams:

This season the Sydney Branch Team finished a very close and exciting second to the Sydney Northern Beaches at the NSW Interbranch Championships. A big thank you to the management team which included Greg Pierce, Scott Thomson, Tom Rampoldi, Nathan Smith, Dean Scarffe and Alex Fleming they were great coaches and inspirational leaders for our athletes. Special congratulations to all the athletes who were successful in selection and represented the branch so proudly under the leadership of captain Elyssa Pierce (Wanda) and Michael Kember (Elouera).

Sydney branch in the Best of the Boats Interbranch Championships also came second. Congratulations to all the crews who represented the branch and a big thank you to Craig Hawkings and Linda Hawkins for being Team managers again.

Officials and Carnival IRB Drivers /Crew:

The SSC would like to thank all of the officials and IRB drivers/crews who provide so much of their time and expertise to not only make our branch carnivals happen but also the time dedicated to carnivals outside our branch. It is worth noting that our Sydney branch officials hold a large proportion of the senior roles at both the State and Australian Championships including pool, surfing, IRB and boats. You are all an invaluable resource for our clubs and branch.

The SSC was especially pleased with the record number of officials that we had sign up for the Sydney Branch carnival this year.

A special mention needs to be made to Wayne Druery who was Carnival referee for State and Aussies, Anita Pryke who was awarded the inaugural Bob Woodger memorial trophy for the best R&R Official at Aussies and to Carlo Villanti who was awarded the Tom Hughes Official of Year at the Sydney branch awards.

Gear Steward and Trailer:

A big thank you to Peter Burst for all the work he does in maintaining the gear trailer and its contents, and along with Dave Love, getting these trailers to the various branch carnivals. Sydney Branch would not be able to run the great carnivals we do without Bursty he not only maintains and drives the trailers he also spends countless hours laying the cans, directs the IRBs and runs water safety.

The SSC would also like to thank the Carringbah Bowling Club for their continued display of hospitality in allowing the storage of our trailers and containers.

Branch Championships:

The 2019 branch championships was again held at Maroubra SLSC. This year we expanded the championships to include the Lifesaving and masters events which added to the whole club experience of the championships. Maroubra did a great job hosting the carnival and a big thank you must be made to their working parties and especially to Danny Donohue (President) and James Lamb. This year we introduced a point score for Age, Opens and Masters with the winning clubs being awarded a plaque at the Awards of Excellence. Congratulations to Elouera who won the 'Age', 'Wanda the Opens' and 'Bondi the Masters'.

A great environmental initiative from Sydney Branch, through sponsorship from Sydney Airports and Clean Oceans, was that we provided all the volunteers with their own refillable water bottles over the two day championships this saved over two thousand bottles from landfill and 4843 litres of water was refilled.

A special mention to Victoria Raymond who came back and volunteered her time to help Sarah Webster with the event management of this carnival. They did a great job considering the Sydney Branch carnival is one of the largest carnivals run, with over 750 competitors on the Saturday and 1400 nippers on the Sunday.

State and Australian Championships:

The Sydney Branch competitors and clubs continued their strong results at both the State and Australian Titles. Coogee came 3rd at the State Age and Wanda was 2nd at the State Open. In the masters Bondi continued their strong success by winning both the State and Australian Titles points score.

I would like to thank my fellow executive committee members Greg Pierce, Tracey Green, Carlo Villanti and Mike Day for their tireless work and dedication to surf sports. I would also like to thank the team of advisers, who form part of the SSC, who have been of enormous assistance throughout the season they are Greg Allum OAM, Peter Burst, Max Gonzales, Craig Hawkings, Graham Bruce, Dave Love, George Benhayon, Joel Wiseman and Grant McMaha.

Finally thank you to Linda Perrin and Sarah Webster, the administrator of Surf Sports in the branch office your contribution to Surf Sports over the past season has been invaluable and much appreciated. You are both such joys to work with.

Amy Somes
Director of Surf Sports

OUR CLUBS

BONDI SBLSC

Bondi Surf Bathers’ Life Saving Club are proud of another season with no lives lost on our watch at Bondi Beach.

Thank you to our lifesaving team led by Club Captain, Belinda Hartmann. Many members have to juggle their work, social, and family time to ensure we stay on top of our patrol obligations. Dedicating on average 50+ hours a season per active member is a huge commitment and one that the Club is extremely thankful for. The recognition of Meagher Patrol for Patrol of the Year at the Branch Awards of Excellence was a gratifying symbol of the effort in lifesaving and skills development, and our determination to have “no lives lost”.

Our surf sports team have continued to build on the successes of previous years. Dori Miller, Nick Nezval and a strong sub-committee worked tirelessly to plan for every event. This season we had the assistance from Robert Chapman as head coach. The club retained its Australian Masters title, but it was also pleasing to see a win in the National Pool Rescue titles and success for our Champion Lifesaver competitors. We also saw our competitors succeed at the World Lifesaving Championships in Adelaide taking home 20 gold medals plus numerous silver and bronze.

Our Club’s deputy president Pep Font made considerable improvements in the area of member protection. We have now put in place an updated policy to help uphold our core values and create a safe, fair and inclusive environment for everyone associated with surf lifesaving. In addition, we have more than doubled the number of Member Protection Information Officers from whom our members can seek guidance. We have been successful in the implementation of the Chaplaincy Services as part of our Wellbeing Initiative for our members, also recognised by the Branch at the Awards of Excellence 2019. Since thanks to Marty Nezval who has delivered an unobtrusive and diverse level of support which has previously not been available to our members as our Club Chaplain.

Director Brent Jackson led the Education section and delivered over seven Bronze medallion courses, resulting in 125 new lifesavers, three new Gold medallion members and a significant increase in higher awards. The section also graduated a number of new Bronze Trainers and six higher award trainers to rebalance the workload of a group that works tirelessly to enhance the skills of our lifesavers. Our Education team was also recognised by the Branch with the Service Team Award at the 2019 Awards of Excellence.

Our Director of Junior Activities Narelle Moore and her team look after our youngest members. The section has performed strongly again this season and continued to deliver confident, knowledgeable young men and women who will in time become the backbone of our Club.

Our sponsorship/marketing team was led by Brett Pattison. We have continued working with large brands such as Huawei in one off activations as well as rely on the constant and very much appreciated support of our long-standing sponsors.

Marissa Saunders was appointed to the role of Director of Administration and Public Officers for the Club and she continues

to build on these foundations set by her predecessors. As the club grows, we continue to generate records and protocols which can be passed seamlessly from office bearer to office bearer. Sincere thanks to Dori Miller, Louise Santos, Carlos Vargas and Sue Hinds for the hours you put into the Club, each of you contributed to the results achieved in the last season and there is no doubt we wouldn’t be where we are today without each of your efforts over the last season.

The club has a number of other sub-committees comprised of members putting in countless hours every week, some of these are in the spotlight whereas others work hard behind the scenes. Events such as the Legends Lunch, presentation dinner, legal advice and countless other projects would not go ahead without the assistance of our many talented members. Thank you to all of you.

This year, we sadly saw the passing of Life Member Andrew Winters AOM (Winkie). Winkie held numerous positions in the Club including President twice, Treasurer however it was the boat sections that captures his heart and passion. Within our Club, we honoured him with naming a surf boat after him with his name emblazoned on the side.

Another loss for the Club was the passing of Bob Reid, Life Member who also held numerous positons in the Club including Treasurer and Secretary. Bob joined the Club in 1961 and assumed the position of Treasurer at the age of 18years when the Club was struggling to find people. He held this position for 8 years and then a further year as Secretary.

Allan Scott, Life Member sadly passed in June 2018. Allan became a member of the Club in 1960 holding numerous positions on the Board and sub committees to the Board. Allan was very well known for his entertaining and passionate blogs on all things Bondi.

The Club is looking forward to the season ahead and seeing each section thrive. We will be looking for more people to assist with small roles in different sub-committee to make the job easier on those putting many hours in. We have a rich history at Bondi and we look to add to it with success in the years to come.

Jacob Waks
President

BONDI NIPPERS

In my first season as the Director of Junior Activities I have been honoured to head a fantastic team of parents and Nippers who contribute to the program at Bondi Nippers.

Introducing pre-season timed proficiency swim tests for all Under 9-14 age groups was the beginning of a higher standard at Bondi Nippers. We are confident the increase in standard has worked well and the message that Nippers is not a place for children who cannot swim has been received.

The introduction of a paid Junior Coach saw us welcome Laura Thurtell to our team. Laura came to us from Foster and brought with her a wealth of knowledge of the training, coaching and competition section of our program. The aim in employing a Junior Coach is to improve the overall level of ability and skill of our Nippers, improving their life saving and competition skills.

Our Nippers competed at the Waverley Shield Carnival in November with some good results including 6 Gold, 7 Silver and 18 Bronze medals and an overall increased point score from last season. The Manly Nipper Nats Carnival was well attended and we had two Under 11 Nippers reach finals in the surf race and iron person events. The Branch Carnival saw some challenging conditions and the cancellation of water events for our younger Nippers. This carnival reinforced the need for the development of our competitive Nippers and has helped us set some goals for next season. A small team of 16 headed to Swansea-Belmont to represent our club at the State Carnival. They achieved some semi and final event results and showed great support for each other as they competed together for Bondi.

Another goal for the season was to increase the level of involvement of our parent membership. This saw the parent participation in our program increase significantly. This included:

- 10 parents completing their Bronze Medallion course and joining our ranks as Water Safety
- 1 parent flying the Bondi flag at the Officials course
- 19 parents completing the Age Managers Course
- 32 parents completing an in house CPR course
- 14 parents also completing the Hands on Coaching course run in house

We are working towards offering our Nippers more education opportunities to prepare them for their SRC and transition into the senior club. This season the courses undertaken included:

- 23 Under 13 completing CPR course, working towards next seasons SRC course
- 28 Under 14/13 Nippers completing a Leadership course hosted by Doug Hawkins

We had 30 Under 14 Nippers pass their SRC certificate in December, taking their final step through Nippers and beginning the transition into the senior club.

A huge thank you to our dedicated SRC Age Managers and training team. Thanks to you there is a group of 30 competent

lifesavers joining our ranks as cadets in the senior club.

A significant achievement for Bondi Nippers this season was the announcement of two finalists for the Sydney Branch Junior Lifesaver of the Year awards. Zoe Fletcher and Thomas McFarland, our Nipper Captains, both made it as finalists and proudly wore the blue and white to represent Bondi. Congratulations to both Zoe and Thomas.

The final announcement saw Thomas McFarland awarded the honour of representing Bondi Nippers and the Sydney Branch as the 2019 JLSOY. We know Thomas will wear the blue & white with pride while representing the Sydney Branch in all things ‘Nippers’ in the next 12 months.

Thank you to Zoe and Thomas as our Captains this year, accompanied by Leilani Egan and Tobias Wilmer who were their Vice Captains. You all represented Bondi Nippers well and we were proud to have you all as a part of the team.

Thank you for the generous support of our sponsors this season. Sydney City Volkswagen, Sydney Roosters, Mammoth Projects, Porebski Architects, Royal Oak Hotel Double Bay, Richardson & Wrench Eastern Suburbs and Finz Swimwear. Without the continued support of these sponsors we would be unable to deliver the program that we offer.

A special thank you to Doug Hawkins, the Director of the Sunday Branch of Surf Life Saving. Doug has not only assisted with many of our education and information events this season, including our parent induction, our Age Managers course, and the SRC program, he has provided invaluable support and information to me as I worked my way through the season. Thank you Doug.

I am excited to look ahead to the 2019/2020 season.

Narelle Moore
Director of Junior Activities

BRONTE SLSC

In my years as President, I never take for granted being able to report that no lives have been lost on Bronte beach during the season just gone.

Another incredibly busy season. With the many thousands of beach goers, we are now finding that we are not only needing to be vigilant during our standard patrol hours, but at many other times of the year, as was highlighted by three rescues mid-week in late January after 7.00pm in tough conditions, that were carried out by our incredible volunteers.

I don't think we have ever been more diligent in upskilling our lifesavers and our education capabilities. It has been the highest of priorities for our club in recent years and on behalf of the Board of Management, we are proud of our incredibly strong lifesaving base.

We are also very lucky to have an incredible working relationship with the Waverley lifeguards and to see them this year lay a wreath at our ANZAC memorial service highlighted the closeness of the relationship.

The Club continues to be in a very strong financial position as is outlined in the Finance Report and it has allowed us to be well positioned for our upcoming plans for a new building.

The most significant non-lifesaving project this year has been bringing to fruition of over four years of hardwork to be in a position to action a new building. As it has been well documented, the Club has entered into a Heads of Agreement with Waverley Council whereby we will look to lodge a DA later this year for a brand new building. We have been able to secure almost \$7,000,000 from the three levels of Government – Waverley Council, the State Government and the Federal Government.

We have a very special group on our current Board of Management and thank you to all of them. Our administrative staff continue to work very hard for the club and I would like to thank all of them.

We salute David Stone, our Clubman of the Year. Congratulations to Jen Austin, our Patrollor of the Year and Laura Sturt as Patrol Captain of the Year. Thank you to the efforts and Anthony Mossman and Warren Whillier in overseeing our Water Safety programs on Sundays.

We have many amazing patrollers and I would like to highlight the efforts of 16 Patrollers who all recorded over 100 patrol hours, a record number. Led by our incredible Club Captain James McLennan, with over 270 hours. Supported by Paul Watchman

(over 170 hours), Andrew Ralph, David Stone, Dominic Villa, Kimberly Johns, Tim Jeffries, Anthony Burrows, Emma Finnerty, Andrew Ferguson, Rukshan de Silva, Garry Luscombe, David Finnimore, Sam Stone, Stuart Ryan and Ryan Tindall. In all, the club registered over 14,000 lifesaving (including water safety) hours. Amazing!

From an education point of view, we have 69 new Bronze, 21 Silver and 3 Gold Medallions. There were 36 SRC graduates. We acknowledge Paul Watchman as our Training Officer of the Year.

Another great Nippers year and we have been very lucky to have Craig Betts who continues to do an outstanding job as Head of Nippers, together with his hardworking committee.

There is a real calmness on how we run our Nipper program on Sundays and that is a credit to Craig and his team (as opposed to when I was running Nippers when it was truly organised chaos)!

Thank you to the great efforts of our IRB team, wonderfully led by Dominic Villa and we congratulate Emma Finnerty as this year's IRB person of the Year.

This years Macquarie Bondi to Bronte was another wonderful success. In ideal conditions we had over 2,000 swimmers for all events on the day.

On the competition side of our Club, we were led by wonderful Masters results including the legend that is Harries! Three Australian gold medals including 1st in the U40-49 long and short board riding and 1st in the U40-44 board race. Our Cadets performed well, highlighted by Sophie Ferenczi for 2nd in the 2km run and a bronze in the 2km ocean swim in U15. .

Sunday joggers popularity is as great as ever and we thank Judy and Martin Green for their organisation. Thank you to Geoff Graham and Jimmy Stewart for their help in manging the club gymnasium.

Our social calendar was again highlighted by Derby Day and we had a wonderful turn out to Veteran's Day. This years Presentation Day was considered by many to be the best of all time and was a great way to finish the season. Sunday Sips crowds reached new heights and thank you to Jim and Pat, Donna, Roland, Peggy and Barb for their efforts.

The attendance at the ANZAC Day Memorial Service was as strong as ever with big crowds once again. It has become a pivotal day on the community calendar and has become a highlight for our Club.

Special acknowledgement to Holly Ries for her hardwork in compiling this years Annual Report and she was greatly supported by Victoria Raymond. Thank you to Elissa Hancock from Font & Swatch who oversees the whole process.

A huge thank you to my wife Cathy and our three daughters Hannah, Sarah and Sophie who support my great love of this wonderful Club.

Basil Scaffidi
President

BRONTE NIPPERS

“If you can swim at Bronte, you can swim anywhere”

On behalf on the Nippers Committee I would like to thank everyone involved in our nippers program helping make this another successful season.

We had 764 nippers register which was slightly down on last year with fewer U6's joining, but our retention rates are strong in the U9-10 age groups. We had 23 nippers graduated from U14's with their SRC qualification and commenced life saving duties. I look forward to seeing them on patrol next season. Once again Col, Marty and Kirsty managed the U6's and helped them gain confidence to enter the water and have lots of fun on the sand.

Nippers provides an opportunity for parents to be actively involved with their children in an activity that is based on skills and education. Our 'yellow cap' program is the first step in qualification and we encourage parents to do their Bronze Medallion course so they can help out as water safety, this sets a great example for children and increases everyone's skills in awareness, safety and first aid. Knowing CPR is a skill everyone should have.

Nippers is run by parents and we need people to continue to step in and help as officials, age managers, committee members or even just on the BBQ. As our nippers graduate, so do a group of experienced volunteer parents that need to be replaced. We have continued a great initiative to upskill parents on boards and there is an enthusiastic group training once or twice a week and even doing a couple of master's events, I encourage anyone with their bronze to join in: your children will be impressed.

To successfully run nippers we rely on our age managers and assistants to do a great job within the limited 1 hour time slot they have each Sunday, but nippers is not a learn to swim group so we encourage all nippers to undertake swimming sessions during the week. We try to make Sunday a fun experience and will always encourage kids to enter the water to increase confidence and develop their skills. Our emphasis on Sundays is on participation in a safe environment, we are focussed on water safety which means sometimes we cannot enter the surf due to unsafe conditions. We are of course fortunate to have the pool and Bogey Hole available.

Many nippers have participated in our training and competition program. Firstly, a big 'thank you' to our coaches: Jason Gavin did a fantastic job running the advanced board squad, while Scott Doble kept the development group moving forward. Jo Mermaid continued to run our beginner group on Tuesday afternoons at Bondi. On sand Jordan continued to develop our land based athletes with a number joining his long distance training group as well. We have established a great relationship with the Waverley Lifeguards who work at Bronte, a number of them have joined the club and have given their time to train our nippers. This year we successful ran a camp in the pre-Christmas school holidays with the support of club champion Wally Eggleton while Troy Quinlan has been providing long board training sessions.

Each year we run 2 rounds of club championships; this gives everyone the chance to see how they are progressing in the mix of events with points counted towards end of season awards.

Our results in competitive carnivals across the season have been strong and a credit to the coaches and determination of the competitors. We had 150 competitors attend the Sydney Branch carnival at Maroubra 75 competitors attend the State champs this year, there is such a competitive field across every event, just making finals is an achievement. Unfortunately the surf conditions at the Branch carnival meant many kids did not get to enter water events.

This year we were able to run the Junior Ocean Swim at Bronte in good conditions. We gave away a brand new Bennett nipper board and everyone had a great time. The swim is a great way to introduce the nippers to the longer format of ocean swimming with some of our U14 and former nippers all taking on the longer Bondi to Bronte swim.

A feature of Nippers is the development of Junior Surf Life Savers and it was a great pleasure to again award The Dave Finnimore award for Vigilance and Service to Lily Skeete and Leila Gaston for their Sunday evening rescue of a man in serious risk of drowning. Proving once again that our nippers are trained and equipped with the skills and confidence to take action and rescue someone in trouble.

It has been a pleasure to manage Bronte Nippers in my third year as Director and I would like to thank the committee for volunteering their time and for their hard work: thanks to Jessica Stewart, Amber Brown, Mark Braun and Jason Gavin. I would also like to thank Basil Scaffidi for his support as President of Bronte Surf Club.

Finally a massive thank you to all of our nippers who make Sunday mornings at Bronte Beach the best place to be. The smiles and laughter make it all worth-while and I am proud to see the nippers build friendships, confidence, display sportsmanship and develop into young life savers willing to serve our community.

Craig Betts
Nippers Director

BURNING PALMS SLSC

I am pleased to be able to again begin with being able to report that 'No Lives Lost' whilst our patrols were on duty. Our primary purpose achieved through the dedication and proficiency of our patrolling members and as it should be. Whilst the number of day trippers to the Figure 8 Pools seem to have stabilised, we remain unsurprised at the stupidity of some in their efforts to take the best 'selfie'!

Our season commenced with no points lost at the annual gear inspection which is no mean feat given the transport challenges servicing of our equipment endures and to Chris Fogwell and his team well done and to the Branch Inspection team, thank you.

I am pleased to also be able to record national recognition for one of our members who has given a lifetime of service to Surf Life Saving at all levels. Stephen Strange is especially no stranger to our Branch and to be recognised with an OAM supports our contention he has given an enormous amount of his time to improve all levels of SLS governance, well done and congratulations Steve!

Whilst the competitive landscape at Surf Carnivals continues to evolve, it is appreciated SLS tradition is supported at branch level by maintenance of the March Past event. Congratulations to our team for being able to back up their Worlds silver with second place to Maroubra at the Branch Championships. Additional to our reliable March Past Team, many of our nippers are starting to explore the competitive landscape outside of Number 1 District. For a small group, what they lack in experience they make up for in enthusiasm. It would be wrong for me not to thank Doug Hawkins for his continued support and mentoring at all levels, as through his selflessness, our nipper successes will continue to grow, always welcome at The Palms Doug! It is worth noting that ten of our thirteen Bronze awardees either were originally nippers or connected in some way to the nippers activity.

This season, like all that have gone before, demand support from Branch Assessors so that the renewing lifeblood of our organisation can continue in the form of new active members and the obtaining of higher awards. To the assessors who have supported our awardees, thank you for making yourself available, it is appreciated by all.

Club efficiency is measured by many criteria but most notably by its timely, accurate and thorough response to correspondence and the inevitable work this brings to clubland. Burning Palms is most fortunate to have Peter Pearce OAM as its Honorary Secretary and Gary Daly as our Treasurer. Their knowledge and experience in all things SLS ensures our club stays in touch with and on top of all associated requirements and to them we owe a continued debt of gratitude. Club work is supported on many levels by Branch and it would be wrong of me not to thank Linda and Sarah specifically and George and his management team generally for their continued support of our Club.

There is much to look forward to, even though the season is over! On the 18th May we celebrate 80 Years of operation as a surf club with an anniversary dinner and as well launch a book covering our history from foundation to the present! Truly worthwhile events to cement our membership in surf life saving in every way.

Finally, something for all our members to look forward to; that being the building program scheduled for next season through the generosity of the grants program, thank you to all involved in facilitating this wonderful initiative.

*Below: Burning Palms Surf Life Saving Club members at the Sydney Branch Awards of Excellence.

Dr Paul Cooper
President

BURNING PALMS NIPPERS

Our Burning Palms (BP) Nippers attacked the beach with gusto this year. The skill & confidence level increased considerably by the time the season ended. The numbers again hovered around forty-five members, which made for busy days when we had high attendance. We had five more parents complete their age manager's course, and now they help on the beach putting the kids through different activities. We also launched a BP Nippers surf t-shirt which proved very popular with our families and friends.

Era again hosted their annual Kurnell coaching clinic with enormous success. All three clubs attended the junior skills development day to make and meet friends from the other Royal National Parks clubs. Junior coaches from Wanda SLSC supported the Nippers to enhance their skills in the water and on the beach, increase knowledge of surf lifesaving and to have fun! Old friendships and rivalries were renewed and new ones forged with both the Nippers and their parents.

Once again, the Nippers Christmas Party did not fail to delight. Santa arrived with plenty of gifts for the children and everyone enjoyed a sausage sandwich. Nippers and their parents also turned out for the Beat the Bottle BTB event at Burning Palms on Australia Day. BTB is a Sydney Water initiative designed to reduce plastic pollution in our waterways and on our beaches. BP Nippers always enjoy Clean Up events, especially when they get to join in on creating some memorable drumbeats with the band using recycled water containers.

At the Sydney Branch Championships, BP had a record number of Nippers participation with twelve kids showing our colours enthusiastically on the beach. There were cheers and some tears after events, but at the end of the day, we were all very proud of the way our kids performed. We didn't go home empty handed,

Noah Gordon took home a bronze medal in the U12 boys beach sprint, and Emilia Danne won gold by the narrowest of margins in the U12 girls beach sprint to add to the other gold won two years ago.

This season the Royal National Park District Nippers Carnival was held in March. Garie turned on a beautiful day with good but challenging surf conditions, and the beach itself was picture perfect. The nippers from all three clubs competed above and beyond their own expectations, respected their fellow competitor and formed great friendships for years to come. Era again took home the trophy, followed by Garie, and BP standing on the podium in a close third. Thanks again to Garie for putting on a great day. It was late in the season, making it hard for many to attend, but BP still a strong result in terms of the number of age champions and runners up that we got on the day. It was awesome to have so many BP Age managers helping out on the day so thank you Sandra, Michelle, Cath, Stuart, and Wayne R. Also big thanks to our club secretary Peter Pearce, deputy president Margaret Pearce and Melissa Murray who all generously officiated on the day and made sure it ran as smoothly and safely as it did. And last but not least, Riley Vaughn who gave up his Sunday to volunteer for water safety.

Congratulations to the SRC's who completed their first full season of active patrolling, and for teaching the younger ones through the activity stations conducted on Nipper Days. Andre Slade from Ocean Fit Swimming put our older Nippers through their paces by teaching them some unique drills and taught our kids some invaluable skills whilst swimming through the surf. A big thank-you again to our major supporters and sponsors, without your continual support, our Nippers would not be where they are today. Waterway Constructions have been the Nippers major sponsor for the past eight years and have contributed greatly financially to make Nippers look great and feel safe on the beach. Sydney Airport have been the branch sponsor for more than ten years and a little club like BP also reap the benefits of their sponsorship.

Thank you to the Branch Committee, they continue to do an outstanding job with their guidance and support every season and the Palms cannot thank you people enough. We are very honoured and grateful as being such a unique club to be part of the Sydney Branch. To the BP committee, a big thanks to you as well for supporting our Nippers. Led by President Paul Cooper, your commitment to the future of our club does not go unnoticed on the beach and in the clubhouse. Infront Surfcraft provided us with a variety of boards this season, and with their expert opinion and superior product, our Nippers are gaining more confidence in the surf, and enjoying the water activities that we provide. Furthermore, the senior club also benefits, with more than 50% of our active members, either coming through the ranks or their parents gaining their bronze medallion. That is why we are the greatest little surf club in the land!

Wayne Vaughan
Nipper Co-ordinator

CLOVELLY SLSC

The 2018-19 season was one filled with challenges, rewards and many achievements.

Our Life Saving Team and patrolling members faced some challenging times this season and all must be commended for their diligent performance of their life saving duties. Although a tragic incident occurred on New Year's Day, our members did all that could be done and the Branch Duty Officers and President of Sydney Branch, George Shales had high praise for the actions of those directly involved, and the support provided during and after the incident. On behalf of the Board of Management, I wish to acknowledge the selfless service of all our volunteers, in the water, on the beach and behind the scenes, and thank Sydney Branch for their assistance and support.

Our Life Saving Committee, put in many hours this year working with our patrolling members to ensure all patrols were covered and the patrolling area well managed. The Education team also excelled this season training several bronze, ARTC, Parent SRC, IRB Driver and Crew squads and put through 42 new SRC's to strengthen our patrols. Five of our new SRCs logged greater than 150 patrolling hours and one logging 400hrs! Two of those SRCs, received awards at the Branch Awards of Excellence: Thomas Hetherington- U15 Life Saver of the Year, and Tom Small - Junior Volunteer of the Year

Our Nippers have had another fantastic season, continuing to grow in numbers with 520 registered at Clovelly. The Sunday morning nipper's program is extremely well managed with the different age groups sharing the beach and the facilities. Our junior members are a credit to our club and testament to the great work being done by our nippers committee, age managers, water safety crew and education team. Our Director of Junior Activities, Bryce Wilde is stepping down as Director of Junior Activities, and the Board of Management thank him for his service, vision and leadership. Bryce will continue to support the club into the future.

This season the Board trialled a new format for our end of season awards with a function held on a Sunday afternoon in the Tom Caddy Room combining the end of season BBQ with presentation of education awards and major club awards. This event was very successful and it is great to see members using the newly re-vamped upstairs function area for club events.

A planning session was conducted at the end of May, where the Board invited a broad range of interested members, including office bearers, committee members, Patrol captains and junior members to discuss and provide input to the club's strategic plan, goals and vision for the future. The Board was impressed by the enthusiasm and commitment evident at this session. There were many great ideas and suggestions put forward relating to membership growth, retention and engagement, skill building, communications and community involvement as well as future proofing the club in terms of development of assets and income streams. These ideas and suggestions will be included in the Club Master Plan which will outline some proposed alterations to the lower hall to enhance facilities in the patrol room and training room.

After three years in the role of President, I am stepping down. It has been a rewarding experience working with all the wonderful volunteers who make up this wonderful club. Thank you to everyone for their support over the past three years and best of luck to the incoming Board and committees.

VALE
I would like to acknowledge and pay respects to our members who have passed this season, with special mention of Andrew Winters and Ted Hooper. Our condolences go out to all members who have lost loved ones.

Karon Lekeu
President

CLOVELLY NIPPERS

2018/19 was an outstanding year for Clovelly Nippers and our community. This year marks the end of Clovelly Nippers Committee three year business plan. In that plan we set out a new vision, new goals and a new approach to Nippers. An approach that emphasised fun, safety, learning and participation. An approach that was focused more on lifesaving skills than just how speedy you are at grabbing a flag. An approach that relied upon the good efforts of the many to work together to create something special.

Over the three years we have successfully met each of our goals and KPIs. This has been through an awesome amount of teamwork. A huge thanks goes to every Age Manager, Age Registrar, water safety, trainer, educator, officials, beach set up, BBQ, Nippers Shop, Nippers committee, senior club board member, and parents/caregivers on the beach.

In 2018/19, Clovelly SLSC had 496 Nippers, including 42 SRCs. Statewide there has been a reduction of nearly 10% in nippers enrolments. We are leading the way in retention and in growth in training young people in surf safety and surf lifesaving. In 2018/19 we had:

Lifesaving skills

- Each week there has been a focus on providing a variety of learning activities to nippers in every age group to have fun and learn lifesaving skills. Guided by their Age Managers, more nippers learnt tube and board rescues and how to do CPR culminating in the end of season lifesaving demonstration.
- The skills Nippers learn each week provide the important foundations to our U14s when they start patrols as SRCs. This year on patrol there have been several occasions when the first responders were our SRCs who have equipped themselves commendably. A good lifesaver's first lessons are in nippers.
- We supported U11s and U13s attend Branch development camps and are deeply appreciative of Doug's leadership and Branch's continued support for this excellent program.

Education

- 427 nippers, including U14s completed their educational requirements, that is 86% completion!
- Following on the highly successful 2017/18 SRC intake, another 42 SRCs completed their SRC. This is once again our biggest ever graduation of U14 Nippers onto patrols with 100% successfully completing their SRC and most not only completing 100% of their patrols but far exceeding it. We have even had individual SRCs complete over 400 patrol hours which is a massive service to the community.

- The long term pipeline of nippers is also very strong to continue this record supply of SRCs onto patrols. The challenge for us now is to support these SRCs on patrol and provide pathways to bronze and other qualifications and other roles. Beyond education, we as a club need to provide our cadets with opportunities to have fun, gain new skills, compete if they so wish and commit to the club for a further 10 years.

Training and Competition

- A record number of state competitors (36) where among many great performances, Luca Beardmore achieved a 4th in the 1 km beach run and Carter Hjorring and Nick Hjorring both made the finals of the surf race and ironperson.
- At Branch we had our strongest ever team participation and performance. We made several finals and picked up points in beach and water events across nearly all of the age groups.
- In November 2018, Clovelly partnered with South Maroubra in hosting a highly successful and on time running Randwick Shield.
- Successfully running each week two training sessions at Bondi and Clovelly
- Participation and community
- We once again actively collaborated with other surf clubs. We hosted Era at our Twilight Nippers, ran pre-season training with South Maroubra and visited Cronulla and Era for the first time. We will continue to build upon these next season so our nippers get as many opportunities to test themselves in surf conditions.

This year we increased our rego fees slightly to bring us up more in line with our neighbouring clubs. Our revenue was very healthy, principally through two sources – sponsorship and the BBQ. We welcomed another major sponsor in BP, as well as maintaining our other major partnerships with Channel 9, Ganellan, Mark McPherson of McGrath Real Estate and of course Randwick City Council. Also thanks to all our other sponsors including AMP and Eastern Suburbs RLFC.

Each week we also have created a place for the community to connect with each other. The culture across nippers and the senior club is healthy and continues to strengthen. This couldn't be achieved without the continued leadership of Karon Lekeu our President.

To all the returning Nipper Committee members, a massive thanks to each of you who do an amazing job. I'd also like to single out one committee member who has done a brilliant job carrying the load of multiple positions – Julie Meynell.

Finally, this is my last report as Clovelly Nippers President. The incoming President is Matt Meynell, who has been our tireless Training Director for the past three years. I wish Matt and the whole committee all the best in continuing to further improve Clovelly Nippers. To everyone else in the Cloey SLSC community, many thanks for the laughs and for your shared commitment to training the lifesavers of tomorrow today.

Bryce Wilde
Director Junior Activities

COOGEE SLSC

It is my pleasure to report that no lives were lost while patrolling Coogee beach this season. Credit goes to our brilliant lifesaving team, led by Club Captain Andy Gardiner, Vice Captain Emma Gill and our large number of patrolling members. In collaboration with the Randwick Council Life Guards, our Lifesaving team ensured comprehensive coverage of Coogee beach, Garie beach in the Royal National Park, Wylie's Baths and this year, Mclver's Ladies Baths as well.

This season Chief Instructor, George Fatseas led our surf education program and I'd like to congratulate him on a great season. Our members obtained more than 400 awards this season. One of the great highlights was the 84 SRC candidates successfully completing their course in one setting. I thank all our instructors who gave up a considerable amount of their time educating our future lifesavers.

Our competitors came away with five silver medals in the Open and Youth Championships and 10 Masters Gold medals at the National titles. I congratulate our dedicated competitors, as well as our committed area managers and coaches. A special thank you to our many competition officials who officiate at all the carnivals, as well as competition director Helen Deas and assistant Sharon Deans, who ensured our own competition area ran smoothly. I also thank the Sydney Branch, who helped revamp our long running surf carnival.

Rebecca Waugh took charge of our Minnows and along with her Management Committee delivered a great season. A major highlight was the 3rd place finish at the NSW State Surf Lifesaving Championships. Our Minnows also ensured the Dippers program was again well supported by our volunteer members, and the successful launch of 'Take 3 for the sea' initiative really highlighted the devastating impact plastic has on our environment.

As season 2018/19 came to a close, I congratulate all our members who were honoured at the Branch Awards of Excellence this year, in particular our Under 13s Male and Female Beach Relay Team (Team of Year), Matt Spooner (Branch Member of the Year) and Doug Hawkins (Volunteer of the Year).

Aside from the regular lifesaving season, our November and April ocean swims continue to attract a large number of community swimmers. For our most recent swim in April, we were able to join forces with, and help raise funds for, the Royal Hospital for Women in Randwick. We look forward to growing this relationship.

On the subject of funding, the club continues to be supported by a large number of local organisations – in particular, Randwick City Council and the Coogee Bay Hotel. I am hopeful they, and our other great sponsors, continue to support our club long into the future.

This season, the club is undertaking a strategic planning day to update the club's vision, priorities and direction in numerous areas. One of the great challenges for our club is youth retention. Another priority is our commitment to diversity and equality of opportunity. We are already targeting these areas through our constitutional reform project, and look forward to rolling this out to our broader membership soon.

Coogee has now secured funding from Randwick City Council and the NSW Government to commence the much needed renovation to the clubhouse in April 2020. This project has been in the making for a number of years and I thank all those who worked tirelessly behind the scenes to get this project up. This rebuild will allow us to continue our quest for surf lifesaving excellence in education and training, maintain and enhance existing levels of community service, as well as permit us to concentrate on building the club's financial future and security.

The success of our season is, as always, largely attributable to our members. However, there are always those that put in a little more and, to this end, I pay tribute to the club's committed Management Committee. I thank them for their continued support and hard work.

Looking forward to next season!

Matt Fernandez
President

COOGEE MINNOWS

Another great season was had by all of the Coogee Minnows. Eighty-five Surf Life Certificated trained lifesavers for the Coogee SLSC, seventy-eight new under 6s, over a hundred hours of surf sport training. A 3rd at state Surf carnival and 2nd at branch carnival, a third season of Coogee Dippers, 18 age managers surviving the year, some tears as well as lots of laughs.

There are not many sporting groups that have 1000 members and 300 parent volunteers that put in the hours, efforts and the program that nippers does for the small cost involved. To all volunteers at Coogee I would like to acknowledge your fantastic efforts and offer say a massive thank you from the minnow's community as you are really the people who have the greatest influence in training these young people to become lifesavers and community members.

To the Coogee SLSC Patrol Captains, Randwick City Lifeguards and the Randwick City Council for their ongoing support and much-needed patience of Coogee Minnows.

To our boy and girl captains this year: Sarah Pignatelli and Pat Kavanagh you are a credit to yourselves, your families and above all Coogee Minnows. You have grown and shone as leaders as the season has gone on and we hope you continue to do so in the senior club.

Registrations and proficiency days began in August, this year we introduced a new proficiency for our Under 6/7s. Soon enough we were on Coogee beach, each age group developing their surf education, lifesaving skills, communication techniques as well as internal competencies and competition.

We launched our Environmental Initiative. Our writing of Take 3 from the sea was filmed overhead and broadcast across the whole SLS movement. We will continue this journey with our youth; they have asked us to become active and involved in this.

We also gained lots of new parent volunteers who were qualified either with the Age Manager Award or stepped up to the Mum and Dad's Army to do their Bronze Medallion and become an important part of our essential Water Safety team.

Randwick shield at South Maroubra hosted by Clovelly. The surf sports carnival, a non-competitive day to encourage kids thinking about surf sports to have a go. A very successful day for our Coogee Kids, who got to test themselves out in more trying surf conditions with the support of our neighbouring clubs.

Our SRC group was the Coogee's biggest yet with 85 candidates under the guidance of trainers Doug Hawkins and George Fatseas and Age Managers Gary Trenaman and Tony Boyd plus many parent helpers. Although it got a little bumpy at times the kids grew in skill, fitness and excelled at assessment time.

The Sydney Branch development camps were attended by a number of our boys and girls from our U11 and U13 age groups, plus age managers and parents. Thank you to Sydney Branch and Doug Hawkins for the amazing work you do in this development space for youth.

The January Minnows Surf Camp was another roaring success and was well supported by Minnows and parents and the competitors from the Coogee Senior Club as well as our newly graduated SRCs. I am not sure who had more fun on the beach, the helpers or the participants of the day.

Competition

The results of the coach's effort and passion are visual this year with major success in the surf sports arena. Coogee achieved a 2nd at Branch carnival and 3rd place at the State carnival, a result we have not had before.

To our Competition Director Michael Kavanagh and coaches Steve and Renee Gibbs, Cameron Habler and all those that assist them each week, thank you and congratulations on an amazing season. You have developed these kids, created teams and allow the Coogee Surf sports community to move closer to their potential.

Community

A huge thank you to Erika Gleeson and her team for allowing Coogee Minnows to be a part of the Coogee Dippers program. A huge thank you to all of the volunteers from our club, it is so beautiful to see families helping out. Mums and daughters standing side by side providing encouragement and support to those who really need it.

For 2019/2020 season there are a number of opportunities for the Coogee Minnows Management Committee and Coogee Surf Living Saving Club.

Some of these opportunities will need elbow grease but I am confident that the dedication, tenacity of so many, Coogee will prevail as it always does.

Bec Waugh
Minnows Captain

CRONULLA SLSC

The past year has been an enormous challenge for Cronulla SLSC. On 1 May last year the Club closed its doors for the last time prior to undertaking a major redevelopment. The enormity of bringing this project to fruition cannot be understated; it has been nine years in the planning and has lasted through the term of three Presidents of the Club and three changes of Local Councillors and Mayors. The complications of this project were exacerbated by the heritage considerations pertaining to the original building that had been added to over many years.

The Club had to completely vacate the premises and that created significant operational challenges. Our office with the assistance of Sutherland Shire Council was able to obtain space at Hungry Point adjacent to Marine Rescue from which our office staff could operate. This building also had a small amount of space that we were able to store some equipment in and gave us a room for meetings and training purposes. Our day to day operations were made possible by receiving permission to place a container at the top of Cronulla Park next to the construction compound and with the co-operation of the Sutherland Shire Lifeguards who made space in their shed for us to store our patrol equipment and an IRB. In addition to this the Council permitted us to locate another container at Kurnell in which equipment was stored and we rented

commercial storage space. We were not permitted to store any personal craft at the beach only lifesaving equipment and gear to enable the Sunday nipper operations. Despite these challenges our patrols operated every day as required, our training continued, our Sunday surf races were held and we were able to successfully hold our short course carnival and the Shark Island Swim challenge. This was achieved by our members simply accepting the challenge and getting on with the job of doing whatever was necessary to achieve the result. I must also at this point thank our fellow Bate Bay Clubs and their Presidents Geoff Budd, Darren Galea and Mark Sargent for their assistance whenever we asked. The co-operation that exists in Bate Bay is outstanding and the Club is grateful for the support that we have received.

Despite the challenges our nipper section had a successful time at the beach on Sundays. This was a credit to their committee given the operational hurdles that they faced each week. In addition to the equipment we had members transport a BBQ and generator to the beach each week just to ensure that Sunday for the nippers were as normal as possible. Once again Sutherland Shire Council was generous with allowing us to setup each week a number of tents in Cronulla Park to facilitate nippers. This was the final year for our JAG Chairperson Michele Cole, Michele steps down after three years as chairperson but she has also previously held the positions of Treasurer and Secretary for the JAG. On behalf of the Club I wish Michele the best for the future and thank her for her contribution in making nippers a success on Sundays. I would also like to mention the success of our learn to swim program which is made possible through support received from Tradies and the continued growth of our “Blue Fins” group which provides an opportunity for children with disabilities to participate in a quality nippers program. This year our Cronulla short course carnival included events specifically for these children and they were well supported in participation numbers, not only from our Club but many Clubs outside of the Bate Bay area. It was pleasing to receive positive feedback from parents who travelled some distance to participate and I am certain that this will grow in support in future years.

To our outgoing Branch President George Shales, I thank him for the work he has done for the Branch and wish him the best in his new role as President of SLSNSW. Likewise to incoming Branch President Peter Agnew I wish you the best for the coming year, I am certain you will succeed in the role.

Looking ahead the completion of our building project is not far away. We are commencing the planning for the re-occupation of our building and the opening ceremony. This project has been made possible with the support of Local, State and Federal Governments and I thank their representatives for not only for their support but the manner in which they have been accessible to provide advice when sought. It has been a difficult past year but also one which has seen the Club receive and appreciate the support given by the Association, all three levels of Government, in particular Sutherland Shire Council and of course our local community partners.

Richard Pinker
President

CRONULLA CRAYS

Cronulla Crays season was a very active and challenging to say the least. We knew that without the luxury of a clubhouse the committee would need to work smarter and rather than harder. The goal was to keep disruptions to a minimum and manage the weekly nippers as if nothing was any different.

The committee behind the scenes come up with a plan to focus on running nippers from tents set up and folding tables on the grassed area, this was to become our make shift clubhouse. This worked but we needed power and purchased of a small portable generator, nothing was going to hold us back. We were all committed to keep the season as normal as possible. The generator was the best investment we could then run our eftpos machines to purchase apparel and Under 14’s could run the snow cone machine. Weather for the first four weeks was not on our side but we overcame this by changing and adapting the nipper’s program to suit.

Registration number this season was over 640, an increase on last year. A few parents obtained their Bronze and SRC awards enabling them to help with water safety at carnivals and Sunday nippers. With the ever-increasing nipper registrations over the last couple of seasons we’ll need more parents to obtain their awards to assist. Taking pressure off the regular helpers. Without their assistance, our nippers would not function.

The IRB for Sunday nippers was stored in the container near the car park. Our ever-diligent water safety team lead by Tristian Howison made sure they arrived early to tow the IRB down the hill including buoys and safety equipment, then after Nippers tow it all back up and packed away in the container.

Comradery & participation continued with this season proving to be two key components, why Cronulla Cray Nippers continue to enjoy the range of activities with their parents and careers every Sunday.

Our age managers were under the guidance of Justin Ingram, Age Group Coordinator, Justin was recently awarded Age Manager of the Year by Sydney Branch. Putting in many additional hours to create different and interesting Sunday nipper programs.

The young cadet age managers are adored by our young nippers. Enjoy giving back to our nippers in every capacity. Their experiences are being handed over to their groups this is helping the future of our club for the better.

The Black Cap group was renamed this season to the BLUE FINs these are nippers with various disabilities, managed by Yvette Larkin, Nicole Mannix- Power and Georgie Carter. These ladies do an excellent job and I know the parents of this group appreciate their efforts. This season the blue fins competed at two local carnivals, inclusion for everyone being a priority for all CSLSC members.

The parents of the U6, U 7 & U8 nippers are lucky to have included as part of their Sunday program a swim lesson every second week. An introduction to make sure your child has learnt some basic swim techniques & skills. Parents in the off season

should continue with swim lessons at your local pool. This program would not have been possible without the support of Tradies GyMEA, a proud sponsor.

The competitive section of Cronulla Crays improved, a goal our coaches had worked on in the off season. JAG C & C headed by Alexandria Fleming and Mark Redrup these results not possible without their support team and water safety volunteers. Thank you.

The JAG Coaching and Competition team is structured, controlled & managed in a safe environment. Developing and adapting throughout the season to accommodate a variety of different abilities with baselines. Improving skills especially in the ocean, beach, march past, RNR & champion life saver & multi discipline events.

Proudly, many of our nippers competed in over 18 carnivals across many levels: District, Branch, Interbranch, State Age & Youth Age Australian events. We achieved top placings at all major competition events across most age groups. Highlights this season:

1st Cronulla JAG Carnival
1st Ohana Mixed Cameron Relay
3rd 4 Way Carnival
3rd Branch Age
10th State Age Swansea Belmont.

Branch and State Age, results we still amazing considering some of the water events were cancelled. Let it be known competitors make a club serious but Nippers make a club for fun!

U14s completed the SRC courses this season early and enjoyed the idea of joining a patrol this gave them a feeling of independence. Our u14s hard work fund raising for their end of season. We will miss them as they move into the senior club, they NOW part of the future of Cronulla SLSC.

Thank you to everyone for all their help, support and volunteering your time this season.

This is my fourth and final season as Cronulla Chairperson. It was an honor at the time to be asked to be the first female Chairperson of Cronulla Nippers. Through the good times and the bad, the tears of happiness and sadness, the screaming for all the nippers big and small. The emotion I’ve expressed and given over the last 9 years as a Crays Executive can only be described as invigorating.

Let it be known volunteering my time to this wonderful organisation was never a chore or hard work, always a pleasure and forever rewarding. My time has come to a close but leave trust in the new executive taking over Cronulla Cray nippers. Final thanks to everyone who honestly supported me in my time with Cronulla Crays.

Michele Cole
Chairperson Cronulla Crays

ELOUERA SLSC

Club Operations

Our core activity is that of lifesaving and the protection of the community who choose to come to Bate Bay. To do that, consistent with our charitable purpose, we provide educational opportunities to members to become proficient in lifesaving awards.

Our lifesaving activities have again been led by Cameron Simpson and his twelve patrol captains, and it is with pleasure that again we can report ‘No Lives Lost’.

The Training and Education awards increased across the board this season thanks to the hard work of our new Director of Education, Amber Garcia, with Leah Byrne providing much logistic support. For the season ended April 2019 there 323 educational awards in the Under 6 to under 13 age groups and 240 awards to older age groups. Elouera also provided lifesaving to the community who use Elouera Beach with in excess of 9,523 hours voluntary service provided, resulting in 473 preventative actions, 32 rescues and 29 first aid treatments.

The season again commenced with the Nippers Surf Camp at Sussex Inlet. This camp is for nippers and their families to get together to practice skills prior to season opening. The club’s youth members come down to assist coaches pass on skills to the next generation.

Elouera continued took take advantage of youth development opportunities offered with surf life saving, with Bella Summers participating in the three-day 2018 Junior Development Academy Program, Sophie Burns and Kiara Summers participating in the SLS NSW 2019 Youth Opportunity Makers Workshop and Kyla Daley participating in the SLS Sydney 2019 18-25 Enrichment Program

Elouera hosted three carnivals in season 2018/19, a Masters Spring carnival, the Ohana Carnival for nippers, and the Australian Surf Rowers League (ASRL) Australian Championships.

A number of Elouera members were successful at the Surf Life Saving Sydney Awards of Excellence: Support Operations Member of the Year - Jackson Towns; Surf Sports Youth Athlete of the Year - Michael Hanna; Surf Sports U15 Athlete of the Year - Peter Thoroughgood; Surf Sports Coach of the Year - Chris Davis; Area Patrol Efficiency (Cronulla/Sutherland) - joint winner; and 2019 Branch Age Pointscore Champions.

Elouera continues its support and contribution to Surf Life Saving Sydney activities and remains prominent in Lifesaving, Education, Surf Sports and the Support Operations Group.

Supporters

It is with sadness that we note the passing of one of our best during the season – Ted Brooker OAM. Ted was a great man, being awarded life membership of Elouera, Surf Life Saving Sydney and Surf Life Saving NSW. The Club extends its thanks to our Federal Member the Hon. Scott Morrison MP, Prime Minister, and his State colleague the Hon. Mark Speakman MP SC, Attorney-General for their continued support of the Club.

The Sutherland Shire Council continues its support and assistance to Elouera and we extend our thanks in particular to Cr Carmelo Pesce Mayor, and Chief Executive Officer Manjeet Grewal for continuing the council’s generous support of the four Bate Bay clubs and Brett Richardson, Manager of Public

Safety and Lifeguard Services and his team of lifeguards for their outstanding support. Their support during ASRL Team Navy Australian Championships was significant in the ensuring the North Cronulla mass rescue ended well, but it is a year-round partnership that consistently delivers a safe aquatic environment for the public. Also thanks to our major sponsor, The Sutherland District Trade Union Club (“Tradies”) for its continued and valued support. This sponsorship has been continuous since the 1983/84 season, some 36 years and counting, and is greatly appreciated and valued by all members of Elouera.

The Club also recognises the contribution of the SLSA’s National Major Partners of Surf Life Saving Westpac, DHL, Holden and Dulux and the major partners of SLS Sydney branch, Sydney Airports Corporation, DHL, Streets, and PKF.

Commercial Operations

The Washington Lounge, combined with rental income from the two sub lease holders, Summer Salt Restaurant and Bianchini’s Café, provides a strong revenue base to support the club’s core business – lifesaving and maintain an aggressive schedule to pay down the bank loan established for the Stage 2 building works in 2017.

Community Engagement

The club extends its reach into the community, participating in events such as the Cook Community Classic, supporting the Sutherland Shire Council’s Chuo City relationship, holding the Tradies Elouera Surf Awareness Clinic, hosting Cure Cancer Australia’s ‘Can Too’ swim program, collaborating with Autism Spectrum Australia (Aspect) to run the Yellow Fins nippers program, participating in the Take 3 for the Sea Project, Clean Oceans Australia, raising funds in the Sutherland Shire Relay For Life, the Bate Bay Blood Drive, the Annual Sutherland Shire Mayoral Debutante Ball, and participating in ANZAC Day services in Cronulla, Sutherland Gynea and Miranda.

Competition

The club had an impressive competition season, with some notable results such as Michael Hanna winning gold for Australia in the Youth Beach Sprint and Youth Flags event at the ILS Lifesaving World Championships, and silver in those events at Aussies.

At Aussies the club cracked the top ten, coming ninth in the open point score, following on from a third at the NSW championships. The comprehensive victory by Jake Evans, Chris King, and Mackenzie Hannington in the U19 Board Relay at Aussies was also a feature.

Administration

Our thanks also to the Cronulla Sutherland District Council of Surf Life Saving capably led by John Bentley. The Council continues to operate in a cordial and cooperative manner to meet the challenges that confront Surf Life Saving in the district.

Darren Galea
President

ELOUERA NIPPERS

I am pleased to provide a wrap up of what has been another fantastic season for Elouera Nippers, in what is my last year as Director of Junior Development.

First up, I would like to say THANK YOU one last time to everyone that worked so hard in making this a fantastic season. I won’t be able to list each and everyone of you but I would like to list the key people that deserve recognition for the role they played this year. Thank you to our:

Junior Development Committee, Craig Holmes, Karen Tsoumbaras, Mark Summers, Matt Elliott, Sharron Mckeown, Andrew Watson, Moira Loader, Leanne Laffan, Cameron Burns, Leanne Barlow, Daryl Chapman, Rebecca Bacon, Paul Byrnes, Anna Elliott and Nat Chandler. In particular, Thank You to Julie Walmsley who has served on so many JDC committees in recent years along with many other roles in the club;

Elouera Surf Sports Academy coaches, Ian Ross and Davina Strauss. Supported by assistant coaches, Paul O’Sullivan, Andrew Watson, Damien Fanning, Wally Hall, Scott Thomas and Donna Hanna;

Sponsors, The Tradies, Sutherland Mazda, Westfields Miranda, Illawarra Blinds, Ohana Ocean Athletics and Soilco;

Age Managers and Cadets, our Age Managers once again went well and beyond the usual level of work that is required to deliver a nippers program. They were also well supported by our cadets in

Rachel Tougher, Maggie Scott, Max Fathulla, Keira Collier, Brianna Smith, Kiara Summers, Jaime Greig, Ella Randazzo, Chelsea Holmes, Tom Summers, Sofia Randazzo, Jessica Wardrobe, Sam Merchant, Sophie burns, Georgia Greig, Brigitte Salib, Caitlyn Shephard, Olivia Hall, Jada Blanch, Peter Thoroughgood, Kya Laffan, Ella McFadden, Jasmine Richardson and Darcy O’Sullivan;

Water Safety team headed by Cam Burns, our team of Officials led by Andrew Watson;

Senior competitors and trainers that assisted at Sussex, in particular to Brett Richardson, Michael Byrne, Dave Kowald and Matt Gentle; and

Club Captains, Tillie Tsoumbaras, Oliver Chandler, Grace Elliott and Alex McFadden.

As we have done for the past several seasons, planning for the season starts almost immediately after the end of the previous season. This season was no different and thanks to all those mentioned above we were able to provide a nipper program that successfully balances surf education, fun, competition and community involvement.

Though our numbers were slightly down from last year (approximately 410 registrations), the number of kids attending midweek and weekend training was probably the largest that we have ever seen. This was extremely pleasing to see and resulted in Elouera taking 1st place in the Sydney Branch Age Championships in February. Whilst we were not able to lift the trophy at the State Age Championships at Swansea, our team finished in 8th place in an incredibly tight pointscore.

Leah Byrne and Libby O’Sullivan, continued their great work with the Yellow Fins Inclusive Nipper Program and inspired our neighbouring clubs to introduce a similar program which allowed our Yellow Fin nippers to join with other kids for Sunday activities.

I wish our departing U14s the very best of luck as they graduate as cadets. Our U14s along with our Club Captains were excellent role models for all of our younger nippers, thank you guys for always assisting whenever needed.

The **Ohana Surf Classic** was held again at Elouera, with the organising committee taking the carnival to another level with nearly 800 entries, amazing prizes and perfect conditions. Thanks once again to our sponsor Ohana Ocean Athletics for their support and generosity over so many years.

Finally and on behalf of the JDC, thank you to our nippers and their families for choosing Elouera Surf Club. As mentioned, this is my last year serving as Director of Junior Development, I sincerely thank all the support that so many club members have given me over these past years. I wish all future JDC members best wishes, I’ve no doubt that they will continue to build on the great foundation that we have and will be as well supported as I have been.

Michael Randazzo
Director of Junior Development

ERA SLSC

The 2018/19 season proved to be another very successful season on all fronts for Era SLSC. Once again our active members enabled us to supply 6 fully functioning patrols to monitor the beach throughout the season. Due to their continued commitment we still remain the only National Park Surf Club that doesn't have to rely on other clubs in the branch to patrol their beach. A great effort to 41 of those active members who gained their 100% patrol efficiency.

Our patrols also saw a continuing influx in junior members thanks to the efforts of our Chief Training Officer Geoff Snellgrove who trained 6 new Bronze and SRC members who have added to our patrol team. Well done also to all the trainers who assisted Geoff in seeing these new lifesavers through their education stage.

Once again our enthusiastic nippers held the title of District Champions at the three-way carnival which was successfully hosted by Garie this season. Our kids were also boosted by the inclusion of the new nipper boards, which were kindly donated by Engadine Bowling Club. A special thankyou goes out to Kristin Hancock and Sarah Josland for their organisation of the nippers once again this season. Thank you to all the Age Managers, Trainers, Water safety, Officials and assistants who all put a lot of time and effort in again this season.

The "A" surf boat crew had another strong year of competition. With the exit of season rower Jack Emery, we saw the resurgence of our young veteran rower Stapo being brought into the crew, and their results were nothing short of exceptional in the 'A' Division, especially during the final stages of the season. Winning silver at the Sydney Branch Championships, the boys then went on to finish in the top 8 at the Aussie Short Course and made it to the final

12 at the Aussies in the A's Open Boat. Only a wave from nowhere ended their further progression, and one can all agree it was a season to be proud of.

Once again, on behalf of Era SLSC I would like to formally thank our sponsors Peabody Energy, Engadine Bowling Club, Club Engadine, Font and Swatch, The Royal Motor Yacht Club, Hal and Eva Missingham, Office of Environment and Heritage, and Elite Physio, for their support of our club. With their continuing support of our club, we are able to purchase the much needed rescue and first aid equipment, and the training and competition gear for our nippers and club members.

This season NSW CEO Steven Pearce secured funding of \$15K from Lee Evans MP, for the provision of Satellite Phones for all 3 National Park Clubs. This inclusion of Satellite phones goes a long way to address the communication issues experienced previously with operations within the RNP. I wish to express my appreciation for the support that Lee Evans, Steven Pearce and also George Shales of Sydney Branch continue to give Era SLSC and its members.

To all our management committee who have worked tirelessly behind the scenes to ensure another successful season for the club, thank you for a job well done.

I look forward to another great year next season.

Scott Pracy
President

ERA NIPPERS

The Era Junior Members had a great year in the Community, building their Skills and living the Spirit of the Club. These three themes of Community, Skills and Spirit are the basis for the delivery of our Nipper programme:

COMMUNITY

In 2019 we welcomed two clubs from Branch; Clovelly and Cronulla. Our club relationship with Clovelly is growing with x6 of our Nippers attending their Twilight event in February where Clovelly donated x2 foam and x2 fibre glass boards to Era. Both events are now part of the annual calendar.

SKILLS

The training of our Junior Members in surf lifesaving skills is the primary purpose of our Nipper activities. In 2018/19 we had x57 Nippers complete proficiency and x39 achieve Surf Lifesaving Surf awards. In addition, we trained x1 Junior Member in SRC, x5 in Basic Resuscitation and we carried out our NERK (Nipper Emergency Rescue Kit) simulation during the final Nipper meeting of the year.

We held our annual Nipper Skills Day at Kurnell on 11 November with over 100 Nippers attending from Era, Garie and Palms. Kurnell has become a centrepiece of the Nipper calendar and it is great to see the different clubs catching up like old friends. The purpose of the event is for the kids to have fun, make friends with their RNP cousins and learn lifesaving skills. The event would not be possible without the assistance of Sydney Branch (specifically Doug Hawkins, Wanda and Eleuora) who provided over a dozen Cadets and Coaches to assist in training.

I would like to make mention of the support provide by Branch and the Junior Development Committee led by Doug Hawkins. Despite our size, the JDC ensures that the Royal National Park clubs receive training and financial support to enable us to up-skill our Junior Members. This year, Branch has supported the RNP clubs at Kurnell, the Tri-Carnival and financially with a \$3,000 grant for training equipment. Thank you to all the Member Clubs and Doug for your support.

We continued our voluntary Skills Sessions in 2019 and these were very well attended. The benefits of this extra training are paying dividends as our Nippers become more confident in the water. During summer, we had many days where we had every club Nipper board in use after our morning Nipper sessions. This year we introduced Learn to Surf Sessions run by Rachel Shriver (a huge thank to Rachel for devoting time to teach the kids) using x10 second hand foam surf boards donated by Branch. Demand quickly outstripped supply and we had over 25 kids attending each session.

We had a great contingent of future leaders attend the Branch Development Camps this year; Under 13's - Eliza Hely, Samantha Denniss and Natlie McLagan, Under 11's - Kate Morey and Nate Josland. The camps assist in the on-going development of our Nippers and are a fun weekend where kids from the Branch get to know each other and enjoy a range of activities.

SPIRIT

Garie to hosted the RNP Tri-Carnival this year and Era had a contingent of 42 Junior Members in attendance. The tradition of Era competing with distinction continued in 2019 as we retained the RNP Club Championship with 183 points (Garie 102 and Palms 89). Congratulations to all the Junior Members who participated, competed to the best of their ability and represented the club with passion.

We had a healthy contingent of Nippers (x16), Officials and Parents attend the Branch Carnival. We were joined in our new marquee by our cousins from Palms. Our kids competed with pride, enthusiasm and resilience. For the first time in many years, we were able to enter team events under the banner of the Royal National Park joining with our sister clubs Garie and Burning Palms. In total, we entered x3 team relay events including x2 All Age Relays and U9 Relay with Clovelly. We had representatives in all age groups from Under 8 up to Under 14 and achieved x3 Semi Finals (Freya & Maddison in the Sprint and Phoebe in the flags). Special note also for Nate Josland competing in his first Iron Man Event. Our cousins at Burning Palms had a successful day bringing home two medals.

Congratulations to all the Nippers who achieved their Surf Lifesaving Awards and/or were Boy or Girl Age Champions, also to those Junior Members who received Endurance Awards. This years' deserved Enurance Award recipients were Marli Howe, Natalie McLagan, Toby Staples and Jake Josland. Nipper of the Year was Lachlan Howe, well done Lachie, you had a great year and your award is well deserved:

Special thanks to Sarah Josland for your tireless work at each event and for keeping us up to date with our administration. To our Sponsors, Peabody Energy, Club Engadine, Elite Physio and Font & Swatch, thank you for your continued support. To the Parents and everyone who volunteered, donated and supported our Nippers throughout 2018/19 again a huge thank you also. We now look forward to another safe and successful season in 2019/20.

Kristin Hancock
Junior Vice President

GARIE SLSC

It is my pleasure to report that no lives were lost on Garie beach this season, this is a proud record that has been held by our club since its foundation in 1938.

This record stands because of the mateship that has been shown to us from other clubs in our branch. Nth Bondi, Bondi, Bronte, Tamarama, Maroubra, Sth Maroubra, Wanda, Nth Cronulla, Cronulla and Era thank you all for your assistance with our Saturday patrols this season, it is truly appreciated.

Our club Captain Jessika Hay is to be congratulated for the efforts put in to co-ordinate the visiting patrol program, and our own patrols. This season was her first holding the position, which is a daunting enough task in itself. The manner in which this young woman faced the requirements ahead of her for the season was admirable, thank you to Matt Spooner and Gilbert Olzomer for the valuable guidance that you gave Jess.

From an administration level it was a daunting start to the season, with many intrinsic committee positions to fill, but in a very short amount of time wonderful people were putting up their hands get on board and get to work, we gained a very talented IRB captain, chief training officer, and treasurer along the way, thus the committee saw a lot of new people in the mix, mostly female, that had never worked together before, we have recently added a President to the committee, when Brad Taylor stepped up to guide us, which now sets us up to move into the next season with determination.

We were devastated by the death of our Club Patron Neville Cooper on the 30th November 2018, a position he had held for a only a very short time since the Annual meeting, Nev was a life member of our club, and very passionate about our future direction, he will be very dearly missed.

We were once again very proud to host the ALBERT crews on 24th and 25th November, it's always very impressive to see the precision with which these weekends are organised, with them came the new UAV, so it was the very first time that we have seen a drone operating on our beach, we are very pleased to play a part in their great program, as they develop the skills of both drivers and crew, and we look forward to a continued association with the group.

Congratulations to Era, who were the victorious club at the 3 way carnival which was hosted by Garie this season. Our JAC committee, can be rightly proud of the way they progress from year to year, but more importantly, are the happy faces, both from parents and the kids. The smiles and camaraderie are all you need to see to know they have a solid and well run program.

In the training area, we also acknowledge the assistance given by Peter Pearce from Burning Palms, and Mark Woods from Era, North Cronulla and Wanda, who aided us immensely by helping our clubs candidates through awards gained.

Our gratitude must also go to SLSNSW CEO Steve Pearce, who was instrumental in securing satellite phone capabilities for the 3 clubs in our district. To be able to have better communications in our remote area has always been one of our highest priorities,

and this new system will forever beat the previous problems of having to drive up the hill for reception in an emergency.

We would also wish to thank the Branch BOM, in particular Branch Dep President Peter Agnew, who continues to take a very active interest in the future of Garie. Pete has given us solid support and guidance over the past season, has had many meetings with us, and attended meetings on our behalf, we are very grateful for his assistance.

I would also wish to thank the office staff at Surf Life Saving Sydney, whose patient assistance and advice always make our lives a lot easier.

Garie SLSC will move into the next season due to the efforts of every one that has lent us assistance. The committee are currently working on plans for training and recruitment, which we are confident will come to fruition.

In closing, I am proud to present to you our rescue statistics for the season, and we hope that everyone who assisted, will also be proud of their efforts in helping us maintain a safe beach at Garie.

Our rescue statistics for the season are:

Rescues	20
First Aids	19
Preventative actions	167
Ambulance attended	3

Patricia Dillon
Secretary

GARIE NIPPERS

The season was a good one, and we managed a lot more days in the water this season than in previous seasons which was fantastic.

The vibe at nippers is always high and I love nothing more than seeing all the juniors on the beach, week in and week out, trying their best in all that they do, pushing outside their comfort zones and supporting their team mates at all times.

You are an inspiration to your club, your families and your friends at Garie. Thanks for trying new things, and trusting in us. Thanks for asking when you are not sure and listening to the answers. Thank you for believing in what you are doing and encouraging your team mates along the way when they may be a little unsure. Thank you for always showing respect to your Age Managers and team mates

We had a fantastic calendar of events this season that went a long way towards a successful season.

Nippers Skills Clinic – We again attended the nippers skills Clinic at Kurnell organised by Era SLSC and Sydney Branch for the RNP nippers again this season. Another hugely successful day with lots of skills training and refinement with access to trainers of amazing standards in their specialised fields.

Elouera – Ohana Nipper Carnival - We again attended the Ohana nipper carnival at Elouera beach in December 2018. I would like to thank Michael and his crew from Elouera Juniors for supporting us with equipment and guidance on the day for the second year now. It is only because of this support that we have been able to attend a carnival outside of the RNP District Carnival.

Tama Visit – We had Brad Charters and his crew from Tammarama come to visit, and what a fantastic day that was. Both clubs had an amazing time and it was wonderful to be able to share information and experiences, and the nippers all did so well together. It is a visit that both clubs are keen to repeat next season.

Development Camps – We had full attendance at the Deer Park Nipper Development camps again this year. Nothing but positive feedback from all who attended with nippers and minders all coming back inspired and willing to share all they had learnt with their fellow club members. I love seeing the confidence these nippers grow from camp, and the increase in their own self belief. It is a wonderful program that only gains importance as the years go on.

Garie Challenge – The event has 19 stations and the teams have one hour to visit as many stations as they can, all with varying points scores, and the team with the most points at the end is the winner! An example of a station activity was “Describe at least 3 unsafe behaviours people do at the beach and 3 preventative actions surf life savers can do.”

The littlies love mixing it with the older role models. We had 6 teams this year with Bretho’s Brigade winning the challenge and bragging rights for the year ahead!

RNP District Carnival – Well what a huge event this was. We had to start from scratch and together we built and executed a carnival we should all be very proud of. The weather was fantastic and conditions don’t get any better at Garie.

We received lots of compliments on the running and execution of the event and how smoothly everything ran throughout the day.

Sandra and I lived and breathed this carnival for 12 months and to say we were proud of how it all came together is an understatement. We built it from scratch consulting with anyone and everyone we could to get information and support from, to pull it all together.

We were humbled by the sheer amount of support we received from our club members both junior and senior, their families, the Little Garie Cabin Community, our RNP family at Era and Burning Palms, also Doug Hawkins, Linda and Sarah from Sydney Branch.

Peter Pearce was a fantastic Carnival Referee and it was a pleasure working with him leading up to the carnival and on the day as well. Peter’s support and guidance was instrumental in the carnival being the successful day that it was.

Competition was strong between the three clubs with many tight races. A big congratulations to Era on being crowned the club champions again this year!

Thank you to Sydney Airport for supporting and sponsoring this event.

Awards – Female Nipper of the year was Rebecca Whitton and Male Nipper of the Year was Ethan Byrne. Nominees were assessed on the criteria of Sportsmanship, Attendance, Participation, Team Work, Respect and Responsibility.

Belinda Eshman
Junior Activities Chairperson

MAROUBRA SLSC

It is a privilege to present my second President’s Annual Report on behalf of the MSLSC Board of Management for the 2018-2019 season.

As a Surf Life Saving Club protecting the beach going community on Maroubra Beach, it is most gratifying to advise the membership, the valued tradition of no lives lost on patrol at Maroubra Beach continues in its 113 year tradition. The volunteers of Maroubra Surf Life Saving Club may hold their heads high in keeping with a proudest of Life Saving traditions.

The 2018/19 season again saw over 139 patrolling members gain 100% patrol efficiency. The record was set last season and we are proud to say the momentum continued with the patrolling membership of each patrol. It follows charge from great leadership on the beach and from the Life Saving Committee.

There are always Members of Maroubra SLSC whose depth of passion and enthusiasm as contributors to the Surf Life Saving movement must be acknowledged. This season we saw two of our clubs Life Members recognized for their services to Surf Life Saving. John Restuccia & Peter (Cuz) Kirkwood were inducted into Australian SLSC with a Life Membership award. This recognition of their service is the ultimate award for service to Surf Life Saving and a fitting accolade for these men, who have dedicated their life to the movement. Congratulations to you both on this amazing accomplishment.

Maroubra SLSC this season was well represented at the Sydney Branch SLSC Awards of Excellence. The gala event was held at Cockle Bay, Darling Harbour with several hundred Branch Life Savers in attendance. Maroubra members were nominated for many awards on the night showing a strong representation amongst the other Sydney Branch clubs. It was an honour to see three of the top awards being bestowed upon our fellow members:

- Club Captain, Mat Harper won Life Saver of the Year.
- Jasmine Georgas won Junior Life Saver of the Year.
- Our Membership Director Linda Hession, who instigated the Marlins Surf Awareness Project also won the Sydney Branch Community Education Award.
- Jake McDonald also took out the SR 30 Member of the Year, rounding off a very successful evening for the club.

An all-round strong performance from a club that has such committed members in its ranks, to be leading Sydney Branch in its achievements.

Maroubra SLSC again hosted The Sydney Branch Open & Junior Championships for the 6th year running. Sydney Branch this season extended our contractual agreement and we will again host the Branch Championships 2019/2020 season.

As a club, I think we have the Branch Carnival management down to a tee. The assistance from members including our elder statesmen who manage the car park each year, James Lamb &

Mat Harper, the work force team and the countless members who carry out tasks behind the scene, cannot be praised highly enough. It is an event which unites our club and showcases our spirit and ability to perform as a united club, to all of our Branch neighbours.

I want to thank everyone who participated in every aspect of organising the carnival for the massive success it was, showcasing our club spirit and beach. It was well recognized from all Sydney Branch Clubs and the Branch Director of Surf Sports as a wonderful, well run event.

It is with sadness we marked the passing of one Maroubra’s greatest surf competitors, Dennis Green MBE OAM. Dennis’s record as a competitive ski paddler in the surf & kayak paddling is second to none. He was a five-time Olympian, carried the Olympic flag in the 1976 Montreal Games, won countless SLSC Branch, State and Australian medals. He was a Life Member of Maroubra SLSC and our clubs first Australian SLSC Life Member. His legacy will live for many, many years to come.

I would like to congratulate all the Maroubra SLSC members who go beyond our beach and assist in the wider SLSC family. The Support Operation Group, Sydney Branch members, NSW State Council members. It shows the interest and passion of our members have to enhancing SLS and ultimately shines through to our membership.

Best wishes to all members and their families for next season, look forward to seeing you all on the beach.

Danny Donohoe
President

MAROUBRA NIPPERS

On behalf Maroubra SLSC’s Junior Development Committee, it is my pleasure to submit our Annual Report for the 2018/2019 season.

Firstly, I would like to thank our Junior Development Committee, Age Managers, Water Safety, BBQ Crew, Coaches, Officials, Parent Helpers and Fellow Members who helped with everything that it takes to run Nippers during the season as you made it a success.

I would also like to thank Maroubra SLSC’s Board of Management for its ongoing support for our junior development program, which this year saw 34 Rookies graduate and become qualified patrolling members for our club. Particular thanks for such a job well done must go to their age managers over the years Mark Bessant and Brad Parkes, and their trainers Yasmin and Tony Grivell.

At Maroubra, we expose Nippers from U6’s to basic emergency response strategy (DRSABCD) and CPR. We are leaders in Sydney Branch in offering such training in conjunction with full nationally accredited awards for Nippers. We have demonstrated the value of familiarising children so early to lifesaving techniques through training outcomes and retention.

This season 35 Nippers, mainly from our U12’s, attained the Basic Emergency Care (BEC) award and 30 Nippers, predominantly from our U11’s, attained the Resuscitation (CPR) award, under the guidance of Megan Still (Junior Education Coordinator) and her team of dedicated trainers and assessors. These awards carry on a proud tradition at Maroubra where our children are introduced to formal training at an early stage and given the opportunity to attain nationally recognised qualifications, which elevate them amongst their peers.

During the season, our U11’s and U13’s enthusiastically represented Maroubra at their respective Sydney Branch Junior Development Camps, where they had an absolute ball, earning the admiration and praise of the organisers. The performance of our camp participants in the life saving challenges is a testament to the combined lifesaving and surf sports training approach adopted at Maroubra.

These development camps are invaluable for the educational, motivational and leadership experiences that they offer junior lifesavers in training, and we are fortunate to have them. On behalf of all those Nippers who had such a great time, our

heartfelt thanks go to parents and fellow members that served as minders and trainers for the camps.

This season Maroubra has excelled in surf sports across all disciplines Water and Sand, as well as the traditional events R&R and March Past. Thank you to our coaches Lisa McGuigan (water), Brad Parkes (sand), Brian Purdon & Farah Messina (March Past) and David Love (R&R) as well as to all those who assisted throughout the season.

Maroubra hosted the Sydney Branch Championship for the sixth year running, and despite the surf gods not being on our side, our competitors excelled in all events for water, surfing, sand, R&R and March Past.

Our State Age Championship team compromised 56 Nippers and contested most of the scheduled events at Swansea-Belmont SLSC delivering Maroubra our best ever results at these Championships. What was most pleasing was that there were improved performances across all disciplines from the previous year with a number of our competitors finishing well with places.

The highlight for our nippers surf sports program has been our Nippers March team as they were undefeated throughout the season including defending their Gold Medal at the Branch Championships and then overcoming the previous seasons disappointment to clinch a Gold Medal at the State Championships. The team, under the guidance of Brian Purdon & Farah Messina had members representing all of surf sports disciplines and they are a great reflection of the team spirit within Maroubra Nippers.

Congratulations to you all, and thank you to all those who volunteered their time with Water Safety, First Aid, and IRB, as well as our team managers, coaches and officials as you helped build a stronger spirit of competition at Maroubra.

We hope all our Nippers enjoy their winter activities and keep up their swimming, surfing, running and team sports and that their parents enjoy some well-earned Sunday morning rest.

We look forward to seeing you all, fitter and faster on the beach next season.

John Georgas
Director of Junior Development

NORTH BONDI SLSC

Our Life Savers can once again hold their heads high with NO LIVES LOST this season.

As one of the larger clubs in the Branch, a club the size of North Bondi, whilst successful in many areas, is not without its challenges. Like all clubs, it is with the hard work and dedication of all our members which ensures we reach our goals and can operate successfully across all areas. In particular, I wanted to thank all those who “put their hand up” to do more than required for this success.

Our core role is, of course, Lifesaving, and to that end Eloise Starr our Head of Lifesaving and Club Vice Captain, Pippa Batchelor along with the Patrol Captains, Vice Captains and IRB Drivers and indeed all patrollers have once again worked to ensure our busy end of Bondi Beach is safe.

We are in very good shape when it comes to Lifesaving, with over 600 volunteers completing close to 20,000 hours on the beach this season. This season we expanded our patrol group numbers to reduce the hours our members do and give more leadership opportunities. I know the whole Club is proud of the efforts of our patrollers. As in past seasons, we also conducted some patrols at other clubs and also assisted other clubs with some gear donations. Rescues dropped dramatically this season to 94 however this may be due to the fact that we performed just over 20,500 Preventative Actions, showing our patrollers are saving lives by not only rescuing members of the community BUT more importantly ensuring they don’t get into trouble in the first place - the goal of all life savers. We also performed over 446 various First Aid incidents - added to this we reunited 66 ‘found children’, with their ‘lost parents’.

The most exciting news in Lifesaving last season was the launch of the Waverley District RWC in conjunction with SLSS. This season it continued to build on the great work last season. This boost to the Waverley District lifesaving armoury is thanks to Club member and sponsor, Trevor Bell and his company Jet Dryer. I also wanted to particularly thank Marcel Kwantes for his tireless efforts in looking after the operation side for the Club.

Our community events were successful. The first of our community events, the Clearview Rough Water Swim, went well with slightly better numbers however and, very disappointingly, we had to be cancel the second of our swims, the North Bondi Audi Centre Sydney Classic Ocean Swim, in conjunction with the Life Guards due to the conditions being too rough. The Bondi BareFoot run moved to September for the second season, saw greater participation. All events raised funds for us to maintain and improve our service to the community.

Over many seasons we have built a tremendously well run and professional Education Team. This season Michael Boland

continued as the Head of Education and while the results could not have been achieved without Michael’s dedicated team, with more strategic changes in direction this season and a continued focus on further and higher awards, we achieved a total of 711 awards including 488 Surf Ed awards, 98 new Bronze Medallions and 45 SCR Awards. Our continued focus on further awards, up-skilling and membership retention is now proving to be the right direction for our Club.

A continuing area of priority is the youth of the Club and no finer example is the fact numbers in this area continue to grow season upon season. One of the greatest things about our Club is the cross generational relationships, the mentoring and working together of all members with the focus on our youth. With this encouragement and mentorship from many long term and older members, the youth are leading the way in in many areas - Life Saving, Education and also Competition. Their results all season were outstanding, especially in surf sports, and what is fantastic to see like last season, the boys are giving the girls a run for their money!

The Surf Sports section is headed up by Andrew Christopher and it is a credit to him, Scott Thomson our Surf Coach, Jim Walker our Ski Coach and indeed all other coaches. This season we had solid results at the Aussies and great results over the season. We finished 11th in the National Championships and 5th in NSW. With 3 Gold, 12 Silver and 13 Bronze medals not to mention many other finalists and outstanding results, the tough conditions on the Gold Coast didn’t always fall our way but it was still the culmination of a great season all round for all our competitors. Winning the Open Belt race for the first time in just over 80 years was a fantastic highlight. The Surf Sports section of our club continues to go from strength to strength and the depth of the team from Nippers all the way through to Masters is fantastic to see. The best thing however is the camaraderie among the team across all ages, the support and encouragement is really a sight to be seen and something Andrew as Head of the section has nurtured and encouraged, and something that I am and all members are very proud.

Nippers is an area of the Club we have excelled in for many seasons. It continues to grow and improve season after season - we had over 900 nippers this season. It is a huge logistical undertaking to have this many kids on the beach on Sunday mornings and I know the Nipper Management Committee would want to thank all the Age Managers, Water Safety and other supporters for their efforts during the season for ensuring the kids not only have fun but are safe and are learning vital surf skills for the rest of their lives. They had some great results at the varying championships and the transition into the senior ranks is great to see and ensures our future is bright

Finally I personally wanted to thank the Branch Board and staff for all the support during the season, in fact for the past five seasons.

While we can’t sit back and rest on our success, we can be sure we are headed in the right direction. With some planned growth into even more areas of competition, improvements in the way we do things in Lifesaving, more up-skilling in Education and increased members engagement, we are already looking forward to next season.

Mark Cotter
President

NORTH BONDI NIPPERS

What a season for the nippers from North Bondi SLSC. We achieved our informal goal to ensure our nippers enjoyed themselves and we also had success at many carnivals during the season. North Bondi nippers has truly grown into one club, one team and one family.

A massive thanks to the Nipper Committee, without whom I couldn’t have done my job. I give my deepest appreciation to Natasha Fry, Mel Hamilton, Jim Walker, Alex Joseph, Graham Jackson, Peter Melvey and Sam Wicks. I would like to give special mention to Natasha Fry who has done an outstanding job as Nipper Manager for the last 3 years. It was therefore fitting that Natasha received the ‘Debbie Holland Award’ for outstanding service to nippers at our end of season presentation day.

Whilst we have a large competition squad who train for water and sand during the week, Sundays are for everyone and the aim is to have fun and to water proof the children, our “lifesavers in training”. Towards this end, we had 870 nippers this season and all of our U14’s successfully completed their SRC. Congratulations to our nippers, their parents, the Age Managers and trainers. It’s great to see many of these SRC graduates now helping out the club with water safety.

Sundays would not be possible without the dedication of the 100 plus Age Managers and assistants. On behalf of the Nipper Committee, the children and the parents, I would like to thank all the Age Managers and water safety personnel for assisting every week. I can say thank you a million times, but if people sense their efforts are wasted, they will never feel good about their volunteer work.

We must also recognise the assistance from our generous sponsors: Ric Serrao of Raine & Horne Bondi Beach and Double Bay, Shaw and Partners, GSA Planning, Rival Swimwear, Robert Walters, Harris Farm Markets, Tivoli Swim School and Let’s Go Surfing. The support of these businesses enables the club to buy and maintain equipment.

Earlier this year, seven North Bondi athletes, including three of our nippers, Fred Carmody, Saskia Roberts and Djuna Watchman-Naher were selected to represent our Sydney Branch team at the NSW Interbranch Surf Lifesaving Championships held at Blackhead Beach. The Interbranch championships showcases the

best athletes from the 11 branches across NSW. These competitors achieved great results and contributed to the Sydney Branch coming second on the podium.

This year’s recipients of the Raine & Horne ‘Nipper of the Year’ awards were U14’s Nicolas Rodgers and Sofia Clifton. Both Nick and Sofia were very deserving recipients of our ‘Most Outstanding Male and Female Nipper’, for demonstrating positive role model qualities, sportsmanship and representing the values of NBSLSC. Our ‘Competitor of the Year’ was awarded to U12 Nipper, Fred Carmody who dedicated himself to training, had a successful nipper season and impressively won two GOLD medals in the Ironperson and the Cameron Relay at the State Titles.

North Bondi nippers has had another outstanding year at the State Titles where we came in 9th in the point score. Of particular encouragement are the results that came in from our younger competitors new to the sport. We had 110 nippers represent North Bondi at the State Titles. Our medal tally was inspirational. Five Gold medalists, 30 Silver medalists and seventeen Bronze medalists.

A huge congratulations and thanks to our committed coaches who all put in so much time and effort, at all sorts of crazy times for our competition kids to achieve their best. Thank you, Sam Wicks, Ben Walker, Olivia Walker, Noah Havard, Matt Hamilton, Michael Venis, Jim Walker, Ashton Waugh and Scott Thomson.

The highly sought-after Waverley Shield remained in the tight grip of North Bondi again this year. It was another great day at North Bondi and the surf definitely challenged the competitors. The Waverley Shield is a great introduction carnival for the nippers and it was encouraging to see so many competitors from our local clubs compete and be a part of the day.

The 2018 – 19 Season has come and gone and I really hope you have enjoyed your summer with North Bondi nippers. I believe our children have achieved a wonderful balance between having fun and learning the important principles of Surf Lifesaving.

Looking forward to seeing you all back again next season.

Matt Hamilton
Junior Activities Committee President

NORTH CRONULLA SLSC

What a year. It has been an honour to represent the members of North Cronulla SLSC.

Proud to say on behalf of our members “NO LIVE LOST ON NORTH CRONULLA BEACH”.

This season we have faced very challenging conditions, with ever changing sand banks & large amounts of water movement. Large crowds utilised our wonderful beach this season through some very hot periods over summer. This recipe created some dangerous situations for the public, but due to the efforts of our patrolling members, ALL visitors went home to their families safe & well.

The club this year has been recognised for the Mass Rescue of over 40 people which occurred on Sunday 17th February at around 2pm. The club received the honour of winning the triffecta. Branch, State & National Rescue of the Month for February. This award is a testament, not only to Patrol 7, but to all of our Patrols whom this season all experienced very challenging situations & executed perfect rescues, with many done outside of the patrol hours. I thank the Patrol Captains & their teams for the extra effort they contributed this season, with many staying extra hours on those extremely hot & busy days.

I would also like to recognise the Sutherland Shire Lifeguards whom have worked alongside North Cronulla patrolling members this season, in a very harmonious & collaborative way. The results of this teamwork speaks for itself.

There have been many highlights this season for me, I would like to mention a few.

- My visit to Argentina to open 3 junior surf clubs.
- To have the Prime Minister of Australia, Mr Scott Morrison spend time at our surf club amongst our members.
- Our building redevelopment is getting closer.
- The competition side of our surf club exceeding very high standards & great numbers of participation across all the sporting disciplines.

- The hosting of 24 lifeguards from Argentina whom lived, breathed & were educated at North Cronulla SLSC over a period of a month.
- Our Education team providing the support & encouragement to new members & producing over 350 awards for the season.
- Hosting the Cook Community Classic carnival off North Cronulla beach, where it started 11 years prior.
- The Sportsman’s lunch at THE CARINGBAH. A perfect day for club members & supporters to join together & raise much needs funds, but also to be able to contribute \$10,000 to the Motor Neurone Disease Awareness fund was a wonderful initiative.
- Final day of the year’s patrol, the hosting both channel seven & nine on our beach.
- Mass rescue without question.
- The Relay For Life & the excellent results & contribution from the Nippers in doing over 1000 laps to take away the prize and raise much need funds for the Cancer Council.
- Australia Day again we hosted a sensational carnival in true NCSLSC spirit.
- Another successful Xmas Carnival, great team effort in its organising, set up, running & pack down – true team effort.

Our club members, did an amazing job this season, we succeeded in our goal of “Keeping the public safe”, we competed well with great results & continued to show “True club spirit & loyalty” & most importantly we are all working together to build a better outcome for our Community, I thank you all & look forward to catching you on the beach next season

**Geoff Budd
President**

SOUTH MAROUBRA SLSC

I would like start this year’s Club Review by firstly acknowledging the ultimate sacrifice of father and son, Ross and Andrew Powell from Port Campbell SLSC who drowned recently after their rescue boat overturned during a rescue attempt in large swells near the 12 Apostles in Victoria. RIP Ross and Andrew.

When events such as the above occur, it reminds me firstly of our lost friend and champion lifesaver Bernie Kelly LM who died after a mass rescue on our beach in 1998 and also why our organisation throughout Australia is so important. The fact that our club took out Champion Club of Sydney Branch for 2017/18, finalist Champion Club 2018/19 are important in terms of a club health check but doesn’t take away from the importance of all clubs.

This year we were again a finalist for Champion Club which I put down to a stable and united senior management team with a blend of new and experienced directors, a lifesaving group with years of experience and capability supported by the best equipment available to us, a competition section focusing on sports our club has a proven history in, a Nipper Group thriving with a combination of Sunday fun and surf skills so all areas appear to be moving in the right direction.

Once again, I am proud to announce ‘**No Lives Lost**’ at our beach during the season.

Our **Lifesaving Section** have again performed well, delivering thousands of hours of voluntary Surf Patrol in addition to the following statistics:

Rescues	103
First Aids	78
Preventative actions	6794

Congratulations to Nicole Cooney DOL and to all of our Patrol Teams for taking out the Patrol Efficiency Award, Nixy Krite for Trainer of the Year and Michael for Assessor of the Year. A tribute to the hard work of our Lifesaving Team.

Youth/Nippers

On the back of the ABC Nipper Program aired the season before last, we expected an increase in numbers and sure enough the past season saw a big increase with numbers topping over 800. This is a particularly large number of children given the fact our Nippers confront traditional surf conditions with rips, surfing and dumping waves which can be confronting but very helpful in learning about beach conditions. Well done to Greg and his Leadership Team, Age Managers, Water Safety, Coaches and supporters of Nippers, it’s always so invigorating to see Parents participating with their children and then coming up to the club enjoying the hospitality of our club and of course new life friends.

Also, a big pat on the back for taking out 5th place in the State ahead of many big named and well-funded clubs! Congratulations to Sarah Teitler Branch Junior Lifesaver of the Year, Ashton Biffa Athlete of the Year 9-10 age group and Jaiden Marshall nominated for Southern Courier Local Sport Award plus all the junior members who were successful at Branch and State Titles. Our appreciation is extended to all of our valuable Nipper Sponsors that contribute to a vibrant and massive, diverse local community.

Sporting Success!

This past season after some hard work and good fortune and support we were lucky to see some really positive growth within our boat section. This year renowned female boat sweep Bec Hamilton joined the club and along with Boat Captain and Sweep Phil Stivano went about creating a couple of new ‘all’ female crews with the Open Reserve crew taking out Gold at Branch, State and Bronze at Aussies and other male and female crews making it into quarters and semi finals which was terrific

to see. Bec and her girls rightly received recognition from all quarters being the first ‘all’ female crew to participate in this male dominated sport and then achieve success as they did. I must admit I was disappointed not to see Bec and her crew take out Branch AOE award acknowdleging not only their team success but the fact they are a first in Australian Surf Life Saving.

As I write this report our fantastic and next generation IRB team are performing admirably in the first three rounds of the IRB comp. The future is very bright with this large group of young members who will know doubt develop into a highly competitive group over the next few years combined with some serious existing experienced competitors.

Congrats to our fantastic group of Masters who continue to enjoy their efforts in Surf Sports and of course our Nippers taking out a much deserved 5th place at state and making that something like 6 years in the top 10.

Season wrap up!

Our club carried out numerous community engagements, hosted many schools, government agencies, sporting groups including the mighty Rabbitohs in our club facilities. We spent a great deal of time fundraising to ensure our members got the best equipment for their individual endeavours and continued planning for our long-term wellbeing.

I must mention the outstanding work of our Board of Management this season being Linda Perrin, Yvette Rutherford, Marcelo Garay, Nicole Cooney, Greg Turton and Tom McJannett who work so hard behind the scenes to keep the wheels turning. Also supported by many of our Life Members for the many projects we undertake and general membership.

Congratulations to Linda Perrin and our memorabilia committee for completing Stage 1 of our memorabilia work.

That about concludes what has been another successful year for us at South Maroubra. It would not have occurred without the commitment and friendship of our wonderful members, sponsors and community leaders at Local, State, and Federal levels of government namely Maroubra Seals, Randwick City Council, The Juniors Group of Clubs, Sydney Airport, Michael Daley MP and Matty Thistlethwaite MP plus we’re really fortunate to have a great group of Randwick City Councillors too many to name who continue to support us.

To the Sydney Branch Board of Management, we thank you for your contribution in your roles and working with the Clubs. To outgoing President George Shales, we commend you on your contribution and leadership of the Branch over the past 5 years and wish you all the best in your new role as SLSNSW President.

So for yet another season, South Maroubra signing off!

Paul ‘Stretch’ Fownes, APM OAM
Chairman

SOUTH MAROUBRA NIPPERS

The 2018/19 season was my first in the drivers seat at South Maroubra Nippers and it has been quite the ride. With the fantastic support from the nipper executive committee and the vast number of volunteers it has been a truly enjoyable experience.

Our young lifesavers in training were part of another successful season at South Maroubra SLSC. In the 2018/19 season we focused on member engagement, member participation and keeping the balance right between lifesaving and competition.

This season we reached a massive milestone with over 800 nippers registered for the season. A big challenge that was managed effortlessly by our amazing team of volunteers, once again delivering a magnificent nipper program to our young members.

Inclusion and education are our focus at South Maroubra, whilst maintaining a well-balanced approach to competition and regular nipper activities. All of this is delivered through a well-structured program in a family focused and fun environment.

The professionalism, commitment and knowledge of our volunteers is the key to the success of our program.

EDUCATION SERVICES

Education and development of our young members and their families is a key to the success of our program. During the past season, we delivered a number of training/development courses.

This season our future young leaders from the U11s and U13s represented our club at the Sydney Branch Nipper Development camps. They learnt valuable leadership skills whilst furthering their lifesaving skills, all delivered in a well structured and fun program.

Summary:

- 643 achieved their age appropriate Surf-Education awards
- 24 Junior Members achieved their Resuscitation Certificate (AID)
- 27 U13s/U14’s achieved their SRCs and are actively patrolling our beach
- 84 Parents achieved their Age Managers award

- A large number of parents achieved their BMs, all doing active patrols and water safety
- 9 parents achieved their Level 1 Official award
- Several parents also achieved their IRB certificates (Crewman/Driver)

COMPETITION SECTION

The engagement of our junior members increased immensely this season; this was supported by a thorough training program managed by a team of dedicated coaches.

A new concept this year was a 2-day training camp at the club with all the touring team members sleeping over at the club house. It was a pretty intensive training schedule but most importantly it really brought the team together. It was an incredibly rewarding experience for the coaches and the kids, and certainly one that we will be repeating this season.

The touring team consisted of 100+ members who proudly represented our club at several local junior carnivals, as well as some State Junior Carnivals, culminating the competition side of the program with our attendance at Sydney Branch at Maroubra Beach and the State Championships at Swansea-Belmont. This year we came 5th over-all, just 20 points shy of the top spot. This is the highest point score the Nippers section has ever had.

Sydney Branch Junior Lifesaver of the Year

Ryan Goldschmidt and Sarah Teitler were South Maroubra’s Junior Club Captains for the season. They both represented the club at the Sydney Branch finals with Sarah taking out the title of Sydney Branch Junior Lifesaver of the Year for 2019. This was a very proud moment for Sarah’s family, the club, and her peers.

ACKNOWLEDGEMENTS

To our young lifesavers in training, their parents and carers, thank you! Without you, the program wouldn’t exist, your enthusiasm, engagement and support ought to be commended.

To our club volunteers that have supported us during this season, the Nipper Committee, Coaching Team, Water Safety, Officials and my fellow Club Directors, thanks for your dedication and support.

Thanks to our nipper partners Sydney City Volkswagen, CSJ Seafood, RAMS East Sydney, Invisible Zinc and Channel 9.

Thanks to the club’s major partners Maroubra Seals Club, The Juniors, Randwick City Council, Botany City Council & the NSW Government.

Thanks to the local businesses that supported us – namely Look Design, Maroubra Surf and Skate, Mick Fisher and the many businesses that supported us during the past season.

I’d like to acknowledge those within Sydney Branch for their ongoing support to our club. I have meet some great people from the other clubs within the branch, all of whom have been very supportive and helpful.

Greg Turton
Director of Youth Development

TAMARAMA SLSC

Thank you to all members for ensuring our record of “no lives lost” at Tamarama, since we began patrolling in 1906, has been maintained for another season. We started this season with 30% more active patrolling members than last season. A key goal we set for this season, to retain more surf life savers, has been achieved. We have truly turned a corner and are on a solid growth path. We had many more members upskilling this season, including three members completing their Gold Medallion. The club spirit is going from strength to strength.

I would like to thank Marilee Tamasy, Club Training Officer, who is moving away, for her great contribution to the club over the last few years. We are grateful for your service. We will miss your passion for training and for our club. I would also like to thank Daniel Zafir, who is moving away, for his outstanding service to the club over two decades. After being the IRB Captain for many years Dan became the Club Captain for this season. Perhaps one of the most experienced and much-loved member of the club to ever become captain. We will miss you down at the gear shed on a Saturday morning rallying the IRB crew and disappearing out through the break.

A highlight of this season was our nippers Tamarama-Clovelly Shield Competition day. It was one of the best competition days we have held at the beach in recent years. The beach was open! Nipper age managers, under the leadership of Shay Deguara, Jon Hancock, and Brad Charters, organised an outstanding day of events. Clovelly pitched in and managed the swim event water safety. The surf was challenging making it a really great day of competition. The beach was packed with activity. Nippers had a great season and I am looking forward to the nippers mid-winter movie night.

Our migrant beach safety days continued to train hundreds of new migrants under Sophie Taylor and David Murphy’s leadership. I would encourage members interested in volunteering to help with these training days next season.

We had a lot of fun painting the club house again for a Havaianas “Let’s Summer” promotion and raised much needed funds to assist us with the operation of the club.

We had much closer cooperation with the Waverley Council Life Guards this year. The beach was open more than last year.

We raised a further \$150,000 for the club from a NSW government grant taking our total raised funds now to \$3.45 million. The original capital campaign target of \$4.65 million to rebuild the club has now increased to around \$5.5 million due to increased construction costs. Our task is to raise a further \$2 million so that we may commence construction.

In January the management committee of the club decided we could no longer fund a full-time fundraising position. Andrew Farley has been very effective at helping the club to develop a new strategic direction so that we can lobby private, corporate and government for funds for our capital campaign. He has helped us building a community education presence and built a national profile for these activities. These actions created a base

from which a major government commitment could be sourced. Andrew is leaving us in a strong position as we take over the capital campaign and manage it through club volunteers.

There are three major sources we can expect to complete our capital campaign:

1. Government grants: A substantial State and/or Federal grant.
2. Corporate funding of the Tech Hub. The Tech Hub is the extension of our migrant beach safety program through technology to increase the number of people we can train /each year.
3. A Corporate Principal Sponsor of our Club. Essentially naming rights for our building.

We have signed up Imagine Room to help us develop the Tech Hub and we have had advanced discussions with a corporate sponsor. Imagine Room has been doing substantial lobbying on behalf of the club and is in the early stages of developing a virtual reality water safety program.

We would greatly appreciate the support of members to volunteer to work on the capital campaign. We expect that it will take us a further 12 months to raise the funds to start construction. As we no longer have a full-time fundraiser it would be great if members who are interested in helping with all or one of the key fundraising categories could put their hands up to help.

Please consider taking up a role to help operate the club in the next season.

Keep fit over the winter and I look forward to seeing you all back on the beach next season.

Timothy Murray
President

TAMARAMA NIPPERS

The 2018/19 season for Nippers was again action packed. The weather was the best we had experienced for many years resulting in us getting wet most weekends.

Having taken over the reins from long serving, and extremely organised Junior Activities Director Guy Waddell, the role was split into 3 with Brad Charters handling the administration, Shay Deguara the sports side, and myself assisting where I could.

We had 84 Nippers registered with 9 completing their Surf Rescue Certificate (SRC). Every Nipper received a trophy, 44 received a certificate for completing the Surf Life Saving components of the Nipper program, and 30 were awarded a towel for 100% attendance.

Mid-winter, the club held a Nipper’s “Movie Night”. Whilst a lot of fun for the kids and the parents, this worked well as an “inter-season get together” prior to the season start.

One of the unique attractions to being part of the Tamarama Nippers is holding beach events around art installations during Sculptures by the Sea. Whilst parking is impossible for parents at this time, the upside was a guided tour of the sculptures by a couple of the artists, followed by a clay workshop for the Nippers. Many thanks to David Handley, founder of Sculptures by the Sea, who made this possible.

The Clovelly/Tama Challenge – a joint carnival between Tamarama and Clovelly Nippers – was hosted this year at Tamarama with perfect conditions. This led us to getting the buoys out to hold swim and board events in the surf as well as beach events. Tamarama came out on top being the champion club on the day. A big thank you to Bryce Miller and his team at Clovelly Nippers for assisting on the day with beach activities, and water safety.

Having missed the opportunity to visit Garie last season due to an unforeseen bushfire, the Nippers enjoyed the hospitality, and country feel of one of the Royal National Park clubs. In February Garie SLSC hosted us at a joint Nippers session followed by a BBQ, and tour of the “shacks” at Little Garie. Thanks to Belinda and Tony and the crew at Garie Nippers for arranging a memorable day.

Tamarama sent 3 members to the U11 Sydney Branch Junior Development Camp held in the Royal National Park. Led by Neil McFarlane, those attending were Eve Chrichton, Max Ng and Aaron Hodge.

A chance meeting with the new – and now former - Federal MP, Kerryn Phelps on a walk past Tamarama during our Sunday morning Nippers session led to a successful Grant Application of \$8,000 through the “Stronger Communities Grant” program. The funds were used to purchase larger Nipper boards and other equipment for our teenage cohort undertaking the SRC. Our thanks to Kerryn and her staff who greatly assisted with the Grant application.

Nipper of the Year award went to Annabelle Charters, and the Best & Fairest Award was received by Isaac Kirivsky.

The efforts of Doug Hawkins and the SLS Sydney Branch are much appreciated. Tim Murray and the Tamarama Management Committee have been very supportive of the Nipper Program and having Tim as both the President of the Club, and an Age Manager assisted greatly.

Guy Waddell undertook training the older Nippers for the Surf Rescue Certificate course. Guy did a fantastic job and the 9 Nippers who completed the SRC are well on their way to becoming life savers and getting involved with patrols. Many recent SRCs also assisted the Age Managers with the Nippers’ program on Sunday mornings.

The Age Managers’ efforts week in week out through good and bad weather is what makes a success of the Tamarama Nippers program. We are a small club, and it is the individual efforts of the parents acting as Age Managers which makes the difference. My thanks go to you all. The Age Managers for the season were:

- U6/U7 - Tim Gow, Elissa Raptis, Iain Melhuish & Margie Simpson-Lee
- U8/U9 - Tim Murray & Shay Deguara
- U10 - Phil Janis & Jon Hancock
- U11 - Neil McFarlane, Michelle Ng & Paul McGivern
- U12/U13 - Jo Miller

Thanks to the many parents who helped behind the scenes with BBQs and the myriad of other jobs required to deliver the Nippers program. Thanks also to the many patrolling senior club members who assisted with Nipper water safety on Sunday mornings

I’d like to make a special mention of the work done by Jo Miller who ran the Holly Days Program. This is an indigenous kids Nipper initiative run through WEAVE Youth & Community Services named after the late Tamarama SLSC member Holly Robinson. The program has been revived in the last few years after many earlier years of work from Holly’s parents Ted & Ann Robinson.

Jo spent numerous hours outside normal Nipper hours, phoning each parent the night before Nippers, picking up the bus, driving the bus to pick up each Nipper from home, giving them breakfast, taking them to Nippers, supervising them whilst at Nippers, and getting them home again. A huge effort. Warwick Clout, a long-time member of Tamarama SLSC also assisted on many weekends.

My sincere thanks and appreciation also go to the Nippers Management Team of Brad Charters, and Shay Deguara. Your efforts were tireless and superb. We have delivered another successful year of Nippers at Tamarama.

Lastly, the organised handover from Guy Waddell with his processes, systems and reminders made running the Nippers all the more easy. Thanks Guy for all your efforts and your wise counsel. We look forward to next season.

Jonathan Hancock
Junior Activities Director

WANDA SLSC

Congratulations to all members on a wonderful season at Wanda SLSC.

An extremely busy year in all aspects of our club. Most importantly, of course, was protecting our beach and its surrounds. With increased numbers on our beach we had to step up our numbers and our activity which included more roving patrols and being more proactive on the beach. You achieved this and again kept our beach safe.

It makes me really happy and proud to say that all patrolling members, all patrol captains, all vice- captains, all patrols, all sections, all coaches, all parents, all Directors, all sub-committees, all members from Nippers, SRC's, Bronzes, Seniors, Masters, Long Service, Life Members and Associates.

– everyone contributed to make this season a special one. To me that is what made this season so good, it was why we achieved so much, it was a real club effort, everyone chipped in whenever needed, that's what being in a surf club is all about and, to top it off, people were happy and enjoyed seeing the club achieve. So well done everyone!!

On the competition side of things we exceeded our expectations. To win Interclub and Branch, then we scored the most points ever at State and then to top it off, 5th at Aussies the best placed NSW club, was simply outstanding. Congratulations to you all!!

We had to organise and host 4 carnivals this year, Bate Bay Surf Clubs Interclub (twice), Wanda SLSC Tradies One Club Carnival and the Ocean6 Series. All were an outstanding success, the help and input from all members was fantastic.

Further testament to what a fantastic year we have had is Wanda being named Surf Life Saving Sydney "Club of the Year". A prestigious and much sort after award. Again, well done Wanda!!

Congratulations to our amazing Board of Directors - if you look at Wanda's finances, our future projections, our new Constitution and Regulations, our planning, our sinking fund, our new Strategic Plan, our increased community involvement and developing maintenance program, our patrol numbers and attendance, our increased awards, our competition results, our members' achievements in so many areas then "job well done to you all".

Thank you also to Sutherland Shire Council Lifeguards. We continue to work well together and help us protect our beach.

As always, the support of the District Council and other Bate Bay Surf Clubs, particularly the other Presidents (past and present) has been fantastic, thanks guys!

Thank you also to the hard working Surf Life Saving Sydney, Board of Directors and the amazing Linda, Toni (now left) and Sarah for all their efforts!

Special mention to George Shales, congratulations and good luck in your new position.

As many of you now know I have decided to step down as President. I think it is extremely important to step aside and let someone new come in with fresh ideas and outlook.

The past four (4) years have been an amazing journey for me. It's a job which I certainly never thought I could or would do, but with the amazing support of the Branch, District and Wanda Board Members, my family and the vast majority of Wanda members, I am extremely happy in what we, as a club, have achieved.

Mark Sargeant
President

WANDA NIPPERS

The 2018/19 season was filled with so many highlights. Firstly, the commencement of the Red Fins program for our nippers with special needs – I mention this first as I truly believe this is our greatest achievement. I am so proud to have our Red Fins aboard and am personally committed to making sure that this program is even more accessible to more families next season.

Another highlight was one of our u12 nippers rescuing a competitor from another club during large surf at a Sydney Water carnival – well done Eddie Carrera. It is important to remember that developing life savers of the future is what is at the core of this club and Eddie was a true demonstration of that

All our u14 nippers passed their SRC and donned the yellow and red for the first time. We also had a finalist in the Junior Lifesaver of the year – Ben Sutton. We congratulate our captains Ben, Maya, Noah and Charli for their great leadership. We had many nippers attending the development camps to enhance their lifesaving journey. Surf lifesaving provides many opportunities for our kids and what really stands surf lifesaving apart from other sports is its ability to truly develop mature, community minded young people who volunteer their time not only to patrol our beaches, but to mentor our young nippers and give back to this club that has given them so much. We are developing a great group of leaders who not only will go on to achieve great things in life, but even more importantly are just nice young Australians that we can all be proud of.

We had a huge number of parents stepping forward to gain their Bronze Medallion and other awards this season – a new wave of volunteers that will see this club thrive in coming years

On the competition side of things we won the Cook Classic, topped our home Wanda carnival and were the top Bate Bay club at State. And who will forget the bravery of so many of our nippers on the final day of State Champs – battling treacherous conditions race after race.

Individually there were some great results right throughout the season – we had six Sydney Interbranch team representatives and we celebrated 2 of our u14 nippers becoming National Champions – how good is that? The best in their respective events in Australia! Fantastic achievement Zara Lammers and Kaitlyn Middleton.

We have seen examples of great sportsmanship right across the beach and that makes me more proud than anything. Being a good winner is easy but being able to overcome disappointment and celebrate and encourage others' success is the sign of great character

I truly believe that we are developing a fantastic culture – with our younger age groups leading the way. The genuine club spirit on display was perhaps the highlight for me from the state champs.

Socially we put on team barbeques, pizza and cheesecake days, a fantastic Vegas night and we welcomed Gerringong nippers to stay our club for the weekend. That was an old surf club tradition but what a fantastic experience that was for the kids and didn't Wanda put on picture perfect weather for their stay. We have seen our kids volunteering to help at Sutherland to Surf, fundraising each week and dozens of them walking laps to raise money at the Relay for Life.

A huge thank you to our sponsors who not only brought much needed sponsorship funds but they brought products that all our kids could enjoy – pizza, cheesecake, many a sausage sizzle, movie nights and free club rashies. These sponsors enabled us to invest in much needed new equipment for all our nippers to use.

We developed a strategic plan that would form a guide for our decision making with the first aim of further developing a One Club Approach and I do believe that we have managed to do that this year. The board of directors have worked with us to ensure we are all heading in the same direction and on a personal note have been unbelievably supportive and encouraging to me in my first year in this role and I thank them for that.

We wanted to improve the Sunday experience for the kids and we trialled a new "clinic" approach. We will further develop that strategy next season by bringing in more specialists to improve the skills of our kids each Sunday and involving our recent alumni to inspire our younger nippers.

Something I am passionate about is not only embracing new innovations but having a respect for the history and traditions of this club. We encouraged a return to our nippers being decked out in their full Wanda uniform. We should be proud of what our club represents and the history behind our club colours and I have been so pleased that so many of our nippers and families have embraced this.

There are many people to thank for their generous efforts this season – our age managers, IRB crews, army of water safety, officials, uniforms team, BBQ cooks, set up crews – and our tireless committee who work so hard to co-ordinate all that goes on. To all of you I say thank you from all of us for making this possible for our kids – you are all amazing.

I look forward to another great season next year and hope to see you all back. Go WANDA!

Fiona Sutton
Director of JAG

Edwin “Ted” Maxwell Brooker, OAM

Life Member Surf Life Saving Sydney, Surf Life Saving NSW & Elouera SLSC
Edwin “Ted” Maxwell Brooker, OAM

Edwin, known to all as Ted, was always available to help and had a great love for all aspects of Surf Life Saving.

Both the North Cronulla & Elouera Surf Life Saving Clubs were the beneficiaries of Ted’s almost seventy years of loyal service; as a patrol member, instructor, competitor, surf sports official, fundraising officer, club administrator and historian among other roles.

While not one to strive for recognition, his dedication has been duly recognised over the years. Elouera SLSC, Surf Life Saving Sydney and Surf Life Saving NSW have all awarded Ted with their highest honour of Life Membership, and in 2007 Surf Life Saving Australia awarded Ted the President’s medal.

The Sutherland Shire Council showed their appreciation by naming him in their “Top 100 Citizens of the Local Community” and in 2006 Ted Brooker, accompanied by his family stood, proudly before the NSW Governor, to be awarded the Medal of Order of Australia Medal (OAM) for services to lifesaving.

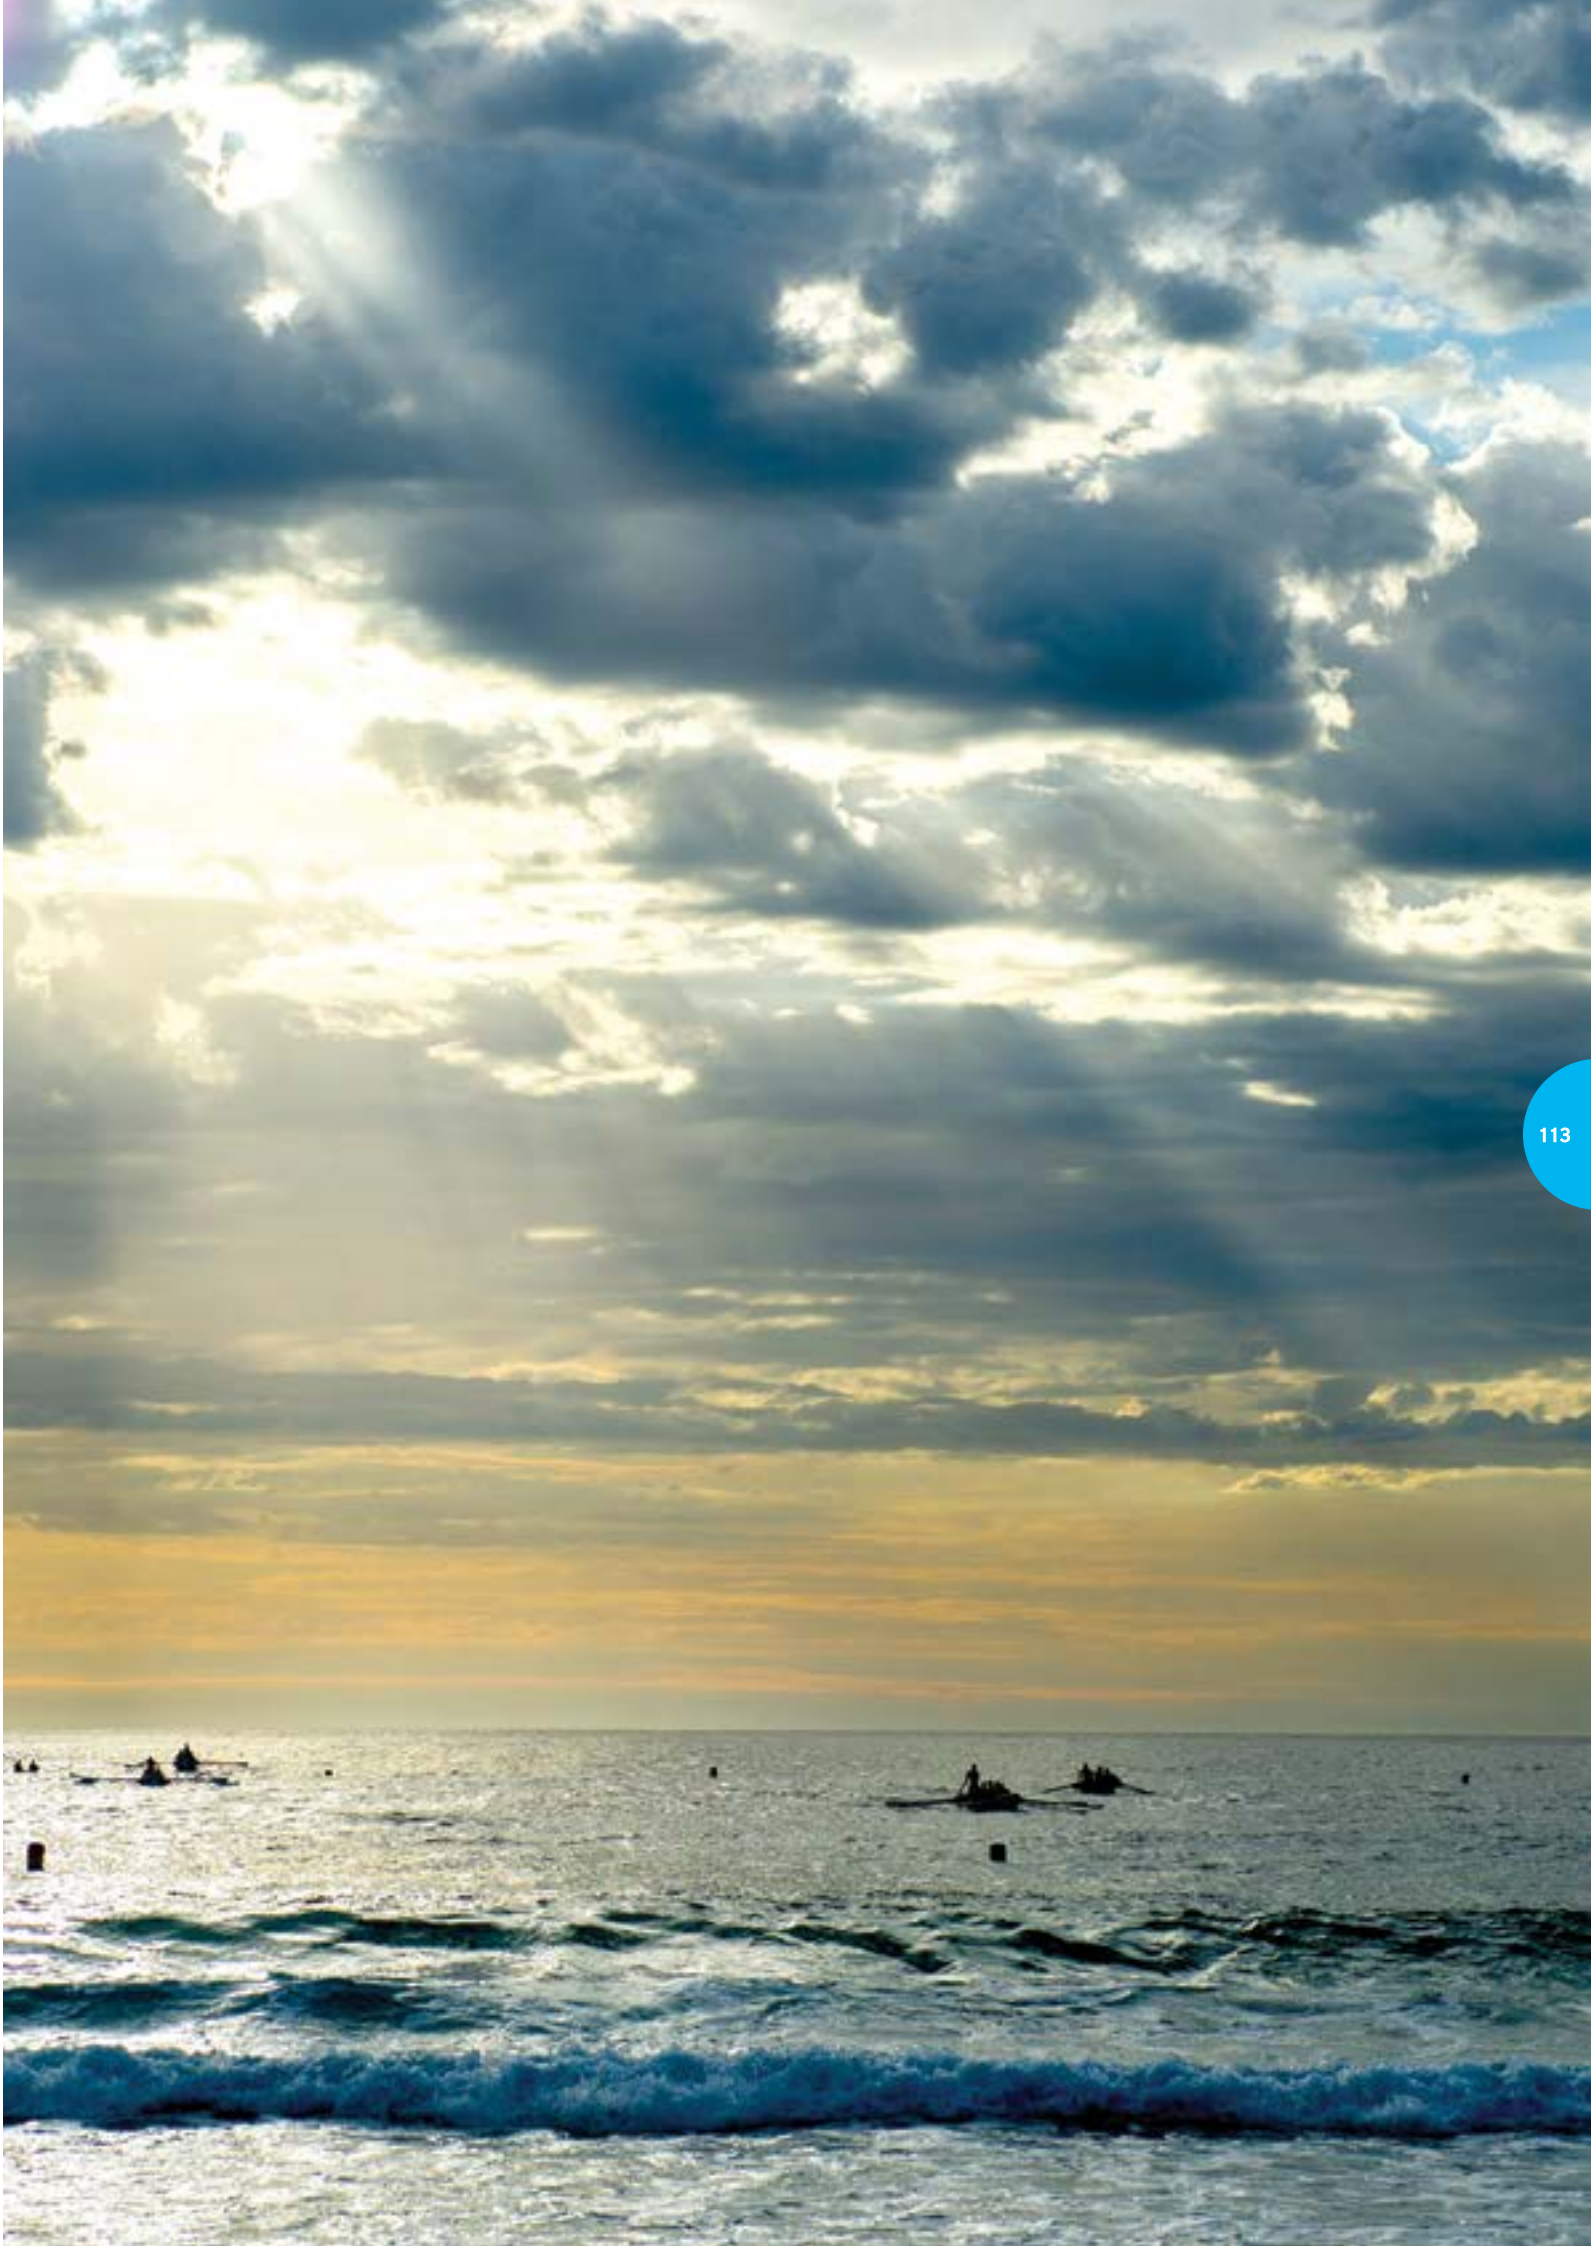

He was also the NSW Senior Citizen of the Year twice, a recipient of the Australian Sports Medal, and in 2000 was honoured by being chosen to carry the Sydney Olympic Torch during the Relay.

It would be impossible to detail the incredible time spent by Ted in the pursuit of excellence in all phases of his busy and achieving life. Ted Brooker has contributed to, and in so doing, has helped to define the very meaning of “heart and soul dedication to the community”.

Ted will be sorely missed in the Surf Lifesaving family nationwide.

His was a life well lived.

Vale Edwin “Ted” Maxwell Brooker OAM

DIRECTOR OF FINANCE

The 2018-19 season was a successful one operationally and financially. Thanks to the generous support from our major sponsors Sydney Airport and DHL we have had the financial capacity to resource the oversight and delivery of rescue services and surf sports throughout the most populated coastal region in Australia.

The accompanying Financial Statements despite being complicated by the revaluation of property, tell a good story. The underlying Operating result is a small deficit of \$14k, thereby maintaining a strong financial base going into the 2019-20 season. Revenue came in at \$666k which was close to budget and down \$21k on the previous year. Compared to last year, Sponsorship was \$70k lower, offset by an increase in Rent of \$54k as a result of the full year leasing of our warehouses. There was minimal movement on other line items.

Overall Expenditure was \$680k, which was down on budget across the board and up on the previous season by \$101k. During a hot summer with increased breach goers, Lifesaving operations were enhanced with the leasing of two new motor vehicles, increased operating hours for the five RWC's (Jet Skies) and consolidation of UAV (Drones) surveillance. The successful staging of the Junior and Senior Branch Championships in February, involving 2,150 competitors and 260 officials was an outstanding success. Development activities were expanded targeting Juniors and Cadets.

Coming into the 2018-19 season with a strong financial base and inflows that covered operations, facilitated the paying out of

the loan on the warehouse at 54 Burrows Road Alexandria. Both properties are now debt free and provide a good income stream for future activities. The settling of the loan with ANZ triggered a consolidation of banking arrangements with St George. In accordance with Accounting Standards the warehouses were revalued, coming in at almost double their previous carrying value at \$2m each. The precinct in which the properties are located is currently impacted by West Connect construction work, accordingly the future use and retention of the properties will be reviewed in 2020.

The bringing to account of the revaluation of the properties in accordance with Accounting Standards, through the Profit and Loss has the potential to distort the Branch's financial performance for the year in that a \$1.8m surplus is shown. The revaluation is non-cash and is entered through the Profit and Loss to get to Members Funds.

In closing I would like to congratulate my fellow Board members on what they have accomplished in 2018-19 and thank them for their commitment to financial stewardship and the ongoing success of the Branch. My compliments to Sharon Porter of 2Aspire for managing the financial processing and to Linda Perrin and Sarah Webster in the office for their personable 'can do' approach. Thanks to the support of so many I look forward to a great 2019-20 season.

Geoff Staples
Director of Finance

Surf Life Saving Sydney Incorporated

Executive Committee's Report For the Year Ended 31 May 2019

The Executive Committee present their report on Surf Life Saving Sydney Incorporated for the financial year ended 31 May 2019.

Executive Committee

The following Executives have been in office for the entire financial year unless otherwise stated:

Name of Executive	Title & Special responsibilities
George Shales	President (resigned 04/06/19)
Peter Agnew	Deputy President (appointed President 04/06/19)
Geoff Staples	Director of Finance (resigned 04/06/19)
Elissa Hancock	Director of Administration
Simon Torsellini	Director of Lifesaving and Education
Charlie Pavlou	Director of Members Services
Doug Hawkins	Director of Junior Development
Amy Somes	Director of Surf Sport

Principal activities

The principal activity of Surf Life Saving Sydney Incorporated during the financial year was the provision of administration services to the member clubs.

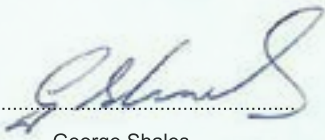

Significant changes

No significant change in the nature of Association's activities occurred during the financial year.

Review of Operations

The net deficit from operations for the financial year ended 31 May 2019 was \$179,811 (2018: \$19,381 surplus).

Signed in accordance with a resolution of the members of the committee.

George Shales
President

Surf Life Saving Sydney Incorporated

A.B.N 74 781 063 539

Notes to the Financial Statements
For the Year Ended 31 May 2019

1 Summary of Significant Accounting Policies

(a) Basis of preparation

The financial statements are for Surf Life Saving Sydney Inc. ("the Association") as a not-for-profit individual entity domiciled in Australia.

Surf Life Saving Sydney Inc. is not a reporting entity because the Board of Directors is of the opinion that there are unlikely to exist users who are able to command the preparation of financial reports tailored to satisfy all of their information needs. Therefore this report is a Special Purpose Financial Report that has been prepared solely to satisfy the financial reporting requirements of the Board, the requirements of the *Charitable Fundraising Act 1991* and *Australian Charities and Not-for-profit Commission Act 2012*.

The special purpose financial statements have been prepared in accordance with the significant accounting policies described below and do not comply with any Australian Accounting Standards unless otherwise stated.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Significant account policies adopted in the preparation of these financial statements are presented below and are consistent with prior reporting periods unless otherwise stated.

(b) Income Tax

No provision for income tax has been raised as the Association is exempt from income tax under Div 50 of the Income Tax Assessment Act 1997. The income tax exemption has been claimed based on self assessment by the Association.

(c) Revenue and other income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

Grant and donation income is recognised when the entity obtains control over the funds, which is generally at the time of receipt. Member subscription income is also recognised recognised when the entity obtains control over the funds, which is also generally at the time of receipt. If conditions are attached to the grant that must be satisfied before the association is eligible to receive the contribution, recognition of the grant as revenue will be deferred until those conditions are satisfied.

All revenue is stated net of the amount of goods and services tax.

(d) Property, plant and equipment

Property Plant and Equipment are carried at historical cost less, where applicable, any accumulated depreciation.

The depreciable amount of all property, plant and equipment is depreciated over the useful lives of the assets to the entities commencing from the time the asset is held and ready for use.

Assets are depreciated over their lives utilising the following rates:

Fixed asset class	Depreciation rate
Plant and Equipment	7.5% - 40%
Leasehold improvements	2.5 % - 10%

Notes to the Financial Statements
For the Year Ended 31 May 2019

1 Summary of Significant Accounting Policies

(e) Investment property

Investment property is held to generate long term rental yields and/or for capital appreciation. All tenant leases are on an arm's length basis. Investment property is carried at fair value determined by current market values. Changes to the fair value are recorded separately as an income or expense items directly in the Statement of Comprehensive Income.

(f) Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less.

(g) Trade and other payables

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the association during the reporting period that remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

(h) Goods and services tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are stated inclusive of GST.

(i) Financial instruments

Financial instruments are recognised initially on the date that the Association becomes party to the contractual provisions of the instrument.

On initial recognition, all financial instruments are measured at fair value plus transaction costs (except for instruments measured at fair value through profit or loss where transaction costs are expensed as incurred).

Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Classification

On initial recognition, the Association classifies its financial assets into the following categories, those measured at:

- amortised cost

Financial assets are not reclassified subsequent to their initial recognition unless the Association changes its business model for managing financial assets.

Amortised cost

Assets measured at amortised cost are financial assets where:

- the business model is to hold assets to collect contractual cash flows; and
- the contractual terms give rise on specified dates to cash flows are solely payments of principal and interest on the principal amount outstanding.

The Association's financial assets measured at amortised cost comprise trade and other receivables and cash and cash equivalents in the statement of financial position.

Notes to the Financial Statements
For the Year Ended 31 May 2019

1 Summary of Significant Accounting Policies

(i) Financial instruments

Subsequent to initial recognition, these assets are carried at amortised cost using the effective interest rate method less provision for impairment.

Interest income, foreign exchange gains or losses and impairment are recognised in profit or loss. Gain or loss on derecognition is recognised in profit or loss.

Impairment of financial assets

Impairment of financial assets is recognised on an expected credit loss (ECL) basis for the following assets:

- financial assets measured at amortised cost

When determining whether the credit risk of a financial assets has increased significant since initial recognition and when estimating ECL, the Association considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis based on the Association's historical experience and informed credit assessment and including forward looking information.

The Association uses the presumption that a financial asset is in default when:

- the other party is unlikely to pay its credit obligations to the Association in full, without recourse to the Association to actions such as realising security (if any is held).

Credit losses are measured as the present value of the difference between the cash flows due to the Association in accordance with the contract and the cash flows expected to be received. This is applied using a probability weighted approach.

Trade receivables

Impairment of trade receivables have been determined using the simplified approach in AASB 9 which uses an estimation of lifetime expected credit losses (ECL). The Association has determined the probability of non-payment of the receivable and multiplied this by the amount of the expected loss arising from default.

The amount of the impairment is recorded in a separate allowance account with the loss being recognised in finance expense. Once the receivable is determined to be uncollectable then the gross carrying amount is written off against the associated allowance.

Where the Association renegotiates the terms of trade receivables due from certain customers, the new expected cash flows are discounted at the original effective interest rate and any resulting difference to the carrying value is recognised in profit or loss.

Other financial assets measured at amortised cost

Impairment of other financial assets measured at amortised cost are determined using the expected credit loss model in AASB 9. On initial recognition of the asset, an estimate of the expected credit losses for the next 12 months is recognised. Where the asset has experienced significant increase in credit risk then the lifetime losses are estimated and recognised.

Notes to the Financial Statements
For the Year Ended 31 May 2019

1 Summary of Significant Accounting Policies

(j) Impairment of assets

At the end of each reporting period the company determines whether there is an evidence of an impairment indicator for non-financial assets.

Where assets do not operate independently of other assets, the recoverable amount of the relevant cash-generating unit (CGU) is estimated.

The recoverable amount of an asset or CGU is the higher of the fair value less costs of disposal and the value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash-generating unit.

Where the recoverable amount is less than the carrying amount, an impairment loss is recognised in profit or loss. Reversal indicators are considered in subsequent periods for all assets which have suffered an impairment loss.

(k) Intangible assets

Intangible assets are recognised at cost of acquisition. Intangible assets have a finite life and are carried at cost less any accumulated amortisation and any impairment losses. Intangible assets are amortised over their useful life of 3 years.

(l) Employee benefits

Provision is made for the Association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled.

Employee benefits expected to be settled more than twelve months after the end of the reporting period have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may satisfy vesting requirements. Cashflows are discounted using market yields on national government bonds with terms to maturity that match the expected timing of cashflows. Changes in the measurement of the liability are recognised in profit or loss.

Employee benefits are presented as current liabilities in the statement of financial position if the Association does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date regardless of the classification of the liability for measurement purposes under AASB 119. Contributions are made by the Association to an employee superannuation fund and are charged as expenses when incurred.

(m) Adoption of new and revised accounting standards

The AASB has issued new and amended Accounting Standards and Interpretations that have mandatory application dates for future reporting periods. The directors have decided not to early adopt these Standards. The following summarises those future requirements, and their impact on the Club where the standard is relevant:

AASB 15: Revenue from Contracts with Customers; and AASB 1058: Income for Not-for-profit (NFP) entities are both applicable to the annual reporting periods beginning on or after 1 January 2019 (for NFP entities).

AASB 15 introduces a five step process for revenue recognition with the core principle of the new standard being for entities to recognise revenue to depict the transfer of goods or services to customers in amounts that reflect the consideration to which the entity expects to be entitled in exchange for those goods or services.

When effective, this Standard will replace the current accounting requirements applicable to revenue with a single, principles-based model. The new standard will apply to all contracts with customers as well as nonmonetary exchanges between entities in the same line of business to facilitate sales to customers and potential customers.

AASB 1058 supersedes all the income recognition requirements relating to private sector NFP entities, and the majority of income recognition requirements relating to public sector NFP entities, previously in AASB 1004 Contribution. The timing of income recognition depends on whether such a transaction gives rise to a liability or other performance obligation (a promise to transfer a good or service), or a contribution by owners, related to an asset (such as cash or another asset) received by an entity.

Notes to the Financial Statements
For the Year Ended 31 May 2019

1 Summary of Significant Accounting Policies

(m) Adoption of new and revised accounting standards

The directors anticipate that the adoption of AASB 15 and AASB 1058 will not have a material impact on the financial statements.

AASB 16: Leases; applicable to the annual reporting periods beginning on or after 1 January 2019.

When effective, this standard will replace the current accounting requirements applicable to leases in AASB 117. AASB 16 introduces a single lessee accounting model that eliminates the requirements for leases to be classified as operating or finance leases.

The main changes introduced by the Standard will for all leases to be recognised on the balance sheet at inception of the lease with the exception of short-term leases (less than 12 months) and leases of low-value assets. The lessee must recognise a right-of-use asset and a corresponding lease liability in the amount of the present value of the lease payments. Subsequent to this initial measurement, the right-of-use asset is depreciated over the lease term, whilst lease payments are separated into a principal and interest portion to wind up the lease liability over the lease term.

The directors anticipate that the adoption of AASB 16 will not have a material impact on the financial statements.

In the current year, the Association has applied AASB9 Financial Instruments (as amended) and the related consequential amendments to other Accounting Standards that are effective for an annual period that begins on or after 1 January 2018. The transition provisions of AASB9 allow an entity not to restate comparatives. The Association has elected not to restate comparatives in respect of the classification and measurement of financial instruments as there is no impact on the current or comparative period. Additionally, the Association adopted consequential amendments to AASB 7 Financial instruments: Disclosure that were applied to the disclosures about 2018 and to the comparative period. AASB 9 introduced new requires for:

- The classification and measurement of financial assets and financial liabilities;
- Impairment of financial assets; and
- General hedge accounting.

The Directors of the Association reviewed and assessed the Association's existing financial assets as at 1 May 2018, based on the factors and circumstances that existed at that date and concluded that the initial application of AASB 9 has had no impact on the Association's financial instruments as regards to their classification and measurement during the current financial year.

2 Critical accounting estimates and judgements

The directors make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below.

Key estimates - fair value of investment property

On 10 April 2019 investment property held by the Association was independently valued by Mangioni Property Valuations & Consultancy Pty Ltd resulting in a fair value increment of \$1.87 million.

The carrying value of investment property is deemed to reflect fair value at 31 May 2019.

Surf Life Saving Sydney Incorporated

13 Cash Flow Information

(a) Reconciliation of result for the year to cashflows from operating activities

	2019	2018
	\$	\$
Net surplus from ordinary activities during the year	1,855,668	108,347
Cash flows excluded from profit attributable to operating activities	-	-
Non-cash flows in profit:		
- depreciation	33,249	47,286
- net (profit)/loss on disposal of property, plant and equipment	(6,217)	(5,909)
- (profit)/ loss on revaluation of investment property	(1,870,000)	-
Changes in assets and liabilities:		
- (increase)/decrease in trade and other receivables	7,147	(11,066)
- (increase)/decrease in other assets	6,073	(12,227)
- decrease/(increase) in financial assets	(830)	(784)
- increase/(decrease) in trade and other payables	(32,537)	(30,223)
- increase/(decrease) in employee benefits	11,837	(9,893)
Cashflows from operations	4,390	85,531

14 Fair Value Measurement

The Association measures investment properties at fair value on a recurring basis.

The Association does not subsequently measure any liabilities at fair value on a recurring basis, or any assets or liabilities at fair value on a non-recurring basis.

	Total
	\$
31 May 2019	
Recurring fair value measurements	
Investment property	3,870,000
31 May 2018	
Recurring fair value measurements	
Investment property	2,000,000

15 Contingencies

In the opinion of the Board of Directors, the Association did not have any contingencies at 31 May 2019 (31 May 2018: None).

Notes to the Financial Statements
For the Year Ended 31 May 2019

16 Capital and Leasing Commitments

(a) Operating Leases

	2019	2018
	\$	\$
Minimum lease payments under non-cancellable operating leases:		
- not later than one year	18,691	18,691
- between one year and five years	13,059	31,750
	<u>31,750</u>	<u>50,441</u>

Operating leases are in place for equipment rental and normally have a term of between 3 and 5 years.

17 Events after the end of the Reporting Period

The financial report was authorised for issue on 15 July 2019 by the Executive Committee.

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Association, the results of those operations or the state of affairs of the Association in future financial years.

18 Statutory Information

The registered office and principal place of business of the association is:
Surf Life Saving Sydney Incorporated
16 Murra Murra Pl
Little Bay NSW 2036
Australia

Notes to the Financial Statements
For the Year Ended 31 May 2019

19 Additional information to be furnished under the Charitable Fundraising Act, 1991

Declaration by President of the Board as required by the Charitable Fundraising Act 1991 (NSW)

I, Peter Agnew, President of the Board of Surf Life Saving Sydney, declare that in my opinion:

- (a) the accounts for the year ended 31 May 2019, give a true and fair view of all income and expenditure of Surf Life Saving Sydney with respect to fundraising appeals, and
- (b) the Statement of Financial Position as at 31 May 2019, gives a true and fair view of the state of affairs with respect to fundraising appeals, and
- (c) the provisions of the Charitable Fundraising Act 1991 (NSW), the regulations under the Act and the conditions attached to the authority have been complied with, and
- (d) the internal controls exercised by Surf Life Saving Sydney are appropriate and effective in accounting for all income received and applied from any of its fundraising appeals.

Peter Agnew

President

Date 15 July 2019

Surf Life Saving Sydney Incorporated

A.B.N 74 781 063 539

Declaration by Members of the Executive Committee

In accordance with a resolution of the committee of Surf Life Saving Sydney Incorporated, the members of the committee declare that:

- (a) the financial statements as set out on pages 3-17 present a true and fair view of the financial position of Surf Life Saving Sydney Incorporated as at 31 May 2019 and of its performance for the year ended on that date in accordance with the accounting policies described in Note 1 to the financial statements and the requirements of the *Australian Charities and Not-for-profits Commission Act 2012* and the *Charitable Fundraising Act 1991*; and
- (b) at the date of this statement, there are reasonable grounds to believe that Surf Life Saving Sydney Incorporated will be able to pay its debts as and when they fall due.

This statement is signed for and on behalf of the committee by:

George Shales
President
Dated 15 July 2019

Geoff Staples
Director of Finance

Surf Life Saving Sydney Incorporated

Independent Audit Report to the members of
Surf Life Saving Sydney Incorporated

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of Surf Life Saving Sydney Incorporated (the Association), which comprises the statement of financial position as at 31 May 2019, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the declaration by members of the executive committee.

In our opinion, the accompanying financial report of the Association is in accordance with the Australian Charities and Not-for-profits Commission Act 2012, including:

- (a) giving a true and fair view of the Association's financial position as at 31 May 2019 and of its financial performance and its cash flows for the year ended; and
- (b) complying with Australian Accounting Standards to the extent described in Note 1 and *the Australian Charities and Not-for-profits Commission Act 2012*; and
- (c) the financial report gives a true and fair view of the financial result of fundraising appeals for the year;
- (d) the financial report and associated records of Surf Life Saving Sydney Incorporated have been properly kept during the year in accordance with the New South Wales Charitable Fundraising Act 1991 and the regulations;
- (e) money received as a result of fundraising appeals conducted during the year has been properly accounted for in accordance with the New South Wales Charitable Fundraising Act 1991 and the regulations; and
- (f) there are reasonable grounds to believe that the Company will be able to pay its debts as and when they fall due.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Association in accordance with the auditor independence requirements of the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the directors' financial reporting responsibilities under the *Australian Charities and Not-for-profits Commission Act 2012*. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Executive Committee's Responsibility for the Financial Report

The members of Executive Committee is responsible for the preparation and fair presentation of the financial report in accordance with *the Australian Charities and Not-for-profits Commission Act 2012*, and for such internal control as management determines is necessary to enable the preparation of the financial report is free from material misstatement, whether due to fraud or error.

In preparing the financial report, Executive Committee is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Executive Committee are responsible for overseeing the Association's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial reporter, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the management with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

DIRECTOR OF ADMINISTRATION

The development programs and resource tools are key to the ongoing success of our Juniors. The impressive statistics speak for themselves as detailed in the Junior Development report.

With all the inspiring, exciting and ground breaking activity across the Branch this season, we were comforted when Sarah Webster joined our team as our Administration and Events Manager. Sarah brought with her a wealth of experience and knowledge in event management and administration. With Linda Perrin, our 'go to' for absolutely everything, our branch office is a well-oiled machine with the key objective of supporting our clubs.

We celebrated our Life Members achievements and successes with our 'Life Members Dinner' hosted by Elouera Surf Life Saving Club on Friday 10 May. Thank you to Life Member Ian Goode OAM for his vision to honour our distinguished Members and coupled with Sarah's event management background we produced an impressive and memorable event. Our VIP guests included, Adam Weir, CEO Surf Life Saving Australia, Steven Pearce AFSM, CEO Surf Life Saving NSW & newly elected President Surf Life Saving NSW, George Shales who all kindly attended to acknowledge our Life Members.

Congratulations to Mr Michael Hodsdon & Mr Warren Rennie AM who this season were inducted as Life Members. Their ongoing commitment to our organisation is a reflection of this great honour.

As another surf lifesaving season came to a close, the big event on our calendar was in the final stages of preparation. With so many deserving members to honour over the past season, it was only fitting we celebrate their achievements at the world class, state of the art International Convention Centre (ICC) at Darling Harbour. The perfect venue for our fabulous members to walk the red carpet, sit back, relax, enjoy fine dining and reminisce their achievements. Congratulations to all award winners, you are all most deserved recipients and all the best to our nominees at the upcoming SLSNSW Awards of Excellence.

To our Major Partner Sydney Airport, thank you for your ongoing support. Your generosity assists to deliver the skills, training & tools to our members so they in turn can keep our collective communities safe. We are very excited to play a major role in Sydney Airport's 100 Year Anniversary Celebration.

It's a privilege and life experience to work alongside this hardworking, committed and progressive team dedicated to 'leading by example'. Thank you again to our Branch President George Shales for steering the team in a direction that enabled all individuals to strive for and achieve their objectives, which in turn guaranteed the organisation delivered on it's strategic goals. All the best George with your new role as President Surf Life Saving NSW, you will be sorely missed, however it's comforting to know our state is in good hands.

Finally, and most importantly, thank you to Linda and Sarah. Our successes over the past 12 months may not have been realised without your support.

Elissa Hancock
Director of Administration

It is with great pleasure to present the Surf Life Saving Sydney 2018/19 Annual Report. This report showcases the incredible achievements our members have enjoyed across all areas of our organisation.

Our members contributed well beyond reasonable expectations and consistently set the bar high by achieving aspirational goals. It's these individuals, groups, committees & boards that make our branch the 'lead by example' branch.

We continued to break grounds in innovation and inclusiveness, and our fifteen Surf Life Saving Clubs, Support Operations Teams, Standing Committees, key individuals, Life Members, Partners and Board of Directors enjoyed many outstanding moments. These have been captured in the Clubs & Directors Reports.

President George Shales steered our team to ensure our status quo did not remain our status quo. Our support for each other to achieve our goals ensured our practice was best practice.

Our Action Plan once again targeted our four 'Strategic Plan' areas of Prevent Drowning, Leverage Technology, Develop & Recognise Talent and Drive Strategic Governance.

Our focus on Lifesaving, Education and Support Operations included a new Jetski as well as the expansion of our UAV Patrol Technology & Operators Team. With our Support Operations a 24/7 service, we rely on their team to keep our community safe well beyond the flags. These unassuming volunteers quietly go about their business with professionalism and humility.

The Branch Championships hosted by Maroubra SLSC, impressed on and off the beach. The perfect summer weekend coupled with fierce competition delivered an outstanding event. This peak level of competition paved the way for Surf Life Saving Sydney success at the Interbranch, State & National Competitions.

Our Junior Development teams inspired our young members to continue their journey to become our lifesavers of the future.
